<sup>2</sup> To calculate the plan payment for in-patient hospital services or for physicians, surgeons and other medical services, use the following formula:

<b>Participant responsible amount (after Medicare)</b>	\$ _____
<b>Plan deductible (\$500)</b>	- \$ _____
<b>Subtotal</b>	= \$ _____
<b>Co-insurance percent</b>	x _____ <b>80%</b>
<b>Plan payment amount</b>	= \$ _____

<sup>3</sup> Benefit period ends 60 days after discharge from the hospital or skilled nursing facility.

This summary highlights some of the features of this benefit plan. The summary is for illustrative purposes only and is subject to change at any time. The controlling terms and conditions of the benefit plan are contained in the Plan document, Summary Plan Description and the HealthFlex Benefit Booklet (collectively, the "Documents") maintained by the General Board of Pension and Health Benefits. If there are any conflicts between this summary and the terms of the Documents, the terms of the Documents shall control.

HealthFlex has certain obligations under the Medicare Secondary Payer rules (MSP Rules). This summary generally illustrates the procedures that apply to claims payment with respect to Medicare-eligible participants. However, if any conflict arises between the MSP Rules and the terms of this summary, the MSP Rules shall control.
