DAILY PROCEEDINGS OF THE ANNUAL CONFERENCE

Wednesday June 3, 2015

Afternoon Session

The 2015 session of the NM Annual Conference began with worship led by the praise band from St. John's UMC, Albuquerque.

Bishop Bledsoe welcomed all attendees to Glorieta.

Bishop Bledsoe introduced the Conference preacher, Rev. Dr. Kabamba Kiboko by sharing highlights from her ministry. In 1983, she was the first clergywoman ordained in the Congo. She has a PhD in Old Testament studies. She is currently in Cincinnati, where she preaches from the Bible, and people respond.

Rev. Dr. Kiboko read the scripture John 15:1-16. She shared the message "It is in you, go and bear fruit".

A video was shown about the church in the Congo. Methodists serving there present the gospel through clean water, healthy food, school, and seminary education.

Call To Order After a brief recess, the 140th session of the New Mexico Annual Conference was called to order.

Organization Of The Conference and Roll Call Rev. Jeff Lust placed the name of the secretary, Mrs. Ruth Tribou; the names of the assistant secretaries, Rev. Michael Stahl, Rev. Kathy Potter, and Mrs. Linda Lucas; and the names of the pages and tellers on the floor for election. They were elected.

The bar of the Conference was set.

Rev. Jeff Lust called for the first roll call.

Rev. Lust moved the adoption of the Conference rules statement as published. The rules were approved.

Rev. Lust moved the approval of the consent calendar. The consent calendar was approved.

Committee Nominations Rev. Jeff Lust presented the nominations for the Committee on Investigation. It was moved and seconded that the rules be suspended in order to allow election of this committee so that they may begin their work before the end of Annual Conference. The motion to suspend was approved.

The Committee on Investigation was elected with one no vote recorded.

The report of the Committee on Nominations was distributed. Various additions, deletions, and corrections were made.

Changes to Voting Rules for General and Jurisdictional Conference Delegates Rev. Lust gave introductory remarks about the delegate election process. Rev. Lust stated that clergy delegates must be members of this Annual Conference. Mrs. Donna TeBrink clarified the qualifications to be elected lay delegate.

Daily Proceedings of the Annual Conference

Rev. Lust asked that we suspend the rules to allow electronic balloting this year. The motion to suspend was approved.

Rev. Lust moved that we adopt electronic voting. Motion was seconded and approved.

Rev. Jeff Lust presented a resolution from the Conference Ministry Team, called Resolution and Rules Change for Electing NM Annual Conference delegates to General and Jurisdictional Conferences. He requested a motion to suspend the rules to adopt this resolution. Motion to suspend was approved.

The resolution was adopted.

Placing of CF&A Reports On The Floor Rev. Dan Boyd, chairman of Conference Committee on Finance and Administration (CFA), introduced the other members of the committee. The Conference expressed appreciation for their service.

Rev. Boyd placed CFA reports 1, 2, 3, and 4 on the floor for consideration, along with clarifications. Clarifications included a proposed budget which reflects 100% of General Church and Jurisdictional apportioned items. This is to comply with the Book of Discipline guidelines that say that General Church and Jurisdictional apportionments cannot be reduced in the Annual Conference budget. Also included was a spending plan based on estimated income. Rev. Boyd highlighted the effect that the changes proposed in the report would have been for each local church had this change been in effect for the 2014 calendar year. He stressed that this proposed change is a more equitable allocation of Shared Ministries, where each church will basically pay 10% of their income.

Bishop Bledsoe presented the state of the Church address. He reflected on the past and presented prospects for the future based on Vision 2020. Vision 2020 adopted six goals: sharing our stories and connecting our people; forming engaged disciples; fostering and sustaining vital congregations; developing effective leaders; creating new places for faith development; and refining conference structures.

He noted that it is local congregations where changes and improvements will be made. We must increase the number of vital congregations.

Bishop Bledsoe posed the question: How do we hold ourselves accountable? We must reverse the trend of closing churches, noting that in 2012 there were 146 local congregations, and by the end of this Annual Conference there will only be 136.

Bishop Bledsoe challenged the pastors to always give the invitation to relationship with Christ at every opportunity.

Shared ministry payments have declined. The number of churches that are paying 100% is stable, but more churches are closing and other churches are just not paying. Therefore payouts are dropping. This is a challenge to all churches to accept the changes proposed by CFA.

Bishop Bledsoe announced that Rev. Dr. Randall Partin will be the incoming Provost effective July 1, and asked the Conference to support Rev. Partin. Bishop Bledsoe also thanked Rev. Jeff Lust for his service and wished him well in his new appointment.

The Healthy Church Initiative under Rev. Cheri Lyon's leadership has potential to help create vital churches, but it is not the only tool.

Bishop Bledsoe celebrated the efforts of churches to revitalize ministries. He congratulated Morning Star UMC in Las Cruces, First UMC and Kingswood UMC in Clovis, and Mountainside

Daily Proceedings of the Annual Conference

UMC in Cedar Crest for all they have done. He also commended the new church start The Bridge in Odessa, TX which is worshipping 120-130 each week, most of whom are young families.

Churches should continue to support missions locally and around the world. He highlighted the work our Conference has done with the Congo. Rev. Dr. Partin and Bishop Bledsoe are going to a roundtable meeting in the Congo in October 2015 to dialog about how we can further support these ministries there.

Milestone Anniversary Celebrations Bishop Bledsoe called upon Mrs. Donna TeBrink, Conference Lay Leader, to share achievements in mission and milestone anniversary celebrations of ministries in our conference.

Cinco Estrellas Awards Mrs. TeBrink called on Rev. Harry Riser and Rev. Michael Stahl who presented certificates to the Cinco Estrellas churches. In order to receive this recognition, a church must meet five out of eight mission activities, and turn in a report of those mission activities. This award is geared towards every size church.

Certificates were presented to: Christ UMC, Albuquerque; Cimarron UMC; First UMC, Aztec; First UMC Ft. Sumner; Grace UMC, Alamogordo; Grace UMC Albuquerque; Maxwell UMC; St. Paul's UMC, Las Cruces; St. Paul's UMC, Socorro; University UMC, Las Cruces; Valley View UMC, Espanola; and Zia UMC, Santa Fe.

Rev. Riser expressed appreciation for the mission work done by all 12 Cincos Estrellas churches.

UMCOR's 75th Anniversary Both Donna TeBrink and Rev. Riser celebrated UMCOR's 75th anniversary. Video was shown to celebrate all the work that UMCOR has done in the past and will do in the future.

Methodist Children's Home 125th Anniversary Mr. Jerry Webb, Benefactor/Donor Relations Officer for the Methodist Children's Home, brought greetings and appreciation from the Methodist Children's Home. A video was shown sharing their work. He thanked the NM Annual Conference for past support, and offered speakers for any church or group. He invited everyone to share in their 125th anniversary celebration events including the June 19th ground breaking for new living quarters, the first in 60 years, and the October 10, 2015 official celebration.

Landsun Homes 50th Anniversary Executive Director Dudley Jones brought greetings from Landsun Homes. He thanked Marsha Drapala and Rev. Stephanie Harmon for their tireless service. June 2015 is Landsun's 50th anniversary. One outstanding event this year was gifts from generous donors who assisted in paying off \$2 million in long term debt. He asked people to join in 50 hours of prayer for Landsun Homes from 3pm on June 18, 2015 to 5 pm on June 20, 2015 by committing to a half hour of prayer during that time period. He ended his presentation by saying that everyone is capable of making a difference. If you don't make a difference, who will? A video of the Landsun Ministries was shown.

The Conference expressed appreciation for these three fine institutions and the work that they are doing.

Resolutions regarding closing two churches were distributed.

Rev. Jeff Lust thanked Roselie Johnson for her work as stage manager.

Courtesies and announcements were given.

Daily Proceedings of the Annual Conference

Rev. Jeff Lust highlighted a report of how much it costs for out of pocket expenses for delegates to go to General Conference and Jurisdictional Conferences. This information will be helpful for voting on the Resolution and Rules Change for Electing NM Annual Conference delegates to General and Jurisdictional Conferences.

Bishop Bledsoe called on Russ Devin to close the session in prayer.

Daily Proceedings of the Annual Conference

interest in serving were invited to submit their names, four people responded. He stressed that any clergy could be elected, our delegates do not have to be from these four.

The bishop asked Eddie Rivera to talk about a resolution he will be bringing. Eddie said the resolution will call for the election of delegates 2 years before the General Conference, instead of 1 year before to give them adequate time to prepare.

Jeff Lust presented some opportunities for continuing education that will be available this year.

Lay Session

Wednesday June 3, 2015

Mrs. Donna TeBrink, NM Annual Conference Lay Leader, opened the session with prayer.

Donna introduced Tom Thomas, El Paso district lay leader, Gloria Hutchins, Clovis District Lay Leader, and Chris Caldes, Albuquerque District Lay Leader, and Charlie Poore, the Conference Director of Lay Servants. She thanked them for their service.

Chris Caldes showed the June 3 edition of the daily news “The Grapevine.” This is more than just a newspaper showing what happened the day before. It is a daily digest full of articles that will help local churches bear fruit. The first edition was “The Conference Bearing Fruit”, and the next two editions will be “The Churches Bearing Fruit” and “The Individual Bearing Fruit”. He thanked Donna Berry for her work in producing this publication, and Cheri Lyon,

Director of Congregational Vitality, Cassandra McDonald, Lourdes Calderon, John Nash, David Blackwell, Pam Rowley, and others for writing articles. This publication is designed to be taken back to local congregations to help strengthen them.

Mrs. TeBrink talked about Certified Lay Ministers and the important part they play in the life of the small churches. She noted that 31 people will be certified at this Annual Conference. If anyone is interested, they should contact Rev. Cheri Lyon. Donna TeBrink thanked all for providing the extra service to the Conference.

Mr. Charlie Poore, Director of Lay Servant Ministries, highlighted the Conference Website. There is a lot of important information to share. Churches or individuals may send information about local church activities to Allison Costello, Conference Communications Coordinator, and she will publish what she can. The web page also has information about what grants are available, what jobs are available, and what items that are either for sale or for free. He highly encouraged everyone to take advantage of the information available on the website. Mr. Poore thanked Donna TeBrink for her seven years of service.

Donna TeBrink thanked Susan Brumbaugh for presenting the orientation session today.

Daily Proceedings of the Annual Conference

Donna TeBrink called upon Mr. Bill Wood to elaborate on what General Conference and Jurisdictional Conference delegates will do. Delegates must be willing to spend a lot of time reading, going to meetings, and listening, listening, listening. The first delegate elected at this conference (one clergy, one laity) will be members of the Jurisdictional Committee on Episcopacy, where they will be involved with placement of bishops within the Jurisdiction.

Each of the declared candidates for General Conference spoke for a few minutes to tell their qualifications and why they wanted to serve as a delegate.

Mrs. TeBrink clarified what is done at Jurisdictional Conference. She said that the main purpose of Jurisdictional Conference is to elect Bishops. There is also certain jurisdictional business that has to be conducted.

Donna Berry invited everyone to the prayer room to help with discernment.

General Conference will be May 10-20, 2016 in Portland, OR and Jurisdictional Conference will be July 13-16 in Wichita, KS. There are time commitments for other responsibilities for the entire four year term of a delegate.

Mrs. TeBrink gave information about the resolution to be voted on that will allow the election to be held two years before General Conference instead of the current one year election cycle. She said there are advantages and disadvantages to either way.

Mrs. TeBrink called upon Sid Strebeck to close the session in prayer.

Bishop Bledsoe called on Mr. Bill Wood to pray for discernment and Bishop Bledsoe called for the second laity ballot.

Ms. Cathy Anderson, Conference Treasurer, reported that the offering from the Wednesday worship was \$18,312 for the two Congo Initiatives and additional gifts prior to Conference brought the total to over \$38,000.

Bishop Bledsoe called on Rev. Dan Boyd to pray for discernment. Bishop Bledsoe called for the third clergy ballot. The Conference sang one verse of “My Hope is Built on Nothing Less” while waiting for the results. There was no election.

Legal Update Bishop Bledsoe called on Mr. Tom Stanton, Conference Chancellor. Mr. Stanton reported that there are no pending litigation issues for the Conference. He also said that there are some issues in other denominations about the trust clause that is in church real estate contracts. The attorneys at the General Conference level are watching this issue closely. He also reminded all churches to keep their corporate status current with registration with the Secretary of State in New Mexico, or the State of Texas. It is an important matter. He also said that at this time, churches should not worry about the trust clause, as this Conference complies with the Book of Discipline. His report was received.

Lay Delegate to General Conference Elected Mr. Stanton prayed for discernment, and Bishop Bledsoe called for the third laity ballot. Mr. Sid Strebeck was elected as laity delegate to General Conference.

Report of Provost Rev. Jeff Lust presented the Report of the Provost. He thanked Rev. Jimmy Nunn who extends the spirit of cooperation between the New Mexico and Northwest Texas Conferences.

Rev. Lust thanked all the teams and staff that make Annual Conference happen. He thanked the Conference Planning Team for their months of work in advance of the Conference. He thanked the Worship team for their creativity in making the Conference theme flow through worship services and surroundings. The Worship Team provided the blessing wall that has been present throughout Annual Conference. Rev. Lust commended the local arrangements team because they have had to deal with challenges at the new Glorieta. He thanked Mr. Chris Caldes for coordinating the vans to transport people around the grounds. The Conference expressed their appreciation for all these teams who made Annual Conference 2015 happen.

Rev. Lust used the theme of the healing of the lepers as told in Luke 17:11-19 to illustrate the challenges and transitions facing our Conference. He noted that the drop in membership is not a transition, it is the result of transition. We are called to be faithful and fruitful in the midst of change.

Conference Ministry Team is focusing on clarity and alignment. We need to be clear on what we are to do, and to make sure all activities and efforts are directed towards that goal. Another emphasis will be to increase transparency in income and expenditures.

Daily Proceedings of the Annual Conference

As the lepers took initiative in coming to Jesus for healing, we need to take initiative and responsibility for our disciple-making. The lepers went out, and as they went out they were healed. Likewise, we have to go out and act on Christ's instructions.

Rev. Lust gave a few examples of ways the Conference Ministry Team is trying to go out and act. The Office of Congregational Vitality, under leadership of Rev. Cheri Lyon, has made changes in the Healthy Church Initiative so that the process meets the unique needs of the New Mexico Conference churches. Training events will be held with significant subsidies from the Conference. Rev. Lust asked: "Are we there? Not yet, but we are on the way."

Rev. Lust expressed his gratitude for the placement of Allison Costello in communications. She has done tremendous things towards improving social media presence and other communication paths.

In the story from Luke, one of the lepers came back to express true gratitude. We should follow this example and let gratitude be gratitude, and not a license to ask for more.

Rev. Lust shared memories and gratitude for things that have strengthened his ties here, and assured the Conference that even though he is moving to McMurry University in Abilene, he will maintain his membership in the New Mexico Annual Conference.

Assistant Director of Congregational Vitality Report Rev. Cheri Lyon shared that she sees in local congregations the words of Jeremiah 19. She likens the revitalization to clipping in: fully becoming involved in discipleship. Four things are necessary to become effective disciple makers: Gain momentum for doing the work, constantly clarify and focus, engage your community, and help people become disciples.

"One Matters" Discipleship Awards Rev. Lyon introduced Mr. Doug Ruffle, Associate Director of Path One of Discipleship Ministries. Their purpose is to assist and provide resources for ministries. He presented the "One Matters" Discipleship Award to two churches that are turning things around towards making disciples. The award also includes \$1000 to continue their work. He noted that in 2013 more than 50% of United Methodist churches had zero baptisms and professions of faith.

The churches receiving this award are bright spots. We need to ask ourselves- what they are doing?

The awards were presented to El Calvario UMC, Las Cruces, and Hamlin Memorial UMC, Texico.

Bishop Bledsoe commended Rev. Nema LeCuyer for her continued work, the result of which is an increase in worship attendance from about 9 per week to 45-50 per week. Under the leadership of Rev. Joe Whitley, Hamlin UMC has expanded their outreach to those who have no relationship with Jesus.

Equitable Compensation Report Rev. Reuben Thomas, chairman of the Commission on Equitable Compensation, presented the report of the committee. The Commission has two purposes: to make sure that all clergy appointed to a charge receive just compensation, and to set the minimum salary for all ministerial categories. The minimum salary has been at the same level since 2012. This is a financial burden to pastors. The Commission recommends a \$600 increase in each category of minimum salaries.

Rev. Thomas moved the adoption of the report. The report was adopted.

Daily Proceedings of the Annual Conference

Living Archives Rev. Will Steinsiek, Conference Archivist, introduced Mr. David Maldonado, Chairman of the Committee on Archives and History.

Mr. Maldonado expressed his thanks for Rev. Steinsiek's leadership and for the unintended consequence of the revival of his prayer life after driving in Rev. Steinsiek's car with him.

Mr. Maldonado announced that the Fall Heritage Tour will be in the El Paso area. The committee will be offering a training for church historians and encouraged churches to send laity. He asked each district to elect two representatives to the Committee on Archives and History.

Mr. Maldonado presented the Living Archive Award for Laity to Lois Gamble Miller. She spent many years serving United Methodist Women at the local, district, and conference level, as well as serving her local church. She greeted the Conference and thanked the Conference for this honor, and said that in spite of being 92 years old "I ain't through yet!"

Mr. Maldonado announced that Rev. Lloyd Hughes celebrated his 100th birthday this year.

Mr. Maldonado presented the Living Archive Award for Clergy to the first woman ever ordained by the NM Conference, Rev. Dr. Elizabeth Lopez, known to many as Liz Spence. She served the NM Annual Conference from 1972 to 1996, and has been serving more recently in Minnesota. She is one of only two women pastors to serve churches with over 2000 members. She shared her memories and thanked everyone for giving those memories to her.

Rev. Jeff Lust gave courtesies and announcements. Bishop Bledsoe recognized Bishop Bill and Kay Hutchinson. Bishop Crutchfield sent his regrets that he could not be at Conference due to a death in the family.

Ms. Susan Brumbaugh offered a prayer to close the session.

Ms. Yancey stated that often youth are called the "church of the future", but in reality, young people are the "church of today".

Bishop Bledsoe encouraged all present to help the CCYM with a donation to their camp scholarship fund. The report was received with gratitude.

Sacramento Camp and Conference Center Report Mr. Bill McQuaig from Sacramento Camp and Conference Center showed a video about the value of camp. Mr. McQuaig used Matthew 18:1 to illustrate the importance of nurturing our children and youth.

He gave statistics about how many new disciples are made at camp. He encouraged everyone to get the young ones to camp and to pay for it. He celebrated the volunteers who help the camp run, and the donors who provide 33% of funding.

Mr. Lee Starritt, Sacramento's Equine Adventures' Ministry manager shared his enthusiasm for their new programs and ministries. One very special ministry is reaching out to military families, giving them a chance to bond as a family. Sacramento has a strong bond with young adults

Daily Proceedings of the Annual Conference

through SWIFT, and with CCYM. He encouraged all to come and experience these new ministries.

Mr. McQuaig thanked everyone for their support and moved the adoption of the report. The report was adopted.

Bishop Bledsoe said that Educational Opportunities will provide reduced prices for new ordinands, and the Methodist Foundation will also provide grants for ordinands.

Bishop Bledsoe introduced the District Superintendents from the Northwest Texas Conference: Rev. George Price, Abilene District; Rev. Paul Bauernfeind, Amarillo District; and Rev. Richard Edwards, Lubbock District. The Bishop thanked them for their knowledge and cooperation in placing pastors in the right churches.

Bishop Hutchinson thanked everyone for the warm welcome he has received while here, and for the memories shared at both the memorial service and the retirement service. He brought words of regret from Bishop Crutchfield that he could not be with us. Bishop Hutchinson expressed his thanks for all the prayers and support during his recent illness, and reported that he is doing well. Rev. Dr. Don Holliday, representing the retiring class, passed the mantle to Rev. Beverly Bonnell, a representative of the new full member class.

After a brief recess, the business session resumed.

Bishop Bledsoe asked Mr. Chris Caldes to pray for discernment. Bishop Bledsoe called for clergy ballot #8.

CF&A Reports 1,2 & 4 Approved Rev. Dan Boyd asked the Conference to approve reports 1, 2, 3, and 4 with the addition of the proposed budget/proposed spending plan. Rev. Boyd presented the editorial changes. Bishop asked if the Conference would accept the proposed editorial changes. The editorial changes were accepted.

Rev. Boyd said that 61% of churches pay 100% of Shared Ministries, and another 29 % of churches improved their Shared Ministry Giving in 2014 over 2013. He gave the history of the downward trend in askings and payments. This Annual Conference had a history of approving budgets that the Conference Committee on Finance and Administration (CFA) knew would never be completely accomplished. The result was that the Conference ministries never knew how much money would come in. This also delayed asking the hard question: how would we support the ministry of the Conference with the reality of decreased income. The third issue is inequity: churches were treated very differently, with Shared Ministry percentages being between 6% and 28% of their annual budget. CFA tried to consider best business practices in planning and budgeting. What is realistic to expect in terms of income?

Report 1 is a budget that meets the requirements of General and Jurisdictional Conferences, along with a realistic spending plan that reflects the projected income. Each church treasurer will remit to the Conference Treasurer a flat 8% of operational income plus payment for two funds that will be direct billed.

Daily Proceedings of the Annual Conference

The churches' income and payments will be reported on the Conference website. Churches that pay the full tithe will be recognized and congratulated for their full participation, and the pastors will be allowed to share the success and the challenges they had in meeting the full tithe at a meeting with the Bishop at the following year's Annual Conference.

Rev. Boyd summarized by saying that the spending plan is based on what the Conference actually needs to operate, and therefore the Conference will be counting on churches to pay 100% of their tithe.

Mr. Jimmy Richardson, lay member, Asbury UMC, presented a motion to amend the CFA report to allow payments made directly from individuals to the Conference Treasurer to be credited to their churches tithe. Discussion followed. The amendment failed.

Rev. Phil Huston, Epworth UMC, Carlsbad, moved to remove section 6, (Accountability) bullet point 2 from CFA Report #1. The motion was seconded. The motion failed.

Mr. Bill Wood asked that CFA consider including laity in the sessions at the following year's Annual Conference meetings with the Bishop for churches that paid the full tithe. Rev. Boyd said CFA welcomes all comments and suggestions as the plan is implemented.

Rev. Layloni Drake called the question. Motion to call the question passed.

Rev. Dan Boyd placed reports #1, 3, 4 on the floor for adoption. These reports were adopted.

Revolving Loan Fund Resolution Rev. Dan Boyd presented the Resolution for Updating the Revolving Loan Fund. This fund has traditionally been used to help with emergency capital campaigns that could not be funded by traditional financing and the need is less than \$25,000. The resolution was approved.

Clergy Alternate Delegates Elected Rev. Jane Vaughn and Rev. Todd Salzwedel were elected as the alternate delegates for clergy.

Rev. Jeff Lust thanked Jessica Hayward and Andrew Crothers of Padgett for their assistance with electronic voting.

Pension and Health Benefits Report Mr. Steve Wilson, chairman of the Conference Board of Pension and Health Benefits, presented the Resolution for Rental/Housing Allowances for Retired or Disabled Clergypersons of the NM Annual Conference. The resolution passed.

Mr. Wilson introduced Mrs. Dru Ann Kuntz, the new Conference Benefits Officer. He noted that the previous Conference Benefits Officer, Ms. Terry Shoemaker, has gone back to the General Board of Pension and Health Benefits, and Terry will be our conference liaison to the General Board.

Mr. Wilson thanked Rev. Jeff Lust for serving as Provost on this board.

Mr. Wilson recognized Rev. Eileen Utton and Mr. Sid Strebeck for their past service as they leave this board.

Rev. Ernie Vineyard shared some numbers about health insurance rates. There will be no increase this year in health care premiums for the NM Annual Conference. The board will do their best to serve the Annual Conference insurance needs.

Rev. Scott Penrod stated the 2016 pre-1982 service rate will increase by 3.1% to \$641/year of service. He reported that the \$600,000 fund balance for this pre-1982 service rate has not changed in many years.

Daily Proceedings of the Annual Conference

Rev. Penrod gave additional information about the Conference pension liability.

The report was adopted.

Trustees Report Rev. Jeb Archey, chairman of the Conference Board of Trustees, reported that as required by the State of New Mexico, the Trustees held their annual meeting on June 3. At that meeting they elected the following officers for the coming year:

Rev. Jeb Archey, President

Rev. Kelly Brooks, Vice President

Rev. Phil Huston, Secretary

Ms. Cathy Anderson, Treasurer

He reported where the funds from prior sales of church property were allocated: \$251,721 to new church development; \$151,032 to leadership development; and \$100,688 to remain in the Trustees account.

Rev. Archey apologized for letters that said all property insurance policies were cancelled. This was an administrative error. The contacts for the New Mexico Annual Conference are John Scheffler and Alicia Morris. The Trustees continue to build relationship with United Methodist Insurance, and are looking at risk reduction and premium reduction strategies.

There has been a change in Safe Sanctuaries since the loss of the staff person who used to handle this. A sub-committee composed of Rev. Phil Huston, Ms. Peggy Wilson, and Rev. Jeb Archey selected "ProtectMyMinistry.com" to fill this need. It is an online program that individuals can access directly. Back ground checks cost \$4 and \$16 for simple and in-depth checks respectively. These lower fees are direct billed to churches instead of through the Conference office.

The Trustees have also done work on the Conference office landscaping and sign. In 2014, they paid off the building loan with help from the revolving loan fund.

Rev. Archey gave a report on properties still held by the Trustees:

Hernandez, NM: still listed for sale, but being rented to Victory Outreach. The current plan is to continue to try to sell the property, but keep renting it for now.

Presidio, TX: A contract for sale is still pending because every property sold in that area must be resurveyed, and then the Trustees had to purchase easements to have clear title.

Encino, NM: The Trustees now have clear title, and will deed property to the prior designee.

Imperial, TX: More work needs to be done before the property can be disposed of.

Discontinuance of Two Churches Rev. Jane Vaughn presented the Resolution for Discontinuance of the Dexter United Methodist Church in Dexter, NM and the Resolution for Discontinuance of St. Paul's United Methodist Church in Hobbs, NM. St. Paul's UMC, Hobbs, NM official closing is June 21, 2015, and Dexter UMC closed May 17, 2015.

Both properties will be turned over to the Conference Trustees. Bishop Bledsoe reminded the Conference that we should celebrate the many years of ministry rather than sadness.

Mr. Robert Holder of the Rules Committee moved that we strike the last paragraph in the Resolution for Discontinuance of St. Paul's UMC regarding distribution of funds. The Trustees

Daily Proceedings of the Annual Conference

have the authority for distribution of any such funds. Rev. Jane Vaughn accepted this change to the resolution. Both resolutions were adopted.

Rev. Jeb Archey offered a prayer for the closed churches.

The Bishop asked the newly elected General and Jurisdictional delegation to come forward for consecration. Rev. Jeff Lust offered prayer of consecration.

The session was declared in recess.

Morning Business Session

Friday June 5, 2015

Bishop Bledsoe opened the session with a light-hearted comment about “casual Friday.” Conference song leader Mrs. Holly Boyle led the Conference in praise.

Bishop Bledsoe asked Ms. Mary Bell Haney to offer a prayer for the session.

Mrs. Ruth Tribou reported that the minutes of the previous day’s sessions were approved with minor corrections.

CF&A Report 2 Approved Rev. Dan Boyd brought Report #2, as amended to reflect the 2016 budget and spending plan, to the floor for discussion

Rev. Boyd introduced Rev. Paul Dirdak, who coordinated the advance publicity for the change in Shared Ministry funding. He was the author of the “Tithing Times.” Rev. Dirdak thanked the CF & A for the opportunity to work with them.

Rev. Dirdak noted that his main job with the General Council on Finance and Administration has been to help organize pension programs for conferences around the world. He reported that all United Methodist Conferences (53 in the US and 76 in other parts of the world) now have organized pension programs covering every ordained United Methodist pastor.

Report #2 as amended was approved. Rev. Boyd thanked the Conference for its support and encouraged all churches to commit to paying the full share.

The Conference expressed appreciation for Rev. Boyd’s leadership and the work of the Conference Council on Finance and Administration.

Conference Board of Global Ministries Report Rev. Harry Riser thanked everyone for the great response to Cincos Estrellas. He brought the report of the Conference Board of Global Ministries (CBGM) to the floor for approval in order to approve the Advance Specials recommended by CBGM for support this year. A friendly amendment to the report allowed deletion of the Rio Grande Conference from the list of endorsed Advance Specials since it no longer exists. The report was adopted.

McMurry University Report President Sandra Harper of McMurry University used Jeremiah 19 as the theme for what McMurry hopes to accomplish in partnership with the United Methodist Church. They have recently had extensive planning sessions to better define their mission and vision statements. The vision statement has two foci: 1. God’s grace and a life of service are foundational for all persons. 2. Every student will be expected to graduate as a servant leader, looking to serve in lay or ordained ministries within the church. McMurry expects to achieve this purpose through increasing religious life on campus. They are pleased to have Rev. Jeff Lust coming to McMurry as Campus Minister. That position is now defined as a

Daily Proceedings of the Annual Conference

senior staff person in an executive level position reporting directly to the president. Responsibilities will include student ministry and strengthening partnerships with churches

McMurry is also working on new initiatives: to look at non-traditional learners, future students who are outside their traditional population of 18-22 year olds, and to look at distance learning. President Harper also highlighted Conference members who are on the Board of McMurry University, and some distinguished alums, students, and Conference partners. She thanked them all for their service to McMurry.

The Conference expressed appreciation for her work. The report was adopted. Bishop Bledsoe thanked President Harper for her leadership.

Campus Ministries Report Rev. Elizabeth Kirkwood, Chairman of Conference Campus Ministry as well as Campus Ministry Director at Eastern NM University Portales reported that there are currently five active Wesley Foundations at colleges and universities within our Conference. A video of their ministry was shown. Students from campus ministry shared how this ministry has impacted their lives.

She stated that college students want simple things: food for their bellies, food for their souls, and a home away from home. Students are looking for adult volunteers who are honest, good listeners, and non-judgmental.

She introduced those campus ministry directors and told of some of the outreach programs they lead. She introduced: Rev. Jim Bignell, who is teaching ESL classes and offering Bible studies for Spanish speaking students at the Roswell Satellite Wesley Center; Rev. Vernon Baker who helps with the Wesley apartment on the University of New Mexico campus; Xavier Torrez who is leading a clean-up day with the Board of Directors and students at New Mexico State University; and Rev. Chris Rodriguez who helps oversee the apartments at Sul Ross Center.

The Wesley Center at Eastern New Mexico University Portales is starting a new program called “When I was hungry.” Leaders found that students are coming to school, but they don’t have enough money for food. This program helps that need by providing food, fellowship, devotions, and Bible studies.

The Wesley Center at Eastern New Mexico University hosted a graduation dinner this year. More than 80 people attended this very meaningful event.

Rev. Kirkwood offered the directors to come to churches and United Methodist Women meetings. These students need our help, in the form of prayers, presence, gifts and service. She noted that students from Eastern New Mexico University have helped provide child care at Annual Conference.

Extension Ministries Bishop Bledsoe asked all who serve in extension ministry to come forward to tell who they are and where they serve beyond the local church. Mr. Tom Thomas offered a prayer for all those who serve in extension ministries

Committee Nominations Rev. Jeff Lust placed the report of the nominating committee on the floor for consideration. Various changes and corrections were received. Rev. Lust stated that when vacancies between conferences occur, they are handled by the cabinet. The Report of Nominating Committee was approved.

Board of Ordained Ministry Report Rev. Scott Sharp, Board of Ordained Ministry, thanked all who served on the committee for helping this past year.

Daily Proceedings of the Annual Conference

Rev. Sharp introduced Rev. Kenneth Tidmore to report on the 2015 scholarships. The scholarships administered by this committee include the Gertrude Cooper Scholarship, for seminary students from the NM Annual Conference; the Daniel Phillips Memorial Scholarship, for students pursuing ministry as a second career; The Goode Ministerial Scholarship, for students who will return to serve in this conference; The Rev. Martha Singleterry Scholarship Fund, for women preparing for ordained ministry; the Moore-Snitker Scholarship Endowment, for seminary students from the NM Conference; The Legacy Fund, for those called to ordained ministry and who intend to serve local churches upon completion of the candidacy program; the Max Whitfield Local Pastor Scholarship Fund, for those preparing for or serving as a local pastor while in the course of study; the Ivy Scholarship Fund college for undergraduate students preparing for a full time church related vocation in the United Methodist Church; and the Shelby and Claire Miller Endowment, for those currently enrolled in an accredited United Methodist Seminary preparing for full-time ordained ministry in this Conference as a Deacon or Elder.

Over \$13,946 worth of scholarships were awarded this year.

Manish Shirley, studying at St. Paul School of Theology, received the Daniel Phillips, the Goode, the Moore-Snitker, the Ivy, and the Miller scholarships.

Deb Shepherd, attending Fuller Theological Seminary, received the Daniel Phillips, the Goode, the Moore-Snitker, the Ivy, the Miller and the Singleterry Scholarships.

Jon Kuncel, studying at Duke University, received the Phillips, the Goode, the Moore-Snitker, the Ivy, and the Miller Scholarships.

Nadine Ilunga, studying at Drew Theological Seminary, received the Phillips, the Goode, the Moore-Snitker, the Ivy, the Miller and the Singleterry Scholarships.

Karin Carlson, attending Asbury Theological Seminary, the Phillips, the Goode, the Moore-Snitker, the Ivy, the Miller and the Singleterry Scholarships.

Rev. Tidmore asked any scholarship recipients present to stand and be recognized. He asked for prayers for these students and their future ministry careers, and for those who came forward at the ordination service as they heard the call to ministry.

Rev Kim Kinsey announced the clergy retreat in October

Rev. Scott Sharp used his acrobatic talents to illustrate that often those who are already involved in ministry are at 30,000 feet, but the potential future clergy are at ground level.

He then recognized members of the Board of Ordained Ministry who were present, and mentioned some who were unable to attend conference this year. He noted that Mary Lust will continue as registrar, even though she will be living outside the geographical boundaries of the Conference.

In a moment of personal privilege, Rev Sharp expressed appreciation for Rev. Melissa Madara and daughter Julia for being at Annual Conference, saying that these coming generations are why we do all we do. In another moment of personal privilege Rev. Sharp shared that some of the first people he met when he moved to Albuquerque were Mrs. Donna TeBrink and Rev. Jeff Lust, and ever since then they have been an important part of his life both professionally and personally.

Laity Address Mrs. Donna TeBrink gave the laity address. She observed that there had been changes in lay ministry since she became Conference Lay Leader seven years ago. She

Daily Proceedings of the Annual Conference

commended the Certified Lay Servants program under the direction of Charlie Poore, the Certified Lay Ministers program coordinated by Mr. Bill Wood and Rev. Pam Rowley, and the Healthy Church Initiative which now has over 150 people involved.

Mrs. TeBrink said the Conference has a great staff for ministry in Conference office, well poised to continue working towards all the goals of Vision 2020.

She said that it takes grit infused with grace to succeed at the job of Conference Lay Leader. She cited as an example Ira J Ayers, the first lay leader elected by the New Mexico Conference of the Methodist Episcopal Church, South, in 1911. She said one of the things he said remains true, the need for more lay involvement in our Conference. She encouraged all present to keep up the faith and create your own way. Using an image from the Book of Esther, she closed with "Maybe you were born for such a time as this."

The Conference expressed its appreciation for all her years of service.

Mrs. Tebrink introduced Mr. Sid Strebeck, newly elected Conference Lay Leader. He said that when we start out, we have no idea where the path will take us if we allow God to work. We don't know what resources are available until we begin to access them. He is looking forward to joining with all of us to achieve the goals of Vision 2020, so that at the end of the road we can look back and say, I could never even imagined we could accomplish all this. He said God can use us if we expect to be part of the work.

Annual Conference Offerings Ms. Cathy Anderson gave the giving report for the Conference offerings to this point. Over \$22,628 for the Congo Seminary challenge, over \$14,704 for water wells in the Congo, approximately \$6,000 for McCurdy Ministries, and the Conference Council on Youth ministries raised enough money to send 15 persons to camp.

Certified Lay Ministers Recognition Rev. Pam Rowley recognized Certified Lay Ministers- laity who feel called to serve the church. She presented 25 individuals who have completed the requirements to be Certified Lay Ministers during this conference year. She gave some historical background, and noted that these people, under the supervision of an elder, may be assigned to provide leadership at a small church, to take part in larger ministries, or serve on the staff of a larger church.

In front of the Bishop, the Provost, the Conference Lay Leader and the entire Annual Conference, Rev. Rowley asked the Certified Lay Ministers questions to assure their commitment to this ministry. She asked the Conference to support them in prayer.

Those who were presented were:

Jeannine L. Beck

Darla Haack Bejnar
Grant C. Claycomb
Linda M. Coble

The Resolution and Rules Change for Electing the New Mexico Conference Delegates to the 2020 General and Jurisdictional Conferences in the 2018 Session of the New Mexico Conference was presented by Rev. Rivera. Discussion followed. The Resolution passed.

RESOLUTIONS

**Resolution and Rules Change for Electing the
New Mexico Conference Delegates
to the 2020 General and Jurisdictional Conferences
in the 2018 Session of the New Mexico Conference
*Submitted by Rev. Eduardo (Eddie) Rivera***

Whereas, the 2012 *Book of Discipline* of the UMC in ¶502.3. states that “Delegates to the General Conference shall be elected at the session of the annual conference held no more than *two annual conference sessions before* the calendar year preceding the session of the General Conference,” and

Whereas, the New Mexico Annual Conference rules (II.F.5) direct the Conference Ministry Team to schedule the time of election in accordance with the *Book of Discipline*, and

Whereas, the New Mexico Conference needs the guidance of the Delegation in leading conversations and providing opportunities of dialogue regarding matters pertaining to decisions for General Conference and possible endorsements for Episcopal Candidates for Jurisdictional Conference, and

Whereas, the work of the New Mexico Delegation in preparing the Conference for Episcopal Transition will become a priority for the 2020 Delegation,

Therefore, be it resolved that, the Conference Ministry Team is directed to schedule the election of the Delegation to the 2020 General and Jurisdictional Conferences in the 2018 Session of the New Mexico Conference.

Rationale: the significance that the 2020 General and Jurisdictional Conferences will have in the life and ministry of the New Mexico Conference requires that the Delegation elected for the 2020 Conferences invest its time and energy in prioritizing its focus. Furthermore, two years will provide more time for the Delegation to give special attention to fostering open and honest dialogue with clergy and lay members of the conference regarding the issues emerging from General and Jurisdictional Conferences that will affect the New Mexico Conference.

**Resolutions Relating to Rental/Housing Allowances for Retired or
Disabled Clergypersons of the New Mexico Conference**

Submitted by the New Mexico Board of Pension and Health Benefits

The New Mexico Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for active, retired, or disabled clergypersons of the Conference:

Whereas, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

Whereas, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

Resolutions

Whereas, pensions or other amounts paid to active, retired, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, and disabled Clergypersons in consideration of previous active service; and

Whereas, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

Now, therefore, be it resolved: That an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the “Discipline”), which includes all such payments from the General Board of Pension and Health Benefits (“GBOPHB”), **during the year 2016** by each active, retired, or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

That the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired, or disabled Clergyperson’s pension or disability as part of his or her gross compensation.

Note: The rental/housing allowance that may be excluded from a Clergyperson’s gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations there under to the least of: (1) the amount of the rental/housing allowance designated by the Clergyperson’s employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

Resolution for Updating the Revolving Loan Fund

Submitted by the Council of Finance and Administration

Whereas: The New Mexico Foundation and Texas Methodist Foundation work in conjunction with the New Mexico Conference’s Revolving Loan Fund as a source of loans;

Therefore be it resolved:

In Section III.L. Conference Revolving Loan Funds:

1. In Paragraph 1 Purpose is deleted in its entirety and replaced with the following:

1. Purpose: The purpose of the Revolving Loan Fund is to provide loans to New Mexico Annual Conference Churches who:

Resolutions

- a. have an emergency expenditure that has no other source of payment; and
- b. need a loan for less than \$25,000.

The Revolving Loan Fund works in conjunction with the New Mexico Foundation/Texas Methodist Loan Fund. Churches in need of loans in excess of \$25,000 should apply through the NM Foundation/TMF.

2: In Paragraph 4(a): the existing text is deleted in its entirety and replaced with the following:

- 4. (a) The Revolving Loan Fund Committee shall work cooperatively with the Conference Ministry Team, the Conference Council on Finance and Administration, and the New Mexico/Texas Methodist Foundation.

Resolution and Rules Change for Electing New Mexico Annual Conference Delegates to General and Jurisdictional Conferences *Submitted by Conference Ministry Team (CMT) "Plus"*

Whereas, The New Mexico Annual Conference Rules state that "Alternate Delegates to the Jurisdictional Conference: three additional clergy delegates and three additional lay delegates," (Standing Rules, II. F. 1.) and

Whereas, The New Mexico Annual Conference representation to General and Jurisdictional Conferences has been reduced by half beginning in 2008, and

Whereas, the cost of attending General and Jurisdictional Conferences has risen dramatically, and

Whereas, the collection of funds through Shared Ministries to assist delegates and alternates with expenses has not kept up with the rising cost,

Therefore, be it resolved that, the rule II. F. 1. state, "Alternate Delegates to the Jurisdictional Conference: ~~three~~ two additional clergy delegates and ~~three~~ two additional lay delegates."

Rationale: In 2004, The New Mexico Annual Conference seated two clergy and two lay delegates to General Conference and two additional clergy and lay delegates for Jurisdictional Conference. Those eight, plus electing two alternates, constituted the 10 members of the delegation. Beginning in 2008, The General Conference changed the representation numbers and The NMAC seated one clergy and one laity for General and one addition clergy and laity for Jurisdictional Conferences. Given the dramatic rise in the numbers of delegates from Central Conferences, it is highly unlikely that New Mexico will have additional delegates in the foreseeable future. However, The NMAC has continued electing a total of ten people to the delegation. While it once was helpful to have individuals monitor legislative committees and other events at General Conference, that information is now readily available electronically during General Conference. Reducing the number of the delegation increases the amount of financial assistance available to offset the expenses incurred by delegation members.

Resolutions

Zero, zero, zero, Send!

WHEREAS we have enjoyed wonderful worship, family meals together, and dusty walks through the Construction Zone that is now Glorieta, except when partaking of the wagon rides provided by Sacramento Camp and Conference Center;

No Election!

WHEREAS Rev. Dr. Kiboko translated the Word of God for us, stating "Prayer is the foundation--- so you pray until you connect with God, and God shows you where to go" and "Long story short" and "Take thou authority" and "There were no Hot--Dogs-- in the freezer!"

WHEREAS our Clergy Living Archive Dr. Lopez:

"We have SO many good memories, so MANY good memories, so many GOOD memories!"

And our Laity Living Archive Lois Miller:

"I'm speechless...And I ain't done yet!"

There is No Election!

WHEREAS Ran Loy, transitioning into retirement, gave us all sage advice that burned an enduring image into our brains that "friendship is like wetting yourself: everyone can see it, but only you get that warm feeling!"

WHEREAS we are encouraged to come to the mountain and refresh our souls, and Get Excited, and to Be Encouraged, and to Embrace the Manure...

Laity have chosen All Four of their Delegates...and...Clergy, you're letting me down!

WHEREAS we learned from Scott Sharp that there are Nuts All Around;

WHEREAS we memorialized some of our great saints that have gone on to Glory before us--and on whose shoulders we stand;

Where is the OSHA representative??

AND WHEREAS the Aleph of God is in all of us, and all of Creation, and Who IS it that needs to hear the Word of God; and we are to GO and Not Know, Coloring Outside the Lines, with the gift of Grit Infused with Grace;

THEREFORE BE IT RESOLVED:

GO...DISCIPLE...GOD IS WITH US!

And now we declare that the Two Thousand and Fifteen Session of the New Mexico Annual Conference of The United Methodist Church is Now CLOSED!

Amen and AMEN!

ADMINISTRATIVE REPORTS

Albuquerque District

Rev. James E. Large, District Superintendent

This conference year has been a good one for the Albuquerque District! Following Annual Conference 2014 the Clergy of the district enjoyed fellowship in 3 separate Picnics. Thanks to the Scott Sharp Family, the Steve Trout Family and the Farmington Area pastors for hosting these important events.

We also co-sponsored a gathering of retired clergy at St. John's in Albuquerque with the NM Methodist Foundation and the NM Conference Board of Pensions and Health Benefits. Special thanks to St. John's Youth Choir who offered both table and musical service for the event!! Training has been important this year in the Albuquerque District. We will welcome 17 new Certified Lay Ministers at Annual Conference from the Albuquerque District!! Thanks to Todd Salzwedel and St. Stephens UMC for hosting and leading the CLM process! We also hosted several Lay Servant trainings in the District including a section at the Bloomfield event presented in Navajo by Roger Tsosie!

In the spring of 2015 we launched a new group of 6 congregations from the District who are beginning the Healthy Church Initiative process. The first meeting had over 50 participants!!! The Albuquerque District Missions Committee through their district network achieved a conference high 94% payout of the District Mission Shared Ministry item. Thank you to all who share in the work and outreach of the Albuquerque District!

Clovis District

Rev. Jane Vaughan, District Superintendant

Most every day I give thanks for the body of Christ that is the Clovis District. We are indeed running the race God has set for us. May we always remember that the Lord has a plan for each of us, our congregations, our denomination, and Christ's church here on earth. The Clovis District is blessed with a leadership team that gets together several times a year to have conversation about what our next steps might be to enhance our churches. One of the issues that all pastors and churches are facing is how to do effective ministry in the 21st century. To that end, we offered a seminar with Rev. Bob Farr based on his book, "Renovate or Die." We had pastors and lay leaders from all over the conference for the seminar and all were blessed and energized by the presentation. More churches are looking outward, seeing how God is working in their communities, and creating ministries to work with people, not just doing ministry TO people.

We are also blessed by our two Wesley Foundations. Both ENMU in Portales and the Satellite in Roswell are doing good ministry. ENMU is raising the money to renovate their kitchen so that they may be in ministry to more students. They too see where God is working and are joining Him there.

And, we are blessed by both Sacramento Camp and Conference Center and Landsun Homes. The cabinet met in Carlsbad in the fall and got to tour Landsun and have lunch there. What a great ministry to older adults. Sacramento continues to grow and offer more and more to both youth and adults. If you haven't been to Sacramento make plans to go and enjoy. Every year brings new opportunities to serve. Community UMC in Ruidoso brought the Santa Elena Mission in Creel, Mexico to our attention last year. I was blessed to serve on a mission work trip in March, 2014. Last summer, the missionaries, Manolo and Rayito Guerra came to the Clovis District and we had an old fashioned mission itineration. We had five churches who hosted an evening with the missionaries. It was a great success and many learned of the important work that Santa Elena is doing with the Tarahumara in the Copper Canyon area of Mexico. How wonderful it is to see another place where God is working and invites us to join Him there.

I am deeply grateful to all the pastors and churches in the Clovis District who let me be in ministry with them. Thank you.

El Paso District

Rev. Dr. Steve McElroy, District Superintendent

It has been my honor this past year to serve as the El Paso District Superintendent and to work with the clergy and laity of the district. I have enjoyed the chance to visit every church during the Charge Conference season. Our churches come in all sizes and many different types of worship centers and worship services. Some of our churches are growing, some are maintaining and others are struggling.

I have found that in every church there are laity who want their church to be a vital congregation with energy, passion and outreach. However, "wanting" this is not enough. We must be willing to understand what our mission field is and be willing to vision how to reach the people in our mission field. We must be willing to change, to think and to vision outside the box.

The Northwest Texas/New Mexico Episcopal Area Cabinet changed the Pastor/SPRC Assessments this past year. I held seven SPRC training events around the district to introduce the new Assessments and to talk about the role of the Staff/Parish Relations Committee. I am impressed by the people and their commitment to the church and their pastors. The population in the district is about 70% Hispanic. The UMC must become more proactive to understand the Hispanic community and culture, to be able to reach out and work together to share the love of Jesus with others. We received 6 former Rio Grande Churches into the El Paso District. These churches are: Emmanuel UMC, El Paso; El Divino UMC, El Paso; Wesley UMC, El Paso; El Alfarero UMC, El Paso; Del Valle UMC, Mesquite, NM; and El Calvario UMC, Las Cruces, NM. My prayer is that as we work together, we learn from each other and we are all more able to do the work our Lord has called us to do.

The El Paso District is blessed with Wesley Foundations at New Mexico State University, The University of Texas at El Paso and Sul Ross State University. Our Wesley Foundations are the next step of faith and commitment for many of our young people. We are also blessed with the Houchen Community Center and Lydia Patterson Institute in El Paso.

Administrative Reports

The Churches and Institutes of El Paso stepped up and hosted Central American immigrant families this past summer. Houchen and Tobin Park UMC open their doors to the families while churches sent people and supplies to minister and help. The hands and feet and voice of Jesus. That is the Church.

I want to thank Beverly Wood whose knowledge, wisdom and patience have helped the pastors, churches and me. I also want to thank Tom Thomas who continues to serve as the El Paso District Lay Leader. Finally, thank you to everyone who worked to make the 2014 Annual Conference a huge success.

Commission on Equitable Compensation

Rev. Reuben S. Thomas, Chair

The responsibilities of the Commission on Equitable Compensation (CEC) are twofold. First, it is to insure that all full-time pastors appointed to local churches receive an adequate and equitable compensation for their appointment. Pastors who serve local churches, which are unable to meet the minimum base compensation and are deemed to be vital churches within the mission field where they are located, may apply through their respective District Superintendents for assistance from the CEC. The CEC is charged by the *Book of Discipline of the United Methodist Church* to study the needs of additional support within the Conference and sources of income, and recommend annually to the Conference for its action a schedule of minimum base compensation for all full-time pastors.

The second responsibility of the CEC is to our Mission Churches, especially considering our diverse ethnic population, within the bounds of the Annual Conference. At the present time we are supporting the following missions and mission churches: El Buen Samaritano UMC in Albuquerque, El Calvario UMC in Las Cruces, and the pastor appointed by the Bishop as the Director of the Four Corners Native American Ministry. In addition, we provided short term support to Cornerstone UMC in Albuquerque. Our total annual responsibility for mission support is approximately \$131,000 (salary plus health and pension benefits).

In addition to the mission support, we are providing assistance for additional churches/charges that are listed below. Since the last Annual Conference, we also had four special requests: assistance during the transition of pastors at First UMC in Melrose for a total of \$3,624.99; pastoral support for Vista Ysleta UMC in El Paso for six months for a total of \$16,500; moving assistance for the pastor of Grace United Methodist Church in Alamogordo for \$614.70; and assistance of \$2,000 to Emmanuel UMC in El Paso.

The denominational average compensation for 2016 is \$67,333. Our Conference average compensation for 2016 is \$68,942. The average compensation less housing is \$55,154. Since

Administrative Reports

the minimum base compensation has been held at the 2012 level for the past three years, the CEC recommends that the minimum base compensation be increased by \$600 in all categories.

In order to accurately depict the actual support required for each category of pastors, the following table includes a column for the total recommended package of base salary, pension, and family health benefits for 2016:

Category	Base Salary	Percentage	Total Package*
Student Local Pastor	\$33,073	60	\$60,274
Full-Time Local Pastor	\$34,571	63	\$62,053
Associate Member	\$36,070	65	\$63,833
Provisional Member	\$37,069	67	\$65,019
Full Connection Member	\$39,567	72	\$67,986

*does not include housing

Our Bishop and Cabinet have worked hard in making appointments in order to reduce the needs for assistance from the CEC especially in view of our overall economic situation, and we appreciate their efforts and thank them. As a result of their efforts, four churches no longer receive assistance from the CEC. Starting in 2013, the CEC adopted a more aggressive approach for assisting churches on equitable compensation to help them grow and become self-sustaining. The CEC has also adopted a policy of sliding scale participation; beginning January 1, 2015, churches currently receiving assistance will be reduced to 80 percent and in subsequent years 60 – 40 – 20 percent. The guidelines for requesting assistance from the CEC can be found under the Conference Structure, Procedures and Policies of the *Journal*.

The following churches/charges and missions are currently receiving funds from the CEC:

Albuquerque District

Four Corners (Missions)	10 th Year
El Buen Samaritano UMC	2 nd Year
Zia UMC	1 st Year

El Paso District

Sanderson/Marathon UMCs (travel)	6 th Year
First UMC Truth or Consequences	6 th Year

Report #1 Our 2016 Shared Financial Ministry

We deem it a sacred responsibility and genuine opportunity to be faithful stewards of all God has entrusted to us: our time, our talents, and our financial resources. We view all of life as a sacred trust to be used wisely. — Moravian Covenant for Christian Living

“Never measure your generosity by what you give, but rather by what you have left.” — Bishop Fulton J. Sheen (1895-1979), Roman Catholic Bishop

For as in one body we have many members, and the members do not all have the same function, so we, though many, are one body in Christ, and individually members one of another. Having gifts that differ according to the grace given to us, let us use them: if prophecy, in proportion to our faith; if service, in our serving; the one who teaches, in his teaching; the one who exhorts, in his exhortation; the one who contributes, in generosity; the one who leads, with zeal; the one who does acts of mercy, with cheerfulness. — Romans 12:4-8

Generosity is one of God’s calls to God’s people as we become fully devoted followers of Jesus Christ. Generosity provides the love, grace, kindness, energy, time, and financial resources to partner with God as God transforms the world.

Your Council on Finance and Administration takes seriously our responsibility to faithfully account for, administer, and grow the generosity of the United Methodists of the New Mexico Annual Conference. We recognize that generosity is grown and inspired as people believe in the vision of the church or organization, know the life-changing impact of the funds contributed and trust leadership of the church/organization seeking contributions.

Beginning in 2013 the Council on Finance and Administration, looking at the ministry and financial challenges of many local congregations and the reality that several local congregations were contributing to Shared Ministries amounts that are substantially lower than what the Annual Conference was asking of them began to ask if the New Mexico Annual Conference could reset the financial and ministry relationships we have with each other. Could we develop model for gathering funds to fulfill our Shared Ministry and Vision that helped all congregations share equitably and fully together?

After two years of conversation and study your council proposes the following rules to govern the shared ministry policies of the New Mexico Annual Conference :

1. Annual Conference Tithes

- Churches will remit a tithe of their ordinary operational income.
- A tithe will be defined as follows:

Administrative Reports

- 8% of monthly local church ordinary operational revenue from all sources as described in these rules.
- An apportioned amount for the Board of Pension and Health Benefits to supply necessary funds for benefits to those in the retired relation and those granted disability leave. This amount will be included with their monthly billing from the BOPHB and will be apportioned to churches proportionally based on their reported operational income (currently line 62 of the annual statistical tables).

2. Monthly Obligations

- On or before the tenth day of each month, each church shall remit to the Annual Conference Treasurer a report of all ordinary operational income from the prior month and a payment of 8% of that amount.
 - The Annual Conference Treasurer shall supply a simple remittance form and instructions for completing it.
- On or before the 10th of the month all local churches will receive a billing from the BOPHB that will include the costs of pension/insurance benefits for their clergy and lay employees enrolled in such programs and their apportioned amount for retiree/incapacity benefits. Payment in full is expected by the 20th of the month.

3. Ordinary Operational Income

- Includes: all offerings from members and attendees whether individually identified or not individually identified, both pledged and unpledged income, all rent or building use fees used to support the ordinary operations of the church, any rental income from pastor/associate pastor-unoccupied parsonage(s) less the cost of maintenance, all undesignated interest and dividend income used to support the ordinary operations of the church and all other monies which the Pastor, the Church Treasurer and/or the Church Council (or equivalent) believe constitute the ordinary operational income.
- Excludes: tuition based income such as fees for church-hosted day care, pass through donations including funds paid by families to cover the cost of camps or field trips, amounts which are to be invested as endowments, amounts used to fund capital campaigns and amounts given in capital campaigns, and such other exclusion as the Pastor, the Church Treasurer and/or the Church Council (or equivalent) conclude to not reflect the ordinary operational income of the church.
- “Capital” as used in this rule means:
 - Fixing a defect or design flaw
 - Creating an addition, physical enlargement or expansion
 - Creating an increase in capacity, productivity or efficiency
 - Rebuilding property after the end of its useful life
 - Replacing a major component or structural part of the property
 - Adapting property to a new or different use
- The Pastor shall communicate in writing to the Conference Treasurer the substance of any exercise of her or his judgment to include or exclude any income as properly tithed in her or his compliance with the provisions of this rule other than the examples cited herein.

4. Conference budgets

- The Council on Finance and Administration shall recommend to the Annual Conference for its action a spending plan that reflects projected income and expense. The spending plan shall balance. The conference-wide projected income from local churches shall not exceed 8% of the total amounts reported by all churches on line 62 of the annual

Administrative Reports

statistical reports recorded in the most recent Conference Journal. The spending plan may include other projected sources such as earnings on investments.

- The Council on Finance and Administration shall also present to the Annual Conference for its action an amount from the Board of Pension and Health Benefits to be apportioned to the local churches proportionally based on their reported operational income.

5. Transparency

The Conference Treasurer shall post on the Conference web site at least the following:

- For the most recent completed year:
 - Each church's cumulative annual total of declared ordinary operational income, the amount of operational income reported on line 62 of the statistical tables and the amount remitted to the Annual Conference for its annual budget.
 - Each church's apportioned amount for BOPHB, the amount paid and the cumulative total of any prior year amounts.
- For the most recent completed month: each church's most recent monthly reported ordinary operational income, the amount paid to the Annual Conference for its annual budget and other remittances (such as Special Sunday Offerings and Advance Special Gifts.)

6. Accountability

- The Board of Ordained Ministry shall report to each clergy session, in reply to the examination of character of the clergy, the names of any pastors in charge who failed to supply the annual local church statistical report as required by Discipline ¶340.c.
- The Bishop shall convene a meeting at the site of each Annual Conference Session of all pastors in charges whose churches have paid their full tithes in the previous year. The purpose of the meeting shall be to share challenges and successes in meeting the full payment of tithes, the experience of making the judgment of what monies to tithe and not tithe, the effect of meeting the tithe obligation if and when other colleagues might fail to do so and the extent to which those who fail to pay the tithe properly constitute the accepted mission of churches and members who do.

What this proposal presents for our future ministry and financial relationships:

This model centers our relationships in equity and the common language and principle of tithing.

- Each local congregation is asked to contribute the same percentage of income as every other congregation.
- No longer will local congregations receive a bill from the Annual Conference for 25+ line items of the approved budget. Each congregation will be asked to complete and remit a simple form through which to report operational income and 8% of that amount as their contribution to the Shared Ministries of the Annual Conference.
- The budget process gives the leadership of the Annual Conference an opportunity to more closely align our spending plan with the vision of the Annual Conference by establishing a balanced spending plan based on realistic expectations on the income the AC can expect from local churches.

Administrative Reports

As the table above indicates our 5 year average is 68.7%. The Council of Finance and Administration recognizes we as an Annual Conference have work to do in order that more fully communicate the ministry achieved and the value represented by the dollars asked for these shared ministries. The proposed 2016 budget asks us as an Annual Conference to take a significant step toward valuing these commitments by paying 70% of our General and Jurisdictional apportionments. This planned payout represents a 9.9% increase from our 2014 payout and a 1.3% increase from the 2010-2014 average.

The Proposed 2016 Budget

Fulfilling the proposed mandate to present a balanced budget based on realistic expectations of income to be received the proposed 2016 budget is presented in 2 parts.

* If every congregation in the Annual Conference contributes a full tithe as described in the tithe-based apportionment rule sufficient funds will be provided for the New Mexico Annual Conference to pay its General Church apportionments in full. The budget is therefore in full compliance with the relevant Disciplinary provisions: ¶¶247.14; 615; 811.4

** This amount to be apportioned proportionally based on income and included with monthly billing from Conference BOPHB

Changes in procedures which will accompany this budget:

1. The share now asked from each church is an income share. Each church is asked to contribute 8% of monthly operational income. No longer will a local congregation receive a line item budget showing the churches' share of each budget line item.
2. Monies received from local churches will be expended as outlined in the budget. Receipts and expenditures will be overseen by our Conference Treasurer and as necessary by the Council on Finance and Administration
3. Each District Conference will be budgeted one third of the District Work budget. Each District Conference will have the responsibility to decide how much of their budgeted funds will be spent on District Administration or District Mission. Persons who historically have given funds for District Mission work through payment of Shared Ministries can ensure their funds go toward District Mission by giving to a new 2nd Mile Giving fund for their specific district.

Report #3 Funding Benefits for Retired Clergy and Those on Disability

The Board of Pension and Health Benefits reports that \$600,000 is needed in 2016 to provide for the benefits of retired clergy and persons on disability.

Therefore Council on Finance and Administration proposes \$600,000 be apportioned to the churches of the New Mexico Annual Conference. Each local church will be direct billed their share proportionally based on the operational income reported on line 62 of the statistical report from 2 years prior.

Report #4 Other Rule Changes Related to the Tithe Model

If the Tithe model is adopted, the following items would change in the current Conference Rules:

III.B.5.b ~~Each district may assign a Shared Ministries amount to its churches to be used for district missions.~~ RESERVED

III.B.5.c Each district shall provide, furnish, and maintain a suitable parsonage or housing allowance and provide utilities for the district superintendent. ~~The district shall determine, and assign to its churches, an amount to be used for this purpose and for other administrative programming costs not otherwise covered.~~

Report #5 Recap and review of the financial life of the New Mexico Annual Conference.

1. Actions of the 2014 session of the NMAC:

- a. Removed funding of the Stabilization Fund from the Shared Ministries budget
- b. Returned the Conference Endowment Real Estate Fund to the Conference Endowment Fund
- c. Approved the following for distribution of the earning from the Conference Endowment Fund:
 - 4.5 % to the Stabilization Fund and
 - 1.5 % to the Endowment Distribution Committee

This policy is to be reviewed in 2019 with report to the 2019 session of the AC.

2. How are we giving as the New Mexico Annual Conference?

Reflection on the giving patterns of the previous six years shows us that many thanks are due and more work is needed by both local churches and the Council of Finance and Administration to help us grow in generosity as an Annual Conference.

Thank you to the 84 churches that gave 100% of your Shared Ministries. These churches represent 61% of all churches that are apportioned in the New Mexico Annual Conference. The Council on Finance and Administration is encouraged that these 84 churches show us a widespread congregational commitment to our common ministry as United Methodist Christians working to make disciples for Jesus Christ. We are thankful to the 29 churches that improved in their % of Shared Ministries paid in 2014. Your work to grow is appreciated.

The following is a recap of our connectional giving in 2014:

In 2014 the New Mexico Conference was comprised of 139 churches, 17 mission congregations, and 2 united churches. The faith communities of the New Mexico Conference completed their 2014 connectional commitments through the Shared Ministries at 71.6%. Churches united to provide \$2,642,179 in support of the work of the Conference to engage, equip, and empower

every local church in its mission to develop dynamic disciples of Jesus Christ for the transformation of the world. Thank you from the Council on Finance and Administration.

Seeing the goal of 100% support of the full Shared Ministries budget, the Council on Finance and Administration is aware that the 2014 71.6% payout reflects a balance due of \$1,047,714 from the \$3,689,893 Shared Ministry budget including the District askings.

There are approximately thirty various mission and ministry entities across the New Mexico Conference and the denomination that are directly impacted by this deficit, i.e. New Church Development, Sacramento Assembly, and Higher Education and Campus Ministry.

We also recognize that many local congregations have an abundance of resources to which they direct their giving. We take special note that Second Mile giving for the churches of the New Mexico Annual Conference shows the generosity and the abundance of New Mexico Annual Conference church members. In 2014 Second Mile Giving totaled \$1,554,929, a 10% decrease from 2013. In fact Second Mile giving has increased a total of \$181,373 over the past six years. (A 13% increase)

The Council on Finance and Administration celebrates and recognizes, along with the churches that comprise the New Mexico Conference, the many opportunities for mission and ministry that are represented by these percentages and dollar figures. We also share each local church's concerns during these times of fiscal challenge.

Report #6 Stabilization Fund of the New Mexico Conference

“The Conference Stabilization Fund is to be used for the advance payment of salaries and expenses for the District Superintendents, Campus ministers and other conference connection personnel, as well as for budgeted items that are approved by the Annual Conference.”

The Stabilization Fund is utilized for necessary advance payments during those months of the fiscal year when the Shared Ministries payments from the local churches of the conference are historically slow in coming to the Conference Treasurer, but when the financial obligations continue.

Historically, the Stabilization Funds come from the following sources: unspent money from the former Contingency Fund in the annual conference budget; unspent money from the program budgets of the annual conference; the accrued interest and earnings from invested conference funds, and prior to 2014 the Shared Ministries line item in the annual conference budget.

The Conference Stabilization Fund is an important tool of sound management for funding the programs and mission of the New Mexico Annual Conference, especially during difficult financial times.

Independent Auditor's Report

Council on Finance and Administration,
New Mexico Annual Conference of the
United Methodist Church

Report on the Financial Statements

We have audited the accompanying combined financial statements of NM Annual Conference of the United Methodist Church and affiliates, (a not-for-profit organization), which comprise the combined statement of assets, liabilities, and net assets—modified cash basis as of December 31, 2014 and the related combined statements of revenues, expenses, and other changes in net assets—modified cash basis and cash flows—modified cash basis for the year then, and the related combined notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, with the exception that the combined financial statements are prepared on the modified cash basis. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined statement of assets, liabilities, and net assets—modified cash basis of the Conference as December 31, 2014, and the changes in its statement of revenues, expenses, and other changes in net assets—modified cash basis and its cash flows—modified cash basis for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Board of Ordained Ministry

Rev. Scott Sharp, Chair

Last fall my hometown baseball team the Kansas City Royals made it to the World Series. It was an incredible ride for Royals' fans with extra inning heroics and incredible games. Sadly the Royals didn't bring home the championship but it was a great run and Kansas City was electrified.

The reason I note this in my Board of Ordained Ministry report is that several years ago I read an article in the often overlooked theological journal *Sports Illustrated* that suggested that in the near future the Kansas City Royals would win the World Series. How close their projection came to being fulfilled! The reason that SI made this prediction is that Kansas City's farm team is one of the best in Major League Baseball. In other words the Royals are really good at raising young players up.

Pastors—young or old—do not just appear out of nowhere. Instead they are raised, molded, shaped, mentored and called in our local churches. The local church is the primary training ground from which pastors are raised up and helped to hear God's call upon their lives. I admit that the Board of Ordained Ministry could spend time, energy, money and resources out on the road recruiting pastors from seminary. However, the conversations that we might have with individuals interested in coming to New Mexico would be based in unknowns. It makes much more sense for our local church leaders to be intentional about helping discern people a call to full-time ministry.

It is my hope that the members of the Annual Conference will carry a message back to each local church to do 4 things:

1. Pray that God would raise up a person in the local church for ordained ministry
2. Pray intentionally and publicly for someone to answer the call to ordained ministry
3. Help educate, train and offer ministry experience to that person as they discern their call
4. Make a commitment to support that person with funds for theological education

I am so very grateful to have been given a home in the New Mexico Annual Conference as a transplant from another Conference. It is a joy to serve here and we have amazing churches with amazing people and I am convinced that the leaders that we need today are among us and the leaders we need for the future are here to be called. Let us do our part in making God's voice loud and clear as we invite people to ordained ministry.

Report of the Rules Committee

Tina Cross, Chair

The Rules Committee of the New Mexico Annual Conference took the following actions in 2014-2015

1. At the direction of the 2014 Annual Conference, Rules Committee made appropriate wording revisions to the newly adopted "Standing Rules for General Elections..." before final printing in the Conference Journal.
2. Responded to a question regarding voting eligibility of CLMs who are appointed to a local congregation.
3. Reviewed the proposed "Resolution and Rules Change for Electing the New Mexico Conference Delegates to the 2020 General and Jurisdictional Conferences in the 2018 Session of the New Mexico Conference" Submitted by Rev. Eduardo (Eddie) Rivera and agreed that no action was required by the Rules Committee.
4. Conversed with the CF&A about proposed "Standing Rules Regarding Tithe Apportionments"

Conference Board of Trustees

Rev. Jeb D. Archey, Chair

The Board of Trustees have had another good year as we have continued to strive to be good stewards to the resources of the conference. Over this past year, we have dealt with property in our care. We have also worked with the conference insurer to make ensure we have the best conference wide property, liability and workman's compensation insurance to protect all our pastors, staff and volunteers of all our churches to engage in ministry.

At our annual meeting on June 4, 2014 at St. Luke UMC in El Paso TX we elected the following officers:

Jeb Archey, chair; Rob Hovious, vice-chair; Phil Huston, secretary and Cathy Anderson, treasurer.

Other members of the 2014-2015 Trustees are: Stephen McElroy, Elton Hodgson, Marsha Wallace, Laurie McBride, Mark Ewing, George Etheredge, David Snyman, Don Hancock, Myrna Olsen, Kelly Brooks and Tom Garmon.

This past year, the trustees met once in person on June 4, 2014 in El Paso, TX. We also conducted 4 email meetings to vote on specific items dealing with the sale of property and other issues. Utilizing electronic communication has allowed us to present the information needed to make decisions, without incurring the expense and time required for in person meetings.

2015 Goals:

1. To continue working and maintaining the insurance program, negotiating and working to get us lower premiums, working on prevention to help the conference avoid injuries or other issues that cause premiums to go up.

Administrative Reports

2. Continue to deal with property in our care, with special focus on the properties that the Trustees have managed for a long period of time.

Endowment Funds

The Endowment Distribution Committee makes distributions from the Thaxton and Pippin endowment funds and the Conference Endowment Fund. The trustees have two members who are part of the Endowment Distribution Committee; they ensure that the funds awarded maintain the wishes of the donors of both the Thaxton and Pippin families. The report of the Endowment Distribution Committee is found elsewhere in this journal.

Conference Wide Group Insurance

This past year we have continued to work with United Methodist Insurance to improve our relationship, service, and to receive a competitive insurance package to cover our property, volunteers and employees of our local church as we engage in ministry.

We have continued to watch the claims of our churches in dealing with the Conference Insurance plan and have worked with UMI to respond to issues and questions of claims as they are brought to our attention.

We will continue to work with UMI in the next year to maintain customer service and improve areas that are needed. And to work with UMI on helping local churches identify areas where they might reduce risk so that as a conference we can reduce our claims and improve our safety for our employees, worshipers and volunteers.

The contact information for our plan administrator is:

John Scheffler
(972) 355-0927 Work
(972) 763-1731 Mobile
jscheffler@cpg.org

The service center rep for our conference is: Alicia Morris; 1-800-975-5442. Alicia is your contact for proof of insurance forms, certificates, and questions.

As a reminder, the New Mexico Annual Conference passed a resolution at Annual Conference in June 2002 that states the following in regard to property, liability, and casualty insurance: "Be it resolved that the New Mexico Annual Conference and its member churches will participate in a mandatory Group Liability, Property, and Crime policy beginning June 2002." This resolution was added to previous conference action that all churches are covered and participate in the conference workman's compensation insurance plan. Under the current conference policy, there is not an option to withdraw from the conference-wide group insurance program which is provided through UMI.

Safe Sanctuaries

Safe Sanctuaries continues to be a vital part of ministry in the NMAC. The Trustees celebrate that nearly all the churches in the conference have a Safe Sanctuary policy. We encourage you to make sure you are conducting Safe Sanctuaries training annually to make sure you are protecting your volunteers, employees as well as the children and youth of your church.

In fall of 2014, Jeb Archey and Philip Huston worked with Peggy Wilson to look at different Safe Sanctuary training options and background checks. We looked at 4 companies and compared the different options that they offered in terms of training for individuals and to complete

Administrative Reports

background checks on employees and volunteers since it is required by the conference Safe Sanctuary policy.

After looking at our different options, we chose to enter into an agreement to use Protect My Ministry as our conference provider for background checks and safe sanctuaries training. Protect My Ministry is an online option where each church can create a church-specific account to conduct background checks. Protect My Ministry also provides an online training that employees and volunteers can view to complete their Safe Sanctuaries training. Background checks through the Protect My Ministry website are \$4 a person, and the church is billed directly for the background check.

The link to the Protect My Ministry webpage can be found by going to www.nmconfum.com and clicking on the Safe Sanctuaries link. There you can find the link to go to Protect My Ministry as well as the different forms that are needed to complete your background checks.

As of February 2015, there are 10 churches that have created accounts and run background checks through Protect My Ministry.

Conference Office Building

The Conference Office Building is a blessing to our annual conference. It is an important asset, and we seek to make sure it is maintained to keep it attractive, functional, and appropriate to serve as our Conference Office for years to come.

Accomplishments of 2014/2015 for the Conference Office Building:

This past year has seen little done in terms of the Conference Office besides routine maintenance and improvements. In the fall of 2014 we had some minor landscaping maintenance done by laying down rock and weed cloth along the western edge of the property along with some other maintenance cost \$1,200.

We also had some minor repairs done along the rear porch to prevent squirrels from living under the tiles and replaced some door sweeps to prevent mice from entering the building.

The loan statement the conference owes the New Mexico Methodist Foundation Inc. on the Conference Office Building loan as of 12/31/2014 is currently \$0. In the fall of 2014 it was decided to use funds from the Conference's Revolving Loan Fund to pay off the debt currently owed by the Conference to the Foundation. The loan was paid off in November of 2014. We celebrate the paying off of the building! We will continue to budget \$5000 each year to set aside for Conference Office Building expenses to ensure that there is adequate funding in place to make repairs if/when they are needed.

Peggy Wilson serves as the on-site supervisor of the Conference Office Building and works with the Trustees to make sure repairs and other issues are dealt with as needed. We appreciate all Peggy does!

Property updates - Secured Notes and Mortgages

Currently, the Trustees are financing the sale of 5 properties through a note secured by a mortgage agreement between the buyer of each property and the Board of Trustees of the NMAC. The location of each property and pertinent information is listed on the table below. Please note the amounts listed are balances as of 12/31/2014.

Hernandez Property

The Hernandez property is still being leased to Victory Outreach of Espanola NM. Since the Hernandez UMC closed in 2004 the Trustees have incrementally come down from the initial listing price of \$350,000 to our current asking price of \$125,000.

We are currently discussing with our realtor about facilitating a lease purchase agreement with the current tenant to facilitate sale of this property, we have had no interest from any outside parties about purchasing the property.

Presidio Property

In June 2010 the Trustees assumed control of the Presidio property. We began by listing the property at \$149,000 in November of 2011. In May of 2012 we lowered the asking price to \$110,000. In May of 2013 we lowered the price to \$99,000. In May of 2013 we received an offer of \$95,000 which the Trustees accepted. The purchase of the property fell through and we continued to list the property at \$95,000.

In January of 2015 we received an offer of \$80,000 for the Presidio Mission Property. We have accepted the offer and at the time of this report we are waiting for a survey to be conducted for an estimated closing date of February 28, 2015.

Imperial Property

A current survey is still needed for this property.

Encino Property

At annual conference in 2014 we were notified that a copy of the Encino deed may have been located. We have received the deed and are working with a title company to get the deed verified so that we can execute a quit claim deed with the neighbor adjacent to the property. This neighbor has been in communication with the Trustees about receipt of this property for over 10 years and has waited as we worked to locate the deed/title.

Assets from Church Closures

At our last Annual Conference session in 2014, the Annual Conference approved the following rule "Effective, July 1, 2014, all proceeds from any church closure, included those from

Administrative Reports

previously closed churches, are to be divided after all expenses have been paid as follows: 50% of the funds to the creation of new faith communities, 30% of the funds to provide matching funds for existing congregations to enhance leadership and vitality, and 20% of the funds will remain in the Trustees accounts to have in reserve for the care of property.”

With adoption of that rule the funds in the Trustees accounts were divided and distributed as directed. The total amounts distributed by the Assets from Church Closures rule change were:

New Faith Communities:	\$251,720
Leadership and Development:	\$151,032
Trustees	\$100,688

Each quarter, the Conference treasurer will distribute the assets received from the previous quarter through the sale and rental of closed church property to the New Faith Communities, Leadership and Development, and the Trustees lines.

It has been quite a year to serve on the Conference Trustees; we pray that we are offering our best stewardship in the care of the property and the other areas we are responsible for. We give thanks for each church, clergyperson, and layperson and for the ministry that we share in the New Mexico Annual Conference.

PROGRAM AREA REPORTS

Commission on Archives and History

David Maldonado, Chair

The New Mexico Conference and the presence of Methodism in New Mexico are moving into a renewed era of inclusiveness. Methodism has been an active presence in the Southwest for close to 200 years. It is a historical moment that bears acknowledging and even celebrating. However, it is also worthy of recording and documenting. The Commission is well aware of the historical moment and invites the Conference to join in the spirit and action of living out our ministry in New Mexico in a spirit of inclusiveness.

How do we remember who we have been and what we need to know as we face such a future? It is the job of the Commission on Archives and History to collect and preserve those documents and artifacts that may serve us in the days ahead. In the spirit of inclusiveness, we affirm the need to acknowledge the presence of Methodism in New Mexico in its diverse manifestations. Thus, we need to incorporate the history of Methodist ministry among the Spanish speaking, and institutions related to Methodism. This includes such institutions as the Harwood schools, McCurdy, and other ministries.

It also includes the records of any church or institution that has closed. It is the responsibility of the District Superintendent in that district to see that the membership records and other important documents are delivered to the Archives.

It also includes the working records, correspondence, and minutes that the various committees that have been created by the Conference create as they make their decisions. Once those records have served their purpose for the committee *it is the responsibility of the committee chairperson to see that they are deposited in the Archives*. That should be an ongoing process, and in general records that are over four years old belong in the Conference Archives where they will be preserved.

We are also interested in preserving the record of the sacrifice and service of pastors and lay persons who have given their lives to the church. In files and boxes we have collected whatever we can to help tell their story, because it is our story as well.

We call your attention to an historical milestone never before achieved by anyone in the New Mexico Conference. We were privileged this past year to honor Rev. Lloyd Hughes at a special event at First United Methodist Church in Albuquerque on February 7, the day after his Centennial birthday, and to present to him a special Senior Living Archive Certificate. No other pastor has lived to be 100, and may all of us follow his example now! If appropriate, we ask that this Conference in session also send to him its greeting as well.

Should any church have a faithful member who is turning 100 soon, they may request a Senior Living Archive Certificate as well on their behalf.

Left untold, of course, our story cannot inform or inspire us the way that it should. There is a great cloud of witnesses that surrounds us daily as we do our work here in New Mexico and west Texas. They gave their lives to this work, and we seek to honor and remember them, even as they spur us on to greater effort on behalf of the Kingdom of God.

Therefore, working with the New Mexico Conference Historical Society, a Historical Journal is published twice each year to help tell the story of where we have come from and who we are.

Program Area Reports

The Historical Society also continues to sponsor a Heritage Tour. This year the Heritage tour will visit El Paso and focus on our Hispanic heritage as we visit some of the churches that have become a part of our Conference recently, transferring in from the Rio Grande Conference. We look forward to learning more about them.

We plan to restore a presence on the Conference website to share current information and our history.

We have also reached out to other denominations to help jointly share our protestant history to NM historians. As a result several papers were presented this year at the gathering of the Historical Society of New Mexico in May, including one by our current Archivist, Will Steinsiek. In this way we hope to make our impact on New Mexico history more broadly appreciated.

Much work has been expended in correcting and adding new information to the list of the Roll of Deceased Ministerial Members, and as we did last year, we ask that this updated list replace the one currently in the Journal.

This past year 129 new items were added to our Archives, including files, and books, and photographs. They will help tell the story of who we are right now to a future generation. It is our hope that every church is also collecting such records and files to help tell their story, and that every church will name a Church Historian who will be charged with the task of preserving these records.

This year we plan to offer a training event for Church Historians, to take place at Trinity-First UMC in El Paso on September 11th. We will invite all the churches, especially in the El Paso District, to send someone to receive this training.

We are also asking that each District name a District Historian to serve on the Commission on Archives and History. It is our hope that such a person can be approved during the District Meeting and elected at Annual Conference to serve for the quadrennium; i.e., 2016-2020.

The individuals so elected will represent the District on the Commission and help us to communicate more effectively with the churches in each District. Their membership in the NM Conference Historical Society will be complementary. They will also attend our annual meeting to report on their efforts, and to help us name and recognize our Living Archives, one Lay and one Clergy person each year.

David Maldonado gets ready to present the Living Archives Awards to Rev. Elizabeth Lopez and Ms. Lois Gamble Miller.

Conference Board of Global Ministries

Rev. Harry Riser

There is a beautiful harvest of new life in Christ in worship, literacy training, and health care in Panama with leadership from a UM missionary--- signs of life spring up in the face of natural disasters when UM Disaster Relief is on site---food pantries and clothing banks and community meals open doors all over the Conference as our Lord calls us to feed his sheep. An abundant harvest is happening, a celebration of the many ways New Mexico Conference Methodists are in mission to the world. We begin all our meetings remembering who we are and what we are about:

- Our Mission: The CBGM is spreading the good news of Jesus Christ, changing lives, and transforming the world.
- Our Ministry Goals: Our goal is to address the four Board of Global Ministry goals (develop principled Christian leaders, renew existing congregations, ministry with the poor, and global health) during this quadrennium.
- Our Objectives: To push self-centered churches to become missional churches, to encourage people to be engaged in life-changing mission events, and to strengthen the mission projects within the New Mexico Annual Conference.

Here are some of the fruitful works happening in our Conference:

Conference Ministry Team (CMT)

Rev. Jeff Lust, Provost

In recent years the original CMT has been meeting and operating as CMT “Plus” which has included the addition of Chairs of Conference Board of Trustees, Council on Finance and Administration, Board of Ordained Ministry, Board of Equitable Compensation, New Church Development, Board of Pensions and Health Benefits, New Mexico Foundation Director, Conference Treasurer, and Assistant Director of Congregational Vitality. This has been an immensely helpful venue for discussion and discernment.

In August, 2014, the CMT Plus gathered at Sacramento for a retreat to discuss the principles of the book 7 Levers by Bishop Robert Schnase and how The New Mexico Annual Conference could incorporate them. The retreat was facilitated by Bishop Bill Hutchinson. The goal was to emerge from the retreat with a common sense of priority and direction.

The foundation to our discussion was Vision 2020, which continues to be our guiding document.

We reviewed each of the six goals:

- Form engaged disciples
- Foster and sustain vital congregations
- Develop effective leaders
- Share our stories and connect our people
- Create new places for new people
- Assess and refine conference structures

The CMT strongly supported continuing efforts to fulfill Vision 2020. It was felt that the efforts made to date to move all of the goals forward had not resulted in the gains hoped for and that a more concentrated focus was needed. While acknowledging that all of the goals are important, the clear feeling was that effort and energy should focus on three: foster and sustain vital congregations, develop effective leaders, and share our stories and connect our people.

Foster and Sustain Vital Congregations – At the 2014 Annual Conference it was announced that Rev. Cheri Lyon was being appointed as Assistant Director of Congregational Vitality. That is a critical point to the effort of increasing vitality among local congregations. One of her significant arenas of work is Healthy Church Initiative (HCI). As of the writing of this report, Kingswood and First United Methodist Churches in Clovis are preparing for their consultation weekends this spring. Six Albuquerque congregations are currently engaged in the leadership development portion and their consultation weekends are being scheduled for late summer/early fall. There are plans to start an HCI group in the El Paso area next fall. This process is the best hope for congregations to make the kinds of shifts necessary to increase vitality.

Develop Effective Leaders – Strengthening leadership among both clergy and laity is essential and certainly connected to the effort to foster and strengthen vital congregations. There have been several major efforts on this priority. In the fall of 2014 the Board of Ordained Ministry contracted with Rev. Rebekah Simon-Peter to be the speaker at the clergy retreats for 2014, 2015, and 2016. As a part of the contract Rev. Simon-Peter would make available resources

Program Area Reports

from Wiley Publishers knows as the DiSC™ Profile. Her application of those resources is “Creating a Culture of Renewal” and all clergy from The NMAC would be able to have a DiSC profile completed online, as well as other training materials. Additionally, New Mexico clergy would have the option to participate at a greatly reduced cost in the Track 1 training Rev. Simon-Peter leads.

Donna TeBrink, Bishop Bledsoe, Rev. Jeff Lust and Rev. Beverly Bonnell

Another leadership development tool being utilized is coaching. Rev. Cheri Lyon is currently working toward certification as a coach. Coaching training has been offered in Las Cruces and Albuquerque. Combined, approximately 100 people attended the training events and more than half of those were laity. A coaching culture in our conference will be very beneficial because it invites people to walk alongside a pastor or lay person in accomplishing their goals instead of receiving teaching and direction in a “top-down” approach.

Though outside the work of the CMT, there continue to be Lay Servant courses offered regularly and the Certified Lay Minister training has been very fruitful, with anticipation of more than 30 people being certified at this year’s annual conference.

Share Our Stories and Connect Our People – As reported previously, our conference had a major communications challenge arise in 2013 with the abrupt closing of the United Methodist Reporter and staff changes internal to our conference. Significant improvements have been made along the way we now have a Communications Director as a part-time position. Various media are being utilized for communicating stories of faith and action, resources made available to local congregations for improving their communications, and connections made to resources outside our area.

To conclude, the priorities expressed by CMT are being carried out with the vision of “relevant, passionate, life-changing churches” ever before us. There are exciting stories of renewal and transformation happening in congregations and extension ministries. Resources are being directed toward local church ministry. A new leadership culture is emerging. And we have stories to tell.

Four Corners Native American Ministries

Rev. Raquel Mull, Director

The longer I live on the reservation, the more I realize I am blessed to be on the Navajo reservation and back where I started from – that's why the baby's umbilical cord is buried on the home place, so s/he will know where s/he came from and want to return. It worked on me and I am more aware of how much the presence of the Lord is needed. The Navajo Nation needs the peace, joy and hope which only our Savior can give. We can't get it through more possessions or newer cars or through drugs or alcohol. No, it can only be found through our acceptance of God's forgiveness.

Four Corners Native American Ministries (FCNAM) continues to represent The United Methodist Church to the Navajo Nation through its Covenant Education Center, the Methodist Thrift Shop and the 15 Navajo churches. FCNAM plays host to mission teams from all over the United States.

The Covenant Education is providing childcare and a safe, caring environment for the children of working parent and parents who are attending school. Presently 25 children are served meals and snacks while others have afterschool care. This is the only daycare in Shiprock to provide meals for the kiddos. Of course, there are always needs. A big wish is for a new stove – currently the cook uses a microwave, a roaster oven and a toaster oven as substitutes. A more thorough list is available at our website, fcnam.org.

The Methodist Thrift Shop is our local department store! Some families cannot afford the prices in Farmington and even the gas or vehicle to get there may be a challenge so the Thrift Shop is busy. The 'merchandise' is donated from many sources, even mailed! Shoes for Servants is a popular program and Lorena Lynch, longtime director of the Thrift Shop always welcomes gently used shoes, especially shoes suitable for work and school.

The Navajo churches continue to meet and reach out to their communities. The Lake Assayii fire threatened one of our churches and everyone was ready to evacuate. Luckily, the fire was contained and the church was not affected. The area is still rebuilding. This year the training for the pastors and leaders of the churches will focus on pastoral care. The ministry is excited to help make these pastors be the best they can be so they can offer the hope and love of Christ to their communities to replace the desolation and the hopelessness.

The ministry also offered an Athena Leadership Academy for young ladies and an older woman from their church. The Academy stresses and teaches about 7 qualities of strong leaders – Live Authentically, Learn Constantly, Advocate Fiercely, Act Courageously, Foster Collaboration, Build Relationships and Give Back. It is hoped that the older person will act as supporter and mentor when they return to their respective community and help the young ladies stay on track.

The most exciting news is the completion of the Bistahi church!!!! Thank you to all who supported this effort through donated UM Hymnals, bibles, chairs, an altar, money and manual labor. It was a two year effort but we could not have done it without all the help we received from throughout the New Mexico Conference, Rocky Mountain Conference and the connectional system of The United Methodist Church.

We covet your support, through prayers, donations and visits that we might continue to be a vital ministry in this place where many umbilical cords are buried!

Lay Servants

Charlie Poore, NM/WTX Conference Director Lay Servants

2014 was an exciting and busy year for the Lay Servants of the NM/NWTX conference. We were blessed with many participants from our region and even had those travel from neighboring states to participate in our schools. From classes taught in Navajo in the four corners area to a new district director in El Paso, TX-God has had his hand in many mighty works across the states. We are excited as we look ahead to 2015 with many schools already being scheduled across the region, a new bible study format of weekly advanced Lay servant classes being offered in Albuquerque and the continued interest and participation of those needing advanced classes for the certified Lay Minister program.

We look forward as Lay servants to many more opportunities to serve our churches, Lord and savior Jesus Christ in the coming year whether it is filling the pulpit, leading Sunday school or a small group, hospitality chair or whatever calling God has placed in our lives.

Please join us this year for a weekend retreat/class-you will be blessed beyond belief.

New Church Development Team

Chair, Rev. Randall W. Partin

The New Church Development Team continues to celebrate our conference-wide efforts to foster new places for new people in Odessa, Texas (The Bridge), and El Paso, Texas (The Ridge and *Ekklesia*), even as we look for creative new opportunities to form new faith communities in other areas of our conference.

Ekklesia, our partnered new church start with the Rio Texas conference is currently continuing its shared ministry/shared space arrangement with Vista Ysleta UMC on the east side of El Paso. *Ekklesia* has effectively reached *new* people, people our existing congregations have not always been able to reach, and we hope they will continue to do so, thrive, and bear fruit in the years to come.

In January of this year, we celebrated with The Ridge as they commemorated the five-year anniversary of their launch. In conjunction with this weekend of celebration, leadership of The Ridge, Western Hills UMC (the “mother” congregation to The Ridge), along with Bishop Bledsoe and District Superintendent Dr. Steve McElroy met with the Chair of the New Church Team to discuss the process for chartering in our Annual Conference. We look forward to chartering our first *new* congregation in our Annual Conference in the next few years!

The Bridge in Odessa, launched from First UMC, Odessa, continues to effectively reach young adults and young families. Pastor Donnie Williams reports that The Bridge had over 300 in attendance at Christmas Eve services and on any given Sunday, between 120 and 130 people regularly gather for worship. The Bridge demonstrates the fruitfulness of a strong, vision-led process of a local congregation catching the dream of creating new places for new people. We give thanks for this vital, fruitful *new* congregation and their Kingdom work!

Last fall, in conjunction with the Northwest Texas Path1 Team (our new church developing counterparts in our sister conference), we hosted a meeting of a small group of clergy and lay leaders from the Midland/Odessa area to address the explosive population growth in this mission field (Midland and Odessa were *both* among the top 5 fastest-growing communities in the nation this past year). This preliminary gathering, with guidance from Steve James, who

Program Area Reports

successfully planted Morningstar UMC in Las Cruces and went on to serve The United Methodist Church as a congregational developer in the Western North Carolina Annual Conference, helped us to frame some critical first steps (and be aware of some challenges) in developing new places for new people in this area.

In October, members of our New Church Team, along with new church planters Max Perez (*Ekklesia*, El Paso), Bill Case (The Ridge, El Paso), and Donnie Williams (The Bridge, Odessa), attended a South Central Jurisdictional New Church Planting “summit” at Munger Place in Dallas, where our very own Lourdes Calderon also taught a workshop on Hispanic Ministries. As we continue to learn from and partner with our sisters and brothers throughout the connection, we see greater opportunities for reaching new people in our area.

We continue to work with Path1 Representatives Bob Crossman, Sam Rodriguez, and Doug Ruffle to develop the capacity to accelerate our new church efforts in our conference. In addition, this past year, the New Church team provided support for a handful of persons from our area to participate in a Missional Wisdom Cohort through the Missional Wisdom Foundation. This two-year cohort from the NM/TX region is designed to form, train, and encourage the establishment of alternative, missional communities in our mission field.

Over the years, we have learned that the process of fostering vital new places for new people works best when it is a collaborative process between local churches, potential planters, devoted lay persons and clergy, and conference-level support all working together. New church planting cannot be a top-down, conference-led process. We are dependent upon local churches throughout our conference catching the vision, dreaming of what could be, and sharing that dream with others. In your mission field, where you are, what can be done to reach new people in new ways? How can we—together—foster and sustain vital new congregations where new people come to faith in Jesus Christ, where new manifestations of God’s Kingdom are established?

Small Membership Church Committee

Rev. Tina M. Cross and Rev. Laird Cross, Co-Chairs

Two years ago the Small Membership Church Committee (SMCC) embarked upon several goals. Progress has been made as follows:

- Goal: Continue an Annual SMCC gathering during Annual Conference.
Progress: the 2014 SMCC lunch was well attended and plans are underway for the 2015 event.
- Goal: Training and workshops to encourage effective ministry in specific mission fields
Progress: The annual Equipping Disciples for Excellence in El Paso has offered workshops specific to the needs of small churches, including teaching by Janice Kahl on Border Ministries. Additionally, in the past year, UM Bishops gathered to witness Rev. Kahl’s ministry in the Clint/Fabens charge, El Paso District.
- Goal: Regional Mission Trips
Progress: Mission opportunities were offered, however there was not enough interest to pursue them.
- Goal: Bring a small membership church component of the HCI process to the NM Conference.

Program Area Reports

Progress: Through the leadership of Rev. Cheri Lyon, the HCI process has gained much strength and forward motion, including provisions for the participation of Small Membership Churches. .

- Goal: Keep laity and clergy informed of upcoming events and opportunities for sharing and support between congregations and individuals.
Progress: The Annual Conference Newsletter has taken care to include weekly articles about successful ministries in all sized congregations.
- Goal: Use of Social Media.
Progress: Well intentioned and talented people put effort into creating social networking through Facebook, but participation was minimal.

S.W.I.F.T. Young Adults of the New Mexico Annual Conference

by Jan Preston Archey, advisor

575.630.6185

archeyjan@gmail.com

Before the 1996 Annual Conference, Rev. Terry Ann Moore and I met with a handful of college students who wanted to form a conference young adult organization. Both Terry Ann and I were Campus Ministry Directors at campuses in our conference. If the young adults formed a formal organization and had a process for choosing voting members to Annual Conference, young adults WOULD FINALLY HAVE A VOTE. Up until then, it was hit or miss if this age group had voting representation. **S.W.I.F.T.**, Students Walking In Faith Together was born.

For many years, the organization was driven by campus ministry groups. There were two retreats, a spring retreat and a fall retreat both held at Sacramento Camp & Conference Center. The fall retreat included lots of good work, worship, games, renewing friendships, and making new friends. The spring retreat had a speaker and was more program oriented, including lots of fun and fellowship. In 2000, the spring event ended.

The early organization, SWIFT, was the vehicle for sharing Young Adult news in our conference as well as forming groups to attend national events such as FORUM and regional events such as the now extinct, VISION held in Dallas. Always encouraged were ways to promote Campus Ministry and for the groups to build and become a positive influence and presence in our conference.

About 2008, the participation and look of young adult ministries started to change with less retreat participation from campus ministry groups. More young adult groups from local churches were participating. At that time, we decided to be more intentional in adding a programmed spiritual component by inviting a speaker and praise band. We applied and received Vitality Grants. In 2011, a spring spiritual and work retreat resumed and the organization changed their name to **SERVANTS Walking In Faith Together**. This name better described the current young adult group. We no longer apply for the Vitality Award but do receive modest funding from the conference. Retreat emphasis continues to be spiritual growth and service by helping prepare the camp for camping ministry.

Program Area Reports

The largest retreat event was fall 2010 when 82 people attended. Because we met our challenge to have 75 participants, sponsors and campus ministers dyed their hair. The average retreat attendance over the years is 56 participants. The retreats now welcome children and any young adult (18-35), student or young professionals, is welcome to come to retreat and to be a part of SWIFT. Leadership consists of a President and two representatives from each district.

This year's Spring Retreat will be my 25th SWIFT work and spiritual retreat as advisor and camp dean. After the April retreat, I will be stepping down. At this time, I believe having a clergy person who is passionate about Young Adult ministry would be the best advocate for this age group. I pray the right person will continue encouraging and being an advocate for Young Adults. I love this age group and James and I have been so blessed in knowing so many wonderful young adults. I may not be the head cheerleader, but I will continue to be in the squad! My prayer is this ministry will continue and grow. We have outstanding young adult leaders in our conference. May we all hear their voice. They are the leaders for today.

What can you do to help foster young adult ministry in your church?

- Really GET TO KNOW the young adults who may visit or who already attend. Meet for coffee or a meal. (Yes, a meal is always appreciated!)
- Learn who your young adults are and CALL THEM BY NAME.
- Recognize their talents and gifts and ask them into AUTHENTIC MINISTRY opportunities.
- Be sure young adults 'are in the loop' and ARE INCLUDED in mission opportunities, etc. Yes, you might have to help provide some funding.
- This age group is very mobile and they are here today and they might move tomorrow. BE TIMELY IN REACHING OUT to them.

X-ile

By Rev. Todd Seelau

We live in a culture where most people don't attend church. We try many things to attract these people to our churches but most attempts don't work very well and we go back to the drawing board to try to get it right. We have good hearts and we are gifted, talented people but it seems like we just can't be attractive enough to the people outside of the church, no matter how hard we try. The time has come for some of us to stop trying. The people are out there, they are just not coming to us. We have to go to them both literally and figuratively.

After having many experiences with people that reject and/or have been rejected by the institution of the church, and after writing a dissertation with Dr. Leonard Sweet; Dr. Todd Seelau began a ministry called X-ile in 2008 in Albuquerque, New Mexico. It began as experimenting with worship in a bar and other places outside church buildings. A great group of people formed and worshiped together in bars in Albuquerque for around 2 years. This experience has inspired many different forms of worship in several different places since then. It has been a great idea to experiment with and we have gotten a great deal of insight through things like podcasts, meeting with different groups and churches, writing blogs, and practicing relational evangelism all over the United States.

This year X-ile has received full non-profit status from the IRS. We are working on branding and a good website that communicates who we are. We are starting a regular podcast where we wrestle with the Bible and with our culture among people of different backgrounds and belief systems. We are discovering more about who we are becoming, as we practice relational evangelism as well as creating and supporting organic communities of people seeking to follow Jesus. We already have relationships with several churches in New Mexico who are wrestling with us about who we are and who we have been created to be.

Dr. Seelau is being appointed this year as a full-time evangelist of X-ile. If you would like to be a part of this outward movement of the Church as an individual or as a community of faith, please contact us. You can find out more information at x-ile.com or email us at xilechurch@gmail.com. You can find us on twitter and facebook as well. Please keep us in your prayers and let's work together to spread the grace and love of Jesus in unique and special ways.

Africa University is grateful to the leadership and local congregations of the New Mexico Conference for their investment in the Africa University Fund (AUF) apportionment in 2014.

Thank you for investing 63.62%% of the asking to the AUF. The New Mexico Conference's investment in the AUF declined by a further 5 ¼% between 2013 and 2014, leaving a shortfall in the asking to the AUF of \$4,717.85. The shortfall is almost equivalent to one year's fees for a student at Africa University. Sadly, it represents an unrealized opportunity to equip a young man or woman for meaningful citizenship and service.

Student Enrollment: Full-time student enrollment at Africa University held steady in 2014 with 1,478 young men and women from 25 African countries. Female students were a record 53.4% of the total enrollment—a fact that is worth celebrating in a context where women consistently lag behind men in access to higher education.

Graduation: In June 2014, 480 young people were awarded degrees from Africa University at the 20th graduation ceremony, bringing to total number of alumni to just under 5,300. Without your support, a college education would have been unattainable for the majority of these students.

Training and Research: Africa University remains a sought-after partner in addressing critical skills and capacity gaps in sub-Saharan Africa. A collaboration with the Raoul Wallenberg Institute in Sweden supports a new master's degree program in Human Rights, Peace, and Development. Africa University is also preparing to launch its first PhD program, which links issues of Peace, Leadership, Governance, and Development, and targets policymakers.

Leadership and Service: Africa University graduates are answering the call to serve, heal, and uplift communities. Currently, more than a dozen graduates are serving as Global Mission Fellows and missionaries in Africa, Europe, and Latin America. Your gifts are transforming individuals and communities and bringing new people into relationship with Jesus Christ.

For every individual who has been touched by the ministry that is Africa University, there are many others—tens of thousands, in fact—who are awaiting the miracle of an answered prayer.

As you gather for the 2015 New Mexico Annual Conference, we urge you to set a goal of 100% support for the Africa University Fund and other shared ministries. By continuing to invest, you keep Africa University in the forefront of disciple-making, leadership formation, and positive change in Africa.

Your investment in Africa University is vital. Please remain steadfast in your efforts to invest 100% of your asking in the AUF. Thank you for what you have already done and for what you will do in the future. May God bless and keep you always in abundance.

Eastern New Mexico University Wesley Foundation-Portales, New Mexico

Elizabeth Kirkwood, ENMU Wesley Foundation Director Portales Campus

Eastern New Mexico University Wesley Foundation sits right in the middle of campus. You might say we have prime real estate! When I arrived we started with five students. The word got out about the excellent food, fun and fellowship. By the end of the year we had grown to 75 students coming either to Wednesday noon lunch and devotion or Sunday night dinner and devotion. The meals and devotions are provided by the churches and individuals of the Clovis District.

Students from all walks of life come through our doors to use The Wesley. They are looking to feed their bodies and souls. There are many opportunities to socialize, enjoy movie night, use a classroom for study, and we have the fastest internet on campus. Our students are also looking for spiritual growth. In additions to the devotional time at meals we also have short term studies and weekly bible study. The last short term study we did was Adam Hamilton's book "When Christians Get it Wrong." Currently, we studied First and Second Samuel in our Bible study. Our Students also participate in SWIFT, ROC and Senior High Camp.

We have learned some students have scholarships for tuition and books, but not enough funds for food. In response, the First UMC San Jon developed the Wesley Bistro, which we stock with snacks, ramen noodles, fruit and hot and cold beverages. We also use our leftovers, which can be warmed up in the microwave.

We never know just how BIG our GOD is until you have a crisis. Back in March, on a Wednesday, of course with a noon meal on the way, the main water main for the city of Portales broke and the entire community was without water including the campus. We still had students on campus who were hungry and needed water. Our local churches in Clovis and Portales came to our rescue. Trinity UMC Clovis brought lunch and water, Kingswood UMC Clovis brought dinner and water, and First UMC Portales brought more food for our students.

Not only does GOD provide in a crisis, he also provides every week and he uses the local church. We would like to thank these churches for providing meals, devotions and money to feed our students: First Clayton, First Clovis, First Elida, Eunice, Floyd, Grady, Hamlin Memorial Farwell / Texico, First Hobbs, Kingswood Clovis, First Portales, San Jon, Tatum, Trinity Clovis, Center Street Tucumcari. If you would like to participate in this ministry, but are too far away to bring food, other churches and individuals have sent checks so we could purchase and cook the food locally. We want to say a big thank you for the faithfulness of these churches and individuals who have invested their time, talents and witness in providing food for our students.

We have a wonderful board of directors serving the Wesley who truly care for our students. The latest project they have taken on is remodeling the kitchen to bring it up to code. We have not been able to use the kitchen to cook in or even warm up food for years. We are in the midst of writing grants and raising money for this project. We hope to have it done before the beginning of the fall term 2015. We could use your financial assistance in this project. With the completion of this project the students and churches can do the cooking at the Wesley.

Houchen Community Center

Rev. Laird Cross, President, Board of Directors

609 Tays, El Paso, Texas 79901

915-532-1231

What an amazing year at Houchen Community Center in the Segundo Barrio in El Paso, Texas, now in its 103nd year of making God's love a reality in South El Paso. This past year has brought change and hope to this Spirit led mission of the United Methodist Church.

Kathy Jewell took over as the new Director in May of 2014. She has since turned the place upside down, learning, investigating, reorganizing, and cleaning and refurbishing this wonderful United Methodist mission. Houchen's legacy of service and of loving God's people is strong and inspiring under her leadership. Passionate change with a sense of urgency has become the "new normal" in this vital community resource.

Last year's New Mexico Annual Conference kicked off Kathy's drive for renewal with generous donations of supplies and money from all over the Conference. Only God knew that only a few weeks after Annual Conference in El Paso, Houchen would be called upon to provide emergency assistance for hundreds of needy women and children, immigrants caught up in the drama of crossing the border, mostly alone and without basic sustenance. NMAC's donations to Houchen were used directly to feed women and children, give them a chance to take a shower, receive clean clothes from the Houchen Thrift Store, and find much needed rest in a safe environment. Houchen's Kathy Jewell served as a leader in the Barrio, organizing the relief effort of hundreds of volunteers in the most efficient and Christian way possible.

A few weeks after that, Kathy and Houchen board members organized a school uniform and backpack give away, which tended to some of the back to school needs of over 800 community school children. The \$10,000 cost of the provisions was contributed by individuals and businesses in the community who have found a renewed interest in the work that is being done at Houchen. Subsidized child care, services for seniors, a basketball gym and weight room for the community, and a computer learning center continue to be the mainstays of the activity at Houchen. Volunteers from the community help at the center with food distribution, a running club for school age runners, and free Income Tax assistance.

A work team arrived from McMurry University over the New Year's holiday, cleaning and painting. Another work group from the Clovis District arrived in March, painting and carpentering in the Thrift Store. A work team from Tobin Park UMC in El Paso comes each week to do maintenance and repairs. A group from Vista Ysleta UMC changed a cluttered entry room into a beautiful reading room complete with wonderful used leather furniture from First UMC in Lordsburg. Workers from St. Paul in El Paso repurposed another unused room into a children's library. Grace UMC in Alamogordo regularly brings truckloads of merchandise for the Thrift Store. Vision One, a service group of up and coming business executives in the El Paso area, raised \$17,000 for kitchen and gym renovation. Many other individuals and groups from the conference and the community continue to help and donate.

Kathy has aggressively improved communications with the national office of the United Methodist Women, and discovered the Women's interest in funding long overdue renovations on the property. We expect the UMW to be spending the necessary funds to replace roofing, as well as heating and air conditioning throughout the campus.

Institution Reports

Houchen's needs are still critical. We continue to operation without much in the way of predictable income. We need money, volunteers, and merchandise to sell in our thrift store. Houchen will not be able to fulfill its mission without the active participation of the Churches of the New Mexico Annual Conference. Houchen needs your continued support.

Thank you, on behalf of the hundreds who are being served by this vibrant ministry!

In 1994 a supporter of Landsun Homes committed his time, energy, and resources to make sure that this ministry of Christ's love for older adults would live on for many lifetimes. Just as when the word of God gets in our spirits and new passions are conceived and inaction is no longer an option, Mr. Sam Thornburg knew that he could not abide in the word of God and not be moved to help others. The Landsun Foundation was born because of the word of God.

The mission of the Landsun Foundation is to secure the financial future of Landsun Homes and enrich the quality of life of older adults by: *developing a permanent endowment; assessing and responding to the changing needs of Landsun Homes; and providing a vehicle through which donors with varied interest and varied levels of giving may extend themselves beyond their lifetime.*

The Landsun Foundation is a vehicle for stimulating long-term giving and fund-raising to expand the ministry and mission of Landsun Homes. Our donors through planned giving support the Landsun Caring Hands Fund, capital improvements, or assist in areas of special interest.

Contributions to the Landsun Foundation help increase our endowment to ensure that we have funds to sustain a secure future for our residents. Our planning today will serve seniors for years to come.

Funds donated to the Landsun Foundation are invested and managed in accordance with guidelines provided by the Foundation Board of Directors. We know we must protect our assets and work closely with the Texas New Mexico Methodist Foundation.

You may contact our Development Office at 575-234-5869 or marsha@landsunhomes.com to learn more about planned giving opportunities, the Caring Hands Fund, and the Landsun Foundation.

It is exciting to note that 2015 marks the **50th Anniversary** of Landsun Homes. We are thrilled with what God is doing at Landsun! We invite you to join us as we celebrate this year around our theme, *"A new vision of hope for our tradition of caring"*. Since our founding in 1965, our

mission and ministry stand as a testament to the excellent care and commitment we have for the people who call Landsun their home. Landsun Homes is grateful for the longstanding affiliation with the New Mexico Conference of the United Methodist Church. As we abide in Christ we feel His love flow through Conference churches and committed supporters to Landsun staff and on to our wonderful residents. We can do nothing apart from Christ and all of you.

Leadership. We are led by dedicated board members who believe in the vision of nonprofit service: addressing the physical, psychological, spiritual, and social needs for an aging population. It's our staff members, and their loving care, who truly make our organization outstanding. Many of our employees have dedicated decades of service to our residents, providing stability and consistent care.

Services. Our continuing care retirement campus includes: Landsun Village Homes, Landsun Manor Apartments, Long-Term Intermediate Nursing, and Memory Care. Community services include: Landsun at Home, and Deliver-a-Meal. Also, Landsun Hospice ministers to residents on our campus and in the community.

Giving Opportunities. Today, providing charitable care is one of the most acute challenges Landsun faces. Landsun Homes Mother's Day Offering generates vital charitable care funds to assist residents in need. As older adults live longer, more are exhausting their financial resources and relying on Social Security as their only income. We count on your support by taking this special offering on Mother's Day or any Sunday in May. Landsun Homes does not receive shared ministries funding. To discuss the Mother's Day Offering, the Caring Hands Fund, and other giving opportunities you may contact marsha@landsunhomes.com.

Landsun Homes is grateful for the support of the NM Conference. We ask you to invite us to your church to tell the story of Landsun Homes and to use us as resource on aging services. Visit Landsun Homes and experience the ministry of Christ's love for older adults.

Resident Bishop and Members of the Conference:

It is with great honor and respect that I submit this report to you on behalf of your ministry on the border, Lydia Patterson Institute (LPI). I first and foremost wish to thank the Bishop and every member of the conference for your love, prayers and support for the well-being of our 400 students, whose future is in our hands.

The past year has been one of monumental and historical accomplishments for Lydia Patterson. We began with the celebration of its 100 years of ministry in a Centennial Gala attended by over 450 friends and supporters from El Paso, Juarez, and friends from throughout the jurisdiction and beyond. Distinguished alums were honored as were the faculty, parents, and board members. The highlights of the evening were the words of encouragement and praise by our Congressman Beto O'Rourke and Former First Lady Laura Bush.

As a part of this celebration, LPI is engaged in a \$15 million campaign for the renovation of its facilities and development and enhancement of new programs. The funds raised will go to build a new chapel and fine arts center, a new science lab, a computer lab and a media and research center. Fourteen classrooms have already been renovated and equipped with the infrastructure for the latest technology.

This year, we introduced the ELPILearn program. This is a unique program and the only one of its kind in the country. The program was designed to add a middle school to our existing high school. Students will now be learning English, while they are introduced to the core subjects of the 7th and 8th grade. We made news in El Paso with the introduction of learning pads and SmartBoards to the classroom as well as being the only school in the area to replace textbooks with Ebooks. The program development plan will bring the same latest state of the art technology to the 9th and 10th grade in the next school year and the 11th and 12th grade in 2016.

The accomplishments to date have been made possible by the gifts and pledges of friends, both local and throughout the country, and the commitment of several annual conferences to the capital campaign. The addition of the Middle School was funded through a commitment of the Central Texas Conference to whom we are most grateful. Although we still have a long way to go, we are confident that the ministry of LPI merits every dollar invested, and that we will reach our goal.

We are proud of the accomplishments of the campaign, but we are far more proud of the accomplishment of our students. In the past year, we graduated 83 seniors, 82 of whom are in college today. We continue to maintain a 98% rate of students attending a college or university. Students are presently attending 15 of our United Methodist colleges throughout the country. The lay ministry students served in 21 internships last summer, one will graduate from seminary and receive ordination this year, and four are leading churches throughout the country.

This has been a year of excitement and jubilation for Lydia Patterson, but the best is yet to come. **THIS IS OUR YEAR.** We will reach our goal and see that LPI is prepared to go into the next 100 years with the best facilities, the most advanced programs, and the best tools to form leaders in our communities, to serve the church and to transform the world, all in the name of Jesus Christ. On behalf of the past and present students and the many more to come, please receive my appreciation for investing in this capital campaign that will change many more lives in the next 100 years.

This fall McCurdy Ministries will celebrate 103 years of working to ***“bear fruit, fruit that will last”*** in the Española Valley. Our mission is ***“to surround the students and families of McCurdy Charter School (MCS) and the Española Valley with ministry in the name of Jesus Christ to help them succeed in school and in life.”*** McCurdy Ministries has strengthened the following ministries:

- McCurdy CYFD PreK which is a free morning preschool for four year olds and McCurdy Ministries Preschool which is a low cost faith based afternoon preschool supported by a grant from the Texas Methodist Foundation.
- After School Care (ASC) which provides a safe environment for preschoolers to eighth graders from 3 to 5:30 PM, Monday through Friday during the school year. ASC features music, study time, Bible study, play time and crafts.
- Project Cariño (PC), our mental health counseling program for MCS students and families provides excellent mental health care free of charge to the 540+ MCS students. A second counselor was hired in January 2014 so we could expand the therapy caseload and restart our Peer Mediation and Big/Little Buddy programs. For the 2013-14 school year our PC staff did 1,100 contact hours of therapy, support groups and classroom presentations. For the 2014 Fall semester our PC staff did 1,200 contact hours which means we are on track to increase the hours our therapists spend helping our students by 219%!
- We are now planning our third summer of Camp Stars, our summer educational enrichment day camp which combines STEM education (science, technology, engineering and math) with Vacation Bible School for children who will enter preschool to sixth grade in the fall. Camp Stars launches June 15, and will continue for six weeks from 8 AM to 3 PM, Monday through Friday. We are grateful for the supplies donated by the NM Annual Conference for Camp Stars. Thank you! Camp Stars keeps our kids safe, engaged in learning and doing mission during the summer.
- Our Volunteers in Mission Program welcomes hundreds of individual volunteers and VIM teams from around the country each year. Many New Mexico Conference churches and individuals volunteer every year at McCurdy and we thank you! We couldn't maintain our 40+ acres and 40+ buildings without our volunteers. We are blessed by the offering of tools and maintenance supplies from the NM Annual Conference this year. Thank you!

McCurdy Ministries is the landlord for McCurdy Charter School and the vendor for the MCS breakfast and lunch programs. Through all our programs we touch the lives of more than 500 students every school day.

We are blessed to receive great support from many New Mexico Conference churches, UMW units and individuals. We would love to travel to your community, learn about your ministries and share the McCurdy story with you. Please know we pray for the strength of United Methodism in the New Mexico Conference and we ask that you pray for the strength of McCurdy Ministries.

McMurry University

Dr. Sandra S. Harper, President

*S. 14th & Sayles Blvd., McMurry Station, Abilene, TX 79697
(325) 793-3800 www.mcm.edu*

It has been an exciting year at McMurry University! We've hired some inspiring new faculty, reopened "the New Old Main", rejoined the American Southwest Conference in athletics, and launched the *Foundations of Excellence in the College First Year*. I've had the pleasure of meeting many alumni and friends of the University at a variety of events and I continue to see the spirit of McMurry shine in these individuals.

As we look toward the centennial celebration of our University, we have created a strategic plan to ensure that McMurry continues to prosper in its second century of existence. The process began with the entire McMurry campus conducting a thorough analysis of our strengths, weaknesses, opportunities, and threats. Over 175 faculty, staff and students came together to create the first draft that went to the Board of Trustees for review. While seeking input from a variety of perspectives, the University then hosted regional planning sessions to familiarize alumni and friends with the challenges facing the institution and the plans to address them.

The deliberations that occurred during the regional planning sessions highlighted academic excellence, student success, and financial stability as the three imperatives that must be addressed in the next three years. The strategic plan was approved by the Board of Trustees and was appropriately titled *McMurry Momentum: Grounded in History, Soaring to the Future*.

As a faith-based institution, our strategic plan explicitly links faith and learning. Appropriately, the plan begins with the following Bible verse:

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

As McMurry launches its decade-long planning effort in anticipation of our Centennial celebration in 2023, we are poised to craft an academic experience for the 21st century student. This experience will be a blend of the acquisition of the skills and competencies necessary to address pressing regional, national, and global issues with a solid moral and ethical foundation that needs to undergird every decision faced by McMurry graduates.

McMurry University's connection with the United Methodist Church is an important element in accomplishing that mission and we at McMurry will continue to enhance and strengthen our relationship to our Annual Conferences.

I am excited to welcome Rev. Jeff Lust, a 1983 McMurry alumnus, as our new University Chaplain and Director of Religious Life starting July 1.

As the McMurry chaplain, Rev. Lust will be responsible for spiritual growth and community development for the entire campus community; provide professional pastoral care and counseling for faculty, staff and students; oversee comprehensive religious life programming on

Institution Reports

campus in coordination with faculty, staff and student leaders; and help develop domestic and international mission opportunities and partnerships.

His many years of experience and his passion for partnerships and spirituality will greatly enhance McMurry's mission.

This year has been a year of student ministry enhanced by deeper connections and fruitful partnerships with the United Methodist Church, alumni, and our neighbors from around the world. As we look back at all that God has done in and through us, we are grateful for what has been and excited for what lies ahead.

The following are a few of the highlights of the recent past, and some of the opportunities we are looking forward to in the new year:

- For the third year in a row in partnership with seven local United Methodist churches, more than 1,000 people crowded into Radford Auditorium for a joint worship experience on Sunday, August 24, as the Methodist faith community of Abilene welcomed new and returning students back to campus. Those in attendance experienced a meaningful time of fellowship, corporate worship, and community. Connecting McMurry students with local congregations is an integral and invigorating part of McMurry University's commitment to develop holistically healthy and mature servant leaders.
- McMurry University, in partnership with the United Methodist Church, continues to nurture a vital campus ministry that is grounded in discipleship and student leadership development. The McMurry Religious Life Council is the student-led umbrella organization beneath which 13 ministry team coordinators lead teams of fellow students in ministering to our campus community, our city, and the world. These student-led ministry teams provide the McMurry campus opportunities to engage in corporate worship, a lifestyle of service, prayer, small groups, mission trips, and other avenues for spiritual formation and growth.
- The Religious Life office works with the department of Religion to cultivate a culture of vocational discernment, through which students have the opportunity to more clearly recognize their calling to vocational ministry. McMurry University's dedication to integrating academically rigorous coursework with practical experiences is shaping stronger leaders for our churches and our world.
- Realizing that we live in a global society, and that "our neighbor" can no longer be interpreted as those persons who live in geographical proximity to one another, the Religious Life Department is dedicated to organizing overseas mission trips during which students serve with and learn from our brothers and sisters around the world.
- In the summer of 2014, McMurry sent teams of students, faculty, and staff to serve, witness to their faith, cultivate cross-cultural relationships, and learn in El Paso, Haiti, India, and Zimbabwe through McMurry in Motion. In an effort to further strengthen our mission to serve our neighbors around the world, members of the McMurry community returned to El Paso in December and will return to Haiti May 27-June 3, 2015. The multi-year legacy of the seminary/graduate school tour continues as well. A group of students will further discern their vocational calling over spring break by visiting seminaries, divinity schools, and graduate schools. Schools likely to be visited include Perkins/SMU, Candler/Emory, Vanderbilt, Duke and Duke Divinity School, Princeton and Princeton

Institution Reports

Theological Seminary, Boston University and BU's School of Theology, Harvard and Harvard Divinity School.

Other highlights of the past academic year at McMurry include:

- The McMurry Model UN team won two awards at the NMUN-Rome conference this fall. The students, representing Argentina, won the Distinguished Delegation Award, and Salome Block and Matthew Brown won the Best Position Paper Award in the General Assembly Plenary.
- McMurry history majors achieved top honors at the annual meeting of the Texas State Historical Association in San Antonio. Besting their peers from universities and colleges from across the state, Katie Hinton and Ashley Dandridge brought home first- and second-place awards in the upper division of the TSHA's C. M. Caldwell Memorial Awards for Excellence in History.
- McMurry volleyball advanced to the NCCAA Central Region Tournament and the National Christian College Athletic Association national championships for the third-consecutive season. Baseball advanced to the regional championship game of the NCCAA tournament. Men's tennis finished second in the nation at the NCCAA national championships and women's tennis qualified for the NCCAA Central Region tournament – hosted by McMurry – for a second-consecutive season.
- Charles Hughes, a junior English major from Eastland, Texas, was named the winner at the college level in the annual Texas Educational Theatre Association's (TETA) Playfest playwriting competition. Hughes is the 14th McMurry playwright who has been recognized by the TETA Playfest competition since 1999. The Theatre Department had the opportunity to perform the play in late January at the annual TETA Theatrefest convention in Houston.
- McMurry again received a number of national recognitions and honors this fall, including being named a Top Tier University by U.S. News Best Colleges Guide, a Military Friendly School by GI Jobs magazine, a Christian College of Distinction, and a Great College to Work for by the Chronicle of Higher Education. McMurry University was also one of 234 ranked schools nationwide included in the list of *U.S. News & World Report's* inaugural Best Colleges for Veterans.

Guided by our core values - Christian Faith as the foundation of life, Personal Relationships as the catalyst for life, Learning as the journey of life, Excellence as the goal of life, and Service as the measure of life - our students are being equipped to exceed expectations and go on to success in life through service and leadership in an increasingly challenging world.

We are grateful for the support of the New Mexico Annual Conference and the shared commitment we have to help McMurry achieve its vision to provide a Christian liberal arts and professional education that prepares students for a fulfilling life of leadership and service.

Methodist Children's Home

Mr. Tim Brown, President

1111 Herring Ave., Waco TX 76705

(254)-750-1213

Greetings from Methodist Children's Home (MCH) and the children, youth and families we serve thanks to the support of our many benefactors and friends, including those from the New Mexico Conference. This year we celebrate our 125th year of ministry. The historic partnership between MCH and United Methodist churches in Texas and New Mexico has offered hope to thousands of children, youth and families from the hard places in life.

I am honored to report to you that MCH continues to be in compliance with and, in many cases, to be exceeding the best practice standards established by two national accrediting organizations. MCH works hard to accomplish goals produced by our strategic plan. I invite each member of the annual conference to visit our website at MCH.org to view our strategic plan and annual report. Or, you may call MCH at (800) 853-1272 to have copies mailed for your review. The priorities and goals of our strategic plan challenge our ministry to explore ways to increase our impact on children and families across Texas and New Mexico.

Guided by our core values of Christian Principles, Relationships, Responsibility, Growth, Service and Hope, MCH is committed to providing the services, programs and talented individuals needed to positively impact the lives of children and youth in our care. This is happening every day through residential programs on our historic Waco campus and Boys Ranch, located just outside of Waco, as well as through MCH Family Outreach offices, including El Paso, Texas, and Albuquerque, N.M., within the New Mexico Conference.

The reasons children and youth arrive in our care are unique to each individual. They range from extreme trauma or a sudden change in the family structure to school issues or poor choices in a difficult and ever-changing world. Our collaboration with Texas Christian University's Institute of Child Development to incorporate Trust-Based Relational Intervention (TBRI) in our work places MCH on the cutting edge of child care as we learn new ways to serve children who have experienced trauma. These proven and tested techniques and methods of interacting with children are impacting families in positive ways. Our vision is to take what we learn with TBRI and begin making it available to pastors, youth ministers and concerned family members in the local church. The lessons we are learning, coupled with spiritual development opportunities for all children in our care, makes MCH a unique ministry of the United Methodist Church.

In addition to the accomplishments listed above, your support also empowered MCH to:

- Graduate 43 high school seniors in 2014. Thanks to our many friends, we were able to allocate more than \$500,000 for MCH alumni to pursue a college or advanced degree, certificate at a trade school or job-related training that will help them improve their families and communities. This year we have more than 31 seniors on track for graduation at the time this report was submitted to the Conference.
- Increase the impact in Albuquerque and El Paso through the work of our Family Outreach program. Staff in these outreach locations provide in-home services – such

Institution Reports

as Family Solutions and the Grandparents as Parents Program. Our website has a full listing of our 12 outreach offices and how to contact them for more information on services available to communities and churches in the New Mexico Conference.

- Receive a Certificate of Recognition from the Council of Accreditation (COA) for the demonstration of exceptional quality improvement in the implementation of MCH Family Outreach's Family Solutions program.
- Recognize the great work of 54 staff members with employee service awards. All honorees had at least three years of service, and 10 employees celebrated 15 or more years with our ministry, including two 30-year honorees.
- Participate in several mission trips and community service projects. These projects provided opportunities for MCH youth to show Christ's love by sharing their time and talents to help meet needs across Texas.

Our achievements in the past – and those yet to come – are directly related to the men and women who give their time, talents and resources to bless our children. The following individuals from the New Mexico Conference serve on the MCH Board of Directors:

Rev. Jim Hawk, Albuquerque, N.M.

Rev. Thomas E. Nagle, El Paso, Texas

These individuals, along with our other Board members, MCH Commissioners and benefactors, enable our ministry to achieve its mission. On behalf of Methodist Children's Home, thank you for sharing our story in your churches and communities. If you would like to schedule a speaker, arrange a tour or request resources to help promote an offering, contact our development office by email at development@MCH.org, by phone at (254) 750-1213 or (800) 853-1272, or by mail at 1111 Herring Avenue, Waco, Texas 76708. I also encourage you to visit our website at MCH.org to download stories; identify resources to help educate your congregation on our ministry; view a transparent listing of our financial resources and services delivered; find out how you can refer a child for placement; or learn more about a call to serve our ministry as home parent or foster parent.

As we celebrate our 125th year of ministry, MCH knows our service to children and families is possible because of God's amazing grace and our generous benefactors. Thank you for your trust and support of our ministry. May God continue to bless you and Methodist Children's Home.

Bishop Bledsoe Blessing The Elements

Mount Sequoyah Center, Inc.

Lamar Pettus, Interim Executive Director

Thank you New Mexico Annual Conference for your faithful support. This year our campus offered a peaceful natural setting where parents visited their University of Arkansas students, their families and friends, churches volunteered their time, and pastors and laity came for spiritual renewal and training.

Mount Sequoyah Center continues to support the mission of The United Methodist Church by delivering radical Christian hospitality to all who enter our gates. The year 2014 saw usage increases of 28% in meeting facilities and 29% in overnight lodging. Staff-sponsored youth programs have been emphasized for the past three years, and in 2014, approximately 450 youth participated in these programs. Over 200 collegiate women meet weekly on our Campus as well as a Boy Scout Troop and other small groups.

Program Manager, Emily Gentry, oversaw the growth of youth programs and helped improve programs designed to address the spiritual and physical needs of adults. We had more children than ever before participate on our Marlin Swim Team, and we doubled the amount of Kampers who attended Kanakuk KampOut on our grounds. We were also blessed with the opportunity to work with two interns from the Lydia Patterson institute this summer.

Denni Palmer M. Div., a United Methodist diaconal minister, joined our staff as Christian Education and Spiritual Formation Coordinator. By the close of 2014, more Christian based education training seminars and workshops were on the calendar for 2015 than in the previous six years. Mount Sequoyah now provides 'Bible Studies to Go' that are available for any guest with individuals staying on the grounds for weeks of training specifically in mind.

Our Board engaged Run River Enterprises to conduct a long-range Jurisdiction wide review of our mission and programming and to provide guidance in development of a strategic plan to better serve the South Central Jurisdiction.

Capital improvements of \$536,000 have been completed. The United Methodist Foundation of Arkansas matching grant has \$150,000 of the \$300,000 remaining available for capital improvements.

If you have not been to Mount Sequoyah in the past two years, you will be astounded by the renovations and remodels. Many of our guests rooms have been redecorated and are now equipped with more modern amenities such as flat screen TVs, Wi-Fi, and coffee makers. It is truly amazing what a difference our staff, with your support, has made on our facilities.

We miss you and hope you will visit us soon so that you can experience our radical Christian hospitality for yourself.

New Mexico Methodist Foundation, a ministry of TMF

Tom Locke, President

Once again, TMF experienced another year of exceptional growth in 2014, increasing our assets and further clarifying how to gain the most leverage from those assets to help our United Methodist community discern and live out God's purposes. At TMF, our ability to help congregations steward God's potential for them is inextricably linked to our financial integrity: the more financially stable we are, the more effectively we will be able to achieve our mission "to empower the Church in the achievement of her God-appointed missions."

We ended 2014 with approximately \$510 million in assets under management, an \$84 million increase over 2013. Of that increase, \$46 million came from our joining with the New Mexico Conference Foundation. The significance of our growth, however, lies, ultimately, in the lives changed in local congregations where our services helped enable ministry. The measure of success for all of our services – investments, loans, leadership ministry, grants ministry, stewardship services, and legacy giving, including gift planning and church endowments – is in how effective they are at helping individuals and congregations fulfill God's purpose, as together we work to make Christ's love visible in the world.

New Mexico Conference Foundation

During 2014 we were thrilled to welcome the churches, investors, donors, and others previously associated with the New Mexico Conference Foundation into the TMF family. We are very proud of the careful process that our foundations engaged in to discern the vision for a fruitful future for the ministries of the New Mexico Conference. John Rivas, former president of NMCF, is now ably leading TMF activities in New Mexico and is the primary point of engagement between congregations (clergy and laity) and TMF. He works with New Mexico Conference constituents to connect them to resources relevant to their unique goals for missional growth in their congregations and communities.

TMF, headquartered in Austin, serves United Methodist individuals, churches and agencies within the six annual conferences in Texas and New Mexico. We appreciate the opportunity to report some of the ways we served United Methodists last year.

Within the New Mexico Annual Conference:

- Loans from TMF to churches in the North Texas Annual Conference totaled \$1.3 million at the end of 2014.
- Churches, agencies, and individuals within the North Texas Annual Conference had \$37.1 million invested with TMF's Methodist Loan Fund/Individual Fund.

Throughout Texas and New Mexico:

- As of December 31, 2014, total assets under management by TMF were approximately \$510 million.
- Methodist Loan Fund investments remained steady at \$334 million, as did our loan portfolio at \$322 million.

Institution Reports

- Our Leadership Ministry Endowment grew from \$4.6 million to \$5.7 million.
- During 2014 TMF's Leadership Ministry continued its commitment to strengthening leadership at every level of the church. One of the ways we engage this work is to identify leaders who hold positions which are key leverage points for change, bring them together, and give them brave space for peer learning and generative conversation that can be transformed into courageous action. In 2014, we gathered Board of Ordained Ministry chairs and leaders from across the South Central Jurisdiction to address the complex issues surrounding the difficult place BOM's find themselves in as they implement a process for credentialing that is highly regulated by church law and has not substantively changed to meet the leadership needs of the current, changing mission field. In the past year, we also formed a group of young musicians who are leading modern worship, often in more traditional settings. They are wrestling with the question of what it means to use music and worship to reach people not already inside the church. Another way TMF is working to strengthen leadership is by providing resources to clarify purpose and increase generosity. Last fall, we hosted the Academy of Faith and Money in Houston, offering three full days of current, practical teachings on stewardship, featuring two of the best thought leaders on generosity, Clif Christopher and Michael Reeves. Several who attended have already reported immediate results from implementing recommended changes in their congregations. These are a few examples of Leadership Ministry's work to enable courage, learning, and innovation among United Methodist leaders.
- Grants made by TMF during 2014 totaled \$2,941,196. Of that amount \$2,088,534 came from donor-advised funds. In addition, TMF provided \$175,000 in special grant funding to the seven conferences we served throughout Texas and New Mexico. Since beginning these grants in 2009, TMF has awarded a total of \$1,070,000 to the conferences, all of which has been used at the discretion of the presiding Bishops. For 2014, we asked the Bishops to align the funding with organizations addressing critical needs in ways that bring about meaningful and sustainable change, consistent with our Grants Ministry's focus on systemic change.
- TMF distributed approximately \$1 million from permanent endowments, predominantly to United Methodist causes.

Dean and Professor of American Church History

Perkins celebrates our historic connections with the New Mexico Annual Conference, along with the distinguished accomplishments and service of our alumni/ae in the New Mexico Conference, including Bishop W. Earl Bledsoe (M.Div.'85).

Students from the New Mexico Conference who choose to attend Perkins currently are eligible for a Perkins Annual Conference Endowment (PACE) grant in the amount of \$3,000, with qualifying students eligible to receive an additional \$6,000 each in need-based aid.

Total enrollment at Perkins exceeds 400 students, of which approximately two-thirds are United Methodist and more than one-third are ethnic minority students. Master's degree programs comprise approximately 51% female and 49% male students. The D.Min. program includes students from southern Asia taking classes in Singapore and Dallas. Our Ph.D. program comprises 30 active students, including two Latino Ph.D. students supported through a grant from the Luce Foundation to Perkins' Center for the Study of Latino/Christianity and Religions.

Dr. Jack Levison (Ph.D., Duke, 1985) joined the Perkins faculty as the third appointee to the W.J.A. Power Chair of Biblical Hebrew and Old Testament Interpretation. Dr. John Martin, new director of Development, came to Perkins after serving as president of Roberts Wesleyan College in Rochester, New York. Following a nationwide search, a senior scholar and teacher eligible for appointment to the Lois Craddock Perkins Chair in Homiletics is expected to join the Perkins faculty in fall 2015.

Perkins restructured its Master of Divinity degree, effective spring 2015, enabling full-time students to complete the program in three years and reducing overall cost of the degree. The M.Div. now requires 73 term hours of academic credit, including the nine-hour internship.

A new "Master of Arts in Ministry" (M.A.M.) degree has replaced the C.M.M. The M.A.M. offers five tracks: two previous tracks in Christian Education and Urban Ministry, and new tracks in Theology and Social Justice, Christian Spirituality, and Evangelism and Mission.

As part of SMU's "Operational Excellence for the Second Century" (OE2C) initiative, Perkins streamlined its organizational structure in early 2015. Dr. Tom Spann has been named as director of the Perkins Intern Program, succeeding Dr. Bill Bryan, who has been named to the newly created position of associate dean of Student Affairs. A second new position, associate dean of External Programs, is expected to be filled in 2015.

A \$2.5 million gift to SMU will establish the new Susanna Wesley Centennial Chair in Practical Theology at Perkins. The gift of \$2 million in endowment funds, plus \$100,000 a year for the first five years of operations, makes it possible to fill the chair in the next academic year.

Perkins thanks our many alumni/ae and friends in New Mexico Conference for continuing generous support, including referrals of prospective students, as we continue our vital mission of preparing women and men for faithful leadership in Christian ministry.

We thank you, the New Mexico Annual Conference, for your partnership in the ministry of Providence Place. We are a home full of love that provides support and guidance to young women dealing with unexpected pregnancies, couples considering adoption, and young adults with disabilities seeking to gain their own personal level of independence. We are also home to an innovative family of nonprofits on one campus, sharing resources and expertise – a vibrant community where people who have lived on the fringes and felt excluded, are warmly welcomed. “Partnership” truly means serving our neighbors together as we are changing lives and reshaping futures for Jesus Christ. We sincerely value your partnership.

One by one, thousands have been welcomed faithfully at Providence Place. For over 120 years we have sheltered and empowered God’s children, from the vulnerable and confused pregnant teen who wants a loving home for her unborn child, to the youth with disabilities seeking to learn how to make their own home in the world. With your help, our work has given God’s Children a Faith, a Family, a Future.

Providence Place Ministry

Today, the mission of Providence Place is to provide a community where God’s children transition to build their faith, family, and bright futures. We offer hope to individuals facing challenging circumstances, so they may lead enriched, rewarding and satisfying lives. Through professional guidance and compassionate support, teens and young women facing unplanned pregnancies and families considering adoption make mutually beneficial decisions. Through transitional education, including life skills and vocational training, young adults with disabilities develop confidence and competence to reach their personal level of independent living.

Providence Place fulfills its mission through the following programs:

- Action Adoption has placed more than 6,000 children into loving homes through domestic, older child, and international adoptions. We provide counseling for birth parents and adoptive families throughout the adoption process. Our maternity services include campus housing for pregnant teens and young women considering adoption. Post-adoption counseling is available for birth parents, adoptive families, and adoptive children. Providence Place provides adoption education to teach teens and the professionals who work with at-risk youth about the alternatives to parenting – adoption and voluntary foster care.
- The Center for Higher Independence (CHI) is for students ages 18 and older with multiple disabilities for whom college is not always the next step. Established in 1974, CHI was founded as a transitional education center for people who were deaf and hard of hearing. Today, our services have expanded to accommodate diverse disabilities,

including high functioning MR, autism, Asperger's, cerebral palsy, and learning disorders. CHI has assisted hundreds of young adults with disabilities in learning the vocational and life skills to achieve their personal best.

- Ectopia (*a word comprised from Ectropy which denotes energy & order and Utopia, a perfect community*) is a self-supporting collaboration of nonprofit agencies on the Providence Place campus with a core mission of helping women and children, as well as adults with disabilities. We are collaborating with compatible nonprofits to share resources – putting our buildings and campus to new use, and generating efficiencies and new ideas.

Sabbath House

Rev. Bonnie Hardesty, Spiritual Director
11204 Canyonlands Rd SE, Albuquerque, NM 87123
505-271-0486 Bjharde1@msn.com

Sabbath House is a ministry of food, shelter, prayer, presence, and witness to the presence of God with us in times of need. Caregivers are welcomed, supported, and nurtured as *they* care for adult loved ones receiving medical treatment in Albuquerque area hospitals, rehabilitation and other medical centers. Caregiving spouses, friends, and adult children often experience extreme financial, time management, end-of-life decision-making, and other stressors as they attend to the needs of loved ones experiencing medical crises. At Sabbath House they find a listening ear, an encouraging heart, a cup of coffee, and a soft bed – all at no cost. In 2014, 131 nights of hospitality were extended to those in need.

The year 2014 is distinguished as the first in which a caregivers' loved one went home to the Lord during their stay in Albuquerque. Extended family came from Texas and California; and Sabbath House was full for several weeks. The work of grieving began in the House and traveled to the Four Corners area for a Celebration of Life. As Spiritual Director, I was blessed to have the opportunity to 'be there' for this family in their time of need.

For those unfamiliar with the concept of Hospital Hospitality Houses, I offer this excerpt from the National Association of Hospital Hospitality Houses (NAHHH) website. NAHHH is where I have received training and fellowship with other Founders and Directors of Hospitality Houses across the US.

"It All Started With a Sick Child

The first home, in Buffalo, was purchased in January 1972 by Cyril and Claudia Garvey of Sharon, Pennsylvania, whose son had died of leukemia. The Garveys wanted to help others who found themselves in similar situations. After extensive renovations, the "Kevin Guest House" opened on July 26, 1972. This house became an inspiration for the first Ronald McDonald House in Philadelphia in 1974, which, in turn, was the model for more than 160 other "Houses That Love Built" throughout the U.S., Canada, Europe, Australia, New Zealand and now, South America. Other homes grew out of a local or regional need, serving a specific illness or audience. The American Cancer Society's Hope Lodges (homes for adult cancer patients and their families) and the Fisher Houses (homes for military personnel and their dependents who are receiving care at U.S. military hospitals) both developed as a result of such needs. The NAHHH provides a support network for all these special homes, as well as others that serve families facing similar medical crises. Developed at a grassroots level, these homes have been established as a result of the actions of local citizens, churches, hospital auxiliaries, service organizations and other volunteer-based community groups. Most of these houses are located within walking distance of the hospital; some are within the hospital itself. The basic philosophy, however, remains the same: to provide a caring "home away from home" to all.

Many Have Called It Home!

Nationally, more the 150 NAHHH member/houses provide warm, caring support for over a quarter of a million people each year. From the start, the NAHHH has grown steadily, successfully promoting the development of new houses, while lending assistance to members for the improvement of their operational, fund development and public awareness efforts. Visit any NAHHH member/house and one can recognize immediately that it has the style and

atmosphere of a special place in which guests can relax and feel at home, yet each operates with skill and compassion. Most operate on budgets that would seem unbelievably small by corporate standards.

Healthcare Costs Reduced

The need for family-centered lodging during long-term illnesses has become an increasing concern with the medical community. As hospitals address the matter of cost containment, more and more procedures are performed today on an out-patient basis, often including same-day surgical care. On-going treatments, like radiation or chemotherapy, may not require overnight hospitalization, but usually involve a series of exhausting treatments for patients, especially if daily-round trips to the hospital are required. Even when medical treatment is covered by insurance, living expenses are not. Families cannot afford expensive hotels or motels. To reduce healthcare costs, NAHHH member/houses offer inexpensive accommodations (usually \$5 to \$15, sometimes free) during hospitalizations, before and after surgery, and during repeated visits. A hospitality house truly becomes a family's "home away from home."

"CELEBRATING SUCCESS, CHANGE, ADAPTATION, VISION,

*AND FORWARD THINKING IN ORDER TO BEAR FRUIT, FRUIT THAT
WILL LAST"*

Sacramento had a fantastic year in 2014 and the groups that used our facilities and services were blessed in mighty and eternal ways. The efforts of Sacramento are bearing much fruit. The Board of Directors is committed to Holy Spirit Led: Positive Change.....Visionary/Forward Thinkingand ADAPTIVE planning.

We continue to have sustained growth. Since 2006 we have experienced 68% growth in the number of guests we have served. (4,962 in 2006 up to 8,354 in 2014.) We have been very intentional about focusing on serving the military and the fruits of that focus are beginning to show. In 2011 we served 102 military personnel and family members. In 2014 that number had grown to 1,022 and it has been wonderful to see how God has used Sacramento to bless those that serve our country.

33 work groups totaling almost 300 people have provided almost 6,000 volunteer hours to help improve our infrastructure. In addition 200 volunteers assisted to provide leadership and mentoring during the conference camping program. A program that served over 600 N.M. Conference campers in 2014 up from 353 in 2006. GROWTH, GROWTH, and more GROWTH! Abundant FRUIT is being produced by this wonderful, life changing ministry.

A key to our sustained growth has been the addition of many adventure related programming options. Another new and exciting option is starting in 2015. The long awaited Sacramento Equestrian Center is in its infancy and exciting growth is expected. Trail rides, overnight events, arena training, wagon and carriage rides, and week long horse camps are just a sampling of things to come. Our motto for this program is: *"Come to the mountain, and with the help of a horse, let God Refresh your Soul!"*

Institution Reports

Our continued success relies on our many donors that support our operation. 33% of our operation is funded through donations, and grants which are up from 27% in 2008. The growth in these funds allows us to continue to become the premier camp and conference center in the region. These gifts help us to provide “fertile soil” for seeds to fall on so as to bear much fruit.

Strategic planning so many times fails and becomes just another book on the shelf, but at Sacramento we process through “Adaptive Planning”. We continue to be very aggressive in our “Adaptive Planning” process. We are looking at the near future and also much farther down the line and seeking God’s wisdom as we vision about the next chapter for this ministry. Times are changing very rapidly and for us to remain cutting edge we must adapt, move, and flex with the environment. This type of adaptive planning has led to our recent success and ministry expansions, but our core values continue to be to offer our guests Christ through:

“THE POWER OF CAMP” at SACRAMENTO!

Sacramento offers: God time! Worship! High adventure! Time to think without distractions! Caring adult role models! Beauty of nature! Lifelong friendships with positive peer pressure, and a temporary community where safe risks can be taken and important questions can be asked. 5 days at Sacramento offer 7,200 minutes worth of moments away from the normal pressures of life to...decompress...believe...and dream in a beautiful setting with trusted role models.

Sacramento helps to navigate the tough decisions of life and discover your purpose and passion. Sacramento helps by offering THE POWER OF CAMP!

“NEW DIRECTIONS”

We continue to expanded our “relevance” to the New Mexico Annual Conference by continuing to assist the facilitation of development of the “Youth Programs” in the conference. We are excited about this role of development of youth, youth leaders, and adult leaders to help to further the Kingdom of God.

We are continuing to grow in our involvement in missions, ministry to the military, ministry to families, ministry to clergy and ministry to those desiring to grow in their faith. Our R & R program blessed 113 people in 2014 up from 77 in 2011. We hope the time of refreshing that this R & R offers at no cost will multiply the fruit that those in ministry are producing.

As we “Adapt” and grow while listening to the guidance of the Holy Spirit, we find our niche expanding into these areas we are calling: “Sacramento Ministries”

YOU HELP TO OFFER “THE POWER OF CAMP” at SACRAMENTO!

Without you, via your prayers, advocacy, gifts and service *“THE POWER OF CAMP” at SACRAMENTO* would cease to exist. Our overall camping program continues to grow. Last year 8,354 lives were impacted by *SACRAMENTO* and the heavens rejoiced!

Go to our website or Facebook page and get a taste of it, but better yet come and be a part of *“THE POWER OF CAMP”!*

Saint Paul School of Theology is a seminary of the United Methodist Church that educates leaders to make disciples for Jesus Christ, renew the Church, and transform the world. We are one institution with two campuses, in Oklahoma and Kansas.

In July 2014, Saint Paul welcomed a new President: Rev. H. Sharon Howell, who most recently served as the Executive Director of the Scarritt-Bennett Center in Nashville. In August, Dr. Elaine Robinson became the Interim Vice President of Academic Affairs and Dean for both campus locations. CFO Laura Snow was honored by the Greater Kansas City Chamber of Commerce as CFO of the year for a nonprofit. She has been a driving factor in getting the seminary debt free.

This past academic year, Saint Paul enrolled 231 students from 23 annual conferences and 5 countries on both campuses. The Course of Study School at Saint Paul served 237 students at the Kansas City, Missouri, Springfield, Missouri, and Oklahoma City, Oklahoma locations.

Saint Paul is pleased to announce the Saint Paul Fellows Program due to collaborations with the Oklahoma United Methodist Conference and United Methodist Church of the Resurrection. Saint Paul Fellows is a first-of-its-kind pastoral program designed to eliminate student loan debt, immerses students in varied church settings.

Four full-ride scholarships were given to seminary students commencing study in 2015. The three-year Fellows program offers a groundbreaking opportunity to equip candidates called to full-time ministry with excellent academic formation and real-life pastoral experience while reducing the need for student loans. The awards will cover tuition, books and fees for three years. Two Oklahoma Conference Fellows will receive a student appointment to pastor a small church, including a parsonage and salary to cover living expenses; the two Church of the Resurrection Fellows will receive a stipend to cover living expenses while serving at the 21,000 member congregation's suburban campus in Leawood, KS within the Great Plains Annual Conference.

Saint Paul introduced a new curriculum this year for its masters' degree programs. The Master of Divinity degree has been reduced to 79 credit hours and includes exciting new components to better prepare students for a lifetime of ministry. Each semester students take short courses called "practicums" that are taught by ministry practitioners. These offerings include such skill areas as "budgets and finance", "funerals" and "ministry with children." Students are also required to attend off-campus spiritual formation retreats which are intended to deepen their spirituality. Saint Paul continues to offer the core curriculum that is vital for ministry and emphasizes our long-standing model of action-reflection in which students learn to reflect theologically upon the practice of ministry.

The Native American Ministries Program hosted a group of Native American scholars, elders and clergy who have together written a book on Native Christian Theologies entitled, *Coming Full Circle*. This book will be published by Fortress Press in August 2015 and proceeds will go toward funding Saint Paul's Native American Ministries Program.

Institution Reports

Throughout the year we have connected with graduates and donors face to face at gatherings called Holy Conversations. We look forward to more in the upcoming year.

The trustees, faculty, staff, and students of Saint Paul thank you for your interest, prayers and support.

Satellite Wesley Foundation at Eastern New Mexico University, Roswell

Rev. James P. Bignell, Director

144 Earl Cummings Loop West, Roswell NM 88203

(575) 840—8490 satellite@plateautel.net

The Satellite Wesley Foundation is an ecumenical campus ministry of United Methodist Church serving Eastern New Mexico University – Roswell (ENMU-R). It has an open community fellowship and worship space. We offer minimal counseling, and a place to hang out. Wesley Foundations provide an on-campus presence for students who need or desire a Christian atmosphere in the turmoil of campus life.

Started in 2006 as an extension ministry of First United Methodist Church in Roswell, and approved by the NMAC Board of Higher Education and Campus Ministry (BHECM) in May 2008.

The ministry is recognized as a bona fide student organization by the University. The university has been very supportive, especially in the area of communications and sharing in Student Activity Fees. The University Public Affairs office assists continually in publicizing any and all events we sponsor. They send emails as well as put announcements on the central reader boards around campus.

We do offer minimal counseling for some of the students with a contact at the college and Roswell Counseling Services for in-depth counseling needs. The campus director is involved in individual and group pastoral care/counseling in cooperation with the ENMU-R counseling staff. We also offer a weekly Bible study for those students who will attend – generally 10 -15 a week.

What is needed most are programs the students themselves want to see happen on campus. The biggest challenge has been to convince the dormitory students that the walk is “doable.” Another challenge is the fact that ENMU-Roswell is a commuter campus and most of the 4500+ students do not live or stay on campus.

Most of the twenty-five or so students who visit the Satellite Wesley each week are in the ENMU-Roswell English as Second Language (ESL) classes. We have marvelous mix of nationalities represented: Thailand, Nationalist China, Japan, Iran, Guatemala, Costa Rica, and Mexico.

The Tuesday noon, potluck lunch has a devotional, and Bible Study (read in Spanish and English) as well as discussion of the *God Goes To College* book. A copy of the *Serendipity Bible* is provided to any who do not have a Bible.

A startling fact of campus life is that 90% of all students who were active in their home churches while in high school do not continue an association with any church or Christian activity. One purpose of the Wesley Foundations is to reduce that horrendous statistic. A major concern is that the ENMU Roswell students do not participate in the ministry. A primary reason is because the campus is commuter oriented rather than dorm based. Even college-aged students active in the two United Methodist churches in Roswell do not visit the Foundation during the day.

Institution Reports

The major thrust of the ministry is to serve the college-aged students enrolled in the New Mexico Youth Challenge Academy on campus. Between 40 and 50 of those students attend weekly worship on Sunday night. During the Fall Semester, there were 36 professions of faith. We recruit pastors and lay leaders from local churches for the worship service and the director provides a Bible Study after worship

Sul Ross State University Wesley Foundation

Rev. Pat Boone-Rodriguez, Director SRSU Wesley Foundation

This past year was an exciting time at the SRSU Wesley Foundation. It has been a time of growth and expansion of our programs. At this time we have four young men living at the Wesley. These young men have taken an active role in building the Wesley and bringing in new students. We have opened the Center to other campus groups since it is a great space to use when a large number of people are working on a project. We elected officers and Blaine Rodriguez was elected president and Raleigh Darnell was elected vice president. These two young men have worked diligently to make the Wesley a warm and welcoming place for all students. Raleigh is also our representative to the Student Government organization. Our Campus liaison is Dominique Sanchez and she has taken an active role in the Wesley, giving us a greater presence on campus.

This year we changed our Meal night to Monday and have had great success. We are now averaging 20 each week. This has become an ecumenical Bible study with students from several other denominations attending. At the beginning of the school year the Wesley sponsored a back to school bash with Pastor Chris cooking hamburgers and hot dogs. The Board of Directors helped and provided desserts. It was a success with about 50 students attending. We also teamed up with the Fellowship of Christian Athletes and held a joint meeting with over 75 students attending, breaking into small group discussions.

The leadership team has initiated several fellowship opportunities with video game challenges, movie nights, football, and basketball parties. These have had varied participation but I feel that we are reaching out to the campus and the Wesley is ministering to anyone who desires to be a part of our organization. Recently, we participated in "Fall on the Mall/ Fall Carnival". The team and I are working on other opportunities to encourage students to be a part of the Wesley Student Center. This past fall the students also reached out to the young people and children at First Methodist Church. They have had movie nights and took a trip to Ft. Stockton to bowl, play miniature golf, and eat pizza. There are more of these outings planned for the future. We also have a prayer box available for anyone that needs prayer but doesn't want to state the need publicly.

Another area in which we have had an opportunity to minister is our students participate in the Food Pantry distribution each month and we have also helped a young lady that is homeless. These ministry opportunities have helped our students to be active in being the hands of feet of Christ within the community.

I feel that we are on the right path and are working diligently to bring Christ in a loving, caring way to the students of Sul Ross State University. Our doors are always open as well as our hearts and minds. We are working with other organizations to bring the message of God's love to the campus.

We are working to make the Wesley a self-sustaining ministry. Recently we have had an alumnus donate a substantial amount to the Wesley and he is working very closely with us to find other donors. This is encouraging to the long term sustainability of the SRSU Wesley Center. The support of alumni is extremely important and I believe the future of this ministry depends greatly upon that support.

In Memorium

Mr. Billy C. Anderson

March 6, 1935 - January 29, 2015

Billy C Anderson was a football coach, a math teacher, a father, and even eventually, an honorary member of the United Methodist Women.

Billy was born March 6, 1935 in Hobart, OK, to J. B. and Oleta Anderson. They moved soon after to Sundown, TX, where he grew up playing football in high school. He chose to major in

Physical Education, pairing that with math, when he went to Texas Tech in Lubbock, with the plan of being a teacher.

About two years into college he married Johanna Fitzgerald. He often joked that he thought that she had married him just so she could move out of the dorm.

After graduation they both became teachers in Lubbock. Bill primarily taught junior high and coached football. He loved coaching. At one point he was assigned to a minority school in Lubbock with many Hispanic students. The school least likely to ever win went on to the city championships and won not once but twice under his leadership. It was not really about the winning though, it was about helping them to believe in themselves. He knew that, and he helped a lot of kids along the way.

As much as he loved coaching, however, he loved his two sons, Robert and Paul, even more. There came a time when he realized that they needed more attention than he had been able to give them. So he went in and told them that he wanted to give up his coaching job so that he could be the father that his children needed. They all got involved in Scouting after that, and both of his sons went on to become Eagle Scouts.

When they both retired from their teaching jobs, they moved to Ruidoso to take care of Johanna's mother. After her mother died, Johanna heard again that call to be a minister that she had once heard as a child. She stayed awake all one night anxiously trying to figure out how to tell Billy what she wanted to do. Once she did, Billy answered, "You know what, Johanna. I've been expecting it for years." He was incredibly proud of her, and sometimes liked to call himself the "preacher's wife."

In Carrizozo every Thanksgiving the UMW would cook enough Turkeys to feed the whole town. Billy wanted to help, so they asked him to mash potatoes. He quickly figured out how to do it better, going home to find a large unused paint bucket and a mortar mixer. It was done in no time! He learned how to cook and helped them in other ways as well, so eventually the "preacher's wife" became an honorary member of the UMW.

They retired again in 2010, sort of, and moved on to Tatum where Johanna continued to serve as a part time pastor. Billy began having some health problems, so this past year Johanna gave up preaching at the church and they moved into an RV in Tatum. They struggled through the difficult time together, until he passed away on January 29, 2015 in Denver City, Texas.

We remember now Billy C Anderson, who believed in his students, his children, his wife, and the Church, serving them all for as long as he was able.

The Reverend Doctor Terry E. Anderson

January 3, 1940 – April 26, 2015

Terry Anderson played guitar, loved the outdoors, and wore his cowboy boots and hat for most of his life, even after he became a preacher.

He was born on January 3, 1940 in Kearney, NE to Bud and Darline Anderson, and spent the first 16 years on a farm, until they moved into town. He later attended Kearney Teacher's College for two years before finally getting a

degree in Wildlife Management from Utah State University in 1962.

His chosen career was working predator control for the US Fish and Wildlife Service.

He met his wife, Michele Ellen Yantis, while working in Beaumont, TX. They were married in Houston, TX on September 8, 1964. They had one daughter, Dawn Ellen Anderson, who was born in 1967.

During the 15 years he worked for the US Fish and Wildlife Service, he worked in Texas, Colorado, Utah, Washington, DC, and Albuquerque.

He became a member of St Paul's UMC in Albuquerque. In his spare time he enjoyed golf, fishing, and playing softball. He played guitar and loved country music. Barbeque, pecan pie, and red chili cheese enchiladas were his favorite foods.

He probably could have been happy with the comfortable life they had made together, but God had other plans for him. In 1976 he became convinced that God was calling him into the ministry, so he went back to school to get his Masters of Divinity. While attending St Paul's School of Theology he also served churches in Independence, Missouri.

After returning to New Mexico in 1979, he served the Estancia/Mountainair/Encino charge. Las Vegas, Kermit, and First United Methodist Church in Clovis followed.

He earned his Doctorate of Ministry degree from McCormick Theological Seminary in Chicago, IL in 1990.

It was while they were in Clovis that his wife, Michele, died on September 9, 1995. Rev. Brooks Ambos, who was the pastor at Covenant in Albuquerque, presided over the service, together with Gorton Smith, the District Superintendent. He continued to serve in Clovis until 1997 when he became the Albuquerque District Superintendent.

On December 17, 1999, he married Cathy Brumbaugh. Laura and Carrie, then ages 16 and 15, became his stepchildren as well.

He was appointed to serve First UMC in Albuquerque in 2000. In 2001 he also served as the Chairman for the Conference Board of Global Ministries, on the Conference Team for Making Disciples, the Committee on Ordained Ministry, and the Committee on Superintendency.

He retired in 2003, but he continued to serve on various committees.

His second marriage ended in divorce in 2011, the same year that Terry moved to Bandera, TX.

In the last years of his life, he tutored children at the Bandera Boys and Girls Club and was an active member of Bandera United Methodist Church in Bandera, TX.

Suffering from Alzheimer's disease, Terry moved to Missouri in 2013, and became a member of The Gathering United Methodist Church in St. Louis, MO.

In Memorium

On April 26, 2015, Terry passed away peacefully in the Dolan Dementia Care Center in St. Louis, MO.

Services were held in both Kearney, NE and Albuquerque, NM. Family and friends recalled his loving heart, his sense of humor, and his burning passion to serve Christ and the people he came in to contact with each and every day. One pastor noted, "He taught me what it meant to be a pastor and how to love God and love the people God called me to serve."

We remember Terry Anderson, who gave up his first career to become a United Methodist pastor, but never gave up his hat and boots.

Mrs. Frances Biggers-Hayes

August 16, 1938 - July 24, 2014

Francis Hutchins had a good heart. She was born to Marvin Hutchins and Dorothy Wilhite in Mexico, MO, on August 16, 1938. She had a son along the way, James Meyers, who lives in Colorado Springs now.

Sometime in the 1970's, she married Bobby Biggers. She and her son shared life with him in Roswell until Bobby passed away in 1996.

Caring for her family and her job were how she spent her years. She worked in several different homes in Roswell taking care of the elderly residents, eventually working for the Eastern New Mexico

Medical Center in the dietary department. She retired from the Medical Center in 2000 and moved to Kansas City, MO, where she and Curtis Hayes were married in 2003.

Frances was 65. Curtis was 72. For a while they actually lived apart, Frances in Des Moines, IA, to help take care of her mother in a nursing home and Curtis in Wichita, KS, to be closer to members of his family. In 2008 they moved back to Roswell, NM, where Curtis had once been the pastor of Aldersgate United Methodist Church. Francis had always been a Baptist though, so they faithfully attended the Tabernacle Baptist Church together until her illness prevented it.

During that time, Curtis Hayes was writing a book about his life, which he published in 2013. He dedicated it "To my wife, Frances, who could do most anything in the twelve years that I have known her. She was diagnosed with a severe illness last year. Thank you, Lord, for allowing her to see the completion of this story of my life. It has been a difficult time, to be sure, during these past several months. We know however, that Jesus Christ is our hope." He also noted her patience while he was working on the manuscript. "Thanks, Frances," he wrote, "I love you!"

Early in 2014, as her illness progressed, there were times when she was hospitalized at Eastern New Mexico Medical Center. Always a caring person, this time others had to care for her. That must have been a change for her. She passed away on July 24th, 2014.

We remember Francis Hayes, who had a good heart, a lot of patience, and a great deal of faith, who lives now in the care of a loving and merciful God.

Mrs. Blanche Brooks

May 14, 1924 – February 13, 2015

Blanche Isabelle Brooks was a church secretary, musician, kindergarten teacher, mother, and housewife, not necessarily in order of importance.

She was born in Washington, DC, in 1924. She was the third child of Harrison and Isabelle Brooks. Her father was a lawyer. During the Great Depression, her father once received a Steinway grand piano as payment for his services, which turned into piano lessons for Blanche. They were active in the Baptist church, which included bible studies and choir practice.

After high school graduation in 1942, Blanche went to Wheaton College in Wheaton, IL, where she majored in Christian education. While registering for classes one day, a handsome man behind her said, "Oh, so you are Blanche Brooks. Are you related to Bob Brooks?" Bob Brooks was her brother, and the fact that she and Bob's friend, Robert Brooks, shared a last name was just a coincidence. They dated for only one semester before Robert enlisted in the army and was gone for three years. Only letters connected them throughout the war years, while Blanche went on to get her degree in Christian education.

When he returned, they began to see each other again and were married in June of 1946. She worked as a church secretary while Bob got his education, and then they moved to New York where he went to seminary and served Van Alst Methodist Church on Long Island. They adopted their first child, Bonnie in April of 1952, and a year later they were on their way to the Navajo Mission School in Farmington, NM. Robert had grown up there while his father was the Superintendent, but it must have been a bit of a culture shock for Blanche. Three more children, Beverly, Bob, and Bill, soon joined the family there.

With very little money available, Blanche was in charge of stretching their food budget. Meat was only on the table once a week. The rest of the time they ate bread, home grown vegetables, and homemade yogurt. She was also a seamstress and made all of their clothes.

When the church at Shiprock received their new organ, it arrived late Saturday night, just before their first worship service in the new Sanctuary. Blanche stayed up and practiced on it the whole night, so that she would be ready to play it on Sunday morning. She went on to be the organist for four of the churches Robert served, and a backup organist for all the others. Their later stops included Santa Rosa, University in Las Cruces, Western Hills in El Paso, Estancia, and Mountainair.

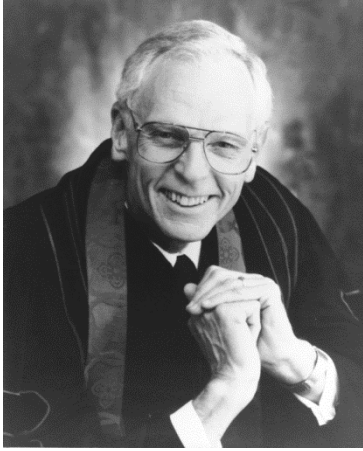

Through the years people have remembered her for her ready smile and gracious kindness. She never seemed to meet anyone that she didn't like. "It has been a busy and fulfilling life," she wrote, "and a joy to have been associated with the many good people of these churches."

Her husband, Robert, developed Parkinson's disease and retired in 1991, to Yakima, WA. There he and Blanche were able to help care for his invalid mother until her death. Robert passed away in 2001.

Blanche eventually moved closer to her daughter. Even in the nursing home she was always concerned about the welfare of others around her. She passed away at the age of 90, surely missed by her family but happy to join her husband again at last in their new appointment.

We remember Blanche Isabelle Brooks, who cared deeply for her children, played the organ whenever necessary, and shared her husband's life and ministry for over 40 years.

The Reverend Doctor Edwin Lee Chappell

August 27, 1931 – October 25, 2014

Edwin Lee Chappell was born in El Paso, TX, on August 27, 1931, the son of Phillip Chappell, who was the pastor of Asbury Methodist Episcopal Church South in El Paso, TX. His father transferred out to the Central Texas Conference in 1933, and passed away in 1945. His mother, Arvalee Chappell, then became a professor of Education and Dean of Women at McMurry. In her 24 years there, she influenced their program greatly.

Edwin, however, didn't follow in either of their footsteps immediately. Instead he went off to serve in the United States Marine Corps, during the Korean War.

Upon his return, he went to McMurry College, obtaining a Bachelor's degree in Education and Philosophy. He taught in the Abilene Independent School District, and went on to get a Masters in Administrative Education in 1958.

The call to follow in his father's footsteps, however, was also strong, and so he was licensed to preach in 1955 in the Central Texas Conference and served the church in Norton, Texas while attending school. He also got married to Laura Bell Powell, who shared in his work along the way when she wasn't busy raising their four children.

Edwin transferred to the New Mexico Conference in 1959, while completing his Masters of Theology at SMU. His first appointment was at Clint, TX in 1961. Then Alpine, Marathon, Lovington, and in 1973 Asbury United Methodist Church in El Paso – forty years after his father had served the same church. Along the way Edwin was awarded an honorary doctorate from McMurry in 1976, and served as a trustee.

He transferred to the Northwest Texas Conference to serve Aldersgate in Abilene, and First in Big Spring, but returned in 1981 to serve Grace in Alamogordo, and First United Methodist Church in Albuquerque in 1985.

While at First he led a building campaign that resulted in the addition of their education wing. By all accounts he was a strong leader, putting his administrative skills to work on the task. He retired in 1993 and they moved back to Abilene, TX, where he passed away on October 25, 2014.

"We can't think of anything or anybody that didn't interest Edwin," one writer noted, "and he certainly didn't let the boundaries of his own congregation limit his friendship and service. To us, the most impressive thing about Edwin Chappell's work has been his outreach to every age group, every societal strata, and every walk of life. You were apt to find him anywhere, talking with anybody, spreading good will and lending a helping hand. People like Edwin Chappell are rare in the world and don't come along very often."

We remember Edwin Lee Chappell, a Marine Corps veteran, who followed in the footsteps of both his mother and his father, and served his Lord well.

Mr. Raymond Bruce Craig

June 25, 1955 – June 20, 2014

Raymond Bruce Craig was a teacher, a veteran of the United States Air Force, a computer analyst, and better known to many of us as the husband of Reverend Layloni Drake.

Ray was born June 25, 1955 in Manchester, NH to Alonzo and Bertha Meybohm Craig. Ray moved to Clovis, NM, at the end of the second grade, graduating from Clovis High School in 1973.

After graduating from NMSU with a business degree, he taught for two years at a business college in Albuquerque before joining the United States Air Force where he served 12 years as a computer analyst and officer. He met Layloni Drake at Peterson Air Force Base in Colorado Springs where she was serving as a Chaplain. They were married and had three children.

After his military service Ray worked for the State of Ohio in their technical support division in computers, before finally moving to El Paso, TX, where Layloni was appointed first at St Mark's as an associate and then at St Luke.

Ray worked for the public school system in special education for a while, but after their move to Gallup, NM, disabilities began to take their toll. Eventually employment was no longer an option for him. So he gave where he could, he volunteered at their church where his computer skills were put to use producing the church newsletter and doing other graphic work that was needed.

In July 2009 they moved to Albuquerque where Layloni served at Asbury United Methodist Church. Ray volunteered there to provide an outstanding weekly church newsletter and he prepared the weekly slide presentations for each traditional service. The staff and congregation loved working with him and his wonderful sense of humor. Ray had a passion for baseball and football. His favorite teams were the Dallas Cowboys and the Boston Red Sox. He would attend the Isotopes baseball games whenever he could. Ray loved his family, his church, and his Lord.

In June 2015, while moving to Layloni's new appointment at Kingswood United Methodist Church, Clovis, NM, Ray became unexpectedly ill and died on June 20, 2015. Kingswood UMC and Asbury UMC rallied around Layloni and her family during this difficult time and transition to a new church.

Honoring his military service, internment took place on July 18th at the National Cemetery in El Paso, TX. We celebrate that he now lives with our Lord and God.

We remember Raymond Bruce Craig, husband, father, veteran, and teacher, who has gone home now, to wait for those who will join him later.

Mrs. Wynona Elkins

1922 – March 8, 2015

Wynona Elkins, wife of well known Methodist minister, Brodace Elkins, died March 8, 2015. Wynona began her life in the lovely little town of Mangum, OK, and life ended for her in another little town, Lytle, TX. Her intervening years were spent with many wonderful experiences and much happiness. Wynona, born in 1922, was the daughter of Mr. and Mrs. John Houpe, a pioneer couple of southwest Oklahoma. In 1939 she graduated, along with her future husband, from Mangum High School. She graduated summa cum laude from Southwestern State University in Weatherford, OK, and taught high school English, Speech, and Drama in Texas, Oklahoma, and Illinois.

In 1945 she and Brodace Elkins married and moved to Illinois where he was a student in Chicago Theological Seminary of the University of Chicago preparing for the ministry. They served the United Church of Chebanse, IL, and the following Methodist churches in their home state of Oklahoma: Cheyenne, Carnegie, Hollis, Trinity-Tulsa and First Church of Bartlesville.

In 1963 she moved with her family to El Paso, TX, where her husband was appointed as pastor of Trinity Methodist Church, later to be known as Trinity-First when the two downtown churches united in 1979. Their interesting life on the border lasted nineteen years until Dr. Elkins was named Superintendent of the Albuquerque District, and another interesting chapter of their lives began. They retired in 1988 and returned to El Paso and their many friends. In 2003 their family and a new home beckoned, and they moved to Lytle, TX, to be near their son.

Wynona always had a great love and appreciation for the members of the churches they served. She considered her life as a minister's wife a privileged one (and her many talents made possible a complementary partnership in the ministry of all the churches served.) She was active in the United Methodist Women, as well as Planned Parenthood and the Women's Club of El Paso.

She and Dr. Elkins enjoyed traveling, and they visited many parts of the world. In her retirement years, she worked tirelessly to expand the remarkable Heritage Center of Trinity-First Church to preserve and display the rich history of both churches which began in 1882 and 1886, respectively. The Center was named for Wynona and Brodace. In recent years, she cherished her relationship with the members of the Wesley Fellowship class of First Methodist Church in Lytle, a class she helped organize.

Wynona's death ended a beautiful marriage of almost 70 years to Rev. Elkins.

The Reverend Doctor Donald Lee Forsman

August 14, 1925 - April 30, 2015

Donald Lee Forsman was an airman, a patriot, and a pastor, who served his country and his church with equal zeal.

He was born in Tulsa, OK, on August 14, 1925, and grew up there, graduating from Will Rogers High School in 1943.

Then it was off to war. He served in the Army Air Force during WWII, as a ball turret gunner on board a B-17 bomber. He flew on 34 missions over Germany. "I was

stuck in the Ball Turret on our 15th Mission to Duisberg, Germany," he once recalled. "Some small gear jammed and I was stuck in the ball (Couldn't get in the plane because guns were at a 45 degree angle) from the English Coast, over the target, and back over England before they broke the oval gear and freed me." Not unusual, but few survived such an experience, let alone so many missions. For his service he received an Air Medal with Four Oak Leaf Clusters.

When he returned, he went back to school at the University of Tulsa, enrolling as a freshman in 1947. That was the same year that his ministry began, as a youth director at University Methodist Church in Tulsa. In 1948 he was appointed to Lake Station in Tulsa.

On November 19, 1949 he married Ruby Marlow. They eventually had four children – Michael, Christina, Nathan, and Sean.

Donald received his BA degree in 1950 while serving Caddo, OK. He also served Atoka before getting his Masters of Divinity from the Perkins School of Theology in 1953, where he graduated with honors. He served Wetumka, and Cherokee before transferring into the New Mexico Conference in 1962.

His first stop here was Grace Methodist Church in El Paso. In the eight years he was there he received over 1100 members. He helped eight people make the decision to go into the ministry. He also led the church thru two building projects, including the rebuilding of their sanctuary after a fire.

In 1970 he was given the George Washington Honor Medal from Freedom's Foundation for a sermon entitled "I have a Lover's Quarrel with America." In spite of the title, no one ever doubted that he was a patriot.

At their next stop, Grace United Methodist Church in Alamogordo, he started a Labor Day tradition of inviting the church to camp out with them for the weekend. It grew to over 100 campers and remained an annual event with guest speakers for many years.

No doubt his interest in camping is what led him to serve on the Camps Board. In the ten years that he served as chairman, there were many improvements totaling over \$750,000.

In 1975 he received an honorary Doctorate from McMurry College.

He became the Carlsbad District Superintendent in 1981 and then the Odessa District Superintendent in 1982.

He was elected as a delegate to the Jurisdictional Conference in 1976, 80, 84, and 92. He was a delegate to the General Conference in 1980, 84, and 88. He served on the General Board of

In Memorium

Church and Society from 1980-1988, and was the chairperson for the General Church Alcohol Task Force from 1984-88.

His appointment to Trinity-First in El Paso appointment in 1986 was his last before retiring in 1990.

In 1992 he received the Perkins School of Theology Distinguished Alumnus Award, and he was named one of our New Mexico Conference Living Archives in 2000.

After his retirement he also served interim appointments in a number of churches in the Tulsa area, and was called upon to lead workshops and revivals.

Somehow he found time to travel as well. His many world travels over the years included England, Greece, Switzerland, Germany, Egypt, and even leading a tour to Israel.

He was always interested in golfing, fishing, and hunting as well.

Slowing down enough at last, at the age of 89, on April 30, 2015, Don passed away in Tulsa. The memorial service took place at the Boston Avenue United Methodist Church with internment in their columbarium.

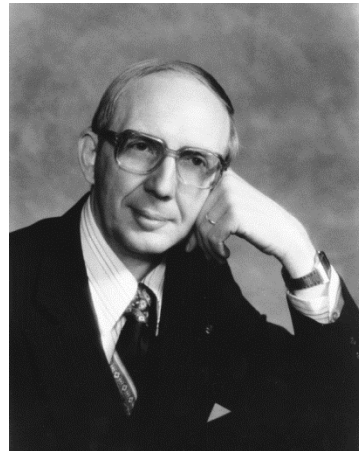

We remember now Donald Lee Forsman, who served his country, his church, and his Lord with great distinction.

The Reverend Doctor E. Leonard Gillingham

February 19, 1931 – September 26, 2014

Leonard Gillingham grew up on a farm in Oklahoma, with fields to plow, hay to mow, and horses to care for. By the age of 14, Leonard had experienced the love of God in a special way, and was on his way to becoming a preacher.

He and Martha met at the Wesley Foundation on campus at Southwestern College and were married in August of 1952. As part of the student council, his stand on racial inclusion caused him to be labeled a communist by some. Later he also worked to help Perkins and SMU welcome their first two black students.

By age 25 Leonard was serving a small church in Oklahoma while still going to school. He was by all accounts the very paragon of virtue, and he had ulcers. School, church, and a new baby all added to the stress he felt in his life. His study of the gospel of Luke led him to a new discovery about himself. He was a Pharisee. Pharisees are good people, disciplined, zealous for their faith, critical of every form of immorality, and good at hiding the truth about their own evil thoughts and vile emotions. Listening to the words of Jesus, Leonard finally came to understand that morality was not the point of religion. "The offer of forgiveness, mercy, and acceptance found at the cross was more than an historic event for me," he wrote, "it became an experiential event." He made the choice to stop preaching *at* people, and to start sharing life *with* people instead. "The experience of God's forgiveness and grace is the divine companionship that gives us courage to be real," he wrote later.

It was perhaps that moment that made Leonard the extraordinary pastor and preacher that many of us remember.

In Memorium

Throughout his career as he served in Clovis, El Paso, Las Cruces, and Albuquerque, on the Board of Ordained Ministry, and as District Superintendent, he demonstrated an ability to meet people where they were and to guide them with “creative love.” “God restores broken relationships, forgives sins, heals the wounded, and makes all things new,” he wrote. Believing that enabled him to help hundreds experience it. As one person noted, “his ability to fix things was legendary, his willingness to listen and offer wise counsel was life changing, and he was the model and mentor for what it means to love.”

In 1982 he was invited to preach for The Protestant Hour, a radio broadcast heard on 1500 stations in the US, and overseas on Radio Free Europe. His sermons were later collected and published as a book entitled “Dealing with Conflict.” Each sermon progresses from the personal, through the theological, to the practical. That was his way.

After 40 years of leadership and service within the Conference, Leonard retired, moving back to Weatherford in 1999 to care for his mother and to help farm the old homestead with his son. He returned in 2000 to become the interim director for the NM Foundation while they searched for a new director. In 2003 he was recognized as a Living Archive at Annual Conference.

Still active at his local church in Weatherford, Leonard passed away in his home on September 20, 2014 at the age of 83.

He left us a benediction hand written in a copy of his book. “May all your conflicts be resolved by the joys of God’s love,” he wrote. His were.

We remember Leonard Gillingham, a Pharisee who was redeemed and transformed by the love of God.

The Reverend Doctor Larry Bruce Hall

December 11, 1942 – January 9, 2015

Larry Hall was a man on a journey. He was born in Georgetown, KY, on Dec. 11, 1942, graduated from Georgetown College, got married to Sara Yarbrough in 1966, and then went off to serve in the Pacific as a Captain in the United States Army, Quartermaster Corps. He later returned to work for Ryder trucks for a while. The men in the Hall

family, however, had always been preachers, going all the way back to 1856. Not surprisingly then in 1972 he heard what he called “the silent shout of a holy and loving Spirit saying ‘Come and Serve’.” He got his license to preach that year and served at Centerville in 1974, elected a probationary member of the Kentucky Conference in 1975, served Sandy Springs in the North Georgia Conference in 1976, completed his Masters of Divinity at Candler in 1977, and went on to get a doctorate from the Graduate Theological Foundation at Notre Dame. He ended up serving Pampa in the Northwest Texas Conference, where he was ordained an elder in 1979. He later served churches in Lubbock and Dumas, before coming to Artesia, NM, in 1986.

His wife Sara was an accomplished musician, teaching voice and piano at the time. Larry had no such talent. A member of his congregation once kindly suggested to him that he should hold the hymnal in front of the microphone when he sang, so the agonized congregation could get some relief.

His talents obviously lay elsewhere. Certainly preaching and teaching were among them. His sermons were both “wonderful and thought provoking” someone said, and over the course of his life he led ten study groups to Israel. As the Albuquerque District Superintendent, he took seriously the task of being a pastor to the pastors of his district.

In Memorium

After 33 years on this part of his journey, he retired in 2005 and returned home to Georgetown. He then served as the interim pastor at First UMC for a while, and stayed on as the Pastor of Congregational Care.

In 2006 he began to write a newsletter of sorts to his selected friends. His *"Thoughts from Larry"* went out to over 500 people worldwide. Sometimes he reflected on his life, and other times he wondered where we might be going as a church. His thoughts seemed mostly filled with family, wisdom, and humor.

Once in a while in the last few years he also shared his personal struggle with cancer. As his health declined, if you asked him how he was, he might well have replied, "Health – not so good; Spirit – never better."

In 2014 a collection of some 30 of his *"Thoughts from Larry"* was published. Less than a year later he died on January 9, 2015. His book was always meant to be a final gift to all those who shared his life. "Remember we are all on the journey of life together," he wrote, "and God, by every name, is our constant Companion....I might die tomorrow...if I do please remember and cry and laugh a little at the *invited journey* we have been on together."

We remember Larry Bruce Hall, a man on a journey who invited us to travel with him at least part of the way, and who showed us the love of God by the life he lived.

Mrs. Martha Kent

May 23, 1928 – September 9, 2014

Born May 23, 1928, Martha Kent married Rev. Bill Kent on June 4, 1949 and became a housewife - but not for long. She already had a degree from SMU, where she had also been a nominee for homecoming queen. She was, in fact, said to be one of the most popular and intelligent girls on campus. In 1950, like her husband, she was commissioned as a missionary in The United Methodist Church and went to Bolivia. While Bill served as the pastor of both the English speaking church and the Central Methodist Church of Cochabamda, Martha taught at the American Institute. Bill taught religion, English, and Office Practice, while Martha taught 30 hours of Mathematics. They also became directors of the boy's dormitory at the school, seeing that the 50 boys under their care "got lessons, haircuts, prayers, baths, allowances, picnics, parties, and movies." She also served as the schools dining hall dietician, shopping for food in the open air Indian market. In 1952, as a revolution swept through Bolivia, they realized that both the son of then President Mamerto Urriolagoitia, and the son of General Hugo Ballivián were at the school. In order to protect them from possible kidnappers, they courageously brought them into their own home.

They returned to New York in 1959 where Bill served for a while as the administrative assistant for Latin American Countries of the World Missions Division of the Methodist Church.

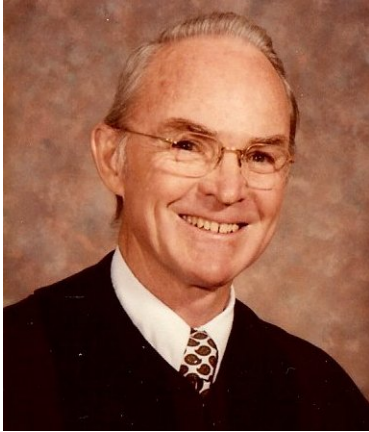

From there they returned to more pastoral settings, serving Leonard, TX, St. Paul in Abilene; Crosbyton; Kingswood; Stratford; Canyon; Central in Dalhart; Muleshoe, and finally Grace United Methodist Church in El Paso in 1987. During all of this time they maintained a strong interest in the work of the Board of Global Ministries in Latin America, later supporting the GBGM initiative known as the "Encounter with Christ in Latin America and the Caribbean."

In Memorium

Bill officially retired in 1989, and they moved to Lubbock, where they were active at St. John's United Methodist Church. Bill went to his heavenly reward in 2005. On September 14th of 2014 Martha joined him. It is no doubt clearer to them now the difference they made in the lives of so many.

We remember Martha Ann Kent, a pastor's wife, teacher, and courageous missionary to the people of Bolivia.

The Reverend David Joseph Lynch

July 18, 1918 – October 17, 2014

David J. Lynch was born in Indianapolis, IN, July 18, 1918. He was converted at age 14 under the ministry of Reuben H. Mueller, pastor of the First Evangelical Church of that city, recommended by the congregation in 1944 for a License to Preach in the North Indiana Conference of that denomination and, (following eight years of service in the United States Navy immediately prior to and during WW II,) in June, 1959, was ordained and received into full connection in the California Conference of the Evangelical United Brethren Church. He served churches in the California, Indiana North and New

Mexico Conferences.

After his retirement in 1984, he studied Criminal Justice at New Mexico State University, becoming a Criminologist, with a Masters of Criminal Justice. He developed a special interest in the topic of "Restorative Justice," later speaking and teaching on the subject. He also worked as a volunteer Qualified Mediator for the Ada County Juvenile Court Services.

We remember David J Lynch, Veteran, Preacher, and Advocate for Justice.

The Reverend Theodore James Massey

April 16, 1944 - February 4, 2015

Reverend Theodore James Massey, known to family and friends as Jim, or the Rev, was born on April 16, 1944 to Lee Roy and Cora Jewell (Davidson) Massey in Hobbs, NM. He passed away Wednesday, February 4, 2015, in Springfield, MO. Gifted with a beautiful singing voice by God, he sang at local churches in his home town of Eunice, NM. He proudly served in the Army as Chaplain's Assistant during the Vietnam War.

After his service, he earned his Master's Degree in Theology from SMU in 1981, and he became a fully ordained Methodist minister in 1983. He faithfully served various churches in the New Mexico Conference for 30 years. Like all ministers, he never really retired, serving part-time as an older adult minister at Wesley United Methodist Church in Springfield. Reverend Massey is survived by his angel of 39 years, Charlotte Massey and their two daughters, Teresa (Buddy) Watson of Waxachie, TX, and Melody Massey of Midland, TX. He touched everyone's lives through his faith, his smile, his beautiful singing voice and his endless love.

We remember Theodore James Massey, veteran, preacher, and singer.

Mrs. Alice Jean Parker

March 28, 1927 – October 29, 2014

“Hi! I’m Jean, short for genius.” That is the way Alice Jean Parker often introduced herself. She really was pretty smart, too. The Central High School yearbook in Jackson, Mississippi, where she graduated, liked to give people a descriptive name, like “Pretty,” “Adorable,” or Loveable. Jean’s descriptive name was “Intellectual.”

She hoped to go to college after graduation, but instead she married the love of her life, Archie Robert Parker in 1950. At the time of their marriage he was already a preacher in the North Mississippi Conference, and a veteran, having enlisted in the Army in 1943. Together they had two children, Robert and Fran.

In 1955, Archie became an Air Force Chaplain. Thereafter Jean traveled with her husband to wherever they were assigned, while she raised the kids and filled the role expected of her as an officer’s wife. Florida, Massachusetts, Texas, Germany, New Mexico, Okinawa, and Montana were all home at one time or another. She loved to sing, and she graced the choir at the various base chapels wherever her husband served.

When those travels brought them to Albuquerque, Jean was finally able to go back to school, earning a Bachelor’s degree in Sociology at the University of New Mexico in 1968.

In 1975, Archie officially retired, still a member of the North Mississippi Conference. They moved to Albuquerque, where Archie then transferred his membership as a retired pastor into the New Mexico Conference in 1977. He went on to serve as the associate pastor at First UMC in Albuquerque for another 8 years.

Jean joined the choir at First, of course, and got involved in other ways too. She created a children’s library at the church, and established a scholarship fund to help parents send their kids to the Wesley Kid’s Childcare at the church.

As the years advanced, they both moved into La Vida Llena, a retirement center in Albuquerque in 2004. Two years later, in 2006, Archie died.

Jean lived on at the retirement center through many good years, passing away on October 29, 2014, at the age of 87 to join her husband at last in his new assignment. No doubt she has joined the choir, too.

We remember Alice Jean Parker, Archie’s wife, mother, choir member, and intellectual.

Mr. James William Potter

August 4, 1938 – February 21, 2015

James William Potter, better known as Jerry, was a football player, a Driver's Ed Teacher, a High School Principal, and a Firefighter, among other things.

He was born in Ft. Sumner, NM in 1938 to Lee Roy and Irene Snead Potter. After graduating from Ft. Sumner High School in 1957 he played college football at Western New Mexico University. He later transferred to Eastern New Mexico University where he graduated in 1962 with a BA in Industrial Arts Education. He went on to get his

Master in Education and a certification in Administration in 1971.

Along the way he married Kathleen Swope on June 1, 1967. Together they raised a daughter and a son.

They lived in Cimarron, where Jerry worked for 30 years as the Industrial Arts Teacher, Drivers Ed Teacher, High School Principal, Athletic Director, Maintenance Director, and Elementary School Principal. He also became Chief of the Cimarron Fire Department and a life member of the NM Firefighters Association.

Outside of school he taught Hunters Safety, as a lifelong member of the NRA. He was a member of the Masons, becoming Master of Cimarron Lodge # 37, and Worthy Patron of Cimarron Canyon Eastern Star #64. And he was Cub Master of Pack #68 for the Boy Scouts of America. He enjoyed hunting, fishing, camping, and building furniture.

Both he and Kathy were active members of the Cimarron United Methodist Church, and the Four Corners Emmaus Community.

After he retired from the School district, he worked as a purchasing/sales agent for a while.

Meanwhile his wife Kathy was hearing the call to ministry, and getting ready for her own career as a United Methodist Pastor. She became a probationary member of the New Mexico Conference in 1998, and she and Jerry moved to Bloomfield, where he worked as a licensed contractor and was active in the church that his wife now pastored. Kathy was ordained an elder in 2000, and they have continued to make Bloomfield their home and place of ministry ever since then.

Jerry had some health problems in the last few years, receiving a heart valve replacement in 2012. On February 2, 2015 he suffered a stroke that left him unconscious, leaving this life for eternity on Saturday, February 21, 2015.

The Bloomfield UMC celebrated Jerry's life on Saturday, February 28, 2015, and remembered what a good life it had been.

Like them, we remember Jerry Potter, an educator, community leader, and faithful husband of a United Methodist Pastor.

Mrs. Betty Lou Reid

November 9, 1921 – June 23, 2014

Betty Lou Reid was an athlete, a wife, a mother, a dancer, and a helpmate for Homer Reid during his ministry in the New Mexico Conference. She grew up as Betty Lou Simpson in Colorado Springs, and belonged to the Girls Athletic Association in High School. She and Homer did a lot of hiking and swimming together.

After High School she married Paul M. Stevenson, and had three children in the early 1940's. Paul enlisted in the Army Air Corps in 1945 and went off to war. She and the three young children eventually joined him in the Philippines, and then later returned by ship to California.

What happened next is unclear, but on November 11, 1950, Betty Lou married Homer Argall Reid, a former opera singer. They each brought three children into this marriage and two more followed. That is quite a family. He sold real estate and together they opened and ran an Arthur Murray Dance Studio in Colorado Springs. When that stopped working for them, he sold encyclopedias, and directly as a result of contacts he had made doing that he ended up as the Choir Director at Wesley UMC in Albuquerque.

Betty Lou followed him then while he went back to school and into the fulltime pastoral ministry. Music, of course, was still important wherever they were, and she sang in a lot of choirs. There were about thirteen stops along the road to his retirement in 1981.

Homer served for a while at Velarde and Alcalde, part of the Española Valley Group Ministry. Then they moved to Pagosa Springs, CO, where Homer served as the interim pastor for Community United Methodist Church. He also served as the pastor for Allison Presbyterian Church for a while.

When Homer passed away in 1995, Betty Lou remained active in the church and still sang in the choir, but she was active in the community in other ways too. Rekindling her love of the outdoors, she became the ski instructor for a group of senior citizens known as the Gray Wolves.

She also rode her bike all around Pagosa Springs. Usually after buying some groceries, she would load her bicycle on the bus for a ride home. In 2007, budget cuts made bus service less available, so she started riding both ways. Finally, at age 85, a bicycle crash sent her to Durango for medical care from a plastic surgeon and several dozen stitches for a six inch gash in her arm. She considered herself lucky. "You want to know who I really feel sorry for?" she told a reporter. "The working people, the working wives especially, because they have children to support." To her the lack of bus service was just inconvenient. Others actually needed it.

Pastor Ron Ford would visit her frequently in those later years, and by all accounts she was active and happy. She often recalled to him her life in the ministry with Homer Reid, and it was obvious to Pastor Ford that she had been very supportive of his ministry. She remained active until about a year before she passed away at the age of 92 on June 23, 2014.

It may be the words she once wrote in someone's yearbook back in high school that provide the best epitaph for her life. "May your happiness last as long as you live," she wrote. She found her own way to make that true.

We remember Betty Lou Reid, who married an opera singer, and ended up as a preacher's wife, and a ski instructor.

The Reverend David Arthur Shaw

September 28, 1927 – January 10, 2015

Born the son of a Methodist Pastor on September 28, 1927, David Shaw liked to say that he had attended almost every NM Conference session since 1932, when his dad joined the Conference. That would be almost 80, and is a record unlikely to ever be broken.

During WWII he served two years in the Navy. When he returned in 1947 he was recommended for his License to Preach by the church at Lovington where he had graduated from High School. At Southwestern University he was the president of the Methodist Student Fellowship, and graduated magna cum laude in 1948 with a degree in Mathematics and Physics. While studying for his Masters of Divinity at Boston University, he married his wife Dawn in 1949, and pastored the church in Holbrook, MA, from 1949-53.

Appointed to Vaughn & Encino in 1953, David added six new preaching points, creating an area 100 by 150 miles square as his charge. Assigned to a new church start in Odessa in 1955, he organized St Luke's Methodist Church and under his leadership the church built two buildings. By his estimate, during his years there he visited in 5000 homes, met 10,000 people, and grew the church from zero to over 1000 members. At Christ UMC in Albuquerque there was another building program and 1570 members by 1964. At Monahans, TX, another building program, and an evangelistic program that saw 165 people join the church *in a single day*. The Clayton larger Parish, Portales, Los Alamos, Clovis, and Artesia followed. In 1986 he transferred to the NW Texas Conference to serve the historic San Jacinto UMC in Amarillo. While there he established a Satellite Down Link center to help train youth ministers throughout the area. Later he served First UMC in Colorado City, before returning to New Mexico, and retiring in 1992.

Along the way he was active in other ways too, working with youth, for instance, and taking *multiple* busloads of kids to youth camp every year. He actively supported the Boy Scouts, even organizing a Sea Scout Ship in Clayton, NM. I'm not sure where they found the water.

He was secretary of the Conference Board of Temperance in the 1950's, and vice president of the New Mexico Temperance League in the 1960's. He was instrumental in persuading the Conference to join the NM Council of Churches in 1968 and became our delegate for 8 years. He served on the Board of Trustees at McCurdy School. He and Dawn were delegates to the World Methodist Conference on Evangelism in Jerusalem in 1979, and to five other World Methodist Conference sessions around the globe. He served on the South Central Jurisdictional Committee on Spanish Speaking Work, and spent a month preaching at different churches in Mexico in 1960. He was appointed to the Archives and History Committee in 1972, and from then on he took an active role, last serving as chairman in 2004. After the Santa Fe Prison Riot in 1980 he became involved with Prison Ministry and was appointed by Governor David Cargo to visit and report on chaplaincy programs in all New Mexico prisons. He was also active in the Walk to Emmaus program. The list of institutions he helped guide and committees on which he served goes on and on.

After retirement in 1992, they moved and took an active role in the 2200 member First UMC in Kerrville, TX. He became involved in an effort to establish a Methodist presence in Vologda, Russia, and both he and Dawn joined Volunteers In Mission teams going to Russia. They also

In Memorium

worked alongside of several other such teams working on the Navajo reservation and elsewhere closer to home. And each year, he would join us at Annual Conference, his smile making us glad that he was one of us. We are going to miss that now.

We remember David Arthur Shaw III, veteran, scholar, leader, evangelist, and servant of Christ.

Mrs. Cara June Spooner

May 8, 1949 – April 4, 2015

In addition to being the wife of Charlie Spooner, Cara June Spooner was an expert at flower arranging, home economics, and throwing a dinner party.

She was born in El Paso to Charlotte and June Heidrich, later moving to Albuquerque. In the summer of 1967, Cara June spent 6 weeks

working at the Southside Settlement House in Columbus, OH, as part of the World Mission team of the National Methodist Youth. She was a member of Central Methodist Church at the time. She graduated from Del Norte High School in 1968, and then attended Texas Christian University in Fort Worth, TX.

She and Charles Spooner were married in August of 1969 at Trinity United Methodist Church. B. C. Goodwin presided over the ceremony.

Cara June went on to get her degree in Home Economics, and Charles went on to become a preacher. Their daughter, Cara, was born in 1983. Cara June already went by her middle name by then.

The appointments that Charles received took them to Mountainside; Elida; Hagerman; Ruidoso; Asbury, Odessa; Grace, El Paso; Raton; Trinity, Roswell; Vista Ysleta, El Paso; Wesley, Alamogordo; Tularosa; Iraan; and Marfa. June got used to all the moving, but decided early on that she wasn't cut out to be the "other employee." Instead she used her strengths to make her own unique contribution to the churches and communities where they were appointed.

One of the special events she helped create was a Valentine's Day Dinner. There was always some sort of theme and it was a grand affair that became a tradition at many of the churches that they served. In the larger communities like Odessa they hosted special gatherings of the United Methodist pastors as well, long remembered by those who attended.

Starting in 1981 she began joining the local Garden Club wherever they were, and she excelled at flower arranging. She went on to become a Certified National Garden Club Judge for flower shows, such as the one at the New Mexico State Fair.

She also became involved in a special conservation effort with kids, serving as the National Smokey Bear-Woodsy Owl Poster Chairperson for six years.

For a while they took care of Cara June's mother until she finally passed away.

Charles retired in 2008, but still served the Estancia/Mountainair charge for a while. June especially enjoyed these two small communities.

Her passing on April 4, 2015 was sudden and unexpected. Three preachers presided at the service on April 9th at Bethel United Methodist Church in Moriarty with others in attendance.

The sanctuary was filled to overflowing, and far from being a somber occasion there was much joy and a deep sense of peace as they celebrated her life. In her own special way she had touched many lives, bringing a little beauty and joy to them.

We remember now Cara June Spooner, housewife, hostess, and flower arranger, who made life a little better for Charles and so many others.

METHODIST EPISCOPAL CHURCH, SOUTH

Editorial Note: The first session of the General Conference of the Methodist Episcopal Church, South, was from May 1 to May 23, 1846, at Petersburg, Virginia. (War was declared on May 12.)

The 1854 General Conference placed that part of New Mexico west of the Continental Divide in the Pacific Conference. The portion east of the Divide was placed in the Kansas Mission Conference. In 1855 the Kansas Mission Conference listed Santa Fe in the Lecompton District, but no appointment was made. Santa Fe is not mentioned again until 1858, when it was "to be supplied."

On November 14, 1859, Bishop George F. Pierce, presiding over the Rio Grande Mission Conference (meeting at Goliad) included El Paso in the San Antonio District (Rev. Ivy H. Cox, presiding elder), and

Historical Records

appointed Rev. John L. Harper as pastor at El Paso. (He did not make a report to the Annual Conference of 1860.)

In 1866, New Mexico was placed in the St Louis Conference; in 1870, in the Kansas-Nebraska Conference; in 1874, in the Denver Conference.

From 1881 through 1889, three conferences were active in the area: (1) The Denver Conference in the territory of New Mexico; (2) the West Texas Conference, in the Texas portion; and (3) the Mexican Border Mission Conference, taking over from the West Texas Conference for two years. The following lists, therefore, recognize all of these conferences. (4) From 1890 through 1929, the churches in San Juan County of New Mexico were in the Denver Conference.

CONFERENCE STRUCTURE, PROCEDURES AND POLICIES

II. PROCEDURES FOR MEETINGS OF THE ANNUAL CONFERENCE

A. Guidelines for Resolutions and Petitions to the Annual Conference

1. In order to be included in the Pre-conference Journal, petitions, reports, and resolutions must be received electronically in the conference office by March 15.
2. To facilitate development of the annual conference agenda, no petitions will be accepted after the first day of May, except from committees, boards, or task forces of the annual conference.
3. The person, persons, or entity proposing a resolution or petition should be clearly identified in the document.
4. Resolutions and petitions should be clearly typed, with numbered lines and extra spaces to enhance legibility and facilitate referencing.
5. Petitions or resolutions not in the Pre-conference Journal will be considered by the Annual Conference only if (a) sufficient copies are available for distribution to each of the registered members of that session of the Annual Conference, and (b) an electronic version is provided to the Conference Secretary. If the presenter is unable to prepare the duplicates, the conference office will do so and bill the sponsor for costs.
6. Petitions or resolutions presented by boards, committees, or task forces of the annual conference during the conference session must be delivered to the designated assistant secretary before the beginning of the afternoon session of the second day of the conference. They will be numbered in the order in which they are received.

B. The Pre-conference Journal and Meetings

1. The Pre-conference Journal will be printed with numbered lines and pages.
2. The Pre-Conference Journal is to be available online to the lay and clergy members of the annual conference at least 30 days before the start of the Annual Conference Session.
3. Pre-conference orientation meetings shall be held no later than two weeks before the start of Annual Conference.

C. Rules of the Annual Conference

1. At the discretion of the presiding officer (of the annual conference or of legislative committees), a time for prayerful discernment may be taken during deliberations. Such a time should be for personal meditation and shall end at the call of the presiding officer.
2. Adjourn A motion for final adjournment of the annual conference shall be sine die and all unfinished business will remain unfinished.
3. Consent Calendar All items that do not require Annual Conference action will be placed on the consent calendar, established by the Annual Conference Planning Team. Legislation, reports, or resolutions that seek conference, district, or local church funding or that seek to amend the rules may not be placed on the Consent Calendar.
 - a) If the consent calendar is not a part of the Pre-Conference Journal, it will be presented on the first day of Annual Conference and, after laying on the table for 24 hours, will be acted on by motion of the Provost.

Conference Structure, Procedures and Policies

- b) Anyone may make a motion that an item be removed from the consent calendar when the consent calendar is presented by the Provost during the opening business session of Annual Conference.
 - c) Adoption of the Consent Calendar by vote of the conference shall be deemed action on all calendar items on the Consent Calendar.
 - d) Organizations, institutions and special interest groups included in the consent calendar will not be scheduled for live plenary time unless the annual conference planning committee extends a specific invitation or grants an exception; instead, such organizations are asked to develop video presentations of no more than 3 minutes in length. These videos will be shown throughout the Annual Conference at the discretion of those responsible for scheduling.
4. To ensure adequate understanding by conference delegates of any motion requiring conference, district, local church, or individual member funding or financing, the motion must be either in the Pre-conference Journal or brought to the floor of the annual conference session at least 12 hours prior to vote. The maker of the motion shall present a line item budget and identify a source of funding at the time the motion is made.
5. Legislative Committees RESERVED
6. Minority Reports RESERVED
7. Non-debatable Motions The following motions shall be acted upon in the conference or legislative committee without debate:
- a) To adjourn, except to adjourn the conference finally;
 - b) To suspend the rules;
 - c) To lay on the table;
 - d) To take from the table;
 - e) To call for the previous question (see rule 8);
 - f) To reconsider a non-debatable motion;
 - g) To limit or extend the limits of debate;
 - h) To take time for prayerful discernment.
8. Previous Question In debate before the annual conference or legislative committee, any member who moves the previous question shall indicate to what it is intended to apply, and if the mover of the motion does not indicate, it shall be taken to apply only to the immediately pending motion. The call for the previous question will be considered without debate and shall require a two-thirds vote of those present and voting for its adoption. If it is adopted, the motion or motions to which it applies shall be taken without further debate except that a final speech by the chair of the committee giving the report is always in order before the vote is taken.
9. Robert's Rules of Order In any parliamentary situation not covered by the Conference Rules, the Annual Conference may appeal to Robert's Rules of Order Newly Revised for guidance. It is preferred that main motions be prepared in writing and handed to the Conference Secretary when presented (particularly when long or complex); in accordance with Robert's Rules of Order, the chair may require that a main motion, or any other motion, be submitted in writing when presented.
10. Rules Changes Any proposed changes and additions to the Conference Rules shall be submitted in writing to the Conference Rules Committee and shall in turn be presented to a conference session at least 12 hours before a vote is taken on the

Conference Structure, Procedures and Policies

proposed change or addition. Any and all rules may be changed by a majority vote of the conference.

11. Second A report of a committee presented to the conference for action does not require the formality of a second.
12. Secondary Motions If any one or more of the following motions is made when another motion is pending, the order of their precedence in relation to one another shall be the same as the order of their listing below:
 - a) To fix the time of adjournment;
 - b) To adjourn;
 - c) To lay on the table;
 - d) To order the previous question;
 - e) To limit or extend the limits of debate
 - f) To postpone to a given time;
 - g) To commit or refer;
 - h) To amend or to amend by substitution.
13. Exceptions to Majority Vote
 - a) Twenty-percent (20%) of those present and voting shall be able to remove an item from the Consent Calendar for consideration by the body.
 - b) Two-thirds vote shall be required to suspend or amend the rules.
 - c) A call for the previous question is a motion to suspend the rules and therefore requires a two-thirds vote.
 - d) Any voting requirements established in The Book of Discipline take precedence over conference Rules (particularly with reference to conference relationships of clergy members).
14. Motion After a Speech No delegate, immediately after discussing a pending question and before relinquishing the floor, may make a motion which if adopted, would limit or stop debate.
15. Reports and Recommendations Each conference board, commission, or committee shall separate its report for the past year from its recommendations for the coming year, so that a vote for the acceptance of the report is not a vote for acceptance of the recommendations
16. Substitutions When a resolution or report is before the conference or legislative committee for consideration, a substitute motion may be offered by any member moving that the same be substituted for the report, resolution, or amendment under consideration.
 - a) The substitute shall be an alternative to what is before the house and not simply a negation of the main motion.
 - b) The question shall be put first on the motion to substitute, followed by the motion to adopt the report or resolution.
17. Tabling motions The motion to lay on the table carries with it all motions to which it adheres and all subsidiary motions that adhere to it.
18. Voting Only delegates within the bar of the conference or legislative committee when the vote is taken shall be entitled to vote. No delegate may cast a vote in place of another delegate. No other business shall be in order when a vote is being taken until the process is complete, except such as relates to the vote itself.
19. Voting from the platform Members of the annual conference who are seated on the platform or who are making a presentation to the conference shall be allowed to vote and shall be included in any counted votes taken. It is preferred that main

Conference Structure, Procedures and Policies

motions be prepared in writing and handed to the Conference Secretary when presented (particularly when long or complex); in accordance with Robert's Rules of Order, the chair may require that a main motion, or any other motion, be submitted in writing when presented.

Any material to be distributed by the conference pages shall first be authorized for distribution by the Conference Secretary or designee.

Among the membership of the committee shall be a member of the local Host Committee, the Conference Secretary or designee, and a member of the Conference Worship Committee. III. STRUCTURE OF THE ANNUAL CONFERENCE

- A. Organizational Structure of the Annual Conference.** The organizational structure of the New Mexico Annual Conference is governed by the current version of “The Book of Discipline of The United Methodist Church” (hereinafter “Discipline”). The conference structure is based on the Discipline, with the general framework and specific exceptions, as allowed by the Discipline, noted herein [¶604.1].
- B. Structure of Ministries and Administration.** The annual conference is responsible for structuring its ministries and administration in order to accomplish its purpose [¶601], with the exception of the mandated provisions of ¶¶ 611, 635, 636, 637, 639, 640, 647, 648. (See Appendix 1 for the New Mexico Annual Conference Structure Diagram)
1. In structuring its ministries and administration, the annual conference shall provide for the connectional relationship of the local church, district, and conference with the general agencies. It will monitor to ensure inclusiveness— racial, gender, age, and people with disabilities—in the annual conference. Nominations and assignments to all conference agencies shall comply with the requirements and guidelines outlined in the Discipline ¶¶610.1, 610.2, 610.3, 610.4, & 610.5 in addition to other requirements and guidelines in the Discipline.
 2. Every board, standing committee, commission, council, and work area of the annual conference shall designate one of its members as its coordinator of witness ministries. These persons shall help the groups of which they are members to engage in witness ministries and, in particular, to ask, “How are we intentionally reaching new people for Jesus Christ through our ministries?” and “How are we helping new people grow and mature as disciples of Jesus Christ through our ministries and areas of responsibility?” [¶610]
- C. Local Leadership of the Conference.** The local leadership of our conference is vested primarily in three offices – the Conference Lay Leader, the Bishop and the Provost/Director of Congregational Vitality.
- The Conference Lay Leader is elected for the quadrennium, and specifically serves the Laity of the conference to provide leadership and guidance. The Conference Lay Leader serves as Vice-Chair of the Conference Ministry Team (CMT) and serves on the Conference Board of Laity, and serves as a member of the conference committees on Nominations, Episcopacy, Annual Conference Planning, and may be designated by virtue of the office on any conference agency. The Conference Lay Leader relates to all organized lay groups in the conference. [The Lay Leader’s responsibilities are detailed in ¶607]
- a) The Conference Nominating Committee shall nominate the Conference Lay Leader. Nominations may be made from the conference floor. Should a vacancy

Conference Structure, Procedures and Policies

occur in the Conference Lay Leader position during the quadrennium, a temporary replacement shall be nominated by the Conference Nominating Committee and elected by the CMT to serve until the next session of the annual conference, at which time a lay leader will be elected as specified to complete the quadrennium.

2. The Bishop is assigned for the quadrennium, and provides ecclesiastical leadership for the clergy and laity. The Bishop presides at annual conference sessions, and serves in an ex officio capacity, except as noted in the Discipline, on any conference committee.
 3. The Provost/Director of Congregational Vitality is responsible for the daily operation of the conference in administration and fiscal activities, and in facilitating the connectional mission and ministry of the conference. This position combines the disciplinary responsibilities detailed in the Discipline, ¶¶608 and 619/619.2, specifically the Director of Connectional Ministries and the Director of Administrative Services.
 - a) The Provost/Director of Congregational Vitality or representative shall be an ex officio member without vote on the Conference Council on Finance and Administration [¶612.2(c)].
 - b) The Provost/Director of Congregational Vitality shall serve on the CMT as the Chair and serve the bishop and the annual conference as the administrative executive, responsible for coordination of all facets of the life and work of the annual conference at the direction of the bishop and the CMT. Those responsibilities include those charged by the Discipline to the director of the CMT [¶608]. They also include administrative liaison to boards and executive staff of The United Methodist Foundation, Camps Board, and Landsun Homes.
 - c) The Provost/Director of Congregational Vitality shall have supervisory responsibility of conference level staff [¶619.2].
 - d) The salary and other benefits shall be as provided by the Conference Council on Finance and Administration. The Director shall serve at the discretion of the Resident Bishop with review on an annual basis.
- D. Conference agencies** include all groups, teams, committees, commissions and boards. They are organized to serve the needs of this conference and meet the requirements as outlined in the Discipline [¶610.1].
1. Conference Ministry Team. The Conference Ministry Team (CMT) functions as the Conference Leadership Team.
 - a) The CMT shall consist of the Conference Lay Leader (as vice-chair), the District Lay Leaders, the District Superintendents, the Chairpersons of the Envisioning, Equipping and Engaging Teams, and the Provost/Director of Congregational Vitality (as chair). Ex officio members include: the Bishop and the Director of Communications. The CMT may designate functional responsibilities within the CMT as needed.
 - b) The CMT shall meet at least quarterly and as needed.
 - c) The CMT's purpose is to empower the annual conference by providing, coordinating, facilitating, prioritizing and aligning resources to facilitate the programmatic and administrative life of the Annual Conference toward making disciples of Jesus Christ for the transformation of the world.
 - d) The CMT will assign responsibilities and tasks to the agencies listed below in the organization of the conference structure. The CMT is charged with funding the

Conference Structure, Procedures and Policies

operations of conference agencies, in cooperation with the Conference Council of Finance and Administration, and with the approval of the session of the annual conference.

- e) The CMT may create task forces for limited time periods to address needs not specifically covered by the other agencies listed below. Task forces will automatically dissolve at the end of their designated period unless extended by the CMT or as may be otherwise limited by the Discipline.
- 2. Conference “E Teams.” The Conference “E-Teams” are comprised of the Envisioning, Equipping, and Engaging Ministry Teams. The Conference E-Teams report to the CMT through their respective chairpersons. Each E-Team Chairperson shall interpret the actions and direction of the CMT to their E-Team. The E-Teams are responsible for focusing and guiding the mission and ministry of the conference agencies of the United Methodist Church assisted by the CMT and the Provost/Director of Congregational Vitality [¶1608].
 - a) Envisioning Ministry Team shall envision the future of the New Mexico Annual Conference in fulfilling the mission of the Annual Conference in a continually changing world. Its task is to assist the New Mexico Annual Conference in setting clear direction for its ministries, plans, and resources.
 - 1) The Envisioning Ministry Team membership shall be composed of the designated Chairperson of the Envisioning Ministries Team and other members chosen by the presiding bishop based on their gifts in discernment and visioning.
 - 2) The Envisioning Ministry Team will meet as needed but at least twice each year.
 - b) Equipping Ministries Team shall equip local churches and their leaders with practical ways to make disciples of Jesus Christ for the transformation of the world.
 - 1) The Equipping Ministries Team’s membership shall be composed of the designated Chairperson of the Equipping Ministries Team and up to 11 more persons nominated for their passion in equipping ministries.
 - 2) The Equipping Ministry Team and its Related Ministries shall fulfill the Disciplinary requirements and functions for the following areas and the connection to general agencies for:

 - ¶1645. Conference Commission on the Small Membership Church *
 - ¶1649. Conference Council on Youth Ministry* ‡
 - ¶1650. Conference Council on Young-Adult Ministry* ‡
 - ¶1651. Conference Council on Older-Adult Ministries* ‡(*shared with Engaging; ‡ shared with Laity)
 - 3) The Equipping Ministry Team’s other related ministry areas include Children, Adults, Older Adults, Family, and Singles.
 - 4) Meeting of the Equipping Ministry Team will be held as needed but at least twice each year.

Conference Structure, Procedures and Policies

preceding their election and shall have been active participants in The United Methodist Church for at least four years next preceding their election. They shall be members of a church in the New Mexico Annual Conference at the time of their election. There is no age requirement for election. The lay delegates shall be elected by the lay members of the Annual Conference; clergy members may not vote for lay delegates. [Discipline ¶ 36]

3. **Qualification of Clergy Delegates:** Clergy delegates and their alternates shall be elected from the clergy members in full connection with the Annual Conference. The clergy delegates shall be elected by the clergy members who are deacons and elders in full connection, associate members, and those provisional members who have completed all of their educational requirements and local pastors who have completed course of study or an M. Div. degree and have served a minimum of two consecutive years under appointment immediately preceding the election. Affiliate clergy members and lay members may not vote for clergy delegates. [Discipline ¶ 35, ¶ 327.2, and ¶ 602(a), (b), (c), and (d), and as printed in the errata dated 11/01/2013, per Judicial Council decision #1181]

4. **Nomination:** no formal nomination is required. Any qualified person receiving votes is deemed nominated.

In advance of the Annual Conference session where lay delegates will be elected, the Conference/District Lay Leaders may request lay members interested in becoming a delegate to provide a notice of interest/qualification [in the form and content as established by that Lay Leadership of the Annual Conference] which shall be distributed to the Lay Members of the Annual Conference at or prior to the Annual Conference session for an election. At the Laity Meeting of that Conference session, the Conference Lay Leader may provide a scheduled introduction to the Laity of the Session of all lay members expressing an interest in becoming a delegate.

5. **Time of Election:** Election of delegates shall be at the session of the New Mexico Annual Conference held not more than two annual conference sessions before the calendar year preceding the session of the General Conference, and in conformance with Discipline ¶502.3. The determination of which Annual Conference Session the election will take place will be the responsibility of the Conference Ministry Team (CMT), with input from the current delegation.
6. **Vote Required for Election:** A delegate is elected upon receiving a number of votes equal to a simple majority of the ballots cast in that balloting round, counting only lay ballots toward a lay election and only eligible clergy ballots toward a clergy election. Ballot rounds will continue to be held at the session until the entire Delegation is elected.
7. **Order of Election:** The General Conference Delegates shall be elected first, then the Jurisdictional Delegates, and then the Alternate Delegates. When voting for Alternate Delegates, each ballot round will call for the total number of Alternate Delegates to be elected. For example, if electing three Alternate Delegates, the ballot may include up to three names.
8. **Order of the Day:** When a ballot round has been tallied and is presented to the Bishop, the reading of the ballot results and the next round of balloting shall be the order of the day.
9. **Casting Ballots:** Ballots shall be cast from within the bar of the conference session and during the time allotted by the Bishop.

Conference Structure, Procedures and Policies

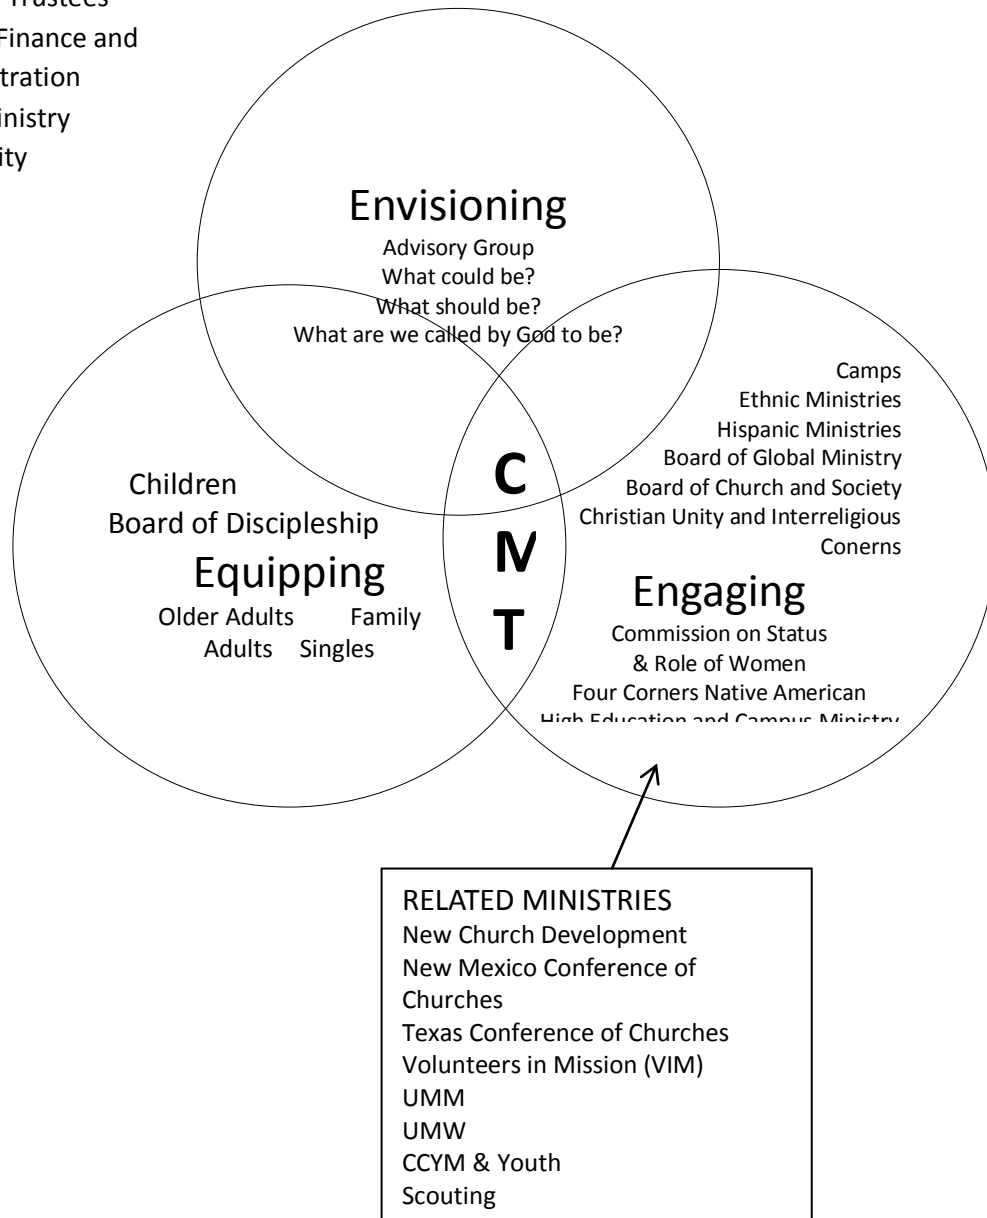

10. Official Ballots: Votes will be counted if cast using the official ballot book distributed at registration and if cast on the ballot page announced by the Bishop for that ballot round. Voting on a ballot page other than the page announced by the Bishop will result in that ballot being disqualified.

Members are responsible for ensuring they have been issued the appropriate lay or clergy ballot book at the time of registration. Members are advised to clearly identify their ballot book as their own. Members are further advised to begin using the numbered balloting pages as the ballots, and not the pages at the back of the ballot book provided to record ballot round results.
11. Form of Ballot: Members must vote for no more than the number of delegates or alternates to be elected in that round of balloting (i.e., if seeking to elect one delegate, only ballots with one vote for one name will be counted; if seeking to elect three alternates, only ballots with up to three different names on them will be counted.). Voting for more than the number to be elected on that round of balloting (or voting for the same name multiple times) will result in that ballot being disqualified. Voting for the maximum number of different names at each round of balloting will shorten the time required to elect alternates.
12. Lay Member Alternates: If a lay member is going to be absent from the floor, the lay member may entrust his or her Ballot Book to an official alternate from the lay member's church. Alternates may vote if they have the Official Ballot Book in hand at the time of the vote of a ballot round. There are no alternates for clergy members.
13. What is in Order During Balloting: After the Bishop has read the results of a ballot and before the next round of balloting is announced, the following two matters may be raised from the floor:
 - a) Questions regarding the voting and election process; and
 - b) Statements by persons receiving votes who wish to decline election.
14. Displaying of Election Results: Results of a ballot shall be displayed on the multimedia screens only upon the direction of the Bishop.
15. Decorum: No campaign speeches for or by any candidate may be offered from the floor of the Conference Meeting.
16. Legibility and Discernibility of Ballots: Tellers will count all votes that are legible and discernable as to the intent of the voter. The Head Teller, the appointed Rules Committee Member, and the Conference Secretary shall be the final arbiters of the discernibility of a ballot.
17. Distribution of Additional Ballots: In the event all ballots in the Official Ballot Books are used, new ballots will be distributed to those possessing used Ballot Books.

b) Board Incorporation

- 1) The New Mexico Conference Board of Pension and Health Benefits, Inc. is a non-profit New Mexico Corporation with its principal offices in the Offices of the New Mexico Annual Conference Council on Ministries, Albuquerque, New Mexico. It is thus entitled to receive, devise and bequeath gifts consisting of cash, wills or property. The New Mexico Annual Conference Board of Pensions and Health Benefits feels that this is the best approach to manage its funds in a prudent fashion.

c) Goals and Implementation

The primary goal of the New Mexico Conference Board of Pension and Health Benefits is to help provide and administer benefits for clergy and lay employees of the church that allow them to serve with security and retire with dignity.

- 1) Active Clergy Benefits - The Conference Board utilizes the following pension and welfare plans for active clergy:
 - (a) Supplement One to the Clergy Retirement Security Program provides pension benefits for clergy with service years prior to 1982. This is a defined benefit plan.
 - (b) The Clergy Retirement Security Program (CRSP) is a mandatory plan with the General Board of Pension and Health Benefits. This plan has both a defined contribution component and a defined benefit component and is for clergy with service years after December 31, 2006. CRSP replaced the Ministerial Pension Plan (MPP) for clergy with service years after 1981 and before 2007. Funds invested in MPP continue to earn income but no new contributions are being received.

Conference Structure, Procedures and Policies

Due to General Conference 2012 legislation, new provisions for the CRSP were enacted January 1, 2014. Those changes are as follows: only clergy appointed half-time or greater are eligible to earn benefits in the CRSP; and clergy appointed one-quarter time are no longer eligible to earn CRSP benefits, but will be enrolled in the United Methodist Pension Plan (UMPIP)

- (c) The United Methodist Personal Investment Plan (UMPIP) is a plan provided by the General Board of Pension and Health Benefits for personal pension contributions from active clergy. This plan is governed by section 403(b) of the Internal Revenue Code. Contributions are allowed by payroll deduction only. The salary-paying unit must send the personal contribution to the General Board of Pension and Health Benefits. Contributions may be tax-paid or, by meeting provisions of the plan, tax-deferred. Maximum allowable contributions are established by federal law.
- (d) The Comprehensive Protection Plan (CPP) is a mandatory benefits plan that provides death and disability benefits for United Methodist clergy and families, as well as annuity benefits for surviving spouses and educational benefits for surviving children. The benefits and cost are established every four years by General Conference and administered by the General Board of Pension and Health Benefits. Disability coverage with CPP provides 70% of plan compensation, capped at 200% of the Denominational Average Compensation, with Social Security disability approval assumed and benefits offset. A full schedule of current benefits provided by the CPP is available in the Conference Benefits Office.

Due to General Conference 2012 legislation, numerous changes were made to the CPP in both the death benefits payable and the revisions to the disability benefits. A full schedule of current benefits provided by the CPP is available in the Conference Benefits Office.

- (e) *UMLifeOptions* Clergy Supplemental Life Insurance is a supplemental plan sponsored by the New Mexico Annual Conference through the General Board of Pension and Health Benefits. This plan provides a life insurance benefit to active clergy serving at 75% or greater (if eligible for and enrolled in the CPP), their spouses, and retired clergy. This death benefit is in addition to that already provided through the CPP. Clergy serving at 75% or greater that participate in the CPP are automatically enrolled in this plan upon appointment. A full schedule of current benefits provided by the CPP is available in the Conference Benefits Office.
- (f) A medical insurance plan for active clergy and lay employees, as selected by the Conference Board. Since 2000, we have been insured with HealthFlex, a program established and administered by the General Board of Pension and Health Benefits for United Methodist clergy, lay employees, and their families.

Conference Structure, Procedures and Policies

The Annual Conference shall not be responsible for benefits that would have come from Social Security or Medicare, whether for retirement benefits, disability benefits, or medical insurance in retirement.

Conference Structure, Procedures and Policies

- 3) Retired Clergy Benefits
 - (a) Life Insurance: The annual conference shall pay the retirees' portion of *UMLifeOptions*, supplemental life insurance underwritten by Unum. (See General Insurance Policies Section below for CPP and 'UMLifeOptions Schedule of Benefits for 2015' for amounts of death benefits.)
 - (b) Health Insurance for Retirees:
 - (1) The New Mexico Conference's unfunded liability for retiree health care benefits as of our latest actuarial evaluation on December 31, 2012 is \$11,340,713. In an effort to provide health care benefits for the conference's retirees well into the future, the conference must continue to look at a variety of methods to manage this liability. Those clergy persons considering retirement are encouraged to check with the Conference Benefits Office to verify benefits available in retirement, and the associated cost of those benefits.
 - (2) Since January 1, 2012, the New Mexico Annual Conference in connection with the General Board has utilized the private Medicare-exchange, OneExchange, previously known as Extend Health, to provide a choice of Medicare Supplement and Medicare Advantage health insurance plans for the Conference's current and future Medicare-eligible retirees. These plans will be combined with an individual Health Reimbursement Account (HRA) for each retiree and spouse, as applicable. (Retirees who are under age 65 and not Medicare-eligible, must be maintained in the active plan. See following section.)
 - (3) The NMAC currently funds the HRA within the plan chosen by the retiree at a maximum of \$250/month, or \$3,000/year, with which the retiree may choose to pay health care premiums and other health-related expenses. This amount will be calculated based on years of service within the NMAC/NWTX Episcopal Area, and may be funded on a year by year basis as long as financially feasible.

Conference Structure, Procedures and Policies

- (4) For those clergy with fewer than 20 years of service in the NMAC, a percentage of the full fixed amount will be paid into their HRA account according to the following chart:

- (6) Upon attaining Medicare eligibility the retiree who has opted out of the conference insurance may opt back into the health insurance program in place at that time for Medicare eligible retired clergy. However, if they do opt back into the health insurance they will not receive any conference contribution to help offset the cost of the supplemental coverage.
- (7) For clergy with pre-1982 denominational service years, the annual conference shall grant a 5% per pre-1982 service year credit toward the “actives” premium cost difference, until Medicare eligibility age is reached.
- (8) The amount of medical insurance paid for retiring clergy shall also apply to the clergy person’s spouse, surviving spouse, or dependent children.
- (9) When the surviving spouse (under age 65) of a minister who was a member of the conference medical insurance program remarries, he/she is no longer eligible for insurance under the conference plan. When the surviving spouse becomes 65, even if remarried, he/she again becomes eligible for the conference Medicare supplemental insurance plan.

Conference Structure, Procedures and Policies

- (10) The annual conference shall pay the medical insurance premium for dependent children of deceased ministerial members of the Annual Conference, with no relation to the surviving spouse's marital status.
- (c) The conference Board of Pension and Health Benefits shall conduct an annual actuarial study of the annual conference's Post-Retirement Medical Liability.
- 4) Lay Employee Benefits - The Board offers the following plans for lay employees of the conference, its local churches or agencies, at the discretion of their employing church or agency:
 - (a) The United Methodist Personal Investment Plan (UMPIP) is a pension plan for lay employees of the United Methodist Church, administered by the General Board of Pension and Health Benefits. Local churches may elect to adopt this plan to provide a pension benefit for their lay employees.
 - (b) The conference health care program may be adopted for lay employees of the conference, church or agency.
 - (c) *UMLifeOptions* Long-Term Disability and Life Insurance is available for lay employees through the General Board of Pension & Health Benefits. Local churches may elect to adopt this plan to provide a life insurance benefit, disability income protection, or both, for their lay employees. Local churches can contact the New Mexico Conference Office if they are interested in sponsoring this plan.
- d) Method of Funding and Funding Plans

The 2012 Book of Discipline ¶ 1506.6 requires that each annual conference develop, adopt and implement a formal comprehensive funding plan for funding all of its benefit obligations. The funding plan shall be submitted annually to the General Board of Pension and Health benefits for review and be approved annually by the annual conference, following the receipt and inclusion of a favorable written opinion from the General Board of Pension and Health Benefits (GBOPHB). This summary document is only a portion of the information contained in the actual signed funding plan. As such, it might not contain all the information required for a comprehensive view of the benefit obligations of the conference. Upon receipt of a favorable opinion, the full 2016 comprehensive benefit funding plan report will be posted on the New Mexico Annual Conference website. Copies will also be available upon request from the Benefits Office.

Following is the summary of the Comprehensive Benefit Funding Plan (CBFP) as submitted to GBOPHB for the 2016 conference benefit obligations:

- 1) Clergy Retirement Security Program (CRSP) Defined Benefit (DB) and Defined Contribution (DC)

Plan Overview: The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The CRSP replaced the Ministerial Pension Plan (MPP)

Conference Structure, Procedures and Policies

effective January 1, 2007, which replaced the Pre-82 for service rendered prior to January 1, 1982

CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to the Church, and a defined contribution (DC) plan, which provides a retirement account balance established and funded by annual conferences. The Clergy Retirement Security Program (CRSP-DB) annuities total liability as of January 1, 2014 is \$1.1 billion, while total plan assets are \$1.27 billion resulting in a current plan funded ratio of 115%. The New Mexico Conference portion of the liability is .54% and the 2016 contribution is \$522,187. The conference funds this through Direct Billing to the local churches. Additionally, General Conference 2012 approved a change to CRSP that provides each annual conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The New Mexico Annual Conference has elected to cover clergy serving 50%+ under CRSP effective January 1, 2015.

Effective January 1, 2014 CRSP-DC plan was reduced from a 3% to a 2% of plan compensation non-matching contribution. Clergy earn up to an additional 1% CRSP DC contribution by contributing at least 1% of their plan compensation to UMPIP. Therefore if a participant contributes at least 1% of plan compensation to UMPIP, the individual will receive a contribution of 3%, which is unchanged from 2013 and prior. The 2014 CRSP-DC contribution was \$125,000 funded by Direct Billing to local churches at 3% of plan compensation for each clergy in the plan, regardless of clergy person's participation in the UMPIP. It is anticipated the contribution for 2016 will be \$132,000 and that increases for future years will average 3.00%, due to historic annual compensation increases for most clergy participants.

2) Ministerial Pension Plan (MPP)

Plan Overview: The Ministerial Pension Plan (MPP) provides clergy with a pension for their years of ministry with The United Methodist Church from 1982 through 2006.

The Ministerial Pension Plan (MPP) annuities total liability as of January 1, 2014 is \$3 billion, while total plan assets are \$3.3 billion resulting in a current plan funded ratio of 111% and no required contribution for 2016. The New Mexico Conference's portion of the total liability is .71%. Future MPP annuitants have a total account balance of \$4.3 billion and the New Mexico Conference's portion of that balance is \$26.5 million.

3) Pre-1982 Plan

Plan Overview: Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982.

Conference Structure, Procedures and Policies

The 2016 Past Service Rate (PSR) recommended to the New Mexico Annual Conference will be \$641.00 representing a 3.1% increase from the 2015 rate. Based on the final actuarial valuations from the General Board of Pensions and Health Benefits as of January 1, 2014 for 2016, the portion of the Pre-82 liability attributable to the New Mexico Conference and funded status is as follows:

2016 Estimated Actuarial Valuation

Past Service Rate	\$641.00
Assets in the Plan	\$18,228,167
Funding Plan Liability	\$14,367,479
Funded status	\$3,860,688
Funded Ratio	127%

The conference expects future increases to be approximately 3.00%; however, future increases to the PSR for NMAC will only be made if the funded ratio can be maintained between 118%-120%.

The funded ratio is recalculated each year based on economic and demographic changes. These changes create the possibility that Pre-82 contributions may be required at a future date (even after 2021).

The contingent annuitant percentage shall remain at the 100% level.

Given the funded status of the Pre-82 Plan for the New Mexico Conference, the Conference Board of Pensions (CBOP) intends to redirect Pre-82 assets in the amount of \$522,187 on 12/31/15 to pay current CRSP obligation. The NMBOPHB direct bills local churches for CRSP DB and deposits collected amounts in a designated New Mexico Foundation account. The Board plans to continue this redirection until such time that Foundation account grows to satisfy several years' worth of required contributions. The Board recognizes that any redirection of pre-82 surplus increases the probability of required contributions to the plan in the future. For this reason, any decisions for redirection will be made on a year-by-year basis.

The New Mexico Conference Board of Pension and Health Benefits will continue to monitor its funding plans and study options that reflect its desired long-term strategy and focus. Restricting PSR increases is part of the overall funding strategy to protect the plan and conference from possible unfunded liabilities.

4) Active Health Benefit Program

Plan Overview: The New Mexico Conference offers a health insurance program to its active participants.

Conference Structure, Procedures and Policies

During the 2014 year, the total cost of the program was \$1,820,000 and is projected to be \$1,950,000 for 2015. This is funded by Direct Billing of actual premiums to churches for actives, plus use of Shared Ministries funds for pre-Medicare eligible retirees and those pre-Medicare eligible clergy on CPP disability. The projected average increase for future years is expected to be 5-8%, due to historical averaged annual HealthFlex increases.

5) Post-Retirement Medical Benefit Program (PRM)

Plan Overview: The New Mexico Conference post-retiree medical insurance program is currently offered through OneExchange (previously Extend Health).

The current annual cost is anticipated to be \$500,000 with the funding sources to be through Shared Ministries and special funds in Foundation Accounts. A health reimbursement account (HRA) is established for each retired participant at a specified rate based on years of service. The Board does not anticipate raising the current HRA levels for at least the next 3-5 years.

Based on the most recent PRM valuation dated 12/31/2012, following is the funded position of the post-retiree medical benefits:

Accumulated Post Retirement Obligation (APBO) or net conference cost:

\$11,340,713

Expected Post Retirement Obligation (EPBO) or net conference cost:

\$13,192,784

Service Cost (SC) or net conference cost: \$227,775

These values are based on 3.50% long term discount rate, 3.50% long-term expected return, and a current increase trend of 8.00% decreasing to 5.00% by 2019.

6) Comprehensive Protection Plan (CPP)

Plan Overview: The Comprehensive Protection Plan (CPP) provides death, long-term disability and other welfare benefits for eligible clergy of The United Methodist Church and their families.

For 2014 the New Mexico Conference's required contribution to the Comprehensive Protection Plan was \$195,250, and was funded by Direct Billing to local churches as well as through Shared Ministries for those on disability. The 2015 required contribution is projected to be \$201,100. Direct billing will continue for 2016.

7) United Methodist Personal Investment Plan (UMPIP) for Lay and Clergy

Plan Overview: The United Methodist Personal Investment Plan (UMPIP) is an Internal Revenue Code section 403(b) defined contribution retirement savings plan for clergy and lay employees of The United Methodist Church and affiliated organizations.

Conference Structure, Procedures and Policies

Conference office lay employees working an average of 20 hours per week or more are eligible after 3 months for a pension contribution of 5% of salary provided the employee contributes at least 2% of his/her compensation. The estimated contribution for the New Mexico Conference for 2016 is anticipated to be \$10,500 and funded through Shared Ministries.

As of January 1, 2014, the New Mexico Conference sponsors UMPIP for clergy serving less than half-time. These clergy are eligible for a pension contribution of 12% of compensation. The estimated contribution for the New Mexico Conference for 2016 is anticipated to be \$1,950 and is funded through Direct Billing to local churches.

8) Other Conference Defined Contribution Obligations

Plan Overview: The New Mexico Conference currently offers UMLifeOptions for Active Clergy and Spouses (supplemental life insurance). The contribution for 2016 is anticipated to be approximately \$24,700, and funded by direct billing to churches. No increases in rates have occurred since adoption of plan in 2009. As this is a supplemental benefit, the conference will no longer sponsor the plan should there be a substantial increase in premiums.

Plan Overview: The New Mexico Conference currently offers UMLifeOptions for Retired Clergy only (supplemental life insurance). The contribution for 2016 is anticipated to be \$22,000 and special offerings. No increases in rates have occurred since adoption of plan in 2009. As this is a supplemental benefit, the conference will no longer sponsor the plan should there be a substantial increase in premiums.

Plan Overview: The New Mexico Conference currently offers Grants to Retirees (includes Farmer Fund match where applicable). These are specified one-time amounts based on need. The contribution for 2016 is anticipated to be \$4,000, and funded by designated funds held by NMBOPHB at the Foundation. The anticipated average increase in future years is expected to be .00% per year due to historic minimal requests for assistance.

9) Other Conference Defined Benefit Obligations

Plan Overview: Benefit Support for clergy appointed to churches that were welcomed from the Rio Grande Conference, as well as clergy appointed to new church starts will be funded by the New Mexico Board of Pension and Health Benefits for years 2015 through 2019. This support will be funded on a sliding scale until 2019, when these churches are to be fully self-supporting in terms of benefits for their clergy. The contribution for 2016 is anticipated to be approximately \$150,000, and funded by a designated investment fund, "Benefits Support," held at GBOPHB .

10) Conclusion:

The 2016 Comprehensive Benefit Funding Plan and the above outlined Summary document incorporates to the best of our understanding the New

Conference Structure, Procedures and Policies

Mexico Conference's obligations and funding requirements of the benefits provided to the Clergy and Laity of the New Mexico Conference.

 - (b) For those clergy persons approved for disability through CPP on or after January 1, 2012, the annual conference shall pay 100% of the single medical insurance premium through the budget of the Board of Pension and Health Benefits for the clergy person for as long as he/she remains on CPP-disability. If the clergy person wishes to provide coverage for his/her spouse (and children, if applicable), the annual conference shall pay the medical insurance premium for family coverage at 100% for the first year of CPP disability (for twelve months from date of CPP disability), and 50% for the second year of CPP disability (beginning with the thirteenth month from the start date of CPP disability), with the clergy person paying the remaining 50% of the premium costs associated with family coverage. - 8) The Board of Pension and Health Benefits is committed to providing insurance coverage as a part of the covenant between Annual Conference and clergy. However, the Board of Pension and Health Benefits may, in consultation with the Bishop and Cabinet, cancel insurance coverage for non-payment of premiums after three months of non-payment.
- f) **Support Funds**
 - 1) Grant monies may be available to clergy from the conference board's Consolidated Grant Fund, as well as other available sources.  - 2) The Board of Pension and Health Benefits shall review benefit plans, adoption agreements, and coverage at least every three years.
 - 3) Active clergy on Medicare (those age 65 and over), appointed to full-time service within the annual conference, are required to give written notification of their employment status to the Board. The church must turn in to the CBO a Small Employer Exception form in order for Medicare to be primary, otherwise Medicare will be secondary and the regular HealthFlex premium will be due rather than the current retiree health reimbursement amount.

Conference Structure, Procedures and Policies

- 4) The benefits and agreements regarding the conference health care program are subject to change by any Annual Conference and are not guarantees of future benefits.
 - 5) Between sessions of the Annual Conference, the Board of Pension and Health Benefits may make and implement decisions necessary for maintaining the integrity of the health care program as approved by Annual Conference. Such decisions shall be reported to the Bishop, Cabinet, Council on Finance and Administration, and Board of Ordained Ministry, and to the subsequent Annual Conference session.
 - 6) The Conference Benefits Officer shall administer the conference health care program, which shall include handling enrollment, monitoring eligibility, maintaining accurate records for insurance purposes, maintaining records of medical reimbursement accounts through HealthFlex, sending bills and receiving payments through the direct billing program, and (in conjunction with the conference Treasurer) make premium payments in a timely fashion.

 - c) Rental/ Housing Allowances for Retired Ministers
 - 1) An amount equal to 100% of the pension or disability payments received from plans authorized under The Book of Discipline of the United Methodist Church (the "Discipline"), which includes all such payments from the General Board of Pension and Health Benefits ("GBOPHB"), during the year 2016 by each retired or disabled clergyperson who is or was a member of the conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such clergyperson.
 - 2) The pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline, that result from any service a Clergyperson rendered to this conference or that a retired or disabled clergyperson of this conference rendered to any local church, annual conference of the church, general agency of the church, other institution of the church, former denomination that is now a part of the church, or any other employer that employed the clergyperson to perform services related to the ministry of the church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such retired or disabled clergyperson's pension or disability as part of his or her gross compensation.
 - 3) NOTE: The rental/housing allowance that may be excluded from a clergyperson's gross income in any year for federal income tax purposes is limited under Internal Revenue Code Section 107(2) and regulations there under to the least of: (1) the amount of the rental/housing allowance designated by the clergyperson's employer or other appropriate body of the church (such as this conference in the foregoing resolutions) for such year; (2) the amount actually expended by the clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

Conference Structure, Procedures and Policies

2. Policies and Procedures

a) Procedures for Requesting and Payment of CEC Funds

- 1) Money from all sources (except CEC funds) to be applied to the pastor's compensation and travel shall be totaled. When the amount is less than the amount set for the base compensation for the pastor's category, the district superintendent shall work with the church or charge to plan for the pastoral support from the CEC under the guidelines for Mission Pastoral Assistance, Base Compensation Assistance, or short term Special Pastoral Assistance.
- 2) Requests for CEC support shall be made for a 12-month period beginning January 1 and concluding December 31 of the same calendar year. Requests for funding for the remainder of a year can be made at such time as the pastor's compensation may be adjusted by charge conference action, by change of appointment, or by other conditions.
- 3) Payment from the basic compensation funds shall be made by the conference treasurer after receiving both a written request from the district superintendent and written approval by the CEC chairperson. The conference treasurer shall mail the monthly checks directly to pastors so that they are received by the end of the month for services rendered. Payments for travel, housing, insurance or pension support shall be paid to the responsible agency or charge as directed by the CEC, in consultation with the district superintendent.
- 4) The pension obligation due on the amount of the compensation paid by the CEC fund shall be the responsibility of the CEC and shall include the adjustment for housing on that amount of compensation.
- 5) In some instances, for missional reasons, consideration may be given to make funds available for the deacon in full connection when the primary appointment is to a local church. Salary shall not be less than the minimum compensation established for elders.
- 6) A retired ordained minister appointed to a pastoral charge shall not have a claim upon minimum compensation from the Commission on Equitable Compensation.

b) Types of Pastoral Assistance Available Through CEC

- 1) Mission Pastoral Assistance: Mission pastoral support is provided for churches or charges in communities that in the judgment of the local church leaders, the district superintendent and the cabinet offer little potential at present for numerical growth and self-support for the church. The intent

Conference Structure, Procedures and Policies

for CEC pastoral support is to free up the church for ministry in the community. Attempts will be made to strengthen the self support potential of the charge by combining with nearby churches, joining other community groups or by developing new ministries to reach unchurched groups in the community prior to requesting this status. The church may be designated a mission charge if it is deemed important to continue a United Methodist presence in the community.

- (a) In order to support the unique ethnic diversity in the New Mexico Annual Conference a mission charge/church is eligible to receive up to 100% compensation upon recommendation of the District Superintendents and the Bishop if a conference related pastor is assigned to the church or charge. The cabinet is asked to consider the possibility that the church could be served by a less than full-time pastor to provide the pastoral leadership needed at the most basic level possible. Travel between two or more churches on a mission charge will be provided at the CEC rate as per agreement between the district superintendent and the CEC.
 - (b) Assignment of mission charge status indicates that self-sufficiency is not possible at this time. This status must be reviewed annually. The district superintendent will be asked each year to reapply for this status for the charge and to give cause why this charge should be continued as a mission charge.
- 2) Base Compensation Pastoral Assistance: A base compensation church or charge is one that regularly provides no more than the base compensation for its pastor and that needs assistance in providing that compensation. It is a church or charge perceived to have potential toward self-sufficiency and to provide a valuable and growing ministry in its community. It is expected that most of the charges receiving CEC compensation supplements will be base compensation charges. The process for providing assistance will be as follows:
- (a) Each church or charge applying for base compensation support will apply for a five-year term. The initial application will follow a formulation by the church of a specific five-year plan for growth in several areas of its life. The formulation will come as a result of a consultation process between the church or charge, the district superintendent and the CEC. The five-year plan should address whatever needs the church or charge sees as important but must address the areas of evangelism and stewardship.
 - (b) The five-year plan will become the vehicle for accountability. Each church or charge will be asked to make a brief annual report of their progress toward the five-year goals and any intermediate goals they may have set. The plan may be altered only by permission of the CEC requested through the district superintendent.
 - (c) The funding request for each year will be part of the church/charge budgeting process based upon the church/charge's five-year commitment. Compensation supplement requests from the church/charge will be made in writing to the district superintendent, who will present the requests to the CEC.

Conference Structure, Procedures and Policies

- (d) With any change of pastoral appointment, it is the responsibility of the district superintendent to instruct the new pastor about the church/charge's plan and the process by which funding will be continued.
 - (e) During the last year of a five-year plan, the district superintendent will institute a thorough review and evaluation of the church/charge. One or more members of the CEC shall be included in the review process by whatever means is agreed upon by the CEC member(s) and the district superintendent. This process may differ from church to church to meet the needs of the church, the district superintendent and the CEC.
 - (f) If a charge cannot become self-sufficient after five years, the district superintendent will help the charge plan for ministry by the use of less than full-time pastoral support, combination of charges, or other alternative means.
 - (g) As a general rule, base compensation churches/charges will be responsible for 70% of the base compensation and CEC will be responsible for no more than 30%. Exceptions may be made to this policy upon recommendation from the District Superintendents and the Bishop in the consultation with the Commission of Equitable Compensation. Travel assistance between two or more churches in one charge will continue to be available, however, the mileage rate will be based on the mileage formula as set by the Annual Conference for travel expenses for conference boards and agencies within the Annual Conference (currently \$0.30 per mile). A church planning toward self-support should consider the responsibility of travel as well as compensation.
 - (h) Churches/Charges receiving "travel only" support must be placed in one of the three categories. The process for receiving travel support will be the same as receiving compensation support for that category. In exceptional cases, the CEC may grant one year of travel assistance on request of the district superintendent while the church/charge enters the appropriate process to request further assistance.
- 3) Short Term Special Pastoral Assistance: A church may need short term compensation assistance to accomplish a particular task related to expansion of its ministry. This may include the addition of a new outreach ministry of a revitalization project, establishing or strengthening an ethnic minority congregation, or adding a second congregation in an outlying area or other growth related projects; or a church may occasionally need to correct an inequality in a compensation package. The CEC can help fund a limited number of such projects and consideration of other sources of funds must precede requests for CEC funding.
- (a) This is basically a grant for a specific project. Application for such assistance should be made for the church through the district superintendent. The goals for the project must be stated clearly. Assistance will be granted for a specific time not to exceed five years, and provided on a decreasing scale, and will not be renewable. The terms for the amount of assistance for each year of the plan will be agreed upon at the beginning of the project.

Conference Structure, Procedures and Policies

- (b) The compensation need not be limited to the base level, however the maximum amount that can be granted from the CEC in the first year of the project will be 50% of the base compensation for the pastor appointed to the church/charge. Written application to the CEC must be made by the district superintendent and approval must be granted before appointments are made based upon these funds because of the limited availability of funds.
- c) Basic Compensation and Travel Levels for Established Churches
 - 1) Any monies paid the pastor by the local church/charge above or in addition to compensation and travel shall be excluded from basic compensation as computed in Section A. Churches are encouraged to not pay the pastor's portion of monthly insurance premiums.
 - 2) On charges of two or more churches, funds may be requested for travel expenses by the district superintendent according to the mileage formula as set by the Annual Conference for travel expensed for boards and agencies within the Annual Conference (currently \$0.30).
 - (a) Reimbursement for travel between churches on a charge is to be considered over and above the amount requested for basic compensation support.
 - (b) The maximum allowable to any charge under this provision is the total of the pastor's basic compensation plus the mileage formula agreed upon by the district superintendent and the CEC. The CEC will be responsible only for the amount of the total, which is not paid by all other sources.
- d) CEC Loan Fund to assist Ministers Moving Within the Conference
 - 1) The CEC maintains a loan fund for the purpose of providing loans up to \$400.00 to assist pastors of the New Mexico Annual Conference who are moving from one charge to another within the bounds of the conference and who are not eligible for moving grants.
 - 2) Loans are to be repaid within the conference year in which the loan was granted unless special arrangements are made with the approval of the CEC chairperson and on the following basis:
 - (a) Monthly payments to complete repayment by the end of the conference year, or
 - (b) Four equal payments at the end of each three-month period, or
 - (c) Lump sum payment at any time during the conference year.
 - 3) Applications for loans are secured from the CEC staff person in the Conference office. Upon approval of the receiving district superintendent and completion of a note, properly executed, the conference treasurer will issue a check to the pastor in the amount of the note.
 - 4) These funds are administered by the CEC with the conference treasurer receiving all payments.
- e) Assistance with Moving Expenses
 - 1) The CEC is prepared to provide grants for moving expenses for:
 - (a) Seminary students returning or transferring to the New Mexico Annual Conference.
 - (b) Pastors moving within the CEC churches.

Conference Structure, Procedures and Policies

- (c) Pastors transferring into the New Mexico Annual Conference by appointment to CEC churches.
 - (d) Other special need with prior approval of the district superintendent and the CEC.
 - 2) Reimbursement for moving expenses as described above shall be based on \$1.50 per mile or actual receipted expenses, whichever is less, minus any amount received from other sources for moving expenses above the actual cost of the move. Expenses may include truck or trailer rental, motels, meals, and gas. All reimbursement requests are to be calculated on the basis of the most direct route.
 - 3) Application for moving grants should be made through the receiving district superintendent for approval by the CEC.
 - f) Arrearage Policy
 - 1) In the event that the local Church Treasurer becomes aware that the church will be unable to provide to the Pastor full payment of a regularly scheduled payroll or housing allowance installment, or to remit to the Conference Treasurer full payment for regular direct billed benefit payments such as pension and health care, the Church Treasurer shall immediately notify both verbally (within 24 hours) and in writing (within 3 days) the Pastor, the Lay Leader, and the Chairs of the Staff/Pastor Parish Relations Committee (S/PPRC), Finance, Trustees, and the Administrative/Church Council of the impending arrearage. Upon receipt of such notice, the Chair of S/PPRC and/or the Pastor shall immediately (within 3 days) notify the District Superintendent of the impending arrearage. It is the Pastor's responsibility to keep copies of all such written notifications, and to provide additional written confirmation to the District Superintendent when an arrearage has taken place. Failure to document salary or benefit arrearages may result in a loss of compensation and/or forfeiture of pension and benefits.
 - 2) Upon receipt of notice of a pending arrearage, the Chair of S/PPRC shall immediately (within 24 hours) call a meeting of the Pastor, the Lay leader, and Chairs of Finance, Trustees, and the Administrative/Church Council to discuss the financial situation and seek remedies to prevent an arrearage from occurring. Such remedies may include:
 - (a) drawing from invested funds, including short-term borrowing from designated funds,
 - (b) an emergency appeal for special giving from congregation,
 - (c) emergency grants or loans from the District or Conference.
- In accordance with *The Book of Discipline* ¶ 624, such remedies cannot include a reduction in the Pastor's full compensation until the beginning of the next Conference year.
- 3) If, after consultation among the Lay Leader and Chairs of S/PPRC, Finance, Trustees, and the Administrative/Church Council, it becomes apparent that the church may be facing a long term financial crisis, the Chair of S/PPRC shall notify in writing the Pastor and the District Superintendent that:
 - (a) an Equitable Compensation Subsidy Grant may be necessary to maintain compensation for the remainder of the Conference year, or
 - (b) a change in pastoral compensation or appointment may be necessary at the beginning of the following Conference year.

Conference Structure, Procedures and Policies

- 4) If the local church becomes delinquent in the Pastor's compensation (i.e. more than 30 days delinquent), then the District Superintendent shall notify the Commission on Equitable Compensation (CEC), which on its own initiative may do any or all of the following, but not limited to:
 - (a) sending a representative from CEC to meet with the local church and Pastor to seek resolution of the issue,
 - (b) developing with the local church a payment plan so that the Pastor receives full payment of compensation by the end of the Conference year.

The District Superintendent shall be invited to participate in this CEC process.

- 5) If the local church is already receiving a subsidy grant from the Commission on Equitable Compensation, the CEC may also:
 - (a) Determine if all subsidy grant funds allocated to the church were used to pay the Pastor's salary,
 - (b) Examine the original subsidy grant application to determine if the amount requested to meet minimum compensation was reduced,
 - (c) Require an outside audit of all church funds in compliance with GCFA Guidelines (www.gcfa.com),
 - (d) Notify the District Superintendent of its findings and recommendations in writing.
- 6) If a local church becomes delinquent in the payment of the Pastor's direct billed pension and benefits (i.e. more than 90 days delinquent), then the Conference Benefits Officer shall notify the Conference Treasurer, the District Superintendent, and the Commission on Equitable Compensation. The District Superintendent and/or CEC shall develop a written payment plan with the local church so that the Conference receives full payment of pension and benefits by the end of the Conference year.
- 7) Paragraph 2543 of *The Book of Discipline* makes clear that no real property on which a church building or parsonage is located is to be mortgaged to pay for the current or budgeted expenses of a local church (including arrearages), nor shall the principal proceeds of a sale of any such property be so used. This provision shall apply alike to unincorporated and incorporated local churches.
- 8) In extreme and unresolved circumstances, the local church and/or Pastor may petition a session of the Annual Conference, following proper procedures, for assistance in payment of the arrearage not to exceed the minimum conference compensation standards. However, it is the responsibility of the local church to provide minimum compensation for its appointed clergy (§ 624 *The Book of Discipline*).
- 9) It is the responsibility of the Pastor to provide evidence of an arrearage by providing documentation such as: Treasurer's Reports, Charge Conference reports of adopted salary and compensation, check stubs, W-2 forms, and a Certification of Payment Form (Conference format available) signed by the Pastor, S/PPRC Chair, Trustee Chair, Treasurer, and Administrative/Church Council Chair.
- 10) The statute of limitation for filing a claim for funds from the Annual Conference (i.e. notification to the District Superintendent of the arrearage) for any salary arrearage is one year from the date of the initial arrearage.

Conference Structure, Procedures and Policies

Once an appointment (pastoral connection) ends, the Pastor shall not be entitled to any claim for unpaid base compensation against any local church or charge (Paragraph 342.4 *The Book of Discipline*).

- 11) An Administrative Complaint may be filed against a Pastor who fails to report an arrearage according to the time lines established in this policy.

G. Housing

1. We reaffirm our historic policy as the norm for clergy housing namely, that each local church or charge has a responsibility to provide a furnished parsonage, and to provide all utilities for the pastor as a part of his or her total support.
2. In the spirit of flexibility and creative openness, we do authorize discussion between a pastor and his/her Pastor-Parish Relationship Committee and with the bishop and cabinet, which would permit the payment of a housing allowance in lieu of a parsonage, under the following guidelines:
 - a) It must be mutually agreeable to (1) the pastor, (2) the church, and (3) the bishop and cabinet,

Conference Structure, Procedures and Policies

- b) That it be understood by the pastor, the church, and the cabinet that this agreement will not be a primary factor for consideration for future appointments for pastor or church,
 - c) The local church/charge must either retain a parsonage or the capability of re-entering the housing market so that if the succeeding pastor desires or needs a provided parsonage, the church will be in a position to provide it,
 - d) Where a housing allowance is provided, it must be sufficient to provide in that community an adequate rental house for the parsonage family that would meet average parsonage standards across the conference, and also

The Committee or Trustees should assume the initiative since it is their responsibility to maintain the parsonage in good condition. An evaluation form will be provided by the district superintendents and shall be included in the Charge Conference packet. It needs to be remembered that the parsonage is the pastor's home and inspections should be scheduled in plenty of time to meet the convenience of the parsonage family.

 - b) In the event that earnings held in the Scholarship Fund total less than \$25,000, it is understood that scholarships may continue to be awarded under the first priority, and future earnings be used to replenish those funds expended. It is also understood that the Scholarship Committee may not withhold funds from qualified priority one scholarship recipients in order to build the scholarship fund beyond \$25,000. - e) **Administration of the Scholarship Programs:** The administration of the Scholarship Programs will be done by the Scholarship Committee of the Board of Ordained Ministry. When meeting on candidates specifically for the Native American Scholarships, it is expected that a member of the New Mexico Conference Committee on Native American Ministries be invited and present in the discussions related to the awarding of these scholarships. The Scholarship Committee of the Board of Ordained Ministries in conjunction with representatives from the Commission on Religion and Race, Native American Ministries Committee and the Conference Committee for Hispanic Ministries shall develop application forms and guidelines for the Native American Ministerial Education Scholarship program. The guidelines should address such issues as the length of time for which scholarships may be granted, initial qualifications; qualifications for renewal; methods for determining the Christian character of applicants; pay-back requirements (if required by committee) for successful applicants who do not in fact serve within the New Mexico Annual Conference for a prescribed time, the types of schools and training that qualify for scholarships and such other issues as the committee may deem appropriate.

O. The New Mexico Annual Conference Pippin Endowment Fund Grant Guidelines

1. The Pippin Endowment Fund was created from a gift to the New Mexico Conference of the United Methodist Church from the estate of Sara F. Pippin who resided in Clovis, New Mexico, and attended First United Methodist Church of Clovis.
2. **Purpose:** The earnings from the Pippin Endowment Fund are to be used for mission work in New Mexico (Conference), including the training of Navajo Ministers.
3. **Investment:** The Pippin Endowment Fund is invested in the New Mexico Methodist Foundation and receives distributions annually in the amount negotiated by the New Mexico Conference Board of Trustees in the Management Agreement with the NMCMFI.
4. **Administration:** The Pippin Endowment Fund as real property of the New Mexico Annual Conference is administered by the New Mexico Conference Board of Trustees.
5. **Distributions:** Funds remaining for distribution from the Pippin Endowment Fund after payment of Foundation fees will be allocated among, and paid to applicants by the Conference Endowment Committee. In order to comply with the donor's request, a minimum of 20% of the net distributed funds shall be used for the training of Navajo Ministers, with the balance to be used to support mission work in the New Mexico Annual Conference.
6. **Accountability:** The Conference Endowment Distribution Committee shall require accountability from the recipients of grants by:

Conference Structure, Procedures and Policies

- a) Requiring accounting for funds granted, to require reports from all recipients and to publicize the reports so that others may benefit from reported experiences;
 - b) To require that Pippin Endowment Funds granted will be spent within one year following the grant; and to require recipients to return unused funds to the Conference Endowment Distribution Committee within 30 days of the close of the one year anniversary of the grant.
7. Eligibility: Organizations whose purpose is consistent with the stated purpose of the fund, and whose work is entirely or predominantly within the bounds of the New Mexico Annual Conference may apply for grants from the fund. Such organizations may include, Local Churches, Conference Boards and Committees, and other institutions within the New Mexico Annual Conference.
8. Application Process: The Conference Endowment Committee shall set the application deadline following the receipt of distribution funds from the New Mexico Conference Methodist Foundation Inc. Advertisement for the receipt of applications shall be sent out by as many means possible to potential applicants. If practical, the application process should be open for a minimum of 4 weeks after the first notification of opening the application process. Applicants must provide the requested information in a legible form using the application provided. Applicants must provide requested signatures, and agree to the monitoring, evaluation and reporting process described on the Report Form by the application deadline.
9. Use of Funds: When seeking funding, applicants should attempt to address the following criteria:
- a) Identify underserved constituencies, marginal communities, or individuals and populations in crisis or with pressing human or spiritual needs.
 - b) Connect direct services to strategies aimed at addressing the root causes of poverty, injustice, and human need;
 - c) Involving those who are being served in planning, goal setting, and decision making.
 - d) Working with other congregations, non profits, and groups in the community and state supporting the purposes of the particular project;
 - e) Communicating through networks of others in the same ministries about resources, strategies, training, and other means of strengthening the ministry.
 - 1) Grant requests for non-mission staff will not be considered. Ministries addressing the most pressing issues of the intended recipients, the most convincing strategies for meeting those needs and addressing these issues, and the innovation with which plans are conceived, will be given highest priority. For example, in the case for direct services provided to the constituent group, such as, in the case of a youth mission trip, funding would be considered first for materials (educational or building) to be used in the proposed project. Funding for travel/transportation, etc. will be given lowest priority and unless a compelling need is identified, such costs will not be funded.
 - 2) Consideration will be given to the ratio between administrative expenditures and expenditures for direct services or activities intended for the carrying out of the stated purpose of the applying organization.

Conference Structure, Procedures and Policies

10. **Disbursement of Funds:** Announcement of Grants will be made within two weeks of the meeting of the Endowment Distribution Committee, and payment for the grant will be made within 45 days of the meeting of the Committee.

P. Policy Statement On Misconduct of A Sexual Nature

1. The New Mexico Annual Conference of the United Methodist denomination affirms the 1996 Book of Resolutions, Sexual Abuse within the Ministerial Relationship and Sexual Harassment within the Church, which states that sexual abuse within the ministerial relationship and sexual harassment within the church are incompatible with biblical teachings of hospitality, justice, and healing. In accordance with The Book of Discipline, 1996, paragraph 65F, all human beings, both male and female, are created in the image of God and, thus, have been made equal in Christ. As the promise of Galatians 3:26-29 states, all are one in Christ; we support equity among all persons without regard to ethnicity, situation, or gender.
2. Misconduct of a sexual nature within the life of the church interferes with its moral mission. The New Mexico Annual Conference stands in opposition to the sin of misconduct of a sexual nature in the church and society at large and commits itself to fair and expedient investigation of any charge of sexual misconduct within the church can to take action deemed appropriate and in compliance with The Book of Discipline.
3. The New Mexico Annual Conference bears affirmative responsibility to create an environment of hospitality for all persons, male or female, which is free of misconduct of a sexual nature and encourages respect, equality and kinship in Christ.
4. Sexual abuse within the ministerial relationship occurs when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader, lay person, or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker, volunteer, or child.
5. Sexual harassment is any unwanted sexual advance or demand, either verbal or physical that is perceived by the recipient as demeaning intimidating, or coercive. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender (Book of Discipline, 1996, paragraph 65.I).
6. Sexual abuse within the ministerial relationship involves a betrayal of sacred trust, a violation of the ministerial role and exploitation of those who are vulnerable. Similarly, sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue.
7. Some instances of sexual harassment can be resolved informally between the parties. In all other instances, misconduct of a sexual nature should be reported to one of the following: the church's minister, another United Methodist minister, a district superintendent, or the presiding bishop. If the conduct involves a clergy person, it also should be reported to the clergy person's district superintendent or the presiding bishop. All allegations will be dealt with in accordance with the current Book of Discipline.
8. It is understood that retaliation for bringing an alleged sexual harassment charge is illegal and will not be tolerated.

Q. New Mexico Conference of the United Methodist Church Safe Sanctuaries Policy

1. The following policies and procedures are not based on a lack of trust in workers, but are intended to protect our children, youth, employees, volunteers and the

Conference Structure, Procedures and Policies

whole church body. This Policy shall be a guideline for conference and district events and ministries. (This policy shall not apply to local churches. 2. Definitions

This abuse may be violent or nonviolent. It includes any conduct that involves vulnerable adults, or children in sexual behavior for which they are not personally, socially, emotionally or developmentally ready.

3. Statement of Policy

Conference Structure, Procedures and Policies

- a) Abuse of a child, youth, and/or vulnerable adult is prohibited in any conference or district event or ministries.
 - b) A member of staff or a volunteer for any conference and/or district event or ministry who observes or suspects that abuse has occurred concerning a child, youth, or vulnerable adult must immediately report such observed or suspected abuse to the appropriate legal authorities.
 - c) Such reports of observed or suspected abuse must be reported to the Conference Council Director, and either the District Superintendent or Conference Safe Sanctuaries Coordinator in writing.
 - d) It is the responsibility of the event coordinator to insure compliance with this policy. (It is very important that all parties be sensitive to the alleged victim and his or her family as well as to the accused. Pastoral care should be available to all in the time of crisis.)
4. Implementation of Policy
- a) Screening of all staff or volunteer members who work with children, youth and/or vulnerable adults
 - 1) General: For the purposes of this policy, paragraph B below shall apply to all persons (volunteer or staff) who work with children, youth and vulnerable adults are those who have direct contact with and supervision of children, youth and/or vulnerable adults. This does not include those persons who are employees of independent contractors who are involved in events, such as bus drivers of contracted bus lines, bands, and the like.
 - 2) Background Investigations: ALL staff and volunteers must have a nationwide criminal background check done for them
 - b) Responsible Adult Supervision
 - 1) It is the requirement of this policy that each local church of the New Mexico Conference and all sponsoring organizations of district and conference events shall provide adequate adult supervision at district and conference events and ministries, attended by children, youth and/or vulnerable adults. (It is strongly suggested that a minimum of two unrelated adults be present at all conference and/or district events and ministries involving children or vulnerable adults.)
 - 2) Age Difference: Except in the case of events involving vulnerable adults, a five-year difference in age of at least one of the on-site supervisors and the oldest supervised participant is required. Persons closer in age to those supervised may be acceptable in assisting the primary on-site supervisor(s).
 - c) Overnight Accommodations – events requiring overnight accommodations
 - 1) When staying in a camp or hotel setting, leaders shall sleep in separate rooms from children: or if necessary for children to share a room with a leader, leaders shall sleep in separate beds from children as long as any one leader is not alone with any one child.
 - 2) Recognizing accommodations may be restrictive in some cases, one leader is adequate, as long as any one leader shall NOT be alone with any one child.
 - 3) Coed overnight activities require both male and female adult leaders without exception.
 - d) Supervision for nursery/childcare at Conference and District events
 - 1) There shall be a minimum of two (2) adult childcare providers per room.

Conference Structure, Procedures and Policies

- 2) We recommend that whenever possible state childcare minimum standards shall be followed, particularly in relation to the number of childcare providers to child ratio.
- e) Supervision of children and youth at Conference and District events
 - 1) Whenever reasonable, the “Two Adult Rule” will require that no fewer than two adults be present at all times during any church-sponsored program, event or ministry involving children or youth. Emergency situations may arise when the “Two Adult Rule” is not feasible. However, at no time will an adult be one on one with a child in an isolated or closed situation.
 - 2) In emergency situations, childcare and group activities will be relocated to a room near the main meeting area and doors will be left open.
5. Local Church Mandate

Each local church is required to adopt a Safe Sanctuary policy for their church by December 31, 2007, and such policy shall be filed with District Superintendent.
