Daily Proceedings Of The Annual Conference

Setting the Bar of the Conference Rev. Jeff Lust moved to set the bar of the Conference as the entire room. Motion carried, and the bar was set.

Transfer of Churches from Rio Grande Conference Rev. Steve McElroy presented information about the merger of the Southwest Texas Conference and the Rio Grande Conference to form a new Rio Texas Conference, which will become reality on January 1, 2015. Rio Grande churches that were outside the geographical boundaries of the new Rio Texas Conference could remain as members of the Rio Texas Conference, or could formally request a transfer to the annual conference in which they were located. Seven Rio Grande Conference churches have requested transfer to the NM Annual Conference and become member churches. The last step of the process is to vote to bring these churches into the New Mexico Annual Conference. Rev. McElroy asked members of the seven churches to come forward and stand before the Conference.

Rev. McElroy moved to accept these seven churches into the NM Conference as member churches.

1. Monte Sinai UMC, Carlsbad, NM
2. El Alfarero UMC, El Paso, TX
3. El Divino Redentor UMC, El Paso, TX
4. Emmanuel UMC, El Paso, TX
5. Wesley UMC, El Paso, TX
6. El Calvario UMC, Las Cruces, NM
7. Del Valle UMC, Mesquite, NM

The NM Annual Conference approved the reception of these churches into the NM Conference. Members from the new churches were welcomed by all present.

Episcopal Address Bishop Bledsoe gave his address on Envisioning New Possibilities. He restated the goals for the NM Annual Conference as defined in Vision 2020, which was adopted in 2011. Bishop Bledsoe said we need to give greater voice to the laity in our churches. Bishop Bledsoe proposed that as an example, one new way of involving the laity at the Conference level would be to have the Conference Lay Leader involved in the Cabinet inventory process. Finally, Bishop Bledsoe urged churches to claim their ecumenical roots.

Laity Address Mrs. Donna TeBrink presented the address of the laity. She highlighted the many ministries that are going on within the Conference. She said we are stewards of the potential residing in the local church, and it is time for us to use it to thrive.

Rev. Scott Sharp, Chairman of the Board of Ordained Ministry, thanked Rev. Dr. Larry Krueger for his many years of creating handmade paten and chalices for new ordinands. Rev. Dr. Krueger will be retiring from this ministry due to health reasons. The Conference expressed its appreciation.

Bishop Bledsoe answered their membership would remain in the Rio Texas Conference while serving in the NMAC. One of the pastors said he would inquire about the process to begin transferring to the NMAC.

Recruiting Another question was what is the conference doing to recruit new pastors to replace the pastors who would be retiring in the next 5 years. Scott replied that was not the focus of the Board of Ordained Ministry at this time. Jeff Lust replied strengthening the local churches would help in that process.

Bishop Bledsoe reiterated his desire for invitations to preach in local churches and hear the stories of the people. He also requested pastors support Vision 20/20 and help their congregations catch the vision. He also asked the pastors to support the Bishop and Cabinet by not speaking negatively about either.

Laiety Session **June 4, 2014**

Mrs. Donna TeBrink, Conference Lay Leader, called the session to order.

Mrs. TeBrink thanked Rev. John Rivas for his service to the NM Conference Methodist Foundation as it merged with the Texas Methodist Foundation. She also thanked the Texas Methodist Foundation for providing the dinner this evening.

Mr. Chris Caldes, Albuquerque District Lay leader opened the session in prayer.

Daily Proceedings Of The Annual Conference

Houchen Community Center Mr. Caldes introduced Rev. Laird Cross, pastor of Vista Isleta/Faith UMC, who is also the President of the Board of Directors of Houchen Community Center. He presented some of the long term history and some of the more recent history and Ministry of Houchen. He reported that a lot of changes for the better have been made. He introduced Kathy Jewell, new director of Houchen. This is a welcome accomplishment since Houchen has not had a director in past year and a half.

Rev. Cross shared his enthusiasm and joy about the great momentum that is building at Houchen. He asked us not to forget “the least of these” who are being served right here in our Annual Conference. He asked for the financial support of the churches of the NM Annual Conference, as well as for volunteers, in-kind donations, and prayers.

Lay Servant Ministries Mrs. TeBrink introduced Charlie Poore, Conference Director of Lay Servant Ministries. Mr. Poore described what Lay Servant Ministries is. It is no longer solely a speaking or preaching ministry, it is a wide variety of ways that laity can serve the local church. He shared about the many classes that are offered, and the benefits that a person will receive from being a lay servant.

Certified Lay Ministries Kathy Jewell gave information about her call to the Certified Lay Minister program. She introduced people who were certified Lay Ministers. The program consists of four training modules, and an interview with the District Committee on Ministry resulting in a leadership role in a smaller church or faith community under the supervision of a clergy member. Preaching, care ministry, and program ministry are ways a Certified Lay Minister can serve.

General and Jurisdictional Conferences Mrs. Susan Brumbaugh gave extensive information about General Conference and Jurisdictional Conference. She described who may go to these conferences, how the delegates are elected, and what business is conducted at the conferences. She described how the NM Annual Conference elects its delegation of ten members, five laity and five clergy. The first two people elected are delegates to General Conference and Jurisdictional Conference. The second person elected serves as alternate for General Conference, and second delegate to Jurisdictional Conference. The remaining six people elected serve as alternates.

Mr. Sid Strebeck, member of the Envisioning Team, used the analogy of expanding his business to how the NM Annual Conference can implement Vision 2020. He stated that the goal would be to leave here committed to praying for the Conference, and to leave in one accord to make disciples for Jesus for the transformation of the world.

Mrs. TeBrink announced that Rick Langston will be the new Clovis District Lay Leader.

The laity thanked Donna TeBrink for her service to the Conference.

Charlie Poore closed the session in prayer.

Thursday June 5, 2014

Morning Session

Bishop Bledsoe called the session to order, noting that the theme for the session was friendship. The Conference joined in a hymn sing, and Rev. Stephanie Harmon, Chaplain at Landsun Homes, offered a prayer for the session.

Bishop Bledsoe and the Conference expressed their appreciation for Rev. Harmon's message.

Roll Call The second roll call was taken.

Bishop Bledsoe encouraged all to choose their attitude to enhance God's Kingdom.

Lydia Patterson Institute Dr. Socorro deAnda brought greetings from Lydia Patterson Institute (LPI). She thanked the Conference for allowing the LPI Mariachi Musicians to participate in the opening worship service. A video was shown about the future dreams for LPI. Over 500 people were in attendance at the recent centennial celebration, and Dr. deAnda shared stories of outstanding LPI alumni. The class of 2014 had 69 graduates, all of whom are going to college. LPI will be adding 7th and 8th grade for the next school year. She reported that LPI will be the first school in El Paso to go totally electronic for textbooks. LPI has placed 30 interns across the country this summer, including some in the New Mexico Annual Conference. To date, \$6 million has been raised for the capital campaign, and the first phase which includes 14 classrooms, has been completed. She thanked the Conference for its support, and extended an invitation to visit LPI.

Provost Address Bishop Bledsoe introduced Rev. Jeff Lust, Provost of the NM Annual Conference.

Rev. Lust expressed appreciation for the Audio Visual Team.

Rev. Lust introduced the members of the teams that made this Annual Conference happen. He thanked the Annual Conference Planning Team, the Local Arrangements Team, the Worship Team, and the Conference office staff. The Conference expressed its appreciation for their service.

Rev. Lust used Nehemiah 1-7 as an illustration and framework for what the Conference is trying to do with Vision 2020.

Rev. Lust gave statistics reflecting the difference in the Conference from 1984 to 2013, and dispelled some of the rumors that have surfaced regarding the future of the NM Annual Conference.

He shared the internal inconsistency between the six goals of Vision 2020 and our current Conference structure. Vision 2020 moves the Conference towards an emphasis on encouraging local churches, away from past emphasis on administration.

Rev. Lust celebrated that 2/3 of churches paid 100% of their Shared Ministries. He announced that Rev. Cheri Lyon will be joining the Conference office staff as a resource person to assist local churches to grow their ministry. Since the salary is not in the budget, it will be paid from funds remaining in the LIFT program that were earmarked for congregational vitality. The remaining funds should be enough to sustain the position for up to 18 months.

Daily Proceedings Of The Annual Conference

Rev. Lust announced that the next Annual Conference will be held June 3-5, 2015, at Glorieta with the theme “Fostering Sustained Vital Congregations.”

Rev. Lust thanked Bishop Bledsoe for his support. Bishop Bledsoe and the Conference expressed their appreciation for Rev. Lust’s work.

Envisioning Team Rev. Dr. Beverly Jones presented the report of the Envisioning Team. She introduced the members of the Envisioning Team, and the Conference expressed their appreciation for their service. The focus will be to look farther ahead in order to be ready to make critical decisions that will face the Conference 3-10 years in the future. Some of the challenges ahead include matching resources and church needs, implementing changes dictated by outside sources such as General Conference and the government, and facing cultural challenges.

Rev. Dr. Jones asked everyone present to submit a card about what ministries their churches would like to start. Responses were collected for discussion and possible action by the Envisioning Team.

The report of the Envisioning Team was approved.

Bishop Bledsoe clarified that Vision 2020 is not about accomplishing everything by the year 2020, but about getting 20/20 clarity about the vision for this Conference.

Methodist Foundations Bishop Bledsoe called upon members of the Texas Methodist Foundation (TMF) to share information. Mr. Sid Strebeck shared how the merger with the Texas Methodist Foundation fits well with the goals of Vision 2020. Mr. Strebeck discussed the qualifications used in the hiring process for Rev. John Rivas and how those same qualifications are still valuable even as his job description changes due to the merger with the Texas Methodist Foundation. Mr. Strebeck shared two important benefits of being a part of the Texas Methodist Foundation: that there are grant and loan funds available to expand ministry, and that opportunities are available for people to get a higher return on their investment by investing their money with TMF.

Rev. John Rivas shared his passion for achieving God’s plan for the local church, and the benefits of merging with the TMF:

- Better stewards of funds: reduced fees from 1% to ½% .
- More investment options available, including allowing individuals to invest with the Foundation and earn competitive rates.
- Increase efforts of churches doing things in their community by offering grants. Last year over \$1 million in grants were awarded.
- Leadership development for clergy and laity to produce better, more effective leaders.

There will still be a Foundation presence in Albuquerque.

Mr. Tom Locke from the Texas Methodist Foundation (TMF) reported that people from the New Mexico Annual Conference have joined the TMF board.

Mr. Locke described their business model: God’s plan includes an imagination for the way the world should be, and the church holds a unique place to bring about that vision. The Foundation attempts to match the resources under their management with what is needed to make God’s vision happen.

Daily Proceedings Of The Annual Conference

TMF gives New Mexico churches a platform and the resources to accomplish God's vision.

Mr. Locke introduced Mr. Bob Dupuy, General Counsel for the Texas Methodist Foundation, and Vice Chair of Charitable Services, and Mr. David McCaskill, Senior Vice President for Loans. The TMF has \$325 million in loans currently.

Mr. Locke explained why the Texas Methodist Foundation was interested in the NM Conference Methodist Foundation. He said that we are no less important than any of the other Texas Conferences, and the NM Conference Foundation balance sheet was comparable to those of all the Texas Conferences. They welcomed the merger with the NM Conference Foundation because the NM Annual Conference is supportive of their mission.

Commission on Equitable Compensation Rev. Reuben Thomas presented the report of the Commission on Equitable Compensation (CEC). He described the mission of the CEC. The minimum salaries for the coming year will stay at the same level as last year. Rev. Thomas moved the adoption of the report and the minimum salaries. The report was adopted.

Resolution Rev. Reuben Thomas brought a resolution containing minor corrections that bring NM Annual Conference policies for Equitable Compensation into compliance with the Book of Discipline. The resolution was approved.

Holy Land Trip Ms. Paula King of Educational Opportunities brought an invitation to participate in a trip to the Holy Land led by Bishop Bledsoe in January 2016.

Courtesies and announcements were given.

Rev. Kimberly Kinsey offered a prayer to close the session.

The session was adjourned.

Thursday June 5, 2014

Afternoon Session

Bishop Bledsoe called the session to order. He invited Bishop Bill Hutchinson and Bishop Charles Crutchfield to bring greetings to the Conference.

Bishop Hutchinson updated the Conference on his status since his retirement in 2012, and said that NM was his home and always will be.

Bishop Crutchfield shared that he is grateful for the opportunities that have been provided to him and his family by the NM Annual Conference. He is thankful for being able to attend the Retirees' activities.

The Retirement Recognition Service was held. Bishop Bledsoe called upon each of the retirees to share their thoughts. The retirees present were:

Rev Gregg Armstrong and Mrs. Judy Armstrong

Rev. Cecilia Lorenzen

Rev. Jeff Symonds

Rev. Jeff Symonds, as representative of the retiring class, passed the mantle to Rev. Matt Bridges, as representative of the new full member class.

Daily Proceedings Of The Annual Conference

Living Archives Awards Rev James Large presented the Living Archives Award for laity to Greeley and Roberta Myers, who have been deeply involved in the life of the Conference since the 1980s. Roberta (Bobby) was the first lay observer on the Conference Board of Ordained Ministry, and Greeley worked steadfastly when the Board of Pensions and Insurance Board were merged. This was the first time in the history of the Living Archives Awards that a couple received this honor.

Rev. Large presented the Living Archives Award for Clergy to Rev. Milton Propp, who served the New Mexico Conference in various ways since his transfer from the Oklahoma Conference.

Rev. Will Steinsiek presented a plaque to Mrs. Rosa Castillo–Wilson as a posthumous honor for her husband, Rev. Larry Castillo-Wilson who served the Commission on Archives and History faithfully for many years.

Rev. James Large moved the adoption of the report of the Committee on Archives and History. The report was adopted.

Ms. Jane Gavit moved to suspend the rules to allow the young adults attending Conference to make a presentation. Motion was seconded and passed. Jane Gavit introduced the young adults aged 18-35 who were present. Noah Smart from St Mark's El Paso shared how critical this age group is to the future of the church, and that this age group has the potential to reverse the membership decline. Caleb Herman, Clovis District SWIFT representative, said that young adults want to help change the future of the church and asked the Conference to help them plug in. Chelsea Calderon thanked the Conference for the opportunities she had been afforded, and that there are other people her age that are passionate about serving, and asked that they be considered for positions to serve.

Bishop Bledsoe asked the Conference to affirm the service of young people and our commitment to involve them in the life of the church. The Conference expressed its appreciation for their presence and willingness to serve.

Rev. Jeff Lust introduced the Idea Mart leaders so attendees could meet with people who have had success with certain areas of ministry.

Bishop Bledsoe recognized Rev. Richard Edwards, Rev. Paul Bauernfiend, Rev. Jimmy Nunn, Rev. Darrell Patterson, and Rev. George Price, District Superintendents from the Northwest Texas Conference and thanked them for attending.

Richard Langston, incoming Clovis District Lay Leader offered a prayer to close the session.

The session was adjourned.

Friday June 6, 2014

Morning Session

Bishop Bledsoe called the session to order. The Conference sang Blest Be the Tie That Binds. Mr. Tom Thomas introduced Lieutenant Colonel Karen Meeker, Chaplain for First Armored Division at Fort Bliss.

Lt. Col Meeker thanked Mr. Thomas for the difference he makes in the lives of servicemen, and thanked all the churches present who take care of military families. Lt. Colonel Meeker presented the message Children of Promise, Children of Sacrifice. The Conference sang "And Are We Yet Alive."

Healthy Church Initiative Mrs. Donna TeBrink brought the report of the Healthy Church Initiative (HCI). Five churches have completed the program, and are working on their "prescriptions" to become a healthy church. The five churches that have completed the program are: St Johns UMC Santa Fe, Morning Star UMC Las Cruces, Covenant UMC Albuquerque, Mountainside UMC Cedar Crest, and First UMC Los Alamos.

Rev. Travis Bennett related his church's experience with Healthy Church Initiative. Morning Star UMC found that the Healthy Church Initiative is a tool, not a magic bullet. HCI will help churches get better but will not ask you to be a clone of any church. HCI is not just another "thing" the NM Conference is doing.

Morning Star UMC has seen a significant increase in worship attendance as a result of their participation in HCI. Rev. Bennett thanked his team, and his church, and he urged people to prayerfully consider participating in HCI.

Daily Proceedings Of The Annual Conference

Donna TeBrink asked her team to stand and be recognized. She introduced Rev. Cheri Lyon, Assistant Director of Congregational Vitality, who will be the staff contact for HCI.

Interested Churches must contact Cheri Lyon by no later than August 1st to express interest in either the Small Church Initiative or Healthy Church Initiative. The actual program will launch in October. Cost will be firmed up by June 17th. Rev. Jeff Lust has an assessment tool to see if this or another program is right for your church. One key to success in this initiative is the use of a coach. The coach doesn't tell a church what to do, but instead asks the questions and holds churches accountable for what gets done.

On July 30, Morningstar UMC, will host an Introductory Coaching Clinic. The cost will be approximately \$25/person. Ken Willard will lead this training.

The program begins in October. For those who are not selected, there will be other opportunities for leadership development.

Jan Spealman and Suzette Goodwin of Morningstar UMC shared their experiences with Stephen Ministry. Jan said Stephen Ministry can be thought of as Christ caring for people through people. Suzette gave a description of how the program operates. A video of Stephen Ministry participants and ministers sharing their experiences was shown.

Reports of the Healthy Church Initiative, the Small Church Initiative, and Stephen Ministry were received.

Trustees Report Rev. Jeb Archey presented the report of the Conference Board of Trustees.

They elected officers as follows:

Chairman: Rev Jeb Archey

Vice Chair: Mr. Rob Hovious

Secretary: Rev. Phil Huston

Treasurer: Cathy Anderson

Rev. Archey reported that United Methodist Insurance (UMI) continues to be provider for Conference property insurance. As a result of claims in the Conference, the wind and hail deductible has been changed from 2% of the value of church property to a flat deductible amount for Texas properties only.

Rev. Archey gave the contact information for John Scheffler, the UMI/CAIC insurance service administrator: Phone number (972) 355-0927 and email jscheffler@cpg.org

He stated the goals for the Conference Board of Trustees for next year:

1. Continue to work with UMI to maintain good customer service and responsiveness
2. Look at ways to reduce risk and premiums. Most of losses are lifting injuries and tripping injuries. These are preventable, and if incidents decrease, rates decrease.

Rev. Archey shared that on the United Methodist Insurance website resources tab, there are many ministry protection memos.

Safe sanctuaries policies and procedures continue to be an emphasis of the Trustees.

A major task this year was Conference office maintenance. The stucco was redone, new gutters were installed, and security gates were added.

Daily Proceedings Of The Annual Conference

In response to two incidents of break-ins at Conference office, Trustees have increased security and installed gates.

Rev. Archey reported that three properties are under control of the trustees

The Hernandez property is rented to Victory Outreach Church, but the Trustees would still like to sell the property due to liability concerns. Trustees sold one acre to one of the neighbors for \$25,000.

The Presidio property was under contract last year but the buyer's financing fell through. The buyer would still like to buy the property, and the Trustees will sell to that buyer or any other buyer.

The title to the Encino property was found, and there is an interested party waiting to purchase the property.

An energy audit of the Conference office was conducted, and after the suggested repairs were made at a net cost of \$2978.57, the conference office realized a savings of \$2143.07 in electric costs in the first year. PNM paid nearly \$6000 in rebates after upgrades were done. Rev. Archey suggested that churches look for alternate funding sources when repairs and upgrades like this are needed.

Rev. Bethany Carpenter asked if there was a way for churches to opt out of the liability insurance in order to find less expensive insurance. Rev. Archey replied that since the Conference has acquired a group policy, there is no way to opt out.

Resolution Rev. Archey presented an addition to the Conference Rules and Policies regarding the allocation of funds from church closures, which would allocate, after all expenses have been paid, 50% to the creation of new faith communities, 30% to provide matching funds to congregations to enhance leadership and vitality, and 20% to remain in the Trustees account to pay for the upkeep and sale of conference property.

Rev. Doug Mills moved an amendment to this proposed rules change to add the words: "with a preference to bi-lingual, multicultural or Hispanic communities" after the words new faith communities. Rev. Lourdes Calderon asked that the amendment read multi-lingual instead of bi-lingual. Rev. Mills accepted this as a friendly amendment to his amendment. Discussion followed.

The question was called by Neely Landrum. Motion to call the question was approved. The amendment failed.

Rev. Archey gave current numbers to illustrate what could happen if the motion passes.

The motion passed. Rev. Jeb Archey moved the approval of the Conference Board of Trustees report. The report was approved. Bishop Bledsoe thanked Rev. Archey for his work.

Daily Proceedings Of The Annual Conference

Rev. Dan Boyd presented an update on a prayer concern for a missionary serving in Africa.

Council on Finance and Administration Report Rev. Boyd thanked Cathy Anderson for the excellent skills and heart she brings to the Conference and the Council on Finance and Administration (CFA).

Before he presented the reports of CFA, he gave a technical change to The Resolution Returning the Conference Endowment Real Estate Fund to the Conference Endowment.

Rev. Boyd called attention to CFA Reports #1-7. He stated that 88 churches of the Annual Conference paid 100% of Shared Ministries. The average payment is 78%. He celebrated second mile giving which was over \$1.7 million for 2013.

Rev. Boyd reminded the Conference that in Dr. DeAnda's report on the status of Lydia Patterson Institute (LPI), she highlighted the "Next 100 Years Capital Campaign." The NM Annual Conference Council on Finance and Administration has received and approved the request from Lydia Patterson Institute to engage the local churches of the New Mexico Annual Conference in supporting this campaign. CFA encourages the leadership of each local church to receive communication and representatives of LPI with regard to this campaign and make their decision as to how their local church will respond to this opportunity to strengthen the ministry of LPI.

CFA recognizes that some churches are experiencing financial challenges, both small and large churches. Report #5 shows Shared Ministries receipts, with a \$1.1 million shortfall. Conference policy does not authorize spending beyond what was received, so apportionments to the General, Jurisdictional, and conference ministries were not paid. In addition, \$201,500 was used from the stabilization fund to keep the Conference operating.

In order to continue to keep the NM Annual Conference operating, CFA has both trimmed expenses and looked for other sources of income. In the past two years, through careful projection of expenditures, the proposed budgets have dropped 15%. In order to increase income, CFA is presenting two resolutions to increase the amount of income from current endowment funds available.

Resolutions on Conference Endowment Rev. Boyd explained the rationale behind the two resolutions. The Resolution Returning the Conference Endowment Real Estate Fund to the Conference Endowment will allow the income from the fund to be distributed as needed. The Real Estate Endowment had a restriction on it that the income was only to be used for real estate, and with no real estate needs in the foreseeable future, the earnings were not allowed to be used. This resolution would return the corpus to the General Endowment Fund, allowing earnings to be used currently.

The Resolution Recommending Changes to the Conference Endowment distributions would temporarily use a new formula for the distribution of resources from our Endowment account which would give stronger support for our stabilization fund for the next five years.

Currently, the Conference takes a 6% distribution annually with 3% going to the NM Conference Methodist Foundation for its operating expenses, and 3% being used for the Bishop's Awards and Vitality Grants overseen by the Endowment Distribution Committee.

If the Resolution passes, 4.5% will go to the stabilization fund, and 1.5% to the Conference Endowment Distribution Committee for distribution.

Daily Proceedings Of The Annual Conference

Grants from the Texas Methodist Foundation may make up for the reduced grant money distributions from the Endowment Fund due to this new formula.

Rev. Boyd moved the adoption of the Resolution Returning the Real Estate Endowment Fund to the Conference Endowment Fund. The resolution was approved.

Rev. Boyd moved the adoption of the Resolution Recommending Changes to the Conference Endowment Distributions. Rev. Tom Garmon moved to table the resolution. Motion seconded. Rev. Garmon explained his rationale for tabling the motion. The motion to table was defeated. The resolution was approved.

Rev. Boyd moved the adoption of the 2015 budget. The budget was approved.

Rev. Boyd reported that CFA has started a study about the formulas used for allocating Shared Ministries. They are consulting with Rev. Paul Dirdak, who lives in Santa Fe, and is a former staff person for General Conference Committee on Finance and Administration to discuss different strategies for promoting better, more transparent and more equitable support for Shared Ministries. One model under consideration is the tithe plus model which would encourage churches to tithe based upon their current income rather than a formula based on spending from two years prior. This has been successful in other conferences that have adopted it.

Rev. Boyd moved the approval of all CFA reports. The reports were approved.

A report was distributed showing the amounts of Shared Ministries paid by churches over the last three years.

Bishop Bledsoe shared his thoughts on giving and tithing. Bishop Bledsoe thanked Rev. Jeff Lust for helping to help the conference to live within their means.

Board of Pension and Health Benefits Report Ms Terry Shoemaker, Conference Benefits Officer, introduced a video from the General Board of Pension and Health Benefits (GBPHB) that underscores the importance of our connectional system. She noted that Ms. Paula Whitbeck, GBPHB representative, is in attendance at Annual Conference, and thanked Ms. Whitbeck for her support and wisdom in assisting with tough decisions facing the Conference Board of Pension and Health Benefits.

Rev. Scott Penrod presented the information on the past service rate. The board is recommending an increase from \$615 to \$622 per service year. The Conference has been maintaining 100% funding for the pre-1982 liability.

Rev. Ernie Vineyard reported that he has enjoyed the work of this committee, and thanked Terry Shoemaker for being the best conference benefits officer in the denomination. The board is following the developments with the Affordable Care Act, but there have been no major changes this year. Health insurance premiums will increase 5% in 2015, which is competitive. The board moved retiree health insurance into a different plan which reduced the budget request for retiree health costs by over \$200,000. Rev. Vineyard reminded those present that living healthier lives is one of the best ways to reduce insurance rates. The board is looking at creative ways to fund insurance needs for the future boom in the number of retirees.

Resolution Mr. Steve Wilson brought the Resolutions Relating to Rental/Housing Allowances for Retired or Disabled Clergypersons of the New Mexico Conference. The resolution was approved.

Daily Proceedings Of The Annual Conference

Mr. Wilson moved the report be approved. The report was approved.

Other Resolutions Rev. Steve Trout presented the Resolution to Update the Conference Structure Procedure and Policies, submitted by the conference rules committee. The resolution was adopted.

Rev. Steve Trout presented the Resolution for Changes in Conference Council on Youth Ministries Constitution and By-laws. The resolution was approved.

Rev. Tina Cross presented the Standing Rules of the NM Annual Conference for the Election of General & Jurisdictional Conference delegates and Alternates. Rev. Cross added some technical corrections to comply with the latest rulings about the Book of Discipline. Discussion followed regarding what clergy members can actually vote. It was decided that these rules could be accepted given that the clergy voting qualifications be in strict compliance with the Book of Discipline and Judicial Council Rulings. The rules were adopted.

Rev. Jane Vaughan presented a video about how the Clovis District is using mission trips to share the love of Christ and form engaged disciples. She showed how even small churches participated in mission trips through the District's efforts.

Rev. Stephanie Harmon lifted up one of our Conference missionaries, Jerri Savuto, who has recently been diagnosed with cancer.

Certified Lay Minister Mac McGregor offered a prayer for closing the session.

The session was adjourned.

Bishop called upon Sid Strebeck to pray for the session.

Resolution On Human Trafficking Rev. Steve Trout presented the Resolution for Engaging in the Work of Ending Human Trafficking.

Rev. Greg Henneman moved to suspend the rules to allow Mr. John Martin, Director of Paso del Norte Center of Hope, to speak. Motion to suspend was approved.

Mr. John Martin shared statistics and facts about the human trafficking that is happening in El Paso. He noted that January 11, 2015 is National Antihuman Trafficking Awareness Day. His national organization asks for a day of prayer to abolish modern day slavery.

An invitation was extended to all to attend a symposium on human trafficking in Odessa.

Rev. Eduardo Rivera moved an amendment to the resolution that on January 11, 2015 churches of the New Mexico Annual Conference shall be encouraged to pray for ending human trafficking, and shall collect an offering to support ministries working to end human trafficking. It was

Daily Proceedings Of The Annual Conference

clarified that an offering cannot be required without the approval of the Conference Committee on Finance and Administration. Rev. Rivera revised the amendment to say “. . .may be encouraged to take an offering. . .”. Amendment as revised passed. The Resolution as amended was adopted.

Board of Global Ministries Report Rev. Bonnie Hardesty and Rev. Harry Riser, Conference Board of Global Ministries, shared the mission work of the churches of the NM Annual Conference. They presented the report of the Conference Board of Global Ministry (CBGM), and thanked all the churches for the generous contribution of goods for Houchen Community Center. Rev. Riser highlighted The Mission Memo, a communication outreach from the CBGM, which shares mission events, missionary itineration, and stories of mission work around the Conference.

Rev. Michael Stahl, Conference Secretary of Global Ministries, reported that McCreless grants were awarded to Grace UMC in Alamogordo for their Shared Table ministry, to Sacramento Methodist Assembly for their backpacking camp for teens on foster care program, and to First UMC in Belen for their Mobile Food Pantry ministry.

Rev. Stahl reported that Sively grants were awarded to First UMC in Albuquerque for The Shadow of the Church ministry, and to St. Paul's UMC in Socorro for their food bank program.

The Cinco Estrella Awards were presented to: St Paul's UMC, Las Cruces, First UMC, Aztec, and Grace UMC, Alamogordo. The Conference expressed its gratitude for the mission work done by these churches.

Rev. Stahl announced the dates of missionaries who will visit the New Mexico Annual Conference in the fall of 2014. Rev. George Miller (serving in Germany) will itinerate October 18-26; Dr. Albert Willicor (serving at Ganta United Methodist Hospital in Ganta, Liberia) will itinerate October 30-November 3; Ngoy Mulanga and Umba Ilunga Kalangwa (serving in Tanzania, Africa) will itinerate November 8-16; and David and Cynthia Ceballos (serving in Panama) will itinerate December 1-15. These missionaries would love to visit your church and share their mission work. Contact Rev. Stahl to schedule a visit from one of these missionaries.

Rev. Riser thanked Rev. Stahl for his work.

Rev. Riser said that no church is too small to be a Cinco Estrellas church. The qualifications to become a Cincos Estrellas Church are listed in the Mission Memo, or any member of the Conference Board of Global Ministries can give more details.

Rev. Regina Henderson, brought greetings from the General Board of Global ministries (GBGM), her bishop, 200 staff members of GBGM, 341 active missionaries around the world, and others. She loves the NMAC because it is a hotbed of mission activity. It is a dream of the General Secretary to have 500 young adult missionaries, and she asked: how many will come from the NMAC?

Rev. George Miller, Elder in NMAC and GBGM Missionary, shared that his mission field is in Europe, and the work is the same there as here. He wants to visit churches to help put a face on missions, on apportionments, and on the work of the general church.

Rev. Riser introduced Rev. Vernon Baker, Conference Disaster Response Coordinator. Rev. Baker said that training for disaster response is essential, and is a key part of our response to our neighbors. Disaster is always a possibility, so churches need to be ready. Training called

Daily Proceedings Of The Annual Conference

Connecting Neighbors was held at Asbury UMC, Albuquerque. This training can be held at any church, and he encouraged churches to call him or their District Disaster Relief Coordinators to schedule a training session.

Mrs. Mary White, Conference Volunteer in Mission (VIM) Coordinator, is available to go to churches for VIM training. She encouraged churches to get trained properly to participate in VIM trips. She also asked the Conference to change what we call mission trips to mission journeys, because the journey continues when we arrive home.

Rev. Riser shared words from newly retired missionary Jerri Savuto. When asked what people overseas think of the Methodist church, she heard the response, "That's the one with hands."

The report of the Conference Board of Global Ministries was received with thanksgiving.

Mrs. Sandy Ramage, shared the ministry of the Hope Chest Program, which opened in 2006 as an outreach of Highland UMC, Odessa. The purpose of Hope Chest is to empower women to be the best mothers they can be. Through attending training, going to doctor appointments, baby checkups, and doing volunteer work, women can earn points that can be redeemed for needed baby items. By giving new mothers a hand up, not a hand out, the goal is to decrease premature births, increase prenatal care, and find a safe place to have babies. She told the story of one participant who gained not only parenting skills, but also a church home.

Mr. Larry Elzey, Minutes Approval Committee, said that the minutes have been read and approved with minor editorial changes. The Conference received the report.

Corrections to nominations were given, and nominations were received from the floor. Nominations were approved.

Rev. Jeff Lust recognized Mrs. Marilyn Large and Mrs. Kathy McElroy, spouses of the District Superintendents.

Mrs. Leslie Bledsoe was introduced and the Conference expressed appreciation for her presence.

Rev. Lust and the Conference extended a hearty thank you to Patty Fox for how efficiently the Conference was coordinated.

Daily Proceedings Of The Annual Conference

Nema LeCuyer, CLM presented information about the GLUE Ministry of University UMC, Las Cruces. She asked Rev. Stephanie Harmon and Rev. Randall Partin to stand with them as she shared this ministry to youths aged 10-17 who are in jail. Ms. LeCuyer felt a call to bring Communion to the kids in jail. “Contraband Communion” started with a mission to bring communion to every child in every cellblock every week. She would go to the jail and tell every kid “God loves you”. The ministry name GLUE came from that simple phrase-“God Loves Us Everyone.” The team brings back prayer requests from the kids, types them up and gives the requests to church members to pray over. This ministry has touched not only the hearts of the youths in jail, but also the hearts of everyone at the church who prays for them.

Young Adult Ministries Report Brenna Jaco brought the report of SWIFT – Servants Walking in Faith Together. A video was shown telling of the impact SWIFT has made on the lives of participants. Currently, two events are held every year, fall and spring Sacramento work weekends. They would like to have a third event, but need a lot of help. Mr. Sid Strebeck thanked the New Mexico Annual Conference for their confidence in naming him the Conference Lay Leader designate. He contrasted the work of political leaders to the work of Christians – politicians have no effect on eternity, but the church does. He shared about the one year of prayer and fasting for the Conference that he announced at the Laity session, and said that someone will be coordinating this prayer calendar.

Rev. Steve Trout presented the Closing Resolution.

The Closing Resolution was received with joy.

Mr. Tom Thomas closed the session with prayer.

Bishop Bledsoe declared the 139th session of the New Mexico Annual Conference closed.

RESOLUTIONS

**Resolutions Relating to Rental/Housing Allowances for
Retired or Disabled Clergypersons of the New Mexico Conference**
Submitted by New Mexico Board of Pension and Health Benefits

The New Mexico Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for active, retired, or disabled clergypersons of the Conference:

Whereas, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

Whereas, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

Whereas, pensions or other amounts paid to active, retired, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, and disabled Clergypersons in consideration of previous active service; and

Whereas, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

Now, therefore, be it resolved: That an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the “Discipline”), which includes all such payments from the General Board of Pension and Health Benefits (“GBOPHB”), during the year 2015 by each active, retired, or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

That the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired, or disabled Clergyperson’s pension or disability as part of his or her gross compensation.

Note: The rental/housing allowance that may be excluded from a Clergyperson’s gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations there under to the least of: (1) the amount of the rental/housing

Resolutions

allowance designated by the Clergy person's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergy person to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

Resolution Returning the Conference Endowment Real Estate Fund to the Conference Endowment

Submitted by Conference Finance and Administration

Whereas, in 1986, a portion of the New Mexico Annual Conference Endowment was segregated from the original corpus and renamed the Conference Endowment Real Estate Fund, and

Whereas, the purpose of the establishment of that fund was to supply the funds needed to purchase the Conference Office Building at 7920 Mountain RD NE Albuquerque, and

Whereas, the Conference Endowment Real Estate Fund provided in subsequent years two small loans to Sacramento Methodist Assembly, a remodeling loan for the Mountain Road property, and funds to purchase and renovate the current office building at 11816 Lomas Blvd NE, Albuquerque, and

Whereas, all loans are paid in full with the exception of a note on the current office building for purchase and repairs of \$287,593 (as of 12/31/2013) and

Whereas, the fund balance as of 12/31/2014 was \$702,713

Therefore, be it resolved that effective June 30, 2014 the balance of the Conference Endowment Real Estate Fund be returned to the corpus of the New Mexico Conference Endowment held by the New Mexico Methodist Foundation, and

Be it further resolved that, funds used for the repayment of the loan (from the Current Conference Endowment Real Estate Fund) on the NM Conference Office Building be credited as received to the Conference Endowment Fund.

Rationale: The Conference Endowment Real Estate Fund currently does not allow for distributions for Annual Conference ministry needs. Return of the fund back to the endowment it came from will allow for distributions to be received.

Resolution Recommending Changes to the Conference Endowment Distributions

Submitted by Conference Finance and Administration

Whereas, The New Mexico Conference established the Conference Endowment in the 1960's when the former Women's Division Bataan Hospital was sold to the New Mexico Conference for \$1 and later sold to the Lovelace family, and

Whereas, distributions from the Conference Endowment provided monetary support to Landsun Homes, Sacramento Assembly, the NM Conference Board of Pensions (50,000 per year given from 1982-2002) and the New Mexico Conference Methodist Foundation Inc. and

Whereas, in 1995 the New Mexico Annual Conference in its session May 22-25, 1995 created the Endowment Distribution Committee to receive applications from local churches and

Resolutions

institutions within the Annual Conference, and to award funds for Bishop's Awards (for Local Churches) and Vitality Awards (for institutions) using earnings from the Conference Endowment, and

Whereas, the distribution formula adopted by the 1995 Annual Conference (1995 NMAC Journal p. 318) reduced the distribution amount from the endowment by ½ percent per year until 2002 when it reached 6%, and

Whereas, the distribution gave a 3% distribution (based on prior years 12/31 balance) to the New Mexico Methodist Foundation Inc. for operating expense, and a 3% distribution to the Endowment Distribution Committee for Bishop's and Vitality Awards, and

Whereas, in 2002 a gift from the Thaxton family of 1.3 million dollars created the Thaxton Endowment, which supports work in New Mexico for the elderly poor and impoverished children, and

Whereas, in 2007, a gift from the Pippin family in Clovis NM, of about \$450,000 created the Pippin Endowment which supports Local church mission projects and the training of Navajo Pastors, and

Whereas, conversations are ongoing between the New Mexico Methodist Foundation Inc. and the Texas Methodist Foundation about a unification of funds thus eliminating the need for the historic 3% endowment distribution for Foundation operations, and

Whereas, the Conference Finance and Administration Committee is concerned with the instability of the Conference Stabilization Fund, due primarily to the underpayment of shared ministries,

Therefore, be it resolved that effective January 1, 2015, the distribution formula for earnings from the Conference Endowment Fund be: 4.5% to CF & A for Stabilization Fund and 1.5% for Endowment Distribution Committee. This formula change will be reviewed in 2019 for a report to the 2019 Annual Conference Session.

Rationale: When the Endowment Distribution Committee was established, the Conference Endowment Fund was the only source of grant funds to local churches and institutions. With the receipt of Thaxton and Pippin Funds, there are more sources for funds for the Endowment Distribution Committee to share with churches and institutions. The intended unification of the Texas and New Mexico Foundations may also provide additional resources for local congregations. The CF & A has tried to apportion funds for the Stabilization Fund but the payout has failed to increase the balance of the Stabilization Fund. If this resolution is passed, the Shared Ministry line item for the Stabilization Fund (of \$180,000) will be removed from the 2015 budget request.

Resolutions

Resolution for the Commission on Equitable Compensation Policy Revisions

Submitted by Commission on Equitable Compensation

Whereas, the current policy of the Commission on Equitable Compensation needs a minor revision to be in compliance with Paragraphs 331.10(b) and 625.4 of *The Book of Discipline 2012*;

Therefore, Be it resolved that the following be added to the Conference Structure, Procedures and Policies, in Section III “Equitable Compensation”, as III.D.2(a)(5):

5) In some instances, for missional reasons, consideration may be given to make funds available for the deacon in full connection when the primary appointment is to a local church. Salary shall not be less than the minimum compensation established for elders.

Whereas, the current policy of the Commission on Equitable Compensation needs a minor revision to be in compliance with Paragraph 358.6 of *The Book of Discipline 2012*:

Therefore, Be it resolved that the following be added to Conference Structure, Procedures and Policies, in Section III “Equitable Compensation”, as III.D.2(a)(6):

6) A retired ordained minister appointed to a pastoral charge shall not have a claim upon minimum compensation from the Commission on Equitable Compensation.

Resolution to Update the Conference Structure Procedure and Policies

Submitted by Rules Committee

Whereas, *Conference Structure Procedure and Policies*, Section I Procedures for Meetings of the Annual Conference have not been updated to take advantage of electronic communications;

Whereas, the administrative staff of the Conference Office have identified to the Rules Committee certain changes to implement electronic submissions in order to streamline creation and distribution of the Pre-Conference Journal;

Whereas, the utilization of Legislative Committees is no longer expected;

Whereas, Section I.C .3 Consent Calendar requires clarification concurrent with the deletion of Legislative Committees from the *Conference Structure Procedure and Policies*;

Assets from Church Closures

Submitted by the Board of Trustees

Addition to the Conference Rules and Policies: Conference Rules of the Trustees policies and procedures.

Rationale: The mission of the United Methodist Church is “to make disciples of Jesus Christ for the transformation of the world.”

And: The New Mexico Conference as part of our Vision 2020 has specified that our mission is to “engage, equip, and empower every local church in its mission to develop dynamic disciples of Jesus Christ for the transformation of the world.”

With part of our fulfillment of that mission are the stated goals to “foster and sustain vital congregations and create new places for new people.” We propose that the funds from the sale of any church closure should be used to help fund the creation of new faith communities, to help existing congregations enhance vitality, and to continue providing resources for the Trustees to have in reserve for care of property.

We would recommend the adoption of the following rule:

Effective July 1, 2014 all proceeds from any church closure, included those from previously closed churches, are to be divided after all expenses have been paid as follows: 50% of funds to the creation of new faith communities, 30% of funds to provide matching funds for existing congregations to enhance leadership and vitality, and 20% of the funds will remain in the Trustees accounts to pay for the upkeep and sale of conference property and other property related issues.

Explanation: The 50% allocated to the New Churches will be placed in the New Church Development Fund to help pay for rental space, equipment and other non-salary related needs of new church starts in the New Mexico Conference. This fund will be overseen and distributed by the New Church Development Committee of the NM Conference. The 30% of the assets received will be placed in an account to provide matching funds for existing congregations to receive training for leadership for both clergy and laity. Examples would be helping a church to participate in the Healthy Church Initiative, the Small Church Initiative, or for clergy and laity to attend an event such as the Leadership Institute at the United Methodist Church of the Resurrection. These funds will be awarded by the Conference Ministry Team. The remaining 20% will remain in the accounts of the Trustees to help maintain the Conference Office Building as well as to have funds available to help pay for expenses related to properties entrusted to the Trustees by the Annual Conference.

Standing Rules of the New Mexico Annual Conference for the Election of General & Jurisdictional Conference Delegates and Alternates

Submitted by Rules Committee

The following standing rules are to govern the election of Lay and Clergy Delegates and Alternates to General and Jurisdictional Conferences. References to “Discipline” shall mean the current version of “The Book of Discipline of the United Methodist Church”.

1. The New Mexico Annual Conference Delegation shall comprise:

- General Conference Delegates [as per Discipline ¶ 502]: currently one clergy delegate and one lay delegate (who shall also serve as delegates to the Jurisdictional Conference);
- Jurisdictional Conference Delegates: [as per Discipline ¶ 514]: currently an additional one clergy delegate and one lay delegate, who shall also serve as reserve delegates to the General Conference; and
- Alternate Delegates to the Jurisdictional Conference: three additional clergy delegates and three additional lay delegates.

2. Qualification of Lay Delegates: Lay delegates and their alternates shall have been professing members of The United Methodist Church for at least two years next preceding their election and shall have been active participants in The United Methodist Church for at least four years next preceding their election. They shall be members of a church in the New Mexico Annual Conference at the time of their election. There is no age requirement for election. The lay delegates shall be elected by the lay members of the Annual Conference; clergy members may not vote for lay delegates. [Discipline ¶ 36]

3. Qualification of Clergy Delegates: Clergy delegates and their alternates shall be elected from the clergy members in full connection with the Annual Conference. The clergy delegates shall be elected by the clergy members who are deacons and elders in full connection, associate members, and those provisional members who have completed all of their educational requirements and local pastors who have completed course of study or an M. Div. degree and have served a minimum of two consecutive years under appointment immediately preceding the election. Affiliate clergy members and lay members may not vote for clergy delegates. [Discipline ¶ 35, ¶ 327.2, and ¶ 602(a), (b), (c), and (d), and as printed in the errata dated 11/01/2013, per Judicial Council decision #1181]

4. Nomination: no formal nomination is required. Any qualified person receiving votes is deemed nominated.

In advance of the Annual Conference session where lay delegates will be elected, the Conference/District Lay Leaders may request lay members interested in becoming a delegate to provide a notice of interest/qualification [in the form and content as established by that Lay Leadership of the Annual Conference] which shall be distributed to the Lay Members of the Annual Conference at or prior to the Annual Conference session for an election. At the Laity Meeting of that Conference session, the Conference Lay Leader may provide a scheduled introduction to the Laity of the Session of all lay members expressing an interest in becoming a delegate.

Resolutions

- 5. Time of Election:** Election of delegates shall be at the session of the New Mexico Annual Conference held not more than two annual conference sessions before the calendar year preceding the session of the General Conference, and in conformance with Discipline ¶502.3. The determination of which Annual Conference Session the election will take place will be the responsibility of the Conference Ministry Team (CMT), with input from the current delegation.
- 6. Vote Required for Election:** A delegate is elected upon receiving a number of votes equal to a simple majority of the ballots cast in that balloting round, counting only lay ballots toward a lay election and only eligible clergy ballots toward a clergy election. Ballot rounds will continue to be held at the session until the entire Delegation is elected.
- 7. Order of Election:** The General Conference Delegates shall be elected first, then the Jurisdictional Delegates, and then the Alternate Delegates. When voting for Alternate Delegates, each ballot round will call for the total number of Alternate Delegates to be elected. For example, if electing three Alternate Delegates, the ballot may include up to three names.
- 8. Order of the Day:** When a ballot round has been tallied and is presented to the Bishop, the reading of the ballot results and the next round of balloting shall be the order of the day.
- 9. Casting Ballots:** Ballots shall be cast from within the bar of the conference session and during the time allotted by the Bishop.
- 10. Official Ballots:** Votes will be counted if cast using the official ballot book distributed at registration **and** if cast on the ballot page announced by the Bishop for that ballot round. Voting on a ballot page other than the page announced by the Bishop will result in that ballot being disqualified.

Members are responsible for ensuring they have been issued the appropriate lay or clergy ballot book at the time of registration. Members are advised to clearly identify their ballot book as their own. Members are further advised to begin using the numbered balloting pages as the ballots, and not the pages at the back of the ballot book provided to record ballot round results.
- 11. Form of Ballot:** Members must vote for no more than the number of delegates or alternates to be elected in that round of balloting (i.e., if seeking to elect one delegate, only ballots with one vote for one name will be counted; if seeking to elect three alternates, only ballots with up to three different names on them will be counted.). Voting for more than the number to be elected on that round of balloting (or voting for the same name multiple times) will result in that ballot being disqualified. Voting for the maximum number of different names at each round of balloting will shorten the time required to elect alternates.
- 12. Lay Member Alternates:** If a lay member is going to be absent from the floor, the lay member may entrust his or her Ballot Book to an official alternate from the lay member's church. Alternates may vote if they have the Official Ballot Book in hand at the time of the vote of a ballot round. There are no alternates for clergy members.
- 13. What is in Order During Balloting:** After the Bishop has read the results of a ballot and before the next round of balloting is announced, the following two matters may be raised from the floor:
 - a) Questions regarding the voting and election process; and

Resolutions

- b) Statements by persons receiving votes who wish to decline election.
- 14. Displaying of Election Results:** Results of a ballot shall be displayed on the multimedia screens only upon the direction of the Bishop.
- 15. Decorum:** No campaign speeches for or by any candidate may be offered from the floor of the Conference Meeting.
- 16. Legibility and Discernibility of Ballots:** Tellers will count all votes that are legible and discernable as to the intent of the voter. The Head Teller, the appointed Rules Committee Member, and the Conference Secretary shall be the final arbiters of the discernibility of a ballot.
- 17. Distribution of Additional Ballots:** In the event all ballots in the Official Ballot Books are used, new ballots will be distributed to those possessing used Ballot Books.

ADMINISTRATIVE REPORTS

Albuquerque District

Rev. James E. Large, Albuquerque District Superintendent

Thank you for your warm welcome back into the Albuquerque District! We have had a good Conference year, and are looking forward to another excellent year in the Lord's Vineyard! Some highlights of our year together.

- I was officially "installed" in a beautiful worship service at 1st UMC Albuquerque on September 21st.
- We have had two gatherings of clergy and their families at our home.
- We are co hosting with the Board of Pension and Health Benefits and the NM Methodist Foundation a gathering of Retired Clergy and Spouses and Surviving Spouses and Incapacity Pastors at St. John's UMC on March 15th.
- The Healthy Church Initiative is very active and having great benefits to participating churches. We now have St. John's UMC, Santa Fe, First UMC, Los Alamos, and Covenant UMC in Albuquerque who have adopted Prescriptions and have begun working on accomplishing them in the near future. Mountainside UMC in Albuquerque will have their HCI weekend soon. We are working on plans to roll out another HCI group including the Small Church Initiative this fall.
- Bishop and Leslie Bledsoe and I made a tour in early September of the Four Corners Churches. Thanks to the direction of Raquel Mull, our Four Corners Director, we travelled nearly 1900 miles and saw all but one of our churches. Our Four Corners churches and pastors are working very hard at bringing the Good News of Jesus Christ to the Navajo Reservation. In early 2014, First UMC in Bloomfield hosted a Lay Servants Training event, and 25 of our Navajo Pastors took a class taught by Rev. Roger Tsosie in Navajo.
- In addition to the Navajo language section taught in Bloomfield, there were over 20 Lay Servants trained in either beginning or advanced courses! Thanks to the Bloomfield Congregation and Rev. Kathy Potter for taking the leadership in that event.
- Thanks to the work of John Milholland, Grant Claycomb, Clyde Stanfield and Todd Salzwedel, the first training module of the Certified Lay Ministers course was taught in early February at St. Stephens UMC in Albuquerque. Nearly 20 participants took this course. We are hoping to continue this training throughout the years so that our local churches can be blessed with trained Certified Lay Ministers.
- Our District Missions Committee continues to be active in promoting, coordinating and supporting our Local Churches in Mission and Outreach. Thanks to a generous donation from Grace United Methodist Church Albuquerque (the new named congregation formed from Carlisle Plaza and Harwood UMCs) the District Missions Committee was able to pay in full for all of the mission projects in January of 2014. Contributions to the District Missions Shared Ministry item will replenish the fund for next year. Albuquerque District Churches supported the District Missions Shared Ministry line item at 102% for 2013!

Many things have happened, and many things still need to be accomplished. I thank you for the opportunity to continue to work with you as your Superintendent.

Clovis District

Rev. Jane Vaughan, District Superintendent

In Isaiah, God said, “Do not remember the former things, or consider the things of old. I am about to do a new thing, now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert.” The pastors and the people of the Clovis District have heard that scripture in all kinds of ways this year.

Last summer we encouraged all the 45 churches to participate in a time of prayer and fasting. After 40 days, listening meetings were held to bring clusters of congregations together—to see each other and to understand they are not alone. Then this spring we are planning a district mission trip so that folks who would like to go on a mission trip can with others in the district. If one person in each of our churches can get excited about mission, I believe it can make a huge difference in the way the churches behave in their communities.

At present we look forward to a new thing in the northeastern part of our district. We are rolling out a four-point charge at Clayton/Amistad/Logan/Nara Visa. Jay Jones is our presiding elder for the charge. The spring will bring training for the laity to preach, teach, and administer the four churches. How exciting to look at “new” ways to make disciples!

The Clovis District is a vibrant, mission-oriented, and welcoming group of churches, congregations, and pastors. I am truly grateful to God to be a part of this corner of the kingdom of God.

Our district includes two very different but much needed ministries. Landsun Homes, in Carlsbad, is an award winning assisted living, nursing home, and hospice facility. Their mission is to minister to older adults in body, mind, and spirit. They have been doing mission for many years and with our generous donations, will continue for many years to come. We welcome their new Director, Dudley Jones.

Sacramento Methodist Assembly in Sacramento is our camping/retreat center for the conference. The activities, the facility, and the food are outstanding. Bill and Cindy McCuaig have done amazing work to make Sacramento a premier retreat center. Sacramento deserves our continued support because they make a difference in so many lives.

The Clovis District is also blessed with two Wesley Foundations. ENMU’s new director, Elizabeth Kirkwood, is doing a great job. We are so pleased to have her in our midst. If you attend one of the ENMU Wesley events, you will see college students everywhere. The Satellite at ENMU Roswell has a great Sunday night service and has a large group from the New Mexico Youth Challenge who attend.

Yes indeed, God is doing a new thing in the Clovis District. May we continue to listen to the leadings of the Holy Spirit.

El Paso District

Dr. Steve McElroy, District Superintendent

We do not serve the world; we serve the Lord Jesus. We cannot even begin to serve Jesus unless we have a personal, day-by-day encounter with Him. No matter what the work is, no matter what the vision and goals are, no matter our good intentions...it must begin with Jesus. Our churches can never be as strong as they could be unless we, clergy and laity, seek the presence of Almighty God in our own lives. So once again Lord, let it begin with me.

It has been my honor this past year to be the District Superintendent and to be able to work with the clergy and laity of the district. The district stretches from the Southern New Mexico/Arizona border to the Odessa, Texas area. That is approximately 600 miles wide. This poses some obstacles but most churches are very understanding.

I have enjoyed the chance to visit every church in the district during the Charge Conference season. Our churches come in all sizes and many different types of worship centers and sanctuaries. Some of our churches are growing, some are maintaining and others are struggling. I have found that in every church there are laity who want their church to be a vital congregation with energy, passion and outreach. However, 'wanting' this is not enough. We must be willing to understand what our mission field is and be willing to vision how to reach the people in our mission field. We live in a different world than we did even 5 years ago. We must be willing to change, to think and to vision outside the box.

The population in the district is about 70% Hispanic. The United Methodist Church must become more proactive to understand the Hispanic community and culture to be able to reach out and share the love of Jesus with them. The El Paso District anticipates receiving 6 churches from the Rio Grande Annual Conference at Annual Conference this year. I look forward to working with those churches and pastors and I believe that we can work together to be stronger in our mission.

Odessa launched a new Church Start last year called The Bridge. The Bridge is in a mother/daughter relationship with FUMC Odessa. The launch took place in January, 2013 with the Rev. Donnie Williams as the pastor. The Bridge has joined The Ridge (West El Paso) and Ekklesia (East El Paso) as New Faith Communities in the El Paso District.

The El Paso District is blessed with Wesley Foundations at New Mexico State University, The University of Texas at El Paso and Sul Ross University. Our Wesley Foundations are the next step of faith and commitment for many of our young people. We are also blessed with the Houchen Community Center in El Paso and the Lydia Patterson Institute, also in El Paso.

The success and importance of the Equipping Disciples for Excellence (EDE, EYE, EKE) training event continues. Our keynote speaker this year was Bishop Earl Bledsoe. Mark your calendar for the next EDE which is scheduled for January 31, 2015. Bishop James Dorff will be our keynote speaker.

Administrative Reports

I have enjoyed working with Bishop Earl Bledsoe. I have found him to be a man of wisdom, vision and grace. Bishop Bledsoe and Leslie have been in our District many times talking with the Laity and the Clergy. He has also preached in a number of our churches.

I want to thank Beverly Wood whose knowledge, wisdom, and patience have meant much to me this year. I also want to thank Tom Thomas who has worked with me as the El Paso District Lay Leader. Tom is also chairing the local arrangements committee that prepares for Annual Conference this year. So, on behalf of the El Paso District, we look forward to seeing you for Annual Conference in El Paso in June. Bienvenido a El Paso. Que sean bendecidos mientras este aqui.

Endowment Distribution Committee

Rev. Tom Garmon, Chair

The New Mexico Annual Conference Endowment Distribution Committee met twice to take care of Conference business. The spring meeting awarded distributions totaling \$118,480.00. Spring grantees included: Sacramento Methodist Assembly (\$66,000, Bishop's/Vitality Awards); New Mexico Annual Conference Youth Ministry (\$3,000, Bishop's/Vitality Award); Central, Albuquerque (\$5,000, Bishop's/Vitality Award). Distributions from the Pippin Endowment included: Peralta Memorial (\$2,000), SARANAM (\$23,500), St. Luke, El Paso (\$4,500). Thaxton Endowment distributions included: Sacrament Methodist Assembly (\$1,000); First UMC, Melrose, (\$10,380); Morningstar UMC, Las Cruces, (\$1,200).

The committee met a second time on January 9, 2014 for the purpose of distributing leftover funds from the 2013 calendar year. The distributions were as follows: Bishop's/Vitality awards went to: NMSU Wesley Foundation, (\$3,650); First UMC, Monahans, (\$9,331); University UMC, Las Cruces (\$17,909). Thaxton Endowment distributions went to Resurrection UMC, Odessa (\$1,200); First UMC, Los Alamos, (\$5,000); St. John's UMC, Santa Fe, (\$2,000); Amigos Del Valle (\$5,000). There were no additional Pippin funds leftover from 2013. The totals of awards and grants for 2013 amounted to \$162,570.00.

The January meeting also saw the election of Committee officers for 2014. They are: Rev. Tom Garmon, Chair; Delpha Dunning, Vice-chair; Rev. Greg Henneman, Secretary. Other committee members include: Rev. Bonnie Hardesty; Mary Forester; Claire Phillips and Rev. Jeff Lust.

Once again, we are grateful to the Thaxton and Pippin families for their vision and generosity in enabling the New Mexico Annual Conference to develop and maintain new and effective ministries within our portion of God's Kingdom. Additionally, we are grateful for the expertise and support of the New Mexico Conference Methodist Foundation. Praise God, from whom all blessings flow!

Report of the Committee on Episcopacy

Mrs. Donna TeBrink, Chair

The Committee on Episcopacy is often compared to the Staff-Parish Relations Committee in the local church. This group looks at the specific life and needs of the Annual Conference and the Bishop and fulfills a variety of roles and responsibilities throughout a quadrennium. Hosting farewells and welcomes for Episcopal leaders, managing and caring for the Episcopal residence, communicating the role of the Bishop in the Annual Conference, and developing evaluation tools and timelines are some of our tasks. Forming a meaningful and honest relationship with our Bishop is a priority so we can evaluate and support his work as well as express the needs of the Annual Conference to the Bishop.

This past year has been a year of welcoming Bishop Earl and Leslie Bledsoe and a time for them to get acquainted with the Episcopal Area. They have traveled extensively preaching and speaking as well as listening and learning. It has been a valuable use of time forming relationships. In October 2013, Bishop Bledsoe attended the NMAC Vision 20/20 leadership retreat. He is fully supportive of the goals and is helping lead us to realize them. Each year, Bishop Bledsoe prepares written statements for the committee that includes his learning, how he sees the Annual Conference, and his personal and professional goals for each year. These documents have become the basis for many conversations as well as benchmarks for evaluation.

The episcopal residence is serving us well. It has been well cared for and maintained. Each year a walk through inspection is performed so that repairs can be made and some new improvements can be made as well. We plan to raise the wall around the property this spring and make some adjustments with the sprinkling system.

Since we share a Bishop with the Northwest Texas Annual Conference, the leadership of each Conference believes it helpful for the Conference Committees on Episcopacy to meet together. This joint area Committee on Episcopacy met together in Lubbock and once in Albuquerque. Donna TeBrink was elected to chair this joint committee.

Jeff Lust and Donna TeBrink also serve on the Jurisdictional Committee on Episcopacy. This committee meets twice each year and is the group who evaluates, interviews, and assigns Bishops in the South Central Jurisdiction.

Commission on Equitable Compensation

Rev. Reuben S. Thomas, Chair

The responsibilities of the Commission on Equitable Compensation (CEC) are twofold. First, it is to insure that all full-time pastors appointed to local churches receive an adequate and equitable compensation for their appointment. Pastors who serve local churches that are unable to meet the minimum base compensation and are deemed to be vital churches within the mission field where they are located, may apply through their respective District Superintendents for assistance from the CEC. The CEC is charged by the *Book of Discipline of the United Methodist Church* to study the needs of additional support within the Conference and

Administrative Reports

sources of income, and recommend annually to the Conference for its action a schedule of minimum base compensation for all full-time pastors.

The second responsibility of the CEC is to our Mission Churches, especially considering our diverse ethnic population, within the bounds of the Annual Conference. At the present time we are supporting the following missions and mission churches: St. Andrew's United Methodist Church, La Mesa United Methodist Church, Anthony United Methodist Church, and the pastor appointed by the Bishop as the Director of the Four Corners Native American Ministry. Our total annual responsibility for mission support is approximately \$93,948 (salary plus health and pension benefits).

In addition to the mission support, we are providing assistance for four additional churches/charges that are listed below. Since the last Annual Conference, we also had two special requests: assistance during the transition of the Chaplain at Landsun Homes for a total of \$7,911; and moving assistance for the pastor of El Buen Samaritano United Methodist Church for \$1,440.75.

The denominational average compensation for 2015 is \$66,259. Our Conference average compensation for 2015 is \$68,914. The average compensation less housing is \$55,131. In view of the overall national economic situation and the hardship it would impose on some of our smaller churches, the CEC, in conjunction with Bishop Bledsoe and the Cabinet, are recommending to the Annual Conference that the minimum base compensation remain at the 2014 levels for 2015. In order to accurately depict the actual support required for each category of pastors, the following table includes a column for the total package of base salary, pension, and family health benefits:

Category	Base Salary	Percentage	Total Package*
Student Local Pastor	\$32,473	59	\$57,076
Full-Time Local Pastor	\$33,971	62	\$58,855
Associate Member	\$35,470	64	\$60,245
Provisional Member	\$36,469	66	\$61,431
Full Connection Member	\$38,967	71	\$64,397

*does not include housing

Our Bishop and Cabinet have worked hard in making appointments in order to reduce the needs for assistance from the CEC especially in view of our overall economic situation, and we appreciate their efforts and thank them. As a result of their efforts, two churches no longer receive assistance from the CEC. Starting in 2013, the CEC has adopted a more aggressive approach for assisting churches on equitable compensation to help them grow and become self-sustaining. The CEC has also adopted a policy of sliding scale participation; beginning January 1, 2015, churches currently receiving assistance will be reduced to 80 percent and in subsequent years 60 – 40 – 20 percent. The guidelines for requesting assistance from the CEC can be found under the Conference Structure, Procedures and Policies of the *Journal*.

The following churches/charges and missions are currently receiving funds from the CEC:

Report # 1: Our 2013 Shared Financial Ministry

Why do people grow to become generous givers?

People give when they trust the leadership.

The number one rule in fundraising is that people give to people. They know that programs and buildings do not change lives, but people do. They must feel confident in the leadership to guide the institution in fulfilling the mission..... Many churches want to defy this reasoning, acting like persons of wealth should not desire a trusting relationship with their leaders (pastors). These poor churches pretend that lack of information about donors is a good thing for its leaders. They even set up policies that say that no pastor shall know what persons give, making it impossible for a pastor to even say thank-you to a donor for a major gift, as if being thanked is not helpful or polite. --- J. Clif Christopher

Study after study has proven that in the hierarchy of giving, people give first of all to people they believe in. Then they give to purposes. Finally they give to programs. That means that the most essential elements in teaching people to give are relational, not functional. - Rick Warren

People give when they catch a vision, not when they see a need.

The Bible says, *"Where there is no vision the people perish."* Did you know that Ivy League schools usually receive the largest endowments? And they are the schools that need the money the least. Why? People give to success. They give to vision. They don't give to needs..... You must be very clear about what your vision is. At Saddleback, we've never had a vision for a building, but rather for what the building can help us do. We've never had a vision for raising money, but rather for what the money can do. Emphasize the lives that will be changed as people give – the marriages that will be saved, the broken people that are going to be put back together, the people who will break addictions, the changed lives that will happen. That's the vision! --- Rick Warren

Administrative Reports

People don't relate to program numbers. They relate to changed lives..... The hunger organization doesn't tell you data on how many persons they fed over how many countries in so many days. They feature the face of one child and tell you how the child's mother brought him to the food center and how the worker intervened in his life with nourishment to where he is now running and playing with other children. One can easily see how this is a life that has been changed. The whale organization doesn't tell you what a new boat costs or what one trip to sea will mean in diesel fuel. They feature a picture of a giant blue whale leaping in the air and tell you how that whale was saved through some action they took in the Pacific Ocean. In other words, they help convince you that they are doing the mission they advertise. – J. Clif Christopher

People give to proven success.

The number of social causes has multiplied tremendously. Donors must make choices among many more options than in former times. My view is that donors may give small gifts based on the needs of others or based on traditional obligations, but donors will make very different decisions to contribute significant amounts if by doing so they can support solutions to social ills where success can be proven with evidence. – Paul Dirdak (former Deputy General Secretary (CEO) of UMCOR

People give to experience the joy of generosity.

It feels good to give generously – it really does. A person who doesn't understand that has never given generously. The happiest people in the world are the most giving people. Guilt never motivates people to give. Giving that is motivated by guilt only lasts as long as the guilt does. So you never use guilt to motivate people to give. You use joy to motivate people to give. – Rick Warren

People give when they are inspired by models.

We learn best by watching models. That's why a testimony about giving is a thousand times more effective than a sermon on giving. Models motivate us. Giving is contagious. So I encourage people to write down and send me their testimonies, how they decided to give, and what they were giving. – Rick Warren

People give when they are involved.

Paul told the Philippians, *"I thank God because of your partnership in the gospel."* The fact is those who are most involved in the campaign will be those who sacrifice the most. – Rick Warren

People give when you ask them to give.

James says, *"You have not because you ask not."* The Bible says ask and seek and knock. God asks people to give. The fact is we're doing people a favor when we ask them to give because they grow in faith, they grow in love, they grow in sacrifice, they grow in commitment, and they grow in character as they learn to give. They will be blessed in return. Never say no for anybody. Your church will be hurt more by those who would have said yes and were not asked than by those who were asked and said no. --- Rick Warren

When a donor makes regular and repeated contributions, always ask that donor for more than he or she gives at present. Asking for an amount that is smaller than the current gift communicates that the church is less than fully aware of the gift, that the church takes the

Administrative Reports

current gift for granted and that the church really does not believe in the urgency of its appeal. -
-- Paul Dirdak

People give when you make it possible for them to give.

2 Corinthians 8 says, *"For if the willingness is there the gift is acceptable according to what one has not according to what one does not have."* That means you need to make it possible for people to give in as many ways as you can. Teach people how to *want* to give and they'll figure out *how*. – Rick Warren

Non-profits use seven different ways to raise money. They are:

- a. Direct mail (in churches this is Member/Donor Pledges; in other institutions this includes electronic solicitation)
- b. Events
- c. Legacy Gifts
- d. Investment Income
- e. Grants
- f. Sale of Goods/Services
- g. In-kind Support

---- Paul Dirdak

People give when their gifts are appreciated.

The whole book of Philippians is just a thank you letter from Paul for their offering, for their financial support. Figure out seven ways to thank people for their gift – a card, a call, a banquet, etc. A little appreciation goes a long way in encouraging people to be generous for the long haul. – Rick Warren

In fund raising as in life, there is no such thing as too much gratitude. People may not need to be thanked, and they may not even like being thanked, but it inspires much greater trustworthiness for donors to see hard evidence that their sacrifice is known and noticed and taken seriously. The best practice is to acknowledge each gift within three business days of having received it. Modern non-profits are able to calculate the amount of lost donations over the life time of each donor for every day in excess of three days that acknowledgements are late. – Paul Dirdak

**How is your church visioning, communicating and carrying out efforts
to help people give generously?**

Administrative Reports

How are we giving as the New Mexico Annual Conference?

Reflection on the giving patterns of the previous five years show us that many thanks are due and more work is needed by both local churches and the Council on Finance and Administration to help us grow in generosity as an Annual Conference.

Year	Shared Ministry payout
2009	85.1%
2010	78.2%
2011	74.8%
2012	76.9%
2013	71.9%

Thank you to the 88 churches that gave 100% of your Shared Ministries. These churches represent 65% of all churches that are apportioned in the New Mexico Annual Conference. The Council on Finance and Administration is encouraged that these 88 churches show us a widespread congregational commitment to our common ministry as United Methodist Christians working to make disciples for Jesus Christ. We are thankful to the 27 churches that improved in their % of Shared Ministries paid in 2013. Your work to grow is appreciated.

The following is a recap of our connectional giving in 2013:

In 2013 the New Mexico Conference was comprised of 141 churches, 17 mission congregations, and 2 united churches. The faith communities of the New Mexico Conference completed their 2013 connectional commitments through the Shared Ministries at 71.9%. Churches united to provide \$ 2,835,385 in support of the work of the Conference to engage, equip, and empower every local church in its mission to develop dynamic disciples of Jesus Christ for the transformation of the world. Thank you from the Council on Finance and Administration.

Seeing the goal of 100% support of the full Shared Ministries budget, the Council on Finance and Administration is aware that the 2013 71.9% payout reflects a balance due of \$1,106,015 from \$3,936,716 Shared Ministry budget including the District askings.

There are approximately thirty various mission and ministry entities across the New Mexico Conference and the denomination that are directly impacted by this deficit, i.e. New Church Development, Sacramento Assembly, and Higher Education and Campus Ministry.

We also recognize that many local congregations have an abundance of resources to which they direct their giving. We take special note that Second Mile giving for the churches of the New Mexico Annual Conference shows the generosity and the abundance of New Mexico Annual Conference church members. In 2013 Second Mile Giving totaled \$1,718,738, a 17% increase from 2012. In fact Second Mile giving has increased a total of \$345,182 over the past five years. (a 25% increase)

Administrative Reports

More Review of Shared Ministries Giving:

Our largest deficits came from ten churches within the New Mexico Conference. Five Albuquerque District churches accounted for \$256,727 of the deficit and five El Paso District churches accounted for \$426,796. The total deficit to the conference ranged from 17% to 3% of the budget from these ten churches.

Within the churches of the Albuquerque District, twenty seven churches paid 100% or better, six paid from 50-99%, nine paid from 1-49% and 3 paid 0%. Eleven churches increased their percentage of giving. These figures represent a percentage payment of 72.6% and \$1,170,662. The overall decrease from 2012 for the Albuquerque District was 2%.

In the Clovis District, eight churches increased their percentage of giving. Thirty six churches paid 100% or better. Four churches paid from 50-99%, five paid from 1-49%, and 1 church paid 0%. The Clovis District gave \$879,911 or 89.7% of their asking. This was a 5.8% increase over 2012.

The El Paso District had eight churches increasing their percentage of giving. Twenty eight churches paid 100% or better, seven paid from 50-99%, ten paid from 1-49% and three paid 0%. These figures represent \$780,712, and 57.9% of their asking. Their percentage of decrease was 16.3% from the 2012 figures.

The 2013 Shared Ministry asking for the mission and ministries commitments from the faith communities of the New Mexico Conference ranged from \$336 to \$270,032.

The Council on Finance and Administration celebrates and recognizes, along with the churches that comprise the New Mexico Conference, the many opportunities for mission and ministry that are represented by these percentages and dollar figures. We also share each local church's concerns during these times of fiscal challenge.

Report # 2: Stabilization Fund of the New Mexico Conference

"The Conference Stabilization Fund is to be used for the advance payment of salaries and expenses for the District Superintendents, Campus ministers and other conference connection personnel, as well as for budgeted items that are approved by the Annual Conference."

The Stabilization Fund is utilized for necessary advance payments during those months of the fiscal year when the Shared Ministries payments from the local churches of the conference are historically slow in coming to the Conference Treasurer, but when the financial obligations continue.

Historically, the Stabilization Funds come from the following sources: unspent money from the former Contingency Fund in the annual conference budget; unspent money from the program budgets of the annual conference; the accrued interest and earnings from invested conference funds, and the Shared Ministries line item in the annual conference budget.

Administrative Reports

The Conference Stabilization Fund is an important tool of sound management for funding the programs and mission of the New Mexico Annual Conference, especially during difficult financial times.

Please note two important areas for understanding:

1. The recommended budget asks for \$302,888 less than the 2014 budget, an 8.7% decrease. Combined with the 7% decrease from the 2013 budget reflected in the approved 2014 budget, the New Mexico Annual Conference has reduced its Shared Ministries budget a total of \$563,219 (15% decrease) over the past 2 years. We hope that leaders of local

Administrative Reports

congregations recognize the intentional work of the Ministry teams and Annual Conference leadership to seek ways to provide for ministry as we transition to a more congregation-focused approach for our life as the Annual Conference.

2. The Council of Finance and Administration recommends that the Stabilization Fund line item be removed from the 2015 Shared Ministries budget.

Rationale: Each year the New Mexico Annual Conference takes a 6% distribution from the New Mexico Annual Conference Endowment. Historically 3% of the distribution went to the Endowment Distribution Committee as funds for Bishop Awards and Vitality Grants for deserving special ministries of local congregations. The other 3% was granted to the New Mexico Annual Conference Foundation to fund operational costs. The uniting of the New Mexico Methodist Foundation and the Texas Methodist Foundation provides for the following realignment of resources:

1. The 3% distribution is no longer needed to cover operational costs of the New Mexico Foundation.
2. The united New Mexico and Texas Foundation has funds available to potentially meet the needs of congregations previously served by Vitality Grants and Bishop's Awards.

Therefore, the Council of Finance and Administration believes that the Annual Conference approval of the Resolution entitled RECOMMENDING CHANGES TO THE CONFERENCE ENDOWMENT DISTRIBUTION will provide adequate funding for the Stabilization Fund of the New Mexico Annual Conference.

Board of Ordained Ministry

Rev. Scott Sharp, Chair

There is a great TED Talk entitled “The Importance of the First Follower.” The talk begins with a video clip of a man dancing by himself at a music festival. He is odd, all by himself, dancing while the other festival-goers are all relaxing on blankets, sitting in the grass and passively enjoying the music. All by himself the man appears to be a lunatic at worst or a little too much of an exhibitionist in the least.

The man continues to dance alone for quite some time but then another person joins him. When the second dancer shows up the first dancer hugs him, thanks him and welcomes him by honoring him and making it very clear that he is happy to see the second dancer. Meanwhile the people on the grass and on the blankets now observe that there are two potential lunatics on the fringe.

But this is where the shift happens. The first follower—the second dancer—breaks the ice and makes the lone dancer seem like less of a lunatic. When the second dancer decides to join the lone dancer the attitude of the general population begins to shift. In the video what happens next is amazing. As soon as the first follower joins the lone dancer person after person gets up and joins the dance and soon there is a mob of dancers with very few people left on the grass and blankets.

The Board of Ordained Ministry’s work on behalf of the Conference is to credential pastors who are recommended for ministry by local churches and District Committees on Ministry. This process mirrors in some ways the insight of the TED Talk described above. There is something to be said about the role of pastor as the “lone dancer” who looks a little bit odd to most of the population. However, when a church decides to dance alongside a candidate for ministry and when a DCOM certifies that candidate and when the Board of Ordained Ministry recommends to the Conference a person for commissioning or ordination it is clear that this dancer is not alone.

This is where we return to the importance of the first follower. What is clear is that the most effective form of ministry is cooperative. When the pastor dances alone the laity observes him/her as a lunatic. When the laity dance alone the pastor sees them as un-necessary. Both temptations must be resisted by the grace of God. Pastors and laity need one another for ministry in an ever-complex, ever-changing, ever –post-Christian world. Sometimes it takes real bravery to be a pastor’s “first follower.” Similarly it can be very scary for a pastor to turn the work back to the people and be their “first follower.”

In the end, your Board of Ordained Ministry works in all humility and to the best of our abilities to present to the Conference people we believe are called, confirmed and credentialed for ministry as United Methodist Clergy. We pray for God’s grace to be made evident in the collaborative work between pastors and laity in their various expressions within the New Mexico Annual Conference to the goal of “Relevant, Passionate and Life-Changing Churches.”

Report of the Rules Committee

Tina Cross, Chair

The Rules Committee of the New Mexico Annual Conference took the following actions in 2013-2014

1. Responded to an assignment from the Conference Ministry Team in 2013 to propose the Standing Rule for action at the 2014 Annual Conference. The Standing Rule for action is proposed as published in the Resolution section of the 2014 Pre Conference Journal.
2. Responded to a request from the conference office to update the Conference Structure Procedure and Policies, as published in the Resolution section of the 2014 Pre Conference Journal.
3. Responded to a request from the Annual Conference Planning Team to work with Conference Finance and Administration Committee to increase the amount allowed for reimbursement for hotels/motels in the Travel and Expense Allowances section of the Conference Policies. Request was not approved by CF&A.
4. At the request of the Annual Conference Planning team, investigated possibilities for increased usage of the Consent Calendar at Annual Conference as exemplified by other conferences in the UMC.
5. Representation from Rules Committee is participating in the refinement and implementation of Vision 2020 through Conference Ministry Team +.

Conference Board of Trustees

Rev. Jeb D. Archey, Chair

The Board of Trustees have had another good year as we have continued to strive to be good stewards to the resources of the conference. Over this past year, we have dealt with property in our care. We have also worked with the conference insurer to ensure we have the best conference wide property, liability and workman's compensation insurance to protect all our pastors, staff and volunteers of all our churches to engage in ministry.

At our annual meeting on May 28, 2013 at First UMC in Clovis NM we elected the following officers, Jeb Archey, chair; Rob Hovious, vice-chair; Phil Huston, secretary and Cathy Anderson, treasurer.

Other members of the 2013-2014 Trustees: Stephen McElroy, Elton Hodgson, Marsha Wallace, Laurie McBride, Mark Ewing, Karen Janes, George Etheredge, David Snyman, Don Hancock, Myrna Olsen and Tom Garmon.

This past year, the trustees met once in person on May 28, 2013 in Clovis NM. We also conducted eight email meetings to vote on specific items dealing with the sale of property, approval of quotes, and for other issues. Utilizing electronic communication has allowed us to present the information needed to make decisions, without incurring the expense and time required for in-person meetings.

Administrative Reports

2014 Goals:

1. To continue working and maintaining the insurance program, negotiating and working to get lower premiums, working on prevention to help the conference avoid injuries or other issues that cause premiums to go up.
2. Continue to deal with property in our care, with special focus on the properties that the Trustees have managed for a long period of time.

Endowment Funds

The Endowment Distribution Committee makes distributions from the Thaxton and Pippin endowment funds. The trustees have two members who are part of the Endowment Distribution Committee; they ensure that the funds awarded maintain the wishes of the donors of both the Thaxton and Pippin families. The report of the Endowment Distribution Committee is found elsewhere in this journal.

Conference Wide Group Insurance

This past year we have continued to work with United Methodist Insurance to improve our relationship, service, and we worked with them to eliminate the 2% roof/hail premium for churches located in Texas. As we approached renewal in October of 2013, we were pleased to see that UMI heard our request to eliminate the 2% total value wind/hail roof premium for our Texas churches.

We have continued to watch the claims of our churches in dealing with the Conference Insurance plan. We will continue to work with UMI in the next year to maintain customer service and improve areas that are needed. And to work with UMI on helping local churches identify areas where they might reduce risk so that as a conference we can reduce our claims and improve our safety for our employees, worshipers and volunteers.

As a reminder, the New Mexico Annual Conference passed a resolution at Annual Conference in June 2002 that states the following in regard to property, liability, and casualty insurance: Be it resolved that the New Mexico Annual Conference and its member churches will participate in a mandatory Group Liability, Property, and Crime policy beginning June 2002. This resolution was added to previous conference action that all churches are covered and participate in the conference workman's compensation insurance plan. Under the current conference policy, there is not an option to withdraw from the conference-wide group insurance program provided through UMI.

Statement Regarding Safe Sanctuaries

Safe Sanctuaries continue to be a vital part of ministry in the NMAC. The Trustees celebrate that nearly all the churches in the conference have a Safe Sanctuary policy. We encourage you to make sure you are conducting Safe Sanctuaries training annually to make sure you are protecting your volunteers, employees as well as the children and youth of your church.

Conference Office Building

The Conference Office Building is a blessing to our annual conference. It is an important asset, and we seek to make sure it is maintained to keep it attractive, functional, and appropriate to serve as our Conference Office for years to come.

Accomplishments of 2013/2014 for the Conference Office Building:

1. Stucco – when the conference purchased the Conference Office building we knew that in the near future we would need to repair and replace the stucco on the exterior of the building. Over the past 4 years, we have watched the stucco and evaluated when repairs would be needed. This past year 2013, it was identified that the Conference Office building stucco would need to be repaired and replaced. After receiving a number of quotes for the job and comparing different types of stucco and paint options, the Conference Trustees voted to have the Reule Sun Corporation repair and stucco the Conference Office building for a total cost of \$16,475.00. It is our hope that the conference will not have to address the stucco on the Conference Office building for a number of years due to this work being done. This project was completed in September of 2013.

2. Gutters – as the stucco was being repaired, we were informed that the life of our stucco could be lengthened if we improved the collection and drainage of the water off of the roof of the Conference Office building. Upon this information, we asked Diane Lippitt to receive quotes to create catch boxes and gutters to catch the water off of the conference office building roof and to direct that water away from the building to the rear of the property. The boxes and gutters were custom made for the surface area of our roof to handle the volume of rainfall that can fall in Albuquerque in such a short time. In addition, the downspouts have been aimed to quickly direct the water away from the base and walls of the Conference Office building, while also directing all our drainage away from the pre-school located next door. In October of 2013, the Trustees voted to have gutters and catch boxes constructed and installed on the Conference Office building for a total cost of \$10,155.00. This work was completed in October 2013.

3. Gates – in the winter of 2013, the Conference Office building was broken into twice, causing damage to the building as well as having some computer equipment stolen. After the first break in, repairs were made and the alarm system was checked to make sure it was operating properly. After the second break in from the exact same place, it was recognized that we would need to place gates around the rear entrance to the building to prevent people from having access to the large plate glass doors and windows. In addition, it was recommended that a pole gate be created and installed to prevent vehicles from entering the rear parking lot when the Conference Office building is closed. After receiving quotes, the Trustees voted to have the gates and pole gate installed on the Conference Office building at a total cost of \$4,830.00. As of the writing of this report, the work is scheduled to be completed in March of 2014.

In our 2013 pre-conference journal report we shared that we had approved the upgrade of all the lighting in the conference office building. As part of this project we received a grant from

Administrative Reports

PNM, the electric utility, and we paid \$2,978.57 of trustee related funds to have the work done. We have now completed our first year since having this work done, and we are pleased to share that the conference saved \$2,143.07. In 2012, our total electric bill was \$7,525.92. In 2013, our total electric bill was \$5,382.85. In two years time we will have made up the amount we paid for the light upgrade in electric utility savings.

We will continue to look at ways that we can help the conference save resources by energy and water savings.

The loan statement the conference owes the New Mexico Methodist Foundation Inc. on the Conference Office Building loan as of 12/31/2013 is: \$287,593. The original loan amount was \$375,000.

Diane Lippitt has managed the Conference Office Building on behalf of the Conference; we appreciate Bishop Bledsoe's willingness to allow her to continue to function in this capacity, as well as Diane's work in keeping up with the building. As of February 2014, Peggy Wilson assumed the responsibility of managing the Conference Office Building. We look forward to working with Peggy, and are thankful for all that Diane has done in helping us protect our investment that we have in the Conference Office Building.

Updates on Other Property Entrusted to the Care of the Board of Trustees

Aves Trust

In April of 2013, the Trustees were notified that the NM Annual Conference was named in the Trust of Betty Jo Aves as one of 3 named recipients. After working with the other recipients to designate a successor trustee to oversee the distribution of the trust, in October of 2013 we received two checks from the Aves Charitable Trust totaling \$125,729.24.

Hillcrest Property

This past year, we were approached by the buyers of the Hillcrest property in Carlsbad NM to have another couple/church assume the mortgage due to the illness and death of the pastor that had been purchasing the property. We approved the transfer of the mortgage to Christ the Risen Son Church in Carlsbad NM under the same terms that we had agreed upon with the previous church.

Hagerman General Endowment

The Trustees currently oversee the Hagerman UMC General Endowment which is an asset we received as part of the closure of the Hagerman UMC. The value of the Hagerman UMC General Endowment as of 12/31/2013 was: \$142,678.

Eastham Trust

Since Annual Conference of 2013, the Trustees received notification that the Eastham Trust would be paid out, with one beneficiary having agreed to hold the mortgage against the trust as their portion of the trust. In October of 2013, a check was received for the amount of \$14,813.49. With the receipt of this check, we have received our amount as designated by the trust.

Hernandez Property

In June of 2013, the Trustees were contacted by our realtor currently showing Hernandez about the possibility of selling an acre of the property to a neighbor for \$25,000 cash. After researching the property and conducting a survey to see how many acres would remain with the property the Trustees voted on September 20, 2013 to sell one acre of the Hernandez property to the neighbors for \$25,000. After paying realtors expenses and for the surveyor, the check we received was for \$22,451.64.

The Hernandez property is still being leased to Victory Outreach of Espanola NM. Since the Hernandez UMC closed in 2004 the Trustees have incrementally come down from the initial listing price of \$350,000 to our current asking price of \$125,000.

We are currently discussing with our realtor about facilitating a lease purchase agreement with the current tenant to facilitate sale of this property, for we have had no interest from any outside parties about purchasing the property.

Presidio Property

This property is currently listed at \$110,000, which is down from the initial listing price of \$149,000. In June of 2013, we approved the sale of the property to a buyer. Unfortunately that buyer had complications in getting his financing straightened out so that sale fell through. We have re-listed that property at \$110,000 for other offers and are maintaining an open line of

Administrative Reports

communication with our potential buyer from last summer who still wants to purchase the property.

Imperial Property

A current survey is still needed for this property. We are in communication with a deputy sheriff in Imperial who is working to help us find a surveyor who has GPS survey equipment since many of the survey markers in the section corners have been lost or destroyed. If we get the survey complete, we hope to list this property or will explore other possibilities.

Encino Property

We continue to attempt to find the deed for this property. We believe we have found the name as the "Encino Methodist Church." The neighbor next door still wants to receive ownership of the property through the use of a quit claim deed. As soon as we can find official record of ownership we will execute the quit claim deed.

It has been quite a year to serve on the Conference Trustees; we pray that we are offering our best stewardship in the care of the property and the other areas we are responsible for. We give thanks for each church, clergyperson, and layperson and for the ministry that we share in the New Mexico Annual Conference.

PROGRAM AREA REPORTS

Commission on Archives and History

Carol R. Kaemper, Chair Pro Tem

History is a living thing. We are making it each day as we go about the business of our Annual Conference. It is our responsibility to preserve the record of that history through the documents that are created by the various churches, committees, and individuals. Committees are responsible for making sure this history is deposited in the Conference Archives, as noted in the Archival Policy adopted by the Conference:

“Administrative officers of the New Mexico Annual Conference and each of the Boards, Commissions, Committees and other agencies shall see that Conference-related activities are adequately recorded and the records preserved and deposited with the Archivist, except for active files of each agency. Each agency shall designate a person to act as liaison with the Archivist. No archival materials shall be destroyed without the approval of the Archivist.”

We encourage every Committee to review their files on hand and deposit any files that are no longer considered active into the Archives for safekeeping.

This has been a very difficult year for the Committee as we report the passing of two long-time members of the group, Rev. Larry Castillo-Wilson and Mrs. Ruth Cox Speer. Both were historians *par excellence*. Larry did extensive research into El Camino Real, writing articles and also giving presentations on the topic. He had a plan for a presentation to the Historical Society of New Mexico at their annual meeting in 2014 that he and Conference Archivist, Rev. Will Steinsiek were working toward, called “Protestantism in Territorial New Mexico.” In addition, Larry had been asked to speak (although later declined) at the 2013 meeting on El Camino Real. Plans were put on hold when we learned of Larry’s untimely death on June 11, 2013. When a caring, compassionate and very intelligent leader is lost, the group suffers. To date, there has not been a new Chair named for the Committee. We hope to see this rectified by the Conference Nominating Committee.

We also want to encourage District Nominating Committees to name a District Historian and forward this name to the Conference Nominating Committee to be added to the Archives and History Committee.

Ruth Cox Speer served on what was then called the *Commission* on Archives and History for many years. She was a stickler for detail and often reminded the writer of this current report that “There is no such thing as a singular Archive, Carol; it is always plural.” As we all know, the Committee presents the “Living Archives Award” each year to both clergy and lay people. As a matter of fact, the Committee meets each February and did so on February 12, 2014, to name new recipients of this prestigious award, Greeley and Roberta Myers and Milton Propp. Ruth, Patience (Pat) McGuire and Louise Miller, all members of First United Methodist Albuquerque, caused a newly edited, *History of New Mexico Spanish and English Missions of The Methodist Episcopal Church from 1850 to 1910, Vol. 1*, by The Rev. Thomas Harwood, A.M., D.D. to be printed in 1983. This volume is in use today and is enjoyed by historians locally as well as by people who attended the 2012 Convocation of Southeastern Historians held in Albuquerque of

Program Area Reports

that year. Ruth was a strong supporter and attendee of the Conference Heritage Tours that began in 1987, and she was so pleased that the Tours continued.

As Larry set the tone for gathering historical information from Protestant groups who helped to settle and educate Territorial New Mexico, plans are in the offing to secure grants that will hopefully encourage writers from Protestant denominations to submit stories on their religious leaders in the past. It is an exciting project and one that you will hear more about in the ensuing year.

This year a great deal of time has been spent reviewing our Roll of Deceased Ministerial Members. Names and dates have been corrected after much research. Some names have been added from our files in the Archives after carefully confirming that they did indeed belong on the list. We have also removed some names from this list because they could not be considered *Ministerial Members* of the New Mexico Conference at the time of their passing, even though they may have served churches within our boundaries in some way. A corrected list is provided with this report, and we ask that it be included in the Conference Journal.

We are now looking closely at clergy who served in the MEC Spanish Mission Conference and the Rio Grande Conference. In the future some of these names may also be added to our list. Toward that end at this time we would like to publish in the 2014 Conference Journal a Historic MEC New Mexico Spanish Mission/Conference Service Record, 1869-1939, compiled from the records by Rev. Robert Sawyer, our Historian Emeritus. This list will serve as a way to begin recognizing their contribution to the work of ministry within our Conference, and perhaps to even challenge us to embrace that “Spanish Mission” once again.

We thank our Archivist, Will Steinsiek for his continual attention to detail and for being a valuable resource for anyone wanting to learn more about Methodism in New Mexico. It is an exciting topic!

Envisioning Team

Dr. Beverly J. Jones, Chair

The Envisioning Team had three scheduled meetings this year. The first was in October at a retreat held in Santa Fe that included CMT members and the Envisioning Team together. The purpose of this retreat was to explore the strengths of the Vision 2020 document adopted by the Annual Conference in 2011 for conference organization and planning. It was facilitated by a consultant from On-Purpose Partners. The retreat helped to organize working groups to attend to each goal of the document. The work of these groups is being supported by the provost and conference office staff.

The second meeting (held in December) reviewed and discussed the retreat and the report of the facilitator. The provost reported on working groups meetings, highlighting their progress and their exploration of “best practices.” Emerging changes and actions related to the Conference Office, the Foundation and Annual Conference Planning were also reported.

The third meeting will be in May. This meeting will have two agenda items: updates on the work of the Vision 2020 Team and setting the agenda for the coming year. This agenda will include

Program Area Reports

learning about, discussing and communicating with conference groups important trends in the church and society so that our churches, conference and leadership will be well informed and prepared for making strategic decisions in the future

Envisioning Team members have done strong work in engaging the needs, challenges and hopes for the New Mexico Conference in recent years. I want to thank each one of them (past and present) for the contributions they have made to the Vision 2020 document, the work of the October retreat and the emerging work before us. Their faith and commitment to our churches and conference has been a driving inspiration for the kingdom work of our conference: Travis Bennett, Susan Brumbaugh, Chelsea Calderon, Bill Case, Beth Clark, Craig Curry, Daniel Ivey-Soto, Louise Mendius, Tom Nagle, Mary Rutland, Todd Salzwedel, Mary Schul, Gary Simms, Sid Strebeck, Shelley Stovall.

Four Corners Native American Ministries

Rev. Raquel Mull, Director

Four Corners Native American Ministry (FCNAM) continues to minister to the Navajo Nation through our Navajo churches, Covenant Education Center (CEC), the Thrift Shop and the mission teams which visit. Most of the Navajo pastors are continuing their status as certified lay servants after participating in the Lay Servant School in Bloomfield this year. Rev. Roger Tsosie taught the Advanced Course on Spiritual Gifts in Navajo! It was the largest class and very well received. It is the desire of the Board to have properly trained, reliable efficient pastors representing the New Mexico Annual Conference and The United Methodist Church on the Navajo reservation. The first training of the year was on Funerals, learning the basics as well as anticipating some of the clashes between traditional and Christian practices. Each pastor in attendance received the Pastor's Pocket Book of Worship for their ministry with the bereaved and dying.

The Ministry has also put an effort into training the staff. The Director of the daycare has made a commitment to increasing her administrative skills by attending various workshops offered by Fred Pryor Seminars. Our Administrative Assistant is also keeping up with changes in payroll law, human resources law and fine tuning her computer skills.

Our summer calendar is filling up with mission teams and one team is bringing 75 kids! This will be a challenge for our Mission Coordinator and the Construction foreman but they are already preparing the work schedules. One of the sites they will be working on is the new church at Bistahi. Teams worked on it last summer and there is still more work to be done. Besides the Bistahi church, ramps have been built, VBS taught and home repairs have been done by our generous guests. This year we are beginning a new program to aid churches in getting firewood. Anyone who has visited the reservation knows firewood is scarce and many are dependent on wood and coal for heat in the winter.

Money is always needed and appreciated. In New Mexico and Arizona, the counties which include the Navajo reservation are among the poorest in the United States. The unemployment rates on Navajo are nearing 50%. We are learning to make each dollar stretch as we train our pastors, work with the children and help rebuild homes and lives. Thank you for your support and please continue your prayer and gifts.

Conference Board of Global Ministries

Rev. Harry Riser

Twenty churches in covenant relationships with 30 missionaries—

That's passionate!

Over \$52,000 collected for GBGM and Mission Society missionaries—

That's changing lives!

The three districts of the New Mexico Annual Conference each touching lives “on earth as it is in heaven”—

- ❖ Albuquerque: \$9700 of seed money to local churches launching witnesses against hunger, providing Bibles for new faith communities, and serving the poor.
- ❖ Clovis: Over one week, three mission teams, serving two sites in Mexico and one in El Paso.
- ❖ El Paso: kids gathered in park in Anthony for a day of fellowship and learning...to a celebration of El Paso's Barrio Segundo, led by students and involving churches across the city.

That's engaged!

The Conference Board of Global Ministries is charged with promoting the many ways New Mexico Conference Methodists are in mission to the world and with challenging all our churches to be a part of a great story that adds exciting chapters every day. We begin all our meetings remembering who we are and what we are about:

Our Mission: The CBGM is spreading the good news of Jesus Christ, changing lives, and transforming the world.

Our Ministry Goals: Our goal is to address the four Board of Global Ministry goals (develop principled Christian leaders, renew existing congregations, ministry with the poor, and improving global health) during this quadrennium.

Our Objectives: To push self-centered churches to become missional churches, to encourage people to be engaged in life-changing mission events, and to strengthen the mission projects within the New Mexico Annual Conference.

We invite every church to share in this work. Your church might qualify for a grant that will enable you to reach for a vision for mission in your community; read about the McCrelless or Sivley grants in the conference website.

You may want to share in the recovery work of a Volunteers in Mission team; Mary White can provide the training for your church to serve under the VIM umbrella.

Every church, regardless of size can be recognized as a Cinco Estrellas church—how to be one of those shining stars is found on the Conference website, too. It's a great way to show your congregation how a simple plan for mission makes your church a most special celebration of generosity.

Finally, we remind you of the Mission Memo that we have been mailing to districts, pastors, mission chairs, as many people as we can to communicate just what all is happening and can happen in mission. You can find copies of the Mission Memo throughout the meeting areas, and if you aren't receiving your Mission Memo, please sign up at the Global Ministry display.

Committee on Hispanic Ministries

Rev. Stephen McElroy, Chair

What a wonderful diversity we have in the New Mexico Annual Conference. There are many different cultures including but not limited to Native American, Spanish, Mexican, other Hispanic, Korean, Anglo and African American. Being such a multi-cultural Annual Conference helps all of us in our understanding of others and in living out our faith. You see, we journey through this life together. We may be different in our culture but we are all disciples of Jesus Christ. We worship and serve one God. I pray that as we live together and even worship together, we will grow stronger in our faith and in our willingness to accept and understand each other.

Many of our churches are culturally diverse in membership and in worship. Some of these churches have worship in only English. A few have worship in only Spanish. And several have

Program Area Reports

multiple worship services, one being an English only service and another service that is Spanish only.

We are blessed to have Lydia Patterson Institute in El Paso. LPI provides a quality bilingual, cross-cultural academic education. It develops leadership skills in persons interested in cross-cultural and international positions of Christian ministry. Clergy and Laity receive training and experience in effecting Christian witness and ministry with persons of other races and ethnic backgrounds.

El Paso is also the home of Houchen Community Center. The mission of Houchen is to make God's love a reality in El Segundo Barrio and nearby neighborhoods through working to meet the physical, educational, social, and spiritual needs of children, youth, and adults.

The New Mexico Annual Conference is also the home of McCurdy Ministries in Española, New Mexico. McCurdy Ministries strives to surround the students and families of McCurdy Charter School with every kind of ministry in the name of Jesus to help the students succeed in school and in life.

There are many congregations in the NMAC that have a wide variety of ministries with Hispanics. We can only hope and pray that all of our churches will be in ministry with people of all races and cultural backgrounds.

The Southwest Texas Annual Conference and the Rio Grande Annual Conference will be coming together to form the Rio Texas Annual Conference in January of 2015. The Rio Grande Churches that are geographically in the New Mexico Annual Conference will have the choice of staying with the new Rio Texas Annual Conference or becoming members of the New Mexico Annual Conference.

One church, El Buen Samaritano UMC in Albuquerque (Albuquerque District), came in to the New Mexico Annual Conference at our Annual Conference last year.

There is the possibility of 7 more Rio Grande churches joining the NMAC this year at Annual Conference. They are:

Mt. Sinai UMC, Carlsbad, NM (Clovis District)
Emmanuel UMC, El Paso, TX (El Paso District)
Wesley UMC, El Paso, TX (El Paso District)
El Divino Redentor UMC, El Paso, TX (El Paso District)
El Alfarero UMC, El Paso, TX (El Paso District)
El Calvario UMC, Las Cruces, NM (El Paso District)
Del Valle UMC, Mesquite, NM (El Paso District)

We welcome these congregations to the New Mexico Annual Conference and look forward to working together. And as we work together, we will make each other stronger as we seek to do ministry as disciples of Jesus Christ.

Board of Laity

Mrs. Donna TeBrink, Conference Lay Leader

The Board of Laity strives to encourage all laypersons to find their unique place of ministry both inside and outside the local church. Working closely with the Vision 20/20 team we are helping to implement lay leadership training, better communications, and foster vital congregations. Tom Thomas, Chris Caldes and Dewey Pierce, District Lay Leaders, continue to provide leadership in their Districts. Be sure to read Charlie Poore's separate report about Conference Lay Servant Ministries.

I am excited to report about a grass root movement to train Certified Lay Ministers. Certified Lay Ministers are laypersons trained to enhance the quality of ministry in many ways in local churches, such as preaching, care ministries, leadership programs, and being a witness in the community. Rev. Pam Rowley, along with some laity seeking certification, had a passion to make this a reality. There has been one class in El Paso and another class is starting in Albuquerque. This is a great example of what happens when laity and clergy with common interest and goals join forces together. Thank you.

Bishop Bledsoe and I met with laity in El Paso, Clovis, and Albuquerque this year. We had a great time learning about the Bishop and Leslie Bledsoe and laity were free to ask any questions of us! It was great fun and we all learned some new things as well.

Lay Servants

Charlie Poore, NM/West Texas Conference Director of Lay Servants

2013 was an interesting and exciting year for our Lay Servants ministry-formally known as Lay Speakers ministry in the NM/West Texas conference. We have had lay servant schools across the conference from El Paso to Bloomfield and Albuquerque to Clovis! We have had classes taught in Navajo this year as a first for our Native American brothers and sisters this spring in Northern NM. We have Directors in each of our districts who are actively pursuing the growth of this service ministry in their respective regions.

We have several schools already scheduled this year across our conference, and believe that with the Lay Minister program starting we will see a great influx of attendees as being a Certified Lay Servant is a basic requirement of this program. By conservative count, thru our schools in 2013, we will have certified over 100 of our members across our region as Certified Lay Servants in the conference year and have another 60 plus participants who have taken the basic course to get started in this service ministry program.

We are working and coordinating with our conference office to better promote schools, increase awareness of this ministry and provide opportunities for our Lay Servants to serve in different capacities across the region.

We look forward in 2014 to increasing the number of our schools across the conference to provide more opportunity for participation of our membership, more interaction with our Clergy and increased opportunity to serve our Lord and Savior Jesus Christ throughout our conference.

Committee on Native American Ministries

Rev. Adrienne Coleman, Chair

The Committee on Native American Ministries (CONAM) receives a percentage of the donation received on Native American Ministries Sunday for funding projects and programs dealing with Native Americans. This year the committee authorized funding for Pastor Norman Mark to continue his Course of Study education. The committee invites those who are working with Native American special projects and ministries to submit their requests for funding.

New Church Development Committee

Rev. Randall W. Partin, Chair

The New Church Development Team, made up of laity and clergy from around our Annual Conference, supports whole-heartedly our Conference vision of “relevant, passionate, life-changing churches.” We see our purpose as dreaming, imagining, and developing *new* faith communities that are implementing and embodying the vision of being relevant, passionate, and life-changing communities.

We celebrate the success of our new church plants in El Paso (The Ridge and *Ekklesia*) and Odessa (The Bridge) and are excited about new opportunities to reach new people in new ways in the year(s) to come. In particular, with thanks and praise to God, The Ridge (daughter congregation of Western Hills UMC) has been effectively weaned from conference support and is on a path of financial self-sufficiency, with on-going conversations about becoming a chartered congregation in the near future. *Ekklesia*, our partner start-up with the Rio Grande Conference, is effectively reaching Hispanics in East El Paso and partnering with Vista Ysleta UMC to become “two churches in one building.” Likewise, The Bridge in Odessa has been celebrating weekly worship for just over a year now and is composed of large numbers of young families and young adults. We ask that the conference continue to support through prayers and words of encouragement our new church planters: Rev. Bill Case, Rev. Max Perez, and Rev. Donnie Williams (and their families).

Since last year’s Annual Conference, our new church start in Las Cruces (New Heights Faith Community) has been discontinued. We celebrate their vital ministries, which continue in many, many ways, and we recognize that launching new faith communities, particularly non-traditional ones like New Heights, are, in the parlance of Bishop Schnase, “risk-taking mission and ministry” and are *absolutely* worth attempting for the sake of the Kingdom. We also thank Rev. Joe Whitley for his tireless efforts to create this new place for new people.

In the past year, we have partnered with Path1 in a consultative process to develop a more comprehensive vision and plan for the development of new faith communities in our area. Part of that plan must be a concerted effort to reach people in our communities who are not your “typical” United Methodist—to put it bluntly: younger, poorer, non-Anglo. We are exploring creative ways and creative partnerships to help us to do just that. Lastly, that plan includes addressing ways that we can effectively manage the expenses and financial resources necessary to build new places for new people. Part of that is effective stewardship, but it also includes aligning all available resources at our disposal. We are grateful for the work of the Conference

Program Area Reports

Leadership and the Foundation in assisting these alignment efforts so that Shared Ministries is only a piece of our funding formula, rather than the lion's share.

As always, our appeal to the Conference is to help us dream, help us plan, help us imagine new places for new people. If your community is growing, if there are people in your community who need to be reached for the Kingdom, if there are people in your congregations who have a remarkable gift for connecting with new people, help us help you imagine new faith communities together! We thank the churches of our Annual Conference for your support and ask for your continued prayers as we work to create new places where "relevant, passionate, life-changing" churches can be formed.

Small Membership Church Committee

Rev. Laird Cross and Rev. Tina Cross. Co-Chairs

The Small Membership Church Committee (SMCC) of the New Mexico Annual Conference continues to represent local churches with an average weekly worship attendance of less than 100, which comprise over 70% of the churches in the New Mexico Conference.

Over the past year, Bishop Bledsoe, Provost Jeff Lust and Conference Lay Leader Donna TeBrink and the SMCC chairs Laird and Tina Cross have put a great deal of thought and analysis into how best to serve the needs of the Small Membership Churches and support them as they live into their potential as Christ's Church. As a result, Revs. Tina and Laird Cross have been pursuing the implementation of the Small Membership Church component of the Healthy Church Initiative for the New Mexico Conference. At current, they have completed the Coordinator and Facilitator trainings and are working with the New Mexico HCI team as our current HCI system is revitalized and restructured. At the 2014 Annual Conference, it is the intention of the HCI/SCI team to introduce a new offering of HCI/SCI experiences to churches in NM starting in the fall of 2014.

The 2013 Small Membership Church gathering at Annual Conference evolved from a breakfast to a lunch. Over 110 people attended the gathering; an indication of the thirst for information and desire for new ideas, as we celebrated our theme, "Small Church, Big God." The 2014 lunch during Annual Conference is scheduled to be held at St. Paul's UMC in El Paso, TX.

District Superintendent, Rev. Jane Vaughan led leadership training opportunities for small membership churches in the Clovis District. Discussion is ongoing regarding how to offer similar training events throughout the conference.

At the 2014 Equipping Disciples for Excellence event in El Paso, Rev. Janice Kahl presented a workshop on, "Small Membership Churches Transforming our Border Communities through Mission and Ministry." She, assisted with laity from her two-point charge at Clint/Fabens, shared ministries which have been successful as their churches have reached out into their border communities.

SWIFT: SERVANTS Walking In Faith Together

Young Adult Ministries

*Reported by Jan Preston Archey, Camp Dean
archeyjan@gmail.com (575) 640-6185*

History of SWIFT - Since 1996, the organization of young adults in our Conference has been known as Students Walking In Faith Together. In April 2013, the group officially voted to change their name to SERVANTS Walking In Faith Together. The group decided the word servants was more inclusive to young adults who might not be in campus ministry groups. The group will still also be known as S.W.I.F.T.

Purpose of SWIFT – To bring together young adults of the United Methodist related Campus Ministries of local college and university campuses and local church college/young adult ministries for worship of God, service in the name of Jesus Christ, and witness through the Holy Spirit.

SWIFT Leadership - The SWIFT Council consists of President Jane Gavit (St. Paul's UMC-Las Cruces) and representatives of each district.

Albuquerque District – Joanna Johnson (Central UMC, Albuquerque)

Alternate Marjorie Gross (St. John's, Santa Fe)

Clovis District – Caleb Herman (ENMU Wesley & Trinity UMC, Clovis)

El Paso District – David Nichols– (St. Luke UMC, El Paso)

These leaders would like to be in contact with any young adults you might have in your churches.

Action - SWIFT continues to offer two young adult work and spiritual retreats at Sacramento Methodist Assembly per year. Funding to provide honorariums for the speaker, musicians and other program costs have been provided by Engaging of the NMAC. Budgeted is \$2000 to \$2500. If the budget allows, there is financial help with Annual Conference expenses of our district young adult voting members.

Past Retreats - The Spring SWIFT Retreat was held April 12-14. Rev. Randall Partin from University UMC Las Cruces was our speaker and camp pastor leading us in a study of Amos 7:7-8a. *Renew*, the Praise Band from Trinity Albuq, and Zach Wills from Morning Star UMC, provided the music. The offering of \$175 went to Soles4Souls; a group that provides shoes for those in need. The Fall SWIFT Retreat was held September 13-15. Rev. Lourdes Calderon's theme was Relevance vs. Truth (Exodus 1:1-14) *Renew* and members of St. Mark's UMC El Paso Praise Band provided music. UMCOR received the offering of \$165. Retreat attendance is from 50-65 participants.

Upcoming Retreats - The Spring SWIFT Retreat is April 11-13. Rev. Rodney Noel Saunders will be our speaker and the praise team from Asbury UMC Albuquerque will provide music. Theme for the weekend is "The Recovery of the Humanity of Jesus", with specific focus on what that means for our own humanity. Fall SWIFT will be September 12-14, details TBA. Both retreats will be held at Sacramento Methodist Assembly.

Program Area Reports

Future of SWIFT – Our leadership is strong and the SWIFT Council wants to reach more young adults in our Conference. Encourage your young adults to join the NMAC Young Adult Face Book page. Possible future events could include more young adult gatherings as well as a young adult mission trip.

I am encouraged by the increasing number of conference churches who have young adult groups. God is calling out young adult leaders and they desire to have a vital part of the ‘church.’ Young adults will bring vitality and gifts to your congregation.

The SWIFT Council is thankful for the funding the Conference provides to offer opportunities for young adults to gather, lead, and become more involved in our Annual Conference.

THANK YOU!

United Methodist Men

James Mogford, President

The Book of Discipline of The United Methodist Church (“The Discipline”) states in ¶256.6: *Each church or charge shall have an organized unit of United Methodist Men chartered and annually renewed through the General Commission on United Methodist Men (GCUMM).*

I thought it a good idea to gain some insight into the status of United Methodist Men (UMM) Groups in the New Mexico Annual Conference (NMAC) early in my term as UMM Conference President. The Conference Office provided copies of the statistical tables as they appeared in the Conference Journals from 1994 through 2012. My analysis has produced results that are not merely enlightening but highly challenging. Some of the rather extensive results are summarized in the following table.

Year	1994	1998	2002	2006	2010	2012
Number of Churches/Charges	156	159	154	150	145	144
Number churches with NO UMM	95	90	94	91	93	98
Total church membership	48,790	45,484	42,133	39,218	36,664	34,440
Membership in UMM	1,239	1,236	960	1,040	1,043	849

All numbers in the table are compiled from data reported by the individual churches. Consequently the Conference requests for information are subject to local interpretations which yield results that can be confusing. Many churches have men’s small groups, prayer groups, work groups, etc. that are, presumably, not reported as UMM groups while other groups, reported as UMM groups, are not chartered and registered with the GCUMM hence do not conform to the Discipline’s definition of a UMM organization.

Through the years the number of active churches in the NMAC has been fairly constant as a result of the annual work of closing and starting individual churches. The total number of

Program Area Reports

churches has diminished during the 18 year period but by less than 8%. The table shows the number of churches that report no UMM groups.

The same starting/closing behavior is reflected in the number of Men's Groups but the 25% decline in active UMM groups has been more severe than the decline in the number of charges.

The change in total church membership is not bright; it has gone down by nearly 28%. And the number of men involved in Men's Groups has dropped by over 31%.

The 2012 reported data indicate that there are 46 UMM organizations (144 - 98, see Table) in the 144 Conference churches but the total number of chartered UMM groups is 11. These figures do not represent a high degree of compliance with the directives of the Discipline.

The GCUMM is not funded by apportionments so it is dependent on funds raised by other means. A major source of GCUMM funding comes through the chartering fees and the contributions of individuals through EMS memberships (EMS represents the expression "Every Man Shares in Evangelism, Mission, and Spiritual life"). Our conference has 31 EMS Members for 2012. All these figures are less than they should be.

In 2012, the male membership in conference churches was 42% of the total membership, a percentage perilously close to 39%, the ratio in the average protestant church. A study from Hartford Institute for Religion Research found that the presence of involved men was statistically correlated with church growth, health, and harmony, while a lack of male participation is strongly associated with congregational decline.

Growth and the Gender Balance

Percent of Congregations Growing

59%	36%	21%
-----	-----	-----

40% or less	41-60%	61% or more
-------------	--------	-------------

Percent of Regularly Participating Adults Who are Female

Another study, by Horner, Ralston and Sunde, found that when a child is the first in a family to become a participant in a Sunday school class or youth group, the family will follow about 3.5 percent of the time. If the mother is the first to begin attending a church, the rest of the family follows 17 percent of the time. But when a father is first to come to faith in Christ, the rest of the family follows 93 percent of the time. Or, as they say it, if you reach the men, you reach their families.

I believe the challenge is evident in the status, and I believe that a path toward help is found in the studies cited. Pray that we make progress in creating and sustaining groups that can reach out to unchurched men wherever they are. The evidence is that churches with a large number of active men in its ministry will yield a healthy and growing church and that should contribute favorably toward improving the disappointing statistics reported earlier.

Volunteers in Mission

Mary White

As we serve in the Volunteers in Mission we begin a journey that will continue as those serving return home. It enables the church to build bridges, develop relationships and experience cross-cultural enrichment as we work side by side in ministry. Serving in missions promotes renewal in the home church as the volunteers share about their personal journey serving Christ.

The New Mexico Annual Conference received 144 teams that served with the VIM sites of Four Corners Native American Ministry, McCurdy Ministries, Lydia Patterson Institute, Casa Esperanza and Sacramento Assembly.

Teams from our Conference served throughout the United States and Bolivia, Guatemala, Haiti, Hungary, and Nicaragua

Working side by side with our brothers and sisters we are reaching out to others and being hands and feet of Christ in the world.

Conference Council on Youth Ministries

*Mitzi Underwood (Western Hills UMC in El Paso), Conference Youth Coordinator
CCYM Team Report Summer of 2013 to Spring 2014*

Our team of student and adult leaders are committed to carrying out the directives of Vision 2020, bringing passionate, relevant and life-changing ministries to the youth of our conference. This was a transitional year resulting from changes made at the Conference Office. There has been some restructuring of adult leadership roles, working closely with Sacramento Camp & Conference Center as they become the hub for Youth Ministry in our Conference.

Our team members are:

Albuquerque District: Rachel Hollis (member St. John's UMC – Santa Fe) is our adult coordinator. Our student members are Ryan Downs – Mesa View UMC in Albuquerque, Henry Roberts - St. John's UMC in Albuquerque, Kinsey Swope – St. John's UMC in Albuquerque, Christina Ward – Rio Rancho UMC in Rio Rancho, and Michaela Yancey – St. John's UMC in Albuquerque. Henry Roberts served as our CCYM Team Leader, and Ryan Downs served as our Curriculum Chairperson.

Clovis District: Christine Menchaca - First UMC in Roswell, serves as our adult coordinator. Our student members are Taylor Blumer, Kingswood UMC in Clovis, Jonathan Lyons – Grace UMC in Alamogordo, and T.J. Smith, Kingswood UMC in Clovis.

El Paso District: James Heredia (Youth Director at St. Luke's UMC – El Paso) serves as our adult coordinator. Student team members are Jasmine Darakjy – St. Mark's UMC in El Paso, Brianna Davis – St. Luke's UMC in El Paso, Tessa Probasco – Trinity First UMC in El Paso, Sarah Shioji – Western Hills UMC in El Paso, and Kaylin Starrett - St. Paul's UMC in Las Cruces. Jasmine Darakjy

Program Area Reports

served as our YSF Chairperson, Brianna Davis served as our Worship Chairperson, and Kaylin Starrett served as our Hospitality Chairperson.

Other adult leaders for our team included Charlie Stevens – First UMC Carlsbad, NM, Judy & Johnny Blalack – St. Paul’s UMC in Hobbs, NM, and Rev. Melissa Madara – Peralta Memorial UMC in Bosque Farms, NM, who served as our Team Chaplain.

At Annual Conference in 2013 in Clovis, the student leadership team served as ushers and pages for the business sessions. We were honored to once again be given the opportunity to participate in worship.

July brought about our annual planning retreat. This past summer we met at Western Hills UMC in El Paso to work on our two weekend camps, fellowship and build community. We worshipped at Western Hills UMC on Sunday morning before concluding our retreat.

In November our team hosted youth and adults for a weekend camp called “Unlocked”. Our scripture theme for the weekend was Matthew 7:7. Rev. Matt Bridges, Pastor of Missions and Discipleship at St. Mark’s UMC in El Paso, was our camp preacher for this event. The Justin Graves Band served as our praise and worship team.

Funds were raised for Youth Service Fund and then given to UMCOR to help victims of the Moore, OK tornado.

Our Winter Event Camp in February 2013 was “Power Aid, Refill Your Soul”. Our scripture theme for the weekend was Isaiah 44:3. Rev. Ross Whiteaker, founding Pastor of The Branch UMC in Abilene, was our camp preacher for the weekend. Burgundy Road, Christian musicians, served as our praise and worship team. Funds were raised for Youth Service Fund and then given to The Water Project.

Friday evening, before camp began, we honored our graduating seniors with a special dinner. Our graduates are Ryan Downs and Henry Roberts.

We are looking forward to serving as ushers and pages at Annual Conference 2014 in El Paso, as well as participating in the worship services.

We are grateful for all that our Conference does to support, nurture and mentor our student leadership team.

INSTITUTIONS

Satellite Wesley Foundation at Eastern New Mexico University Roswell

Several things have happened in the past year that are surprising and/or gratifying. The number of high school/college students we serve through the New Mexico Youth Challenge academy had increased from an average of 15 to over 35 per week in the last year before Christmas Break (Fall Semester). The ENMU Roswell student numbers had dwindled to an average of 5 to 10 per week prior to Christmas Break. After the Break, the population of ENMU Roswell Youth Challenge Cadre has increased its population to over 100 cadets and worship attendance has increased to 45 to 50 cadets every Sunday. Of the 50 attending last semester, we have had 33 professions of faith. ENMU-Roswell students average has increased to 20-25 per week.

Through the efforts of Reverend Lourdes Calderon via UMCOR, blankets, health kits, and socks have been distributed to indigent members of the Chaves County area for those families needing them.

Communications within the Conference is in need of improvement. Before the demise of the Board of Higher Education and Campus Ministry, there were annual meetings of all the campus ministers to discuss their joys and opportunities for improvement. There was also a venue for working on the budgets of each ministry and the allotment of funds from the Annual Conference to each ministry. Under the Engaging Team, there have been no such assemblies and no opportunity for individual ministries to make their financial wants and needs known.

One campus minister worked valiantly for 18 months to maintain and publish a newsletter to all the campus ministries but input was lacking. It was finally determined through discussion between that minister and the chair of the Engaging Team to discontinue the effort.

The district superintendent of the Clovis District, in order to assist the finances of the two campuses in that district, wrote a letter to all the churches in the district asking for financial help. Response was less than desired and few congregations were able to assist the dire financial situations in which the ministries find themselves. There are several churches in the district contributing because they believe in the program and they are appreciated. The funds allotted by the NMAC Engaging Team are woefully inadequate to help the program grow and prosper. Even with our reduced expenditures, we are not able to provide many of the outreach services needed by the students at ENMU Roswell.

Phone calls, emails, and letters were sent by the chair of the Satellite Wesley Foundation to various churches/pastors within the district asking for board member representation as required by the Book of Discipline. As a result, there are 5 area churches represented on the board as well as two campus liaison members and two students on the board. It was a bit of a surprise

Institution Reports

that some pastors/churches with the connection seemed to be unaware of the existence or function of Wesley Foundations.

In an effort to conserve funds, the Board of Directors voted to close our building. ENMU Roswell has been very supportive in providing meeting rooms for the program. Office space is available on a request basis if and when needed. Rooms are regularly provided for the Thursday covered dish meal and devotional time. The project is working.

Service to ENMU Roswell students is still not what we would expect. The New Mexico Youth Challenge services are helping to bring the Word to many young people who otherwise would not be exposed. Contact with the young people at the New Mexico Job Corps has been rebuffed continually by the administration of that program.

www.support-africauniversity.org

Africa University is grateful to the local congregations of the New Mexico Conference for their contributions to a wonderful investment in the Africa University Fund (AUF) apportionment in 2013! Overall giving to the AUF reached 91.7% last year, the highest level of any of the general church funds; and a total of 25 annual conferences invested in the AUF at 100% or higher.

Thank you, New Mexico, for your generous support for teaching, learning and the nurture of global leaders at Africa University. The university's ministry, which emphasizes impactful witness and service, cannot exist without your generosity and prayers. In 2013, local church giving to the AUF in the New Mexico Conference declined by about 9%. The conference invested 69% of its asking which left a shortfall of \$4,013. Sadly, this amount could provide a student with tuition, meals and medical insurance for a year.

Increasing your investment in the AUF to 100% of the asking or higher will allow the university to meet its operational expenses without uncertainty and channel more support to orphans, refugees and other students with limited financial means.

2013 Highlights:

- Enrollment: Sustained by the steadfast investment of Annual Conferences of The United Methodist Church, Africa University's enrollment grew to 1480 full-time students from 25 African countries in 2013. Female students now account for 53% of that total enrollment.
- Scholarships: Second mile giving by individuals and churches enabled Africa University to distribute more than \$1.8 million in scholarships and financial aid to its students. In recognition of the particular challenges African women face in accessing higher education, Africa University launched the Girl Child Scholarship Fund.
- Through new initiatives that include a \$50 million Campaign for Endowment and outreach to increase financial contributions from its alumni and others in Africa, the institution is working towards greater sustainability.

Institution Reports

- Graduates: 450 students were awarded degree certificates in June 2013, growing the number of Africa University graduates currently at work in communities to around 5,000. Every day, these graduates manifest the promise and power of the Gospel to bring light and hope to a troubled world.
- Discipleship: In August, three 2013 graduates were commissioned as young adult missionaries by the General Board of Global Ministries, pushing the total number of Africa University alumni serving internationally as mission interns to seven in just two years.

We thank all the members of the New Mexico Conference for helping to shape Africa University as a place of opportunity, spiritual and professional growth, and transformation.

The support of every local congregation matters greatly, so please:

- Encourage your church to set a goal of investing at 100% in the Africa University Fund in 2014.
- Talk to your congregation about a second-mile gift to support one student each year.
- Consider leading an effort to have your district invest in an endowed scholarship which can support one student a year in perpetuity.
- Take advantage of our new Dream Insurance program and donate all or a portion of the proceeds of an affordable Term Life Insurance plan to Africa University.
- Include Africa University in your will when you make your estate plans.
- Pray for the ongoing success of this important effort to equip disciples who will shape the future of their nations and of our global church.

Together, we are changing Africa: Learning here. Living here. Leading here. Serving God. All the time. Everywhere.

The community engaged in urgent questions regarding race, sexual orientation and gender identity, and poverty, creating open and respectful spaces to discuss themes that are important to, and controversial in, the church and larger society.

The ministry of the Boston University School of Theology is to partner with you in serving the church and in caring for the larger human family and God's precious creation.

Candler School of Theology

Ms. Jan Love, Dean and Professor of Christianity and World Politics
Bishops Hall, STE 10, Emory University, Atlanta, GA 30322

Candler School of Theology prepares *real* people to make a *real* difference in the *real* world. Our commitment to authentic discipleship and relevant ministry enables us to develop uniquely well-rounded leaders who are challenged academically, encouraged spiritually, and immersed in Christian service from the first day they arrive on campus.

As one of the 13 official seminaries of The United Methodist Church, Candler is grounded in the Christian faith and shaped by the Wesleyan tradition. As one of seven graduate professional schools of Emory University, Candler provides a rich context for learning and formation supported by the extensive resources of a top-tier research university. As a school located in the metropolitan area of Atlanta, Candler offers a learning environment that reflects the highly diverse communities of our 21st century world. There is no better place for ministry preparation that addresses our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

Candler celebrates its Centennial in 2014, marking our 100th anniversary with commemorative events that reflect on our past and a conference on theology and the church that envisions the future. The yearlong celebration begins in August with the opening of the second phase of Candler's new 128,600-square-foot, LEED-certified building, seven years in the making.

Not only is Candler expanding its physical space this year—it is expanding degree offerings as well. In response to the changing needs of the church, Candler is introducing five new degrees to equip Christian leaders: the Doctor of Ministry, the Master of Religious Leadership, the Master of Religion and Public Life, and two dual degrees pairing divinity and social work and divinity and development practice. With these newest additions to our degree programs, Candler graduates truly will be ready to lead wherever God calls.

Candler's student body reflects the diversity and breadth of the Christian faithful. Our enrollment stands at 441, with 340 seeking the Master of Divinity, 47 the Master of Theological Studies, 21 the Master of Theology, 15 the Doctor of Theology, and 18 enrolled as Non-Degree students. The student population is 32 percent U.S. ethnic minority, 49 percent women, and the median age of the entering class is 27. Students represent 39 denominations, with half identifying as United Methodist.

We continue to emphasize preparing our students for leadership in an increasingly global context, and now offer 14 academic exchanges with theology schools in 12 countries across five continents. In addition, Candler has an ongoing summer internship program with the Methodist Church in the Bahamas, and participates each year in travel seminars to the Middle East and in World Methodist Evangelism Institute evangelism seminars, traveling in 2014 to Nigeria, Costa Rica, and Brazil.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of *educating faithful and creative leaders for the church's ministries in the world* depends upon your support, gifts, and prayers. Thank you for the countless ways you advance this vital ministry in the life of our denomination. Visit us in person in Atlanta or online at candler.emory.edu to see firsthand how Candler prepares *real* people to make a *real* difference in the *real* world.

Houchen Community Center

Rev. Laird Cross, President, Board of Directors

609 Tays, El Paso, Texas 79901

(915) 532-1231 communitycenter@houchen.org www.houchen.org

God is at work at Houchen Community Center in the Segundo Barrio in El Paso, Texas, now in its 102nd year of making God's love a reality in South El Paso. The last year has brought change and hope to this Spirit led mission of the United Methodist Church.

New officers, and a predominately new Board of Directors took office in October. The current Board includes veteran Board members Mary White, NMAC VIM coordinator, Lucy Burciaga, a long time benefactor of Houchen, and Hugo Meza, a local Physicians Assistant, who grew up in the neighborhood and spent his early years at Houchen. New board members include Dr. Traci Groening-Wang, D.O., educators Laura Neil, Joel Rodriquez and Patsy Bulos, CPA Kirk Patterson, newspaperman Ed Shugert, community activist Alina Gonzales, and Rev. Santiago Heredia, of the Rio Grande Conference. All are engaged and passionate about making the changes necessary to move Houchen forward into a future of compassion and improved service, in one of the poorest neighborhoods in the country.

Subsidized child care, services for seniors, a basketball gym and weight room for the community, and a new computer learning center continue to be the mainstays of the activity at Houchen. Volunteers from the community help at the center with food distribution, a running club for school age runners, and Income Tax assistance at no charge. Bare Essentials is a mentoring program sponsored by Houchen to empower young women enrolled at nearby Bowie High School.

The Houchen Thrift Store has been reorganized and revitalized under the management of Kathy Jewel with the support of volunteers from United Methodist Churches in El Paso. A team from McMurry University worked over the New Year's holiday, cleaning and sorting and pricing donations from all over the city. Another work group from the Clovis District is expected in March.

In 2013, Houchen benefited from generous support from the El Paso Sub District Board of Missions, the National Office of United Methodist Women, and directly from churches all over the New Mexico Conference. St. Mark's UMC donated a 15 passenger van. Tobin Park UMC donated software. Vista Ysleta UMC donated cash during a time when it was needed the most.

Houchen's needs are great. We need money, volunteers, and merchandise to sell in our thrift store. We ask the Annual Conference to pray for wisdom for Houchen's leadership, for strength for the employees, and for the resources necessary to do God's work. The Center will not be able to fulfill its mission without the active participation of the Churches of the New Mexico Annual Conference. We ask you your continued support.

On behalf of the hundreds who are being served by this vibrant ministry, THANK YOU!

Landsun Homes is truly a ministry of Christ's love to older adults. For almost five decades we have worked to ensure that the quality of care and the quality of life provided at Landsun Homes not only meets, but exceeds the expectations of residents and their families. Our staff through our mission driven dedication ensures dignity and respect to all persons at every stage of life.

The Board of Directors and staff welcomes Dudley Jones as Executive Director. As those who have led Landsun Homes before him, Dudley is committed to continue this ministry to the aged. He expressed, "I thank God for the opportunity to join the Landsun Homes, Inc. family in this new capacity. And, look forward to what he has in store for us in the years ahead. The Ministry of Landsun fulfills a vital role in the lives of many, many families. Our hope is to strengthen and grow this Ministry, with God's help, through the tradition of excellent resident care, excellent team member development, while conducting our business in a professional, responsible and honorable way that will honor and glorify God."

Ongoing faith development is woven into the ministry of Landsun Homes. Residents have the opportunity to continue growing in faith while our staff assists them in their personal and social adjustments. Our current chaplain, Rev. Stephanie Harmon, offers on-site pastoral care to all residents and staff. She conducts two Sunday morning worship services, leads bible study, and is instrumental to our Hospice program.

As the needs of the residents have grown a continuum of care has developed. Our far-reaching services from retirement through hospice have made Landsun Homes a model continuing care retirement community. Our 20 acre continuing care retirement campus includes: Landsun Village Homes, Landsun Manor Apartments, Long term Intermediate Nursing, and Memory Care. Community services include: Landsun Services at Home, Deliver a Meal, and Life Line. Landsun Hospice ministers to residents on our campus and in the community.

The dedication and commitment from our board members and our staff is a given. The Board of Directors believe in the vision of nonprofit service: addressing the physical, psychological, spiritual, and social needs for an aging population. The staff is energized and characterized by their compassion to provide the highest quality care. This combination truly makes our organization outstanding.

The Health Service Center at Landsun Homes has the Medicare's highest rating of five stars. And the facility recently received zero deficiencies on the state survey.

Charitable care is a vital part of the ministry and mission of Landsun Homes. The **Caring Hands Fund** was established to directly help those, who through no fault of their own have outlived

their assets. Since Landsun Homes opened its doors—**no one has ever been asked to leave Landsun Homes because of outliving their financial resources.** The magnitude of this commitment is not a small one. During the last year \$1million of charitable and unfunded care and services were provided. Landsun Homes is grateful for the conference approved annual Mother's Day offering. Last year the offering collected through the NM Conference churches provided help in providing direct care to over 100 residents.

The mission of the Landsun Foundation is to secure the financial future of Landsun Homes and enrich the quality of life of older adults by: *developing a permanent endowment; assessing and responding to the changing needs of Landsun Homes; and providing a vehicle through which donors with varied interest and varied levels of giving may extend themselves beyond their lifetime.*

Numerous visionary and generous friends have established "family endowments" with the Landsun Foundation to help secure the future of older adults. They want their names and some of their resources attached to an organization that will communicate their values to future generations. Contributions as honorariums, memorials, and tributes may be given to individual funds throughout each year.

The Landsun Foundation is a vehicle for stimulating long-term giving and fund-raising to expand the ministry and mission of Landsun Homes. Our donors through planned giving support the Landsun Caring Hands Fund, capital improvements, or assist in areas of special interest.

Funds donated to the Landsun Foundation are invested and managed in accordance with guidelines provided by the Foundation Board of Directors. We know we must protect our assets and we work closely with the New Mexico Conference Methodist Foundation. Over 90% of our invested funds are managed by the NMCMF.

You may contact our Development Office at 575-234-5869 or marsha@landsunhomes.com to learn more about planned giving opportunities, the Caring Hands Fund, and the Landsun Foundation.

Lydia Patterson Institute

Dr. Socorro de Anda, President

*517 S. Florence, PO Box 11, El Paso, TX 79940
(915) 533-8286 www.lydiapattersoninstitute.org*

Lydia Patterson Institute opened its doors for the first time to the school year 1913-14, making 2013-14, the 100th session. We celebrate the time passed, and with it we celebrate the thousands of young men and women that have walked our halls. We celebrate the hundreds of young men who began their journey in ministry here and have dedicated their lives to the church. We celebrate the teachers, nurses, engineers, doctors and lawyers and many other professionals whose seeds were planted here. Most importantly, we celebrate Mrs. Lydia Patterson. Unfortunately, Mrs. Patterson lived a rather short life. In that life, she accepted her calling to ministry with the children of South El Paso, and her legacy lives on. Her love and inspiration for the welfare of those in need has lived for 100 years. This is made evident today in the number of teachers, staff members, and administrators who have dedicated their lives to changing those of the students. The incredible dedication of the staff is manifested in their years of service; 12 over 10 years; 5 over 20 years; 6 over 30 years; and Miss Cristina Woo who has served for 42 years. Mrs. Patterson did not know at the time, but her calling made for the calling of thousands of others who followed. She placed the first stone and, in the last one hundred years, a temple was built. In this temple, thousands have worshiped, thousands have been educated, and thousands have made a better life.

Today, the Student Lay Ministry Program is placing interns throughout the country. Some are in seminary and others are already leading churches. Ninety-seven percent of graduates are going to college. The 2013 graduating class received \$1.6 million in scholarships from United Methodist colleges and universities alone. Every student, past and present, begins to change his or her life the moment they step inside the walls of this temple.

The spiritual temple at Lydia Patterson remains intact, but the physical buildings have worn and tired. In preparation for the next 100 years, a capital campaign for renovation and a strategic plan for the latest state of the art technology in the classroom, labs, media and research and spiritual development centers is in place. The new chapel will provide the place where all the students, faculty and staff can worship together, and as a multi-purpose facility, will be shared with our community.

The cities of El Paso and Juarez have joined us in this venture, and have committed to a large portion of this capital campaign. The board of trustees, faculty, and staff has pledged 100%, and the students and alumni are equally dedicated to the success of this campaign.

Lastly, we celebrate those who have made and continue to make this ministry, our friends and supporters. They are the foundation of our work. They are our leaders, mentors and inspiration. We have seen their commitment once more as we prepare for the next 100 years. We wish to thank those who have already stepped up and joined us by giving or pledging to the capital campaign. With the love of God, the love and prayers of those in ministry with us, and in memory of Mrs. Lydia Patterson, we will reach our goal and be prepared to carry her legacy for another 100 years.

McCurdy Ministries

Patricia Alvarado, Executive Director

Rev. Diana Loomis, Director of Development Church Relations

261 S McCurdy Rd, Española, NM

(505)753-7221 dloomis@mccurdy.org www.mccurdy.org

McCurdy Ministries is working hard to fulfill our mission “to surround the students and families of McCurdy Charter School (MCS) with every kind of ministry possible in the name of Jesus Christ to help them succeed in school and in life.” To that end McCurdy Ministries has developed the following ministries:

- McCurdy Preschool which is faith based and educates three and four year old children.
- After School Care (ASC) which provides a safe environment for preschoolers to eighth graders from 3 to 5:30 PM, Monday through Friday during the school year. ASC features music, study time, Bible study, play time, crafts and even Tae Kwon Do taught by Rev. Steve Trout, McCurdy Ministries Board vice-chair and pastor of First UMC, Los Alamos. Recently, the group created a video sharing the story of Daniel.
- Project Cariño, our mental health counseling program for McCurdy Charter School students and families continues doing an excellent job of providing mental health care free of charge to the 543 MCS students. In January, a second counselor was hired to expand the Project Cariño caseload and reinstitute a Peer Conflict Mediation Program for students. This program trains selected students in conflict mediation skills and supports the students as they seek to de-escalate conflict situations. Peer Conflict Mediation Programs have a demonstrated track record in reducing bullying and fights. In September, a student seeking her masters in social work was added to the Project Cariño staff as an intern. She re-instituted the Big Buddy/Little Buddy program between high school student and elementary students.
- Last June we launched Camp Stars, our summer educational enrichment day camp which combined STEM education (science, technology, engineering and math) with the best of Vacation Bible School for children from preschool to sixth grade. The camp was a success! We had overwhelming feedback from the parents and MCS teachers and administrators about the positive impact this program had on participants. The second summer of Camp Stars will be open to 50 preschool to sixth grade students, will begin June 9, 2014, and continue for six weeks, 8 AM to 3 PM, Monday through Friday.
- Our Volunteers in Mission Program continues to welcome over a thousand individual volunteers and VIM teams from around the country each year. Many New Mexico Conference churches and individuals volunteer every year at McCurdy and we are grateful for their support.

McCurdy Ministries continues as the landlord for McCurdy Charter School and as the vendor for the MCS breakfast and lunch programs. We average feeding 35 students a day for breakfast and 350 students a day for lunch. This year 82% of MCS students qualify for free or reduced lunch. In the 2014-15 school year McCurdy Ministries plans to launch a new ministry called Wednesday Comunidad in cooperation with Santa Cruz UMC. This Wednesday evening event for entire families will include dinner and devotional time followed by fun, educational and faith building activities and classes for children and adults.

Institution Reports

We are blessed to receive great support from many New Mexico United Methodist churches, UMW units and individuals and we are grateful! Our Director of Development and Church Relations, Rev. Diana Loomis, our Volunteer Manager, Vickie Luviano, and our Program Director Deaconess Stephanie Suggs, are all available to share the McCurdy story at your church. We would love to travel to your community, learn about your ministries and share the McCurdy story with you. Please know that we pray for the strength of United Methodism in the New Mexico Conference and as we expand our ministries and seek to impact even more lives in our community we ask that you pray for the strength of McCurdy Ministries.

McMurry University

Dr. Sandra S. Harper, President

S. 14th & Sayles Blvd. McMurry Station, Abilene, TX 79697

(325) 793-3800 www.mcm.edu

Since its founding in 1923 by the Northwest Texas and New Mexico Conferences of the United Methodist Church, McMurry's goal has been to provide students with an undergraduate education of the highest standard in an atmosphere of spiritual growth.

As McMurry launches a decade-long planning effort in anticipation of our Centennial celebration in 2023, we are poised to craft an academic experience for the 21st century student. This experience will be a blend of the acquisition of the skills and competencies necessary to address pressing regional, national, and global issues with a solid moral and ethical foundation that needs to undergird every decision faced by McMurry graduates.

McMurry University's connection with the United Methodist Church is an important element in accomplishing that mission and we at McMurry will continue to enhance and strengthen our relationship to our Annual Conferences.

Since I've returned to McMurry after an 18 year hiatus, I've been impressed by the vibrancy of religious life on campus. This year has been a year of continued growth, as well as a year of exciting challenges, for McMurry University's Religious Life Office. Every day the Religious Life office has the pleasure and privilege of bringing witness as the seeds of knowledge, compassion, maturity and faith bear fruit in the lives of the students we serve.

The following are a few of the highlights of the recent past, and some of the opportunities we are looking forward to in the new year:

- For the second year in a row in partnership with seven local United Methodist churches, more than 1,000 people crowded into Radford Auditorium for a joint worship experience on Sunday, August 25, as the Methodist faith community of Abilene welcomed new and returning students back to campus. Those in attendance experienced a meaningful time of fellowship, corporate worship, and community. Connecting McMurry students with local congregations is an integral and invigorating part of McMurry University's commitment to develop holistically healthy and mature servant leaders.
- McMurry University, in partnership with the United Methodist Church, continues to nurture a vital campus ministry that is grounded in discipleship and student leadership development. The McMurry Religious Life Council is the student-led umbrella organization beneath which 13 ministry team coordinators lead teams of fellow students in ministering

Institution Reports

to our campus community, our city, and the world. These student-led ministry teams provide the McMurry campus opportunities to engage in corporate worship, a lifestyle of service, prayer, small groups, mission trips, and other avenues for spiritual formation and growth.

- The Religious Life office works with the department of Religion to cultivate a culture of vocational discernment, through which students have the opportunity to more clearly recognize their calling to vocational ministry. McMurry University's dedication to integrating academically rigorous coursework with practical experiences is shaping stronger leaders for our churches and our world.
- Realizing that we live in a global society, and that "our neighbor" can no longer be interpreted as those persons who live in geographical proximity to one another, the Religious Life Department is dedicated to organizing overseas mission trips during which students serve with and learn from our brothers and sisters around the world.
- In the summer of 2013, McMurry sent teams of students, faculty, and staff to serve, witness to their faith, cultivate cross-cultural relationships, and learn in El Paso, Haiti and India through McMurry in Motion. A selected group of three students, two faculty/staff members, and one local pastor also participated in an innovative exploratory mission to Zimbabwe and the West Bank. In an effort to further strengthen our mission to serve our neighbors around the world, members of the McMurry community will return to Africa University in May, Haiti in June, and spend three weeks during July in Aurangabad, India. As part of our commitment to developing student servant leaders, the Religious Life Department welcomed Bethany Anderson (class of '13) to our professional staff as our inaugural Graduate Intern for World Missions.
- This year has been a year of student ministry enhanced by deeper connections and fruitful partnerships with the UM church, alumni, and our neighbors from around the world. As we look back at all that God has done in and through us, we are grateful for what has been and excited for what lies ahead.

Other highlights of the past academic year at McMurry include:

- Two McMurry University artist students received awards in the Intercollegiate Art Competition at the Center for Contemporary Art held in January 2014. Eric Britt won Best of Show with a piece about President John F. Kennedy from his senior show and Christian Palmer won first prize in 3-D with his ceramic torso. Four other McMurry art students were also featured in the show- Rebecca Schneller, Jessica C Williams, Song Brown and Keith Waggoner.
- McMurry University seniors Ricky Harrison and Taylor Smith have both accepted admission to the Master of Divinity program at Duke Divinity School with full-tuition scholarships plus stipends for field placements of \$9,000.00 a year for three years. Ricky and Taylor are both senior Religion majors participating in the University Honors Program.
- McMurry senior Joey Gonzales was selected as a participant in the inaugural College Band Directors National Association Southwest Division Intercollegiate Band. The honor band is comprised of selected graduate and undergraduate band students from the states of Arkansas, Colorado, Kansas, Missouri, New Mexico, Oklahoma, and Texas. Joey is the only student from any Abilene or west Texas university chosen to participate in this event. He participated in a clinic and gala concert at the CBDNA Southwest Division Conference in Fayetteville, Arkansas, in March.

Institution Reports

- McMurry volleyball won the NCCAA Central Region Tournament and advanced to the National Christian College Athletic Association national championships for the second-consecutive season. Shot put specialist Paul Davis has had an outstanding indoor season, re-setting his own school record four times and winning meets at Texas Tech, Kansas and Air Force along the way.
- Students from McMurry University's Theatre Department traveled to Dallas this winter to perform David Remschels' Playfest award winning script, *No Room for a Picture on the Blank Wall*, at the annual Texas Educational Theatre Association's Theatrefest convention. The play was performed at McMurry in November. It tells the story of a man's struggle with Alzheimer's disease. The TETA Playfest competition annually selects two plays at the college/university level entry for awards and performance at Theatrefest. This is the 13th winner for McMurry student playwrights since 1999, and the second for David, who also was a winner last year.
- McMurry again received a number of national recognitions and honors this fall, including being named a Top Tier University by U.S. News Best Colleges Guide, a Military Friendly School by GI Jobs magazine, a Christian College of Distinction, and a Great College to Work for by the Chronicle of Higher Education.
- Recent McMurry graduates have been accepted for advanced study at Harvard, Yale, Princeton, Duke, Rice, Carnegie-Mellon, the Mayo Clinic, Wake Forest, Vanderbilt, Notre Dame, Washington and Lee, Purdue, Emory, Baylor, SMU, TCU, Texas Tech, the Law, Medical, and Dental Schools of the University of Texas, and a number of other prestigious institutions.

Guided by our core values - Christian Faith as the foundation of life, Personal Relationships as the catalyst for life, Learning as the journey of life, Excellence as the goal of life, and Service as the measure of life - our students are being equipped to exceed expectations and go on to success in life through service and leadership.

As we evolve and adapt in order to be competitive in the higher education marketplace, the one thing that will not change is our commitment to building personal relationships with each and every student. This is a McMurry University trademark and one that has positively defined us for more than 90 years.

Methodist Children's Home

Mr. Tim Brown, President
1111 Herring Ave., Waco, TX 76705
(254) 750-1213

Greetings from Methodist Children's Home (MCH) and the children, youth and families we serve from the New Mexico Annual Conference. The historic partnership between MCH and United Methodist churches in Texas and New Mexico has offered hope to thousands of children, youth and families from the hard places in life.

I am honored to report to you that MCH continues to be in compliance with and, in many cases, to be exceeding the best practice standards established by two national accrediting organizations. MCH works hard to accomplish goals produced by our strategic plan. I invite each member of the annual conference to visit our website at www.methodistchildrenshome.org to view our strategic plan or call MCH at (800) 853-1272 to have a copy mailed for your review. The

Institution Reports

priorities and goals of our strategic plan enable our ministry to explore ways to increase our impact on children and families across Texas and New Mexico.

Guided by our core values of Christian Principles, Relationships, Responsibility, Growth, Service and Hope, MCH is committed to providing the services, programs and talented individuals needed to positively impact the lives of children and youth in our care. This is happening every day through residential programs on our historic Waco campus and Boys Ranch, as well as through 12 MCH Family Outreach offices, including Albuquerque and El Paso in the New Mexico Annual Conference.

The reasons children and youth arrive in our care are unique to each individual. They range from extreme trauma or a sudden change in the family structure to school issues or poor choices in a difficult and ever-changing world. Our collaboration with Texas Christian University's Institute of Child Development to incorporate Trust-Based Relational Intervention (TBRI) in our work places MCH on the cutting edge of child care as we learn new ways to serve children who have experienced trauma. These proven and tested techniques and methods of interacting with children are impacting families in positive ways. Our vision is to take what we learn with TBRI and begin making it available to pastors, youth ministers and concerned family members in the local church. The lessons we are learning, coupled with spiritual development opportunities for all children in our care, makes MCH a unique ministry of the United Methodist Church.

In addition to the accomplishments listed above, your support also empowered MCH to:

- Graduate 25 high school seniors in 2013. Thanks to our many friends, we were able to allocate more than \$500,000 for MCH alumni to pursue a college or advanced degree, certificate at a trade school or job-related training that will help them improve their families and communities. This year we had more than 40 seniors on track for graduation at the time this report was submitted to the Conference.
- Increase the impact in Albuquerque and El Paso through the work of our Family Outreach program. Staff in New Mexico provide in-home services – such as Partnership in Parenting – Grandparents as Parents Program, and a new program called Family Solutions. In addition to these services, our El Paso outreach office offers foster care in Texas. Our website has a full listing of our 12 outreach offices and how to contact them for assistance or answers to community and church needs.
- Receive a national award for innovative education through our on-campus University of Texas charter school and state recognition for the quality of activities offered to youth through our recreation program.
- Recognize the great work of 70 staff members with employee service awards. All honorees had at least three years of service, and 12 employees celebrated 15 or more years with our ministry, including two 30-year honorees.
- Participate in several mission trips and community service projects. These projects provided opportunities for MCH youth to show Christ's love by sharing their time and talents to help meet needs across Texas.

Institution Reports

Our achievements in the past, and those yet to come, are directly related to the men and women who give their time, talents and resources to bless our children. We are grateful to the following individuals from the New Mexico Annual Conference who currently serve on the MCH Board of Directors:

Rev. Jim Hawk, Albuquerque

Rev. Tom Nagle, El Paso

These individuals, along with our other Board members, MCH Commissioners and benefactors, enable our ministry to achieve its mission. On behalf of Methodist Children's Home, thank you for sharing our story in your churches and communities. If you would like to schedule a speaker, arrange a tour or request resources to help promote an offering, contact our development office by e-mail at development@mchforhope.org, by phone at (254) 750-1213 or (800) 853-1272, or by mail at 1111 Herring Avenue, Waco, Texas 76708. I also encourage you to visit our website at www.methodistchildrenshome.org to download stories; identify resources to help educate your congregation on our ministry; view a transparent listing of our financial resources and services delivered; find out how you can refer a child for placement; or learn more about a call to serve our ministry as a home parent or foster parent.

As we enter our 124th year of ministry, MCH knows our service to children and families is possible because of God's amazing grace and our generous benefactors. Thank you for your trust and support of our ministry. May God continue to bless you and Methodist Children's Home.

New Mexico Methodist Foundation

Rev. John Rivas, CFRE, President
11816 Lomas, Blvd. NE, Albuquerque, NM 87112

This year the New Mexico Methodist Foundation comes one year closer to celebrating 50 years of service continuing its efforts to balance strong investment performance and to find effective ways to contribute to the important ministries of the Conference. This past year began with an air of excitement as I fully took over the reins. Prior to my arrival, the anticipation of change and transition already existed; however, these changes have had a singular focus – how can we better serve you, our clients, clergy and laity.

During last year's annual conference report I announced that discussions had begun with the Texas Methodist Foundation that included ways to reach out to our local churches to help support them and find new opportunities of partnership. Preliminary conversations took place and it became apparent that the New Mexico Conference Methodist Foundation and the Texas Methodist Foundation share the same vision and values in effectively serving local congregations, not only with their finances but their endowments as well. Both are strongly dedicated to the existing, and much needed, God-appointed missions that are developed and maintained by our churches and how they reach out to communities. By combining forces, the ability to dream the dreams that God has placed in your hearts for new ministries within your communities, can become reality – to see that lives are changed and hearts transformed.

Throughout the course of the year, leaders and board members from both TMF and NMMF met to discuss how joining forces can benefit you – our clients, clergy and laity. And, by late summer

Institution Reports

of last year, both agreed that they wanted to move forward with the unification and a Letter of Intent provided the means to begin formal proceedings. In the last quarter of 2013, both teams began due diligence processes to review the internal workings and policies of each. That process has continued through the first quarter of 2014 with great success and findings on both sides.

This unification offers similar services; the two foundations share a common mission of empowering United Methodist churches, institutions, and individuals with the financial and leadership resources they need to discern and fulfill God's purposes. This is a positive move for both organizations, and, more importantly, for the ministries of the New Mexico Conference. Joining forces will improve efficiencies and expand financial and leadership services to the New Mexico congregations.

How will this action benefit United Methodist congregations in New Mexico? With New Mexico and Texas joining forces, the congregations will see:

- Increased investment options for churches and institutions and, in time, a reduction in fees.
- Individual investment options will be newly offered.
- Greatly expanded resources for loans and loan consultation.
- New opportunities for grants.
- Additional resources for clergy and lay leadership.

Combining tangible resources and strong leadership with a consolidated purpose will substantially enhance the ability of the United Methodist congregations and individuals throughout New Mexico and Texas to serve their God-appointed missions.

The effect on the NMMF staff and conference leadership by this event will be seamless. The local NMMF office staff will become TMF employees and will continue to office in the building where we are today. The combining of resources will not affect the Bishop's role and responsibilities or how the New Mexico Conference operates. In addition, this action has the full support of the Bishop and New Mexico Conference leadership.

Will the money you give to your church continue to serve your church and community? Yes, both organizations realize the importance of individual members wanting to support their respective communities. This partnership will not change that.

In the meantime, it's business as usual. When we look back on 2013 our total portfolio with the New Mexico Methodist Conference Foundation gained 12.29% for the year. For December alone, Equity managers gained 2.19% vs. the MSCI AC World TR Index which was up 1.73%. Fixed income managers were up 0.32% December vs. the BAML US and Global Broad Market Indices which were down 0.66% and 0.64%, respectively. Alternatives gained 0.76% in December vs. the HFRI Fund of Funds Index which was up 1.01%.

A portion of your investment dollars managed by the New Mexico Methodist Foundation is dedicated for loans through the *Methodist Helping Methodist Church Loan Program* for projects that enable the church to bring Christ to their community. Loans may be used for land acquisition, new church construction, additions, remodeling, etc. A success story for 2013 has been a restructured loan to St. Paul's UMC in Las Cruces, NM. This is a great example of how working with TMF helps benefit our churches. With TMF's help, a new loan was set in place in

the fall of 2013; and, not only did St. Paul's get a better loan rate, but also their payments were reduced by thousands of dollars.

The Leadership Initiative for Transformation (LIFT) is still being spearheaded by Randy Gleason. Our prayers are with Randy and his wife Debbie as she continues to fight the good fight in her battle with cancer. Although Randy spends as much time as he can at home, he continues to assist churches in identifying their current lifespan cycle and health. Randy also continues to provide training to clergy, finance committees, campus ministries and other institutions of the Conference focused on the variety of financial facets that involve running a healthy church/organization.

The accounting firm of Clifton, Larsen, Allen, LLP ("CLA") was engaged to step in and handle the accounting and bookkeeping processes for the Foundation in November, 2013 after the Foundation's Director of Finance and Administration, Peggy Wilson, resigned to take a position with the New Mexico Conference Office. Helen Brown, a Senior Accountant with CLA, has been a great addition to the NMMF team.

R. "Lisa" Massimo, the Foundation's Director of Communication, continues to provide technical and hands on skills to produce online and offline print pieces of all sorts. Lisa designs brochures and/or presentations for clergy throughout the conference as well as the year-end giving brochures. Lisa designed the 2013 Foundation Christmas Card and continues to assist churches and institutions with web site development and design. Her writing capability proves invaluable to the Foundation. She has been able to step in and assist during the transition within the Finance department by providing communication liaison and reports to clients regarding account status, etc. Lisa lost her beloved husband and best friend of 22 years to cancer in October 2013. Our continued prayers and support have been a constant.

I invite you to continue to pray for the ministry of the foundation as we continue to seek new ways to support the vital ministries within the New Mexico Conference.

Providence Place Ministry

Today, the mission of Providence Place is to provide a community where God's children transition to build their faith, family, and bright futures. We offer hope to individuals facing challenging circumstances, so they may lead enriched, rewarding and satisfying lives. Through professional guidance and compassionate support, teens and young women facing unplanned pregnancies and families considering adoption make mutually beneficial decisions. Through transitional education, including life skills and vocational training, young adults with disabilities develop confidence and competence to reach their personal level of independent living.

Providence Place fulfills its mission through the following programs:

- **Adoption Services** has placed more than 6,000 children into loving homes through domestic, older child, and international adoptions. We provide counseling for birth parents and adoptive families throughout the adoption process. Our maternity services include campus housing for pregnant teens and young women considering adoption. Post-adoption counseling is available for birth parents, adoptive families, and adoptive children. Providence Place provides adoption education to teach teens and the professionals who work with at-risk youth about the alternatives to parenting – adoption and voluntary foster care.
- **The Center for Higher Independence (CHI)** is for students ages 18 and older with multiple disabilities for whom college is not always the next step. Established in 1974, CHI was founded as a transitional education center for people who were deaf and hard of hearing. Today, our services have expanded to accommodate diverse disabilities, including high functioning MR, autism, Asperger's, cerebral palsy, and learning disorders. CHI has assisted hundreds of young adults with disabilities in learning the vocational and life skills to achieve their personal best.
- **Ectopia** (*a word comprised from Ectropy which denotes energy & order and Utopia, a perfect community*) is a self-supporting collaboration of nonprofit agencies on the Providence Place campus with a core mission of helping women and children, as well as adults with disabilities. We are collaborating with compatible nonprofits to share resources – putting our buildings and campus to new use, and generating efficiencies and new ideas.

Perkins School of Theology is thankful for our connections with the New Mexico Annual Conference through the years.

Perkins celebrated a record spring 2014 enrollment of 24 new students, in addition to 81 new students who enrolled in fall 2013. Among all Perkins students, approximately two-thirds are United Methodist and more than one-third are ethnic minority students. Our gender balance between male and female students in Master’s degree programs remains almost exactly 50%. The Doctor of Ministry program continues to grow with students from southern Asia taking classes in Singapore and Dallas. Our Ph.D. program includes two Latino Ph.D. students supported through a grant from the Luce Foundation to Perkins’ Center for the Study of Latino/a Christianity and Religions.

Sabbath House is a ministry of food, shelter, prayer, presence, and witnesses to the presence of God with us in our times of need. Caregivers are welcomed, supported, and nurtured as *they* care for adult loved ones receiving medical treatment in Albuquerque area hospitals, rehabilitation and other medical centers. Caregiving spouses, friends, and adult children often experience extreme financial, time management, end-of-life decision-making, and other stressors as they attend to the needs of loved ones experiencing medical crises. Family caregivers are the foundation of long-term care nationwide exceeding Medicaid long-term care spending in all states. *Evercare Survey of the Economic Downturn and Its Impact on Family Caregiving; National Alliance for Caregiving and Evercare. March 2009*

The typical family caregiver is a 49-year-old woman caring for her widowed 69-year-old mother who does not live with her. She is married and employed. Approximately 66% of family caregivers are women. More than 37% have children or grandchildren under 18 years old living with them. *Caregiving in the United States; National Alliance for Caregiving in collaboration with AARP. November 2009*

Institution Reports

36% of family caregivers care for a parent and 7 out of 10 caregivers are caring for loved ones over 50 years old. *Caregiving in the United States; National Alliance for Caregiving in collaboration with AARP. November 2009*

78% of adults living in the community and in need of long-term care depend on family and friends as their only source of help. *Thompson, L. Long-term care: support for family caregivers. 2004*

Women who are family caregivers are 2.5 times more likely than non-caregivers to live in poverty and five times more likely to receive Supplemental Security Income (SSI). *Study conducted by researchers at Rice University and data compiled from the Health and Retirement Study funded by the National Institute of Aging and conducted by the University of Michigan, 1992-2004*

Caregiving families (families in which one member has a disability) have median incomes that are more than 15% lower than non-caregiving families. In every state and DC the poverty rate is higher among families with members with a disability than among families without. *Disability and American Families: 2000, Census 2000 Special Reports, July 2005.*

47% of working caregivers indicate an increase in caregiving expenses has caused them to use up ALL or MOST of their savings. *Evercare Survey of the Economic Downturn and Its Impact on Family Caregiving; National Alliance for Caregiving and Evercare. March 2009*

The average family caregiver for someone 50 years or older spends \$5,531 per year on out of pocket caregiving expenses in 2007 which was more than 10% of the median income for a family caregiver that year. *Valuing the Invaluable: The Economic Value of Family Caregiving, 2008 Update. AARP*

Sabbath House, seeking to alleviate such stressors on care givers so that they can fully devote themselves to the care of their loved ones, provided 59 nights of lodging, meals, and prayer support for patients and care givers in 2013.

"CELEBRATING SUCCESS, CHANGE, ADAPTION, VISION, AND FORWARD THINKING"!

Sacramento had a fantastic year in 2013 and the groups that used our facilities and services were blessed in mighty and eternal ways. Our Long Term debt has been retired. This has been a debt that had been in existence since the 1980s and perhaps earlier. Our Audit process continues to help develop a strong fiscal management plan. The Board of Directors is committed to Holy Spirit Led: Positive Change.....Visionary/Forward Thinkingand ADAPTIVE planning.

Institution Reports

Strategic planning so many times fails and becomes just another book on the shelf, but at Sacramento we process through “Adaptive Planning”. Times are changing very rapidly and for us to remain cutting edge we must adapt, move, and flex with the environment. This type of adaptive planning has led to our recent success and ministry expansions, but our core values continue to be to offer our guests Christ through.....

“THE POWER OF CAMP” at SACRAMENTO!

Sacramento offers: God time! Worship! High adventure! Time to think without distractions! Caring adult role models! Beauty of nature! Lifelong friendships with positive peer pressure, and a temporary community where safe risks can be taken and important questions can be asked. 5 days at Sacramento offer 7,200 minutes worth of moments away from the normal pressures of life to...decompress...believe...and dream in a beautiful setting with trusted role models.

Sacramento helps to navigate the tough decisions of life and discover your purpose and passion. Sacramento helps by offering THE POWER OF CAMP!

“NEW DIRECTIONS”

We have recently expanded our “relevance” to the New Mexico Annual Conference by agreeing to assist the facilitation of development of the “Youth Programs” in the conference. We are excited about this new role of development of youth, youth leaders, and adult leaders to help to further the Kingdom of God.

We are continuing to grow in our involvement in missions, ministry to the military, ministry to families, ministry to clergy and ministry to those desiring to grow in their faith.

As we “Adapt” and grow while listening to the guidance of the Holy Spirit we find our niche expanding into these areas we are calling: “Sacramento Ministries”

YOU HELP TO OFFER “THE POWER OF CAMP” at SACRAMENTO!

Without you, via your prayers, advocacy, gifts and service ***“THE POWER OF CAMP” at SACRAMENTO*** would cease to exist. Our overall camping program continues to grow. Last year almost 7,000 lives were impacted by ***SACRAMENTO*** and the heavens rejoiced!

Go to our website or Facebook page and get a taste of it, but better yet come and be a part of:

Mrs. Marilyn Balleau

December 3, 1938 – November 24, 2013

The oldest of four children, Marilyn was born to lifelong United Methodist pastor John L. Carpenter and his wife Lamoine in a tiny parsonage with no indoor or outdoor plumbing (they had to go to the neighbor's house) in Roy, NM. Three weeks later she made her stage debut as the Baby Jesus in the church's Christmas program.

She continued to enjoy performing, learning the violin and often playing duets with her sister, Jean, on the piano. She also loved singing in the church choirs in both Clovis, where she lived from 1955 to 1989, and then at St. John's United Methodist Church in Albuquerque.

When her family was young, Marilyn worked as a secretary for Bella Vista Elementary School in Clovis for 20 years where she acquired many skills, including an expertise for pulling children's loose teeth. This came in handy for various nieces and nephews who would not let anyone but Aunt Marilyn perform this delicate operation. After moving to Albuquerque, she went to work for the New Mexico Annual Conference of The United Methodist Church in the New Mexico/Northwest Texas area Bishop's office where her renowned efficiency soon became invaluable for more than 20 years.

In Memorium

Marilyn married George Balleau in 1993 and enjoyed many years of traveling the world with him to various places in Europe and Australia. Their home in Albuquerque was the scene of many family Thanksgiving dinners, including one with her boss, Bishop Alfred L Norris, during which one particular niece was on her best behavior for fear that her favorite aunt would lose her job if the children acted badly.

Always ready to help, Marilyn served in the church in various ways and was an active member of P.E.O. (Philanthropic Educational Organization) for many years. She will be missed for her practical sense of humor, her ability to put children at ease and the songs that she made part of all our lives.

Survivors include sister Jean and husband Roger Herd of Albuquerque, NM; brother Johnny and wife Sally Carpenter of Omaha, NE; brother Danny and wife Tanya Carpenter of Annapolis, MD; son Randy and wife Beverly Harmon of San Diego, CA; daughter Jana and husband Jon Cox of Clovis, NM; and grandchildren Jacob, Joel, Caitlin, Justine, Beau and Noah Harmon; Austin and Jonathan Cox. She was preceded in death by her parents, John and Lamoine Carpenter, and husband, George Balleau.

We remember Marilyn Balleau, daughter of a Methodist pastor, puller of teeth, and for 20 years a servant to United Methodist Bishops and to her Lord.

The Reverend Larry Castillo-Wilson

August 21, 1947 – June 11, 2013

In 1985, Larry Castillo-Wilson described himself as a “maverick minister”, one who was not interested in becoming “successful” in the usual sense of the word. “I am a dreamer,” he said, “something every society needs.”

He was a dreamer sometimes, and also a scholar, an explorer, and a poet. He met Rosa at the Baptist Student Union and they were married June 7, 1970, in a Hispanic Baptist Church. Neither his family nor Rosa’s family really approved, but, idealist that he was, Larry didn’t let that stop him from becoming part of the Castillo family. The decision to hyphenate their married name came from a belief in the equality of the sexes, and the equality of the Anglo and Hispanic cultures.

Eventually they left the Baptist Church and became United Methodists. He was ordained a deacon in the Central Texas Conference, and was the Youth Director at St Mark UMC in Fort Worth from 1972 to 1975. After receiving two Theology degrees from Brite Divinity School at Texas Christian University, he became part of the New Mexico Conference and was ordained an Elder.

Together they had two children, Casidy and Carisa, and they served St. Paul, Albuquerque; Mountainview, El Paso; Socorro; Ft. Davis/Balmorhea; Marfa; Grace, El Paso; and Christ, Albuquerque.

Along the way Larry was the key figure in planning relief efforts for the community of Saragosa after the tornado of May 1987 as chairperson of the Saragosa Area Interfaith. He later assisted with another UMCOR relief project at Jarrell in 1997.

In Memorium

Unknown to many people, he also suffered from mental illness, which required a careful balance of medications, and led to his incapacity leave in 2002.

Larry also became known for his first person presentations of early circuit riders, especially Thomas Harwood, as well as other historical figures. He became a noted expert on the Camino Real, hiking much of it, and making several new discoveries. And he wrote poetry, serving as the vice president of the New Mexico State Poetry Society in 2010.

He also served as Chairman for the Committee on Archives and History from 2009 to the time of his death in 2013.

“Much is dreamed, much imagined, much desired,” Larry wrote, “but be ye doers of the dream and not dreamers only.”

We remember Larry Castillo-Wilson, who was more than a dreamer.

Mrs. Betty Jean Christman

June 8, 1932 – July 4, 2013

Betty Jean Christman was the wife of missionary Norman R Christman III. She was born in Illinois as the daughter of Albert and Gladys Firestein.

She and Norman were married in 1951. At the time he was going to school at North Central College. He went on to Evangelical Theological Seminary, graduating in 1963 and was ordained an elder. He served the East Lynn charge in the Central Illinois Conference from 1963-1968.

Meanwhile, Betty Jean earned a Bachelor's in English from the Olivet Nazarene College in 1965 and a Masters in Education from the University of Illinois in Champaign, Illinois in 1968.

At that point there was an even greater call to the mission field. They became part of the National Division of the Board of Missions, moved first to Puerto Rico in 1973, and then to Saudi Arabia in 1981.

They came to New Mexico in 1984 and served at McCurdy, transferring into the New Mexico Conference in 1986 and serving Alcalde and Velarde – all part of the mission fields within our own conference in the Española Valley.

They retired officially in 1991, and moved to Florida. They were living there in Naples, Florida when Norman passed away in 2005, after 54 years of marriage. Along the way they had three children; Jacquelyn Ann Smith who had already died, Victor Irwin Christman, and Karen Sue Smith.

When Norman passed away Betty moved to Citrus Heights, California, to be closer to her daughter, Karen.

Having served as a missionary pastor's wife for 54 years, she died on July 4, 2013 in Concord, California, at the age of 81.

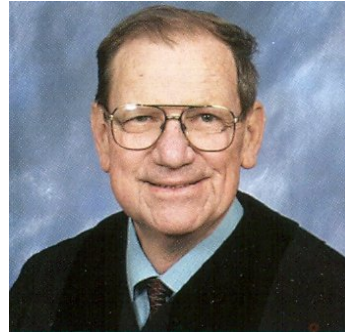

We remember Betty Jean Christman, wife, mother, and teacher in lands far away and in our own mission field as well.

The Reverend Andrew Claron Husted

October 17, 1946 – September 16, 2013

Rev. Andrew Claron Husted, known to everyone as "Andy," was born in Garnett, Kansas, to Donald Clifford and Grace Clara (Smith) Husted. Andy graduated from Los Lunas High School in 1964 and worked on the family farm. In 1967, he enrolled at the University of New Mexico and answered the call of God into the ministry and was appointed to the Vaughn and Encino Methodist Churches. He moved to Elida in 1968 to serve the United Methodist Church and attend Eastern New Mexico University.

He graduated from ENMU in 1972 and was ordained as a Deacon in The United Methodist Church. On April 6, 1969, Andy married Cora Eileen Cannon in Elida. He completed the course of studies school for ministry in The United Methodist Church in August 1975, with credits from Illiff School of Theology in Denver, Perkins School of Theology in Dallas, and Saint Paul School of Theology in Kansas City. During his 46 years of ministry Andy served: the Vaughn/Encino charge, Elida, Inez, Melrose, Santa Rosa, Peralta Memorial, Clayton/Amistad charge, and the Carlisle Plaza/Harwood charge in Albuquerque.

He was preceded in death by his parents, his sister Marceda Ann Husted-Pareo, his father-in-law James Finis Cannon and two nephews, Tommy Joe Pareo and Ryan Orlando Husted. He is survived by his wife Eileen of their home, one daughter, Heather of Portales, 3 sons, Heath (Pam) of San Jon, Travis of Texpline, Texas, and Rusty (Jessica) of Arnett Oklahoma; 6 grandchildren: Andrew Jon, William James, Grayson Adam Cannon, Judah Benjamin, Anna Claron, and BreeAnna; a sister-in-law Debby Cannon of Elida; two brothers, Benjamin Ray Husted and his wife Judy of Prague, Oklahoma, and Anthony Ernest Husted and wife Doris of Albuquerque.

In his life, Andy did many things in conjunction with his service in the church including milking cows seven years on his own dairy north of Elida. While in Santa Rosa Andy was a disk jockey at radio station KSYX, and served as chairman of the board of the Santa Rosa hospital where he was successful at helping save the hospital. Andy taught hunter safety classes and umpired little league baseball games. As a minister he served on many teams for Walk to Emmaus and Kairos prison ministry weekends. He enjoyed working church camps at Sacramento Methodist Assembly and it holds a special place in his heart. As pastor, he led building projects, including the new sanctuary at Peralta Memorial UMC and the Methodist church building in Elida. Things he loved included his family, churches, Vacation Bible School, gardening and his pets.

We remember Andrew Claron Husted, who was a pastor, umpire, husband, father and a dairy farmer, too.

Mrs. Verba Lawler Klueh

June 24, 1918 – October 24, 2013

Verba Lawler Klueh was a school teacher. She grew up on a farm in Killeen during World War II and loved to ride horses. She was the wife of the Rev. John Ray Lawler, who served a number of churches in Oklahoma starting in 1945; as well as churches in the

In Memorium

New Mexico Conference. It is said that she knew how to keep a neat house because so many church gatherings were held there.

Verba was an avid reader and started to go to college while her children were young. It was always a challenge going to different colleges as the Rev. Lawler would move to a different church every three or four years, but she persevered. Verba eventually graduated the same year, at the same time as her daughter, Leta, from East Central University in Ada, Oklahoma in 1967, while Ray was serving in the Oklahoma Conference. She went on to become a school teacher.

They came to New Mexico in 1968, where Ray served Trinity, Roswell, and later Crane.

At the time Ray passed away in 1976 at the age of 59, the couple had been married 30 years.

Verba's participation in her church and the Women's Christian organization continued, and on June 25, 1978 she was married to long-time friend, Lloyd Klueh.

Among the things she and Lloyd enjoyed doing was square dancing. They joined the Camping Squares and for the next 20 years spent many months together traveling all over the country and Canada, to dance. "Matt the Cat" came along with them on these trips. In later years they took comfort in the garden they kept at home.

Lloyd, too, passed away on September 9, 2010 at the age of 92. Following his death Verba lived with her daughter Leta in Kingsland, who passed away only a few months before Verba. Her son, Art, moved her to Oklahoma while he made arrangements for her to live in a nursing home in Kingsland. She returned and was there only a few days before she died on Oct. 24, 2013.

At the time of her death Verba was a 50-plus-year member of PEO (Philanthropic Educational Organization), which provides educational loans to women around the world.

We remember Verba Lawler Klueh, who was a teacher, mother and loving wife.

The Reverend Richard Cyril Stone

April 16, 1918 – July 10, 2013

Richard Cyril Stone was a first generation American citizen, born of a German father and an English mother in Artesia, New Mexico in 1918.

He attended McMurry College where he met and married Mary Corinne Daniel in 1937. They had seven children; Martha Jeanne, Elizabeth Ann, Mary Frances, Richard Cyril Jr, Robert Edward, Sarah Margaret, and Russell David.

He earned both a Master of Theology and Master of Arts at Perkins School of Theology and became a member of The New Mexico Conference in 1944.

During his years of service, he first served Highland UMC in Odessa; Anthony; Southern Heights in Hobbs; Fort Boulevard in El Paso; and St. Luke's in Odessa.

In 1964, he was appointed the Superintendent of Landsun Homes in Carlsbad, and under his administration a building was finally built. The dream became a reality on June 1, 1965. Besides overseeing the construction of the first buildings, Cyril also wrote the initial job descriptions,

established the insurance package, hired the staff, and obtained the tax exempt status for Landsun.

He was given an Honorary Doctorate of Divinity from McMurry in 1966.

In 1967 he was appointed to First, El Paso; and then Christ UMC in Albuquerque. He was the founding pastor for St. Stephens in Albuquerque, and the membership grew to 400 while he was there. He then served Lovington; St. John's in Stamford, Texas, in the Northwest Texas Conference; and Kingswood in Clovis.

During his 40 years in ministry, there were three educational buildings and two sanctuaries built under his leadership in various churches, in addition to the construction of Landsun Homes. He was one of the first Conference Youth Coordinators, writing materials which were later published and used by the general church. He also worked on the Equitable Salaries committee.

After his retirement in 1984 Cyril became an historian, writing manuscripts covering the history of Sacramento, the history of Landsun Homes, and the "Halcyon Years" of Bishop Angie Smith and the New Mexico Conference from 1939 to 1968.

He was named one of the Living Archives in 1993, and a McMurry University Distinguished Alumni in 2003.

"I have been granted more than the average number of high privileges during the years of my ministry," Cyril once said, "But the higher honor comes in having been a part of the New Mexico Conference."

His last years were spent in Abilene, where he passed away on July 10, 2013 at the age of 95.

We remember Richard Cyril Stone, a first generation American citizen, and one of us.

Mrs. Mary Elizabeth Thigpen

December 7, 1916 – December 22, 2013

Mary Elizabeth Robertson Thigpen was born in Breckenridge, Texas. She married Charles Thigpen on September 4, 1938 in Little Rock, Arkansas, when she was 22.

At that time Charles was better known for his singing than his preaching, and originally planned a career in music. Instead Charles was soon admitted into the North Texas Conference, and appointed to serve Grace Methodist Church in Dallas in 1939.

Mary went with him then to Oklahoma and New Mexico, and all of the places he was assigned. That is twelve moves in all, including his time as a District Superintendent. Such is the life of a Methodist Preacher's spouse.

She was very dedicated to church, home, and family, and very supportive of her husband. She thoroughly embraced her role as a helpmate, often visiting hospitals, nursing homes and shut-ins as well. His very active life became hers as well.

They had two children along the way; Charles Jr, and John.

When Charles retired in 1978 they lived in Albuquerque for a time, and were active at Central UMC. They celebrated their 50th wedding anniversary with a reception there.

In 1993 they decided together to work with The New Mexico Conference Methodist Foundation to set up a gift annuity. As they wrote at that time, "We thank God that through the very fine management of these funds, the income during the rest of our lives will assist us in retirement with dignity, and then the Caring Hands Fund forever." Dr. Thigpen had served for many years as a member of the Board of Landsun Homes, and both of them knew the need.

In 1994 they moved into Epworth Villa in Oklahoma City. There Charles continued singing and preaching from time to time until he was 92 years old, with Mary by his side. When he finally passed away in 2008 they had been married for 70 years.

She lived to see five grandchildren and six great grandchildren as well, before she joined her husband again in heaven on December 22, 2013 at the age of 97.

We remember Mary Elizabeth Thigpen, a servant of the Lord with her husband Charles.

The Reverend David Cowden White

August 26, 1921 – April 1, 2014

David Cowden White took seriously John Wesley's assertion that the World is our Parish.

In 1941 at the age of 20 he spent nine months traveling and studying in South America. In 1943 he earned a BA in history and Economics at Occidental college in Los Angeles. He continued his studies in History at Northwestern University in Evanston, Illinois, and at the same time received his Masters of Divinity from Garrett Theological Seminary in 1945.

Along the way he got married to Mary Ellen Caldwell in 1944.

Under the Board of Foreign Missions he became a member of the Chilean Annual Conference in 1945, serving as a pastor in Chile for five years. It was as a member of that autonomous conference that he was ordained an elder in 1951. He taught a course on Latin American Missions at Drew Theological Seminary in 1952, the same year that he became Vice President and professor at Seminario Evangelico de Teolocica in Matanzas, Cuba – a position he served for eight years as a member of the Cuban Annual Conference. During that time he also served as a staff member for the Overseas Training Program of the Board of Missions.

From 1960-1977 he was a Professor at Scarritt College for Christian Workers, and a member of the Tennessee Annual Conference, occasionally participating on doctoral exam committees in Latin American History at Vanderbilt University. He took a sabbatical in 1968 which he spent as a visiting instructor at Wesley Theological Seminary in Montero, Bolivia.

Upon his return to Scarritt College he also found time to be a Tennis Instructor during the summer. In 1976 he was a guest lecturer at Alcorn College in Kangaroo Point, Queensland, Australia. In 1978 he was assigned to the Methodist Church in Fiji by the Board of Global Ministries, and became a member of the Fiji Annual Conference. His primary responsibility there was as an Educational advisor and lecturer at the Methodist Lay Training Centre. In 1980 he also became a lecturer at Vuli Talatala, a high school level training institution. From February 1981 to June 1982 he was the dean and professor helping to organize a new Methodist Theological

Seminary in Mexico City. In July 1982 he became the Regional Education officer for the Central Queensland Presbytery of the Uniting Church of Australia, which includes the Methodists, Presbyterians, and Congregationalists.

He officially transferred from the Tennessee Conference into the New Mexico Conference in 1984 as part of the Española Valley Group ministry serving Alcalde, Velarde, and Hernandez, and officially retired two years later in 1986. He moved back east to Nashville, Tennessee, where he was well known in the Tennessee Conference, but he remained a member of the New Mexico Conference for the next 28 years.

Sadly his wife Mary Ellen passed away in 2008, grieved by him and their four children, Cherie, Byron, Timothy and Patricia.

On April 1, 2014, he passed away at the age of 92. Services were held at the Crieviewood United Methodist Church in Nashville where he and his wife had been active members since his retirement. "We have been so blessed with David White in our midst." Pastor Peter Van Eys remarked, and so were we for a little while.

We remember David Cowden White, scholar and worldwide missionary.

Mrs. Norma Houchin Wofford

April 8, 1928 – December 12, 2013

Norma Marie Ray was born April 8, 1928, in Breckenridge, Texas. The family moved to the west Texas area when she was 16 months old. She grew up and attended school east of Lubbock in the Canyon and Roosevelt systems, graduating from Roosevelt High School in 1946. Doug Wofford was a classmate attending the same school.

Soon after graduation, however, Norma married Raymond Lloyd Houchin, on Oct. 20, 1946. He had served in the military from 1942-1946, and now was ready to settle down.

They built a life for themselves, and together they had two daughters and two sons – Kay, Debra, Tony and Bradley. Bradley died of the flu in 1963 when he was only 6.

Norma had a job in the medical field for much of her working life, and Raymond worked as a pipefitter. He died at the age of 62 in 1981 of a sudden heart attack.

At the age of 80 she married her old classmate and retired pastor, Rev. Jess Douglas Wofford on December 30, 2007.

Although she had not shared his life of ministry, Doug and Norma did share each other's company for a number of years.

She passed away on Dec. 12, 2013 and was laid to rest in the Peaceful Gardens Memorial Park in Lubbock. In addition to her children, she left behind seven grandchildren and eight great-grandchildren.

We remember Norma Marie Wofford, wife and mother, classmate, friend, and in the end companion and wife of Doug Wofford.

METHODIST EPISCOPAL CHURCH, SOUTH

Editorial Note: The first session of the General Conference of the Methodist Episcopal Church, South, was from May 1 to May 23, 1846, at Petersburg, Virginia. (War was declared on May 12.)

The 1854 General Conference placed that part of New Mexico west of the Continental Divide in the Pacific Conference. The portion east of the Divide was placed in the Kansas Mission Conference. In 1855 the Kansas Mission Conference listed Santa Fe in the LeCompton District, but no appointment was made. Santa Fe is not mentioned again until 1858, when it was "to be supplied."

Historical Records

On November 14, 1859, Bishop George F. Pierce, presiding over the Rio Grande Mission Conference (meeting at Goliad) included El Paso in the San Antonio District (Rev. Ivy H. Cox, presiding elder), and appointed Rev. John L. Harper as pastor at El Paso. (He did not make a report to the Annual Conference of 1860.)

In 1866, New Mexico was placed in the St Louis Conference; in 1870, in the Kansas-Nebraska Conference; in 1874, in the Denver Conference.

From 1881 through 1889, three conferences were active in the area: (1) The Denver Conference in the territory of New Mexico; (2) the West Texas Conference, in the Texas portion; and (3) the Mexican Border Mission Conference, taking over from the West Texas Conference for two years. The following lists, therefore, recognize all of these conferences. (4) From 1890 through 1929, the churches in San Juan County of New Mexico were in the Denver Conference.

CONFERENCE STRUCTURE, PROCEDURES AND POLICIES

I. PROCEDURES FOR MEETINGS OF THE ANNUAL CONFERENCE

A. Guidelines for Resolutions and Petitions to the Annual Conference

1. In order to be included in the Pre-conference Journal, petitions, reports, and resolutions must be received electronically in the conference office by March 15.
2. To facilitate development of the annual conference agenda, no petitions will be accepted after the first day of May, except from committees, boards, or task forces of the annual conference.
3. The person, persons, or entity proposing a resolution or petition should be clearly identified in the document.
4. Resolutions and petitions should be clearly typed, with numbered lines and extra spaces to enhance legibility and facilitate referencing.
5. Petitions or resolutions not in the Pre-conference Journal will be considered by the Annual Conference only if (a) sufficient copies are available for distribution to each of the registered members of that session of the Annual Conference, and (b) an electronic version is provided to the Conference Secretary. If the presenter is unable to prepare the duplicates, the conference office will do so and bill the sponsor for costs.
6. Petitions or resolutions presented by boards, committees, or task forces of the annual conference during the conference session must be delivered to the designated assistant secretary before the beginning of the afternoon session of the second day of the conference. They will be numbered in the order in which they are received.

B. The Pre-conference Journal and Meetings

1. The Pre-conference Journal will be printed with numbered lines and pages.
2. The Pre-Conference Journal is to be available online to the lay and clergy members of the annual conference at least 30 days before the start of the Annual Conference Session.
3. Pre-conference orientation meetings shall be held no later than two weeks before the start of Annual Conference.

C. Rules of the Annual Conference

1. At the discretion of the presiding officer (of the annual conference or of legislative committees), a time for prayerful discernment may be taken during deliberations. Such a time should be for personal meditation and shall end at the call of the presiding officer.
2. Adjourn A motion for final adjournment of the annual conference shall be sine die and all unfinished business will remain unfinished.
3. Consent Calendar All items that do not require Annual Conference action will be placed on the consent calendar, established by the Annual Conference Planning Team. Legislation, reports, or resolutions that seek conference, district, or local church funding or that seek to amend the rules may not be placed on the Consent Calendar.
 - a) If the consent calendar is not a part of the Pre-Conference Journal, it will be presented on the first day of Annual Conference and, after laying on the table for 24 hours, will be acted on by motion of the Provost.
 - b) Anyone may make a motion that an item be removed from the consent calendar when the consent calendar is presented by the Provost during the opening business session of Annual Conference.
 - c) Adoption of the Consent Calendar by vote of the conference shall be deemed action on all calendar items on the Consent Calendar.
 - d) Organizations, institutions and special interest groups included in the consent calendar will not be scheduled for live plenary time unless the annual conference planning committee extends a specific invitation or grants an exception; instead, such organizations are asked to develop video presentations of no more than 3 minutes in length. These videos will be shown throughout the Annual Conference at the discretion of those responsible for scheduling.

Conference Structure, Procedures and Policies

4. To ensure adequate understanding by conference delegates of any motion requiring conference, district, local church, or individual member funding or financing, the motion must be either in the Pre-conference Journal or brought to the floor of the annual conference session at least 12 hours prior to vote. The maker of the motion shall present a line item budget and identify a source of funding at the time the motion is made.
5. Legislative Committees RESERVED
6. Minority Reports RESERVED
7. Non-debatable Motions The following motions shall be acted upon in the conference or legislative committee without debate:
 - a) To adjourn, except to adjourn the conference finally;
 - b) To suspend the rules;
 - c) To lay on the table;
 - d) To take from the table;
 - e) To call for the previous question (see rule 8);
 - f) To reconsider a non-debatable motion;
 - g) To limit or extend the limits of debate;
 - h) To take time for prayerful discernment.
8. Previous Question In debate before the annual conference or legislative committee, any member who moves the previous question shall indicate to what it is intended to apply, and if the mover of the motion does not indicate, it shall be taken to apply only to the immediately pending motion. The call for the previous question will be considered without debate and shall require a two-thirds vote of those present and voting for its adoption. If it is adopted, the motion or motions to which it applies shall be taken without further debate except that a final speech by the chair of the committee giving the report is always in order before the vote is taken.
9. Robert's Rules of Order In any parliamentary situation not covered by the Conference Rules, the Annual Conference may appeal to Robert's Rules of Order Newly Revised for guidance. It is preferred that main motions be prepared in writing and handed to the Conference Secretary when presented (particularly when long or complex); in accordance with Robert's Rules of Order, the chair may require that a main motion, or any other motion, be submitted in writing when presented.
10. Rules Changes Any proposed changes and additions to the Conference Rules shall be submitted in writing to the Conference Rules Committee and shall in turn be presented to a conference session at least 12 hours before a vote is taken on the proposed change or addition. Any and all rules may be changed by a majority vote of the conference.
11. Second A report of a committee presented to the conference for action does not require the formality of a second.
12. Secondary Motions If any one or more of the following motions is made when another motion is pending, the order of their precedence in relation to one another shall be the same as the order of their listing below:
 - a) To fix the time of adjournment;
 - b) To adjourn;
 - c) To lay on the table;
 - d) To order the previous question;
 - e) To limit or extend the limits of debate
 - f) To postpone to a given time;
 - g) To commit or refer;
 - h) To amend or to amend by substitution.
13. Exceptions to Majority Vote
 - a) Twenty-percent (20%) of those present and voting shall be able to remove an item from the Consent Calendar for consideration by the body.

Conference Structure, Procedures and Policies

- b) Two-thirds vote shall be required to suspend or amend the rules.
 - c) A call for the previous question is a motion to suspend the rules and therefore requires a two-thirds vote.
 - d) Any voting requirements established in The Book of Discipline take precedence over conference Rules (particularly with reference to conference relationships of clergy members).
14. Motion After a Speech No delegate, immediately after discussing a pending question and before relinquishing the floor, may make a motion which if adopted, would limit or stop debate.
15. Reports and Recommendations Each conference board, commission, or committee shall separate its report for the past year from its recommendations for the coming year, so that a vote for the acceptance of the report is not a vote for acceptance of the recommendations
16. Substitutions When a resolution or report is before the conference or legislative committee for consideration, a substitute motion may be offered by any member moving that the same be substituted for the report, resolution, or amendment under consideration.
- a) The substitute shall be an alternative to what is before the house and not simply a negation of the main motion.
 - b) The question shall be put first on the motion to substitute, followed by the motion to adopt the report or resolution.
17. Tabling motions The motion to lay on the table carries with it all motions to which it adheres and all subsidiary motions that adhere to it.
18. Voting Only delegates within the bar of the conference or legislative committee when the vote is taken shall be entitled to vote. No delegate may cast a vote in place of another delegate. No other business shall be in order when a vote is being taken until the process is complete, except such as relates to the vote itself.
19. Voting from the platform Members of the annual conference who are seated on the platform or who are making a presentation to the conference shall be allowed to vote and shall be included in any counted votes taken. It is preferred that main motions be prepared in writing and handed to the Conference Secretary when presented (particularly when long or complex); in accordance with Robert's Rules of Order, the chair may require that a main motion, or any other motion, be submitted in writing when presented.
- D. Location of Annual Conference The Annual Conference will establish the place for holding the Conference at least two (2) years in advance, pursuant to ¶603 of the 2000 Book of Discipline.

1. The New Mexico Annual Conference Delegation shall comprise:
 - General Conference Delegates [as per Discipline ¶ 502]: currently one clergy delegate and one lay delegate (who shall also serve as delegates to the Jurisdictional Conference);
 - Jurisdictional Conference Delegates: [as per Discipline ¶ 514]: currently an additional one clergy delegate and one lay delegate, who shall also serve as reserve delegates to the General Conference; and
 - Alternate Delegates to the Jurisdictional Conference: three additional clergy delegates and three additional lay delegates.
2. Qualification of Lay Delegates: Lay delegates and their alternates shall have been professing members of The United Methodist Church for at least two years next preceding their election and shall have been active participants in The United Methodist Church for at least four years next preceding their election. They shall be members of a church in the New Mexico Annual Conference at the time of their election. There is no age requirement for election. The lay delegates shall be elected by the lay members of the Annual Conference; clergy members may not vote for lay delegates. [Discipline ¶ 36]
3. Qualification of Clergy Delegates: Clergy delegates and their alternates shall be elected from the clergy members in full connection with the Annual Conference. The clergy delegates shall be elected by the clergy members who are deacons and elders in full connection, associate members, and those provisional members who have completed all of their educational requirements and local pastors who have completed course of study or an M. Div. degree and have served a minimum of two consecutive years under appointment immediately preceding the election. Affiliate clergy members and lay members may not vote for clergy delegates. [Discipline ¶ 35, ¶ 327.2, and ¶ 602(a), (b), (c), and (d), and as printed in the errata dated 11/01/2013, per Judicial Council decision #1181]
4. Nomination: no formal nomination is required. Any qualified person receiving votes is deemed nominated.

In advance of the Annual Conference session where lay delegates will be elected, the Conference/District Lay Leaders may request lay members interested in becoming a delegate to provide a notice of interest/qualification [in the form and content as established by that Lay

Conference Structure, Procedures and Policies

Leadership of the Annual Conference] which shall be distributed to the Lay Members of the Annual Conference at or prior to the Annual Conference session for an election. At the Laity Meeting of that Conference session, the Conference Lay Leader may provide a scheduled introduction to the Laity of the Session of all lay members expressing an interest in becoming a delegate.

5. Time of Election: Election of delegates shall be at the session of the New Mexico Annual Conference held not more than two annual conference sessions before the calendar year preceding the session of the General Conference, and in conformance with Discipline ¶502.3. The determination of which Annual Conference Session the election will take place will be the responsibility of the Conference Ministry Team (CMT), with input from the current delegation.
6. Vote Required for Election: A delegate is elected upon receiving a number of votes equal to a simple majority of the ballots cast in that balloting round, counting only lay ballots toward a lay election and only eligible clergy ballots toward a clergy election. Ballot rounds will continue to be held at the session until the entire Delegation is elected.
7. Order of Election: The General Conference Delegates shall be elected first, then the Jurisdictional Delegates, and then the Alternate Delegates. When voting for Alternate Delegates, each ballot round will call for the total number of Alternate Delegates to be elected. For example, if electing three Alternate Delegates, the ballot may include up to three names.
8. Order of the Day: When a ballot round has been tallied and is presented to the Bishop, the reading of the ballot results and the next round of balloting shall be the order of the day.
9. Casting Ballots: Ballots shall be cast from within the bar of the conference session and during the time allotted by the Bishop.
10. Official Ballots: Votes will be counted if cast using the official ballot book distributed at registration and if cast on the ballot page announced by the Bishop for that ballot round. Voting on a ballot page other than the page announced by the Bishop will result in that ballot being disqualified.

Members are responsible for ensuring they have been issued the appropriate lay or clergy ballot book at the time of registration. Members are advised to clearly identify their ballot book as their own. Members are further advised to begin using the numbered balloting pages as the ballots, and not the pages at the back of the ballot book provided to record ballot round results.
11. Form of Ballot: Members must vote for no more than the number of delegates or alternates to be elected in that round of balloting (i.e., if seeking to elect one delegate, only ballots with one vote for one name will be counted; if seeking to elect three alternates, only ballots with up to three different names on them will be counted.). Voting for more than the number to be elected on that round of balloting (or voting for the same name multiple times) will result in that ballot being disqualified. Voting for the maximum number of different names at each round of balloting will shorten the time required to elect alternates.
12. Lay Member Alternates: If a lay member is going to be absent from the floor, the lay member may entrust his or her Ballot Book to an official alternate from the lay member's church. Alternates may vote if they have the Official Ballot Book in hand at the time of the vote of a ballot round. There are no alternates for clergy members.
13. What is in Order During Balloting: After the Bishop has read the results of a ballot and before the next round of balloting is announced, the following two matters may be raised from the floor:
 - a) Questions regarding the voting and election process; and
 - b) Statements by persons receiving votes who wish to decline election.
14. Displaying of Election Results: Results of a ballot shall be displayed on the multimedia screens only upon the direction of the Bishop.
15. Decorum: No campaign speeches for or by any candidate may be offered from the floor of the Conference Meeting.

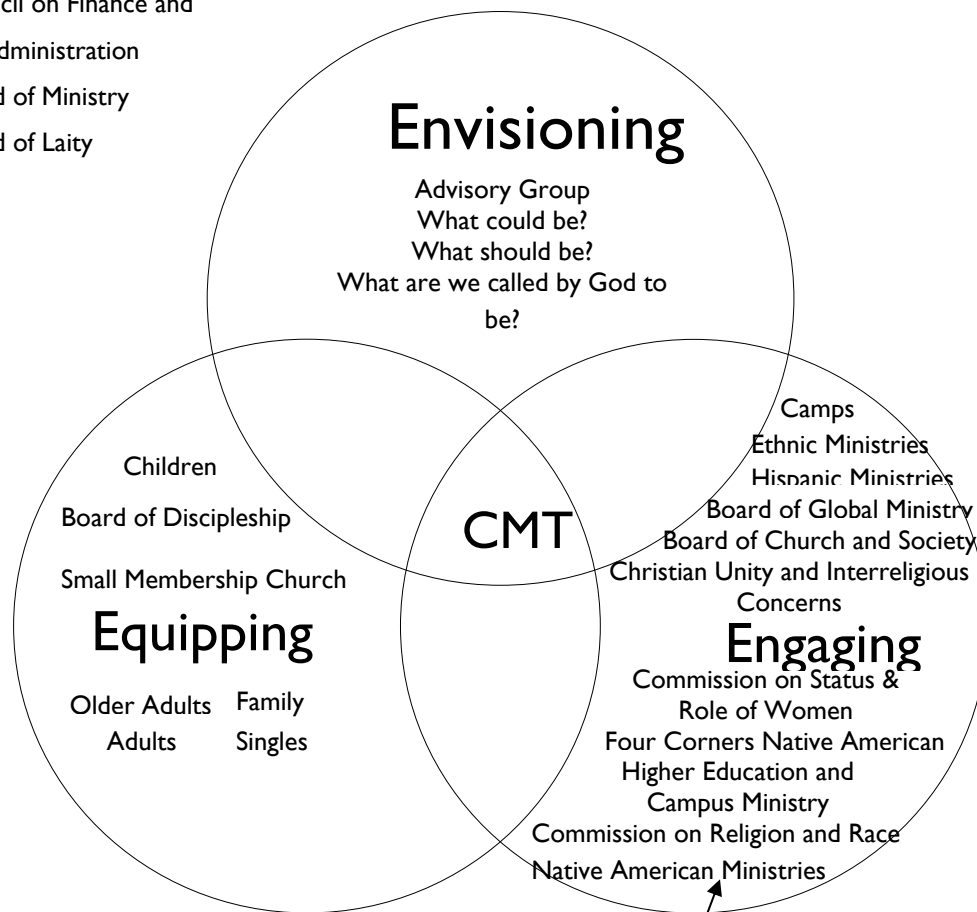

Conference Structure, Procedures and Policies

16. Legibility and Discernibility of Ballots: Tellers will count all votes that are legible and discernable as to the intent of the voter. The Head Teller, the appointed Rules Committee Member, and the Conference Secretary shall be the final arbiters of the discernibility of a ballot.
17. Distribution of Additional Ballots: In the event all ballots in the Official Ballot Books are used, new ballots will be distributed to those possessing used Ballot Books.

Benefits, and the New Mexico Methodist Foundation. The New Mexico Annual Conference Board of Pensions and Health Benefits feels that this is the best approach to manage its funds in a prudent fashion.

c) Goals and Implementation

The primary goal of the New Mexico Conference Board of Pension and Health Benefits is to help provide and administer benefits for clergy and lay employees of the church that allow them to serve with security and retire with dignity.

1) Active Clergy Benefits - The Conference Board utilizes the following pension and welfare plans for active clergy:

- (a) Supplement One to the Clergy Retirement Security Program provides pension benefits for clergy with service years prior to 1982. This is a defined benefit plan.
- (b) The Clergy Retirement Security Program (CRSP) is a mandatory plan with the General Board of Pension and Health Benefits. This plan has both a defined contribution component and a defined benefit component and is for clergy with service years after December 31, 2006. CRSP replaced the Ministerial Pension Plan (MPP) for clergy with service years after 1981 and before 2007. Funds invested in MPP continue to earn income but no new contributions are being received.

Due to General Conference 2012 legislation, new provisions for the CRSP were enacted January 1, 2014. Those changes are as follows: only clergy appointed half-time or greater are eligible to earn benefits in the CRSP; and clergy appointed one-quarter time are no longer eligible to earn CRSP benefits, but will be enrolled in the United Methodist Pension Plan (UMPIP)

- (c) The United Methodist Personal Investment Plan (UMPIP) is a plan provided by the General Board of Pension and Health Benefits for personal pension contributions from active clergy. This plan is governed by section 403(b) of the Internal Revenue Code. Contributions are allowed by payroll deduction only. The salary-paying unit must send the personal contribution to the General Board of Pension and Health Benefits. Contributions may be tax-paid or, by meeting provisions of the plan, tax-deferred. Maximum allowable contributions are established by federal law.
- (d) The Comprehensive Protection Plan (CPP) is a mandatory benefits plan that provides death and disability benefits for United Methodist clergy and families, as well as annuity benefits for surviving spouses and educational benefits for surviving children. The benefits and cost are established every four years by General Conference and administered by the General Board of Pension and Health Benefits. Disability coverage with CPP provides 70% of plan compensation, capped at 200% of the Denominational Average Compensation, with Social Security disability approval assumed and benefits offset. A full schedule of current benefits provided by the CPP is available in the Conference Benefits Office.

Due to General Conference 2012 legislation, numerous changes were made to the CPP in both the death benefits payable and the revisions to the disability benefits. A full schedule of current benefits provided by the CPP is available in the Conference Benefits Office.

- (e) *UMLifeOptions* Clergy Supplemental Life Insurance is a supplemental plan sponsored by the New Mexico Annual Conference through the General Board of Pension and Health Benefits. This plan provides a life insurance benefit to active clergy serving at 75% or greater (if eligible for and enrolled in the CPP), their spouses, and retired clergy. This death benefit is in addition to that already provided through the CPP. Clergy serving at 75% or greater that participate in

Conference Structure, Procedures and Policies

the CPP are automatically enrolled in this plan upon appointment. A full schedule of current benefits provided by the CPP is available in the Conference Benefits Office.

- (f) A medical insurance plan for active clergy and lay employees, as selected by the Conference Board. Since 2000, we have been insured with HealthFlex, a program established and administered by the General Board of Pension and Health Benefits for United Methodist clergy, lay employees, and their families.
- 2) The following Plan Participation Chart defines plan eligibility for each conference relationship for plans sponsored by the New Mexico Annual Conference.

Plan Participation Chart - Based on Conference Relationship (Active)

Clergypersons appointed less than full-time may waive participation in CRSP by signing "Waiver of Participation" form. This form must be notarized and filed with the Conference Office. Clergypersons appointed 50% *but less than 100%* will be automatically enrolled in CRSP unless and until a waiver of participation is signed and submitted to the Conference Office.

² Clergypersons appointed less than 50% are not eligible for CRSP, but will be automatically enrolled in the UMPIP unless and until a waiver of participation has been completed and accepted in the Conference Office.

³ Clergypersons must be appointed full-time to participate in the conference health insurance plan.

⁴ Clergypersons must be appointed $\frac{3}{4}$ time or greater to participate in UMLifeOptions.

Note: All pension, disability and medical insurance plans assume Social Security participation. Clergy must notify the Conference Benefits Officer or the conference office if they have elected to not participate in Social Security. The Annual Conference shall not be responsible for benefits that would have come from Social Security or Medicare, whether for retirement benefits, disability benefits, or medical insurance in retirement.

Conference Structure, Procedures and Policies

- 3) Retired Clergy Benefits
 - (a) Life Insurance: The annual conference shall pay the retirees' portion of *UMLifeOptions*, supplemental life insurance underwritten by Unum. (See General Insurance Policies Section below for CPP and 'UMLifeOptions Schedule of Benefits for 2015' for amounts of death benefits.)
 - (b) Health Insurance for Retirees:
 - (1) The New Mexico Conference's unfunded liability for retiree health care benefits as of our latest actuarial evaluation on December 31, 2012 is \$11,340,713. In an effort to provide health care benefits for the conference's retirees well into the future, the conference must continue to look at a variety of methods to manage this liability. Those clergy persons considering retirement are encouraged to check with the Conference Benefits Office to verify benefits available in retirement, and the associated cost of those benefits.
 - (2) Since January 1, 2012, the New Mexico Annual Conference in connection with the General Board has utilized the private Medicare-exchange, OneExchange, previously known as Extend Health, to provide a choice of Medicare Supplement and Medicare Advantage health insurance plans for the Conference's current and future Medicare-eligible retirees. These plans will be combined with an individual Health Reimbursement Account (HRA) for each retiree and spouse, as applicable. (Retirees who are under age 65 and not Medicare-eligible, must be maintained in the active plan. See following section.)
 - (3) The NMAC currently funds the HRA within the plan chosen by the retiree at a maximum of \$250/month, or \$3,000/year, with which the retiree may choose to pay health care premiums and other health-related expenses. This amount will be calculated based on years of service within the NMAC/NWTX Episcopal Area, and may be funded on a year by year basis as long as financially feasible.
 - (4) For those clergy with fewer than 20 years of service in the NMAC, a percentage of the full fixed amount will be paid into their HRA account according to the following chart:

		Percentage of Amount Paid by NMAC for Retiree Health (for those with fewer than 20 years of service)

- (5) Retirees who are under age 65 and not Medicare-eligible, *may* be maintained as “actives” for medical insurance coverage, until they and their spouse reach Medicare eligibility. For the year 2015, the annual conference shall pay \$250 per month for those retiring before Medicare eligibility, with those retirees paying the “actives” premium cost difference until they and their spouse reach Medicare eligibility.
- (6) Once those non-Medicare-eligible retired clergy who have opted out of the conference insurance attain Medicare eligibility, the retiree may opt back into the health insurance program in place at that time for retired clergy. Any insurance credit is only available to those eligible early retirees participating in the conference's active medical insurance plan to age 65.
- (7) For clergy with pre-1982 denominational service years, the annual conference shall grant a 5% per pre-1982 service year credit toward the “actives” premium cost difference, until Medicare eligibility age is reached.
- (8) The amount of medical insurance paid for retiring clergy shall also apply to the clergy person's spouse, surviving spouse, or dependent children.
- (9) When the surviving spouse (under age 65) of a minister who was a member of the conference medical insurance program remarries, he/she is no longer eligible for insurance under the conference plan. When the surviving spouse becomes 65, even if remarried, he/she again becomes eligible for the conference Medicare supplemental insurance plan.
- (10) The annual conference shall pay the medical insurance premium for dependent children of deceased ministerial members of the Annual Conference, with no relation to the surviving spouse's marital status.
- (c) The conference Board of Pension and Health Benefits shall conduct an annual actuarial study of the annual conference's Post-Retirement Medical Liability.
- 4) Lay Employee Benefits - The Board offers the following plans for lay employees of the conference, its local churches or agencies, at the discretion of their employing church or agency:
 - (a) The United Methodist Personal Investment Plan (UMPIP) is a pension plan for lay employees of the United Methodist Church, administered by the General Board of Pension and Health Benefits. Local churches may elect to adopt this plan to provide a pension benefit for their lay employees.
 - (b) The conference health care program may be adopted for lay employees of the conference, church or agency.
 - (c) *UMLifeOptions* Long-Term Disability and Life Insurance is available for lay employees through the General Board of Pension & Health Benefits. Local churches may elect to adopt this plan to provide a life insurance benefit, disability income protection, or both, for their lay employees. Local churches can contact the New Mexico Conference Office if they are interested in sponsoring this plan.
- d) Method of Funding and Funding Plans
The 2012 Book of Discipline ¶ 1506.6 requires that each annual conference develop, adopt and implement a formal comprehensive funding plan for funding all of its benefit obligations. The funding plan shall be submitted annually to the General Board of Pension and Health benefits for review and be approved annually by the annual conference, following the receipt and inclusion of a favorable written opinion from the General Board of Pension and Health Benefits (GBOPHB). This summary document is only a portion of the information contained in the actual signed funding plan. As such, it might not contain all the information required for a comprehensive view of the benefit obligations of the

Conference Structure, Procedures and Policies

conference. The full contents of the 2015 comprehensive benefit funding plan are available upon request from the New Mexico Conference Benefits Office.

Following is the summary of the Comprehensive Benefit Funding Plan (CBFP) that received a favorable written opinion from GBOPHB for the 2015 conference benefit obligations on March 25, 2014:

1) Clergy Retirement Security Program (CRSP) Defined Benefit (DB) and Defined Contribution (DC)

Plan Overview: The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007, which replaced the Pre-82 for service rendered prior to January 1, 1982

CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to the Church, and a defined contribution (DC) plan, which provides a retirement account balance established and funded by annual conferences. The Clergy Retirement Security Program (CRSP-DB) annuities total liability as of January 1, 2013 is \$923.7 million, while total plan assets are \$978.5 million resulting in a current plan funded ratio of 106%. The New Mexico Conference portion of the liability is .54% and the 2015 contribution is \$548,931. The conference funds this through Direct Billing to the local churches. Additionally, General Conference 2012 approved a change to CRSP that provides each annual conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The New Mexico Annual Conference has elected to cover clergy serving 50%+ under CRSP effective January 1, 2015.

Effective January 1, 2014 CRSP-DC plan was reduced from a 3% to a 2% of plan compensation non-matching contribution. Clergy earn up to an additional 1% CRSP DC contribution by contributing at least 1% of their plan compensation to UMPIP. Therefore if a participant contributes at least 1% of plan compensation to UMPIP, the individual will receive a contribution of 3%, which is unchanged from 2013 and prior. The 2013 CRSP-DC contribution was \$190,220 funded by Direct Billing to local churches. It is anticipated that increases for future years will average 3.00%, due to historic annual compensation increases for most clergy participants.

The General Board of Pension and Health Benefits calculates annually the value of each Annual Conference's deposits for pre-1982 pensions, known as Supplement One of the Clergy Retirement Security Program.

2) Ministerial Pension Plan (MPP)

Plan Overview: The Ministerial Pension Plan (MPP) provides clergy with a pension for their years of ministry with The United Methodist Church from 1982 through 2006.

The Ministerial Pension Plan (MPP) annuities total liability as of January 1, 2013 is \$2.7 billion, while total plan assets are \$3.0 billion resulting in a current plan funded ratio of 109% and no required contribution for 2015. The New Mexico Conference's portion of the total liability is .74%. Future MPP annuitants have a total account balance of \$4.4 billion and the New Mexico Conference's portion of that balance is \$26.38 million or .60% of the total.

Conference Structure, Procedures and Policies

3) Pre-1982 Plan

Plan Overview: Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982.

The 2015 Past Service Rate (PSR) recommended to the New Mexico Annual Conference will be \$622.00 representing a 1.14% increase from the 2014 rate. Based on the final actuarial valuations from the General Board of Pensions and Health Benefits as of January 1, 2013 for 2015, the portion of the Pre-82 liability attributable to the New Mexico Conference and funded status is, as of 1/1/2013, as follows:

2015 Estimated Actuarial Valuation

Past Service Rate	\$622.00
Assets in the Plan	\$17,277,264
Funding Plan Liability	\$14,343,754
Funded status	\$2,933,510
Funded Ratio	120%

The conference expects future increases to be approximately 3.00%; however, future increases to the PSR for NMAC will only be made if the funded ratio can be maintained between 118%-120%.

The funded ratio is recalculated each year based on economic and demographic changes. These changes create the possibility that Pre-82 contributions may be required at a future date (even after 2021).

The contingent annuitant percentage shall remain at the 100% level.

Given the funded status of the Pre-82 Plan for the New Mexico Conference, the Conference Board of Pensions (CBOP) intends to redirect Pre-82 assets in the amount of \$546,344 on 12/31/14 to pay current CRSP obligation. The NMBOPHB direct bills local churches for CRSP DB and deposits collected amounts in a designated New Mexico Foundation account. The Board plans to continue this redirection until such time that Foundation account grows to satisfy several years' worth of required contributions. The Board recognizes that any redirection of pre-82 surplus increases the probability of required contributions to the plan in the future. For this reason, any decisions for redirection will be made on a year-by-year basis.

The New Mexico Conference Board of Pension and Health Benefits will continue to monitor its funding plans and study options that reflect its desired long-term strategy and focus. Restricting PSR increases is part of the overall funding strategy to protect the plan and conference from possible unfunded liabilities.

4) Active Health Benefit Program

Plan Overview: The New Mexico Conference offers a health insurance program to its active participants.

Conference Structure, Procedures and Policies

During the 2013 year, the total cost of the program was \$1,856,900 and was funded by Direct Billing of actual premiums to churches for actives, plus use of Shared Ministries funds for pre-Medicare eligible retirees and those pre-Medicare eligible clergy on CPP disability. The projected average increase for future years is expected to be 8%, due to historical averaged annual HealthFlex increases.

5) Post-Retirement Medical Benefit Program (PRM)

Plan Overview: The New Mexico Conference post-retiree medical insurance program is currently offered through Extend Health (now OneExchange).

The current annual cost is anticipated to be \$500,000 with the funding sources to be through Shared Ministries and special funds in Foundation Accounts. A health reimbursement account (HRA) is established for each retired participant at a specified rate based on years of service. The Board does not anticipate raising the current HRA levels for at least the next 3-5 years.

Based on the most recent PRM valuation dated 12/31/2012, following is the funded position of the post-retiree medical benefits:

Accumulated Post Retirement Obligation (APBO) or net conference cost

\$11,340,713

Expected Post Retirement Obligation (EPBO) or net conference cost

\$13,192,784

Service Cost (SC) or net conference cost

\$227,775

These values are based on 3.50% long term discount rate, 3.50% long-term expected return, and a current increase trend of 8.00% decreasing to 5.00% by 2019.

6) Comprehensive Protection Plan (CPP)

Plan Overview: The Comprehensive Protection Plan (CPP) provides death, long-term disability and other welfare benefits for eligible clergy of The United Methodist Church and their families.

For 2013 the New Mexico Conference's required contribution to the Comprehensive Protection Plan was \$198,280, and was funded by Direct Billing to local churches as well as through Shared Ministries for those on disability. Direct billing will continue for 2015.

7) United Methodist Personal Investment Plan (UMPIP) for Lay and Clergy

Plan Overview: The United Methodist Personal Investment Plan (UMPIP) is an Internal Revenue Code section 403(b) defined contribution retirement savings plan for clergy and lay employees of The United Methodist Church and affiliated organizations.

Conference office lay employees working an average of 20 hours per week or more are eligible after 3 months for a pension contribution of 5% of salary provided the employee contributes at least 2% of his/her compensation. The estimated contribution for the New Mexico Conference is anticipated to be \$11,400 and funded through Shared Ministries.

Conference Structure, Procedures and Policies

As of January 1, 2014, the New Mexico Conference sponsors UMPIP for clergy serving less than half-time. These clergy are eligible for a pension contribution of 12% of compensation. The estimated contribution for the New Mexico Conference is anticipated to be \$6,000 and is funded through Direct Billing to local churches.

8) Other Conference Defined Contribution Obligations

Plan Overview: The New Mexico Conference currently offers UMLifeOptions for Active Clergy and Spouses (supplemental life insurance). The contribution for 2013 was \$24,300 funded by direct billing to churches. No increases in rates have occurred since adoption of plan in 2009. As this is a supplemental benefit, the conference will no longer sponsor the plan should there be a substantial increase in premiums.

Plan Overview: The New Mexico Conference currently offers UMLifeOptions for Retired Clergy only (supplemental life insurance). The contribution for 2013 was \$20,400 funded through Shared Ministries and special offerings. No increases in rates have occurred since adoption of plan in 2009. As this is a supplemental benefit, the conference will no longer sponsor the plan should there be a substantial increase in premiums.

Plan Overview: The New Mexico Conference currently offers Grants to Retirees (includes Farmer Fund match where applicable). These are specified one-time amounts based on need. The contribution for 2013 was \$4,000 funded by designated funds held by NMBOPHB at the Foundation. The anticipated average increase in future years is expected to be .00% per year due to historic minimal requests for assistance.

9) Conclusion:

The 2015 Comprehensive Benefit Funding Plan and the above outlined Summary document incorporates to the best of our understanding the New Mexico Conference's obligations and funding requirements of the benefits provided to the Clergy and Laity of the New Mexico Conference.

Beginning the third year of CPP-disability (beginning with the twenty-fifth month from the start date of CPP disability), the participant shall pay 100% of the premium costs associated with maintaining his/her family in the conference health insurance plan.

- 6) Medical insurance premiums for the Provost, District Superintendents, campus ministers, evangelists, and missional personnel as approved by the annual conference shall be paid out of the conference budgets for those persons.  - 7) Clergy and lay employees who elect to participate in the United Methodist Personal Investment Plan (UMPIP) will continue to be billed by and remit contributions directly to the General Board of Pension and Health Benefits.
 - 8) The Board of Pension and Health Benefits is committed to providing insurance coverage as a part of the covenant between Annual Conference and clergy. However, the Board of Pension and Health Benefits may, in consultation with the Bishop and Cabinet, cancel insurance coverage for non-payment of premiums after three months of non-payment.
- f) **Support Funds**
- 1) Grant monies may be available to clergy from the conference board's Consolidated Grant Fund, as well as other available sources. Surviving spouses of retired clergy may receive assistance from the Kornegay Fund. (See 2012 Discipline, ¶639.4). Each church in default shall receive a cumulative statement of amounts in default.
 - 2) All payments for prior years of unpaid proportional payments and unpaid shared ministries shall be sent to the Conference Treasurer, designating the year in which the delinquency occurred.
 - 3) The Conference Benefits Officer shall report annually to the Board all unpaid insurance premiums. Unpaid insurance premiums or shared ministries shall continue

Conference Structure, Procedures and Policies

as a debt to the church/charge responsible. Each church in default shall receive a cumulative statement of amounts in default.

2. General Information Regarding Benefit Plan Administration

a) Health and Welfare Plans

- 1) It is the responsibility of the conference Board of Pension and Health Benefits to choose a health care program that best serves the needs of the annual conference.
- 2) The Board of Pension and Health Benefits shall review benefit plans, adoption agreements, and coverage at least every three years.
- 3) Active clergy on Medicare (those age 65 and over), appointed to full-time service within the annual conference, are required to give written notification of their employment status to the Board. The church must turn in to the CBO a Small Employer Exception form in order for Medicare to be primary, otherwise Medicare will be secondary and the regular HealthFlex premium will be due rather than the current retiree health reimbursement amount.
- 4) The benefits and agreements regarding the conference health care program are subject to change by any Annual Conference and are not guarantees of future benefits.
- 5) Between sessions of the Annual Conference, the Board of Pension and Health Benefits may make and implement decisions necessary for maintaining the integrity of the health care program as approved by Annual Conference. Such decisions shall be reported to the Bishop, Cabinet, Council on Finance and Administration, and Board of Ordained Ministry, and to the subsequent Annual Conference session.
- 6) The Conference Benefits Officer shall administer the conference health care program, which shall include handling enrollment, monitoring eligibility, maintaining accurate records for insurance purposes, maintaining records of medical reimbursement accounts through HealthFlex, sending bills and receiving payments through the direct billing program, and (in conjunction with the conference Treasurer) make premium payments in a timely fashion.
- 7) District Superintendents shall promptly inform the Conference Benefits Officer of any status change for clergy, so that proper pension and benefits coverage may be maintained.
- 8) As elected in the adoption agreements for various plans, clergy appointed to attend school, a leave of absence or a sabbatical leave may continue in the conference-sponsored health plan at their own expense for one year.

b) Pension and Retirement Plans

- 1) CRSP- All clergy persons appointed to either a local church or charge at 50% or greater will be automatically enrolled in the CRSP. Any clergyperson serving less than a fulltime appointment may, at his or her voluntary election, waive participation in CRSP by signing a "Waiver of Participation" form. This form must be notarized and filed with the Conference Benefits Office. Clergypersons appointed less than full-time will be automatically enrolled in CRSP unless and until a waiver of participation is signed and submitted to the Conference Benefits Office.
- 2) UMPIP – All clergy persons appointed to a local church or charge at less than 50% will be automatically enrolled in the UMPIP. Should any clergy person serving less than 50% not wish to participate in the UMPIP, he or she, by voluntary election, may waive participation in the UMPIP by signing a "Waiver of Participation" form. This form is to be notarized and filed with the Conference Benefits Office. It shall be assumed that clergypersons appointed less than 50% are to be enrolled in the UMPIP unless and until a waiver of participation is signed and submitted to the Conference Benefits Office.

Conference Structure, Procedures and Policies

- 3) Clergy granted retirement by the New Mexico Annual Conference and receiving an annuity from the General Board of Pension and Health Benefits may participate in the health care program, with eligibility defined by the plan documents.
 - 4) The Conference Benefits Officer shall maintain a list of all retired clergy, spouses, surviving spouses, dependent children of deceased clergy, and clergy on Incapacity Leave
3. Information Pertaining to Retirees and Those Receiving Disability Payments
- a) The conference Board of Pension and Health Benefits may sponsor a retirees' luncheon at Annual Conference. Reimbursement for retirees' expenses for 3 days' lodging and meals at Annual Conference shall be up to \$328/couple or \$164/single. Requests for reimbursement shall be made to the Conference Benefits Officer within sixty (60) days of the last day of Annual Conference.
 - b) Retired Ministers' Day and Offering: In order to assist retirees with extraordinary non-medical expenses, the first Sunday in November (or a Sunday close to it) will be set aside as Retired Ministers' Day. This offering will be taken beginning in 2014 and in subsequent even-numbered years. The Retired Ministers' Day offering also serves to recognize retired clergy and to distribute educational information concerning the pension programs of the church.
 - c) Rental/ Housing Allowances for Retired Ministers
 - 1) An amount equal to 100% of the pension or disability payments received from plans authorized under The Book of Discipline of the United Methodist Church (the "Discipline"), which includes all such payments from the General Board of Pension and Health Benefits ("GBOPHB"), during the year 2015 by each retired or disabled clergyperson who is or was a member of the conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such clergyperson.
 - 2) The pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline, that result from any service a Clergyperson rendered to this conference or that a retired or disabled clergyperson of this conference rendered to any local church, annual conference of the church, general agency of the church, other institution of the church, former denomination that is now a part of the church, or any other employer that employed the clergyperson to perform services related to the ministry of the church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such retired or disabled clergyperson's pension or disability as part of his or her gross compensation.
 - 3) NOTE: The rental/housing allowance that may be excluded from a clergyperson's gross income in any year for federal income tax purposes is limited under Internal Revenue Code Section 107(2) and regulations there under to the least of: (1) the amount of the rental/housing allowance designated by the clergyperson's employer or other appropriate body of the church (such as this conference in the foregoing resolutions) for such year; (2) the amount actually expended by the clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

Conference Structure, Procedures and Policies

D. Equitable Compensation

1. A base salary in each category is set according to a predetermined percentage of the annual conference average cash salary (conference average compensation less housing) for the year. The table below shows the percentage for each category and the dollar amount for the year. This is for 2015.

Category	Base Salary	Percentage	Total Package*
Student Local Pastor	\$32,473	59	\$57,076
Full-Time Local Pastor	\$33,971	62	\$58,855
Associate Member	\$35,470	64	\$60,245
Provisional Member	\$36,469	66	\$61,431
Full Connection Member	\$38,967	71	\$64,397

2. Policies and Procedures

a) Procedures for Requesting and Payment of CEC Funds

- 1) Money from all sources (except CEC funds) to be applied to the pastor's compensation and travel shall be totaled. When the amount is less than the amount set for the base compensation for the pastor's category, the district superintendent shall work with the church or charge to plan for the pastoral support from the CEC under the guidelines for Mission Pastoral Assistance, Base Compensation Assistance, or short term Special Pastoral Assistance.
- 2) Requests for CEC support shall be made for a 12-month period beginning January 1 and concluding December 31 of the same calendar year. Requests for funding for the remainder of a year can be made at such time as the pastor's compensation may be adjusted by charge conference action, by change of appointment, or by other conditions.
- 3) Payment from the basic compensation funds shall be made by the conference treasurer after receiving both a written request from the district superintendent and written approval by the CEC chairperson. The conference treasurer shall mail the monthly checks directly to pastors so that they are received by the end of the month for services rendered. Payments for travel, housing, insurance or pension support shall be paid to the responsible agency or charge as directed by the CEC, in consultation with the district superintendent.
- 4) The pension obligation due on the amount of the compensation paid by the CEC fund shall be the responsibility of the CEC and shall include the adjustment for housing on that amount of compensation.
- 5) In some instances, for missional reasons, consideration may be given to make funds available for the deacon in full connection when the primary appointment is to a local church. Salary shall not be less than the minimum compensation established for elders.
- 6) A retired ordained minister appointed to a pastoral charge shall not have a claim upon minimum compensation from the Commission on Equitable Compensation.

b) Types of Pastoral Assistance Available Through CEC

- 1) Mission Pastoral Assistance: Mission pastoral support is provided for churches or charges in communities that in the judgment of the local church leaders, the district superintendent and the cabinet offer little potential at present for numerical growth and self-support for the church. The intent for CEC pastoral support is to free up the church for ministry in the community. Attempts will be made to strengthen the self support potential of the charge by combining with nearby churches, joining other community groups or by developing new ministries to reach unchurched groups in the community prior to requesting this status. The church may be designated a mission

Conference Structure, Procedures and Policies

charge if it is deemed important to continue a United Methodist presence in the community.

- (a) In order to support the unique ethnic diversity in the New Mexico Annual Conference a mission charge/church is eligible to receive up to 100% compensation upon recommendation of the District Superintendents and the Bishop if a conference related pastor is assigned to the church or charge. The cabinet is asked to consider the possibility that the church could be served by a less than full-time pastor to provide the pastoral leadership needed at the most basic level possible. Travel between two or more churches on a mission charge will be provided at the CEC rate as per agreement between the district superintendent and the CEC.
 - (b) Assignment of mission charge status indicates that self-sufficiency is not possible at this time. This status must be reviewed annually. The district superintendent will be asked each year to reapply for this status for the charge and to give cause why this charge should be continued as a mission charge.
- 2) Base Compensation Pastoral Assistance: A base compensation church or charge is one that regularly provides no more than the base compensation for its pastor and that needs assistance in providing that compensation. It is a church or charge perceived to have potential toward self-sufficiency and to provide a valuable and growing ministry in its community. It is expected that most of the charges receiving CEC compensation supplements will be base compensation charges. The process for providing assistance will be as follows:
 - (a) Each church or charge applying for base compensation support will apply for a five-year term. The initial application will follow a formulation by the church of a specific five-year plan for growth in several areas of its life. The formulation will come as a result of a consultation process between the church or charge, the district superintendent and the CEC. The five-year plan should address whatever needs the church or charge sees as important but must address the areas of evangelism and stewardship.
 - (b) The five-year plan will become the vehicle for accountability. Each church or charge will be asked to make a brief annual report of their progress toward the five-year goals and any intermediate goals they may have set. The plan may be altered only by permission of the CEC requested through the district superintendent.
 - (c) The funding request for each year will be part of the church/charge budgeting process based upon the church/charge's five-year commitment. Compensation supplement requests from the church/charge will be made in writing to the district superintendent, who will present the requests to the CEC.
 - (d) With any change of pastoral appointment, it is the responsibility of the district superintendent to instruct the new pastor about the church/charge's plan and the process by which funding will be continued.
 - (e) During the last year of a five-year plan, the district superintendent will institute a thorough review and evaluation of the church/charge. One or more members of the CEC shall be included in the review process by whatever means is agreed upon by the CEC member(s) and the district superintendent. This process may differ from church to church to meet the needs of the church, the district superintendent and the CEC.
 - (f) If a charge cannot become self-sufficient after five years, the district superintendent will help the charge plan for ministry by the use of less than full-time pastoral support, combination of charges, or other alternative means.

Conference Structure, Procedures and Policies

- (g) As a general rule, base compensation churches/charges will be responsible for 70% of the base compensation and CEC will be responsible for no more than 30%. Exceptions may be made to this policy upon recommendation from the District Superintendents and the Bishop in the consultation with the Commission of Equitable Compensation. Travel assistance between two or more churches in one charge will continue to be available, however, the mileage rate will be based on the mileage formula as set by the Annual Conference for travel expenses for conference boards and agencies within the Annual Conference (currently \$0.30 per mile). A church planning toward self-support should consider the responsibility of travel as well as compensation.
 - (h) Churches/Charges receiving “travel only” support must be placed in one of the three categories. The process for receiving travel support will be the same as receiving compensation support for that category. In exceptional cases, the CEC may grant one year of travel assistance on request of the district superintendent while the church/charge enters the appropriate process to request further assistance.
 - 3) Short Term Special Pastoral Assistance: A church may need short term compensation assistance to accomplish a particular task related to expansion of its ministry. This may include the addition of a new outreach ministry of a revitalization project, establishing or strengthening an ethnic minority congregation, or adding a second congregation in an outlying area or other growth related projects; or a church may occasionally need to correct an inequality in a compensation package. The CEC can help fund a limited number of such projects and consideration of other sources of funds must precede requests for CEC funding.
 - (a) This is basically a grant for a specific project. Application for such assistance should be made for the church through the district superintendent. The goals for the project must be stated clearly. Assistance will be granted for a specific time not to exceed five years, and provided on a decreasing scale, and will not be renewable. The terms for the amount of assistance for each year of the plan will be agreed upon at the beginning of the project.
 - (b) The compensation need not be limited to the base level, however the maximum amount that can be granted from the CEC in the first year of the project will be 50% of the base compensation for the pastor appointed to the church/charge. Written application to the CEC must be made by the district superintendent and approval must be granted before appointments are made based upon these funds because of the limited availability of funds.
 - c) Basic Compensation and Travel Levels for Established Churches
 - 1) Any monies paid the pastor by the local church/charge above or in addition to compensation and travel shall be excluded from basic compensation as computed in Section A. Churches are encouraged to not pay the pastor’s portion of monthly insurance premiums.
 - 2) On charges of two or more churches, funds may be requested for travel expenses by the district superintendent according to the mileage formula as set by the Annual Conference for travel expensed for boards and agencies within the Annual Conference (currently \$0.30).
 - (a) Reimbursement for travel between churches on a charge is to be considered over and above the amount requested for basic compensation support.
 - (b) The maximum allowable to any charge under this provision is the total of the pastor’s basic compensation plus the mileage formula agreed upon by the district superintendent and the CEC. The CEC will be responsible only for the amount of the total, which is not paid by all other sources.

Conference Structure, Procedures and Policies

- d) CEC Loan Fund to assist Ministers Moving Within the Conference
 - 1) The CEC maintains a loan fund for the purpose of providing loans up to \$400.00 to assist pastors of the New Mexico Annual Conference who are moving from one charge to another within the bounds of the conference and who are not eligible for moving grants.
 - 2) Loans are to be repaid within the conference year in which the loan was granted unless special arrangements are made with the approval of the CEC chairperson and on the following basis:
 - (a) Monthly payments to complete repayment by the end of the conference year, or
 - (b) Four equal payments at the end of each three-month period, or
 - (c) Lump sum payment at any time during the conference year.
 - 3) Applications for loans are secured from the CEC staff person in the Conference office. Upon approval of the receiving district superintendent and completion of a note, properly executed, the conference treasurer will issue a check to the pastor in the amount of the note.
 - 4) These funds are administered by the CEC with the conference treasurer receiving all payments.
- e) Assistance with Moving Expenses
 - 1) The CEC is prepared to provide grants for moving expenses for:
 - (a) Seminary students returning or transferring to the New Mexico Annual Conference.
 - (b) Pastors moving within the CEC churches.
 - (c) Pastors transferring into the New Mexico Annual Conference by appointment to CEC churches.
 - (d) Other special need with prior approval of the district superintendent and the CEC.
 - 2) Reimbursement for moving expenses as described above shall be based on \$1.50 per mile or actual receipted expenses, whichever is less, minus any amount received from other sources for moving expenses above the actual cost of the move. Expenses may include truck or trailer rental, motels, meals, and gas. All reimbursement requests are to be calculated on the basis of the most direct route.
 - 3) Application for moving grants should be made through the receiving district superintendent for approval by the CEC.
- f) Arrearage Policy
 - 1) In the event that the local Church Treasurer becomes aware that the church will be unable to provide to the Pastor full payment of a regularly scheduled payroll or housing allowance installment, or to remit to the Conference Treasurer full payment for regular direct billed benefit payments such as pension and health care, the Church Treasurer shall immediately notify both verbally (within 24 hours) and in writing (within 3 days) the Pastor, the Lay Leader, and the Chairs of the Staff/Pastor Parish Relations Committee (S/PPRC), Finance, Trustees, and the Administrative/Church Council of the impending arrearage. Upon receipt of such notice, the Chair of S/PPRC and/or the Pastor shall immediately (within 3 days) notify the District Superintendent of the impending arrearage. It is the Pastor's responsibility to keep copies of all such written notifications, and to provide additional written confirmation to the District Superintendent when an arrearage has taken place. Failure to document salary or benefit arrearages may result in a loss of compensation and/or forfeiture of pension and benefits.
 - 2) Upon receipt of notice of a pending arrearage, the Chair of S/PPRC shall immediately (within 24 hours) call a meeting of the Pastor, the Lay leader, and Chairs of Finance,

Conference Structure, Procedures and Policies

Trustees, and the Administrative/Church Council to discuss the financial situation and seek remedies to prevent an arrearage from occurring. Such remedies may include:

- (a) drawing from invested funds, including short-term borrowing from designated funds,
- (b) an emergency appeal for special giving from congregation,
- (c) emergency grants or loans from the District or Conference.

In accordance with *The Book of Discipline* ¶ 624, such remedies cannot include a reduction in the Pastor's full compensation until the beginning of the next Conference year.

- 3) If, after consultation among the Lay Leader and Chairs of S/PPRC, Finance, Trustees, and the Administrative/Church Council, it becomes apparent that the church may be facing a long term financial crisis, the Chair of S/PPRC shall notify in writing the Pastor and the District Superintendent that:
 - (a) an Equitable Compensation Subsidy Grant may be necessary to maintain compensation for the remainder of the Conference year, or
 - (b) a change in pastoral compensation or appointment may be necessary at the beginning of the following Conference year.
- 4) If the local church becomes delinquent in the Pastor's compensation (i.e. more than 30 days delinquent), then the District Superintendent shall notify the Commission on Equitable Compensation (CEC), which on its own initiative may do any or all of the following, but not limited to:
 - (a) sending a representative from CEC to meet with the local church and Pastor to seek resolution of the issue,
 - (b) developing with the local church a payment plan so that the Pastor receives full payment of compensation by the end of the Conference year.

The District Superintendent shall be invited to participate in this CEC process.

- 5) If the local church is already receiving a subsidy grant from the Commission on Equitable Compensation, the CEC may also:
 - (a) Determine if all subsidy grant funds allocated to the church were used to pay the Pastor's salary,
 - (b) Examine the original subsidy grant application to determine if the amount requested to meet minimum compensation was reduced,
 - (c) Require an outside audit of all church funds in compliance with GCFA Guidelines (www.gcfa.com),
 - (d) Notify the District Superintendent of its findings and recommendations in writing.
- 6) If a local church becomes delinquent in the payment of the Pastor's direct billed pension and benefits (i.e. more than 90 days delinquent), then the Conference Benefits Officer shall notify the Conference Treasurer, the District Superintendent, and the Commission on Equitable Compensation. The District Superintendent and/or CEC shall develop a written payment plan with the local church so that the Conference receives full payment of pension and benefits by the end of the Conference year.
- 7) Paragraph 2543 of *The Book of Discipline* makes clear that no real property on which a church building or parsonage is located is to be mortgaged to pay for the current or budgeted expenses of a local church (including arrearages), nor shall the principal proceeds of a sale of any such property be so used. This provision shall apply alike to unincorporated and incorporated local churches.
- 8) In extreme and unresolved circumstances, the local church and/or Pastor may petition a session of the Annual Conference, following proper procedures, for assistance in payment of the arrearage not to exceed the minimum conference compensation standards. However, it is the responsibility of the local church to

Conference Structure, Procedures and Policies

provide minimum compensation for its appointed clergy (§ 624 *The Book of Discipline*).

2. In the spirit of flexibility and creative openness, we do authorize discussion between a pastor and his/her Pastor-Parish Relationship Committee and with the bishop and cabinet, which

Conference Structure, Procedures and Policies

would permit the payment of a housing allowance in lieu of a parsonage, under the following guidelines:

- a) It must be mutually agreeable to (1) the pastor, (2) the church, and (3) the bishop and cabinet,
- b) That it be understood by the pastor, the church, and the cabinet that this agreement will not be a primary factor for consideration for future appointments for pastor or church,
- c) The local church/charge must either retain a parsonage or the capability of re-entering the housing market so that if the succeeding pastor desires or needs a provided parsonage, the church will be in a position to provide it,
- d) Where a housing allowance is provided, it must be sufficient to provide in that community an adequate rental house for the parsonage family that would meet average parsonage standards across the conference, and also

- P. Policy Statement On Misconduct of A Sexual Nature
 1. The New Mexico Annual Conference of the United Methodist denomination affirms the 1996 Book of Resolutions, Sexual Abuse within the Ministerial Relationship and Sexual Harassment within the Church, which states that sexual abuse within the ministerial relationship and sexual harassment within the church are incompatible with biblical teachings of hospitality, justice, and healing.  4. Sexual abuse within the ministerial relationship occurs when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader, lay person, or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker, volunteer, or child.

Conference Structure, Procedures and Policies

5. Sexual harassment is any unwanted sexual advance or demand, either verbal or physical that is perceived by the recipient as demeaning intimidating, or coercive. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender (Book of Discipline, 1996, paragraph 65.I).
6. Sexual abuse within the ministerial relationship involves a betrayal of sacred trust, a violation of the ministerial role and exploitation of those who are vulnerable. Similarly, sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue.
7. Some instances of sexual harassment can be resolved informally between the parties. In all other instances, misconduct of a sexual nature should be reported to one of the following: the church's minister, another United Methodist minister, a district superintendent, or the presiding bishop. If the conduct involves a clergy person, it also should be reported to the clergy person's district superintendent or the presiding bishop. All allegations will be dealt with in accordance with the current Book of Discipline.
8. It is understood that retaliation for bringing an alleged sexual harassment charge is illegal and will not be tolerated.

Q. New Mexico Conference of the United Methodist Church Safe Sanctuaries Policy

1. The following policies and procedures are not based on a lack of trust in workers, but are intended to protect our children, youth, employees, volunteers and the whole church body. This Policy shall be a guideline for conference and district events and ministries. (This policy shall not apply to local churches. However, local churches need to have their own policy in place no later than December 31, 2007 – see section Local Church Mandate of this policy below.)
2. Definitions
 - a) Abuse means harm or threatened harm to the health and welfare of a child, youth, or vulnerable adult by any person responsible for the health and welfare of a child, youth, or a vulnerable adult that occurs through non-accidental physical or mental injury; sexual abuse, sexual exploitation, or mistreatment, sexual harassment, sexual contact, sexual molestation; disseminating, exhibiting, or displaying sexually explicit material.
 - b) Adult means any person at least 18 years of age.
 - c) Appropriate means conduct that one would reasonably assume would be acceptable and permissible by a child's parent or guardian.
 - d) Child, Children or Youth refer to a person under 18 years of age.
 - e) Leader means anyone directly responsible for supervising and overseeing the specific Church related function, event or activity.
 - f) Parent or guardian means any parent, step-parent, foster parent, grandparent or appointed guardian with the general responsibility for the health, education, or welfare of a child or vulnerable adult.
 - g) Sexual abuse means engaging in any sexual contact, sexual penetration, sexual exploitation, sexual harassment, of a vulnerable adult, child or youth; or the dissemination, exhibiting, or displaying of sexually explicit material to an adult with special needs or child or youth, regardless of whether such conduct is with or without the knowledge or consent of the adult with special needs, or child or youth. This abuse may be violent or nonviolent. It includes any conduct that involves vulnerable adults, or children in sexual behavior for which they are not personally, socially, emotionally or developmentally ready.
 - h) Sexual contact means the intentional touching of the intimate parts or the clothing covering the immediate area of intimate parts of a youth, child or vulnerable adult.
 - i) Sexual exploitation means allowing, permitting or encouraging a vulnerable adult, child or youth to engage in prostitution or in the photographing, filming, creating electronic or computer-generated images or other forms of depicting a child, youth or vulnerable adult engaged in actual or suggestive sexual conduct.

Conference Structure, Procedures and Policies

- j) Sexual harassment means any sexual advance or demand, either verbal or physical, which is perceived by the recipient as demeaning, intimidating or coercive.
 - k) Staff means any employee of the Conference, District or ministry, volunteer or paid.
 - l) Volunteer means a person who participates as a leader or assists a leader in activities relating to any conference and/or district event or ministry without compensation.
 - m) Vulnerable adult means an adult who has one or more mental, physical or emotional impairments that render the person incapable of self-care and/or independent living without help
3. Statement of Policy
- a) Abuse of a child, youth, and/or vulnerable adult is prohibited in any conference or district event or ministries.
 - b) A member of staff or a volunteer for any conference and/or district event or ministry who observes or suspects that abuse has occurred concerning a child, youth, or vulnerable adult must immediately report such observed or suspected abuse to the appropriate legal authorities.
 - c) Such reports of observed or suspected abuse must be reported to the Conference Council Director, and either the District Superintendent or Conference Safe Sanctuaries Coordinator in writing.
 - d) It is the responsibility of the event coordinator to insure compliance with this policy. (It is very important that all parties be sensitive to the alleged victim and his or her family as well as to the accused. Pastoral care should be available to all in the time of crisis.)
4. Implementation of Policy
- a) Screening of all staff or volunteer members who work with children, youth and/or vulnerable adults
 - 1) General: For the purposes of this policy, paragraph B below shall apply to all persons (volunteer or staff) who work with children, youth and vulnerable adults are those who have direct contact with and supervision of children, youth and/or vulnerable adults. This does not include those persons who are employees of independent contractors who are involved in events, such as bus drivers of contracted bus lines, bands, and the like.
 - 2) Background Investigations: ALL staff and volunteers must have a nationwide criminal background check done for them
 - b) Responsible Adult Supervision
 - 1) It is the requirement of this policy that each local church of the New Mexico Conference and all sponsoring organizations of district and conference events shall provide adequate adult supervision at district and conference events and ministries, attended by children, youth and/or vulnerable adults. (It is strongly suggested that a minimum of two unrelated adults be present at all conference and/or district events and ministries involving children or vulnerable adults.)
 - 2) Age Difference: Except in the case of events involving vulnerable adults, a five-year difference in age of at least one of the on-site supervisors and the oldest supervised participant is required. Persons closer in age to those supervised may be acceptable in assisting the primary on-site supervisor(s).
 - c) Overnight Accommodations – events requiring overnight accommodations
 - 1) When staying in a camp or hotel setting, leaders shall sleep in separate rooms from children: or if necessary for children to share a room with a leader, leaders shall sleep in separate beds from children as long as any one leader is not alone with any one child.
 - 2) Recognizing accommodations may be restrictive in some cases, one leader is adequate, as long as any one leader shall NOT be alone with any one child.

Conference Structure, Procedures and Policies

- 3) Coed overnight activities require both male and female adult leaders without exception.
- d) Supervision for nursery/childcare at Conference and District events
 - 1) There shall be a minimum of two (2) adult childcare providers per room.
 - 2) We recommend that whenever possible state childcare minimum standards shall be followed, particularly in relation to the number of childcare providers to child ratio.
- e) Supervision of children and youth at Conference and District events
 - 1) Whenever reasonable, the "Two Adult Rule" will require that no fewer than two adults be present at all times during any church-sponsored program, event or ministry involving children or youth. Emergency situations may arise when the "Two Adult Rule" is not feasible. However, at no time will an adult be one on one with a child in an isolated or closed situation.
 - 2) In emergency situations, childcare and group activities will be relocated to a room near the main meeting area and doors will be left open.
- 5. Local Church Mandate

Each local church is required to adopt a Safe Sanctuary policy for their church by December 31, 2007, and such policy shall be filed with District Superintendent.

 - a) Local Church policy should meet the following minimum standards
 - 1) Educate the congregation on the definitions of abuse
 - 2) Provide appropriate equipment and supervision
 - 3) Develop selection & screening criteria for church staff & volunteers that include background checks
 - 4) Implement the "Two-Adult" Rule
 - 5) Have child safety protection policy annual orientation for all volunteers and paid staff
 - 6) All events involving children must have at least two adults in a supervisory role
 - 7) Have windows in all classroom doors or leave doors open
 - 8) Have "sign-in/sign-out" procedures for nursery and preschool age children
 - 9) Respond to allegations of abuse according to the law
 - b) Other recommendations for inclusion in Local Church Policies
 - 1) Use open-door counseling procedures and limit counseling.
 - 2) Provide advance notice to parents for off campus activities, trips & retreats and provide proper supervision.
 - 3) Procure adequate insurance for the scope of its ministries.
 - 4) Develop guidelines for church and youth websites.
 - 5) Develop transportation rules/guidelines.
 - 6) Educate the congregation on the definitions of abuse.
 - 7) Have "Participation Covenant" for all participants and leaders.
 - 8) Provide parent and family education.
 - 9) Have first aid/CPR trained personnel available at all times.
