DAILY PROCEEDINGS OF THE ANNUAL CONFERENCE

Clergy Executive Session Wednesday, June 15, 2022

Bishop Robert Schnase called the 147th Executive Session of the New Mexico Annual Conference to order. Rev. Brad Bennett, chair of the Board of Ordained Ministry led the session in a hymn and prayer.

Bishop Schnase led the session through the questions. There was no other business presented from the floor and all items were approved. Young Hoon Kang was accepted into full membership and approved for ordination as elder. David Wilcox and Jon Kuncel were received into provisional membership. Melissa Madara's transfer of orders from elder to deacon was approved. The full report pertaining to ordained and licensed clergy to the Annual Conference is found in this journal on pages 92 – 117.

Laity Session Wednesday, June 15, 2022, 8:00 AM

Sid Strebeck, NM Conference Lay Leader, gave a warm welcome to an enthusiastic audience of about 120 United Methodist laity gathered at the Las Cruces Convention Center for the 147th Session of the New Mexico Annual Conference of The United Methodist Church.

Mr. Strebeck expressed his thanks for the laity's continued service in education and worship with the help of Zoom and conference calls during the pandemic. He expressed the importance of the laity continuing their dedication and team ministry in service to their local congregations and pastors. He emphasized that resources are available from the Conference and members should avail themselves of these resources. Both materials and people.

Director of Children's Ministries, Discipleship Ministries, United Methodist Church, Rev. Dr. Kevin Johnson gave an informative presentation on the "Safe Sanctuaries" program and its importance. The program has a strict set of guidelines that must be followed to assure the safety of all children, youth, and vulnerable adults. Rev. Johnson emphasized that it is "not if, but when" an incident will occur and encouraged all members to be involved in the "Safe Sanctuaries" program in their church.

Kathy Jewell, CLM, EL Paso District Lay Leader and Director of Lay Servant and Certified Lay Ministries, gave an update on the Lay Servant activities in the NM Conference. The Lay Servant training provides classes each month for interested students, currently there is a Certified Lay Minister class with 8 students and the Certified Lay Minister's Retreat is scheduled for the Sacramento Camp, Aug. 17-19, Sacramento, NM. Each attendee received an informational packet that included, the Lay Servant Training schedule for 2022, guidelines for Zoom and In Person classes, report forms, flow chart for CLM Certification and a copy of the 2022 Lay Servant Ministries Course Descriptions. Ms. Jewell expressed her thanks to the New Mexico Conference Board of Laity and Chair, Sid Strebeck for their hard work this past year, all by Zoom.

Bishop Robert Schnase, Presiding Bishop, of the New Mexico Annual Conference, United Methodist Church, gave a warm welcome to the members of the Laity Session expressing his appreciation for their faithfulness and service to their congregations during the prolonged pandemic. He expressed how great

it is to meet in person after a three-year Covid pause. He also expressed his appreciation for the warm welcome he has received as the new Bishop of the New Mexico Conference. He works a shared schedule with the Rio Texas Conference UMC headquartered in San Antonio, Texas. The Bishop is scheduled to speak and provide leadership in a variety of events during the conference.

Sandy Correia, CLM, Clovis District Lay Leader, encouraged the members to become involved in small groups in their churches for education, spiritual growth, and encouragement of one another. To give account, “How well is your soul?” To become involved in Lay Ministry. To encourage and support their pastors. To consider adopting some of the “Wesley Practices” such as fasting. To do no harm. She reminded the group that, historically, Lay Leadership has played an important role in Methodism. She encouraged everyone to become more involved.

Dan Salzwedel, outgoing Albuquerque District Lay Leader and Sid Strebeck, New Mexico Conference Lay Leader, gave a quick overview of the process of “disaffiliation” by churches who, in the future, decide to vote to separate from The United Methodist Church body. Currently, there is a process by which the interested church can disaffiliate and join the Global Methodist Church or other denomination or go independent if, by conscience, the question of human sexuality in the pulpit and same sex marriage are problematic and unacceptable. Dan and Sid encouraged the members present to acquaint themselves with the question of disaffiliation so that an informed decision can be made by each church body. There are informational meetings scheduled on the question during the conference.

Mr. Strebeck closed the meeting with words of encouragement and challenge. He prayed for knowledge and wisdom, patience, and love for one another. Session was closed at 9:25 am MST.

Business Session I

Wednesday, June 15, 2022, 10:00 PM

The opening session of the New Mexico Annual Conference began with worship led by local musician, Chris Baker and a devotional from Rev. Joe Whitley, Asbury UMC, Albuquerque, NM.

Bishop Robert Schnase called 147th session of the New Mexico Annual Conference to order and welcomed delegates, elders, deacons, lay persons, local pastors, CLMs, thanking all in attendance.

Provost, Rev. Dr. Eduardo Rivera welcomed NMAC attendees and presented motions to establish the legislative bar and for the check-in process to serve as roll call. Motions were approved. Rev. Kelly McCuaig, Grace UMC, Alamogordo, asked for clarification of the “bar” and an explanation was given. Some attendees moved into correct places for voting.

Rev. Dr. Rivera moved the approval of Annual Conference officers and assistants – approved.

Treasurer – Griselda Sandoval, Secretary – Roselie Johnston, Assistants – Sean Smith, Patricia Kimbley, Victor Colton, Tellers – Kim Kinsey, Blaine Wimberly, Doug Mills, Marsha Shade, Charlie Powell

Rev. Dr. Rivera brought changes to the Nominations report: Grayson Wykert, El Paso District, Morning Star UMC, to fill vacancy on CCYM as a youth representative, no vote required at this time.

Rev. Dr. Rivera introduced Maggie Johnson and Rev. Dr. Scott Sharp who explained the Generosity Cards, distributed to all attendees. Rev. Dr. Sharp urged us to engage in generosity in creative ways.

Rev. Dr. Rivera introduced Bishop Rodolfo Rivera – Northcentral Conference of The Methodist Church of Mexico, who brought greetings to the Conference, with Provost as interpreter.

Rev Craig Cockrell, Albuquerque District Superintendent introduced the spouses of Cabinet members. Rev. John Rech, member of Committee on Episcopacy, introduced Esther Schnase, wife of Bishop Schnase. The Conference greeted her.

Rev. Dr. Rivera introduced members of NMAC Cabinet: Sid Strebeck, NMAC lay leader, Craig Cockrell, Albuquerque District Superintendent and Dean of the Cabinet, Rev. Ernie Vineyard, Clovis District Superintendent, and Rev. Dr. Pamela Rowley, El Paso District Superintendent.

Bishop Schnase addressed the Conference. He expressed gratitude for being able to meet in person and recognized the many challenges faced by churches. He is thankful for pastors and spoke of grief, of loss of clergy, and the difficulty of preaching by Zoom. He recognized the diversity of the conference and is proud to serve as Bishop of New Mexico Annual Conference.

The Bishop shared that he has met with a consultant to review core issues. He has met with church leaders, preached and attended some worship services, assisted in online services, met with Conference Finance and Administration, Lydia Patterson Institute, and McMurry University. Rich conversations have been had.

The Bishop has learned that there is strong Conference leadership, robust CLM ministry, committed clergy, outstanding worship services that include diverse expressions of worship. He has discerned that people want to know the Bishop and hunger for deeper relationships in the Conference. There are concerns about clergy morale, a desire to create a culture of the “call” of clergy, deep love for Conference, and fear of disconnection and division after years apart.

Bishop Schnase said that his primary focus as bishop to NMAC is relationship and he will be as present as possible. He asked the questions, “How do we have more regular connection?” We connect through our rich heritage, hospitality, diversity of heart, respect, interrelated ministries, loving well, welcoming diversity, offering Christ, offering the gift of God’s Grace, and to love one another.

The Bishop addressed the frustration at the postponement of General Conference. He acknowledged the heavy topic of disaffiliation and referenced the disaffiliation policy written by our Conference. There is a lot of information, some of which is accurate and some misleading. He reminded delegates that there is no rush to disaffiliate and every church is and will be welcome in The United Methodist Church. He encouraged attention to all voices of faith, and to be respectful and gracious to one another.

Trustees Report:

Rev. Josh Kouri, Mesa View UMC, Albuquerque, Chair of NMAC Trustees presented the report of the Conference Trustees. Trustees are peacemakers and must always strive to make our churches safe.

Rev. Kouri acknowledged Kathy Jewell as team leader for revising the Conference Safe Sanctuaries Policy.

The policy and other tools for keeping our congregations safe can be found on the Safe Sanctuaries page on the NMAC website: <https://www.nmconfum.com/vital-congregations/safe-sanctuaries/>

Pull for Police is a tool for churches to expedite police dispatch for churches experiencing an active shooter or other immediate crisis. This tool will be introduced to the Conference at later time.

Rev. Kouri presented a disaffiliation policy summary: The goal is peacemaking. The policy has been drafted for review and he introduced team that drafted Policy. More information will be presented at a Disaffiliation Walk-through Thursday, June 16 at 7:00 am.

Rev. Dustin McEwen, Community UMC, Ruidoso presented a petition from NM Wesleyan Covenant Association with over 100 signatures for a seat at the table with the Trustees. Rev. Kouri graciously accepted.

Rev. Amy Wilson-Feltz, Morning Star UMC, Las Cruces and Rev. There was no shooter in school, but outside. Still, Rev. Whiteaker described his daughter as devastated and eventually diagnosed with PTSD. He also mentioned the school shooting in Uvalde, TX, part of the Rio Texas Conference, which is also served by Bishop Schnase. See text of Call to Action below:

A Call to Action on Responsible Firearm Legislation

A call to action from Ross Whiteaker and Amy Wilson Feltz, the New Mexico Conference of the United Methodist Church (which includes churches in New Mexico and Texas), and the undersigned lay and clergy members of the New Mexico Annual Conference.

In our grief and horror over the violent killings in Uvalde, Texas, and Buffalo, New York — among so many more — we have been confronted once again with how much suffering we've endured as a nation in the loss of innocent lives due to gun violence.

As of this writing, the United States has endured 270 mass shootings in this year alone. Since 1999, more than 311,000 children have been traumatized by gun violence at school, including 550 separate school shooting incidents resulting in 550 deaths. The Centers for Disease Control and Prevention report that, in New Mexico, the gun-death rate is 40 percent higher than the US Average (22.7 gun deaths per 100,000 people). New Mexico children (0-19 years of age) are killed by guns at a rate almost 60 percent higher than the national average and are murdered by guns at almost 40 percent above the national average.

In the face of inaction and division, the problem has continued to grow until firearms have become the leading cause of death of children in the United States.

The Holy Scriptures call us to act in loving and just ways and to protect the most vulnerable among us. The Prophet Isaiah encourages us with a vision in which the people of God will beat their swords into plowshares and their spears into pruning hooks. Jesus tells the crowds

in Matthew 18 to let the children come to him and calls all people to have faith like a child. He additionally charges people to cause no harm to children. Additionally, through the Hebrew Bible, children are viewed as important to the continuation of the Jewish people, they are proclaimed to be a gift from God, and are protected under the Law as a group to not be forgotten or exploited. The prophet Amos calls us to be stirred to act until justice rolls down like waters and righteousness like an ever-flowing stream.

We confess that we have been slow to respond and have failed to beat our swords into plowshares and our swords into pruning hooks. We have failed to protect our children and have allowed them to be forgotten at the expense of their physical, mental, and spiritual health. Reports show that the average American remains sad and angry about mass shootings for four days or less. We acknowledge that our national public discourse has been disrupted by organizations with powerful financial interests.

Therefore, we call upon the Congressional Delegation from the state of New Mexico and Texas and our local representatives in our state Legislatures to support and act upon responsible firearm legislation both nationally and within our states. These measures include: Mandatory background checks for all gun sales.

The establishment of a minimum age of 21 to purchase a firearm.

The implementation of red flag laws.

The implementation of waiting periods for all firearm sales.

The prohibition on high-capacity magazines.

The prohibition of further sales of military-style assault rifles.

The funding for more counselors for our public schools.

The funding for more school police officers for our public schools.

It is past time to act in the interest of the safety and well-being of our children and the generations to come.

All members of the New Mexico Annual Conference were urged to sign the Call to Action for Responsible Firearms Legislation which will be sent to Michelle Lujan Grisham, governor of New Mexico and to all state legislators and representatives to US House and Senate.

Session adjourned.

RESOLUTIONS

Resolution Relating to Rental/Housing Allowances for Active, Retired or Disabled Clergypersons of the New Mexico Conference New Mexico Board of Pension and Health Benefits

The New Mexico Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for active, retired, or disabled clergypersons of the Conference:

Whereas, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

Whereas, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

Whereas, pensions or other amounts paid to active, retired, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, and disabled Clergypersons in consideration of previous active service; and

Whereas, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

Now, therefore, be it resolved: That an amount equal to 100% of the pension or disability payments received from plans authorized under The Book of Discipline of The United Methodist Church (the “Discipline”), which includes all such payments from Wespeth Benefits and Investments during the year 2023 by each active, retired, or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

That the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from Wespeth Benefits and Investments and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespeth Benefits and Investment plan, annuity, or fund authorized under the Discipline, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired, or disabled Clergyperson’s pension or disability as part of his or her gross compensation.

Note: The rental/housing allowance that may be excluded from a Clergyperson’s gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and

regulations there under to the least of: (1) the amount of the rental/housing allowance designated by the Clergy person's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergy person to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

Resolution for the Transfer of Annual Conference Membership to the Northwest Texas Conference

Submitted by Hamlin Memorial UMC- Farwell, TX

WHEREAS, Hamlin Memorial United Methodist began its history of service to our Lord Jesus Christ in Texico, New Mexico as a member of the New Mexico Annual Conference. Retaining membership in the NMAC, Hamlin thereafter relocated to Farwell, Texas, and is located at 324 5th Street; and

WHEREAS, the majority of members of Hamlin Memorial United Methodist Church believe that the church's membership in the Northwest Texas Annual Conference would better suit them and further the ministry and mission of the church in a number of respects, to-wit: a closer theological stance with that of the churches of the NWTAC, compatible operation in the same regional time zone, a likely-smoother transition in the future should the United Methodist Church's denominational structure change, and other opportunities that the NWTAC will offer to better fulfill Hamlin's mission and ministry; and

WHEREAS Hamlin Memorial UMC, at a certain time, was truly fit to minister to both Texas and New Mexico, being physically located in Texico, New Mexico; now, however, there are several congregations of the UMC nearby in New Mexico, capable of serving people in the area. With Hamlin now physically situated in Farwell, Texas, it can better work with churches of the NWTAC that are in closer proximity and with whom it shares more common ideological and missional stances; and

WHEREAS, Hamlin Memorial United Methodist Church is the only church in the Clovis District of the NMAC that is located in Texas;

WHEREAS, 260, Section VIII. Titled Transfer of Local Church states that "a local church may be transferred from one annual conference to another in which it is geographically located by a two-thirds vote of the professing members who are present and voting in each of the following: (1) the charge conference; (2) a congregational meeting of the local church; and (3) each of the two annual conferences involved"; and

WHEREAS, Hamlin Memorial United Methodist Church, after proper notice, duly held a Church Meeting on September 26, 2021. At said Meeting, we agreed by consensus that our desire and intent would be to transfer Hamlin's conference membership from the New Mexico Annual Conference to the Northwest Texas Annual Conference; and

WHEREAS, Hamlin Memorial United Methodist Church, after proper notice, duly held a Church Conference on November 14, 2021. At said Conference, a motion was made to transfer Hamlin's conference membership from the New Mexico Annual Conference to the Northwest Texas Annual Conference. The motion PASSED, with 37 "for" and 1 "against."

THEREFORE BE IT RESOLVED That upon announcement of the required majorities by the bishops involved, the transfer of Hamlin Memorial United Methodist Church from the New Mexico Annual Conference to the Northwest Texas Annual Conference shall immediately be effective.

WHEREAS, an ad hoc team including the Conference Chancellor, Director of Children's Ministries at Discipleship Ministries, Conference Director of Lay Servant Ministries, NMAC Safe Sanctuaries Director, and youth and children's workers in the Annual Conference was formed by the New Mexico Annual Conference Board of Trustees to review the Safe Sanctuaries Policy for the New Mexico Annual Conference in March 2022; and

WHEREAS, after several meetings by the ad hoc team and upon thorough review and discussion, an updated Safe Sanctuaries Policy for the New Mexico Annual Conference was written and reviewed and adopted by the Board of Trustees,

THEREFORE, BE IT RESOLVED, that the New Mexico Annual Conference hereby approves the update to the Safe Sanctuaries Policy as written, for the protection of our children, youth, employees, volunteers, vulnerable adults, and the whole church body.

Resolution for the Location of the 2024 New Mexico Annual Conference

Submitted by: Eduardo Rivera, Provost, on Behalf of the Conference Ministry Team

WHEREAS, the Rules of the New Mexico Annual Conference declare that the location of the Annual Conference Session is to be decided by the Annual Conference no less than two years in advance, and

WHEREAS, 2024 will be a year of heightened activity in our denomination thus requiring a venue that would maximize attendance and minimize arrangements, and

WHEREAS, 2024 may be a year we might experience some financial limitations, thus having a venue that will allow the conference to have some financial savings is a preferable choice, and

WHEREAS, the selected venue is the same city where the entire planning team and support staff will come from thus providing significant financial savings,

THEREFORE, be it resolved, that the New Mexico Annual Conference sets the location of the 2024 Annual Conference session to be the city of Albuquerque, New Mexico.

Closing Resolution

Submitted by Rev. Dr. W. Douglas Mills

WHEREAS, the members and guests of the 147th session of the New Mexico Annual Conference, meeting in the same room for the first time since the outbreak of the COVID-19 pandemic, were graciously received in Las Cruces, NM, and ably hosted by St. Paul's UMC;

AND boldly sang "we are alive" while greeting each other with happy tears, hugs, and fist bumps;

AND enthusiastically welcomed the non-anxious and strong leadership of Bishop Robert Schnase with gratitude, hopefulness, and only a little trepidation;

AND also welcomed ecumenical and fraternal greetings from Bishop Rodolfo Rivera of the North Central Conference of the Methodist Church of Mexico;

AND were called to action to create safe churches and schools, especially for our children;

AND celebrated the legacy of living archives Donna TeBrink and Rev. Roland MacGregor, in spite of their youthful protests;

AND, though we discontinued five ministry stations and transferred another,

WE invoked the Holy Spirit to fall afresh upon those newly ordained, commissioned, licensed, and prepared, and all the rest of the laity and clergy as well, who all stand in this short line of succession.

THEREFORE, we now adjourn, to go, determined to flex at least five muscles; and to use our outside voices to give fresh expression to the good news; and to lift prayers and good thoughts but also tangible disaster relief and provision; trusting God, in the power of the Holy Spirit, to melt us, mold us, fill us, and use us in our many and several places of witness, work, and worship for the sake of Jesus Christ.

ADMINISTRATIVE REPORTS

Albuquerque District

Rev. Craig Cockrell, District Superintendent

As I write this report, I think about the past year and the work of the local church. In many ways we have changed. We have learned to work remotely through our Bible studies and worship services online. We have still found ways to connect with ministries around us to feed the hungry and bring community even through the pandemic. As we seem to be emerging from this difficult time, it is my prayer that we will not forget the lessons learned. We can be creative and find new ways to work, worship, reach out, and stay together even through challenges.

Consider the work of some of the institutions within the borders of our district. **Saranam**, a ministry helping families escape from homelessness and poverty, broke ground on a new facility that will more than double current capacity. **McCurdy Ministries** is working on a redevelopment plan for a portion of the northern campus in Espanola. Grants and other funding, along with the necessary permits and blueprints are being laid out for a planned community that will provide 70+ units of affordable housing along with recreational space and community support. **Four-Corners Native American ministry** has worked during the pandemic to provide warm clothing and food for some of the most vulnerable members of the Navajo Nation and school supplies for some of the youngest.

Though these months have been challenging for every congregation, not a single church has permanently closed their doors during this time. Some churches have even flourished. Every congregation has made creative personal and digital efforts to maintain the ministries and connections with members of their congregations and to reach out to others outside the church.

With the postponement yet again of the meeting of the General Conference, some congregations are making plans to change affiliation with the United Methodist church. NM Conference leadership is working out processes for churches and pastors to go wherever they feel led, and as the Albuquerque District Superintendent I reiterate the promise I have been making all through the journey of the past several years, that I will walk with you to help you go. At the same time, I believe that God is not done with the United Methodist church and that our faithfulness to prayer, to seeking the guidance of the Holy Spirit, to living out biblical values within the context of our congregations, to being Grace-filled followers of Jesus Christ, will always lead us to discover the ways to make disciples of Jesus Christ for the transformation of the world.

Clovis District

Rev. Ernie Vineyard, District Superintendent

As 2021 progressed, it was obvious that churches were well on their way to recovering from the previous year of Covid-19 restrictions. Church buildings were open, and people began returning to in-person church. Sunday school is in session, VBS is being planned, and offering plates are being passed. In person school is back at ENMU and the Wesley is back to feeding our college students. Sacramento is gearing up for summer camp. It is so good to be back together. Yes, Covid is still with us, but we know what it does and doesn't do and we can move forward, making sure we focus on making disciples of Jesus Christ.

Many of our churches are continuing with on-line worship as well as in-person, so those who are more vulnerable and who live far away can still be connected to the church. Even through the pandemic and the questions surrounding our denomination, churches in the Clovis District have kept the focus on Christ and his work. We have been generous in our love of others and generous in our giving. Combined, the congregations of the Clovis District paid over 100% of our shared giving to the Conference and beyond. I am so pleased to be a part of such a committed group of believers.

Going forward, many are disappointed that General Conference has been put off until 2024. Most were ready for the General Conference to make a decision so all could go forward and make informed choices about the future of their local church. But in spite of the frustration, Clovis District churches are still doing what they do best: reaching out to their neighbors in the name of Christ that they too might know the joy of eternal life.

We are in interesting times, in our nation, in our world, and in the United Methodist Church. Now, more than ever, people need Jesus. Through our local churches, campus ministry, church camp and recovery ministries, we will focus first on helping people to know Jesus and getting to know him and his will for our lives in a deeper way. The people of the Clovis District look ahead to serving Christ and his kingdom in whatever ways we can and as long as we can.

El Paso District

Rev. Dr. Pamela Rowley, District Superintendent

What a joy it has been to be in fellowship and community with one another in this past year! Our district continues to engage disciples and followers of Jesus Christ for transformation in personal lives, in our neighborhoods, workplaces, communities, and in the world. We are strengthened through the abiding presence of Christ and the empowering of the Holy Spirit.

In this first year of engagement with the El Paso District as Superintendent, I have visited 46 of our churches from Odessa to Lordsburg, met with every pastor, had the opportunity to worship with you, engaged with the laity, and have witnessed the fruit and effectiveness of ministry throughout West Texas and southern New Mexico. I am so grateful for the exceptional vision of my predecessor, Rev. Dr. Eddie Rivera, who worked faithfully and diligently with pastors and laity to develop our district vision statement: “We believe that everyone in the geographic span of the El Paso District will find a place to BELONG, to BELIEVE, and to BE USEFUL”. As I have gone from place to place, community to community, and church to church, I see this vision being lived out!

Throughout this year, we continued to be challenged with COVID related realities. Our churches are not yet getting back to our usual *modus operandi*. Worship attendance remains low, and our finances are stretched. We wonder if we will ever be the church we were before a pandemic that turned us upside down and inside out. Our greatest reality is no, we will not be who we once were. Living into this new reality will require us to be creative, to see church differently, to expand our view of community to include far-reaching virtual “neighbors”. One thing which I believe we need is the fellowship and communion of those who faithfully gather in whatever form. That very well may be the single most important thing that will draw our attention in the months ahead. How will we engage in presence to one another and our mission fields after two years of being cautious and careful in practicing safe distancing? Through many challenges, the life of the church has indeed continued to share hospitality, to live-out generosity, to be compassionate to our neighbors’ needs, faithful in prayer and study, passionate in worship, and diligent in facing a new future with courage and trust. This is our precipice

moment...will we fall off the cliff, or will we be prayerful and faithful in facing a new future with courage and trust? I am confident that the El Paso District is meeting this challenge.

Fruitful and faithful ministry is evident throughout our district with ministries like Justice for Our Neighbors (JFON), Borderland Hospitality House, El Calvario UMC providing for the needs of the refugees and immigrants among us, District Mission Team, the District Board of Laity, Certified Lay Ministry and Lay Servant training, Fresh Expressions, and the impactful ministries of our local churches.

It is with heavy heart that we must say farewell to two beloved churches, First United Methodist Church of Lordsburg and First United Methodist Church of Truth or Consequences. These two churches have taught us how to live faithfully as disciples of Christ and to praise God with open hearts. They have taught us to serve and love our neighbor, and to deepen relationship with our God, loving with all of our heart, mind, soul, and strength. They have been the example of generous stewardship and outreach. They have lifted hands in praise, have sung joyful songs, and have prayed steadfastly. We are grateful for their presence among us as we now bid them a heartfelt, "Well done, good and faithful servants of God" and as we ever-more welcome their members into the church universal.

In the end of February, forty-six clergy and laity participated in a Lenten Spiritual Retreat based on the book by Beth Richardson, *Walking in the Wilderness: Seeking God During Lent*. Our journey has often felt like a wilderness experience in the past few years, but what joy it was to gather, to pray, to practice spiritual disciplines, to be in community! Our hearts were full to gather in physical space at the district parsonage and to build relationship with each other. I look forward to more opportunities such as this in the near future to enrich our connection to one another and to God.

I am beyond grateful for the leadership of our district lay leader, Kathy Jewell, and for her love of clergy and laity serving within the El Paso District. Her willingness to share of her many gifts, abilities, strengths, and her time has blessed us all! She is an example of the *doulos*, literally meaning to be owned by someone for a lifetime, the servant belonging to Christ among us. Thank you, Kathy, for your steadfast service on behalf of the El Paso District!

My husband, Doug, and I wish to convey our deepest gratitude to all of you for receiving us so warmly, for the gifts given by individuals and churches to provide for the needs of the parsonage, and for your friendship of Spirit. Serving two churches in the past decade in the EP District, St. Paul's UMC El Paso and University UMC in Las Cruces, we feel as though we have returned home. Thank you for sharing with us as we continue the mission to which we are all called...to make disciple of Jesus Christ for the transformation of the world.

Chancellor's Report

Cari E. Neill, Esq, Conference Chancellor.

This is my second report as Chancellor for the New Mexico Annual Conference. I was elected as Chancellor and Taffy Bagley of El Paso, Texas was elected as Assistant Chancellor at the 2020 Annual Conference. We replace Charles Moore, who served as Chancellor for the previous four years.

Charlie mentioned in his Chancellor's reports a bit of wisdom that was passed on to him by the previous Chancellor, Tom Stanton: matters that come to the Chancellor can be very quiet for a time and very active for a time, and overall, fairly unpredictable. Charlie passed the same wisdom to Taffy and I and we have found the same to be true.

In some ways, not much has changed in the last year. General Conference has been delayed once more, this time until 2024. Taffy and I continue to monitor the Boy Scouts of America (BSA) bankruptcy issue; and we are still working to resolve issues from the last General Conference and preparing for the next General Conference.

However, much has also changed. The Boy Scouts reached settlements with many of the claimants, and the United Methodist churches voted to approve the plan of reorganization. After many days of closing arguments, the parties concluded their presentations and now we await approval from the judge. Therein lies a good deal of confusion and misinformation. Although we have reached a settlement with the Boy Scouts, the settlement must be approved by the judge before we can move forward. While Taffy and I would like to say we expect the judge to approve the settlement, there is truly no way for us to know. What we do know is that the judge has stated that she recognizes the importance of scouting and wants to find a solution that allows the Boy Scouts to continue in their ministry.

One positive result of the BSA issue is that it reinforces the importance of our Safe Sanctuaries program and the need for training and updated policies. While we cannot change the past for those who were abused, we can all work to ensure this type of abuse does not happen again. The Conference Safe Sanctuaries policy has already been updated by a team of hard-working, dedicated people. The next step is for every church to update their Safe Sanctuaries policy and ensure every person working with children and vulnerable adults is Safe Sanctuaries certified.

In addition to the BSA issue, Taffy and I have been assisting with disaffiliation policies, questions, and helping our conference to find a way forward. Bishop Schol of the Council of Bishops stated that the COB still believes there is room in the United Methodist Church for all. However, the COB – and the New Mexico Annual Conference – understands that not every church or group of persons believes they can remain with the United Methodist Church. Therefore, Taffy and I have been attending meetings, educating ourselves on the best policies and practices, and learning from other conferences what is working and what is not so that we can assist our churches as they discern the right path forward for their own congregation.

When Taffy and I took over the Chancellor's position, we were prepared for a busy year. We did not realize just how busy the last few years would be. We still expect a lot of changes to come out of the next General Conference but believe the New Mexico Annual Conference is as prepared for those changes as we can be thanks to the groundwork completed by Charlie Moore and Randall Partin and thanks to the leadership and support of Bishop Schnase and Provost Eddie Rivera.

While no one can predict what the next year will bring, we do expect some amount of change and monitoring of legal issues. Taffy and I will stand ready to meet the legal challenges that may arise in our Conference.

Commission on Equitable Compensation

Rev. Keath Baskett, Chair

The Commission on Equitable Compensation (CEC) has several major tasks. First, it is to ensure that all full-time pastors appointed to local churches receive an adequate and equitable compensation for their appointment. Pastors who serve local churches which are unable to meet the minimum base compensation and are deemed to be vital churches within the mission field where they are located may apply through their District Superintendent for assistance from the CEC.

A second responsibility of the CEC is to assist our Mission Churches, especially considering our diverse ethnic population within our Annual Conference.

Third, the CEC recommends the minimum salary levels to the Annual Conference. This year we recommend no increase in the minimum salary levels.

Student Local Pastor	\$ 35,972
Full-time Local Pastor	\$ 37,603
Associate Member	\$ 39,233
Provisional Member	\$ 40,543
Full Connection	\$ 43,036

The Bishop and Cabinet work intentionally to make appointments that will help congregations to be fruitful and vital for God's Kingdom. In consultation with the cabinet the CEC has approved the following congregations for financial assistance:

Zia UMC in Santa Fe (Albuquerque District)	\$ 12,289
Trinity UMC in Roswell (Clovis District)	\$ 11,000
El Alfarero UMC in El Paso (El Paso District)	\$ 5,000
Sanderson UMC in Sanderson (El Paso District)	(To be determined)
Anthony UMC in Anthony (El Paso District)	\$ 4,770

The Bishop and Cabinet will work with these congregations and pastors to move toward self-sufficiency within 5 years.

The CEC also approved a request for a one-time salary support for the Peralta UMC (Albuquerque District) for \$ 13,410.

The members of the CEC are honored to serve the congregations and pastors of the New Mexico Annual Conference.

Report #1: Our Shared Financial Ministry

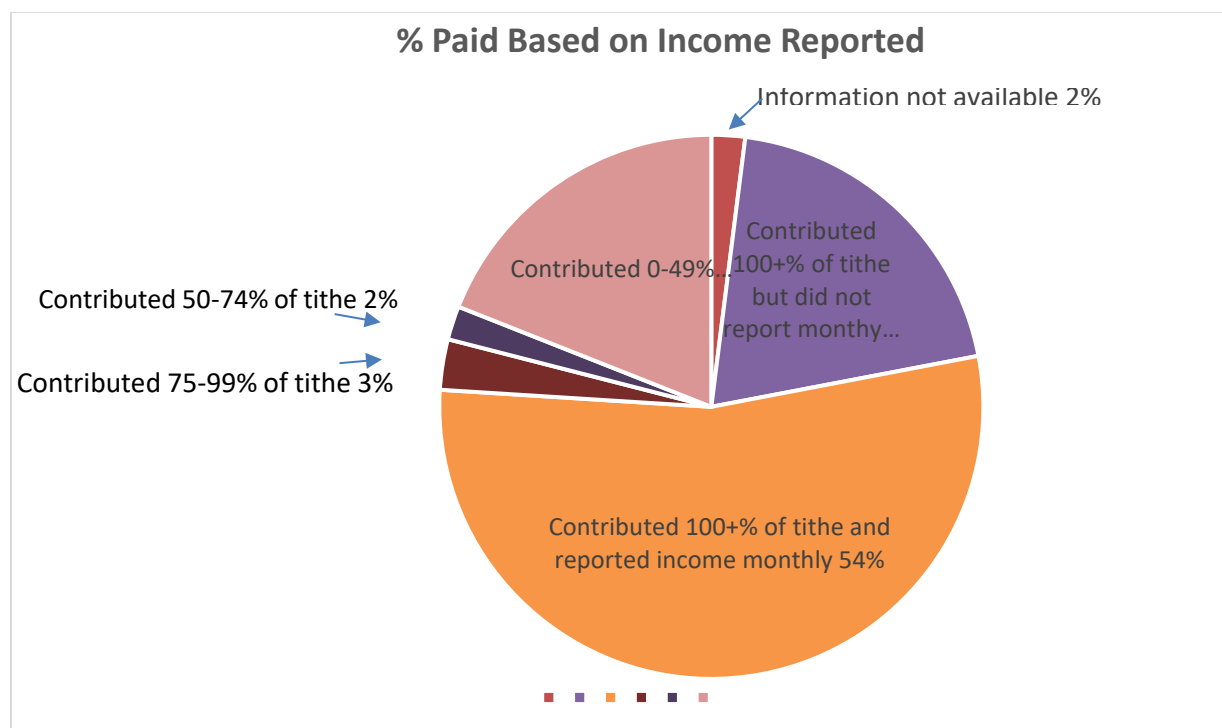

The point is this: the one who sows sparingly will also reap sparingly, and the one who sows bountifully will also reap bountifully. Each of you must give as you have made up your mind, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to provide you with every blessing in abundance, so that by always having enough of everything, you may share abundantly in every good work.... He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness. You will be enriched in every way for your great generosity, which will produce thanksgiving to God through us; for the rendering of this ministry not only supplies the needs of the saints but also overflows with many thanksgivings to God.... Thanks be to God for his indescribable gift! (2 Corinthians 9:6-8, 10-12, 15, NRSV)

When the Council on Finance and Administration sat down for our first meeting of the year to go over the final figures for 2021, we were excited at where we ended up! Bishop Schnase was also pleased to see the results and commented that we were obviously doing the right things as our numbers stood in contrast to what was happening in some other conferences. The last two years have been filled with much uncertainty, but we have been blessed to see God's bounty continue to support both the local church and the annual conference.

2021 represented the sixth year of our tithing model for how local congregations contribute their fair share of the resources to fund the costs of our shared ministries. We continue to see fruitfulness in the participation of this model, and we're thankful for the way that following this model has set us up for financial health and well-being into the future.

As a demonstration of this fruitfulness, the CF&A is happy to report that in **2021** a total of **100** local congregations contributed 100+% of their tithe on a monthly basis and 73 reported their operational income every month. This represents a healthy **76%** of NMAC Congregations. This is a step **forward** from 2020 when 80 local congregations contributed 100% of their tithe on a monthly basis, as well as an increase over 2019 when 91 congregations contributed 100% of their tithe. While there is still room for growth, we should congratulate ourselves on this accomplishment.

An additional **4** local congregations contributed 75-99% of their tithe. This represents **3%** of all congregations. A total of **3** congregations contributed between 50% and 74% of their tithe of operational income, **2%** of NMAC congregations. A total of **25** congregations contributed 0-49% of their tithe – another **19%** of NMAC congregations.

The fruitfulness continues in other ways as well. In the first year of the tithe model, we received 86.3% of “expected” income from the local church to the annual conference. In 2017, that increased to 91.5% where it has largely remained. We did see a decrease, not unexpectedly in 2020, which also had a two-month freeze on payments, but we returned to 91% payout again in 2021.

Shared Ministry or Tithe Model Contributions and Income History						
	2016	2017	2018	2019	2020	2021
% Tithe Paid	86.30%	91.50%	92.40%	91.20%	75.50%	91.00%
Money Contributed	1,811,137	1,847,264	1,737,971	1,758,157	1,492,387	1,669,853
Reported Line 52 Operational Income	27,020,790	27,704,154	27,436,438	26,971,889	25,358,224	25,871,505
% of income contributed	6.70%	6.50%	6.30%	6.50%	5.90%	6.50%

This faithful participation on the part of our local churches, in the midst of some very difficult situations, continues to show the comfort that local churches have in the process of reporting income and sending in their tithe to the conference treasurer on a monthly basis. Our treasurer continues to work with the financial secretaries and treasurers of local congregations in understanding this process as we continue to work towards 100% compliance. If your local congregation needs assistance, please have them

contact the conference treasurer, and please also thank your local church treasurers and finance committees for their hard work and faithfulness.

As we give thanks to the local church, we would also be remiss not to thank Griselda Sandoval for her continued excellent work as our conference treasurer. With all the uncertainties surrounding the church and its finances, she has been a blessing in assisting local churches, conference leadership and the CF&A in the past years with her insights, steady work and trust-building relationship skills. Thank you, Griselda!

With all of the uncertainties in the past year, support across the denomination for general and jurisdictional ministries were down 3% over 2020. But the New Mexico Annual Conference was one of only 19 conferences that actually increased their support over the prior year. We also paid 100% to the episcopal fund as the annual conference committed to do several years ago. While we expected to see significant decreases in these apportionments as proposed for the 2020 General Conference, those obviously didn't happen and we have continued to be as faithful as we can be.

The conference and the CF&A continue to remain concerned with a continuing year-by-year decline in reported operational giving (income) at the local church level. In 2012, the reported aggregate operational income for all congregations was 31,057,016. It had been around this number for the prior three years. In 2021, the reported aggregate operational income for all congregations was \$25,781,505. That represents a decrease in operational income of \$5,275,511 over the past decade. On the positive side, we did see a 1.6% increase in 2021 over 2020, but we are still off by \$1.2 million from 2019. We hope that 2021 is a positive sign and perhaps movement in the right direction, but only time will tell.

One of the ways that the CF&A and the annual conference has responded to our reduced income is by reducing the annual conferences expenses to reflect this reality. In 2012, the conference expended \$3,209,346 for all conference expenses and General and Jurisdictional apportionments. In 2021 we expended \$2,086,632. That is a decrease of \$1.1 million in the past decade, or 1 35% decrease. It also represents a 58% decrease in expenditures since 2009.

Year	Total Operational Income	% Change	Actual Expenses	% Change
2009	30,688,474		3,614,391	
2010	31,112,832	1.38%	3,701,326	2.41%

2013	30,437,503	-1.99%	3,036,891	-5.37%
2014	30,012,222	-1.40%	2,818,407	-7.19%
2015	28,572,974	-4.80%	2,619,603	-7.05%
2016	27,020,790	-5.43%	1,985,043	-24.22%
2017	27,704,154	2.53%	1,981,339	-0.19%
2018	27,436,438	-0.97%	2,066,362	4.29%
2019	26,971,889	-1.69%	2,083,127	0.81%
2020	25,358,224	-5.98%	2,028,354	-2.63%
2021	25,781,505	1.67%	2,086,632	2.87%

As we noted in last year's report, our expenses and the spending plan they represent, have largely plateaued over the last six years, being within roughly \$100,000 of each other. The CF&A has cut as much from the budget and the spending plan as we can without making significant cuts that require a much broader conversation about where we want our ministry dollars to be spent. With the many uncertainties facing the denomination those conversations need to happen, but many will also have to remain on hold until more questions are answered.

That means if the conference ministry you are most passionate about is not being funded at the level you would like, it requires greater income, and that is a multi-faceted response. One part is that we covenanted as part of the tithe model that every church would send in 100% of their congregation's tithe to support our *shared* ministries. We also recognize the financial stress that many of our congregations have been and continue to face, and, just like the congregational members we counsel on stewardship, we are on a journey of faith in our giving, and we strongly encourage those local congregations who are not fully participating in the tithe to have a conversation about what that journey and commitment would entail.

We also acknowledge and celebrate the continued commitment to the tithe model from our churches, even those who are not yet at 100%. And one of the reasons the conference went to the tithe model was to remember the direct connection between the local congregation and the annual conference. That when the local church does well financially that the annual conference does well financially. And so, the downward pressure of actual dollars received at the annual conference level is a reminder that the long-term health of the General Church and Annual Conference ministries is wholly dependent upon the long-term health and vibrancy of each and every local congregation.

One other celebration of note is that even in the midst of financial constraints, second mile giving, that is giving to ministries not done through the annual conference, remained high. The local churches of the annual conference contributed \$1,143,173 to second mile giving last year. While this is down slightly from prior years, this giving continued to reflect the generous hearts of our people and continued support for missions and ministries throughout the world.

We know that the past few years have been difficult in many ways, and we recognize the uncertainty and stresses the past years have had on our churches ability to be as faithful as they may want. But we celebrate the return of so many churches back into 100% participation in the tithe model and reporting, the hard work that many others are doing to get back to 100% and note the several churches who

contributed more than 100% of their share in 2021. We are grateful for all of our churches and for the financial health and generosity as we contribute to the share of our common work.

Report #2: Proposed 2023 Budget and Spending Plan

Since moving to a tithe model in 2015, the practice of our Council on Finance and Administration is to propose a *Budget* alongside a (separate) *Spending Plan*. The Budget fulfils the requirements of the Book of Discipline for an annual conference budget, including a projected payout of General and Jurisdictional apportionments at 100%. The Spending Plan is more of an operational document that holds the line on a number of expenditures as a way of helping the conference remain with its means financially.

Further, *both* the Budget and the Spending Plan rely on our *best estimate* of income that we *hope* to receive from the tithe from our local churches. For 2023, that best estimate equates to about 85% of a full tithe based on last year's (2021) reported income from all of our churches, or \$1,753,142. Both our proposed Budget and Spending Plan project that we will need to rely on Stabilization Funds to supplement our income in the next year.

For 2023, we have reordered our budget categories in the hopes of increasing clarity and transparency. For example, we have grouped all our General and Jurisdictional Apportionments together (and totaled both amounts) so that Annual Conference members can see how substantial our commitments to the broader church are. In addition, we have grouped Conference Administration line items together into a broad category and have grouped Program and Ministry Area expenses into their own broad category (and totaled both categories). Comparable figures for the 2022 budget have been presented alongside the proposed amounts for 2023.

The bottom line for our proposed 2023 Budget is a *decrease* of 2% from our current year (our Spending Plan proposes a decrease of 1%). This decrease is largely driven by a revised apportionment formula from the General Church that drops our financial responsibility to the wider connection by 7% (-6% difference in our Spending Plan). In comparison, we are budgeting slightly *higher* amounts for the area of Conference Administration (an increase of 2% in both our Budget and our Spending Plan)--an increase that is largely driven by increasing costs of health insurance for District Superintendents and Conference staff, a recognition that increasing costs of living may need to be met by cost of living increases in compensation in the year to come, and, importantly, a shift in greater and more direct Annual Conference support for our Episcopal Office (Area Administration). Program and Ministry expenses are *reduced slightly* (by 5% in our Budget with a 2% drop in our Spending Plan), a reduction that is almost entirely in the area of New Church Development, as we recalibrate our budgeting process for new church starts to focus more heavily on the sizeable reserves and endowment funds that support these vital efforts in our Annual Conference.

For the past several years, your Council on Finance and Administration has tried to carefully budget within our means, and our current proposed Budget and Spending Plan (with some slight belt-tightening) reflects our current uncertain financial situation. We will continue to work hard to support all the ministries, programs, and functions of our Annual Conference and we are grateful for the generosity of our local churches that supports these efforts.

Report #3: Funding Benefits for Retired Clergy and Those on Disability

The Board of Pension and Health Benefits reports that **\$450,000** is needed in 2023 to provide for the benefits of retired clergy and persons on disability. This amount is the same as the 2022 request, and reflects a **\$150,000** reduction from dollars requested in 2020. The CFA is grateful for the work of the NM BOPHB in managing their resources so this relief can be granted to local congregations.

Therefore, Council on Finance and Administration proposes **\$450,000** be apportioned to the churches of the New Mexico Annual Conference. Each local church will be direct billed their share proportionally based on the operational income reported on line 52 of the statistical report from 2 years prior.

Report #4: Stabilization Fund of the New Mexico Conference

“The Conference Stabilization Fund is to be used for the advance payment of salaries and expenses for the District Superintendents, Campus Ministers and other conference connection personnel, as well as for budgeted items that are approved by the Annual Conference.” (NMAC Structure, Policies, and Rules ¶12310)

The Stabilization Fund is used for necessary expenditures during the months that Shared Ministries payments from local churches are slow in coming to the Conference Treasurer. It is also an important tool for managing the funding of programs and missions of the New Mexico Annual Conference, especially during difficult financial times.

Historically, funds for the stabilization account come from the following sources: unspent money from the former Contingency Fund in the annual conference budget; unspent money from the program budgets of the annual conference; the accrued interest and earnings from invested conference funds; and, prior to 2014, the Shared Ministries line item in the annual conference budget. In recent years, the Stabilization Fund has been sustained by an annual distribution from the Conference Endowment. The Stabilization Fund is more accurately understood as one fund held in three places: stabilization funds held in the Annual Conference regular checking account (labelled NMAC below) to help manage month-to-month cash flow, an interest-earning Money Market account held with US Bank (US Bank, below) that we can draw from if there is an urgent need, and an investment account with the Texas Methodist Foundation (labelled TMF, below).

We continue our efforts to align the expenses of the Annual Conference with the income we can realistically expect to receive. Since 2011, the Annual Conference approved budget has decreased by 39% (\$3,919,952 compared to the 2022 Budget of \$2,404,481). The amount needed from the Stabilization Fund to cover shortfalls in Shared Ministry revenue has increased. In five years prior to implementation of the tithe model, annual expenditures from the Stabilization Fund were approximately \$160,000. In the years following implementation (through 2021) Fund spending increased to an annual average of \$191,370. However, much of these annual expenses from the Stabilization Fund are made up by an average annual endowment income of \$152,535.

2021 was a productive year for the endowment funds that comprise much of the Fund. At the end of the year the total value of the Fund was \$1,618,966, an increase of \$57,847 over the 2021 year-end balance. However, this is far short of the \$255,096 growth the fund saw from 2019 to 2020.

As we continue to align our expenses with reasonable income expectations, the amount needed from the Stabilization Fund to cover budget deficits should decline. This alignment and the health of our endowment distribution are the two primary reasons our annual budgets project that, if all churches pay 100% tithes, we can support 100% of our General and Jurisdictional Apportionments.

Administrative Reports

Your Council on Finance and Administration looks forward to the day when the income tithed from local churches allows us to pay 100% of all Shared Ministries. When we reach that goal, we free ourselves to direct the dollars from our endowment distribution to ministries that help us achieve our mission and vision as an Annual Conference.

Board of Ordained Ministry

Rev. J. Bradley Bennett, Chair

“When Jesus finished saying these things, he looked up to heaven and said, “. . . Now, Father, glorify me in your presence with the glory I shared with you before the world was created. I have revealed your name to the people you gave me from this world. . . Now they know that everything you have given me comes from you. . . They truly understood that I came from you, and they believed that you sent me. I’m praying for them.” (John 17 - selected verses 1, 5-6a, 7, 8b, & 9a)

Not long after I was licensed as a local pastor, the now late Reverend Doctor Don Forsman left an imprint on my heart and mind that hasn’t left me for several decades. At a Fall Board of Ordained Ministries Clergy Retreat, Pastor Don shared a portion of his regular devotional practice with a gathering of clergy in the Chapel of Sacramento Methodist Camp and Assembly. He shared that he awoke that first morning of retreat and began to pray for each clergy person in the conference.

In order for Pastor Don to remember everyone, he prayed for clergy by Districts, starting in the furthest reaches and following the towns and churches he knew. He then recalled clergy in extension ministries and the mission fields where supply pastors were serving. He allowed his mind to wander a bit to pray for specific circumstances about which he was aware and pray God to bless each and everyone.

That evening, Doctor Don encouraged everyone to pray for each other and the churches we served together in the work of Jesus Christ. By the conclusion of his reflections, it was clear to me that Pastor Don not only prayed for everyone, but he also prayed for me. God touched my heart that day through Don. I left retreat confident of the power of prayer to touch the hearts and minds and hands of people and to equip us all for the work of Jesus Christ.

The Board of Ordained Ministries continues to pray for and offer encouraging support for people who are answering God’s call to the work that Jesus is fulfilling and, on behalf of the body of Jesus Christ, to credential and ratify those who are called to the work of licensed and ordained clergy.

The creating and parental power of the same Spirit who is in the risen Christ is with us today to fulfill the work that Jesus has given us. So, who will Jesus call next to eradicate hunger and homelessness and ill-health, forgive prisoners to be forever free, strike the rock so the thirsty will drink of living water, and to preach good news of Jesus’ love for all? Who indeed? I cannot wait to hear the roaring reply, “Where to next, Bishop! I can hardly wait! Sign me up! I’m ready to go!” ~ Brad

Board of Laity

Sid Strebeck, NM Conference Lay Leader, Chair

The mission of the New Mexico Annual Conference Board of Laity is to develop and provide training that empowers the laity of the church in becoming disciples for the Kingdom of Jesus Christ, while emphasizing connectional relationships throughout the NM Conference.

The New Mexico Conference Board of Laity (NMCBOL) welcomed several new members in June of 2021, to create a well-rounded board of laity and clergy. With the support and encouragement of the Provost Rev. Dr. Eddie Rivera, the blessing Bishop Bledsoe as he entered into retirement, and the welcoming of

Bishop Schnase at the January meeting, the NMCBOL members have continued to be courageous visionaries.

The following NMCBOL members have only met by ZOOM, to refine the guidelines for Lay Servant Ministries, Certified Lay Ministry training and (re)certification.

- Sid Strebeck, Chair
- Kathy Jewell, CLM-Director of LS/CLM Ministries, Lay Leader El Paso District
- Cynthia Chandler, CLM
- Grant Claycomb, CLM
- Sandy Correia, CLM, Lay Leader Clovis District
- Rev. Cazandra Campos MacDonald
- Chris Caldes, CLM, UMM Representative
- Cheryl Felder, UMW NM Conference President, Lay Servant Data Coordinator
- Rosalie Johnston, NM Conference Staff
- Bernice Hughes, CLM, Albuquerque Lay Servant Coordinator
- Steve Henderson, CLM, CLM Registrar, Clovis District Lay Servant Coordinator
- Jon Hendricks, CLM, El Paso District Lay Servant Coordinator
- Larry Luna, CLM, Albuquerque District Lay Leader
- Rev. Dr. Joe MacDonald
- Charlie Powell, CLM, Clovis District Lay Servant Coordinator
- Rev. Ernie Vineyard, DS Clovis District, Cabinet Liaison
- Rev. Dr. Eddie Rivera, Provost NM Conference
- Bishop Schnase

The NMCBOL has not shied away from asking for input for other members of the NM Conference as needed: Rev. Dr. Pam Rowley, Rev. Nema LeCuyer, Alli Newsome, Maryann Harrison, Melissa Thacker and Griselda Sandoval. Their expertise goes unmatched throughout the Jurisdiction! Thank you, Ladies for supporting the NMCBOL

In the last year Lay Servant classes were promoted by the NMCBOL each month and CLMs were offered numerous opportunities for continuing education classes. Many of the classes, by ZOOM and in person, filled to the recommended 12 registrants, but will soon be offered again. All of this information is found on the NM Conference website or weekly email publication (if you do not receive this information, please call Maryann at 505/255-8786, frontdesk@nmconf.com, to signup)

The NMCBOL continue to review and update the consistency, information and connection as the need arises for all of the structure of the Lay Servant and CLM programs.

Board of Pension and Health Benefits**Report #2 – Insurance, Pension, Health and Retiree Benefits****I. Method of Funding and Funding Plans**

The **2016 Book of Discipline ¶ 1506.6** requires that each annual conference develop, adopt and implement a formal comprehensive funding plan for funding all of its benefit obligations. The funding plan shall be submitted annually to the Wespath Benefits and Investments for review and favorable written opinion from the Wespath Benefits and Investments. Upon receipt of a favorable opinion, copies of the full 2023 comprehensive benefit funding plan report will be available upon request from the Benefits Office.

Pre-1982 Plan

Plan Overview: Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. The **2023** Past Service Rate (PSR) recommended to the New Mexico Annual Conference will be \$728.00. This is a 2.5% increase as opposed to a 2.0% increase. Based on the requested actuarial valuations from Wespath Benefits and Investments as of **February 18, 2022 for 2023**, the portion of the Pre-82 liability attributable to the New Mexico Conference and funded status is, as of 1/1/2023, as follows:

<i>2023 Estimated Actuarial Valuation</i>	
<i>Past Service Rate</i>	<i>728.00</i>
<i>Assets in the Plan</i>	<i>11,444,579</i>
<i>Funding Plan Liability</i>	<i>-11,117,967</i>
<i>Funded status</i>	<i>326,612</i>
<i>Funded Ratio</i>	<i>103%</i>

The funded ratio is recalculated each year based on economic and demographic changes. These changes create the possibility that Pre-82 contributions may be required at a future date.

The contingent annuitant percentage shall remain at the 100% level.

The NMBOPHB bills local churches directly for CRSP DB and deposits collected amounts in a designated account held at TMF. The Board may also choose to redirect pre-82 surplus when the over funding ratio exceeds 120%. The Board recognizes that any redirection of pre-82 surplus increases the probability of required contributions to the plan in the future. For this reason, any decisions for redirection will be made on a year-by-year basis.

The New Mexico Conference Board of Pension and Health Benefits will continue to monitor its funding plans and study options that reflect its desired long-term strategy and focus. Reasonably restricting PSR increases is part of the overall funding strategy to protect the plan and conference from possible unfunded liabilities.

II. Grant Information for Active and Retired Clergy

BOPHB Medical Support Fund:

The New Mexico Board of Pension and Health Benefits (BOPHB) provides clergy (active and retired) of the New Mexico Annual Conference, as well as their spouses, surviving spouses or surviving dependent children (including adult dependent children) the opportunity to apply for grant assistance.

This policy has been adopted with the purpose of providing grants to active and retired clergy to assist with the payment of unexpected health related expenses incurred by clergy member or his/her dependent family member, which are not covered under current health plans. Items that have been covered with the Medical Support Fund grants are hearing aids, dental expenses, and travel expenses for medical care, prescription costs, necessary medical supplies, and vision care.

Applications are may be requested from the BOPHB or the Conference Benefits Officer. The application must be completed by the participant or a person authorized to act on the participant's behalf. Applicants must submit any additional information sought by the reviewing committee in order for the grant to be approved.

The grant amount is maximum \$5,000 per family, per year, whether active or retired. Each request will be reviewed on an individual basis. An applicant may apply several times during the year, but any grants awarded will not total in excess of \$5,000. All applications are confidential and only seen by members of the BOPHB sub-committee.

BOPHB Wellness Support Fund

The BOPHB provides a grant opportunity for clergy, clergy spouses, and their dependent children to proactively improve their spiritual, mental and physical health. After any insurance or other financial help is taken into consideration, any retired clergy or clergy under full-time appointment may apply to the BOPHB for this grant. Items that may be considered include, but are not limited to, spiritual direction; coaching; help with weight loss; and physical fitness training, facilities, and equipment.

Requests will be reviewed by the BOPHB sub-committee and all requests will remain confidential. If approved, the sub-committee will decide what percentage of the request will be funded. Disbursements may be made on a one time or repeating basis, depending on the nature of the request. Approved gym memberships will be paid on a quarterly basis once receipts are received.

Only a limited number of grants are available each year. The submission of a completed application does not guarantee awarding of a grant. Three BOPHB members, elected by the BOPHB, shall constitute the Wellness Fund Review Committee. All grant requests will be strictly confidential. The grant amount is a maximum of \$5,000 per year per clergy member. Applications may be found on the conference website.

III. Insurance Plans for Active Clergy:

- a) The Annual Conference shall adopt a funding method for paying medical insurance premiums for active full-time appointed clergy.
 - (i) As voted by the 2004 Annual Conference, we use the actual cost funding method.
 - (ii) Every church/charge with full time appointed Clergy under the age of 65 must offer health insurance to full time clergy under appointment.
 - (iii) Every church/charge shall pay at least the billed medical insurance defined contribution amount (premium credit) for participating clergy. If approved by the church, clergy may enroll other eligible family members, and the church will be required to pay the premium credit for participant +1 or participant + family premium.

The Conference Board of Pensions and Health Benefits introduced HealthFlex Exchange for all participants that began January 1, 2017. It also provides a platform where participants “shop” for a health plan, while giving plan sponsors (the church) more predictability over health care costs.

This gives HealthFlex participants greater flexibility in choosing the level of coverage that fits their preferences and budget.

For **2023**, regardless of plan chosen by the participant, churches will pay the defined contribution (premium credit) as follows at the proposed rates. A comparison with 2022 rates indicates a proposed increase of 3%:

	<u>2022</u>	<u>2023 Premium Credit</u>
Single rate:	\$9,540 (\$795/month)	\$9,828 (\$819/month)
Participant +1 rate:	\$18,132(\$1,511/month)	\$18,672 (\$1,556/month)
Participant +family rate:	\$24,804(\$2067/month)	\$25,536 (\$2,128/month)

- The projected average increase to HealthFlex plans for 2023 is 3%.
- Dental and Vision premiums remain steady across all tiers for 2023. Premiums are now rounded up or down to be whole dollars, however, overall there is a 0% change in premiums.
- Details on all plans are available through the Conference Benefits Office.

IV. Direct Billing

Every salary paying unit will be billed directly every month from the conference benefits office. Payments shall be due by the 20th of each month.

- a) Every church/charge shall pay the premium costs of *UMLifeOptions* (UMLO) for its eligible appointed clergy and their spouses.
- b) Salary paying units will be billed for all health insurance and AFLAC premiums chosen by the participants. Participants are responsible, through a payroll deduction, for premium

amounts above the church contribution, dental premium and upgraded vision premium, medical reimbursement amount (MRA), health savings account (HSA), dependent care allowance (DCA) and AFLAC policies.

- c) Billing for the Comprehensive Protection Plan (CPP) to each salary paying unit shall be at 3% of plan compensation* for each eligible participant enrolled in the CPP. The conference elects to cover $\frac{3}{4}$ -time clergy who are full and provisional members (elders and deacons), associate members and clergy of other Methodist denominations earning at least 25% of denominational average compensation (DAC) subject to terms of the Plan.
- d) The Clergy Retirement Security Program (CRSP) is a mandatory plan with Wespath Benefits and Investment. This is 9% of plan compensation* for the defined benefit (CRSP DB) component and 3% of plan compensation* for the defined contribution (CRSP DC) component.
- e) UMPIP (United Methodist Personal Investment Plan)
Beginning, January 1, 2020 all active full-time appointed clergy were automatically enrolled with a 4% minimum contribution in the UMPIP program. The automatic 4% was calculated from plan compensation*. If a pastor was already contributing more than 4%, they continued with that larger amount. If a pastor did not want to contribute 4% of plan compensation*, or they wished to change the contribution amount at any time, they are to contact the Conference Benefit Officer. The amount of the UMPIP contribution can be revised any time throughout the year. This UMPIP contribution was added to the Conference Board of Pension and Health Benefits statement sent to the churches. (the church will no longer remit to Wespath directly). This amount is a payroll deduction. UMPIP for church lay employees will continue to be sent to Wespath directly.

**** Plan compensation is cash salary plus housing. If the pastor is in a parsonage the housing is 25% of cash salary. If the pastor is not living in a parsonage the formula is cash salary plus the housing allowance.***

For example: Pastor A has a cash salary of \$43,000 and lives in a parsonage. Their plan compensation amount would be \$53,750 (salary plus 25%)

Pastor B has a cash salary of \$43,000 and receives a housing allowance of \$12,000 per year. Their plan compensation amount would be \$55,000 (salary plus \$12,000).

- f) Retiree Disability Support Funds (RDS) is a proportionate payment billed to the churches on the monthly statement. Since the 2022 budget, the Board of Pensions and Health Benefits have voted to continue the reduction the churches total proportionate payment by 25% from 2020 and use funds invested in the Retiree Health account at Wespath to cover any shortfall.

V. Unpaid Obligations

- a) The Conference Benefits Officer shall report annually to the Annual Conference the name of each pastoral charge with an unpaid obligation to the NMBPOHB, either from unpaid prior years of Shared Ministries, direct billed arrearages for appointed clergy's pension and health

insurance, or unpaid Retiree Disability Support Funds (RDS). (See 2016 Discipline, ¶1639.4). Each church in default receives a cumulative statement of amounts in default.

- b) All payments for unpaid prior years of Shared Ministries, direct billed arrearages for appointed clergy's pension and health insurance, or unpaid Retiree Disability Support Funds (RDS) shall be applied to the oldest debt first. Payments shall be made payable to the New Mexico Annual Conference and sent to the attention of the Conference Benefits Officer.
- c) The Conference Benefits Officer shall report regularly to the Board all unpaid church obligations. Unpaid insurance premiums or pensions or payments to the Retiree Disability Support fund shall continue as a debt to the church/charge responsible. Each church in default shall receive a cumulative statement of amounts in default. In accordance with its standing rules, the BOPHB has the right to terminate health coverage for clergy, their spouses, and dependent children in the event unsatisfied arrangements continue.

VI. Information Pertaining to Retirees and Those Receiving Disability Payments (CPP Disability)

- a) All retirees will be reimbursed up to \$500.00 for Annual Conference expenses. This will include conference registration, hotel costs, meal costs and/or travel expenses. Requests for reimbursement shall be made, including receipts, to the Conference Benefits Officer within sixty (60) days of the last day of Annual Conference.
- b) Retired Ministers' Day and Offering: Each church is encouraged to participate in The Retired Ministers' Day offering. This fund is used to assist retirees with extraordinary non-medical expenses. Information regarding the retiree programs may be obtained from the conference benefits office.
- c) Retiring clergy that are living in a parsonage shall be reimbursed the actual cost of his/her moving expenses up to \$1,500.00. Receipts need to be sent to the Conference Treasurer within 30 days following their retirement date.
- d) Rental/ Housing Allowances for Retired Ministers/those receiving disability payments.
 - (i) An amount equal to 100% of the pension or disability payments received from plans authorized under The Book of Discipline of the United Methodist Church (the "Discipline"), which includes all such payments from the Wespeth Benefits and Investments during the year **2023** by each retired or disabled clergyperson who is or was a member of the conference, or its predecessors, can be and hereby is designated as a rental/housing allowance for each such clergyperson.
 - (ii) The pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from Wespeth Benefits and Investments and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the Discipline, that result from any service a Clergyperson rendered to this conference or that a retired or disabled clergyperson of this conference rendered to any local church, annual

conference of the church, general agency of the church, other institution of the church, former denomination that is now a part of the church, or any other employer that employed the clergyperson to perform services related to the ministry of the church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such retired or disabled clergyperson's pension or disability as part of his or her gross compensation.

(iii) NOTE: The rental/housing allowance that may be excluded from a clergyperson's gross income in any year for federal income tax purposes is limited under Internal Revenue Code Section 107(2) and regulations there under to the least of: (1) the amount of the rental/housing allowance designated by the clergyperson's employer or other appropriate body of the church (such as this conference in the foregoing resolutions) for such year; (2) the amount actually expended by the clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

Board of Trustees

Rev. Josh Kouri, Chair

In the 2021-2022 conference year, Board of Trustees focused on careful administration of conference assets, preparation for the future, and support for local congregations in their work in ministry.

Administration of Conference Assets

Endowment Funds: With oversight of the Pippin and Thaxton endowment funds, the trustees have two representatives on the Endowment Distribution Committee. Their role is to ensure that funds are awarded for purposes congruent with the original donors. Distribution of those funds are explained in the report of the Endowment Committee.

Conference Group Insurance: Since 2020 the conference trustees have used Sovereign Insurance Group as our plan administrator with insurance provided by Church Mutual. Premiums on insurance will rise this year, which was expected. The increase is 12.5% over 2021, which reflects a lower increase than last year. The hard truth is that fewer companies are offering insurance to churches at all. Often our buildings are getting older and more expensive to maintain. We have worked hard with Sovereign to negotiate the best possible insurance for the minimal cost.

While we are always working to minimize the cost of insurance, we wish to emphasize the high-quality communication and service that Sovereign and Church Mutual have provided. When

churches report claims, they are quickly assisted. Sovereign's website is easy to use and their representatives are quickly available, particularly in an emergency.

If you need further information, we encourage you to contact Sovereign at www.nmumcinsurance.com or email newmexico@sovinsurance.com.

We also wish to emphasize that our shared deductible pool is still available to any church making a claim on the group insurance. Once the claim is filed, simply provide documentation to Griselda Sandoval, Conference Treasurer, and the conference will reimburse your church for ½ of your deductible.

Conference Office Building: One of the important assets of the annual conference is the office building on Lomas Blvd. in Albuquerque. We continue to ensure that the building is well-maintained to keep it useful and welcoming for guests and the conference staff. There were no major expenses related to the office building this year.

Roselie Johnston continues to supervise the maintenance of the building and works with the trustees when repairs are needed.

Preparation & Investment for the Future

Investment in Local Congregations: We on the trustees are optimistic about the future. We believe that the next few years, as pandemic restrictions (hopefully) continue to be lifted, that our local churches have incredible opportunities to resume and reimagine the mission of the church. As a vote of confidence in our local churches, in April the Trustees released \$126,000 in reserves to provide \$1,000 dollar grants to every church so long as they are part of the group insurance plan. We want to help churches get back on their feet or maybe even start something new. The \$1,000 comes without restriction and we can't wait to see what local congregations can do with a little extra help.

Revision of the Safe Sanctuaries Policy: The current Safe Sanctuaries policy for the New Mexico Conference was adopted in 2007. At the spring trustees meeting, a task force was authorized to revise the policy. The task force includes clergy, laity, youth ministry leaders, and Rev. Kevin Johnson who is working with Discipleship Ministries on the revision of Safe Sanctuaries literature for the denomination. We are lucky to have his input in the process. The coming revision should be complete by the time of Annual Conference and the policy will be available for local churches to review.

Please be sure to carefully follow all Safe Sanctuary rules, train volunteers, and stay on top of background checks. It is a critical ministry in our churches that protects the most vulnerable people we serve.

I am particularly grateful to Kathy Jewell for assembling the task force and to everyone on the team for delivering a high-quality product.

New Mexico Conference Disaffiliation Policy: With the continuing uncertainty regarding the denomination's stance on human sexuality, and the repeated postponement of General Conference, the trustees established a task force in February to craft a conference disaffiliation policy. The task force includes people from all 3 districts, clergy and laity, and people from a diversity of theological outlooks. The task force crafted the policy in consultation with a variety of stakeholders including the conference benefits administrator, treasurer, chancellor, the cabinet, provost, bishop, and others.

This policy will be adopted, after review, by the trustees in May and will provide churches that wish to leave the United Methodist Church a way to do so with their property intact while protecting our retirees and the institutions of the annual conference.

While we hope that every church knows that they are welcome to remain a part of the United Methodist Church, and the New Mexico Conference, we know that the divisions are real and we want to help churches make good choices for their future.

The disaffiliation policy of the New Mexico Conference will be available at Annual Conference for churches that wish to begin the discernment process. I am available along with the district superintendents to answer questions regarding the policy.

Updates on Property Entrusted to the Board of Trustees

Hernandez Property: The Hernandez property is still leased to Victory Outreach of Espanola. We are exploring ways to transfer the property to the current tenants. We hope to complete this process by the end of the summer.

Hagerman UMC: Purchased and fully paid for. The final step is to sign over title to the new owners. Transfer should be complete by the time of Annual Conference.

Korean UMC, Clovis: Property is leased-to-own to a congregation in Clovis. They have fully paid for the property and we are working to transfer title, hopefully by the time of Annual Conference.

Wicket UMC: Since the closure and listing in 2017, we have had little if any interest in the Wickett property. Complicating matters, the closure of the building did not follow conference trustee guidelines or best practices and it is deteriorating. In the interest of selling the property, the trustees voted in February to lower the asking price from \$100,000 to \$50,000. We hope to have this property off our hands as soon as possible.

Upcoming Properties: With closures about to be approved by Annual Conference at Clarke Memorial, Artesia, FUMC Lordsburg, and FUMC, Truth Or Consequences the trustees are prepared to receive and sell the related properties. At least two of the properties also have houses that are currently rented. Those properties will be sold as well. In each case, the tenant is interested in purchasing and will be given right of first refusal.

Use of Funds: The trustees follow conference rules with relation to the disposition of property from closed churches. 50% of funds from those properties are given to the New Church Development Committee for the formation of new faith communities. 30% of funds are invested in congregational vitality grants available to existing churches and pastors in the conference.

Only the remaining 20% of funds are used for trustee operations and we work hard to efficiently manage those funds.

Goals for 2022-2023

Insurance Review: As we finish our third year with Sovereign and Church Mutual, we will review our policies to confirm that we are receiving the best possible product for an affordable price. We are pleased so far with our insurance and want to make sure this relationship remains positive and constructive.

Investment for the Future: Trustees have a task force that is working to invest a portion of our current reserves for the long-term benefit of the conference. Right now, I am pleased to report that we have adequate and even ample reserves on hand.

Investment in the Long-Term Sustainability of Local Churches: The most common request that comes to the conference trustees is from congregations that are experiencing vitality, have good things happening, but are limited by buildings that are aging and falling into disrepair. In the year ahead, we want to offer training and educational support to congregations to help them audit the sustainability of their facilities and to craft plans that will equip them for long-term ministry in their local communities. We do not have the funds to help every church where a heater burns out or a roof starts to leak at just the wrong time, but we do want to help local churches plan-ahead and realistically assess their facility needs.

This is my first year to chair the Board of Trustees. The learning curve has been steep, particularly with the wide-variety of business that has come up just this year! I am grateful to the board for their support and guidance over the past year, particularly the cabinet representative, Rev. Ernie Vineyard. I'm also grateful to Rev. Jeb Archey who chaired the trustees for years, left the "house in good order," and has been ever-willing to answer questions and provide insight. If you have any questions related to the report of the trustees, contact me at pastorjosh@mesaviewumc.org.

MINISTRY/PROGRAM AREA REPORTS

Commission on Archives and History

David Maldonado, Chair

Having knowledge of our history not only reveals the past, but it also helps us create a better future. It also gives us some perspective on the problems of the present.

For instance, in 1919 Rev. Alonzo Bright in his report to the Annual Conference noted that “The year now closing has been characterized by greater difficulties, more serious interruptions, and longer suspensions of church gatherings, than any year of my recollection. This is not true of New Mexico alone, but of the church over the whole wide world.” Both a plague and a war had a great deal to do with that. In 1921 the report noted, “Never in the history of the state have times financially speaking been so hard.” And in 1922 he reported, “the drought and heat of the year have been unprecedented.” And then he added, *“Notwithstanding these unfavorable conditions, in the main the pastors have faithfully attended to the work in their care.”*

So, what else is new.

We preserve the record of their struggles to better understand what it means to be in ministry in the face of great difficulty. We are charged with the task of collecting and preserving documents and artifacts that will tell our story in years to come. I hope and pray that every church and pastor is doing so, because one day others will look back at us and ask how we found the courage and faith to persevere.

Our archivist, Will Steinsiek, continues to take care of the Archives. He has reported that accessioned items in the archives now include 610 Library items, 138 objects, 212 photos, and 1736 Archival records. The growing biographical index now includes 5044 names. His growing body of research over the last 14 years has produced 26 Historical journals sharing our story, and the number continues to grow. We recommend that every church and pastor consider subscribing by becoming members of the Historical Society.

One area that seems lacking at this time is the preservation of minutes and notes from the various committees within the Conference. As noted in the Guidelines for Managing Records of the Annual Conference, all agendas; meeting minutes; reports; notes; working papers; and related documentation and correspondence are to be transferred to the archives for permanent *storage after 4 years*. Very few committees have done so. The risk is that such records will be too easily discarded after they are no longer deemed to be of any use. What is lost may cripple the ability of any future committee to retrieve and review such records of their prior activities. Then, once it has been forgotten, there will no longer be a true impression of the time and effort that so many people have contributed to the life and work of the Conference. If you are on such a committee, please consider how best to preserve the records that are still in your possession.

It also should be noted that, *“Closed local church records should be turned over to the conference archives as soon as possible after the closure is complete. See Discipline ¶2549.4.”* At a minimum this should include Membership, Baptism, and Marriage records, and other historical records, including as noted in the Guidelines, “All the deeds, records, and other official and legal papers, including the contents of the cornerstone, of a church that is so declared to be abandoned or otherwise discontinued

shall be collected by the district superintendent in whose district said church was located and shall be deposited for permanent safekeeping with the commission on archives and history of the annual conference.”

We have shared this in some detail, because we have not always followed these guidelines in the past, and might hope to do better in the days ahead.

Once again, this year it is our privilege to select two worthy individuals to honor at Annual Conference with the Living Archives Award from the nominations that we received.

When making our selection, we use the following criteria

1. Persons must have given exemplary service to the United Methodist Church and served within the historic boundaries of the New Mexico Conference at least part of their lives.
2. Persons must have served their communities in exceptional ways and provided an example of Christ-like servanthood to the world.
3. Persons who may have contributed to our understanding of Methodist History, such as those who have researched and shared our history in creative ways.

We have found these individuals whom we selected to have indeed met and exceeded these requirements. We are pleased to add these names now to the list of those so honored. They are **Donna TeBrink** and **Rev. Roland McGregor**.

Elizabeth Kirkwood, Executive Director

Psalm 27:14 - "Wait for the Lord; be strong and take heart and wait for the Lord."

Our Wesley is more a family/community of students who look forward to seeing each other on a daily basis. 2021-2022 semesters our campus opened back up. We re-launched our Wesley program and we are holding steady at 30-35 students weekly. We were proud to say, 2021 fall semester ENMU Wesley was only campus house/ministry open. In the beginning we followed all the protocols. After a week or two we started seeing the same students return. Churches in the Clovis district provided Wednesday lunches and Sunday evening Suppers.

August/September 2021: ENMU'S campus opened up for the first time in a year and half. Dawg Daze and Campus Community Fair. We gave out hand sanitizer to each student that came by our booth. Our first lunch for the year. For 8 years I have tried to get our college rodeo team to come and be part of our Wesley House. I was finally successful! Now we have athletes from all our sports teams. Just a small few but it's an accomplishment. We also gathered our "Wesley Leadership team." Five students came together to help promote and be a part of our Wesley House.

October/November 2021: Many of our students come to our Wesley are international and many different beliefs/faiths: Catholic, Methodist, Muslim, Buddhist, Hindu, Baptist, and Anglican. The beauty of our Wesley gatherings is we share what we believe and no one judges our students. They feel safe,

understood, loved, and accepted. They tell me they can feel GOD'S presence in our Wesley House. We came together and held our Fall Auction to raise funds for our year. We had a Bible study, the students from Africa made supper one Sunday evening. Thanksgiving Dinner cooked by the students.

December 2021: Two weeks left of the fall semester; we were able to kick off the end of the semester with our Christmas party. Wesley students played Christmas games, ate food, laughed, and prayed for their friends who were going to graduate. 2021 saw our first indoor graduation since May of 2019.

January/February 2022 Spring semester: Familiar faces and new faces walk through our Wesley house doors. The word is out that our Wesley House has food! They come for fellowship, lunches, snacks, and Sunday dinners. Students wanted to have instead of Valentines dinner, an International Valentines gathering with delicious dishes from all our different countries. With great sadness we lost our first Wesley student from Kenya. Our Wesley came together to hold a memorial service for the young track student. Because of Covid his family was not able to attend the service. Our international students gathered, sang hymns, prayed, Eulogized and gave their friend a proper send off. I was very proud of our students.

March/April 2022: Weekly Devotions, Lunch and Ashes, 40 days of Prayer, the first official College Spring Break in 2 years! March, April and May get busier and more chaotic by the end of the semester. May graduation is all many seniors look forward too.

May 2022: Spring graduation, our Wesley House hosts our seniors and their families for a graduation dinner. Wesley students bring their families to share their "HOME AWAY FROM HOME" they have had for 4 years. Rebuilding our ministry, new students walking through our doors feels like the first day I walked through the doors of ENMU Wesley back in 2013. With lots of prayers, support from local churches, and our NMAC, our Wesley is still here by God's grace! Thank You to GOD, our Wesley board of directors, and always the students. Here's to many more Wesley years to come! May God Bless all who enter our ENMU Campus ministries. We are all part of NMAC Campus Ministries, we cannot do this without the support from all of you.

New Mexico State University Wesley Foundation

Brian Townsend, Director

PURPOSE: The Wesley Foundation at NMSU promotes a Christ-centered ministry of love, acceptance, and support in which students can grow spiritually through worship, study, discipleship, service, and fellowship.

MINISTRY HIGHLIGHTS:

We've had over 40 individual students join us this past year for either our Wednesday night worship, Friday night fun nights, or Tuesday noon Bible studies! We enjoyed an all-time high of 22 students and average between 10-15 students on Wednesday nights for worship. We have students involved in local churches leading worship, helping with youth groups, serving in the nurseries, and teaching in two of our local church pre-schools. One of the great things God has done this past year has been an expansion of our outreach to international students! We've had 10 international students join us this past year- 6 from Ghana, 2 from Nigeria, and 2 from India.

During the Fall semester, we took a camping trip to Caballo Lake with 11 students including 5 from Ghana, we hosted a Halloween party, and we had a celebration for our graduates. This semester, we celebrated Valentine's Day with a party enjoyed by 16 students. We have a joint retreat to Sacramento Camp with the Wesley Foundation at UTEP planned for April, and another graduation celebration for 3 of our students in May. We're beginning to develop our physical property to create a more engaging worship and fellowship space outdoors.

I am grateful for the wonderful board members of the Wesley who are committed to seeing college students grow and thrive. We have representatives from each of the 4 local Las Cruces United Methodist churches and are currently looking to expand. We are working with a long-time donor to establish an endowed fund with TMF which would be used to provide scholarships for Wesley students. Although our ability to host our annual Shrove Tuesday pancake dinner or any donor event has been negatively impacted because of Covid restrictions, we are finding creative ways to be visible in our local congregations. We recently finished a 7-minute promotional video and are scheduled to lead worship and share the video in 2 local churches over this semester and our prayer is that it will lead to gaining more financial partners in the ministry.

We are grateful for the support of the conference, the local churches, and individuals who give and pray. We have almost 25 people from area churches participating as "Prayer Partners" who pray for us every month and receive a monthly prayer email. If you would like to join this community, please send an email to pray4wesleynmsu@gmail.com.

God has continued to be faithful during this difficult time of Covid. Our students are finding community, a place to belong and serve. Thank you all for your continued support!

El Paso Wesley Campus Ministry

James Heredia, Director

El Paso Wesley has continued to establish and grow in scholarships offered to students and the community of students. We offer six undergrad scholarships to students involved with Wesley to support them in their education. We desire to support these students in aspects by partnering with them to build on the foundation of Jesus in their lives. The Wesley Board understands the necessity of financial need in these students' lives, and they find joy in helping to ease the financial burden school can place on the students. The Wesley Board desires to embody Luke 12:48, "From everyone who has been given much, much will be demanded; and from the one who has been entrusted with much, much more will be asked". The Wesley Board is trying to be good stewards of the resources El Paso Wesley has been blessed with so we can affect the lives and ministries around us for His glory.

The El Paso Wesley Board has continued to meet through Zoom to support and encourage the ministry of the El Paso Wesley Foundation. Kathy Jewell is currently the Board Chair for the Wesley organization with Cheryl Wilson serving as Vice Chair.

As we continue to develop connection with churches in the El Paso district our hope is to be a place for our students to be equipped to go and do the work of the church. Many of our churches are missing this age group. Our desire is to equip these students to be sent and utilize their gifts to serve where God leads them. To help support, lead, or start a children's ministry, youth ministry, organize mission

projects, begin community dinners, any outreach ministry the local church is involved in our students will be ready to step in and serve.

Wesley El Paso meets every Sunday 5pm to 8pm at Tobin Park UMC. We have an average of 6-10 students on Sunday nights. Our time together consists of worship, food, games, devotional, and prayer. We have also begun to implement and plan Wesley outings throughout the semester for the purpose of welcoming new people into the community. As the Director I also meet with 2-3 students a week to pour into their life. My desire is to help our students balance their life through Matthew 22:37-40, How we choose to love God and how we love our neighbor.

We are working to fully establish our student leadership team by the end of the year. Currently our team meets twice a month to review past events, discuss future events, develop, and manage the budget for the year, and have time of devotional and prayer with one another. The student leaders have also been present at the Wesley Board Meetings expressing their voice and establishing connection with the current members of the board. They have worked to plan out fun events for the Wesley throughout the year to build connection with current students and invite new students into the community. The leadership team has also budgeted and utilized funds to help market the Wesley to students in the El Paso area. The students have worked to establish mission projects once a month to serve various needs in the community like homeless, humane society, Mother's Day out event, and much more. The student leadership team is also working to establish connection with the local youth groups to begin hosting events like lock-ins, concerts, and discipleship training for all the youth in the area.

I am excited about the community of leaders we are building at the El Paso Wesley. Our hope is to build a community that loves like Jesus and equip our students for every good work that God has for them.

Lay Servant/Certified Lay Minister Ministries

Kathy Jewell, CLM, Director of Lay Servant/Certified Lay Minister Ministries

LAY SERVANT MINISTRY

Lay Servants in the NM Conference found a source of engagement and empowerment in the classes that were offered over ZOOM and a few in person, in the last year. The New Mexico Conference Board of Laity (NMCBOL) structured the offerings of Lay Servant Classes in such a way as to provide for consistency and accountability throughout the NM Conference. It became very clear that there was no stopping the Laity or the Facilitators from learning and growing in wisdom through the offerings of Lay Servant Classes. With the fortitude and determination of the District Lay Servant Coordinators, Bernice Hughes, Albuquerque, Steve Henderson, Clovis, and Jon Hendricks, El Paso, a Basic Class and at least one Advanced class were offered every month. These three Lay Servant District Coordinators organized a wide range of topics for Advanced classes. A huge thankyou goes out to them!

Each month for 2022, Advanced Lay Servant Classes will be offered, with a variety of topics. Facilitators of the classes are from all three districts and bring with them a wide range of knowledge and experience. The facilitators are engaging and encouraging of all Lay Servants who attend the classes, they provide for the 10 hours of class time that is a requirement of Discipleship Ministries. These required 10 hours of class time for a Basic Class, or an Advanced class can be taught over several sessions, on ZOOM or in a smaller in person sessions in the local church. It is also noted that youth groups, who have teens over 13 can participate in Lay Servant class, then become Certified Lay Servants.

With the Basic Lay Servant class, you are designated as a Local Church Lay Servant (LCLS). Within 3 years you are encouraged to take an Advanced class to be designated as a Certified Lay Servant (CLS). You must take at least one Advanced Lay Servant class every three years and provide a Lay Servant Annual Report to your local church Charge Conference, yearly.

How do you find out about the classes? Great question! Contact your District Lay Servant Coordinator or watch the Conference website for registrations. There is a small fee of \$25 for classes, and you will receive a certificate and a blank Lay Servant Annual Report form.

Who facilitates these classes? Another great question! Any CLM (who gets a Continuing Education Credit) and CLS (who gets Advanced class credit), a clergy person (highly recommended for the Basic Class).

Where is the information on the available classes? Fabulous question! Check out umcdiscipleship.org, 2022 Lay Servant Ministries Catalog for the latest course offerings, that the facilitator can order. Or you can check out the BeADisciple.com link to find out what classes are offered online.

The New Mexico Annual Conference has one of the most active and empowering Lay Servant Ministries available to laity. Currently, there are over 150 LCLS or CLS, within the NM Conference, who are eager to with intentional discipleship system by:

- ❖ Providing leadership for the local church
- ❖ Assist in worship
- ❖ Teach classes
- ❖ Foster Local Church ministries

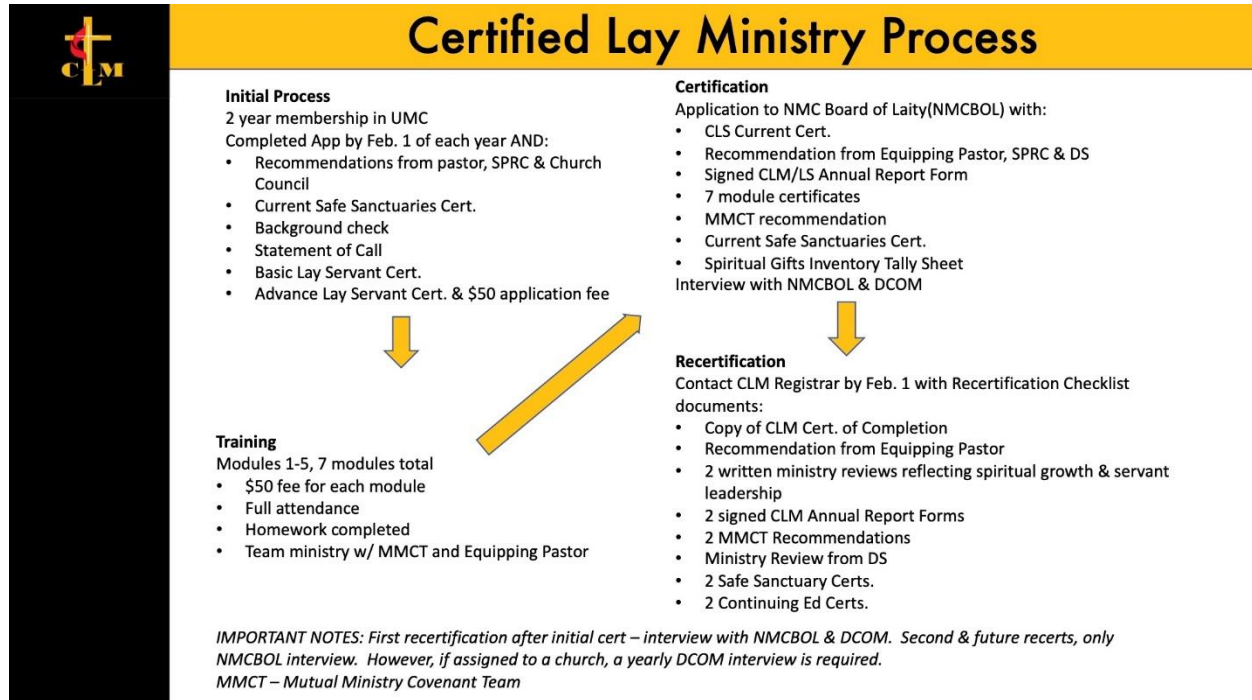

Lay Servants, LCLS and CLS, are a dynamic treasure of the local church and the NM Conference.

CERTIFIED LAY MINISTER

The Certified Lay Minister (CLM) program for the NM Conference continues to prepare, develop and hold accountable 112 CLMs trained since the first class was certified in 2014. This year class #12 has 8 CLM Candidates in training! With the guidance and wisdom of the New Mexico Conference Board of Laity (NMCBOL), the CLM Program has reviewed the training process thanks to the CLM Training Steering Ad Hoc Team, Rev. Dr. Joe MacDonald, Rev. Cazandra Campos-MacDonald, Rev. Nema LeCuyer, David Teal (Director of Spiritual growth and Leadership for Discipleship Ministries) and Kathy Jewell. This team worked diligently, reviewing all 5 training modules for strength and weaknesses. Recommendations were then offered to the NMCBOL in December 2021. All recommendations were agreed to and implemented with class #12, which started with Module 1, A “Call” to Ministry.

With the renewed vigor for accountability, update/current information, and alignment with the Book of Discipline the CLM program has broadened the connectional relationships within the NM Conference through shared information at the CLM Retreat (held in August each year), written information for the Equipping Pastor of CLM Candidates and building of relationships with module Facilitators. Also, offered in January 2022 was a CLM Orientation offered by Rev. Nema LeCuyer, Rev. Dr. Eddie Rivera, David Teal and Kathy Jewell for clergy and laity who were interested in more information on getting started with the CLM process. In March 2022, a CLM Refresher, for current CLMs, was offered by Rev. Nema LeCuyer and Kathy Jewell, to review the CLM Training Modules (requested from the CLM Retreat) and update any accountability measures for Recertification. Each of these events, Retreat, Orientation and Refresher, were by ZOOM and very well attended.

The following graphic, (Thank You Alli!) shows the “flow” of the CLM training and Recertification.

CLMs continue to gather Continuing Education credits through quarterly class offerings and by facilitating Lay Servant classes in their districts. Information on dates for these trainings can be found and registered for on the Conference website and weekly news offerings.

Certified Lay Ministers serve to enhance the quality of ministry or by expanding team ministry in their local church with their Equipping Clergy person. Certified Lay Ministers use their spiritual gifts as evidence of God’s grace. The call to equip laypersons for ministry as Certified Lay Ministers is rooted in the priesthood of all believers (1 Peter 2:9) and we are called through our baptism to our biblical mandate to equip people for the work of serving and building up of the body of Christ through various gifts for service. Through Support, Training, Supervision and Accountability CLMs are called to serve intentionally through servant leadership and spiritual growth.

New Mexico Conference Board of Church and Society

Rev. W. Douglas Mills, PhD, Chair

The Conference Board of Church and Society Church and Society works to fulfill the mandate of

- relating the Gospel of Jesus Christ to the Church, communities, and the world in which we live;
- bringing the whole of human life into conformity with the will of God;
- and showing that reconciliation involves personal, social and civic righteousness.

Since its founding, The United Methodist Church has spoken to the issues of the day as an expression of the Wesleyan commitment to social holiness. Addressing more than 30 social issues on which The United Methodist Church has claimed a position, the Conference Board of Church and Society communicates with policymakers and leaders around the world with the mission of transforming the world.

The Board of Church and Society rejoices that congregations throughout our conference continue to relate the Gospel of Jesus Christ to our communities and world, demonstrating the encompassing, awesome love of God in the work of reconciliation.

Through El Calvario UMC's (Las Cruces) Immigrant Advocacy Center's Resiliency and Well-Being Program, measurable solutions are achieved in dealing with Refugee and Asylum Seeker immediate needs of food, shelter, and clothing. Combined with a sustainable wrap-around approach, more long-term needs are also addressed.

El Calvario's ministries to refugees include:

- Advocacy
- Emergency/Humanitarian Services
- Community Development via Commercial Kitchen Incubator
- Legal Services
- Transportation and Travel
- Medical and Social Services including Case Management and referrals
- Refugee Resettlement Services

These services have been provided since 2000 on an as-needed basis and then on a permanent basis since 2019. Resources come from throughout the New Mexico Annual Conference as well as from around the country. El Calvario supplements donations with Federal Supplemental funds, Special ARPA funding, Emergency Food and Shelter Funding (EFSP), APA funding for resettlement. The ministry at El Calvario has been designated by the Texas Refugee Coordinator as a provider and has taken on responsibility to manage and provide Office of Refugee Resettlement (ORR) related funding and services for resettlement, including RCA (Refugee Cash Assistance), RMA (Refugee Medical Assistance), and RSS (Employment Services).

One hundred and sixty (160) Afghan refugees have been resettled through the APA program, and El Calvario expects to settle 100 more this year. El Calvario has also ministered to migrants from Mexico, Honduras, Nicaragua, El Salvador, Guatemala, Cuba, Brazil and Turkey over the last year. The director, Rev. George Miller, has worked with immigrants from middle Eastern countries, such as Iraq, Syria, Iran, and various Eastern European and African refugee countries.

We further celebrate the work of Justice For Our Neighbors, (JFON), also located within the El Paso district. JFON El Paso hired their first attorney, who came onboarded in January 2022. She is offering legal services to migrants in detention through the El Paso Immigration Collaborative. JFON El Paso has a partnership with El Calvario Immigrant Advocacy Center, and they are currently conducting a search to hire an attorney for that partnership. Additionally, they are coordinating a project to monitor immigration court locally and have shared that information for advocacy purposes. For more information, please see the JFON El Paso report included in the conference journal.

Justice and immigration issues are always before us. The Conference Board of Church and Society rejoices in the presence of our churches and ministries, who show love and compassion and are making a difference in the lives of others.

Four Corners Native American Ministries

Rev. Tweedy Evelene Sombrero Navarrete

Four Corners Native American Ministry have made great strides in being present in the community. There was a time when the ministry was all about building churches and reaching beyond the community, well that has all changed because of the times we live in now. I believe Covid made us look within to see the greater need of the community and we saw a lot of hurting folks.

During Covid we fed the about 80 essential workers every week for about a year. We gave out several food boxes to elders and those that lived outside the community who had a hard time coming into town for food, wipes, sanitizers and masks. Funds were coming in so we may continue to address the needs of the community. A favorite story, I was returning from Farmington and there was a roadblock and you had to be an essential worker to not be fined. This was the first time Covid hit the reservation. Before the police officer asked what I did for a living and before she waved me through, she gave me a mask and said, here is a mask for you to wear, it is the compliments of Four Corners Native American Ministry. People sent us masks and we gave them out to senior enters, police station, hospital, schools, and the Chapter House. I proudly accepted the mask and told the officer what I did for a living, we both had a good laugh.

We continue to give what we called a giveaway. At powwows a giveaway is items a family gives to those who helped them throughout the year. We gave clothes, food, masks and gifts to families. Every time we had a giveaway, we would give out to over 500 families. We gave over 400 backpacks and school supplies for students. We continued the food boxes and clothes; we have now received the water tanks to give to elders who have no running water. We bought and gave wood and coal to seniors who couldn't afford to buy wood to keep warm during the winter. We gave gifts and toys to over 500 families at Christmas time.

We are now opening space for two medical doctors to treat the homeless, to give vaccinations and clean up their wounds. We are going to test run the homeless shelter for March and therefore will be ready for it to open next winter in October. The shelter is called Hogan – Home of gratitude and nurture. We are also opening a safe space for the LGBTQIA folks for them to meet. We will begin a Natives in Sobriety meeting that will gather on Tuesdays and Wednesdays from 12:00 noon to 1:00p.m. As summer comes around, we will have a program for youth and children.

Our new mission statements:

To build the Spiritual, Physical, Well Being of Navajo (Dine') sisters and brothers.

Committee on Native American Ministries

Rev. Adrienne Coleman, Chair

The Committee on Native American Ministries - CONAM - serves to give voice to Native Americans and meets the requirement outlined in the *Book of Discipline* which "serves to remind the Church of the gifts and contributions made by Native Americans to our society." CONAM is made up of persons nominated by the Conference Committee on Nominations and represents the inclusive nature of the NM Annual Conference.

The Committee is charged with promoting Native American Ministry Sunday, determining distribution of the 50% offering that stays in the Annual Conference from Native American Ministry Sunday, as well as monitoring Native American ministries within the Conference.

Activities conducted by CONAM include linking our NMAC Native Ministries with local congregations and those from around the General Conference area and ministries that desire to serve and support our Native American Ministries with financial support, ministry, and mission activities. CONAM has provided financial assistance for travel and theological education for our Native American pastors and ministry leaders. During the Coronavirus pandemic, CONAM has continued to actively support the Four Corners Native American Ministries.

CONAM welcome comments and questions as to how the New Mexico Annual Conference can serve, support and strengthen our connection with our Native American brothers and sisters in Christ.

Engaging Ministries Team

Rev. Adrienne Coleman, Chair

“The Engaging Ministry Team works with ministries beyond the local church. The team is tasked with developing and prioritizing related ministries and making the individual efforts of small groups effective and cohesive with the vision of the Conference, Jurisdiction and General Church. The team shall engage in ministry areas that typically can be done with greater efficiency and effect, rather than individual churches’ ministry. The various member groups join together as the Engaging Ministry Team to pool resources toward mission initiatives larger than any one group could do by itself” (nmconfum.com). In 2017, the Team studied the program “See All the People” by Rev. Dr. Junius Dotson and adopted many of the practices. Many NMAC churches were contacted and an impressive list of all the ministries being carried out beyond the local church was created. Two questions were asked: 1. What ministry outside the walls of the church are you doing that you are passionate about (working well)? 2. Why does it excite you? What do you wish/imagine that you’d like your church to do? What do you lack – resources, training, volunteers, time...?

The Engaging Ministries Team is in the process of resuming its activities in support of the mission and ministry of the New Mexico Annual Conference. With Coronavirus restrictions beginning to lessen, the Engaging Ministries Team is excited to move forward with its mission to help the NMAC communities of faith and Related Ministries “make disciples of Jesus Christ for the transformation of the world.”

Congregational Vitality

Rev. Blossom Matthews

The Office of Congregational Vitality works “to engage, equip, and empower every local church in its mission to develop dynamic disciples of Jesus Christ for the transformation of the world” (mission statement of the NMAC). This is accomplished through providing opportunities for leadership development, congregational revitalization, and continuing education in order to cultivate and nurture healthy, resilient congregations.

Vitality efforts during 2021-2022 include: Church Finances for Missional Leaders Study with Bonnie Marden; Both/And Webinar with Jason Moore; Connection Circles with Tim Walker; Changeover Zone Training and Pastoral Transition Coaching with Jim Ozier; Five Adaptive Muscles for the Post-Pandemic

Church with Blair Thompson White; and Ultimate Re-Launch Playbook with Kay Kotan, as well as refining the grant request process and providing matching grants for leadership development. The Office of Congregational Vitality also advocates for necessary revitalization resources and opportunities in the Conference as a whole and among leadership (Cabinet, Conference Ministry Team, Equipping Team).

Further, efforts of New Church Development in introducing Fresh Expressions to our conference may be expanded and built upon by the Office of Congregational Vitality to equip laity and clergy alike for engaging in mission. As existing/sending congregations typically benefit from the apostolic energy of the sent fresh expressions, revitalization is experienced within inherited congregations even as new communities of faith are birthed. The greatest renewal of the Church comes not by programs but by the Church being the Church.

As clergy and laity engage in mission together, they will be renewed and revived through the redemptive and restorative work of making disciples. As Chris Backert has written, congregations often focus on re-engineering and re-organizing to combat waning programs, failing systems and falling numbers. This is revitalization by “tinkering.” However, revitalization most naturally comes through Re-Missioning. As congregations remember our shared mission (the Great Commission), we find that existing congregations are revitalized through the life-giving work of engaging in Jesus’ mission. It is when we return to the missional DNA which gave birth to each congregation that we discover our identity and full potential once again.

As the United Methodist Church navigates the long-term effects of the pandemic while also anticipating next steps for our denomination, it is imperative that congregations focus on mission and discipleship in order to gain the momentum necessary to overcome the hurdles ahead and be faithful to our shared calling as disciples of Jesus Christ.

New Church Development

Rev. Blossom Matthews, Chair

Our Mission: The New Church Development Team exists to support the creation of new places for new people and a culture supportive of new church development. This is done through initiating new church starts, creating a culture of innovation, and equipping the people of God to engage in apostolic mission. As Alan Hirsch writes, “It’s not so much that the church has a mission, it’s that the mission of God has a church.”

It is the work of New Church Development to:

1. Support church planters and church planting congregations/communities in discerning, planning and launching new faith communities that will become self-sustaining.
2. Support existing congregations/communities in creating new opportunities to connect with and disciple new people.
3. Provide opportunities for clergy and laity to be equipped and empowered to create new places in which new people have opportunity to encounter and become disciples of Jesus.

The New Church Development Team (NCD) is comprised of clergy and laity working together to recruit and assess potential planters, discern missional needs, and support church planting endeavors. The church planter or planting community submits a proposal to NCD which includes strategy, benchmarks, budgetary information, plan for sustainability, and additional requests for support such as appointment

requests. The NCD team, in conversation with the Cabinet, discerns whether the proposal meets the need of the mission field and standards for healthy, fruitful planting. Upon receiving approval of the proposal, the planter presents monthly written reports to his or her Stakeholders Team, as well as yearly written reports and presentations to NCD.

Continuing Church Plants: Congregations supported by NCD are Community of Hope (Planter - Jon Moore, Albuquerque); Good Medicine Way (Planter - Dr. Casey Church, Albuquerque); Iglesia Comunidad de Fe (Planter - Arturo Nunez, Clovis); The Ridge (Planter - Sal Perales, El Paso); X-ile (Planter - Dr. Todd Seelau, Albuquerque and Santa Fe). Financial support for The Ridge concludes at the end of 2022.

Newly Approved Proposals: NCD has approved two new proposals: A Dinner Church at Community UMC in Ruidoso (Planter – Dustin McEwen) and Research and Development for a Digital Church (Planters - Amy Wilson Feltz, Ross Whiteaker, and Stuart Davenport).

Innovation Lab: NCD hosted an Innovation Lab, “Launch New Mexico,” in Santa Fe on October 29-30, 2021. Jason and Hillary DeMeo, of We Are Curio, led participants in applying design thinking to launch new ideas and increase the impact of ongoing ministries.

Fresh Expressions Vision Day: Over eighty participants gathered in El Paso on March 13, 2022 as Fresh Expression practitioners and trainers, Michael Beck and Verlon Fosner, presented the changing landscape of mission in our post-Christendom world, what constitutes a fresh expression, how to form a fresh expression, and our unique roles in this missional endeavor. A follow-up book study with coaching component was offered, and participants were invited to apply for Fresh Expressions grants for seed money.

Fresh Expression is a form of church for our changing culture established primarily for the benefit of people who are not yet members of any church. This missional movement empowers laity and clergy alike to create new places for new people to follow Jesus. The process for forming a fresh expression of church is: Listening, Loving/Serving, Building Community, Exploring Discipleship, Forming Church, and beginning the process again to form additional fresh expressions.

Sabbath House

Rev. Bonnie Hardesty, Retired Bjharde1@msn.com

Sabbath – God-ordained rest. House – a place of refuge.

Despite an initial hard stop when the pandemic struck in March 2020, Sabbath House visits (think ‘faith-based Ronald McDonald House’ serving all ages and stages) for medically necessary appointments quickly resumed. The ministry provided 114 nights of lodging, meals, prayers, and ministerial presence for travelling caregivers, patients, and itinerating missionaries in calendar year 2021. I continued to work with a cadre of frequent visitors battling progressive diseases (two of whom are now residing in heaven); and this year hosted two sets of missionary families during their itineration. With gratitude, I thank the many Sabbath House supporters who have participated in this wonderful ministry with generous gifts of food, supplies, prayers, funds, and even ‘to go’ gifts for visitors for their time on the road! God is good, all the time.

United Methodist Men (UMM)

David W. (“Dave”) Price, PhD, Interim President, NM Conference UMM,

“And what you have heard from me through many witnesses entrust to faithful people who will be able to teach others as well.” II Timothy 2:2 New Revised Standard Version

GOAL

The goal for the NM Conference UMM is to develop a core of dedicated, committed and growing Christian men to minister/serve God and His people, His church and the world. To initially address this goal, a virtual study of The Class Meeting by Kevin M. Watson is proposed. If a minimum of eight men will be committed to this study, we have a commitment from the General Commission of United Methodist Men (GCUMM) to lead this study. To date, this study is still due to circumstances beyond my control, but the effort to hold this study is still ongoing.

HISTORY

In 2021, the NM Conference UMM was inactive. To address this gap and provide UMM leadership, a virtual NM Conference UMM meeting on September 20, 2020 was held. A slate of officers was elected with Jan Gimar as NM Conference UMM President. However, Jan was unable to support his position as he moved out-of-state to care for his aging mother and he resigned. Since that election, the NM Conference Vice-President resigned since he wanted to serve the NM Conference UMM if it were a functioning organization.

At the request of Joe Kelley, South Central Jurisdictional UMM President, I was asked to be the NM Conference UMM Interim President. I reluctantly agreed. (I had served as the NM Conference UMM Prayer Advocate under the NM Conference UMM Presidents Dick Kondo, Jimmy Angelos and Jim Mogford).

Since assuming the Interim Presidency, beginning in April 2021, I have reached out to many men within the NM Conference to have the requisite number of men to hold the class meeting study. I had a focus of this outreach in an issue of the weekly NM Conference News. I have visited several men’s groups. I have held monthly UMM Cabinet meetings with serving NM Conference UMM officers. I am still trying to reach the required number of men to schedule the class meeting studies. I participated in the virtual

Annual Conference of the NM United Methodist Church in June 2021. I virtually participated in the October 2021 meeting of the National Association of Conference Presidents (NACP), the annual meeting of conference presidents. (This NACP meeting was also supported by the GCUMM and the United Methodist Men's Foundation, UMMF). I have been supporting the weekly NY Conference UMM "Power of Prayer" virtual meeting.

WHERE DO WE GO FROM HERE?

I had planned to have an ongoing class meeting by this time. However, my computer was hacked in December; the computer files were so corrupted such that I had to buy a new computer and recreate the work I had done up to that point. I still have the goal to have a core of trained and disciplined Christian men to assist the church in Christian ministry. And, subject to health restrictions, I will continue to do so.

TO GO FURTHER

If there are NM Conference men who want to develop their faith and ministry through a commitment in a class meeting, they are encouraged to contact me at home at 505/897-0875 (if I do not answer, leave a message with contact information) or by E-mail at dr555price@msn.com.

United Women in Faith (formerly United Methodist Women)

Cheryll Felder, NM Conference President

2022 signifies a year of change for the former United Methodist Women. As we celebrated a history spanning 153 years, we leaped out on faith to face new horizons. Now known as the United Women in Faith we continue to put our love in action throughout the New Mexico Conference. We have a place for all whether you are a mature woman, young adult or college student. Join us in checking out our brand and who we are. We are asking pastors to spread the word to your congregations about the change. It's a perfect opportunity after being sequestered and limited for the past two years. It's a breath of fresh air blowing through the mountains of West Texas, Sacramento Mountains, the Sandias and the mountain ranges of the four corners of our conference. Won't you join the change!

As women of action, our commitment has not wavered during the COVID times. Many units found ways to serve in their communities, taking care of each other by checking in from a distance and calling. We continue the two mission institutions located in our conference, New Beginnings and McCurdy. Alice Fenton and Peggy Arensdorf represent United Women of Faith on the Boards of New Beginnings and McCurdy, respectfully. During our annual meeting, units donated items of need to New Beginnings. Transportation to New Beginnings was donated by the St. John's Unit. We have also donated money to provide water in the Four Corners area and donated masks. Our Conference focused on the Charter for Justice this year. We have held two Zoom webinars on Voting and Its Impact on Women, Children and Youth and Conversations on Race. As United Women in Faith we are committed to the work of racial justice for all. Please visit our website to learn more about the Charter for Racial Justice (<https://uwfaith.org/what-we-do/serve-and-advocate/racial-justice>). If you would like someone to speak to your church or unit, you may contact us at nmconferenceuwfaith@gmail.com

We are blessed to have a Board of Directors member representing the New Mexico Conference. Darryl Junes Joe serves as the Chair of the Board of Governance and has been actively involved in the transformation process.

INSTITUTIONS

Justice for Our Neighbors El Paso

Submitted by Deaconess Kristen Bowdre, Executive Director

Our Mission

JFON El Paso is a faith-based ministry providing affordable, high-quality immigration legal services and advocating for immigrants' rights in West Texas and Southern New Mexico.

2021 Accomplishments

JFON El Paso obtained our 501(c)3 status and joined the national JFON network in early 2021. Our Executive Director onboarded in June. We secured an office at Trinity-First United Methodist Church. We hired our first attorney, who onboarded in January of 2022.

Current Projects

JFON El Paso is currently offering free legal services through the El Paso Immigration Collaborative. This collaborative is a partnership among local non-profit legal service providers to serve migrants detained at the immigration detention centers in El Paso, Otero County, Cibola County, and Torrance County. We work to secure release for migrants detained at these four detention centers through submitting release requests, conducting sponsorship outreach, and offering representation for bond hearings.

We have a partnership with El Calvario Immigrant Advocacy Center to provide community-based legal services in Las Cruces and southern New Mexico, including Know Your Rights presentations and representation for work permits, DACA renewals, adjustment of status, and citizenship applications. At the time of writing this report, our attorney position for this partnership remains vacant.

Part of our mission is advocacy. We are currently coordinating a project to monitor court proceedings for migrants enrolled in the Migrant Protection Protocols (MPP), or Remain in Mexico Program. MPP is a policy that forces asylum seekers to remain in Mexico for the duration of their asylum claim. It was implemented for the second time in El Paso in December of 2021, and court hearings began in early January. We have 21 active court observers and have had at least one person observe every day court has been held since January 18th. We collect information about migrants registered in the program such as gender, nationality, if they have legal representation, if they express a fear of returning to Mexico, and how much time they are getting between court hearings to prepare their asylum claims. We are sharing this information with legal service providers, advocates, and the media to raise awareness about what is happening in MPP here in El Paso.

Part of our mission is to educate the broader community on issues that impact immigrants. Our Executive Director frequently speaks with church groups, student groups, and other community groups to raise awareness. We offered our first book study during lent. Together we read and discussed *The God Who Sees: Immigrants, the Bible, and the Journey to Belong* by Karen Gonzalez. We hope to offer more book studies in the future.

Lydia Patterson Institute

Dr. Socorro DeAnda, President

It is my distinct honor to submit my last report to your annual conference. After 37 years of service to the United Methodist Church and the most wonderful ministry of the United Methodist Church, Lydia Patterson Institute, I will be retiring effective May 31, 2022. On October 1, 1984, I set foot on the campus of La Lydia for the very first time, planning to serve for a very short while. That short while turned to 37 years. It took one chapel service and to see the dedication and sacrifices of the students for me to give up a life in the business world to answer God's call to a completely different one. One of investing in lives in place of investing in monetary benefits. After 37 years, and without doubt, I would accept the challenge again. I have dedicated these 37 years to the futures of the students with the same love and passion as the first day. It is my hope that I have honored God's calling and made a difference in the life of the students and the church. With bitter-sweet feelings, I wish to thank the Bishops and members of this conference for the support extended throughout my journey.

The past two years have been a test of faith and endurance at Lydia Patterson. We may have not seen the faces of our friends and supporters as we wished, but we have seen the face of God throughout the time of the pandemic. We can say that no member of our administration, faculty or staff lost their job, and no student was left behind without an education. We have moved back and forth from in-person teaching to on-line learning more times that I can recall, but the work was successfully accomplished. LPI has an amazing administration, faculty and staff unlike any other.

During these tumultuous times, we built a soccer practice field, renovated the gymnasium and added numerous extra activities for students to return to. We are in the process of renovating our chapel and replacing all the technology equipment, as well as adding a 6th grade making our school a grades 6 to 12 institution. We have ended the school years with the same enthusiasm, if not more, among our student body. In the past two years, amid a pandemic, all our graduated seniors are in college today.

With the support of our United Methodist churches, friends, and supporters, we have provided more scholarships for the students to keep them in school. The effect of the pandemic has been most devastating among our students and parents. For a long time, the border was closed to non-essentials, so parents could not meet with teachers, pay for their tuition or simply visit with the students. Becoming creative became essential as we introduced parents to zoom and credit cards. Providing our students, parents and our community with a site for COVID vaccines was our contribution to fight the pandemic.

I am honored that the Dr. Socorro de Anda Permanent Scholarship Endowment Fund has been established to provide scholarships for the LPI students, indefinitely. From the bottom of my heart, I wish to thank all those that contributed. Our students deserve it.

Going forward, Lydia Patterson is alive and vibrant. All left of this report is to thank all my friends of this conference and the number of Bishops that I have worked under. I offer my deep appreciation for walking with me, hand in hand, throughout my journey. Together, we have changed thousands of lives and formed many disciples of Jesus Christ. In the midst of the critical decisions facing the church, I would ask that you continue to support this ministry whose only purpose is to change the lives of the students. I would ask that whatever the direction of the church, that you see Lydia Patterson as, not

only a bridge between two countries and two cities, but a bridge that connects every Methodist in ministry.

In God's name, I bid farewell.

McCurdy Ministries Community Center

Sarah Allen, Director of Development/Church Relations

McCurdy Ministries Community Center (MMCC) continues to implement our vision to “create hope and empower the lives of children, youth, adults and families through education, life skills and faith-based programs in Española, NM.” We have continued our ministries in creative ways and are emerging from this time of needing to be very flexible strengthened by God's grace and your help! We alternated between live classrooms and virtual learning much of last year, shuttered some in-person programs, and developed new programs to meet the needs of our students and the Española Valley, as well as our faith and volunteer communities.

Our Project Cariño counselors have used Google Meet to do play, talk, and family therapy services for the last year. They have continued educational programs and support groups virtually. The upside has meant increased contact with parents and guardians which benefits our students. Their crisis intervention services have continued to save lives with your support. Learning materials have been developed for Peer Mediation and training is ready to begin. This project was the brainchild of one of our Social Work Interns.

Our McCurdy Schools of Northern New Mexico PreK staff alternated between live and virtual services for our preschoolers as the pandemic cases continued to fluctuate. Each week that the students needed to be at home, the staff created work packets for families to do with their preschooler. The staff conducted daily virtual sessions, consulted with families by ZOOM and phone, and sent out resources to parents by email. When the students are in person each child has a role in helping to teach and guide their fellow students. Whether they are pointing to the months on the calendar or guiding fellow students into lunch, each person is growing in their leadership and mentoring skills in our Pre-K class. Students have learned the Pledge of Allegiance and the New Mexico state song. They sing songs about letters of the alphabet, learning words with the sound and rhymes with other letters they have learned. From taking care of their pet fish, to putting up the blocks from play time, each child has a new special role each week that builds skills and strengthens self-confidence.

After School Care Program helps their students share their faith by providing activities that help students express their faith through art, song and learning about Jesus.

Camp Stars will return again this summer planning to provide 50 children with six weeks of Vacation Bible School combined with STEM learning. The theme is God's Wonder Lab where children will explore things that science makes possible and Jesus' miracles. Interactive experiments, fun arts and crafts, and great songs will complement the students' greater understanding of Jesus' compassion.

Many Individual Volunteers and Volunteers in Mission Teams have worked creatively to support our missions from afar by holding virtual mission trips, dedicating special offerings to our ministries, knitting hats and scarves for our students, utilizing our new Amazon gift registry to send needed supplies for our students without having to pay extra postage and sending notes of encouragement to our staff. We

thank you! We are reopening the campus to volunteers this summer and already have 15 teams planning to come from various parts of the country. For more information on our Virtual Missions go to our web page at <https://mccurdy.org/virtual-missions/> or make plans to bring a work team later this year.

We are continuing to send out weekly McCurdy Devotionals sharing thoughts Christ's great love and the ways God has been at work through our ministries. To receive this devotional by email please send a request to sallen@mccurdy.org.

Three years ago MMCC created a Public/Private Partnership to work with our county commissioners, state representatives, city officials, the New Mexico North Central Economic Development Department, and several area agencies and nonprofits to find ways to better strengthen MMCC to serve our community and region. We are moving forward with our vision for a "Live, Work, Educate and Recreate Planned Community" on campus. For more information on this partnership go to our website at www.mccurdy.org.

Celebrating 110 years of mission service: in October we will have a special celebration commemorating our 110 years of making a difference in the Española Valley. Plan to come and celebrate with us on Saturday October 29th. We couldn't have done it without the help of our loyal volunteers, UWF and Conference support and your prayers, gifts and guidance. Thank you.

For more information about McCurdy Ministries Community Center or to ask our staff to present a program at your church about our ministries please contact Sarah Allen, director of development/church relations, at 928-691-6471 or email her at sallen@mccurdy.org.

Methodist Children's Home

Trey Oakley, President/CEO

Greetings from Methodist Children's Home (MCH) and the more than 10,000 children, youth and families we have served this year. Thank you for your continued friendship through the New Mexico Annual Conference and for your support of our vision to empower all we serve to experience life to the fullest.

I invite each of you to visit our website at MCH.org. There you can download stories, identify resources, view a transparent listing of our financial resources and services delivered, find out how to refer a child for placement, or learn more about a call to join our ministry.

Your support provides the resources needed to offer the care, programs and talented individuals needed to positively impact the lives of those we serve through residential care on the Waco campus and Boys Ranch and through 13 MCH Family Outreach offices, including Las Cruces and Albuquerque, NM and El Paso, TX.

We are now in our 132nd year serving children, youth and families. Here are a few highlights of the past year:

- We launched the "Together We Flourish" initiative designed to maximize and steward our resources for ministry through collective impact, generosity and support in order to achieve the MCH vision and mission in a greater way. In MCH Family Outreach office locations we invested

organizational dollars in local food banks and ministries feeding youth or families in the community. This initiative will guide us as we seek out collaborations with other organizations and strengthen the cohesion between our ministry programs.

- Plans are underway to expand our ministry further by adding a 14th MCH Family Outreach office in the Permian Basin area of West Texas. We have completed thorough feasibility studies and have already begun investing in this region through Trust-Based Relational Intervention (TBRI) trainings. We look forward to further serving children, youth and families of these communities.
- The Outdoor Education program expanded beyond just providing engaging activities for our youth. Focusing on nurturing a culture of learning, the program provides opportunities for groups outside of MCH to receive training and learning through recreation from MCH staff.
- We opened four new state-of-the-art homes on the Waco campus through the Building Hope capital campaign. These homes, situated around the Harrell Memorial Chapel, include the Tim and Susan Brown Home, the Good Shepherd Home, the Legacy Home, and the Willie Mae Lee and John Marshall Tyler Home.
- Through a partnership with One Heart Project, MCH youth in the residential and aftercare programs are receiving holistic, evidenced-based mentoring. This partnership aligns with initiatives outlined in our strategic plan to develop collaborations and create a robust mentoring program.
- We supported many MCH alumni through our Advanced Education, After Care Services and Independent Living programs as they pursued higher education or entered the workforce. We are proud of these young men and women who showed perseverance during a challenging year marked by school and work closures and other challenges of the pandemic.
- Youth in residential care and day students enjoyed a summer full of camps, field trips, community service, and personal enrichment. Summer is a great time for MCH youth to grow, serve and enjoy special events.
- The MCH Bulldogs six-man football team enjoyed a strong season that saw them play in the state championship game of the Texas Christian Athletic Fellowship.
- The generosity of wonderful churches and donors allowed the Harrell Memorial Chapel on the Waco campus to receive much-needed updates and restoration. In addition, an outdoor worship space and prayer labyrinth was built adjacent to the chapel. This renovation and the addition of the labyrinth further enhances an already vibrant spiritual development program for our residents.

Our achievements in the past and those yet to come are directly related to the men and women who give their time, talents and resources to bless our children. The following from the New Mexico Annual Conference serve on the MCH Board of Directors:

Dr. Dennis Gill, Los Alamos, NM

Mr. Steve Wilson, El Paso, TX

We are committed to utilizing every gift and talent God has blessed this ministry with to make an even greater impact in the lives of those who need our services. May God continue to bless MCH and the ministries of the New Mexico Annual Conference.

New Mexico Conference of Churches

Lynne Hinton, Conference Director

Greetings to you, Bishop Schnase and members of the New Mexico Annual Conference of the United Methodist Church! I am happy to share with you the report of the NM Conference of Churches, where our mission is “heeding Jesus’ call to strive for unity, justice, peace, and the integrity of creation, we are a people of faith ministering to bring healing and hope to New Mexico.”

My friends, I am so happy to be working for the NM Conference of Churches. I realize with each passing day how much I love meeting faith leaders, being able to participate in social justice initiatives, create opportunities for ecumenical services, speaking to groups, finding ways to serve in the community and state, and continuing to get to build relationships with members of faith communities.

For over fifty years, NMCC has been working in New Mexico to create opportunities for ecumenical worship and education, end poverty, speak to legislators in support of bills to assist those on the margins, and support and encourage local faith leaders and faith communities. We have fourteen judicatory members of our Conference, including the NM Annual Conference of the United Methodist Church. In addition to these significant relationships, we also partner with Church Women United, NM Lutheran Advocacy Ministry, and Ecumenical Institute for Ministry as well as NM Interfaith Power and Light, Bread for the World, and NM Pilgrimage for Unity. We have served as the fiduciary partner for outstanding nonprofits including Albuquerque Faithworks, Interfaith Hunger Coalition, and NM Committee to Repeal the Death Penalty.

Since coming into the position as Conference Director of NMCC in July, 2021, we have been working on legislative action to reduce predatory lending, end climate change, secure voting rights, and review prison reform. We have hired a new staff member, Rev. Humberto Tinsman, to facilitate ecumenical opportunities for worship and service among young adults across our state. We have provided an Advent Retreat and will provide a spiritual retreat during Lent, 2022. We are planning another Winter Talk 2023, an opportunity to hear from our indigenous brothers and sisters and to learn more about the Doctrine of Discovery and white privilege. We co-sponsored the Week of Prayer and Pilgrimage for Christian Unity with the Diocese of Santa Fe and the NM Pilgrimage for Unity and look forward to offering a service of memory for those who have died from Covid across our state.

I am excited about our future, about the ways we can support and encourage faith leaders and members of faith communities, about the ways we continue to move toward each other and not away from each other, about the ways we widen our table of hospitality. God is good and I am honored to serve with you and others as we seek to love and serve God by loving and serving our neighbors.

Providence Place

Judith Bell, President and CEO

On behalf of our Board of Directors, staff, and those on our campus who are working hard to achieve their own personal level of success, I thank you – Bishop and the members of the New Mexico Annual Conference – for your dedication in partnership with the ministry of Providence Place. By God's grace, we are celebrating our 126th anniversary this year thanks to the committed support from individual donors and United Methodist Churches. We have been able to be a blessing to those around us for well over a century, and we couldn't have done it without you.

Providence Place provides a safe haven for those who have felt excluded and we have dedicated our new programs to serving vulnerable women, young children and families in need. We still offer adoption services to women who are facing an unplanned pregnancy, as well as those who are looking to open their hearts and homes to a child in need of a forever family. We have expanded our Parenting with a Purpose program to serve over 4000 parents and children each year, offering free diapers, formula and counseling to help keep families strong.

My Mariposa Home, our 18-month residential and outreach program for survivors of trafficking, sexual and domestic violence is in its third year and going strong. During the COVID-19 pandemic, we have opened several new programs for young women, including our Supervised Independent Living residential program for young women aging out of foster care and a short-term homeless shelter for young adults.

What makes our programs unique is our ability to serve women using a trauma informed care model and all of our programs can serve women who are pregnant or have a young child under three years old. This commitment to women and families started with our founder, Madame Volino, when she first sought help from Travis Methodist Church in San Antonio and changed her life from a brothel owner to a sanctuary for women and young children in need. During all these years, we are so grateful to the Methodist churches and congregations for their support and we continue to strive to do God's work with your support and assistance.

I encourage you to schedule a tour of our beautiful 25-acre campus, coordinate a volunteer mission trip, arrange a speaker for your congregation or church group, and request offering materials for an annual church offering. We couldn't continue these ministries without you and we would love to come and share the stories of Providence Place! If we could be a resource to you, contact our Mission Advancement Team at (210) 696-2410 or at mission.advancement@provplace.org. Also, please visit our website at www.provplace.org to learn more about these special ministries and to hear first-hand stories from those we have served.

Sacramento Camp and Conference Center

"Come to the Mountain! Let God Refresh Your Soul!"

info@sacramentocamp.org

www.sacramentocamp.org

The steadfast love of the Lord never ceases; his mercies never come to an end; they are new every morning; great is your faithfulness.

Lamentations 3:22-23

Pandemic Impact:

In 2021 Sacramento was blessed to have restrictions slightly lifted allowing us to continue in ministry on a limited basis. For those who got to come to the mountain, it was a time of great renewal and revitalization of their souls. The Pandemic disrupted life as we knew it and proved to be devastating on many fronts including our hearts and souls. With many churches transitioning to online services and support groups canceled, many people suffered internally. This is best illustrated by these statistics from young adults from KFF: Depression increased by 56%, Substance abuse increased by 25%, and suicidal ideations increased by 26%. In a time when we needed the Church most, it has never been so unreachable. It is for this reason that the little bit of ministry we provided was so impactful to the ones we served.

We at Sacramento never cease to be amazed at the provisions God bestows upon us. The numbers are just coming out, but during the pandemic, 62% of camps closed resulting in \$16 Billion dollars of lost revenue and 19.5 million youth who missed out on the camping experience. Unfortunately, many of the camps will not be reopening. We are still here as a direct result of His mercies. These mercies come largely in way of support from the conference, grants, and donors who continue to love on us.

Celebration of the Ministry:

In 2021 we focused on ministering to families as they were able to use our facilities without too many restrictions. We were able to minister to 968 family members who came as organized groups with the intention of building the family. Additionally, we served many people who came as individual family units.

Due to Covid restrictions, our Board and the Conference deemed it not possible to have conference camps again in 2021. However, some groups held their own small retreats as a way to focus on the youth of their communities. These events were a huge success and contributed to the highest Christ acceptance rates we have seen in a long time. Praise God!

Statistically, the Conference more than doubled its usage of Sacramento from 2020 making up 21% of our users in 2021. This makes the second year that Methodist usage was not our biggest user which is a direct result of not having summer camps. Our military guests were the second-largest users at 17%. It has been wonderful to see how God has used Sacramento to bless those that serve our country. Compared to 2020, we had more guests that stayed longer. Compared to 2020 in 2021, we doubled the number of guests we served and each of these guests stayed on average 1.75 days longer.

As part of our ministry, we wish to excite your soul through first-class activity options. Playtime is vital to the health of youth and families. This is why we strive to provide the very best of playtime activities in the industry. In 2021 we were able to enrich souls by facilitating 7261 people through a high adventure activity.

Family Life Center (FLC):

The 1st building of FLC is completed and paid for! This building sleeps 70 and has 3 meeting rooms. It was a huge success and amazing addition to camp. Now, we look forward to fundraising and building the next phase, the Worship Center. This next phase will cost us an additional 1.5 million so please keep us in your prayers as we seek funding for this project which is vital to the continued success of Sacramento!

Staffing:

We have seen a changing of the guards here at Sacramento and I have personally taken much joy in revisiting the leadership transition and associated dynamics which took place as the Israelites crossed over into the Promised Land. Further, I have been greatly encouraged by each of you. Staffing is an issue for much of the Country and it is no different for us. But God is good and he continues to take care of us. The staff we have are committed to the ministry and work here because they know that this is a lifestyle and not a job. For this reason, Sacramento continues to pour into the lives of everyone who comes to the mountain!

2022:

As we dive into 2022 much excitement fills the air. WE GET TO HAVE CAMP AGAIN! Registration opened March 15th at midnight and by 8 am we had 23 registrations! Help us have a great year as we strive to serve you. See you at Camp!

Another year of COVID has provided great opportunity for improvement and innovation amid a landscape of grief and loss. To fully support and encourage the church leaders in this time, TMF expanded ministries, strengthened relationships with those we serve, and invested in innovation.

Scott Sharp, TMF Senior Area Representative for the New Mexico Conference, is the primary contact and bridge between congregations (clergy and laity) and TMF. As a partner in ministry, he connects members of the New Mexico Conference to relevant resources unique to their goals for missional growth within congregations and communities.

TMF, headquartered in Austin, serves United Methodist individuals, churches, and agencies within the six annual conferences in Texas and New Mexico. We appreciate the opportunity to report some of the ways we served United Methodists last year.

Within the New Mexico Conference:

- Loans to churches in the New Mexico Conference totaled \$5.49 million at the end of 2021.
- Churches and agencies, not including individuals, within the New Mexico Conference had \$1.4 million invested in the Methodist Loan Fund.

Throughout Texas and New Mexico:

- As of December 31, 2021, **total assets** under management by TMF were \$734.9 million.
- **Methodist Loan Fund investments** ended the year at \$273 million, and our loan portfolio at \$288 million.
- **Total gifts** to TMF's ministries equaled \$1,070,113.51. This includes gifts to Leadership Ministry, Grants, and TMF's undesignated endowment.
- Total gifts to TMF for the benefit of others was nearly \$1.3 million. This includes all planned giving (Endowments, Charitable Gift Annuities, Trusts, Donor Advised Funds).
- In 2021, the TMF **Grants Ministry funded approximately \$2.8 million in support of 104 grant awards** to churches and nonprofits. Of that total, TMF granted \$2.3 million from its restricted permanent endowment funds, and the remainder from its operating budget. Also, TMF's Grants Committee awarded over \$73,000 in emergency relief grants from a temporary COVID-19 Emergency Relief Fund.

The Grants Committee of the TMF Board of Directors determines distribution decisions for discretionary funds.

- In 2021 the TMF Executive Committee approved special board-designated distributions. These funds were used to help churches and other qualified nonprofits after Winter Storm Uri in February 2021 as well as those still struggling with the COVID-19 pandemic. The TMF Board granted **\$386,750 to 80 organizations** through this initiative.
- TMF's Leadership Ministry works to equip leaders for deep change through facilitating conversations of courage, learning, and innovation. Some of these conversations take the form of on-going peer groups and others as stand-alone conversations around an adaptive issue. These peer relationships offer fresh perspectives, renew their sense of calling and embolden them for courageous leadership. During the past year, TMF's cohorts incorporated both online and on-site gatherings, as the world began to open again. As every church is facing the challenges and opportunities offered with online ministry, TMF's Leadership Ministry launched a learning project to explore what online space makes possible for spiritual formation. **During 2021, Leadership Ministry also launched its Igniting Imagination podcast, hosted by Lisa Greenwood, and its Courageous Congregations Collaborative (C3) initiative, directed by Blair Thompson-White. Conversations with leaders at every level of the church have reinforced the need for the church to exercise five adaptive muscles in order to be fit, agile and ready for where God is leading.** Those muscles are grieving well, discerning purpose, walking alongside, distributing power, and expanding imagination. Learn more about Leadership Ministry at tmf-fdn.org/leadership-ministry.
- Fueled by the desire to encourage and support, the TMF team of Area Representatives has continued to remain steadfast and loyal to those they serve. As walk-beside partners in ministry, **the Area Representative team equips and empowers faith communities as they live into their God-appointed mission.** Though grounded by the pandemic, the eight representatives, who normally travel Texas and New Mexico, making over 2500 visits, embraced flexibility and found a way to pivot. A pivot leading to the nurturing of deeper relationships and the provision of much needed resources and services. All within the virtual space. By providing financial best practices, cultivating legacy generosity plans, and inspiring cultures of generosity the improvement work flourished. Churches who desired to nurture purpose and innovation leaned on the process of discernment guided by this question, "What difference is God calling us to make in this time and in this place?" Engaging both informal conversation and contracted services church leadership used Holy Conversations (4-6 months with a team of 7-9) and Holy Excavations (half-day workshop with 20-25 people).

TMF Board members

TMF Board members previously elected by the New Mexico Conference include:

You are the light of the world. A city on top of a hill can't be hidden. —Matthew 5:14 (CEB)

This year, The United Methodist Church marks 30 years of vibrant, transformative ministry through Africa University. Thank you, New Mexico Conference, for your faithfulness and generosity in bringing the dream of Africa University (AU) to life.

In celebrating its 30th anniversary, Africa University is honoring the past and looking to the future, while remaining true to its mission as the cornerstone ministry for United Methodist-related leadership development in Africa.

From the first conversations in 1984 to formal approval at the General Conference in 1988, the planting of Africa University required vision, faith, and bold action in the face of predictions that it could never succeed. Africa University found advocates and friends in New Mexico, across the denomination, and beyond. The “Dream is Alive” was the rallying cry in March 1992 as the first class, comprised of 40 students from six African countries, began lectures in repurposed buildings.

Africa University’s journey from day one to the present is a shared story of being salt and light. Africa University is a New Mexico Conference story—of a uniting, United Methodist dream come true—that restores hope, equips, and sends forth young leaders to shape an abundant life for themselves and for the communities they serve.

Much like the year that preceded it, 2021 affirmed that God’s grace is sufficient in all circumstances. Africa University is grateful to the New Mexico Conference for investing 68.23 percent of its budget commitment to the Africa University Fund (AUF) in 2021. Thank you for graciously ensuring access to a lifechanging higher education experience for students at Africa University, especially those who are unable to fund a college education on their own!

In January 2021, the students, faculty and staff grappled with the sudden death of Africa University Vice Chancellor, Dr. Munashe Furusa. As the year unfolded, national lockdowns continued to restrict travel and damage livelihoods. Unable to be together on campus, the students, faculty, and staff grieved, pivoted, supported, and encouraged each other, and persevered.

Against the backdrop of a global pandemic, Africa University harnessed new opportunities for missional engagement in 2021. The year’s highlights include:

- **Effective online-only teaching, learning and student assessment:** About 99 percent of students participated in online learning. Enrollment held steady at 3,060 students and more than 500 graduates from 24 African countries were awarded degrees in July 2021.
- **The installation of AU’s fifth Chancellor:** Bishop Gaspar João Domingos of the Western Angola Episcopal Area was elected Chancellor following the death of Bishop John K. Yambasu of Sierra Leone.

- **Research and community service:**

- AU researchers received US\$2 million in funding for regional initiatives to eradicate malaria, tuberculosis and other communicable diseases.
- AU's students and graduates led, and showed their love of neighbor, with initiatives to feed hungry families, care for the environment, and improve the quality of life of legally blind parents and their children.
- AU received the 2021 Jairos Jiri Humanitarian Award from the Government of Zimbabwe for its pandemic impact mitigation efforts.

Thank you, New Mexico Conference United Methodists, for letting your light shine for young women and men who would otherwise be left on the sidelines. "A city on top of a hill can't be hidden". Similarly, AU's current students and its more than 10,000 graduates to date are that metaphor made real. Continue to walk alongside these young people, New Mexico Conference, as they hone their abilities, live fully into their God-given purpose, and join in the work of making disciples of Jesus Christ for the transformation of the world.

Candler School of Theology

Mary Lee Hardin Willard, Dean and Professor of Christianity and World Politics

Since 1914, **Candler School of Theology at Emory University** has lived into our mission, educating faithful and creative leaders for the church’s ministries throughout the world. This year, as we leaned into this critical work and continued to adapt to a world changed by the coronavirus pandemic, we imagined new possibilities for students who are called by God to pursue serious theological study and preparation for ministry. For some, opening avenues to graduate theological education requires moving financial obstacles, and for others, geography or family responsibilities may be the barriers. Candler is committed to assisting students in removing these barriers and opening new pathways to ministry.

An official seminary of The United Methodist Church, Candler holds true to the Methodist value of ecumenical openness, enthusiastically welcoming students from 43 denominations, with 45% of MDiv students coming from the Wesleyan tradition. Our student body reflects the diversity and breadth of the Christian faithful, with an enrollment of 466 from 16 countries and 38 states, 45% persons of color (U.S.), and a median age of 28 among MDivs. This diversity is a blessing, enriching our students and our larger community and providing a “learning laboratory” for ministry in the 21st century—ministry that reaches across difference, works to resolve injustice, and embodies Christ’s love in and among us.

Candler offers six single degrees (MDiv, MTS, MRL MRPL, ThM, DMin) and ten dual degrees. Our DMin is 90% online, so students can remain in their places of ministry while earning their degrees. Its high 87% completion rate illustrates both the quality of our students and Candler’s commitment to their success. This year, we increased online offerings in other degrees as well. Now students can complete the Master of Religion and Public Life completely online; the Master of Religious Leadership with concentrations in Youth Ministry, Justice, Peacebuilding and Conflict Transformation, or Wesleyan Leadership and Heritage in a hybrid format; and MDiv students can complete core classes online. Plus, our new Remote Teaching Parish (RTP) program allows MDiv students who have jobs in ecclesial settings far from our

Atlanta campus to take core classes online and complete their contextual education requirements at their place of ministry, participating in mentor-led online groups with other RTP students.

Alleviating student debt through generous financial aid is a top priority. In 2020-2021, we awarded more than \$6.8 million in financial aid, with 100% of MDiv and 98.5% of all students receiving support. All MDiv students who are certified candidates for ordained ministry in the UMC receive full-tuition scholarships, and all MDiv, MTS, MRL, and ThM students who are enrolled part-time or more receive a scholarship covering at least 50% of tuition for the length of their program.

Hundreds of laity and theology students alike have joined in classes and events offered through The Candler Foundry, our innovative program to make theological education accessible to all. Through short and semester-length courses taught by Candler faculty, videos and discussion guides to spark conversation in groups or one-on-one, and online panel discussions, those who want to delve more deeply into theology and the Bible have the chance to do just that. View the latest offerings at candlerfoundry.emory.edu.

Associate Dean of Methodist Studies the Rev. Dr. Anne Burkholder will retire from Candler at the end of the 2021-22 academic year. We are grateful to God for her energetic and skillful leadership in this vital area as she strengthened the connection between our students and conferences throughout the UMC, mentoring them as they discerned their call and navigated the ordination process.

Candler's ability to fulfill our mission to provide the church with the faithful and creative leaders it needs depends upon your prayers, partnership, and support. Thank you for the countless ways you advance this essential ministry in the life of our denomination. We invite you to visit us online at candler.emory.edu.

Drew University Theological School

Melanie Johnson-DeBaufre, Interim Dean

In spring and fall of 2021, Drew Theological School began returning to its Madison, New Jersey, campus for some classes, meetings, and worship. As with many churches, in person events were held in spaces equipped for live-streaming or Zoom participation. The shift to remote learning during COVID-19 pandemic thus significantly expanded our online course offerings and accessible community events. Now, a number of students in Drew's masters' programs will progress through their programs in U.S. and global locations far from New Jersey. This year, we welcomed 150 new students, again the largest class in a decade, and have a current enrollment of 376 students.

Drew cultivates pastors, preachers, deacons, activists, teachers, and thought leaders who are taking their place as the next generation of faith leaders and change agents. Diversity is a hallmark of our student body, including theological, vocational, age, and especially racial and national diversity both international--Asian, African, and South American and U.S.--black, white, Latinx, and Asian American--students. Our student body is truly global, with 35% of students from 21 different countries. For the first time in its history, Drew has an African student association, initiated by Drew Theological School students from 14 African countries, that is already contributing richly to the Drew community both on campus and online. We have welcomed new faculty in Latinx ministries and world Christianity. We have also seen an increase in United Methodist students particularly interested in the school's Gospel-inspired traditions of social justice advocacy and widely inclusive ministry. We are proud that many United Methodist Global Fellows have recently chosen to continue their journey in ministry at Drew. Our

UMC graduates are serving in Greater New Jersey, Eastern Pennsylvania, and New York conferences as well as conferences across the country.

The faculty is committed to continuing to develop the curriculum in ways that take seriously the wide range of lived experience and calls to ministry of the students that gather in our global classrooms. All degree programs at the Theological School include interdisciplinary courses that demand out-of-the-box thinking, apprenticeship training that addresses real-world issues, and modes of learning that promote adaptability and innovation. Our MDiv and MATM degrees include a required gateway year, vocational pathways, and experiential learning that develops and deepens adaptive leadership skills. The curriculum features a team-designed and taught interdisciplinary sequence of core courses reflecting the integration of the theological disciplines and practices characteristic of the life of faith. The faculty have also articulated shared values that are infused across the teaching and learning at Drew: a commitment to anti-racism; gender and sexual-identity equality; eco-sustainability and environmental justice; and interfaith understanding and cooperation.

Duke Divinity School

Edgardo Colón-Emeric, Dean

Edgardo Colón-Emeric, the Irene and William McCutchen Associate Professor of Theology and Reconciliation and director of the Center for Reconciliation, began his two-year term as the dean of Duke Divinity School on July 1. Colón-Emeric earned both his M.Div. and Ph.D. from Duke and has been a member of the faculty since 2008. He has served as the director for the Hispanic House of Studies and as the director for the Center for Reconciliation (CFR). An ordained elder in the North Carolina Annual Conference, he directs the Central American Methodist Course of Study and the Peru Theological Initiative and serves on the United Methodist Committee on Faith and Order and on both national and international Methodist-Catholic dialogues. He is the first Latino dean of the school.

This year the school launched several new programs to provide support for current and future students. A partnership with North Carolina Wesleyan College will enable qualified undergraduates to take master's level courses at Duke Divinity School beginning in 2022. The Duke Accelerated Pastoral Formation Program offers select undergraduates the option to begin coursework toward Duke's Hybrid M.Div. or Master of Arts in Christian Practice (M.A.) degree programs while completing their baccalaureate degree. Funded by the support of the Kern Family Foundation, the Accelerated Program will help students lower educational debt and accelerate their timeline to engaging the field of ministry. In the spring the school launched the Asian House of Studies, a formational community that will support Asian and Asian-American students; build a network of Asian and Asian-American students, alumni, and church leaders; and provide resources for Asian theological studies. Asian House of Studies is under the leadership of Sangwoo Kim, senior director of the Methodist House of Studies, and Jung Choi, senior director of Wesleyan Formation Initiatives.

Three new certificates were approved this year, and all can be earned as part of the residential M.Div., Hybrid M.Div., M.T.S., and M.A. degree programs. The Certificate in Methodist/Wesleyan Studies is aimed at pan-Methodist/Wesleyan students who want to engage in robust and intentional training in Wesleyan theology and spiritual practice in preparation for leadership positions in Methodist and Wesleyan organizations and churches, such as the United Methodist Church, AME Church, AME Zion Church, and Korean Methodist Church. In the Certificate in Latinx Studies, students will practice and hone skills for ministry while becoming part of a learning community that is committed to

Hispanic/Latinx communities and seeks to learn from Hispanic/Latinx traditions and cultures. The Certificate in Worship is designed to prepare Duke Divinity students to engage in practical formation and theoretical reflection on the worship of God in Christian congregations.

In January, the school announced 12 full-tuition fellowships to support incoming residential Master of Divinity degree program students who pursue a certificate in Black Church Studies or Latinx Studies. In addition to providing full-tuition scholarships, the [Black Church Studies and Latinx Studies Fellowships](#) provide vocationally specific formation and mentoring opportunities for the fellows and up to \$24,000 in stipend support and internship opportunities through the Office of Field Education. The fellowships begin in the fall of 2022.

The Office of Wesleyan Engagement announced the “Rediscovering the Heart of Methodism” project. This project is a missional initiative of the Divinity School with the support of the Kern Family Foundation. It seeks to nurture innovative leadership within the Wesleyan tradition as a constructive and hope-filled response to a turbulent ecclesial landscape.

Supported by a gift from the Duke Endowment, the school launched To Heal the Wounded Soul, a project to strengthen Wesleyan pastors in the Carolinas who are Black, Indigenous, or people of color, including from the AME, AME Zion, CME, and UMC churches. Led by the Office of Black Church Studies and the Clergy Health Initiative To Heal the Wounded Soul will develop peer networks, support groups, and retreats to address the specific mental, emotional, and spiritual needs of this community.

This academic year Duke Divinity School welcomed the largest incoming class in the school’s history, with 259 new students from 31 different states and five other countries. Enrollment in the M.Div. degree program jumped to 133 students. The growth was driven by the first cohort of 52 Hybrid M.Div. students. The Doctor of Ministry (D.Min.) welcomed 36 students, the Master of Theological Studies (M.T.S.) gained 33, and the M.A. saw 17 new students. The Master of Theology (Th.M.) enrolled 12 students, and the Doctor of Theology (Th.D.) enrolled seven new students. The Certificate in Theology and Health Care welcomed five residential students to campus and 14 students in the hybrid version. Across all degree programs at the Divinity School, 32 percent of the incoming class identified as a race or ethnicity other than white. Black students made up 18 percent of all students; Latinx students, six percent; Asian students, two percent; and American Indian students, two percent. Women made up 47 percent of incoming students across all programs.

Three new faculty members joined the faculty in 2021. Polly Ha is an Associate Professor of the History of Christianity whose work focuses on the history of Christianity and the construction of diverse confessional and ecclesiastical traditions in the Reformation and post-Reformation world. Ronald K. Rittgers is the Duke Divinity School Chair in Lutheran Studies and Professor of the History of Christianity, and his research interests include the religious, intellectual, social, and cultural history of medieval and early modern/Reformation Europe, focusing especially on the history of theology and devotion. Daniel Castelo, William Kellon Quick Professor of Theology and Methodist Studies, taught intensive Wesleyan theology courses in Mexico, Honduras, and Brazil, and then took a teaching post at a Mexican seminary for three years. He has been an active participant in the Central American Methodist Course of Study program and recently has served as a doctoral mentor for the Hispanic Theological Initiative.

McMurry University

S. 14th & Sayles Blvd., McMurry Station, Abilene, TX 79697

(325) 793-3800 www.mcm.edu

Dr. Sandra S. Harper, President

McMurry has always been a place people call home, and the past few years have demonstrated how important it is for McMurry to remain a place of steadfast optimism and achievement. Students look to us to rise above challenges – to both teach and live what it means to be a servant leader and a light to the community and the world beyond.

This steadfastness is evident as we anticipate and plan our Centennial Celebration. Over the past 99 years of education at McMurry, generations of students, faculty and staff have viewed McMurry as their North Star. We are always working to make McMurry a place where students thrive and our plans to re-imagine the campus center symbolize McMurry's momentum and strength as we approach our Second Century of education. The Shirley L. and Mildred Garrison Campus Center, which opened in 1979, will soon be expanded by almost 20,000 square feet. The \$21 million project will add spaces for student gatherings and community outreach, fitness and dining services, a student success suite, spiritual life suite and more.

McMurry's successes this past year include:

- Receiving a \$2 million challenge grant from the Mabee Foundation to support the Campus Center re-imagination;
- Increasing enrollment by 4.8% for the Fall 2021 semester, rivaling pre-pandemic numbers;
- Approving three new majors for 2022: Engineering Physics, Public Health and the return of Communication Studies;
- Forgiving \$1,215,000 of unpaid student account balances via funding awarded as part of the American Rescue Plan and designated as Higher Education Emergency Relief Funds (ARP HEERF III);
- Claiming the Men's and Women's track & field team American Southwest Conference (ASC) Championships in April 2021 and the Women's Cross-Country ASC Championship in Fall 2021. Religious and spiritual life highlights have been equally vibrant, including:
- McMurry's hosting of a virtual visit by the United Methodist Church (UMC) University Senate Visiting Team to review our UMC affiliation. After meeting with faculty, staff, students and valued community members, the UMC team recommended McMurry's approval for listing as affiliated with the United Methodist Church without qualification. This designation will remain in effect through 2030. McMurry's relaunch of the Cross & Flame awards. The 2019 recognition was awarded posthumously to Emily Shoemaker '51 of Clyde, Texas and The Office of Religious and Spiritual Life was nominated for the 2021 award by the New Mexico and Northwest Texas Conference churches
- A seminary tour of Princeton Theological Seminary, the Drew Theological School, Wesley Theological Seminary, Boston School of Theology and Harvard Divinity School by our assistant chaplain and three students. As a result of the tour, two McMurry graduates in Christian Ministry received full financial support for advanced religious education.

Looking ahead, McMurry's community remains strong and committed. We rely on each other to be both open and resolute about what is needed to be successful and for students to thrive. This longstanding

bond has underscored our success during good times and bad – and will sustain our mission as we navigate through the post-pandemic era, McMurry’s Centennial, and beyond.

Perkins School of Theology

Craig C. Hill, Dean and Professor of New Testament

Perkins celebrates our vital connections with the New Mexico Annual Conference of The United Methodist Church.

- One (1) student affiliated with the New Mexico Annual Conference is enrolled at Perkins, a Master of Divinity student.
- During the 2021-22 academic year, 1 student from the New Mexico Annual Conference received funding from the PACE (Perkins Annual Conference Endowment) grant, with a financial aid award totaling \$2,661.

Enrollment Update

Enrollment at Perkins for the 2021-22 academic year totaled 318 students. The hybrid Houston-Galveston Extension Program, in its fourth year of providing a combination of online and residential classes leading to the M.Div. and M.A.M. degrees, totaled 104 students during the 2021-22 academic year.

Institutional Highlights

- Based upon feedback from the SMU community during the fall 2021 semester, Dr. Craig Hill, Dean of Perkins School of Theology, received a five-year extension on his contract. Faculty and staff respondents expressed appreciation for Dean Hill’s leadership, and his decanal peers value the collegiality and insights he brings to their deliberations – most recently with regards to workload procedures.
- Bridwell Library was named the recipient of the collections of the recently closed World Methodist Council Museum in Lake Junaluska, N.C. This acquisition brings one of the world’s largest collections of historical items related to John Wesley, founder of Methodism, to an institution that counts among its faculty two world-renown Wesley Scholars in Drs. Ted Campbell and Rebekah Miles.
- In February 2022, Perkins received a \$2.7 million grant from the Eula Mae and John Baugh Foundation to fund scholarship for students in the school’s Baptist House of Studies. Approximately 10 students will be admitted annually during the three-year grant period as a cohort of Baugh Scholars, with funding to cover the full costs of tuition and fees for the duration of each student’s degree program.
- The Association of Theological Schools/The Commission on Accrediting announced in February 2022 that it has approved Perkins’ application to offer Doctor of Ministry coursework at Houston Methodist Hospital as part of the school’s Houston-Galveston program.
- In May 2021, Perkins faculty approved a proposal to launch of the Black/Africana Church Studies Program, to be directed by Dr. Tamara Lewis. The BACS program will offer a range of opportunities and activities designed to enrich the educational, cultural, and communal experiences of Black students at Perkins School of Theology and the Graduate Program in Religious Studies (GPRS) as well as the broader SMU community.

- The 2022 Bolin Family Scholarship Luncheon took place on March 17, with funds raised from the event designated entirely to scholarships for the Black/Africa Church Studies program and its students.
- A strategic reimagining of Hispanic education is currently underway. A Task Force on Latinx/Hispanic Ministries is co-chaired by Bishop Cynthia Harvey and Dr. Hugo Magallanes, Associate Dean of Academic Affairs at Perkins; also included in this group are Hispanic leaders, Perkins students, three additional United Methodist bishops and the General Secretary of the United Methodist General Board of Higher Education and Ministry.
- Dr. Rebekah Miles is chairing Perkins' Curriculum Review Committee. This group is seeking student, faculty and alumni feedback as it shapes the programmatic course of study for Perkins students.
- Perkins has engaged with Direct Development, a strategic marketing and student recruitment firm, to enhance the school's digital marketing strategy surrounding student recruitment. Specifically, the objectives of this initiative are to attract more prospects to the Perkins website, generate more inquiries from these prospects, convert more prospects to applicants and generate more enrolled students.
- Bridwell Library reopened in August 2021 following two years of extensive renovations. One of eight libraries on the SMU campus, Bridwell was built in 1951 and underwent renovations twice before, in 1972 and in 1989. The latest \$6.1 million renovation began in May 2019.
- A new course in Digitally Mediated Ministry, launched during the pandemic, has become part of Perkins' academic curriculum. As part of this effort, a new Digitally Mediated Ministries Lab opened in January that allows students to acquire proficiency in digital media.
- Five Community Worship services from Perkins Chapel are scheduled to be live-streamed as a way to broaden the audience outreach and further connect Perkins with its Houston-Galveston program and the school's alumni around the world.
- In January 2022, Perkins launched a new Certification in Practical Ministry designed for church staff, laity and students looking to enhance their practical skills and knowledge. Students will complete five graduate-level, two-hour noncredit courses: three required courses — Engaging Theology, Engaging the Bible and either Adaptive Leadership or, for those seeking UM certification, United Methodist Studies — as well as two courses in a chosen area of specialization.
- Nancy Seay and Lisa Tichenor, both of Dallas, were honored as 2021 recipients of the Woodrow B. Seals Laity Award during a virtual reception. The award is presented annually to a layperson in the United States who embodies the Christian faith and commitment of service to Christ in the church, community and world as exemplified by Judge Woodrow B. Seals.
- Dr. Evelyn Parker, who received her Master of Religious Education degree from Perkins in 1991, was selected the 2021 Perkins Distinguished Alumna award recipient. She will be honored along with the 2020 recipients — Rev. Don Underwood and Rev. Dr. Sidney G. Hall — at an on-campus reception in November 2022. To nominate alumni/ae for the 2022 award, visit <http://perkins.smu.edu>
- We mourn the passing of Rev. Dr. William J. "Billy" Abraham, Professor *Emeritus* of Wesley Studies at Perkins, who died suddenly on Oct. 7, 2021. Dr. Abraham joined the Perkins faculty in 1985 and was the Albert Cook Outler Professor of Wesley Studies from 1995 until his retirement in 2021.
- Ten churches within a 350-mile radius of Dallas were selected for the initial Testimony HQ cohort, a Lilly Endowment-funded initiative at Perkins to develop thriving congregations through the practice of testimony and community engagement.

The highlights listed above are reflective of the vibrant engagement of Perkins faculty, staff and students. Perkins School of Theology is committed to those called to serve so that they might be empowered to lead. Our mission is to equip persons for faithful leadership and Christian ministry in a changing church and society; to educate those seeking a deeper understanding of the Christian faith; and to strengthen the church, academy, and world through service, scholarship, and advocacy. We thank our many colleagues, friends and alumni/ae in the New Mexico Annual Conference of The United Methodist Church for your generous support, including referrals of prospective students.

Southern Methodist University

R. Gerald Turner, President

214-768-2000

www.smu.edu

Southern Methodist University (SMU) has served as a nonsectarian institution of higher learning since its founding in 1911 by the Methodist Episcopal Church, South and the citizens of Dallas. Our mission is to expand knowledge through research and teaching and to serve as an igniter and facilitator of the growth in Dallas and the broader North Texas region. With continued Methodist representation on our Board of Trustees and by welcoming students of all faiths, SMU is reaching a higher level of accomplishment and global recognition in our second century of shaping world changers. Consistent with the University's appreciation of our Wesleyan heritage, SMU voluntarily submits this report to the New Mexico Annual Conference.

COVID-19

As the pandemic persisted into a second year, SMU continued to maintain a healthy campus while returning to fully in-person classes and regular activities in the fall of 2021. The University continues to strongly encourage and provide the COVID-19 vaccine – including the booster – to the campus community and employees' spouses and dependents through the Dr. Bob Smith Health Center. Options for no-cost COVID-19 testing are also available for students, faculty and staff on and off campus through SMU health partners and other providers.

Students, faculty and staff

With this return to a more traditional semester, SMU welcomed the largest and most academically qualified cohort in our history in fall 2021. The 1,572 students who make up the Class of 2025 have the highest grade-point average of any incoming class on record – and just as importantly, they are bringing enriching perspectives from 45 states and 28 countries. They are also our most diverse first-year class. Nearly one-third are from ethnically diverse backgrounds, and 126 are the first in their family to attend a university.

As the diversity on our campus increases, so, too, do the important conversations and commitments to strengthen our welcoming community. To that end, SMU has made great progress on the Black Unity Forum's action plan. Chief Diversity Officer Maria Dixon Hall – the University's first – has been working with diversity officers from across the campus and staff in Academic Affairs and Human Resources to help support new protocols for hiring and advancing all employees across well-defined career paths.

Rankings

SMU continues to receive high rankings and recognitions among prestigious reviewers including:

- Top 20% best national universities by *U.S. News & World Report* (2022). Also cited as Best Value School and Top Performer on Social Mobility.

- Top 12% (No. 94 out of 800) of U.S. public and private universities by the *Wall Street Journal/Times Higher Education* (2022).
- One of the nation's best for undergraduate education by *The Princeton Review's* "The Best 387 Colleges" and among its "2022 Best Colleges: Region by Region" and "2022 Best College Cities" lists.
- Top 5% best nationwide colleges and top 3% best Texas colleges by College Factual (2022). Also, SMU alumni ranked among the top 5% in pay for graduates across a range of fields.
- SMU's Perkins Chapel at No. 16 out of 35 of the nation's most beautiful college churches and chapels by College Rank.
- "Higher research activity" as classified by the Carnegie Foundation for the Advancement of Teaching.

Capital campaign and funding

Building on our history of excellence, SMU embarked on a multiyear \$1.5 billion campaign to attract and support outstanding students and faculty, to explore new fields and cutting-edge technologies, and to positively impact Dallas and the world beyond. *SMU Ignited: Boldly Shaping Tomorrow* kicked off in September 2021 with \$654 million and ended the calendar year with commitments of more than \$700 million.

In fiscal year 2021, SMU received nearly \$30 million in external funding for domestic and global research. Current funding agencies include the National Science Foundation, U.S. Department of Education, U.S. Department of Defense and Toyota USA Foundation.

Research and graduate education

SMU continues moving toward our goal of becoming a research one (R1) institution in the Carnegie Classification system, which will elevate our national rankings and reputation. In December, the University broke ground on the new Frances Anne Moody Hall that will house SMU's eighth degree-granting school, the Moody School of Graduate and Advanced Studies. Backed by a \$100 million gift from the Moody Foundation – the largest gift in SMU's history – the graduate school brings doctoral and master's degrees from four schools under one institutional umbrella and supports over 75 Ph.D. students with competitive fellowships.

The University also announced an \$11.5 million investment and collaboration with NVIDIA to strengthen SMU's artificial intelligence infrastructure. The partnership dramatically expands our supercomputing system and provides an enhanced ability for our researchers to aid in myriad critically important studies.

Perkins School of Theology

As its \$6 million renovation wrapped up, the Bridwell Library became the fortunate recipient of the Wesleyan collections from the World Methodist Museum. Among the treasured artifacts are John Wesley letters and his travel pulpit.

This year, our Perkins School of Theology received a \$2.7 million three-year grant, primarily for student scholarships, from the Eula Mae and John Baugh Foundation for the Baptist House of Studies. Restoration is nearing completion on a 1927 Skinner organ for the Perkins Chapel, a \$2 million project initiated by a \$1 million gift from Gay and William Solomon in honor of Vin and Caren Prothro. This rare instrument is expected to be installed in fall 2022 and will serve as a capstone to the chapel's recent renovation.

These highlights are representative of exciting knowledge creation and transformative funding that allows SMU to continue building, growing and shaping the future. SMU remains grateful for the enduring work of our Perkins School of Theology in the instruction and training of clergy for all Wesleyan traditions and other denominations. We ask for your prayers and continued support as we strive to further our mission to make a positive impact on the world around us.

St. Paul School of Theology

www.spst.edu

Educating tomorrow's leaders by offering on-campus, online, and hybrid learning courses at a FLEXible schedule, Saint Paul School of Theology is a seminary of the United Methodist Church committed to the formation of people for innovative, creative ministry. Grounded in the academic study of faith and ministry, theology is practiced in a traditional classroom and a contextual curriculum.

As the global pandemic continues to bring challenges to our daily lives, Saint Paul School of Theology began the 2021-2022 academic year, again offering students an option to attend courses via Zoom or on-campus while maintaining safety protocols. Our weekly chapel service continues to be available online, allowing staff and students to come together as one institution where all are invited to create a sacred atmosphere from wherever they are. In addition to faculty and staff serving as chapel speakers, we were blessed to have alumni and special guest speakers Rev. Winter Hamilton of Manchester UMC, Rev. Delesslyn Kennebrew, Rev. Dr. Carol Cook Moore, and more. Chapel recordings are available on the Saint Paul YouTube channel for those who cannot join live.

Saint Paul staff and faculty continue to contribute to the academy, church, and society. This year, we have had many faculty and staff changes. After many years of tremendous service to students and the Seminary, Dr. James Brandt and Dr. Hal Knight announced retirement plans effective at the end of the 2021-2022 academic year. In addition, Dr. Jeanne Hoeft will step down from her role as Vice President of Academic Affairs and Dean at the end of the academic year but will continue as faculty. New additions to the Seminary family include Dr. Joshua Bartholomew, Assistant Professor of Ethics, Church and Society; Dr. Tiffany Nagel Monroe, Executive Director of the Oklahoma Campus; and Rabbi Michael Zedek, Rabbi-in-Residence.

The faculty of Saint Paul School of Theology maintains high standards of scholarship, research, publication, and engagement. Over the past year, their many activities and publications have been so numerous that space permits only the sharing of selected highlights.

- Dr. Nancy Howell, Professor of Theology and Philosophy of Religion and Oubri A. Poppele Professor of Health and Welfare Ministries, was re-elected to a second term on the Executive Committee of the International Society for Science and Religion. She also had an article published in a South African journal. With more than a decade of service, she serves on the Broader Social Impacts Committee of the National Museum of Natural History at the Smithsonian.
- Dr. Casey Sigmon, Assistant Professor of Preaching and Worship and Director of Contextual Education, was invited to be a writer for "Lent Another Way," an e-course, with The Plural Guild and The Many, and she offered the convocation address for Colgate Rochester Crozer Divinity School in Fall 2021. She also applied for and received a grant from the Wabash Center for Teaching to support my project entitled: "Resisting the Plagiarized Pulpit: Helping Students and the Professor to Find trust their voice through Artistic Instructional Design."

- This January, Dr. Joshua Bartholomew, Assistant Professor of Ethics, Church and Society, was the guest speaker at a Kansas City event, "Black Theology and the Black Panthers: A Conversation with Dr. Joshua Bartholomew." In addition, he was recently interviewed by Climate Central for the article " 'A moral imperative': Monastic sisters in rural Midwest make faith-based case for climate action."

Saint Paul welcomed 45 new students for the 2021-2022 academic year. New student enrollment for the Fall semester increased by 44% (34 new students), with an overall increase for the year of 73%. With the COVID-19 pandemic still in our midst, prospective students previewed the Saint Paul community and curriculum via online visits. Students joined in community worship, attended classes, and participated in online discussions with current students to discern if Saint Paul was indeed their choice for theological education. Enrollment remained strong for the Master of Divinity (MDiv) degree program with promising growth in our newly designed Master of Arts in Theological Studies (MATS) and Master of Arts in Christian Ministry (MACM) programs.

In September, Saint Paul held the 2021 Harrington Lecture online featuring Dr. Eboo Patel. His lecture, "We Need to Build: Field Notes for Diverse Democracy," expanded knowledge and built skills, helping people become the kind of leaders our diverse democracy needs. In the Spring Semester, Saint Paul Evangelical Society, led by Dr. Hal Knight, hosted a forum given by Dr. Amos Yong, Professor of Theology and Mission, and Dean of the School of Mission and Theology at Fuller Theological Seminary, on "The Holy Spirit and People of other Faiths: Relational Christian Witness in the 2020s." Later in the semester, the Evangelical Society hosted a lecture featuring Dr. Joy Moore, Professor of Biblical Preaching and Vice-President for Academic Affairs and Academic Dean at Luther Seminary. And for the first time, on May 13, Saint Paul held a hybrid commencement celebration via Zoom, allowing graduates to come together from both the Kansas and Oklahoma Campuses with attendees viewing from around the country. We honored the 2022 Distinguished Graduate Award Winner and Commencement Speaker Dr. Stan Copeland during the ceremony.

For the 2021-2022 fiscal year, Saint Paul Course of Study (COS) School educated 228 individual students, 49 of which were new students, with approximately 550 registrations and offering a total of 50 courses. Serving 32 Conferences, including 94 Districts, 121 Full Time and 106 Part-Time Licensed Local Pastors comprised these registrations. Saint Paul Course of Study School welcomed new Regional Director Dr. Lucas Endicott. Dr. Endicott has been serving as Associate Director for the Office of Mission, Service, and Justice at the Missouri Annual Conference and lecturing at Central Methodist University. Due to the continuing pandemic, the school has continued its course offerings in both asynchronous and synchronous online formats. Utilizing this online format, we reached students in 24 states. Plans include an increase in the number of hybrid course offerings. This fiscal year has also ushered in the new ability of online registration completed by the student and access to their student account through Populi as used by Seminary students. All our students share the same benefits by integrating Course of Study School into Populi, making them a more integrated part of the Saint Paul experience.

Saint Paul Board of Trustees added two new members to their ranks: Ms. Debra "Debbie" Buzard, Director of Outreach Ministry at First United Methodist Church of Kearney; and Rev. Martin "Tino" Herrera, Congregational Care Pastor at UM Church of the Resurrection. Through a Board initiative related to diversity and inclusion, the Saint Paul Board of Trustees has devoted a significant portion of the last year's meetings to church leaders with experience and expertise in creating more diverse and inclusive communities and organizations. Aiding Saint Paul's trustees in better understanding these issues, the Board hosted the Rev. Dr. Benjamin Boswell in April 2021. Dr. Boswell, Senior Pastor of Myers Park Baptist

Church in Charlotte, North Carolina, described the anti-racism work he has led in that community. The City of Charlotte awarded Dr. Boswell its Martin Luther King, Jr. Medallion for his work. In July 2021, Congressman Emanuel Cleaver II of Kansas City shared his perspective on the racial and social justice issues confronting our nation and the efforts he and his colleagues in the House of Representatives hope to undertake in response. With the Board's assistance, led by Board Chair Rev. Dr. Tex Sample, the seminary focuses on its mission. Our trustees continuously enhance and evaluate the strategic plans to guide us into the future.

As we have happily reported in years past, Saint Paul is financially sound and operates with a balanced budget. These last years' changes have established a solid financial foundation for years of sustainability. As always, we continue to be grateful for donations from the community that provide technology, scholarships, and evolving academic programs to students. Our significant investments in technology have allowed us to maintain a hybrid educational delivery model providing a safe learning environment during the continuing pandemic.

Our aim has always been to utilize technology as a conduit to bring faculty and students together regardless of whether they are on-campus or joining remotely through Zoom. We took a hard look at the distance learning landscape during the pandemic to see how we could substantially enhance the classroom experience. After significant testing, we opted to replace our distance-learning classroom technology with Neat's offerings, including technology still in development. All our classrooms began upgrades in Fall 2021 with offerings from Neat. Each smaller classroom added a 65" neat.board, a self-contained screen that functions as a full Zoom room, as well as an electronic whiteboard. Anything written or drawn on these boards is transmitted through Zoom to the screens in the classroom and remote Zoom participants. This content can also be saved and emailed to all participants. We implemented neat.bars in other classrooms that connect to our classrooms' existing screens. We are currently implementing neat.bar pros, just released at the end of 2021, in each of our large classrooms. At Saint Paul School of Theology, we have always tried to be pioneers with distance-learning technologies. We are very early in the lifecycle of this stimulating and groundbreaking technology. We are thrilled to partner with Neat and Zoom in revolutionizing the classroom experience.

Saint Paul School of Theology is blessed to be your partner in ministry and help those seeking to discover more and answer the call. We are grateful for your support of our students and our seminary. May we continue to live into the call of Jesus Christ to be faithful witnesses for healing in these unsettled times and for generations to come.

President Neil Blair, Saint Paul trustees, faculty, staff, alumni, and students thank you for your prayers and support.

United Theological Seminary

Dr. Kent Millard, President

For the past 150 years, United Theological Seminary has educated men and women for Christian ministry within the historic traditions of the United Brethren, Evangelical United Brethren and United Methodist churches. On October 11, 1871, United Theological Seminary, then Union Biblical Seminary, held its first classes in Dayton, Ohio. From a starting class of 11 students, the seminary has grown to 488 students in its most recent academic year,* representing 39 denominations, 11 countries, and 39 states. Today's seminary serves a diverse student body that is 53% African American.**

On October 10, 2021, the seminary celebrated its 150th anniversary and burned the mortgage on its current campus facilities, freeing up \$400,000 annually to support student scholarships.

In 2021, United received a grant of \$1 million from Lilly Endowment Inc.'s Pathways for Tomorrow Initiative to expand the seminary's Houses of Study, which offer specialized master's tracks to equip students for the unique ministry needs of the communities, movements and denominations they serve.

The seminary has introduced six **Houses of Study**, currently enrolling for 2022-23:

- Fresh Expressions, directed by Dr. Michael Beck;
- Mosaix, in partnership with Mosaix Global Network and directed by Rev. Chip Freed;
- Hispanic, 100% in Spanish for Spanish-speaking leaders, directed by Dr. Jorge Ochoa;
- Black United Methodist, directed by Dr. Vance Ross;
- Global Pentecostal, directed by Dr. Mark Chironna;
- and Global Wesleyan, directed by Rev. Gregory Stover.

Because United believes so passionately in this initiative, the seminary has dedicated additional resources to offer half-tuition scholarships for inaugural students in its Houses of Study programs.

United also introduced the **Academic Dean's Scholarship**, which provides 50% tuition for the duration of a master's degree program, and the **Presidential Scholarship**, awarding up to \$5,000 per year to new students.

In honor of United's 150th anniversary year, a generous donor gifted \$2 million to help graduating students reduce their educational debt. Each graduate in the 2021-22 academic year will receive up to \$20,000 toward student debt from theological and previous academic studies.

As United looks forward to the next 150 years with gratitude and anticipation, the seminary remains committed to the preparation of faithful and fruitful Christian leaders to make disciples of Jesus Christ.

Ann Bell

Nov. 1, 1923 – Oct 15, 2021

Like her husband Ray Bell, Ann was a servant missionary, whose life was given in service to others.

She was born in New Philadelphia, Ohio to Andrew and Elizabeth Jorney, graduating from the Alliance High School in Ohio in 1941.

Her ambition was to become a nurse, so that she could help people. Her training began in the fall of 1941 and took place at the Akron City Hospital. In 1944, she enlisted in the newly created United States Cadet Nurse Corps, which was then created to address the urgent need for nurses during WWII. It promised an education for free, operating in local hospitals like a school for practical nursing. By 1945, 80% of all nursing care in US Hospitals was provided by this uniformed military service corp. She graduated from the corp in 1947.

That same year she married Ray Bell on October 3, 1947, and their adventure began. They had five children, Cynthia Ann, Timothy Ray, Michael James, Charles Arthur, and Paul Edward

She went on to receive her BS in Nursing in 1951 from the Wittenburg University in Springfield, Ohio, the same year that Ray Bell was ordained an Elder in the East Ohio Conference.

In Memorium

In 1952 Ray served as the missionary/pastor at Alcalde and Velarde, near McCurdy School in the Espanola valley.

Then answering the call, for the next 14 years, from 1953 to 1967, they were missionaries in Brazil. From 1967-1970 he was also the pastor of the Gloria Church in Porto Alegre, Brazil.

Returning to United States in 1971, Ray Bell taught at McCurdy School and served as Chaplain at the Espanola Hospital, while Ann worked as their school nurse, and as a maternity nurse at the hospital.

She was also active in the Santa Cruz church during that time.

Life and the appointment system took them to Santa Rosa in 1979, and Trinity UMC in Clovis in 1981, before Ray finally retired in 1986.

He passed away a short time later in October 1987.

In the years that followed, family became her focus and joy. There were fourteen grandchildren and fourteen great grandchildren to enjoy. There was gardening and there was church.

The family cared and provided for her. Advanced in years, she passed away at the age of 97 on October 15, 2021 in Plymouth, NC after a short illness. In recognition of her military service during WWII, her body was returned to New Mexico, and interned at the National Cemetery in Santa Fe.

Richard Eugene Bright

March 1, 1931 – November 7, 2021

Richard Eugene Bright was intelligent, compassionate, and brilliant. He was also a devoted father, a counselor, and an activist. In short, he was perfect for the job of being a Campus Minister in the 1960's.

He was born in Gonzales, TX on March 1, 1931. His mother was Tillie May McGill, and his father was William Joe Bright. Growing up he competed in spelling bees, and got straight A's in all his classes. He graduated with honors from Gonzales High School in 1949 and went on to attend the University of Texas at Austin, earning his Bachelor's degree. From there it was on to SMU where he received his Master's in Divinity from the Perkins School of Theology. He became a member of the Southwest Texas Conference in 1955 and was ordained a full elder in 1959.

He met his wife, Flora Mae Stryker along the way and they were married on September 14, 1957. They had two children, Lynne and Paul.

His first appointment was to Highland MC in San Antonio in 1957. That lasted only a year before he was appointed to serve the Wesley Foundation at the University of North Texas at Denton Texas. He quickly found this to be his calling. He served in this position until 1962 when he accepted a similar position as the United Methodist Campus minister at the University of New Mexico.

Those were turbulent times for our nation, and on university campuses as well. During that time, he spoke with and interviewed Martin Luther King Jr, and came to support the cause of Civil Rights for black people, joining in local protest marches. He put on a clerical collar and marched with students as they protested the Vietnam War as well, but he also stopped and prayed with the police officers who were there to keep the peace.

One big topic at the time was that of Civil Disobedience. Richard Bright was always outspoken on the issue, and was invited to be the speaker for a special Catholic Mass for the legal profession in 1967. It was the first time that a protestant minister had ever been asked to speak at such a "Red Mass." Local papers picked up and shared his remarks, seeing them as controversial, although today they would reflect the stand of the United Methodist church in general regarding civil disobedience.

"It essentially has to be a last resort," he said, "after all efforts have tried to seek social justice and after they have failed. It has to be a time when the law is accepted by the person as basically a good thing, but he must break the law as a matter of conviction to a higher value."

He went on to say, speaking about the church, "The church must accept part of the blame. Wherever there is a vacuum in justice, we should be there, and if not then we should get there and show we care. We should be finding injustices and correcting them."

In February of 1971, his wife Flora died after fighting a two-year battle with cancer, leaving Richard a single parent with an 11-year-old daughter and a 5-year-old son to take care of.

When it came time to make appointments in 1973 the cabinet made the decision to offer him an appointment in a small rural church, rather than a position in Campus ministry. At the time they felt strongly that a single man working among young college students did not present the right optic, and might be asking for trouble. He strongly protested their decision and flatly refused to put his children through the trauma of such a move. Instead, he took a Sabbatical leave that year. Over the next two years he studied for and earned a second master's degree in Counseling, and then left the ministry entirely, retiring in 1975.

Moving to Los Angeles, California, he began working as a Marriage, Family, and Child Counselor. This became his work and ministry for the next 35 years, helping families through difficult times. He also co-authored and published two books, "Equal Dating" and "Equal Marriage." Both were arguments for more of an equal partnership between men and women.

In November of 1985 he married Sherill K Carlson, whom he had only met in 1984. She would become his partner for the rest of his life.

Over time he also became well known as a photographer, with many of his photographs selected for prominent display. He also taught classes in stained glass work.

Later in life, he became the director of a women's shelter, training counselors to help heal the wounds of battered women.

As one family member noted, he was also "an outspoken sympathizer of the Gay community and was disappointed to see that many Christian Churches had missed the message to love one another."

In Memorium

His life of activism and service ended on November 7, 2021, and he was laid to rest in the Memorial Park Cometary of Gonzales, TX.

His unique life may have led him to change directions more than once, but there is a common theme to it all. In everything he championed the cause of justice, helped families get through tough times, including his own, and ultimately, he served his Lord well by serving the needs of others.

Raymond T Keene

July 14, 1948 – November 15, 2021

Raymond Keene was a soldier, a pastor, and a missionary. He was also a trained counselor and a Master Mason.

Before that, however, he grew up milking cows on a dairy farm in Pennsylvania. He was also a carpenter for a while, and served in Vietnam.

He attended the University of Scranton in Pennsylvania, and graduated from New York State University. He then obtained a Master of Science Degree in Religious Education from the Graduate School of Arts and Sciences at Marywood College in Scranton, Pennsylvania. It was there that he also received training in Pastoral Counselling. He was a member of both the American Association for Counselling, and the Association for Religious and Values Issues in Counselling, as well as the Chi Sigma Iota Counseling Academic and Professional Honor Society International.

He got his license to preach in the Wyoming Conference of the UMC in 1981

In 1982, he married Mildred “Midge” Metzger. She was a graduate of the Lancaster School of Practical Nursing. She was also a talented artist and musician and had served as a missionary in Farmington, NM before they met.

Raymond was ordained a Deacon in 1982, and then an Elder in 1983. They served three appointments in the Wyoming Conference; West Nicholson in 1982; Scott Valley in 1983, and Daleville in 1986.

He then transferred to the New Mexico Conference in 1988, accepting an appointment to the Bayard UMC and the Mimbres Valley Community UMC, which met in the old San Lorenzo Post Office. They were there for 9 years, and were instrumental in helping the Mimbres Valley Community UMC to build a new church.

Missionaries at heart they were officially appointed to a “Special appointment outside of the United States” in 1997. This was the beginning of their ministry and affection for the people of Belize. They returned once more to New Mexico in 1999 to serve the Tatum charge.

Responding to the needs of Mildred’s mother, they headed back east in 2000, where Raymond served the Bowen UMC in Newark Maryland, and later the William Watters Memorial UMC in Jarrettsville,

Maryland in 2002, while retaining his Conference membership in New Mexico. His wife Midge died on May 25, 2005, and Raymond chose to retire in 2009.

He continued however to be in ministry.

He married his second wife Anna in 2017.

When the Lord called him home on November 15, 2021 he was once again in Belize still serving his Lord and Savior.

Carolyn Tunnell Scrimshire

December 12, 1934 - June 17, 2021

Carolyn Tunnell Scrimshire was a Methodist pastor's wife long before she married James Norton Scrimshire. She was also a school teacher and an artist.

She was born Carolyn Sue Smith in Amarillo, TX on December 12, 1935. Her father was Erman Edward Smith. Her mother was Julia Mae Barnhart.

She studied education and art at Southern Methodist University, receiving her Bachelor of Arts degree.

She married her first Methodist pastor husband, Rev James Riley Tunnel on February 2, 1957. They had three children, Sarah, David and Julie.

Throughout their years together she was always singing in the choir and active in the women's society, wherever they were appointed. That included churches in Tyler, Beaumont, Buna, Nederland, Navasota, Lake Jackson, Houston, and Texarkana. She packed up each time and moved again, wherever his call to ministry might take him.

He passed away on July 15, 1981, at the age of 48.

Life now took her in a different direction. She returned to Lake Jackson, where she became a school teacher. There she also studied and created vibrant works of art in both watercolor and acrylic. 15 years later in 1996 she retired and moved to San Antonio, TX where she became active at Trinity UMC.

Meanwhile, James Norton Scrimshire also retired in 1996, after a long career as a pastor, in Oklahoma and New Mexico, and his wife, Wiebke passed away in 2003.

They had known each other before, and fate conspired to bring them together again. They were married on September 2, 2006, and so she was once again a pastor's wife, albeit this time retired. They enjoyed their retirement years, spending their time traveling and visiting family, and being active at Trinity.

Both advanced now in years, time took its toll upon them. She passed away in her sleep on June 17, 2021, and only a few days later, he too passed away, on June 23rd.

By her request, her body was donated the Baylor College of Medicine, and a memorial service was held for her in July at Trinity UMC in San Antonio.

James Norton Scrimshire

September 20, 1932 - June 23, 2021

James Norton Scrimshire, was a preacher's kid, and so perhaps he was destined from the start to become a Methodist Preacher.

His father was Joe Scrimshire, who served a total of 52 years as a pastor in the New Mexico Conference. James was born on September 20, 1932, in Dallas, TX, while Joe was serving his first appointment in Iraan. His mother was Johnnie B Hamm.

He grew up here and there as they moved around from one appointment to another, always knowing that one day he would follow in his father's footsteps. He graduated from Albuquerque High School in 1951 and went on to get a Bachelor of Arts degree from SMU in 1955.

He was first admitted as a probationary member of the Oklahoma Conference in 1957 and went on to get his Masters of Divinity from Perkins in 1958. He also served the Firsttown-Pontutac charge from June 1957 to October 1957 and the Carter Avenue in Ardmore OK from Nov 1957 to May 1957 while going to school.

After graduating from Perkins, he served one more appointment in Oklahoma at Erick before transferring to the New Mexico Conference to serve Kingswood in Clovis, then going back to Oklahoma to serve Tecumseh in 1960 and then Laverne in 1962, before returning again to the New Mexico Conference to serve Iraan, where his father had served.

He married Wiebke Umbach on September 1, 1959, and together they had 4 children, Diane, Deborah, David, and Danny.

His career appointments included Jal in 1967; Santa Rosa in 1968; Santa Rosa/Encino in 1969; Alpine/Marathon in 1971; Trinity, Albuquerque in 1976; Gallup in 1979; Peralta in 1983; Crane in 1984; Clayton in 1987; Belen in 1991. He also served on many committees and in his early years could often be found lending a hand on projects at the Sacramento Methodist Assembly.

After his retirement he spent another 10 years serving as the chaplain for the La Vida Llena retirement community in Albuquerque, NM, alongside of his wife Wiebke.

She passed away on March 6, 2003. Soon thereafter Norton renewed his long friendship with Carolyn Tunnell, whose husband, Rev. James Riley, had passed away in 1981. They were married on September 2, 2006.

In Memorium

From all accounts this was a golden time for both of them, and the 14+ years they shared together were a great blessing for them both.

In the end they died within days of each other, Carolyn on June 17, 2021, and Norton on June 23, 2021. Separate memorial services followed where each family gathered to remember, Carolyn's family in San Antonio, and Norton's family at Central UMC in Albuquerque on September 25, 2021.

Billy Ray Sharp

December 17, 1939 - February 13, 2022

Billy Ray Sharp loved baseball, spent 25 years of his life as an Army Chaplain, and for a while at least he was even a United Methodist pastor as well.

He grew up in El Paso, Texas. His parents were Forest Cleveland Sharp and Esta Wilma Burnett. He loved playing all sports really, but excelled at Baseball. This earned him a baseball scholarship to Pasadena Nazarene College.

It was while he was going to school that he met Carolyn Tranthum. According to Carolyn, she asked the Lord which man she should marry, and just as she finished her prayer, Billy walked up and said, "It's me." They had three children along the way, Pamela, Suzzane, and Michael.

Hearing the call to ministry he went on to attend the Nazarene Theological Seminary in Kansas City, Missouri, and was ordained a pastor. He pastored the Lomore Nazarene Church in California, before becoming a chaplain in the US Army in 1971. He served two tours in Vietnam, and during his 25 years as a chaplain he received numerous medals, including, the National Defense Service Medal with 1 Star, the Vietnam Service Medal with 7 Stars, the Vietnam Cross of Gallantry with Palm, and a Meritorious Service Medal. He retired as a Lieutenant Colonel Chaplain in 1992.

His first stop was Seagreaves, TX where he became the pastor of the Seageaves UMC. It is there that he first appears as a Probationary Member of the Northwest Texas Conference. In 1995 he transferred to the New Mexico Conference and was appointed to the Cloudcroft UMC, where he served for 11 years. He retired once again in 2006, but returned in 2008 to pastor the High Rolls-Mtn Park UMC, which he pastored for four more years, before moving to Yuma, AZ in 2015.

He passed the remaining years playing golf, and watching the Dodgers.

According to his family, "Billy loved the Lord. He selflessly loved people and would routinely go above and beyond for anyone in need of help. His battle with medical issues in recent years showed his courage in facing life challenges with humor, fearlessness and faithfulness knowing that God was in control."

He passed away on February 13, 2022, and a celebration of his life was held at the Journey of Faith Church in Yuma.

METHODIST EPISCOPAL CHURCH, SOUTH

Editorial Note: The first session of the General Conference of the Methodist Episcopal Church, South, was from May 1 to May 23, 1846, at Petersburg, Virginia. (War was declared on May 12.)

The 1854 General Conference placed that part of New Mexico west of the Continental Divide in the Pacific Conference. The portion east of the Divide was placed in the Kansas Mission Conference. In 1855 the Kansas Mission Conference listed Santa Fe in the Lecompton District, but no appointment was made. Santa Fe is not mentioned again until 1858, when it was "to be supplied."

On November 14, 1859, Bishop George F. Pierce, presiding over the Rio Grande Mission Conference (meeting at Goliad) included El Paso in the San Antonio District (Rev. Ivy H. Cox, presiding elder), and appointed Rev. John L. Harper as pastor at El Paso. (He did not make a report to the Annual Conference of 1860.)

Historical Records

In 1866, New Mexico was placed in the St Louis Conference; in 1870, in the Kansas-Nebraska Conference; in 1874, in the Denver Conference.

From 1881 through 1889, three conferences were active in the area: (1) The Denver Conference in the territory of New Mexico; (2) the West Texas Conference, in the Texas portion; and (3) the Mexican Border Mission Conference, taking over from the West Texas Conference for two years. The following lists, therefore, recognize all of these conferences. (4) From 1890 through 1929, the churches in San Juan County of New Mexico were in the Denver Conference.

2505.05 The Conference Board of Pensions and Health Benefits utilizes the following plans for active clergy:

Pre-1982 Plan. Supplement One to the Clergy Retirement Security Program provides pension benefits for clergy with service years prior to 1982. This is a defined benefit plan.

Clergy Retirement Security Program (CRSP). CRSP is a mandatory plan with Wespath. This plan has both a defined contribution component and a defined benefit component and is for clergy with service years after December 31, 2006. CRSP replaced the Ministerial Pension Plan (MPP) for clergy with service years after 1981 and before 2007. Funds invested in MPP continue to earn income but no new contributions are being received. Due to General Conference 2012 legislation, new provisions for the CRSP were enacted January 1, 2014. Those changes are as follows: only clergy appointed half-time or greater are eligible to earn benefits in the CRSP; and clergy appointed one-quarter time are no longer eligible to earn CRSP benefits, but will be enrolled in the United Methodist Pension Plan (UMPIP). The salary paying unit will pay for this benefit.

United Methodist Personal Investment Plan (UMPIP). The UMPIP is a plan provided by Wespath for personal pension contributions from active clergy. This plan is governed by section 403(b) of the Internal Revenue Code. Contributions are allowed by payroll deduction only. The salary-paying unit must send the personal contribution to Wespath. Contributions may be tax-paid or, by meeting provisions of the plan, tax-deferred. Maximum allowable contributions are established by federal law.

Comprehensive Protection Plan (CPP). The CPP is a mandatory benefits plan that provides death and disability benefits for United Methodist clergy and families, as well as annuity benefits for surviving spouses and educational benefits for surviving children. The benefits and cost are established every four years by General Conference and administered by Wespeth. Disability coverage with CPP provides 70% of plan compensation, capped at 200% of the Denominational Average Compensation, with Social Security disability approval assumed and benefits offset. A full schedule of current benefits provided by the CPP is available in the Conference Benefits Office. Due to General Conference 2012 legislation, numerous changes were made to the CPP in both the death benefits payable and the revisions to the disability benefits. A full schedule of current benefits provided by the CPP is available in the Conference Benefits Office.

UMLifeOptions. Clergy Supplemental Life Insurance is a supplemental plan sponsored by the NMAC through Wespeth. This plan provides a life insurance benefit to active clergy serving at 75% or greater (if eligible for and enrolled in the CPP), their spouses, and retired clergy. This death benefit is in addition to that already provided through the CPP. Clergy serving at 75% or greater that participate in the CPP are automatically enrolled in this plan upon appointment. A full schedule of current benefits provided by the UMLifeOptions plan is available in the Conference Benefits Office.

Health Insurance. A medical insurance plan for active clergy and lay employees, as selected by the Conference Board. Since 2000, we have been insured with HealthFlex Exchange, a program established and administered by Wespeth for United Methodist clergy, lay employees, and their families.

The Annual Conference shall not be responsible for benefits that would have come from Social Security or Medicare, whether for retirement benefits, disability benefits, or medical insurance in retirement.

2510 Retired Clergy Benefits.

2510.05 Life Insurance for Retired Clergy. The Annual Conference shall pay the retirees' portion of *UMLifeOptions*, supplemental life insurance underwritten by Unum. (See General Insurance Policies Section below for CPP and 'UMLifeOptions Schedule of Benefits for 2017' for amounts of death benefits.)

2510.10 Health Insurance for Retired Clergy—Unfunded Mandate. The New Mexico Conference's unfunded liability for retiree health care benefits as of our latest actuarial evaluation on December 31, 2016 is \$7,256,509. In an effort to provide health care benefits for the conference's retirees well into the future, the conference must continue to look at a variety of methods to manage this liability. Those clergy persons considering retirement are encouraged to check with the Conference Benefits Office to verify benefits available in retirement, and the associated cost of those benefits.

2510.15 Health Insurance for Retired Clergy—Exchange. Since January 1, 2012, the NMAC in connection with Wespeth has utilized the private Medicare-exchange, OneExchange, previously known as Extend Health, to provide a choice of Medicare Supplement and Medicare Advantage health insurance plans for the Conference's current and future Medicare-eligible retirees. These plans will be combined with an individual Health Reimbursement Account (HRA) for each retiree and spouse, as applicable. (Retirees who are under age 65 and not Medicare-eligible, must be maintained in the active plan. See following section.)

2510.20 Health Insurance for Retired Clergy—HRA. The NMAC currently funds the HRA within the plan chosen by the retiree at a maximum of \$250/month, or \$3,000/year, with which the retiree may choose to pay health care premiums and other health-related expenses. This amount will be calculated based on years of service within the NMAC/NWTX Episcopal Area, and may be funded on a year by year basis as long as financially feasible.

2510.25 Health Insurance for Retired Clergy—HRA Funding for Retirees with Less than 20 years of Service. For those clergy with fewer than 20 years of service in the NMAC, a percentage of the full fixed amount will be paid into their HRA account according to the following chart:

Years of Service in New Mexico or Northwest Texas Annual Conferences																	

2510.30 Medicare Benefits for Retired Clergy. Retirees who are under age 65 and not Medicare-eligible, *may* be maintained as “actives” for medical insurance coverage, until they and their spouse reach Medicare eligibility. For the year 2016, the Annual Conference shall pay \$250 per month or percentage per chart above for those retiring before Medicare eligibility, with those retirees paying the “actives” premium cost difference until they and their spouse reach Medicare eligibility.

Upon attaining Medicare eligibility, the retiree who has opted out of the conference insurance may opt back into the health insurance program in place at that time for Medicare eligible retired clergy. However, if they do opt back into the health insurance they will not receive any conference contribution to help offset the cost of the supplemental coverage.

For clergy with pre-1982 denominational service years, the Annual Conference shall grant a 5% per pre-1982 service year credit toward the “actives” premium cost difference, until Medicare eligibility age is reached.

2510.35 Benefits for Retiree Spouses and Dependent Children. The amount of medical insurance paid for retiring clergy shall also apply to the clergy person’s spouse, surviving spouse, or dependent children. When the surviving spouse (under age 65) of a minister who was a member of the conference medical insurance program remarries, he/she is no longer eligible for insurance under the conference plan. When the surviving spouse becomes 65, even if remarried, he/she again becomes eligible for the conference Medicare supplemental insurance plan. The Annual Conference shall pay the medical insurance premium for dependent children of deceased ministerial members of the Annual Conference, with no relation to the surviving spouse’s marital status.

2510.40 Annual Actuarial Study. The conference Board of Pension and Health Benefits shall conduct an annual actuarial study of the Annual Conference’s Post-Retirement Medical Liability.

- 2515** **Lay Employee Benefits.** The Board offers the following plans for lay employees of the conference, its local churches or agencies, at the discretion of their employing church or agency.
- 2515.05** **UMPIP.** The United Methodist Personal Investment Plan (UMPIP) is a pension plan for lay employees of the United Methodist Church, administered by Wespath. Local churches may elect to adopt this plan to provide a pension benefit for their lay employees.
- 2515.10** **Health Insurance/Health Care.** The conference health care program may be adopted for lay employees of the conference, church or agency.
- 2515.15** **UMLifeOptions.** UMLifeOptions Long-Term Disability and Life Insurance is available for lay employees through Wespath. Local churches may elect to adopt this plan to provide a life insurance benefit, disability income protection, or both, for their lay employees. Local churches can contact the New Mexico Conference Office if they are interested in sponsoring this plan.
- 2520** **Method of Funding and Funding Plans.** *Discipline ¶1506.6* requires that each Annual Conference develop, adopt and implement a formal comprehensive funding plan for funding all of its benefit obligations. The funding plan shall be submitted annually to Wespath for review and be approved annually by the Annual Conference, following the receipt and inclusion of a favorable written opinion from Wespath. A copy of the current funding plan is available from the Conference Benefits Officer.
- 2525** **Insurance Plans for Active Clergy.**
- 2525.05** The Annual Conference shall adopt a funding method for paying medical insurance premiums for active full-time appointed clergy. As voted by the 2004 Annual Conference, we use the actual cost funding method.
- 2525.10** Every church/charge with full time appointed Clergy under the age of 65 must offer health insurance to full time clergy under appointment.
- 2525.15** Every church/charge shall pay at least the billed medical insurance defined contribution amount for participating clergy. If approved by the church, clergy may enroll other eligible family members, and the church will be required to pay the billed amount plan for the pastor, pastor +1 or pastor + family premium.
- 2525.20** The Conference Board of Pensions and Health Benefits introduced HealthFlex Exchange for all participants that began January 1, 2017. It also provides a platform where participants “shop” for a health plan, while giving plan sponsors (the church) more predictability over health care costs. This gives HealthFlex participants greater flexibility in choosing the level of coverage that fits their preferences and budget.
- 2530** **Direct-Billing Procedures.** Every salary paying unit will be billed directly every monthly from the conference benefits office. Payments shall be due by the 20th of each month.

- 2530.05 Billing/Payment for UMLifeOptions.** Every church/charge shall pay the premium costs of UMLifeOptions (UMLO) for its eligible appointed clergy. Bills for the premium costs of UMLO and 100% of medical insurance shall be sent monthly from the conference office to each salary paying unit (e.g. church/charge). Payments shall be made by the 15th of each month to the conference office.
- 2530.10 Billing/Payment for Comprehensive Protection Plan (CPP).** Effective January 1, 2016, billing for the Comprehensive Protection Plan (CPP) to each salary paying unit (church, Wesley Foundation, District Superintendents' Fund, etc.) shall be at 3% of plan compensation for each eligible participant enrolled in the CPP.
- 2530.15 Health Insurance Premium Billing/Payment for those on CPP Disability**
For those clergy persons approved for disability through the Comprehensive Protection Plan (CPP) prior to January 1, 2012, the Annual Conference shall pay medical insurance premiums or applicable amount of Health Reimbursement Account through the budget of the Board of Pension and Health Benefits according to the rate and coverage level (either single or family coverage) at which the participant was enrolled at time of his/her disability.
- For those clergy persons approved for disability through CPP on or after January 1, 2012, the Annual Conference shall pay 100% of the single medical insurance premium through the budget of the Board of Pension and Health Benefits for the clergy person for as long as he/she remains on CPP-disability. If the clergy person wishes to provide coverage for his/her spouse (and children, if applicable), the Annual Conference shall pay the medical insurance premium for family coverage at 100% for the first year of CPP disability (for twelve months from date of CPP disability), and 50% for the second year of CPP disability (beginning with the thirteenth month from the start date of CPP disability), with the clergy person paying the remaining 50% of the premium costs associated with family coverage. Beginning the third year of CPP-disability (beginning with the twenty-fifth month from the start date of CPP disability), the participant shall pay 100% of the premium costs associated with maintaining his/her family in the conference health insurance plan.
- 2530.20 Health Insurance Premium Billing/Payment for Others.** Medical insurance premiums for the Conference Provost, District Superintendents, campus ministers, evangelists, and missional personnel as approved by the Annual Conference shall be paid out of the conference budgets for those persons. Medical insurance for all other fulltime active clergy persons shall be the responsibility of the salary-paying unit.
- 2530.25 Billing/Payment for UMPIP.** Clergy and lay employees who elect to participate in the United Methodist Personal Investment Plan (UMPIP) will continue to be billed by and remit contributions directly to Wespath.
- 2530.30 Cancellation of Coverage.** The Board of Pension and Health Benefits is committed to providing insurance coverage as a part of the covenant between Annual Conference and clergy. However, the Board of Pension and Health Benefits may, in consultation with the Bishop and Cabinet, cancel insurance coverage for non-payment of premiums after three months of non-payment.

2530.35 Unpaid Obligations. The Conference Benefits Officer shall report annually to the Board the name of each pastoral charge with an unpaid obligation to the Pensions Program of the United Methodist Church, either from unpaid proportional payments or conference shared ministries. (See ¶639.4 of the *Discipline*). Each church in default shall receive a cumulative statement of amounts in default. All payments for prior years of unpaid proportional payments and unpaid shared ministries shall be sent to the Conference Treasurer, designating the year in which the delinquency occurred. The Conference Benefits Officer shall report annually to the Board all unpaid insurance premiums. Unpaid insurance premiums or shared ministries shall continue as a debt to the church/charge responsible. Each church in default shall receive a cumulative statement of amounts in default.

2535 Support Funds. Grant monies may be available to clergy from the conference board's Consolidated Grant Fund, as well as other available sources. Surviving spouses of retired clergy may receive assistance from the Kornegay Fund. Clergy with unanticipated medical expenses may qualify for assistance from the Farmers Fund with Wespath. All grant requests should be sent to the Conference Benefits Officer at the Conference Office.

2535.05 Restrictions Regarding Support Funds. Funds and earnings on deposit with Wespath shall be restricted for providing benefits programs, and funding retiree benefits.

2535.10 Grants. Grant monies may be available for those active clergy needing assistance for unanticipated medical expenses. An active clergyperson in need of financial assistance is encouraged to contact his/her district superintendent for information.

2535.15 Insurance Support Fund. The Board of Pension and Health Benefits provides clergy (active and retired) of the NMAC, as well as their spouses, surviving spouses or surviving dependent children (including adult dependent children) the opportunity to apply for grant assistance.

This policy has been adopted with the purpose of providing grants to active and retired clergy to assist with the payment of unexpected health related expenses incurred by clergy member or his/her dependent family member, which are not covered under current health plans. Items that have been covered with the Insurance Support Fund grants are hearing aids, dental expenses, and travel expenses for medical care, prescription costs, necessary medical supplies, and vision care.

Applications may be requested from the Board of Pension and Health Benefits or the Conference Benefits Officer. The application must be completed by the participant or a person authorized to act on the participant's behalf. Applicants must submit any additional information sought by the reviewing committee in order for the grant to be approved.

The grant amount is maximum \$5,000 per family, per year, whether active or retired. Each request will be reviewed on an individual basis. An applicant may apply several times during the year, but any grants awarded will not total in excess of \$5,000. All applications are confidential and only seen by members of the Board of Pension and Health Benefits sub-committee.

- 2535.20 Wellness Support Fund.** The Board of Pension and Health Benefits will provide a new grant opportunity for clergy, clergy spouses, and their dependent children to proactively improve their spiritual, mental and physical health. After any insurance or other financial help is taken into consideration, any clergy under full-time appointment may apply to the Board of Pension and Health Benefits for up to 75% of their uncovered expense. Items that may be considered include, but are not limited to, spiritual direction; coaching; help with weight loss; and physical fitness training, facilities, and equipment.
- Requests will be reviewed by the Board of Pension and Health Benefits sub-committee and all requests will remain confidential. If approved, the sub-committee will decide what percentage of the request will be funded. Disbursements may be made on a one time or repeating basis, depending on the nature of the request. However, only one grant per clergy household will be funded at a time. Applications may be found on the conference website. Applications may be requested from the Board of Pension and Health Benefits or the Conference Benefits Officer.
- 2540 General Information Regarding Health Benefit Plan Administration.** It is the responsibility of the conference Board of Pension and Health Benefits to choose a health care program that best serves the needs of the Annual Conference. The Board of Pension and Health Benefits shall review benefit plans, adoption agreements, and coverage at least every three years.
- 2540.05 Active Clergy on Medicare.** Active clergy on Medicare (those age 65 and over), appointed to full-time service within the Annual Conference, are required to give written notification of their employment status to the Board. The church must turn in to the Conference Benefits Officer a Small Employer Exception form in order for Medicare to be primary, otherwise Medicare will be secondary and the regular HealthFlex premium will be due rather than the current retiree health reimbursement amount.
- 2540.10** The benefits and agreements regarding the conference health care program are subject to change by any Annual Conference and are not guarantees of future benefits.
- 2540.15** Between sessions of the Annual Conference, the Board of Pension and Health Benefits may make and implement decisions necessary for maintaining the integrity of the health care program as approved by Annual Conference. Such decisions shall be reported to the Bishop, Cabinet, Council on Finance and Administration, and Board of Ordained Ministry, and to the subsequent Annual Conference session.
- 2540.20** The Conference Benefits Officer shall administer the conference health care program, which shall include handling enrollment, monitoring eligibility, maintaining accurate records for insurance purposes, maintaining records of medical reimbursement accounts through HealthFlex, sending bills and receiving payments through the direct billing program, and (in conjunction with the conference Treasurer) make premium payments in a timely fashion.

- 2540.25** District Superintendents shall promptly inform the Conference Benefits Officer of any status change for clergy, so that proper pension and benefits coverage may be maintained.
- 2540.30** As elected in the adoption agreements for various plans, clergy appointed to attend school, a leave of absence or a sabbatical leave may continue in the conference-sponsored health plan at their own expense for one year.
- 2545** **General Information Regarding Pension and Retirement Plan Administration.**
- 2545.05** **CRSP.** All clergy persons appointed to either a local church or charge at 50% or greater will be automatically enrolled in the CRSP. Any clergyperson serving less than a fulltime appointment may, at his or her voluntary election, waive participation in CRSP by signing a "Waiver of Participation" form. This form must be notarized and filed with the Conference Benefits Office. Clergypersons appointed less than full-time will be automatically enrolled in CRSP unless and until a waiver of participation is signed and submitted to the Conference Benefits Office.
- 2545.10** **UMPIP.** All clergy persons appointed to a local church or charge at less than 50% will be automatically enrolled in the UMPIP. Should any clergy person serving less than 50% not wish to participate in the UMPIP, he or she, by voluntary election, may waive participation in the UMPIP by signing a "Waiver of Participation" form. This form is to be notarized and filed with the Conference Benefits Officer. It shall be assumed that clergypersons appointed less than 50% are to be enrolled in the UMPIP unless and until a waiver of participation is signed and submitted to the Conference Benefits Officer.
- 2545.15** Clergy granted retirement by the NMAC and receiving an annuity from Wespath may participate in the health care program, with eligibility defined by the plan documents.
- 2545.20** The Conference Benefits Officer shall maintain a list of all retired clergy, spouses, surviving spouses, dependent children of deceased clergy, and clergy on Incapacity Leave.
- 2550** **Retiree Events**
- 2550.05** **Retiree Support/Events at Annual Conference.** The Conference Board of Pension and Health Benefits may sponsor a retirees' luncheon at Annual Conference. All retirees will be reimbursed up to \$500.00 for Annual Conference expenses. This will include Conference registration, hotel costs, meal costs, and/or travel expenses. This includes retiree's spouse. Receipts will need to be included with the request for reimbursement. Requests for reimbursement shall be made to the Conference Benefits Officer within sixty (60) days of the last day of Annual Conference.
- 2550.10** **Retired Ministers' Day and Offering.** In order to assist retirees with extraordinary non-medical expenses, the first Sunday in November (or a Sunday close to it) will be set aside as Retired Ministers' Day. This offering will be taken in even-numbered years. The Retired Ministers' Day offering also serves to recognize retired clergy and to distribute educational information concerning the pension programs of the church.

2555 Rental/ Housing Allowances for Retired Ministers.

2555.05 An amount equal to 100% of the pension or disability payments received from plans authorized under the *Discipline*, which includes all such payments from Wespath during the year by each retired or disabled clergyperson who is or was a member of the conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such clergyperson.

2555.10 The pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this conference or that a retired or disabled clergyperson of this conference rendered to any local church, Annual Conference of the church, general agency of the church, other institution of the church, former denomination that is now a part of the church, or any other employer that employed the clergyperson to perform services related to the ministry of the church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such retired or disabled clergyperson's pension or disability as part of his or her gross compensation.

2555.15 NOTE: The rental/housing allowance that may be excluded from a clergyperson's gross income in any year for federal income tax purposes is limited under Internal Revenue Code Section 107(2) and regulations there under to the least of: (1) the amount of the rental/housing allowance designated by the clergyperson's employer or other appropriate body of the church (such as this conference in the foregoing resolutions) for such year; (2) the amount actually expended by the clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

2600 Policies and Procedures Pertaining to Equitable Compensation

2605 Base Salary. A base salary in each category is set according to a predetermined percentage of the Annual Conference average cash salary (conference average compensation less housing) for the year. For a Student Local Pastor, the percentage is 60%, for Full-Time Local Pastors, the percentage is 63%. For Associate Members, 65%, for Provisional Members, 67%, and for members in full connection, 72%. The Commission on Equitable Compensation (CEC) will report updated figures on an annual basis, with the dollar amounts published in the Conference Journal.

2610 Procedures for Requesting and Payment of CEC Funds.

2610.05 Amounts. Money from all sources (except CEC funds) to be applied to the pastor's compensation and travel shall be totaled. When the amount is less than the amount set for the base compensation for the pastor's category, the district superintendent shall work with the church or charge to plan for the pastoral support from the CEC under the guidelines for Mission Pastoral Assistance, Base Compensation Assistance, or short term Special Pastoral Assistance.

- 2610.10** **Timing.** Requests for CEC support shall be made for a 12-month period beginning January 1 and concluding December 31 of the same calendar year. Requests for funding for the remainder of a year can be made at such time as the pastor's compensation may be adjusted by charge conference action, by change of appointment, or by other conditions.
- 2610.15** **Payment.** Payment from the basic compensation funds shall be made by the conference treasurer after receiving both a written request from the district superintendent and written approval by the CEC chairperson. The conference treasurer shall mail the monthly checks directly to pastors so that they are received by the end of the month for services rendered. Payments for travel, housing, insurance or pension support shall be paid to the responsible agency or charge as directed by the CEC, in consultation with the district superintendent.
- 2610.20** **Pension Obligations.** The pension obligation due on the amount of the compensation paid by the CEC fund shall be the responsibility of the CEC and shall include the adjustment for housing on that amount of compensation.
- 2610.25** **Additional Eligibility Considerations.** In some instances, for missional reasons, consideration may be given to make funds available for the deacon in full connection when the primary appointment is to a local church. Salary shall not be less than the minimum compensation established for elders. A retired ordained minister appointed to a pastoral charge shall not have a claim upon minimum compensation from the Commission on Equitable Compensation.
- 2615** **Types of Pastoral Assistance Available Through CEC**
- 2615.05** **Mission Pastoral Assistance.** Mission pastoral support is provided for churches or charges in communities that in the judgment of the local church leaders, the district superintendent and the cabinet offer little potential at present for numerical growth and self-support for the church. The intent for CEC pastoral support is to free up the church for ministry in the community. Attempts will be made to strengthen the self-support potential of the charge by combining with nearby churches, joining other community groups or by developing new ministries to reach unchurched groups in the community prior to requesting this status. The church may be designated a mission charge if it is deemed important to continue a United Methodist presence in the community.

In order to support the unique ethnic diversity in the NMAC a mission charge/church is eligible to receive up to 100% compensation upon recommendation of the District Superintendents and the Bishop if a conference related pastor is assigned to the church or charge. The cabinet is asked to consider the possibility that the church could be served by a less than full-time pastor to provide the pastoral leadership needed at the most basic level possible. Travel between two or more churches on a mission charge will be provided at the CEC rate as per agreement between the district superintendent and the CEC.

Assignment of mission charge status indicates that self-sufficiency is not possible at this time. This status must be reviewed annually. The district superintendent will be asked each year to reapply for this status for the charge and to give cause why this charge should be continued as a mission charge.

2615.10

Base Compensation Pastoral Assistance. A base compensation church or charge is one that regularly provides no more than the base compensation for its pastor and that needs assistance in providing that compensation. It is a church or charge perceived to have potential toward self-sufficiency and to provide a valuable and growing ministry in its community. It is expected that most of the charges receiving CEC compensation supplements will be base compensation charges. The process for providing assistance will be as follows:

Each church or charge applying for base compensation support will apply for a five-year term. The initial application will follow a formulation by the church of a specific five-year plan for growth in several areas of its life. The formulation will come as a result of a consultation process between the church or charge, the district superintendent and the CEC. The five-year plan should address whatever needs the church or charge sees as important but must address the areas of evangelism and stewardship.

The five-year plan will become the vehicle for accountability. Each church or charge will be asked to make a brief annual report of their progress toward the five-year goals and any intermediate goals they may have set. The plan may be altered only by permission of the CEC requested through the district superintendent.

The funding request for each year will be part of the church/charge budgeting process based upon the church/charge's five-year commitment. Compensation supplement requests from the church/charge will be made in writing to the district superintendent, who will present the requests to the CEC.

With any change of pastoral appointment, it is the responsibility of the district superintendent to instruct the new pastor about the church/charge's plan and the process by which funding will be continued.

During the last year of a five-year plan, the district superintendent will institute a thorough review and evaluation of the church/charge. One or more members of the CEC shall be included in the review process by whatever means is agreed upon by the CEC member(s) and the district superintendent. This process may differ from church to church to meet the needs of the church, the district superintendent and the CEC.

If a charge cannot become self-sufficient after five years, the district superintendent will help the charge plan for ministry by the use of less than full-time pastoral support, combination of charges, or other alternative means.

As a general rule, base compensation churches/charges will be responsible for 70% of the base compensation and CEC will be responsible for no more than 30%. Exceptions may be made to this policy upon recommendation from the District Superintendents and the Bishop in the consultation with the Commission of Equitable Compensation. Travel assistance between two or more churches in one charge will continue to be

available; however, the mileage rate will be based on the mileage formula as set by the Annual Conference for travel expenses for conference boards and agencies within the Annual Conference (currently \$0.348 per mile). A church planning toward self-support should consider the responsibility of travel as well as compensation.

Churches/Charges receiving “travel only” support must be placed in one of the three categories. The process for receiving travel support will be the same as receiving compensation support for that category. In exceptional cases, the CEC may grant one year of travel assistance on request of the district superintendent while the church/charge enters the appropriate process to request further assistance.

2615.15 Short Term Special Pastoral Assistance. A church may need short term compensation assistance to accomplish a particular task related to expansion of its ministry. This may include the addition of a new outreach ministry of a revitalization project, establishing or strengthening an ethnic minority congregation, or adding a second congregation in an outlying area or other growth-related projects; or a church may occasionally need to correct an inequality in a compensation package. The CEC can help fund a limited number of such projects and consideration of other sources of funds must precede requests for CEC funding.

This is basically a grant for a specific project. Application for such assistance should be made for the church through the district superintendent. The goals for the project must be stated clearly. Assistance will be granted for a specific time not to exceed five years, and provided on a decreasing scale, and will not be renewable. The terms for the amount of assistance for each year of the plan will be agreed upon at the beginning of the project.

The compensation need not be limited to the base level; however the maximum amount that can be granted from the CEC in the first year of the project will be 50% of the base compensation for the pastor appointed to the church/charge. Written application to the CEC must be made by the district superintendent and approval must be granted before appointments are made based upon these funds because of the limited availability of funds.

2620 Basic Compensation and Travel Levels for Established Churches. Any monies paid the pastor by the local church/charge above or in addition to compensation and travel shall be excluded from basic compensation as computed in the section. Churches are encouraged to not pay the pastor’s portion of monthly insurance premiums. On charges of two or more churches, funds may be requested for travel expenses by the district superintendent according to the mileage formula as set by the Annual Conference for travel expensed for boards and agencies within the Annual Conference.

Reimbursement for travel between churches on a charge is to be considered over and above the amount requested for basic compensation support.

The maximum allowable to any charge under this provision is the total of the pastor’s basic compensation plus the mileage formula agreed upon by the district superintendent and the CEC. The CEC will be responsible only for the amount of the total, which is not paid by all other sources.

2625 CEC Loan Fund to assist Ministers Moving Within the Conference. The CEC maintains a loan fund for the purpose of providing loans up to \$400.00 to assist pastors of the NMAC who are moving from one charge to another within the bounds of the conference and who are not eligible for moving grants. Loans are to be repaid within the conference year in which the loan was granted unless special arrangements are made with the approval of the CEC chairperson and on the following basis:

Monthly payments to complete repayment by the end of the conference year, or
Four equal payments at the end of each three-month period, or
Lump sum payment at any time during the conference year.

Applications for loans are secured from the CEC staff person in the Conference office. Upon approval of the receiving district superintendent and completion of a note, properly executed, the conference treasurer will issue a check to the pastor in the amount of the note. These funds are administered by the CEC with the conference treasurer receiving all payments.

2630 CEC Assistance with Moving Expenses. The CEC is prepared to provide grants for moving expenses for seminary students returning or transferring to the NMAC, pastors moving within CEC congregations, pastors transferring into the NMAC by appointment to CEC churches, and/or other special need with prior approval of the district superintendent and the CEC.

Reimbursement for moving expenses as described above shall be based on \$1.50 per mile or actual receipted expenses, whichever is less, minus any amount received from other sources for moving expenses above the actual cost of the move. Expenses may include truck or trailer rental, motels, meals, and gas. All reimbursement requests are to be calculated on the basis of the most direct route. Application for moving grants should be made through the receiving district superintendent for approval by the CEC.

2635 Arrearage Policy.

2635.05 In the event that the local Church Treasurer becomes aware that the church will be unable to provide to the Pastor full payment of a regularly scheduled payroll or housing allowance installment, or to remit to the Conference Treasurer full payment for regular direct billed benefit payments such as pension and health care, the Church Treasurer shall immediately notify both verbally (within 24 hours) and in writing (within 3 days) the Pastor, the Lay Leader, and the Chairs of the Staff/Pastor Parish Relations Committee (S/PPRC), Finance, Trustees, and the Administrative/Church Council of the impending arrearage. Upon receipt of such notice, the Chair of S/PPRC and/or the Pastor shall immediately (within 3 days) notify the District Superintendent of the impending arrearage. It is the Pastor's responsibility to keep copies of all such written notifications, and to provide additional written confirmation to the District Superintendent when an arrearage has taken place. Failure to document salary or benefit arrearages may result in a loss of compensation and/or forfeiture of pension and benefits.

2635.10 Local Church Response. Upon receipt of notice of a pending arrearage, the Chair of S/PPRC shall immediately (within 24 hours) call a meeting of the Pastor, the Lay leader,

and Chairs of Finance, Trustees, and the Administrative/Church Council to discuss the financial situation and seek remedies to prevent an arrearage from occurring. Such remedies may include drawing from invested funds, an emergency appeal for special giving from congregation, emergency grants, or loans from the District or Conference.

In accordance with *Discipline* ¶624, such remedies cannot include a reduction in the Pastor's full compensation until the beginning of the next Conference year.

2635.15 Response Beyond the Local Church. If, after consultation among the Lay Leader and Chairs of S/PPRC, Finance, Trustees, and the Administrative/Church Council, it becomes apparent that the church may be facing a long-term financial crisis, the Chair of S/PPRC shall notify in writing the Pastor and the District Superintendent that:

an Equitable Compensation Subsidy Grant may be necessary to maintain compensation for the remainder of the Conference year, or
a change in pastoral compensation or appointment may be necessary at the beginning of the following Conference year.

2635.20 Delinquency. If the local church becomes delinquent in the Pastor's compensation (i.e. more than 30 days delinquent), then the District Superintendent shall notify the Commission on Equitable Compensation (CEC), which on its own initiative may do any or all of the following, but not limited to:

sending a representative from CEC to meet with the local church and Pastor to seek resolution of the issue
developing with the local church a payment plan so that the Pastor receives full payment of compensation by the end of the Conference year

The District Superintendent shall be invited to participate in this CEC process.

2635.25 If the local church is already receiving a subsidy grant from the Commission on Equitable Compensation, the CEC may also:

Determine if all subsidy grant funds allocated to the church were used to pay the Pastor's salary.
Examine the original subsidy grant application to determine if the amount requested to meet minimum compensation was reduced.
Require an outside audit of all church funds in compliance with GCFA Guidelines (www.gcfa.com).
Notify the District Superintendent of its findings and recommendations in writing.

2635.30 Delinquency with Respect to Pensions and Benefits. If a local church becomes delinquent in the payment of the Pastor's direct billed pension and benefits (i.e. more than 90 days delinquent), then the Conference Benefits Officer shall notify the Conference Treasurer, the District Superintendent, and the Commission on Equitable Compensation. The District Superintendent and/or CEC shall develop a written payment plan with the local church so that the Conference receives full payment of pension and benefits by the end of the Conference year.

This formula change will be reviewed annually by CF&A.

2715.15 **Bishop's Awards.** The purpose of the Bishop's Awards is to fund or to seed the funding of ministries within local churches for winning persons to Jesus Christ that could not otherwise be funded by the local church, and thereby to encourage innovation, vigor, devotion and effectiveness in winning persons to Jesus Christ.

Eligibility. Bishop's Awards will be granted as follows: Only local churches and bodies within local churches may apply for and receive Bishop's Awards; bodies within local churches may apply for and receive awards only in the name of the local church and only with endorsement of the church council or similar body, which shall be represented by the signature of the board or pastor on the application. Awards will be granted after communication with the Conference Council on Finance and Administration so that the Committee may be informed of unfunded vital ministries that have gone before that body. Awards should not be granted to the same entity for the same or similar program for more than three consecutive years except in unusual circumstances justifying an additional year's award.

2715.25 **Pippin Endowment Fund Grant.** The Pippin Endowment Fund was created from a gift to the New Mexico Conference of the United Methodist Church from the estate of Sara F. Pippin who resided in Clovis, New Mexico, and attended First United Methodist Church of Clovis. Purpose: The earnings from the Pippin Endowment Fund are to be used for mission work in New Mexico (Conference), including the training of Navajo Ministers.

Investment. The Pippin Endowment Fund is invested in the Texas Methodist Foundation and receives distributions annually in the amount negotiated by the New Mexico Conference Board of Trustees in the Management Agreement with the NMCMI.

Administration. The Pippin Endowment Fund as real property of the NMAC is administered by the New Mexico Conference Board of Trustees.

Distributions. Funds remaining for distribution from the Pippin Endowment Fund after payment of Foundation fees will be allocated among, and paid to applicants by the Conference Endowment Committee. In order to comply with the donor's request, a minimum of 20% of the net distributed funds shall be used for the training of Navajo Ministers, with the balance to be used to support mission work in the NMAC.

Eligibility. Organizations whose purpose is consistent with the stated purpose of the fund, and whose work is entirely or predominantly within the bounds of the NMAC may apply for grants from the fund. Such organizations may include, Local Churches, Conference Boards and Committees, and other institutions within the NMAC. Grant requests for non-mission staff will not be considered.

Application Process. The Conference Endowment Committee shall set the application deadline following the receipt of distribution funds from the Texas Methodist Foundation. Advertisement for the receipt of applications shall be sent out by as many means possible to potential applicants. If practical, the application process should be open for a minimum of 4 weeks after the first notification of opening the application process. Applicants must provide the requested information in a legible form using the application provided. Applicants must provide requested signatures, and agree to the monitoring, evaluation and reporting process described on the Report Form by the application deadline.

Funding Criteria and Priorities. When seeking funding, applicants should attempt to address the following criteria: (1) Identify underserved constituencies, marginal communities, or individuals and populations in crisis or with pressing human or spiritual needs; (2) Connect direct services to strategies aimed at addressing the root causes of poverty, injustice, and human need; (3) Involve those who are being served in planning, goal setting, and decision making; (4) Work with other congregations, non-profits, and groups in the community and state supporting the purposes of the particular project; (5) Communicate through networks of others in the same ministries about resources, strategies, training, and other means of strengthening the ministry.

Ministries addressing the most pressing issues of the intended recipients, the most convincing strategies for meeting those needs and addressing these issues, and the innovation with which plans are conceived, will be given highest priority. For example, in the case for direct services provided to the constituent group, such as, in the case of a youth mission trip, funding would be considered first for materials (educational or building) to be used in the proposed project. Funding for travel/transportation, etc. will be given lowest priority and unless a compelling need is identified, such costs will not be funded.

Consideration will be given to the ratio between administrative expenditures and expenditures for direct services or activities intended for the carrying out of the stated purpose of the applying organization.

Disbursement of Funds. Announcement of Grants will be made within two weeks of the meeting of the Endowment Distribution Committee, and payment for the grant will be made within 45 days of the meeting of the Committee.

Accountability. The Conference Endowment Distribution Committee shall require accountability from the recipients of grants by: (1) Requiring accounting for funds granted; (2) To require reports from all recipients and to publicize the reports so that others may benefit from reported experiences; (3) To require that Pippin Endowment Funds granted will be spent within one year following the grant; and (4) To require recipients to return unused funds to the Conference Endowment Distribution Committee within 30 days of the close of the one year anniversary of the grant.

The Texas Methodist Foundation will invest all funds of the Endowment and Scholarship Accounts according to its investment policy. Earnings will be transferred to the earnings account which shall be designated as "The Native American Ministerial Education Scholarship Fund." The Foundation will report annually to the Provost/Director of Congregational Vitality the value of the Endowment Fund, and the value of the Scholarship Fund, and what earnings will be credited through the calendar year.

In the event that earnings held in the Scholarship Fund total less than \$25,000, it is understood that scholarships may continue to be awarded under the first priority, and future earnings be used to replenish those funds expended. It is also understood that the Scholarship Committee may not withhold funds from qualified priority one scholarship recipients in order to build the scholarship fund beyond \$25,000.

Undesignated Gifts to the NAMEE will be placed in the endowment fund unless specifically designated for the Scholarship Fund. Under no circumstances will principal of the endowment be invaded.

The Provost/Director of Congregational Vitality will communicate at least annually with the Board of Ordained Ministry, the Board of Diaconal Ministry, the Conference Board of Global Ministries, the Four Corners Native American Ministry, the Conference Commission of Race and Religion, and any other appropriate agency or board of the Conference, reporting the available funds and the conditions upon which funds may be released, paid and applied to the purposes of the Endowment.

2720.15

Recruitment of Candidates for NAMEE Scholarship. The Board of Ministry of the NMAC, working closely with the Bishop and cabinet, the Conference Provost/Director of Congregational Vitality, the Native American Ministries Committee, all local churches, and other related conference and district agencies, will create, initiate and supervise a program for the discovery and recruitment of candidates for scholarships from the United Methodist constituency among Native Americans in the NMAC, and for others for scholarships that do not fall within the first general priority.

2720.20

Administration of the NAMEE Scholarship Programs. The administration of the Scholarship Programs will be done by the Scholarship Committee of the Board of Ordained Ministry. When meeting on candidates specifically for the Native American

Scholarships, it is expected that a member of the New Mexico Conference Committee on Native American Ministries be invited and present in the discussions related to the awarding of these scholarships. The Scholarship Committee of the Board of Ordained Ministries in conjunction with representatives from the Commission on Religion and Race, Native American Ministries Committee and the Conference Committee for Hispanic Ministries shall develop application forms and guidelines for the Native American Ministerial Education Scholarship program. The guidelines should address such issues as the length of time for which scholarships may be granted, initial qualifications; qualifications for renewal; methods for determining the Christian character of applicants; pay-back requirements (if required by committee) for successful applicants who do not in fact serve within the NMAC for a prescribed time, the types of schools and training that qualify for scholarships and such other issues as the committee may deem appropriate.

2800 Policies Pertaining to the Local Church

2805 Pastor's Moving Expenses. Churches that receive a new pastor shall pay the actual cost of his/her moving expenses up to \$1500. Churches receiving equitable compensation support and others with special needs, certified by the District Superintendents, may receive aid for cost of moving from the Equitable Compensation Commission.

2810 Parsonage and Pastoral Housing Policies

2810.05 Parsonage and Housing Allowance. We reaffirm our historic policy as the norm for clergy housing namely, that each local church or charge has a responsibility to provide a furnished parsonage, and to provide all utilities for the pastor as a part of his or her total support. In the spirit of flexibility and creative openness, we do authorize discussion between a pastor and his/her Pastor-Parish Relationship Committee and with the bishop and cabinet, which would permit the payment of a housing allowance in lieu of a parsonage, under the following guidelines:

It must be mutually agreeable to (a) the pastor, (b) the church, and (c) the bishop and cabinet.

That it be understood by the pastor, the church, and the cabinet that this agreement will not be a primary factor for consideration for future appointments for pastor or church.

The local church/charge must either retain a parsonage or the capability of re-entering the housing market so that if the succeeding pastor desires or needs a provided parsonage, the church will be in a position to provide it.

Where a housing allowance is provided, it must be sufficient to provide in that community an adequate rental house for the parsonage family that would meet average parsonage standards across the conference.

2810.10 Parsonage and Housing Standards. As regards the structure, no less than the following will be required:

Three (3) bedrooms

One and three-quarters (1-3/4) baths

Living area

Dining Area

Kitchen, to include: stove, oven, refrigerator with freezer, and dishwasher

Closet-storage space throughout the house

Indoor laundry area with washer and dryer

Garage or carport space

Interior window coverings for privacy

TV (cable or antenna) hook-up available, internet/phone connections

As regards the exterior, no less than the following will be required:

Storage space for large items

Lawn maintenance equipment

Fenced yard

As regards safety, the parsonage shall be equipped with the following features:

Water and sewer service to meet state and local standards

Wiring and plumbing that meet state and local standards/codes

Carbon monoxide detector, smoke detectors in sleeping areas, fire extinguisher in kitchen

Sufficient exterior and interior lighting

2810.15 Parsonage Accessibility. We fully affirm ¶2544 of the *Discipline*, which states that in all plans for new church buildings and parsonages and in all major remodeling plans adequate provisions shall be made to facilitate parking, entrance, seating, restroom facilities, and otherwise make facilities reasonably accessible for persons with handicapping conditions. Newly constructed or newly purchased parsonages shall include on the ground floor level one (1) room which could be used as a bedroom by a person with a handicapping condition, a fully accessible bathroom and laundry facilities.

2810.20 Parsonage Maintenance, Utilities and Repairs. Upkeep and repair is the local church's responsibility. Utilities should be kept in the name of the church to ease pastoral transition. The church should annually include in the budget an amount for parsonage repairs. The budget item will enable the Trustees to have a consistent program of maintenance and improvement and allow for interior and exterior painting when deemed appropriate. All appliances and equipment should be checked and adjusted regularly. Parsonage families are responsible for repairs as needed for damages done by a member of the parsonage family or pets. The church should keep both the interior and exterior of the parsonage in such a state of decoration as to preserve its physical condition and aesthetic value. Avoid faddish styles and extreme approaches in decorating the parsonages. We suggest that congregations stay with neutral colors and allow residents to personalize with their own touches.

2810.25 Parsonage Insurance. The local church Trustees should be certain that the church-owned house and contents are adequately insured. Public liability insurance should be carried on parsonage property. IT IS THE RESPONSIBILITY OF THE PASTOR TO INSURE PERSONAL PROPERTY BELONGING TO THE PASTOR OR FAMILY.

2810.30 Parsonage Review. The chairperson of the Pastor Parish Committee, the pastor, and the chairperson of the Trustees or Parsonage Committee should inspect the parsonage at least once a year as specified in ¶2533.4 of the *Discipline*, to discover needed repairs,

improvements, and decorations. The Committee or Trustees should assume the initiative since it is their responsibility to maintain the parsonage in good condition. An evaluation form will be provided by the district superintendents and shall be included in the Charge Conference packet. It needs to be remembered that the parsonage is the pastor's home and inspections should be scheduled in plenty of time to meet the convenience of the parsonage family.

2810.35 Moving Into and Out of Parsonages. Since it is the responsibility of every local congregation to provide for suitable housing for their pastor, each pastor and parsonage family shall take great care to ensure that the parsonage is left in good condition upon moving to a new appointment. Before a Pastor may consider the parsonage from which he or she is moving as properly vacated, an inspection must be made by the Chairperson of the Board of Trustees, Pastor Parish Relations Committee, the Pastor and where applicable, the Chairperson of the Parsonage Committee. Failure of a Pastor to comply with this procedure can result in a complaint filed by the local church with the District Superintendent and the Bishop. In the event the Pastor is transferring to another Annual Conference this complaint can be sent to the receiving Bishop and D.S.

In the event the parsonage is not adequately cleaned and the local church must incur expense to prepare the parsonage for the newly appointed Pastor, the moving Pastor can be billed for the expense incurred. This bill will be sent to the District Superintendent for action and the Pastor will be expected to pay this bill within 60 days. A report of any major damage beyond normal wear and tear will be filed by the local church with the District Superintendent. Financial responsibility not to exceed replacement or repair cost can then be assessed to the Pastor who has been residing in the parsonage. The Pastor may seek a review of the damage claims through the District Superintendent involved. This request must include copies of the Annual Review for the preceding three years or the time the Pastor has resided in the parsonage if less than three years.

In the event the local church has not maintained the property properly and has not met the needs listed in the Annual Report, the local church is responsible for any repairs or replacement.

2810.40 Upkeep and Repairs. In the event that there are any necessary repairs, other than those usually associated with routine upkeep, it shall be the responsibility of the departing pastor to pay for such repairs prior to moving to a new appointment. Assessments of damages shall be made during the annual review of the parsonage. Every effort shall also be made for the District Superintendent to visit the parsonage at the annual meeting of the Charge Conference. The District Superintendents shall receive copies of the damage assessments to keep them informed on the care, upkeep, and stewardship of local Church property by the congregations and the pastors. The Chairpersons of the Board of Trustees and Staff/Parish Relations, in consultation with the District Superintendents and the involved pastor, will come to an agreement as to the type and amount of repairs to be paid for and by whom.

2815 Pastor's Unpaid Bills. Conference funds shall not be used to clear up unpaid bills left by a clergyperson moving from a charge. It shall be the responsibility of the District Superintendent and the cabinet to see that the pastor makes satisfactory arrangements

with creditors when moving from a charge. In the case of a pastor leaving the ministry, the creditors should follow customary methods of collecting outstanding bills.

- 2820** **Vacation Standards for Clergy.** Vacation standards for ordained ministers who are rendering full-time service to the church shall be as follows: (1) All ministers who have served full-time for less than 5 years shall receive a minimum of two weeks' vacation during the conference year. (2) All ministers who have served full-time for a period of five to ten years shall receive a minimum of three weeks' vacation during the conference year. (3) All ministers who have served full-time for more than ten years shall receive a minimum of four weeks' vacation during the conference year. Note: Since ministers are asked to serve in various conference responsibilities and camps, these duties should not be considered as vacation. However, pastors and Pastor-Parish Relations Committees should work out a satisfactory balance of time rendered between conference and district duties, local church needs, and personal outside activities by the pastor.
- 2825** **Pastors' Business and Travel Expenses.** No more than 6/12 of the funds set aside for business and travel expense by a local church for reimbursement of expenses shall be claimed prior to July 1 by the pastor of that local church. If no pastoral change transpires in that same appointment, expenses beyond the 6/12 that were incurred prior to July 1 may be claimed following July 1 in the same year.
- 2900** **Policies Related to Abuse and Harassment**
- 2905** **Policy Statement on Misconduct of a Sexual Nature.** The NMAC of the United Methodist denomination affirms the 1996 Book of Resolutions, Sexual Abuse within the Ministerial Relationship and Sexual Harassment within the Church, which states that sexual abuse within the ministerial relationship and sexual harassment within the church are incompatible with biblical teachings of hospitality, justice, and healing. In accordance with the *Discipline*, ¶165.F, all human beings, both male and female, are created in the image of God and, thus, have been made equal in Christ. As the promise of Galatians 3:26-29 states, all are one in Christ; we support equity among all persons without regard to ethnicity, situation, or gender.
- Misconduct of a sexual nature within the life of the church interferes with its moral mission. The NMAC stands in opposition to the sin of misconduct of a sexual nature in the church and society at large and commits itself to fair and expedient investigation of any charge of sexual misconduct within the church can to take action deemed appropriate and in compliance with the *Discipline*.
- The NMAC bears affirmative responsibility to create an environment of hospitality for all persons, male or female, which is free of misconduct of a sexual nature and encourages respect, equality and kinship in Christ.
- 2905.05** **Sexual Abuse.** Sexual abuse within the ministerial relationship occurs when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader, lay person, or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker, volunteer, or child.

Sexual abuse within the ministerial relationship involves a betrayal of sacred trust, a violation of the ministerial role and exploitation of those who are vulnerable. Similarly, sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue.

2905.10 Sexual Harassment. Sexual harassment is any unwanted sexual advance or demand, either verbal or physical that is perceived by the recipient as demeaning intimidating, or coercive. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender (*Discipline*, ¶165.1).

Some instances of sexual harassment can be resolved informally between the parties. In all other instances, misconduct of a sexual nature should be reported to one of the following: the church's minister, another United Methodist minister, a district superintendent, or the presiding bishop. If the conduct involves a clergy person, it also should be reported to the clergy person's district superintendent or the presiding bishop. All allegations will be dealt with in accordance with the current *Discipline*.

It is understood that retaliation for bringing an alleged sexual harassment charge is illegal and will not be tolerated.

2910 Safe Sanctuaries Policy. The following policy and procedures are not based on a lack of trust in clergy, laity, staff or volunteers, but are intended to protect our children, youth, employees, volunteers, vulnerable adults and the whole church body. This policy is to be used at conference and district events and ministries. This is the minimum standard of which must be met. If additional protections (i.e., cameras, additional adults, etc.) are available, the additional protections should be utilized in addition to this policy. This policy will not apply to local churches, as written. Local churches must develop and implement their own policy or update their current policy. Safe Sanctuaries Policy is not to be considered legal advice or used in place of legal advice but can be used as an example or guide to aid local churches in developing a policy that is specific to their church or ministry.

2910.05 Definitions. More definitions of abuse and neglect can be found at Child and Youth Families department at <https://cyfd.org/>.

Abuse means harm or threatened harm to the health and welfare of a child, youth, or vulnerable adult by any person responsible for the health and welfare of a child, youth, or a vulnerable adult that occurs through non-accidental physical or mental injury; sexual abuse, sexual exploitation, or mistreatment, sexual harassment, sexual contact, sexual molestation; disseminating, exhibiting, or displaying sexually explicit material.

This abuse may be violent or nonviolent. It includes any conduct that involves vulnerable adults, or children in sexual behavior for which they are not personally, socially, emotionally or developmentally ready.

Sexual contact means the intentional touching of the intimate parts or the clothing covering the immediate area of intimate parts of a youth, child or vulnerable adult.

2910.10 Statement of Policy. Abuse of a child, youth, and/or vulnerable adult is prohibited in any conference or district event or ministries.

2910.15 Mandatory Reporting. A member of staff or a volunteer for any conference and/or district event or ministry who observes or suspects that abuse has occurred concerning a child, youth, or vulnerable adult must immediately report such observed or suspected abuse to the appropriate legal authorities. Such reports of observed or suspected abuse must be reported to the Conference Council Director, and either the District Superintendent or Conference Safe Sanctuaries Coordinator in writing. It is the responsibility of the event coordinator to ensure compliance with this policy. (It is very important that all parties be sensitive to the alleged victim and his or her family as well as to the accused. Pastoral care should be available to all in the time of crisis.)

2910.20 Implementation of Policy. Current background check screening and yearly training of all part-time and full-time staff, and volunteers, regardless of position, as all

persons have the opportunity to work with or come in contact with children, youth and/or vulnerable adults. For the purposes of this policy, the following will apply to all persons (volunteer or staff), especially those who work with children, youth, vulnerable adults and those who have direct contact with and supervision of children, youth and/or vulnerable adults. This does not include those persons who are employees of independent contractors who participate in events, such as bus drivers of contracted bus lines, bands and the like, although requesting written confirmation of completion is highly recommended.

Background Investigations: ALL staff and volunteers must have a nationwide criminal background check done for them and kept on file. It is industry standard that background checks be completed at least every two (2) years.

Training: Safe Sanctuaries Training is mandatory for ALL staff and volunteers.

Training should be completed annually. Proof of completion should be kept by the church, as well as the trainee, and be available to the conference upon request.

- 2910.25 Responsible Non-Related, Adult Supervision.** It is the requirement of this policy that each local church of the New Mexico Conference and all sponsoring organizations of district and conference events shall provide adequate non-related adult supervision at district and conference events and ministries, attended by children, youth and/or vulnerable adults. A minimum of two non-related adults be present at all conference and/or district events and ministries involving children or vulnerable adults. Age Difference: Except in the case of events involving vulnerable adults, a five-year difference in age of at least one of the on-site supervisors and the oldest supervised participant is required. Persons closer in age to those supervised may be acceptable in assisting the primary on-site supervisor(s). Day Care programs housed on church campus, privately run or church affiliated, will follow all guidelines for non-related Adult Supervision. Teacher/child ratios: Babies & Crawlers-1 adult to 3, Preschool (2yrs-5yr old's)-1 adult to 3, Elementary (1st-5th grades)-1 adult to 5, Middle school (6th – 8th grade)- 1 adult to 6, Youth (6th-12th grade)- 1 adult to 8.
- 2910.30 Overnight Accommodations.** When staying in a camp or hotel setting, leaders shall sleep in separate rooms from children: or if necessary, for children to share a room with a leader, leaders shall sleep in separate beds from children as long as any one leader is not alone with any one child. Recognizing accommodations may be restrictive in some cases, one leader is adequate, as long as any one leader shall NOT be alone with any one child. Coed overnight activities require both male and female adult leaders without exception. Each gender must have separate rooms.
- 2910.35 Supervision for Nursery/Childcare at Conference and District Events.** There shall be a minimum of two (2) adult childcare providers per room. We recommend that whenever possible state childcare minimum standards shall be followed, particularly in relation to the number of childcare providers to child ratio.
- 2910.40 Supervision of Children and Youth at Conference and District Events.** Whenever reasonable, the “Two non-related Adult Rule” will require that no fewer than two adults be present at all times during any church-sponsored program, event or ministry involving children or youth. Situations may arise when the “Two Adult Rule” is not feasible. At NO time will an adult be one on one with a child in an isolated or closed

situation. In an urgent situation, childcare and group activities will be relocated to a room near the main meeting area and doors will be left open.

2910.45 Local Church Mandate. Each local church is required to adopt a Safe Sanctuary and Active Threat policy for their church. Both policies be filed with District Superintendent, Provost and Conference Director of Safe Sanctuaries. Annual review of both policies will be submitted at your annual Charge/Church Conference.

2910.50 Minimum Standards for Local Churches. Local Church policy should meet the following minimum standards:

Educate the congregation on the definitions of abuse.

Provide copy of Safe Sanctuaries Policy and Active Threat policy in written form to entire Congregation, posted in easy to locate (e.g., Designated Notebook) areas in each room, available on church website.

3000 NEW MEXICO ANNUAL CONFERENCE SESSION (NMAC) STANDING RULES.

References to *Discipline* shall mean the current version of *The Book of Discipline of the United Methodist Church*.

3000.05 Rules Changes. Any proposed changes and additions to the Conference Rules shall be submitted in writing to the Conference Rules Committee and shall in turn be presented

to a conference session at least 12 hours before a vote is taken on the proposed change or addition. Any and all rules may be changed by a majority vote of the conference.

3100 General Rules

3105 Prayerful Discernment. At the discretion of the presiding officer, a time for prayerful discernment may be taken during deliberations. Such a time should be for personal meditation and shall end at the call of the presiding officer.

3110 Voting. Only delegates within the bar of the conference when the vote is taken shall be entitled to vote. No delegate may cast a vote in place of another delegate. No other business shall be in order when a vote is being taken until the process is complete, except such as relates to the vote itself.

3110.05 Voting from the platform. Members of the Annual Conference who are seated on the platform or who are making a presentation to the conference shall be allowed to vote and shall be included in any counted votes taken.

3115 Consent Calendar. All items that do not require Annual Conference action will be placed on the consent calendar, established by the Annual Conference Planning Team. Legislation, reports, or resolutions that seek conference, district, or local church funding or that seek to amend the rules may not be placed on the Consent Calendar. If the consent calendar is not a part of the Pre-Conference Journal, it will be presented on the first day of the Annual Conference session and, after laying on the table for 24 hours, will be acted on by motion of the Provost. Anyone may make a motion that an item be removed from the consent calendar when the consent calendar is presented by the Provost during the opening business session of the Annual Conference session. Adoption of the Consent Calendar by vote of the conference shall be deemed action on all calendar items on the Consent Calendar.

Organizations, institutions, and special interest groups included in the consent calendar will not be scheduled for live plenary time unless the Annual Conference planning committee extends a specific invitation or grants an exception; instead, such organizations are asked to develop video presentations of no more than 3 minutes in length. These videos will be shown throughout the Annual Conference at the discretion of those responsible for scheduling.

3120 Matters Regarding Finance or Funding. To ensure adequate understanding by conference delegates of any motion requiring conference, district, local church, or individual member funding or financing, the motion must be either in the Pre-conference Journal or brought to the floor of the Annual Conference session at least 12 hours prior to vote. The maker of the motion shall present a line item budget and identify a source of funding at the time the motion is made.

3125 Reports and Recommendations. Each conference board, commission, or committee shall separate its report for the past year from its recommendations for the coming year, so that a vote for the acceptance of the report is not a vote for acceptance of the recommendations.

- 3130** **Distribution of Materials at Annual Conference.** Any materials distributed at the Annual Conference session shall clearly identify the author or sponsor of the material. Any material to be distributed by the Conference pages shall first be authorized for distribution by the Conference Secretary or designee.
- 3200** **Parliamentary Procedures**
- 3205** **Robert’s Rules of Order.** In any parliamentary situation not covered by the Conference Rules, the Annual Conference session may appeal to Robert’s Rules of Order Newly Revised for guidance. It is preferred that main motions be prepared in writing and handed to the Conference Secretary when presented (particularly when long or complex); in accordance with *Robert’s Rules of Order*, the chair may require that a main motion, or any other motion, be submitted in writing when presented.
- 3210** **Second.** A report of a committee presented to the Conference for action does not require the formality of a second.
- 3215** **Exceptions to Majority Vote.** Twenty-percent (20%) of those present and voting shall be able to remove an item from the Consent Calendar for consideration by the body. Two-thirds vote shall be required to suspend or amend the rules. A call for the previous question is a motion to suspend the rules and therefore requires a two-thirds vote. Any voting requirements established in the *Discipline* take precedence over conference Rules (particularly with reference to conference relationships of clergy members).
- 3220** **Non-debatable Motions.** The following motions shall be acted upon without debate:
- To adjourn, except to adjourn the Conference finally
 - To suspend the rules
 - To lay on the table
 - To take from the table
 - To call for the previous question (see rule below)
 - To reconsider a non-debatable motion
 - To limit or extend the limits of debate
 - To take time for prayerful discernment
- 3225** **Previous Question.** In debate, any member who moves the previous question shall indicate to what it is intended to apply, and if the mover of the motion does not indicate, it shall be taken to apply only to the immediately pending motion. The call for the previous question will be considered without debate and shall require a two-thirds vote of those present and voting for its adoption. If it is adopted, the motion or motions to which it applies shall be taken without further debate except that a final speech by the chair of the committee giving the report is always in order before the vote is taken.
- 3230** **Secondary Motions.** If any one or more of the following motions is made when another motion is pending, the order of their precedence in relation to one another shall be the same as the order of their listing below:
- To fix the time of adjournment
 - To adjourn
 - To lay on the table

To order the previous question
To limit or extend the limits of debate
To postpone to a given time
To commit or refer
To amend or to amend by substitution

3235 Motion After a Speech. No delegate, immediately after discussing a pending question and before relinquishing the floor, may make a motion which if adopted, would limit or stop debate.

3240 Substitutions. When a resolution or report is before the body for consideration, a substitute motion may be offered by any member moving that the same be substituted for the report, resolution, or amendment under consideration. The substitute shall be an alternative to what is before the house and not simply a negation of the main motion. The question shall be put first on the motion to substitute, followed by the motion to adopt the report or resolution.

3245 Tabling motions. The motion to lay on the table carries with it all motions to which it adheres and all subsidiary motions that adhere to it.

3250 Final adjournment. A motion for final adjournment of the Annual Conference shall be *sine die* and all unfinished business will remain unfinished.

3300 Rules Regarding the Election of General & Jurisdictional Conference Delegates and Alternates. The following standing rules are to govern the election of Lay and Clergy Delegates and Alternates to General and Jurisdictional Conferences.

3305 Composition of Delegation. The NMAC Delegation shall comprise: General Conference Delegates [as per *Discipline* ¶ 502] (currently one clergy delegate and one lay delegate, who shall also serve as delegates to the Jurisdictional Conference); Jurisdictional Conference Delegates: [as per *Discipline* ¶ 514] (currently an additional one clergy delegate and one lay delegate, who shall also serve as reserve delegates to the General Conference); and Alternate Delegates to the Jurisdictional Conference: two additional clergy delegates and two additional lay delegates.

3310 Qualification and Nomination of Delegates.

3310.05 Qualification of Lay Delegates. Lay delegates and their alternates shall have been professing members of The United Methodist Church for at least two years next preceding their election and shall have been active participants in The United Methodist Church for at least four years next preceding their election. They shall be members of a church in the NMAC at the time of their election. There is no age requirement for election. The lay delegates shall be elected by the lay members of the Annual Conference; clergy members may not vote for lay delegates. [*Discipline* ¶ 36]

3310.10 Qualification of Clergy Delegates. Clergy delegates and their alternates shall be elected from the clergy members in full connection with the Annual Conference. The clergy delegates shall be elected by the clergy members who are deacons and elders in full connection, associate members, and those provisional members who have completed

all of their educational requirements and local pastors who have completed course of study or an M. Div. degree and have served a minimum of two consecutive years under appointment immediately preceding the election. Affiliate clergy members and lay members may not vote for clergy delegates. [*Discipline* ¶ 35, ¶ 327.2, and ¶ 602(a), (b), (c), and (d), and as printed in the errata dated 11/01/2013, per Judicial Council decision #1181]

- 3310.15** **Nomination.** No formal nomination is required. Any qualified person receiving votes is deemed nominated. In advance of the Annual Conference session where lay delegates will be elected, the Conference/District Lay Leaders may request lay members interested in becoming a delegate to provide a notice of interest/qualification [in the form and content as established by that Lay Leadership of the Annual Conference] which shall be distributed to the Lay Members of the Annual Conference at or prior to the Annual Conference session for an election. At the Laity Meeting of that Conference session, the Conference Lay Leader may provide a scheduled introduction to the Laity of the Session of all lay members expressing an interest in becoming a delegate.
- 3315** **Time of Election.** Election of delegates shall be at the session of the NMAC held not more than two Annual Conference sessions before the calendar year preceding the session of the General Conference, and in conformance with *Discipline* ¶502.3. The determination of which Annual Conference session the election will take place will be the responsibility of the Conference Ministry Team (CMT), with input from the current delegation.
- 3320** **Vote Required for Election.** A delegate is elected upon receiving a number of votes equal to a simple majority of the ballots cast in that balloting round, counting only lay ballots toward a lay election and only eligible clergy ballots toward a clergy election. Ballot rounds will continue to be held at the session until the entire Delegation is elected.
- 3325** **Order of Election.** The General Conference Delegates shall be elected first, then the Jurisdictional Delegates, and then the Alternate Delegates. When voting for Alternate Delegates, each ballot round will call for the total number of Alternate Delegates to be elected. For example, if electing three Alternate Delegates, the ballot may include up to three names.
- 3330** **Lay Member Alternates.** If a lay member is going to be absent from the floor, the lay member may entrust his or her voting device or Ballot Book to an official alternate from the lay member's church. Alternates may vote if they have the voting device or official Ballot Book in hand at the time of the vote of a ballot round. There are no alternates for clergy members.
- 3335** **Written Ballots.** When electronic voting is not available, the following sub points under rule 3335 shall govern the use of written ballots.
- 3335.05** **Official Ballots.** Votes will be counted if cast using the official ballot book distributed at registration and if cast on the ballot page announced by the Bishop for that ballot round. Voting on a ballot page other than the page announced by the Bishop will result in that ballot being disqualified. Members are responsible for ensuring they have been

issued the appropriate lay or clergy ballot book at the time of registration. Members are advised to clearly identify their ballot book as their own. Members are further advised to begin using the numbered balloting pages as the ballots, and not the pages at the back of the ballot book provided to record ballot round results.

- 3335.10** **Order of the Day.** When a ballot round has been tallied and is presented to the Bishop, the reading of the ballot results and the next round of balloting shall be the order of the day.
- 3335.15** **Legibility and Discernibility of Ballots:** Tellers will count all votes that are legible and discernible as to the intent of the voter. The Head Teller, the appointed Rules Committee Member, and the Conference Secretary shall be the final arbiters of the discernibility of a ballot.
- 3335.20** **Distribution of Additional Ballots:** In the event all ballots in the Official Ballot Books are used, new ballots will be distributed to those possessing used Ballot Books.
- 3340** **Form of Ballot.** Members must vote for no more than the number of delegates or alternates to be elected in that round of balloting (i.e., if seeking to elect one delegate, only ballots with one vote for one name will be counted; if seeking to elect three alternates, only ballots with up to three different names on them will be counted.). Voting for more than the number to be elected on that round of balloting (or voting for the same name multiple times) will result in that ballot being disqualified. Voting for the maximum number of different names at each round of balloting will shorten the time required to elect alternates.
- 3345** **Displaying of Election Results:** Results of a ballot shall be displayed on the multimedia screens only upon the direction of the Bishop.
- 3350** **Limits on Floor Discussions.**
- 3350.05** **What is in Order During Balloting:** After the Bishop has read the results of a ballot and before the next round of balloting is announced, the following two matters may be raised from the floor:
- Questions regarding the voting and election process
Statements by persons receiving votes who wish to decline election
- 3350.10** **Decorum:** No campaign speeches for or by any candidate may be offered from the floor of the Conference Meeting.
