- 2505** **Active Clergy Benefits.**
- 2505.05** The Conference Board of Pensions and Health Benefits utilizes the following plans for active clergy:
- Pre-1982 Plan.** Supplement One to the Clergy Retirement Security Program provides pension benefits for clergy with service years prior to 1982. This is a defined benefit plan.
- Clergy Retirement Security Program (CRSP).** CRSP is a mandatory plan with Wespath. This plan has both a defined contribution component and a defined benefit component and is for clergy with service years after December 31, 2006. CRSP replaced the Ministerial Pension Plan (MPP) for clergy with service years after 1981 and before 2007. Funds invested in MPP continue to earn income but no new contributions are being received. Due to General Conference 2012 legislation, new provisions for the CRSP were enacted January 1, 2014. Those changes are as follows: only clergy appointed half-time or greater are eligible to earn benefits in the CRSP; and clergy appointed one-

quarter time are no longer eligible to earn CRSP benefits, but will be enrolled in the United Methodist Pension Plan (UMPIP). The salary paying unit will pay for this benefit.

United Methodist Personal Investment Plan (UMPIP). The UMPIP is a plan provided by Wespath for personal pension contributions from active clergy. This plan is governed by section 403(b) of the Internal Revenue Code. Contributions are allowed by payroll deduction only. The salary-paying unit must send the personal contribution to Wespath. Contributions may be tax-paid or, by meeting provisions of the plan, tax-deferred. Maximum allowable contributions are established by federal law.

Comprehensive Protection Plan (CPP). The CPP is a mandatory benefits plan that provides death and disability benefits for United Methodist clergy and families, as well as annuity benefits for surviving spouses and educational benefits for surviving children. The benefits and cost are established every four years by General Conference and administered by Wespath. Disability coverage with CPP provides 70% of plan compensation, capped at 200% of the Denominational Average Compensation, with Social Security disability approval assumed and benefits offset. A full schedule of current benefits provided by the CPP is available in the Conference Benefits Office. Due to General Conference 2012 legislation, numerous changes were made to the CPP in both the death benefits payable and the revisions to the disability benefits. A full schedule of current benefits provided by the CPP is available in the Conference Benefits Office.

UMLifeOptions. Clergy Supplemental Life Insurance is a supplemental plan sponsored by the NMAC through Wespath. This plan provides a life insurance benefit to active clergy serving at 75% or greater (if eligible for and enrolled in the CPP), their spouses, and retired clergy. This death benefit is in addition to that already provided through the CPP. Clergy serving at 75% or greater that participate in the CPP are automatically enrolled in this plan upon appointment. A full schedule of current benefits provided by the UMLifeOptions plan is available in the Conference Benefits Office.

Health Insurance. A medical insurance plan for active clergy and lay employees, as selected by the Conference Board. Since 2000, we have been insured with HealthFlex Exchange, a program established and administered by Wespath for United Methodist clergy, lay employees, and their families.

In an effort to provide health care benefits for the conference’s retirees well into the future, the conference must continue to look at a variety of methods to manage this liability. Those clergy persons considering retirement are encouraged to check with the Conference Benefits Office to verify benefits available in retirement, and the associated cost of those benefits.

2510.15 Health Insurance for Retired Clergy—Exchange. Since January 1, 2012, the NMAC in connection with Wespath has utilized the private Medicare-exchange, OneExchange, previously known as Extend Health, to provide a choice of Medicare Supplement and

Medicare Advantage health insurance plans for the Conference’s current and future Medicare-eligible retirees. These plans will be combined with an individual Health Reimbursement Account (HRA) for each retiree and spouse, as applicable. (Retirees who are under age 65 and not Medicare-eligible, must be maintained in the active plan. See following section.)

2510.20 Health Insurance for Retired Clergy—HRA. The NMAC currently funds the HRA within the plan chosen by the retiree at a maximum of \$250/month, or \$3,000/year, with which the retiree may choose to pay health care premiums and other health-related expenses. This amount will be calculated based on years of service within the NMAC/NWTX Episcopal Area, and may be funded on a year by year basis as long as financially feasible.

2510.25 Health Insurance for Retired Clergy—HRA Funding for Retirees with Less than 20 years of Service. For those clergy with fewer than 20 years of service in the NMAC, a percentage of the full fixed amount will be paid into their HRA account according to the following chart:

Years of Service in New Mexico or Northwest Texas Annual Conferences																	

2510.30 Medicare Benefits for Retired Clergy. Retirees who are under age 65 and not Medicare-eligible, *may* be maintained as “actives” for medical insurance coverage, until they and their spouse reach Medicare eligibility. For the year 2016, the Annual Conference shall pay \$250 per month or percentage per chart above for those retiring before Medicare eligibility, with those retirees paying the “actives” premium cost difference until they and their spouse reach Medicare eligibility.

Upon attaining Medicare eligibility, the retiree who has opted out of the conference insurance may opt back into the health insurance program in place at that time for Medicare eligible retired clergy. However, if they do opt back into the health insurance

they will not receive any conference contribution to help offset the cost of the supplemental coverage.

For clergy with pre-1982 denominational service years, the Annual Conference shall grant a 5% per pre-1982 service year credit toward the “actives” premium cost difference, until Medicare eligibility age is reached.

- 2510.35** **Benefits for Retiree Spouses and Dependent Children.** The amount of medical insurance paid for retiring clergy shall also apply to the clergy person’s spouse, surviving spouse, or dependent children. When the surviving spouse (under age 65) of a minister who was a member of the conference medical insurance program remarries, he/she is no longer eligible for insurance under the conference plan. When the surviving spouse becomes 65, even if remarried, he/she again becomes eligible for the conference Medicare supplemental insurance plan. The Annual Conference shall pay the medical insurance premium for dependent children of deceased ministerial members of the Annual Conference, with no relation to the surviving spouse’s marital status.
- 2510.40** **Annual Actuarial Study.** The conference Board of Pension and Health Benefits shall conduct an annual actuarial study of the Annual Conference’s Post-Retirement Medical Liability.
- 2515** **Lay Employee Benefits.** The Board offers the following plans for lay employees of the conference, its local churches or agencies, at the discretion of their employing church or agency.
- 2515.05** **UMPIP.** The United Methodist Personal Investment Plan (UMPIP) is a pension plan for lay employees of the United Methodist Church, administered by Wespath. Local churches may elect to adopt this plan to provide a pension benefit for their lay employees.
- 2515.10** **Health Insurance/Health Care.** The conference health care program may be adopted for lay employees of the conference, church or agency.
- 2515.15** **UMLifeOptions.** UMLifeOptions Long-Term Disability and Life Insurance is available for lay employees through Wespath. Local churches may elect to adopt this plan to provide a life insurance benefit, disability income protection, or both, for their lay employees. Local churches can contact the New Mexico Conference Office if they are interested in sponsoring this plan.
- 2520** **Method of Funding and Funding Plans.** *Discipline ¶1506.6* requires that each Annual Conference develop, adopt and implement a formal comprehensive funding plan for funding all of its benefit obligations. The funding plan shall be submitted annually to Wespath for review and be approved annually by the Annual Conference, following the receipt and inclusion of a favorable written opinion from Wespath. A copy of the current funding plan is available from the Conference Benefits Officer.

2525 Insurance Plans for Active Clergy.

2525.05 The Annual Conference shall adopt a funding method for paying medical insurance premiums for active full-time appointed clergy. As voted by the 2004 Annual Conference, we use the actual cost funding method.

2525.10 Every church/charge with full time appointed Clergy under the age of 65 must offer health insurance to full time clergy under appointment.

2525.15 Every church/charge shall pay at least the billed medical insurance defined contribution amount for participating clergy. If approved by the church, clergy may enroll other eligible family members, and the church will be required to pay the billed amount plan for the pastor, pastor +1 or pastor + family premium.

2525.20 The Conference Board of Pensions and Health Benefits introduced HealthFlex Exchange for all participants that began January 1, 2017. It also provides a platform where participants “shop” for a health plan, while giving plan sponsors (the church) more predictability over health care costs. This gives HealthFlex participants greater flexibility in choosing the level of coverage that fits their preferences and budget.

2530 Direct-Billing Procedures. Every salary paying unit will be billed directly every monthly from the conference benefits office. Payments shall be due by the 20th of each month.

2530.05 Billing/Payment for UMLifeOptions. Every church/charge shall pay the premium costs of UMLifeOptions (UMLO) for its eligible appointed clergy. Bills for the premium costs of UMLO and 100% of medical insurance shall be sent monthly from the conference office to each salary paying unit (e.g. church/charge). Payments shall be made by the 15th of each month to the conference office.

2530.10 Billing/Payment for Comprehensive Protection Plan (CPP). Effective January 1, 2016, billing for the Comprehensive Protection Plan (CPP) to each salary paying unit (church, Wesley Foundation, District Superintendents' Fund, etc.) shall be at 3% of plan compensation for each eligible participant enrolled in the CPP.

2530.15 Health Insurance Premium Billing/Payment for those on CPP Disability

For those clergy persons approved for disability through the Comprehensive Protection Plan (CPP) prior to January 1, 2012, the Annual Conference shall pay medical insurance premiums or applicable amount of Health Reimbursement Account through the budget of the Board of Pension and Health Benefits according to the rate and coverage level (either single or family coverage) at which the participant was enrolled at time of his/her disability.

For those clergy persons approved for disability through CPP on or after January 1, 2012, the Annual Conference shall pay 100% of the single medical insurance premium through the budget of the Board of Pension and Health Benefits for the clergy person for as long as he/she remains on CPP-disability. If the clergy person wishes to provide coverage for his/her spouse (and children, if applicable), the Annual Conference shall pay the medical insurance premium for family coverage at 100% for the first year of CPP disability (for

twelve months from date of CPP disability), and 50% for the second year of CPP disability (beginning with the thirteenth month from the start date of CPP disability), with the clergy person paying the remaining 50% of the premium costs associated with family coverage. Beginning the third year of CPP-disability (beginning with the twenty-fifth month from the start date of CPP disability), the participant shall pay 100% of the premium costs associated with maintaining his/her family in the conference health insurance plan.

- 2530.20 Health Insurance Premium Billing/Payment for Others.** Medical insurance premiums for the Conference Provost, District Superintendents, campus ministers, evangelists, and missional personnel as approved by the Annual Conference shall be paid out of the conference budgets for those persons. Medical insurance for all other fulltime active clergypersons shall be the responsibility of the salary-paying unit.
- 2530.25 Billing/Payment for UMPIP.** Clergy and lay employees who elect to participate in the United Methodist Personal Investment Plan (UMPIP) will continue to be billed by and remit contributions directly to Wespath.
- 2530.30 Cancellation of Coverage.** The Board of Pension and Health Benefits is committed to providing insurance coverage as a part of the covenant between Annual Conference and clergy. However, the Board of Pension and Health Benefits may, in consultation with the Bishop and Cabinet, cancel insurance coverage for non-payment of premiums after three months of non-payment.
- 2530.35 Unpaid Obligations.** The Conference Benefits Officer shall report annually to the Board the name of each pastoral charge with an unpaid obligation to the Pensions Program of the United Methodist Church, either from unpaid proportional payments or conference shared ministries. (See ¶639.4 of the *Discipline*). Each church in default shall receive a cumulative statement of amounts in default. All payments for prior years of unpaid proportional payments and unpaid shared ministries shall be sent to the Conference Treasurer, designating the year in which the delinquency occurred. The Conference Benefits Officer shall report annually to the Board all unpaid insurance premiums. Unpaid insurance premiums or shared ministries shall continue as a debt to the church/charge responsible. Each church in default shall receive a cumulative statement of amounts in default.
- 2535 Support Funds.** Grant monies may be available to clergy from the conference board's Consolidated Grant Fund, as well as other available sources. Surviving spouses of retired clergy may receive assistance from the Kornegay Fund. Clergy with unanticipated medical expenses may qualify for assistance from the Farmers Fund with Wespath. All grant requests should be sent to the Conference Benefits Officer at the Conference Office.
- 2535.05 Restrictions Regarding Support Funds.** Funds and earnings on deposit with Wespath shall be restricted for providing benefits programs, and funding retiree benefits.

2535.10 **Grants.** Grant monies may be available for those active clergy needing assistance for unanticipated medical expenses. An active clergyperson in need of financial assistance is encouraged to contact his/her district superintendent for information.

2535.15 **Insurance Support Fund.** The Board of Pension and Health Benefits provides clergy (active and retired) of the NMAC, as well as their spouses, surviving spouses or surviving dependent children (including adult dependent children) the opportunity to apply for grant assistance.

This policy has been adopted with the purpose of providing grants to active and retired clergy to assist with the payment of unexpected health related expenses incurred by clergy member or his/her dependent family member, which are not covered under current health plans. Items that have been covered with the Insurance Support Fund grants are hearing aids, dental expenses, and travel expenses for medical care, prescription costs, necessary medical supplies, and vision care.

Applications may be requested from the Board of Pension and Health Benefits or the Conference Benefits Officer. The application must be completed by the participant or a person authorized to act on the participant's behalf. Applicants must submit any additional information sought by the reviewing committee in order for the grant to be approved.

The grant amount is maximum \$5,000 per family, per year, whether active or retired. Each request will be reviewed on an individual basis. An applicant may apply several times during the year, but any grants awarded will not total in excess of \$5,000. All applications are confidential and only seen by members of the Board of Pension and Health Benefits sub-committee.

2535.20 **Wellness Support Fund.** The Board of Pension and Health Benefits will provide a new grant opportunity for clergy, clergy spouses, and their dependent children to proactively improve their spiritual, mental and physical health. After any insurance or other financial help is taken into consideration, any clergy under full-time appointment may apply to the Board of Pension and Health Benefits for up to 75% of their uncovered expense. Items that may be considered include, but are not limited to, spiritual direction; coaching; help with weight loss; and physical fitness training, facilities, and equipment.

Requests will be reviewed by the Board of Pension and Health Benefits sub-committee and all requests will remain confidential. If approved, the sub-committee will decide what percentage of the request will be funded. Disbursements may be made on a one time or repeating basis, depending on the nature of the request. However, only one grant per clergy household will be funded at a time. Applications may be found on the conference website. Applications may be requested from the Board of Pension and Health Benefits or the Conference Benefits Officer.

2540 **General Information Regarding Health Benefit Plan Administration.** It is the responsibility of the conference Board of Pension and Health Benefits to choose a health care program that best serves the needs of the Annual Conference. The Board of

Pension and Health Benefits shall review benefit plans, adoption agreements, and coverage at least every three years.

- 2540.05** **Active Clergy on Medicare.** Active clergy on Medicare (those age 65 and over), appointed to full-time service within the Annual Conference, are required to give written notification of their employment status to the Board. The church must turn in to the Conference Benefits Officer a Small Employer Exception form in order for Medicare to be primary, otherwise Medicare will be secondary and the regular HealthFlex premium will be due rather than the current retiree health reimbursement amount.
- 2540.10** The benefits and agreements regarding the conference health care program are subject to change by any Annual Conference and are not guarantees of future benefits.
- 2540.15** Between sessions of the Annual Conference, the Board of Pension and Health Benefits may make and implement decisions necessary for maintaining the integrity of the health care program as approved by Annual Conference. Such decisions shall be reported to the Bishop, Cabinet, Council on Finance and Administration, and Board of Ordained Ministry, and to the subsequent Annual Conference session.
- 2540.20** The Conference Benefits Officer shall administer the conference health care program, which shall include handling enrollment, monitoring eligibility, maintaining accurate records for insurance purposes, maintaining records of medical reimbursement accounts through HealthFlex, sending bills and receiving payments through the direct billing program, and (in conjunction with the conference Treasurer) make premium payments in a timely fashion.
- 2540.25** District Superintendents shall promptly inform the Conference Benefits Officer of any status change for clergy, so that proper pension and benefits coverage may be maintained.
- 2540.30** As elected in the adoption agreements for various plans, clergy appointed to attend school, a leave of absence or a sabbatical leave may continue in the conference-sponsored health plan at their own expense for one year.
- 2545** **General Information Regarding Pension and Retirement Plan Administration.**
- 2545.05** **CRSP.** All clergy persons appointed to either a local church or charge at 50% or greater will be automatically enrolled in the CRSP. Any clergyperson serving less than a fulltime appointment may, at his or her voluntary election, waive participation in CRSP by signing a "Waiver of Participation" form. This form must be notarized and filed with the Conference Benefits Office. Clergypersons appointed less than full-time will be automatically enrolled in CRSP unless and until a waiver of participation is signed and submitted to the Conference Benefits Office.
- 2545.10** **UMPIP.** All clergy persons appointed to a local church or charge at less than 50% will be automatically enrolled in the UMPIP. Should any clergy person serving less than 50% not wish to participate in the UMPIP, he or she, by voluntary election, may waive

participation in the UMPIP by signing a “Waiver of Participation” form. This form is to be notarized and filed with the Conference Benefits Officer. It shall be assumed that clergypersons appointed less than 50% are to be enrolled in the UMPIP unless and until a waiver of participation is signed and submitted to the Conference Benefits Officer.

2545.15 Clergy granted retirement by the NMAC and receiving an annuity from Wespath may participate in the health care program, with eligibility defined by the plan documents.

2545.20 The Conference Benefits Officer shall maintain a list of all retired clergy, spouses, surviving spouses, dependent children of deceased clergy, and clergy on Incapacity Leave.

2550 Retiree Events

2550.05 Retiree Support/Events at Annual Conference. The Conference Board of Pension and Health Benefits may sponsor a retirees’ luncheon at Annual Conference. All retirees will be reimbursed up to \$500.00 for Annual Conference expenses. This will include Conference registration, hotel costs, meal costs, and/or travel expenses. This includes retiree’s spouse. Receipts will need to be included with the request for reimbursement. Requests for reimbursement shall be made to the Conference Benefits Officer within sixty (60) days of the last day of Annual Conference.

2550.10 Retired Ministers’ Day and Offering. In order to assist retirees with extraordinary non-medical expenses, the first Sunday in November (or a Sunday close to it) will be set aside as Retired Ministers' Day. This offering will be taken in even-numbered years. The Retired Ministers’ Day offering also serves to recognize retired clergy and to distribute educational information concerning the pension programs of the church.

2555 Rental/ Housing Allowances for Retired Ministers.

2555.05 An amount equal to 100% of the pension or disability payments received from plans authorized under the *Discipline*, which includes all such payments from Wespath during the year by each retired or disabled clergyperson who is or was a member of the conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such clergyperson.

2555.10 The pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this conference or that a retired or disabled clergyperson of this conference rendered to any local church, Annual Conference of the church, general agency of the church, other institution of the church, former denomination that is now a part of the church, or any other employer that employed the clergyperson to perform services related to the ministry of the church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such

retired or disabled clergyperson's pension or disability as part of his or her gross compensation.

2555.15 NOTE: The rental/housing allowance that may be excluded from a clergyperson's gross income in any year for federal income tax purposes is limited under Internal Revenue Code Section 107(2) and regulations there under to the least of: (1) the amount of the rental/housing allowance designated by the clergyperson's employer or other appropriate body of the church (such as this conference in the foregoing resolutions) for such year; (2) the amount actually expended by the clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

2600 **Policies and Procedures Pertaining to Equitable Compensation**

2605 **Base Salary.** A base salary in each category is set according to a predetermined percentage of the Annual Conference average cash salary (conference average compensation less housing) for the year. For a Student Local Pastor, the percentage is 60%, for Full-Time Local Pastors, the percentage is 63%. For Associate Members, 65%, for Provisional Members, 67%, and for members in full connection, 72%. The Commission on Equitable Compensation (CEC) will report updated figures on an annual basis, with the dollar amounts published in the Conference Journal.

2610 **Procedures for Requesting and Payment of CEC Funds.**

2610.05 **Amounts.** Money from all sources (except CEC funds) to be applied to the pastor's compensation and travel shall be totaled. When the amount is less than the amount set for the base compensation for the pastor's category, the district superintendent shall work with the church or charge to plan for the pastoral support from the CEC under the guidelines for Mission Pastoral Assistance, Base Compensation Assistance, or short term Special Pastoral Assistance.

2610.10 **Timing.** Requests for CEC support shall be made for a 12-month period beginning January 1 and concluding December 31 of the same calendar year. Requests for funding for the remainder of a year can be made at such time as the pastor's compensation may be adjusted by charge conference action, by change of appointment, or by other conditions.

2610.15 **Payment.** Payment from the basic compensation funds shall be made by the conference treasurer after receiving both a written request from the district superintendent and written approval by the CEC chairperson. The conference treasurer shall mail the monthly checks directly to pastors so that they are received by the end of the month for services rendered. Payments for travel, housing, insurance or pension support shall be paid to the responsible agency or charge as directed by the CEC, in consultation with the district superintendent.

2610.20 **Pension Obligations.** The pension obligation due on the amount of the compensation paid by the CEC fund shall be the responsibility of the CEC and shall include the adjustment for housing on that amount of compensation.

2610.25 Additional Eligibility Considerations. In some instances, for missional reasons, consideration may be given to make funds available for the deacon in full connection when the primary appointment is to a local church. Salary shall not be less than the minimum compensation established for elders. A retired ordained minister appointed to a pastoral charge shall not have a claim upon minimum compensation from the Commission on Equitable Compensation.

2615 Types of Pastoral Assistance Available Through CEC

2615.05 Mission Pastoral Assistance. Mission pastoral support is provided for churches or charges in communities that in the judgment of the local church leaders, the district superintendent and the cabinet offer little potential at present for numerical growth and self-support for the church. The intent for CEC pastoral support is to free up the church for ministry in the community. Attempts will be made to strengthen the self-support potential of the charge by combining with nearby churches, joining other community groups or by developing new ministries to reach unchurched groups in the community prior to requesting this status. The church may be designated a mission charge if it is deemed important to continue a United Methodist presence in the community.

In order to support the unique ethnic diversity in the NMAC a mission charge/church is eligible to receive up to 100% compensation upon recommendation of the District Superintendents and the Bishop if a conference related pastor is assigned to the church or charge. The cabinet is asked to consider the possibility that the church could be served by a less than full-time pastor to provide the pastoral leadership needed at the most basic level possible. Travel between two or more churches on a mission charge will be provided at the CEC rate as per agreement between the district superintendent and the CEC.

Assignment of mission charge status indicates that self-sufficiency is not possible at this time. This status must be reviewed annually. The district superintendent will be asked each year to reapply for this status for the charge and to give cause why this charge should be continued as a mission charge.

2615.10 Base Compensation Pastoral Assistance. A base compensation church or charge is one that regularly provides no more than the base compensation for its pastor and that needs assistance in providing that compensation. It is a church or charge perceived to have potential toward self-sufficiency and to provide a valuable and growing ministry in its community. It is expected that most of the charges receiving CEC compensation supplements will be base compensation charges. The process for providing assistance will be as follows:

Each church or charge applying for base compensation support will apply for a five-year term. The initial application will follow a formulation by the church of a specific five-year plan for growth in several areas of its life. The formulation will come as a result of a consultation process between the church or charge, the district superintendent and the CEC. The five-year plan should address whatever needs the church or charge sees as important but must address the areas of evangelism and stewardship.

The five-year plan will become the vehicle for accountability. Each church or charge will be asked to make a brief annual report of their progress toward the five-year goals and any intermediate goals they may have set. The plan may be altered only by permission of the CEC requested through the district superintendent.

The funding request for each year will be part of the church/charge budgeting process based upon the church/charge's five-year commitment. Compensation supplement requests from the church/charge will be made in writing to the district superintendent, who will present the requests to the CEC.

With any change of pastoral appointment, it is the responsibility of the district superintendent to instruct the new pastor about the church/charge's plan and the process by which funding will be continued.

During the last year of a five-year plan, the district superintendent will institute a thorough review and evaluation of the church/charge. One or more members of the CEC shall be included in the review process by whatever means is agreed upon by the CEC member(s) and the district superintendent. This process may differ from church to church to meet the needs of the church, the district superintendent and the CEC.

If a charge cannot become self-sufficient after five years, the district superintendent will help the charge plan for ministry by the use of less than full-time pastoral support, combination of charges, or other alternative means.

As a general rule, base compensation churches/charges will be responsible for 70% of the base compensation and CEC will be responsible for no more than 30%. Exceptions may be made to this policy upon recommendation from the District Superintendents and the Bishop in the consultation with the Commission of Equitable Compensation. Travel assistance between two or more churches in one charge will continue to be available; however, the mileage rate will be based on the mileage formula as set by the Annual Conference for travel expenses for conference boards and agencies within the Annual Conference (currently \$0.348 per mile). A church planning toward self-support should consider the responsibility of travel as well as compensation.

Churches/Charges receiving "travel only" support must be placed in one of the three categories. The process for receiving travel support will be the same as receiving compensation support for that category. In exceptional cases, the CEC may grant one year of travel assistance on request of the district superintendent while the church/charge enters the appropriate process to request further assistance.

2615.15

Short Term Special Pastoral Assistance. A church may need short term compensation assistance to accomplish a particular task related to expansion of its ministry. This may include the addition of a new outreach ministry or a revitalization project, establishing or strengthening an ethnic minority congregation, or adding a second congregation in an outlying area or other growth-related projects; or a church may occasionally need to correct an inequality in a compensation package. The CEC can help fund a limited

number of such projects and consideration of other sources of funds must precede requests for CEC funding.

This is basically a grant for a specific project. Application for such assistance should be made for the church through the district superintendent. The goals for the project must be stated clearly. Assistance will be granted for a specific time not to exceed five years, and provided on a decreasing scale, and will not be renewable. The terms for the amount of assistance for each year of the plan will be agreed upon at the beginning of the project.

The compensation need not be limited to the base level; however the maximum amount that can be granted from the CEC in the first year of the project will be 50% of the base compensation for the pastor appointed to the church/charge. Written application to the CEC must be made by the district superintendent and approval must be granted before appointments are made based upon these funds because of the limited availability of funds.

2620

Basic Compensation and Travel Levels for Established Churches. Any monies paid the pastor by the local church/charge above or in addition to compensation and travel shall be excluded from basic compensation as computed in the section. Churches are encouraged to not pay the pastor's portion of monthly insurance premiums. On charges of two or more churches, funds may be requested for travel expenses by the district superintendent according to the mileage formula as set by the Annual Conference for travel expensed for boards and agencies within the Annual Conference.

Reimbursement for travel between churches on a charge is to be considered over and above the amount requested for basic compensation support.

The maximum allowable to any charge under this provision is the total of the pastor's basic compensation plus the mileage formula agreed upon by the district superintendent and the CEC. The CEC will be responsible only for the amount of the total, which is not paid by all other sources.

2625

CEC Loan Fund to assist Ministers Moving Within the Conference. The CEC maintains a loan fund for the purpose of providing loans up to \$400.00 to assist pastors of the NMAC who are moving from one charge to another within the bounds of the conference and who are not eligible for moving grants. Loans are to be repaid within the conference year in which the loan was granted unless special arrangements are made with the approval of the CEC chairperson and on the following basis:

Monthly payments to complete repayment by the end of the conference year, or
Four equal payments at the end of each three-month period, or
Lump sum payment at any time during the conference year.

Applications for loans are secured from the CEC staff person in the Conference office. Upon approval of the receiving district superintendent and completion of a note, properly executed, the conference treasurer will issue a check to the pastor in the

amount of the note. These funds are administered by the CEC with the conference treasurer receiving all payments.

2630 CEC Assistance with Moving Expenses. The CEC is prepared to provide grants for moving expenses for seminary students returning or transferring to the NMAC, pastors moving within CEC congregations, pastors transferring into the NMAC by appointment to CEC churches, and/or other special need with prior approval of the district superintendent and the CEC.

Reimbursement for moving expenses as described above shall be based on \$1.50 per mile or actual receipted expenses, whichever is less, minus any amount received from other sources for moving expenses above the actual cost of the move. Expenses may include truck or trailer rental, motels, meals, and gas. All reimbursement requests are to be calculated on the basis of the most direct route. Application for moving grants should be made through the receiving district superintendent for approval by the CEC.

2635 Arrearage Policy.

2635.05 In the event that the local Church Treasurer becomes aware that the church will be unable to provide to the Pastor full payment of a regularly scheduled payroll or housing allowance installment, or to remit to the Conference Treasurer full payment for regular direct billed benefit payments such as pension and health care, the Church Treasurer shall immediately notify both verbally (within 24 hours) and in writing (within 3 days) the Pastor, the Lay Leader, and the Chairs of the Staff/Pastor Parish Relations Committee (S/PPRC), Finance, Trustees, and the Administrative/Church Council of the impending arrearage. Upon receipt of such notice, the Chair of S/PPRC and/or the Pastor shall immediately (within 3 days) notify the District Superintendent of the impending arrearage. It is the Pastor's responsibility to keep copies of all such written notifications, and to provide additional written confirmation to the District Superintendent when an arrearage has taken place. Failure to document salary or benefit arrearages may result in a loss of compensation and/or forfeiture of pension and benefits.

2635.10 Local Church Response. Upon receipt of notice of a pending arrearage, the Chair of S/PPRC shall immediately (within 24 hours) call a meeting of the Pastor, the Lay leader, and Chairs of Finance, Trustees, and the Administrative/Church Council to discuss the financial situation and seek remedies to prevent an arrearage from occurring. Such remedies may include drawing from invested funds, an emergency appeal for special giving from congregation, emergency grants, or loans from the District or Conference.

In accordance with *Discipline* ¶624, such remedies cannot include a reduction in the Pastor's full compensation until the beginning of the next Conference year.

2635.15 Response Beyond the Local Church. If, after consultation among the Lay Leader and Chairs of S/PPRC, Finance, Trustees, and the Administrative/Church Council, it becomes apparent that the church may be facing a long-term financial crisis, the Chair of S/PPRC shall notify in writing the Pastor and the District Superintendent that:

an Equitable Compensation Subsidy Grant may be necessary to maintain compensation for the remainder of the Conference year, or a change in pastoral compensation or appointment may be necessary at the beginning of the following Conference year.

2635.20 **Delinquency.** If the local church becomes delinquent in the Pastor's compensation (i.e. more than 30 days delinquent), then the District Superintendent shall notify the Commission on Equitable Compensation (CEC), which on its own initiative may do any or all of the following, but not limited to:

 sending a representative from CEC to meet with the local church and Pastor to seek resolution of the issue

2715.25 **Pippin Endowment Fund Grant.** The Pippin Endowment Fund was created from a gift to the New Mexico Conference of the United Methodist Church from the estate of Sara F. Pippin who resided in Clovis, New Mexico, and attended First United Methodist Church of Clovis. Purpose: The earnings from the Pippin Endowment Fund are to be used for mission work in New Mexico (Conference), including the training of Navajo Ministers.

Administration. The Pippin Endowment Fund as real property of the NMAC is administered by the New Mexico Conference Board of Trustees.

Distributions. Funds remaining for distribution from the Pippin Endowment Fund after payment of Foundation fees will be allocated among, and paid to applicants by the Conference Endowment Committee. In order to comply with the donor's request, a minimum of 20% of the net distributed funds shall be used for the training of Navajo Ministers, with the balance to be used to support mission work in the NMAC.

Eligibility. Organizations whose purpose is consistent with the stated purpose of the fund, and whose work is entirely or predominantly within the bounds of the NMAC may

apply for grants from the fund. Such organizations may include, Local Churches, Conference Boards and Committees, and other institutions within the NMAC. Grant requests for non-mission staff will not be considered.

Application Process. The Conference Endowment Committee shall set the application deadline following the receipt of distribution funds from the Texas Methodist Foundation. Advertisement for the receipt of applications shall be sent out by as many means possible to potential applicants. If practical, the application process should be open for a minimum of 4 weeks after the first notification of opening the application process. Applicants must provide the requested information in a legible form using the application provided. Applicants must provide requested signatures, and agree to the monitoring, evaluation and reporting process described on the Report Form by the application deadline.

Funding Criteria and Priorities. When seeking funding, applicants should attempt to address the following criteria: (1) Identify underserved constituencies, marginal communities, or individuals and populations in crisis or with pressing human or spiritual needs; (2) Connect direct services to strategies aimed at addressing the root causes of poverty, injustice, and human need; (3) Involve those who are being served in planning, goal setting, and decision making; (4) Work with other congregations, non-profits, and groups in the community and state supporting the purposes of the particular project; (5) Communicate through networks of others in the same ministries about resources, strategies, training, and other means of strengthening the ministry.

Ministries addressing the most pressing issues of the intended recipients, the most convincing strategies for meeting those needs and addressing these issues, and the innovation with which plans are conceived, will be given highest priority. For example, in the case for direct services provided to the constituent group, such as, in the case of a youth mission trip, funding would be considered first for materials (educational or building) to be used in the proposed project. Funding for travel/transportation, etc. will be given lowest priority and unless a compelling need is identified, such costs will not be funded.

Consideration will be given to the ratio between administrative expenditures and expenditures for direct services or activities intended for the carrying out of the stated purpose of the applying organization.

Disbursement of Funds. Announcement of Grants will be made within two weeks of the meeting of the Endowment Distribution Committee, and payment for the grant will be made within 45 days of the meeting of the Committee.

Accountability. The Conference Endowment Distribution Committee shall require accountability from the recipients of grants by: (1) Requiring accounting for funds granted; (2) To require reports from all recipients and to publicize the reports so that others may benefit from reported experiences; (3) To require that Pippin Endowment Funds granted will be spent within one year following the grant; and (4) To require recipients to return unused funds to the Conference Endowment Distribution Committee within 30 days of the close of the one year anniversary of the grant.

The Texas Methodist Foundation will invest all funds of the Endowment and Scholarship Accounts according to its investment policy. The Foundation will report annually to the Provost/Director of Congregational Vitality the value of the Endowment Fund, and the value of the Scholarship Fund, and what earnings will be credited through the calendar year.

The Texas Methodist Foundation will invest all funds of the Endowment and Scholarship Accounts according to its investment policy. Earnings will be transferred to the earnings account which shall be designated as "The Native American Ministerial Education Scholarship Fund." The Foundation will report annually to the Provost/Director of Congregational Vitality the value of the Endowment Fund, and the value of the Scholarship Fund, and what earnings will be credited through the calendar year.

In the event that earnings held in the Scholarship Fund total less than \$25,000, it is understood that scholarships may continue to be awarded under the first priority, and future earnings be used to replenish those funds expended. It is also understood that the Scholarship Committee may not withhold funds from qualified priority one scholarship recipients in order to build the scholarship fund beyond \$25,000. Undesignated Gifts to the NAMEE will be placed in the endowment fund unless specifically designated for the Scholarship Fund. Under no circumstances will principal of the endowment be invaded.

The Provost/Director of Congregational Vitality will communicate at least annually with the Board of Ordained Ministry, the Board of Diaconal Ministry, the Conference Board of Global Ministries, the Four Corners Native American Ministry, the Conference Commission of Race and Religion, and any other appropriate agency or board of the Conference, reporting the available funds and the conditions upon which funds may be released, paid and applied to the purposes of the Endowment.

2720.15 **Recruitment of Candidates for NAMEE Scholarship.** The Board of Ministry of the NMAC, working closely with the Bishop and cabinet, the Conference Provost/Director of Congregational Vitality, the Native American Ministries Committee, all local churches, and other related conference and district agencies, will create, initiate and supervise a program for the discovery and recruitment of candidates for scholarships from the United Methodist constituency among Native Americans in the NMAC, and for others for scholarships that do not fall within the first general priority.

2720.20 **Administration of the NAMEE Scholarship Programs.** The administration of the Scholarship Programs will be done by the Scholarship Committee of the Board of Ordained Ministry. When meeting on candidates specifically for the Native American Scholarships, it is expected that a member of the New Mexico Conference Committee on Native American Ministries be invited and present in the discussions related to the awarding of these scholarships. The Scholarship Committee of the Board of Ordained Ministries in conjunction with representatives from the Commission on Religion and Race, Native American Ministries Committee and the Conference Committee for Hispanic Ministries shall develop application forms and guidelines for the Native American Ministerial Education Scholarship program. The guidelines should address such issues as the length of time for which scholarships may be granted, initial qualifications; qualifications for renewal; methods for determining the Christian character of applicants; pay-back requirements (if required by committee) for successful applicants who do not in fact serve within the NMAC for a prescribed time, the types of schools and training that qualify for scholarships and such other issues as the committee may deem appropriate.

2800 **Policies Pertaining to the Local Church**

2805 **Pastor's Moving Expenses.** Churches that receive a new pastor shall pay the actual cost of his/her moving expenses up to \$1500. Churches receiving equitable compensation support and others with special needs, certified by the District Superintendents, may receive aid for cost of moving from the Equitable Compensation Commission.

2810 **Parsonage and Pastoral Housing Policies**

2810.05 **Parsonage and Housing Allowance.** We reaffirm our historic policy as the norm for clergy housing namely, that each local church or charge has a responsibility to provide a furnished parsonage, and to provide all utilities for the pastor as a part of his or her total support. In the spirit of flexibility and creative openness, we do authorize discussion between a pastor and his/her Pastor-Parish Relationship Committee and with the bishop and cabinet, which would permit the payment of a housing allowance in lieu of a parsonage, under the following guidelines:

 It must be mutually agreeable to (a) the pastor, (b) the church, and (c) the bishop and cabinet.

 That it be understood by the pastor, the church, and the cabinet that this agreement will not be a primary factor for consideration for future appointments for pastor or church.

 The local church/charge must either retain a parsonage or the capability of re-entering the housing market so that if the succeeding pastor desires or needs a provided parsonage, the church will be in a position to provide it.

 Where a housing allowance is provided, it must be sufficient to provide in that community an adequate rental house for the parsonage family that would meet average parsonage standards across the conference.

2810.10 **Parsonage and Housing Standards.** As regards the structure, no less than the following will be required:

- Three (3) bedrooms
- One and three-quarters (1-3/4) baths
- Living area
- Dining Area
- Kitchen, to include: stove, oven, refrigerator with freezer, and dishwasher
- Closet-storage space throughout the house
- Indoor laundry area with washer and dryer
- Garage or carport space
- Interior window coverings for privacy
- TV (cable or antenna) hook-up available, internet/phone connections

As regards the exterior, no less than the following will be required:

- Storage space for large items
- Lawn maintenance equipment
- Fenced yard

As regards safety, the parsonage shall be equipped with the following features:

Water and sewer service to meet state and local standards

Wiring and plumbing that meet state and local standards/codes

Carbon monoxide detector, smoke detectors in sleeping areas, fire extinguisher in kitchen

Sufficient exterior and interior lighting

- 2810.15 Parsonage Accessibility.** We fully affirm ¶2544 of the *Discipline*, which states that in all plans for new church buildings and parsonages and in all major remodeling plans adequate provisions shall be made to facilitate parking, entrance, seating, restroom facilities, and otherwise make facilities reasonably accessible for persons with handicapping conditions. Newly constructed or newly purchased parsonages shall include on the ground floor level one (1) room which could be used as a bedroom by a person with a handicapping condition, a fully accessible bathroom and laundry facilities.
- 2810.20 Parsonage Maintenance, Utilities and Repairs.** Upkeep and repair is the local church's responsibility. Utilities should be kept in the name of the church to ease pastoral transition. The church should annually include in the budget an amount for parsonage repairs. The budget item will enable the Trustees to have a consistent program of maintenance and improvement and allow for interior and exterior painting when deemed appropriate. All appliances and equipment should be checked and adjusted regularly. Parsonage families are responsible for repairs as needed for damages done by a member of the parsonage family or pets. The church should keep both the interior and exterior of the parsonage in such a state of decoration as to preserve its physical condition and aesthetic value. Avoid faddish styles and extreme approaches in decorating the parsonages. We suggest that congregations stay with neutral colors and allow residents to personalize with their own touches.
- 2810.25 Parsonage Insurance.** The local church Trustees should be certain that the church-owned house and contents are adequately insured. Public liability insurance should be carried on parsonage property. IT IS THE RESPONSIBILITY OF THE PASTOR TO INSURE PERSONAL PROPERTY BELONGING TO THE PASTOR OR FAMILY.
- 2810.30 Parsonage Review.** The chairperson of the Pastor Parish Committee, the pastor, and the chairperson of the Trustees or Parsonage Committee should inspect the parsonage at least once a year as specified in ¶2533.4 of the *Discipline*, to discover needed repairs, improvements, and decorations. The Committee or Trustees should assume the initiative since it is their responsibility to maintain the parsonage in good condition. An evaluation form will be provided by the district superintendents and shall be included in the Charge Conference packet. It needs to be remembered that the parsonage is the pastor's home and inspections should be scheduled in plenty of time to meet the convenience of the parsonage family.
- 2810.35 Moving Into and Out of Parsonages.** Since it is the responsibility of every local congregation to provide for suitable housing for their pastor, each pastor and parsonage family shall take great care to ensure that the parsonage is left in good condition upon moving to a new appointment. Before a Pastor may consider the parsonage from which he or she is moving as properly vacated, an inspection must be made by the Chairperson

of the Board of Trustees, Pastor Parish Relations Committee, the Pastor and where applicable, the Chairperson of the Parsonage Committee. Failure of a Pastor to comply with this procedure can result in a complaint filed by the local church with the District Superintendent and the Bishop. In the event the Pastor is transferring to another Annual Conference this complaint can be sent to the receiving Bishop and D.S.

In the event the parsonage is not adequately cleaned and the local church must incur expense to prepare the parsonage for the newly appointed Pastor, the moving Pastor can be billed for the expense incurred. This bill will be sent to the District Superintendent for action and the Pastor will be expected to pay this bill within 60 days. A report of any major damage beyond normal wear and tear will be filed by the local church with the District Superintendent. Financial responsibility not to exceed replacement or repair cost can then be assessed to the Pastor who has been residing in the parsonage. The Pastor may seek a review of the damage claims through the District Superintendent involved. This request must include copies of the Annual Review for the preceding three years or the time the Pastor has resided in the parsonage if less than three years.

In the event the local church has not maintained the property properly and has not met the needs listed in the Annual Report, the local church is responsible for any repairs or replacement.

2810.40 Upkeep and Repairs. In the event that there are any necessary repairs, other than those usually associated with routine upkeep, it shall be the responsibility of the departing pastor to pay for such repairs prior to moving to a new appointment. Assessments of damages shall be made during the annual review of the parsonage. Every effort shall also be made for the District Superintendent to visit the parsonage at the annual meeting of the Charge Conference. The District Superintendents shall receive copies of the damage assessments to keep them informed on the care, upkeep, and stewardship of local Church property by the congregations and the pastors. The Chairpersons of the Board of Trustees and Staff/Parish Relations, in consultation with the District Superintendents and the involved pastor, will come to an agreement as to the type and amount of repairs to be paid for and by whom.

2815 Pastor's Unpaid Bills. Conference funds shall not be used to clear up unpaid bills left by a clergyperson moving from a charge. It shall be the responsibility of the District Superintendent and the cabinet to see that the pastor makes satisfactory arrangements with creditors when moving from a charge. In the case of a pastor leaving the ministry, the creditors should follow customary methods of collecting outstanding bills.

2820 Vacation Standards for Clergy. Vacation standards for ordained ministers who are rendering full-time service to the church shall be as follows: (1) All ministers who have served full-time for less than 5 years shall receive a minimum of two weeks' vacation during the conference year. (2) All ministers who have served full-time for a period of five to ten years shall receive a minimum of three weeks' vacation during the conference year. (3) All ministers who have served full-time for more than ten years shall receive a minimum of four weeks' vacation during the conference year. Note: Since ministers are asked to serve in various conference responsibilities and camps,

these duties should not be considered as vacation. However, pastors and Pastor-Parish Relations Committees should work out a satisfactory balance of time rendered between conference and district duties, local church needs, and personal outside activities by the pastor.

2825 Pastors' Business and Travel Expenses. No more than 6/12 of the funds set aside for business and travel expense by a local church for reimbursement of expenses shall be claimed prior to July 1 by the pastor of that local church. If no pastoral change transpires in that same appointment, expenses beyond the 6/12 that were incurred prior to July 1 may be claimed following July 1 in the same year.

2900 Policies Related to Abuse and Harassment

2905 Policy Statement on Misconduct of a Sexual Nature. The NMAC of the United Methodist denomination affirms the 1996 Book of Resolutions, Sexual Abuse within the Ministerial Relationship and Sexual Harassment within the Church, which states that sexual abuse within the ministerial relationship and sexual harassment within the church are incompatible with biblical teachings of hospitality, justice, and healing. In accordance with the *Discipline*, ¶65.F, all human beings, both male and female, are created in the image of God and, thus, have been made equal in Christ. As the promise of Galatians 3:26-29 states, all are one in Christ; we support equity among all persons without regard to ethnicity, situation, or gender.

Misconduct of a sexual nature within the life of the church interferes with its moral mission. The NMAC stands in opposition to the sin of misconduct of a sexual nature in the church and society at large and commits itself to fair and expedient investigation of any charge of sexual misconduct within the church can to take action deemed appropriate and in compliance with the *Discipline*.

The NMAC bears affirmative responsibility to create an environment of hospitality for all persons, male or female, which is free of misconduct of a sexual nature and encourages respect, equality and kinship in Christ.

2905.05 Sexual Abuse. Sexual abuse within the ministerial relationship occurs when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader, lay person, or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker, volunteer, or child.

Sexual abuse within the ministerial relationship involves a betrayal of sacred trust, a violation of the ministerial role and exploitation of those who are vulnerable. Similarly, sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue.

2905.10 Sexual Harassment. Sexual harassment is any unwanted sexual advance or demand, either verbal or physical that is perceived by the recipient as demeaning intimidating, or coercive. Sexual harassment includes, but is not limited to, the creation of a hostile or

abusive working environment resulting from discrimination on the basis of gender (*Discipline*, ¶165.1).

Some instances of sexual harassment can be resolved informally between the parties. In all other instances, misconduct of a sexual nature should be reported to one of the following: the church's minister, another United Methodist minister, a district superintendent, or the presiding bishop. If the conduct involves a clergy person, it also should be reported to the clergy person's district superintendent or the presiding bishop. All allegations will be dealt with in accordance with the current *Discipline*.

It is understood that retaliation for bringing an alleged sexual harassment charge is illegal and will not be tolerated.

2910 **Safe Sanctuaries Policy.** The following policy and procedures are not based on a lack of trust in clergy, laity, staff or volunteers, but are intended to protect our children, youth, employees, volunteers, vulnerable adults and the whole church body.

This policy is to be used at conference and district events and ministries. This is the minimum standard of which must be met. If additional protections (i.e., cameras, additional adults, etc.) are available, the additional protections should be utilized in addition to this policy. This policy will not apply to local churches, as written. Local churches must develop and implement their own policy or update their current policy. Safe Sanctuaries Policy is not to be considered legal advice or used in place of legal advice but can be used as an example or guide to aid local churches in developing a policy that is specific to their church or ministry.

2910.05 **Definitions.** More definitions of abuse and neglect can be found at Child and Youth Families department at <https://cyfd.org/>.

Abuse means harm or threatened harm to the health and welfare of a child, youth, or vulnerable adult by any person responsible for the health and welfare of a child, youth, or a vulnerable adult that occurs through non-accidental physical or mental injury; sexual abuse, sexual exploitation, or mistreatment, sexual harassment, sexual contact, sexual molestation; disseminating, exhibiting, or displaying sexually explicit material.

Adult means any person at least 18 years of age.

Appropriate means conduct that one would assume would be acceptable and permissible by a child's parent or guardian.

Child, Children or Youth refer to a person under 18 years of age.

Leader means anyone personally responsible for supervising and overseeing the specific Church related function, event or activity.

Parent or guardian means any parent, stepparent, foster parent, grandparent or appointed guardian with the general responsibility for the health, education, or welfare of a child or vulnerable adult.

Sexual abuse means engaging in any sexual contact, sexual penetration, sexual exploitation, sexual harassment, of a vulnerable adult, child or youth; or the dissemination, exhibiting, or displaying of sexually explicit material to an adult with special needs or child or youth, regardless of whether such conduct is with or without the knowledge or consent of the adult with special needs, or child or youth. This abuse

may be violent or nonviolent. It includes any conduct that involves vulnerable adults, or children in sexual behavior for which they are not personally, socially, emotionally or developmentally ready.

Sexual contact means the intentional touching of the intimate parts or the clothing covering the immediate area of intimate parts of a youth, child or vulnerable adult.

Sexual exploitation means allowing, permitting or encouraging a vulnerable adult, child or youth to engage in prostitution or in the photographing, filming, creating electronic or computer-generated images or other forms of depicting a child, youth or vulnerable adult engaged in actual or suggestive sexual conduct.

Sexual harassment means any sexual advance or demand, either verbal or physical, which is perceived by the recipient as demeaning, intimidating or coercive.

Staff means any employee of the Conference, District or ministry, volunteer or paid.

Volunteer means a person who participates as a leader or assists a leader in activities relating to any conference and/or district event or ministry without compensation.

Vulnerable adult means an adult who has one or more mental, physical or emotional impairments that render the person incapable of self-care and/or independent living without help.

2910.10 **Statement of Policy.** Abuse of a child, youth, and/or vulnerable adult is prohibited in any conference or district event or ministries.

2910.15 **Mandatory Reporting.** A member of staff or a volunteer for any conference and/or district event or ministry who observes or suspects that abuse has occurred concerning a child, youth, or vulnerable adult must immediately report such observed or suspected abuse to the appropriate legal authorities. Such reports of observed or suspected abuse must be reported to the Conference Council Director, and either the District Superintendent or Conference Safe Sanctuaries Coordinator in writing. It is the responsibility of the event coordinator to ensure compliance with this policy. (It is very important that all parties be sensitive to the alleged victim and his or her family as well as to the accused. Pastoral care should be available to all in the time of crisis.)

2910.20 **Implementation of Policy.** Current background check screening and yearly training of all part-time and full-time staff, and volunteers, regardless of position, as all persons have the opportunity to work with or come in contact with children, youth and/or vulnerable adults. For the purposes of this policy, the following will apply to all persons (volunteer or staff), especially those who work with children, youth, vulnerable adults and those who have direct contact with and supervision of children, youth and/or vulnerable adults. This does not include those persons who are employees of independent contractors who participate in events, such as bus drivers of contracted bus lines, bands and the like, although requesting written confirmation of completion is highly recommended.

Background Investigations: ALL staff and volunteers must have a nationwide criminal background check done for them and kept on file. It is industry standard that background checks be completed at least every two (2) years.

Training: Safe Sanctuaries Training is mandatory for ALL staff and volunteers.

Training should be completed annually. Proof of completion should be kept by the church, as well as the trainee, and be available to the conference upon request.

- 2910.25 Responsible Non-Related, Adult Supervision.** It is the requirement of this policy that each local church of the New Mexico Conference and all sponsoring organizations of district and conference events shall provide adequate non-related adult supervision at district and conference events and ministries, attended by children, youth and/or vulnerable adults. A minimum of two non-related adults be present at all conference and/or district events and ministries involving children or vulnerable adults. Age Difference: Except in the case of events involving vulnerable adults, a five-year difference in age of at least one of the on-site supervisors and the oldest supervised participant is required. Persons closer in age to those supervised may be acceptable in assisting the primary on-site supervisor(s). Day Care programs housed on church campus, privately run or church affiliated, will follow all guidelines for non-related Adult Supervision. Teacher/child ratios: Babies & Crawlers-1 adult to 3, Preschool (2yrs-5yr old's)-1 adult to 3, Elementary (1st-5th grades)-1 adult to 5, Middle school (6th – 8th grade)- 1 adult to 6, Youth (6th-12th grade)- 1 adult to 8.
- 2910.30 Overnight Accommodations.** When staying in a camp or hotel setting, leaders shall sleep in separate rooms from children: or if necessary, for children to share a room with a leader, leaders shall sleep in separate beds from children as long as any one leader is not alone with any one child. Recognizing accommodations may be restrictive in some cases, one leader is adequate, as long as any one leader shall NOT be alone with any one child. Coed overnight activities require both male and female adult leaders without exception. Each gender must have separate rooms.
- 2910.35 Supervision for Nursery/Childcare at Conference and District Events.** There shall be a minimum of two (2) adult childcare providers per room. We recommend that whenever possible state childcare minimum standards shall be followed, particularly in relation to the number of childcare providers to child ratio.
- 2910.40 Supervision of Children and Youth at Conference and District Events.** Whenever reasonable, the "Two non-related Adult Rule" will require that no fewer than two adults be present at all times during any church-sponsored program, event or ministry involving children or youth. Situations may arise when the "Two Adult Rule" is not feasible. At NO time will an adult be one on one with a child in an isolated or closed situation. In an urgent situation, childcare and group activities will be relocated to a room near the main meeting area and doors will be left open.
- 2910.45 Local Church Mandate.** Each local church is required to adopt a Safe Sanctuary and Active Threat policy for their church. Both policies be filed with District Superintendent, Provost and Conference Director of Safe Sanctuaries. Annual review of both policies will be submitted at your annual Charge/Church Conference.
- 2910.50 Minimum Standards for Local Churches.** Local Church policy should meet the following minimum standards:
- Educate the congregation on the definitions of abuse.
 - Provide copy of Safe Sanctuaries Policy and Active Threat policy in written form to entire Congregation, posted in easy to locate (e.g., Designated Notebook) areas in each room, available on church website.

Develop selection & screening criteria for church staff & volunteers that include background checks every 2 years for each person.

3000 NEW MEXICO ANNUAL CONFERENCE SESSION (NMAC) STANDING RULES.

References to *Discipline* shall mean the current version of *The Book of Discipline of the United Methodist Church*.

3000.05 Rules Changes. Any proposed changes and additions to the Conference Rules shall be submitted in writing to the Conference Rules Committee and shall in turn be presented to a conference session at least 12 hours before a vote is taken on the proposed change or addition. Any and all rules may be changed by a majority vote of the conference.

3100 General Rules

3105 Prayerful Discernment. At the discretion of the presiding officer, a time for prayerful discernment may be taken during deliberations. Such a time should be for personal meditation and shall end at the call of the presiding officer.

3110 Voting. Only delegates within the bar of the conference when the vote is taken shall be entitled to vote. No delegate may cast a vote in place of another delegate. No other business shall be in order when a vote is being taken until the process is complete, except such as relates to the vote itself.

3110.05 Voting from the platform. Members of the Annual Conference who are seated on the platform or who are making a presentation to the conference shall be allowed to vote and shall be included in any counted votes taken.

3115 Consent Calendar. All items that do not require Annual Conference action will be placed on the consent calendar, established by the Annual Conference Planning Team. Legislation, reports, or resolutions that seek conference, district, or local church funding or that seek to amend the rules may not be placed on the Consent Calendar. If the consent calendar is not a part of the Pre-Conference Journal, it will be presented on the first day of the Annual Conference session and, after laying on the table for 24 hours, will be acted on by motion of the Provost. Anyone may make a motion that an item be removed from the consent calendar when the consent calendar is presented by the Provost during the opening business session of the Annual Conference session. Adoption of the Consent Calendar by vote of the conference shall be deemed action on all calendar items on the Consent Calendar.

Organizations, institutions, and special interest groups included in the consent calendar will not be scheduled for live plenary time unless the Annual Conference planning committee extends a specific invitation or grants an exception; instead, such organizations are asked to develop video presentations of no more than 3 minutes in length. These videos will be shown throughout the Annual Conference at the discretion of those responsible for scheduling.

3120 Matters Regarding Finance or Funding. To ensure adequate understanding by conference delegates of any motion requiring conference, district, local church, or individual member funding or financing, the motion must be either in the Pre-conference Journal or brought to the floor of the Annual Conference session at least 12

hours prior to vote. The maker of the motion shall present a line item budget and identify a source of funding at the time the motion is made.

3125 **Reports and Recommendations.** Each conference board, commission, or committee shall separate its report for the past year from its recommendations for the coming year, so that a vote for the acceptance of the report is not a vote for acceptance of the recommendations.

3130 **Distribution of Materials at Annual Conference.** Any materials distributed at the Annual Conference session shall clearly identify the author or sponsor of the material. Any material to be distributed by the Conference pages shall first be authorized for distribution by the Conference Secretary or designee.

3200 **Parliamentary Procedures**

3205 **Robert's Rules of Order.** In any parliamentary situation not covered by the Conference Rules, the Annual Conference session may appeal to Robert's Rules of Order Newly Revised for guidance. It is preferred that main motions be prepared in writing and handed to the Conference Secretary when presented (particularly when long or complex); in accordance with *Robert's Rules of Order*, the chair may require that a main motion, or any other motion, be submitted in writing when presented.

3210 **Second.** A report of a committee presented to the Conference for action does not require the formality of a second.

3215 **Exceptions to Majority Vote.** Twenty-percent (20%) of those present and voting shall be able to remove an item from the Consent Calendar for consideration by the body. Two-thirds vote shall be required to suspend or amend the rules. A call for the previous question is a motion to suspend the rules and therefore requires a two-thirds vote. Any voting requirements established in the *Discipline* take precedence over conference Rules (particularly with reference to conference relationships of clergy members).

3220 **Non-debatable Motions.** The following motions shall be acted upon without debate:

- To adjourn, except to adjourn the Conference finally
- To suspend the rules
- To lay on the table
- To take from the table
- To call for the previous question (see rule below)
- To reconsider a non-debatable motion
- To limit or extend the limits of debate
- To take time for prayerful discernment

3225 **Previous Question.** In debate, any member who moves the previous question shall indicate to what it is intended to apply, and if the mover of the motion does not indicate, it shall be taken to apply only to the immediately pending motion. The call for the previous question will be considered without debate and shall require a two-thirds vote of those present and voting for its adoption. If it is adopted, the motion or motions

to which it applies shall be taken without further debate except that a final speech by the chair of the committee giving the report is always in order before the vote is taken.

- 3230** **Secondary Motions.** If any one or more of the following motions is made when another motion is pending, the order of their precedence in relation to one another shall be the same as the order of their listing below:
To fix the time of adjournment
To adjourn
To lay on the table
To order the previous question
To limit or extend the limits of debate
To postpone to a given time
To commit or refer
To amend or to amend by substitution
- 3235** **Motion After a Speech.** No delegate, immediately after discussing a pending question and before relinquishing the floor, may make a motion which if adopted, would limit or stop debate.
- 3240** **Substitutions.** When a resolution or report is before the body for consideration, a substitute motion may be offered by any member moving that the same be substituted for the report, resolution, or amendment under consideration. The substitute shall be an alternative to what is before the house and not simply a negation of the main motion. The question shall be put first on the motion to substitute, followed by the motion to adopt the report or resolution.
- 3245** **Tabling motions.** The motion to lay on the table carries with it all motions to which it adheres and all subsidiary motions that adhere to it.
- 3250** **Final adjournment.** A motion for final adjournment of the Annual Conference shall be *sine die* and all unfinished business will remain unfinished.
- 3300** **Rules Regarding the Election of General & Jurisdictional Conference Delegates and Alternates.** The following standing rules are to govern the election of Lay and Clergy Delegates and Alternates to General and Jurisdictional Conferences.
- 3305** **Composition of Delegation.** The NMAC Delegation shall comprise: General Conference Delegates [as per *Discipline* ¶ 502] (currently one clergy delegate and one lay delegate, who shall also serve as delegates to the Jurisdictional Conference); Jurisdictional Conference Delegates: [as per *Discipline* ¶ 514] (currently an additional one clergy delegate and one lay delegate, who shall also serve as reserve delegates to the General Conference); and Alternate Delegates to the Jurisdictional Conference: two additional clergy delegates and two additional lay delegates.
- 3310** **Qualification and Nomination of Delegates.**
- 3310.05** **Qualification of Lay Delegates.** Lay delegates and their alternates shall have been professing members of The United Methodist Church for at least two years next

preceding their election and shall have been active participants in The United Methodist Church for at least four years next preceding their election. They shall be members of a church in the NMAC at the time of their election. There is no age requirement for election. The lay delegates shall be elected by the lay members of the Annual Conference; clergy members may not vote for lay delegates. [*Discipline* ¶ 36]

- 3310.10** **Qualification of Clergy Delegates.** Clergy delegates and their alternates shall be elected from the clergy members in full connection with the Annual Conference. The clergy delegates shall be elected by the clergy members who are deacons and elders in full connection, associate members, and those provisional members who have completed all of their educational requirements and local pastors who have completed course of study or an M. Div. degree and have served a minimum of two consecutive years under appointment immediately preceding the election. Affiliate clergy members and lay members may not vote for clergy delegates. [*Discipline* ¶ 35, ¶ 327.2, and ¶ 602(a), (b), (c), and (d), and as printed in the errata dated 11/01/2013, per Judicial Council decision #1181]
- 3310.15** **Nomination.** No formal nomination is required. Any qualified person receiving votes is deemed nominated. In advance of the Annual Conference session where lay delegates will be elected, the Conference/District Lay Leaders may request lay members interested in becoming a delegate to provide a notice of interest/qualification [in the form and content as established by that Lay Leadership of the Annual Conference] which shall be distributed to the Lay Members of the Annual Conference at or prior to the Annual Conference session for an election. At the Laity Meeting of that Conference session, the Conference Lay Leader may provide a scheduled introduction to the Laity of the Session of all lay members expressing an interest in becoming a delegate.
- 3315** **Time of Election.** Election of delegates shall be at the session of the NMAC held not more than two Annual Conference sessions before the calendar year preceding the session of the General Conference, and in conformance with *Discipline* ¶502.3. The determination of which Annual Conference session the election will take place will be the responsibility of the Conference Ministry Team (CMT), with input from the current delegation.
- 3320** **Vote Required for Election.** A delegate is elected upon receiving a number of votes equal to a simple majority of the ballots cast in that balloting round, counting only lay ballots toward a lay election and only eligible clergy ballots toward a clergy election. Ballot rounds will continue to be held at the session until the entire Delegation is elected.
- 3325** **Order of Election.** The General Conference Delegates shall be elected first, then the Jurisdictional Delegates, and then the Alternate Delegates. When voting for Alternate Delegates, each ballot round will call for the total number of Alternate Delegates to be elected. For example, if electing three Alternate Delegates, the ballot may include up to three names.
- 3330** **Lay Member Alternates.** If a lay member is going to be absent from the floor, the lay member may entrust his or her voting device or Ballot Book to an official alternate from

the lay member's church. Alternates may vote if they have the voting device or official Ballot Book in hand at the time of the vote of a ballot round. There are no alternates for clergy members.

- 3335** **Written Ballots.** When electronic voting is not available, the following sub points under rule 3335 shall govern the use of written ballots.
- 3335.05** **Official Ballots.** Votes will be counted if cast using the official ballot book distributed at registration and if cast on the ballot page announced by the Bishop for that ballot round. Voting on a ballot page other than the page announced by the Bishop will result in that ballot being disqualified. Members are responsible for ensuring they have been issued the appropriate lay or clergy ballot book at the time of registration. Members are advised to clearly identify their ballot book as their own. Members are further advised to begin using the numbered balloting pages as the ballots, and not the pages at the back of the ballot book provided to record ballot round results.
- 3335.10** **Order of the Day.** When a ballot round has been tallied and is presented to the Bishop, the reading of the ballot results and the next round of balloting shall be the order of the day.
- 3335.15** **Legibility and Discernibility of Ballots:** Tellers will count all votes that are legible and discernible as to the intent of the voter. The Head Teller, the appointed Rules Committee Member, and the Conference Secretary shall be the final arbiters of the discernibility of a ballot.
- 3335.20** **Distribution of Additional Ballots:** In the event all ballots in the Official Ballot Books are used, new ballots will be distributed to those possessing used Ballot Books.
- 3340** **Form of Ballot.** Members must vote for no more than the number of delegates or alternates to be elected in that round of balloting (i.e., if seeking to elect one delegate, only ballots with one vote for one name will be counted; if seeking to elect three alternates, only ballots with up to three different names on them will be counted.). Voting for more than the number to be elected on that round of balloting (or voting for the same name multiple times) will result in that ballot being disqualified. Voting for the maximum number of different names at each round of balloting will shorten the time required to elect alternates.
- 3345** **Displaying of Election Results:** Results of a ballot shall be displayed on the multimedia screens only upon the direction of the Bishop.
- 3350** **Limits on Floor Discussions.**
- 3350.05** **What is in Order During Balloting:** After the Bishop has read the results of a ballot and before the next round of balloting is announced, the following two matters may be raised from the floor:

Questions regarding the voting and election process
Statements by persons receiving votes who wish to decline election

3350.10

Decorum: No campaign speeches for or by any candidate may be offered from the floor of the Conference Meeting.
