

## Scholarship Fund:

The New Mexico Annual Conference through a grant to the Creation Care Committee is providing a small scholarship fund to increase the education regarding Creation Care and Creation Justice. This fund is available to clergy and certified lay ministers as well as laity from the NMAC, who want to enhance their formal training in this area and who will provide at least one church service or program to share their learning with others. Scholarships are for up to \$200 of the total program cost.

Examples of the type of training that we will help fund include:

Eco preacher training <https://www.creationjustice.org/ecopreacher>.

UMC Global Ministries Earthkeepers [EarthKeepers training](#)

The Academy of Spiritual Formation – creation care/creation justice programs

Various offerings from UMC related seminaries on creation care/creation justice

Email the attached information to Sarah Allen at [s.k.allen2227@gmail.com](mailto:s.k.allen2227@gmail.com) asap in advance of when you need to fund your application for the program.
